Jesus said: "My people, remember when I spoke to St. Peter in Galilee after My Resurrection: (John 21:18-19) 'Amen, amen, I say to thee, when you were young, you gird yourself and walked where you wanted. But when you are old, you will stretch forth your hands, and another will gird you, and lead you where you do not want to go. Now this He said to signify by what manner of death St. Peter would glorify God.' St. Peter was later martyred for his faith, and even in these end times, some will also be martyred for their faith. In today's reading (1 St. John 2:18) it is appropriate for the end times: 'Dear children, it is the last hour; and as you have heard that the Antichrist is coming; so now many antichrists have arisen. Thus we know that it is the last hour.' Truly you have seen the antichrists in some of your evil leaders who are leading you astray. These are the ones who are preparing to give the world over to the Antichrist for his short reign before I come in triumph over him. I have given you the signs of a world famine, division in My Church, martial law, mandatory chips in the body, and a pandemic virus. When you see these things, then it is time to call on Me and I will have your guardian angels lead you to the nearest refuge. Once you are at My refuges, you will be protected from any viruses or destruction of the earth. It is true that it is a long time plan of the one world people to reduce the population of the earth dramatically so that they have fewer people to control. This is all part of the death culture plan that is being led by Satan, himself. Remember that the higher one world authorities worship Satan and get

their marching orders from Satan, himself. His plan is to destroy man because he hates man, but I have control over the extent of his allowed power. Trust in Me that he will not achieve his goal, and I will protect My faithful at My refuges throughout the entire tribulation. I will then cast these evil ones into hell, restore the earth, and bring about My Era of Peace. I give you one emphasis in My power that the Warning will occur before the Antichrist comes to power, so everyone will be prepared for these evil last days."

Friday, January 1, 2010: (Mary, Mother of God)

January 1, 2010

Jesus said: "My people, as you look at this brick church, think of Me as the cornerstone not only of a building, but mostly as the foundation of your faith in Me. I built My Church with St. Peter as the rock or leader, and you have the succession of Popes from St. Peter. I have protected My Church from the gates of hell over the years so you can see how I am in control of salvation history. This light at the end of a tunnel in the vision is another sign of both near death experiences and when people die and come before Me in judgment before My Light. Everyone has a review of their life before I pass judgment on them. This life review will also be given to everyone at the time of the Warning or illumination of conscience. The Warning will be a blessing to all sinners because after your judgment, you will be placed back into your body and given a second chance to change your life for the better in following Me. Give praise and glory to God for your gift of faith, and for this coming gift of My Warning to help save souls."

Jesus said: "My people, you are going to have a severe winter with plenty of snow. Ice storms and other disasters will affect your people as well. Pray that you do not have to go to your refuges in the winter time. I am reminding you every winter to have some alternative fuels on hand for any power outages. In the Northern States cold weather is hard to bear without some source of heat, especially if you lose your power. You have had some terrorist attacks and fortunately they were

not serious. Your security people should be prepared for more of these incidents. Some times the militants are using different tactics to test your weaknesses which appear to be many, even from computer attacks. You are in a constant battle with forces who want to see America fall. Pray for the safety and health of your people from any man-made diseases."

Saturday, January 2, 2010: (St. Basil & St. Gregory)

January 2, 2010

Jesus said: "My people, in the Gospel you already are seeing St. John the Baptist pointing the way to My coming in My public ministry as the 'Lamb of God'. He was the herald in the desert preparing the people with a baptism of water, as he called the people to repent of their sins. My son, you have a similar mission both to call people to repent of their sins, and to point to My coming after the tribulation. I have asked you to prepare the way also in warning people when to leave for My refuges. I am also calling many people to prepare final and interim refuges so the people will have a place to go. At My refuges there will be angels of protection, and they will make you invisible and provide for your needs. At the refuges you will have food, water, shelter, and be healed of viruses and infirmities. These are great words of comfort and trust in Me that will allow you to live through the coming tribulation of evil."

Jesus said: "My people, the terrorists, who are mostly Muslim extremists, are becoming more active with large numbers of people as their targets. You have seen a military man shoot multiple service people, and an attempt to blow up one of your airplanes. This vision of a massive explosion at a large airport terminal in the U.S. at a busy time, could happen from some kind of a truck bomb or an individual carrying undetectable explosives. The bomb could even be brought inside before entering security checks. This event could be prevented with enough security notice on high alert. Pray that your security agents can stop these kinds of incidents before they can be carried

out."

Sunday, January 3, 2010: (Epiphany)

January 3, 2010

Jesus said: "My people, today the Wise Men honored Me as the Infant King as they brought Me gifts of gold, frankincense, and myrrh, fit for royal people. Even though I was born into humble beginnings, I have a royal heritage from the line of King David. You know that I am the Second Person of God, but I lowered Myself to be incarnated as a man so I could die for your sins. I had powers to heal and cast out demons, but I did not seek glory for Myself. I humbled Myself to be obedient to My parents and to God the Father. Later, I even allowed Myself to be humbled by an agonizing crucifixion. I came to the earth as a servant and Savior, and not as a ruler. My public ministry was to teach the people and My apostles about the Kingdom of God, and how to save souls from going to hell so they could come to heaven. Rejoice on this feast of the Epiphany as you honor My Kingship with your praise and worship."

Monday, January 4, 2010: (St. Elizabeth Ann Seton)

January 4, 2010

Jesus said: "My people, when My public ministry began, it was too difficult for the people of My day to comprehend the possibility of God becoming a man. They listened to My words and they sought to be healed by My healing power. But when I talked of My Divinity and two natures, they wanted to stone Me as a blasphemer. Throughout history there have been various heresies that denied My Divinity. My becoming a man is a mystery for man to understand, but it is true that I took on two natures-human and the Divine. Understanding the Blessed Trinity of Three Persons in One God is also a mystery of faith. At all times whenever you see Me, you also see God the Father and God the Holy Spirit because We are always One and inseparable. Another mystery of faith is accepting My Real Presence in every

consecrated Host and the consecrated Wine. This mystery is shared every time that you receive Me in Holy Communion since you receive God the Father and God the Holy Spirit all at the same time. Give praise and glory to all Three Persons of God that We are joined intimately with you in spirit and in the physical substance of bread and wine."
Jesus said: "My people, you have been saying your Santo Nino Novena for your conference funding, and now you have seen an answer to your prayer. You knew that this was a powerful prayer, so now you have another confirmation. As with all answered prayers, it is only fitting that you continue with your thanksgiving Novena of Santo Nino. You gave Me, as an Infant King, all of your prayers and petitions, and now your conference is ready. Continue your prayers in faith and persistence for all of your other intentions. You know when it is according to My Will that I will answer those prayers where many souls will be helped. This is another reason to see the importance of gathering all of your Betania groups together in spreading the message of repentance with My Blessed Mother. Repentance is the theme of St. John the Baptist, and this Christmas Season fits the message of your conference. Give praise and glory to God for answering your intention."

Tuesday, January 5, 2010: (St. John Neumann)

January 5, 2010
Jesus said: "My people, today's Gospel miracle of the multiplication of the loaves and fish for the 5,000 people was more than just out of necessity. This was also a test of the belief of My apostles in My power as the Son of God. I am the same God who created all the earth and the universe. Multiplying the food was a simple act of My Will in asking My Father's blessing. The multiplication of bread is also a symbol of My consecration of bread as Holy Communion because I am the 'Bread of Life'. Whoever eats My Body and drinks My Blood will have eternal life in heaven. I am love and My death on the cross

for your sins is the greatest act of love that I could show you. I gave up My life for you and I suffered an ignominious death in My crucifixion. This love of Mine is given to you freely and I ask you to love Me also of your own free will. Call on Me at any time in prayer because I am always at your side willing to answer your prayer, and accept you in the forgiveness of your sins."
Jesus said: "My people, these footprints in the snow are a reminder how your storms have been snowy and cold. I have mentioned about following Me in My footprints several times, and I invite you to imitate My example of love for God and your neighbor. Keeping the faith takes work and stamina to avoid sin and keep your spiritual life alive with a pure soul. It is your spiritual survival that is even more important than your physical survival. You work to keep your body alive with food and water. You also should keep your soul alive in My grace by feeding on Holy Communion and frequent Confession. Just as you follow Me, you can also help others by your good example so they can follow in your footprints. You are My prayer warriors who can help convert souls and be a beacon of hope for your families and friends. Keep your light of faith burning as you disperse evil and spread good will where you go in My Name."

Wednesday, January 6, 2010: (Brother Andre)

January 6, 2010
Jesus said: "My people, I am showing you someone in chains in a prison because torture, prisons, and martyrdom for the faith will become more widespread as you approach the time of tribulation. This is all the more reason that you should be prepared to go to My refuges with your backpacks, blankets, and tents. Any food and water would be multiplied later. You may be traveling a few days which is why you need a tent, a windup flashlight, warm clothes, food, and water. Those, who do not go to My refuges when I warn you, will be risking capture, torture, slave labor, or death. Even before the Antichrist comes to power, I have asked you to store one year's supply of food,

water barrels, and extra fuel sources. If you have power outages, viruses, or any riots, you may need this food and water to survive. Pray for My help whenever you are tested."
Jesus said: "My people, man is using up many natural resources as metal ores, coal, oil, and uranium that are not endless sources for the future. You are also using up potash and various fertilizer components that are being used by your farmers. Recycling metals as scrap steel, copper, glass, and aluminum can minimize finding more resources. There are limits to the amount of food and things that you can manufacture. This is why conservation of energy and alternative energy sources are being looked at. Your desire for fossil fuels and more energy sources will have its limits, and your expanding population will create even more demands. This is why the one world people want to reduce the population because of your limited resources. Beware of the viruses, bad foods, and medicines that are slowly controlling your immune systems and could sterilize parts of your society. Trust in Me at My refuges where you will be healthy and fed with My food and water."

Thursday, January 7, 2010

January 7, 2010
Jesus said: "My people, those, who live near rivers and lakes, are fortunate to have water readily available, even if it has to be purified. This vision of a deep water well is how far you need to drill for water in arid country. In such dry areas water becomes very precious. Without water you could only live a few days, so water is a necessity for your life. In the same way My grace is a necessity for your spiritual life. Your soul is dead to Me if you are living in mortal sin without My grace. My sacraments with the priest are your oasis for grace in the soul. By seeking My forgiveness in Confession, you can restore grace and viability to your spiritual life. Your main goal is to seek to be with Me in eternal life after your death. By keeping in My grace with a pure soul, you will always be ready to meet Me in your

judgment. This is why frequent Confession and Holy Communion will keep you alive and vibrant in your faith and your soul."
Prayer Group:
Jesus said: "My people, all of you, who said your Santo Nino Novena, have received many graces and answers to your prayers. You will soon see a closing of your Christmas Season as you put your decorations away. Remember to keep a little crib scene at your little altar, and remember to pray to Santo Nino all year long. You have been gifted with My first coming, and you will be gifted again when I return."
David said: "My family, thank you for visiting my grave recently and remember to pray to me for your intentions. I have seen Camille, Carol's father, and he is also trying to help your family in your day to day struggles. He is trying to leave some indications of his presence at your daughter, Donna's house. There may be some subtle hints there to encourage everyone to go to Sunday Mass. I also am giving a message for Catherine to try more to consistently go to Sunday Mass without trying to make excuses. It is important for everyone's faith to have a deep love for Jesus in His sacraments."
Jesus said: "My people, it is interesting how the Democrats worked hard to ensure 60 votes to pass your Health Plan in the Senate. Once they have done their dirty work, now several Democrats are not running for re-election because they do not want to face your people's backlash on election day. When your people wanted a change from the war in Iraq, they did not realize that they are giving up their freedoms under the Democrats. The one world people control both parties, but there are more death culture proponents on the left. These proponents of big government are taking away your freedoms, and they will control you more under this new Health Plan when it is put through with more secret meetings. Pray for a return to a republic government than your present leaning to socialism."
Jesus said: "My people, your central bankers are exploiting the people with your taxes and low interest rates to bail out the banks and Wall

Street Corporations. Bailout and stimulus money has helped the rich and not the poor. Low interest rates are hurting all savers who are getting practically no return for their money in the bank. Here the rich are getting richer and the taxpayer suffers little employment and little credit to buy things. You may not see justice now, but at the judgment these evil ones will pay for their greed and injustice to the poor."

Jesus said: "My people, these latest terrorist attacks could give your Homeland Security and FEMA more power to restrict your movements on various means of transportation. In an attempt to protect your people, they will implement more chips in your license and health cards with GPS capability so they can track you better. Eventually, they will try to force chips in the body for better control, but this will lead to controlling people like robots. Refuse any mandatory chips in the body and leave for your refuges when this happens. This socialistic control is what you invited into your government with your current leaders. The time to leave for your refuges grows closer with every lost freedom."

Jesus said: "My people, when you see the prices of your commodities increase, it will be more the decrease in the value of the dollar than an increase in demand for oil, gold, and others. Your government leaders are spending you into bankruptcy as your National Debt is growing beyond your ability to support it. Foreigners are not buying more of your debt, and your Federal Reserve cannot rely on monetizing your debts into hyperinflation. When you cannot pay your bills, you will see your government lead you into financial chaos. This destruction of your economy has been planned for years so the one world people could take over your country. This disaster and chaos will be another reason to leave for My refuges."

Jesus said: "My people, I have given you several messages of a coming deadly pandemic virus. Your flu viruses to date have not been that deadly. You will see a more deadly virus start happening when the evil one world people will infect your people with another man-made virus that will kill a larger percentage of those who get sick. Again

when you see many dying, use your masks, build up your immune system with Hawthorn, and move quickly to My refuges where you will be healed by looking on My luminous crosses or drinking the healing spring water."

Friday, January 8, 2010

January 8, 2010

Jesus said: "My people, you have heard the Gospel of My healing the leper of his disease, but it was his faith that healed him. This is true of physical healings and spiritual healings. There needs to be a desire to be healed in the body and the soul. Faith in My healing power also is needed in physical healings. Most important in spiritual healings is also a desire to seek My forgiveness in a person. You know that you can come to Me in Confession to have your sins forgiven, but you must make the forward act of making plans to go to Confession. You can have souls praying for you both on earth and in heaven, but each sinner needs the desire on their own to come forward to be cleansed, like this leper. Life is short and you may not always have the opportunity to confess your sins if you should die suddenly. This vision of darkness in a wooden frame represents a soul living in mortal sin. It is your duty as a Christian to warn people who are living in sin to wake up and convert their lives before it may be too late and they may lose their soul in hell. Do not worry if you are offending their emotions, but tell them that you love them and you are concerned about saving their soul."

Jesus said: "My people, you are about to end the Christmas Season with the celebration of My Baptism in the Jordan River by St. John the Baptist. After this season is over, you will have some ordinary time before you prepare for another Season of Lent, followed by Easter. Every time, that you read My Scripture passages, you can get a new meaning out of the familiar words of a new cycle of readings. As you see this empty casket, you realize that My death on the cross for

your sins is the reason for My coming in the first place. My victory over sin and death was completed in My Resurrection. Rejoice because those, who believe in My promises, will one day be united with Me as you are also resurrected with your glorified body. You have no idea of what beauty and glory awaits you when you arrive in heaven. Many of your relatives here are encouraging you and praying for you on your life's journey through your daily temptations of the devil. I invite you to call on your relatives in heaven in prayer to help you and those who may be away from the faith."
Camille: He said: "I have been asked why I have been turning on the lights at H.. and Donna's house, and yes it is to try and help the family stay close to Jesus. I know H.. was disbelieving in my presence at first, but now he knows that it is real. I know H.. has a good heart, but I am sad that he has closed the door to Jesus in trying to use his gifts. Tell him that I am praying for him to return to church and give Jesus a second chance. For V.. I told you that he is in a great need of prayer help which all of you have been doing. I know he has some demons in his drugs and drinking, but if he continues, his life will be shortened. I have given him signs as well in fixing some things, and let me tell him that he can only be saved, if he allows Jesus to come into his life. He is searching for peace, but it can only come by praying to Jesus for help and forgiveness. He is a good hearted kid if he could stay off the drinking. His health and my leaving have been a problem, but he can still get out of his condition if he could look for some help. Keep praying for him and encourage him to change his ways, and his life will get better. I am praying for H.. and V.. to help save their souls because I love them."

January 9, 2010
Jesus said: "My people, St. John the Baptist was My herald in the desert preparing the way for My coming. He kept asking the people to

repent of their sins and be baptized. When I let St. John baptize Me, there was a manifestation of the Blessed Trinity. (Matt. 3:16,17) 'And when Jesus had been baptized, He immediately came up from the water and behold, the heavens were opened to Him, and He saw the Spirit of God descending as a dove and coming upon Him. And behold, a voice from the heavens said, 'This is My beloved Son, in Whom I am well pleased.' When I died on the cross, I ransomed all souls from their sins, if they would come forth to be baptized. Now, today you bring your children to be baptized in the Name of the Father, and the Son, and the Holy Spirit. This sacrament is your entry into the faith, and it forgives your original sin from Adam, and any actual sin up to that time of Baptism. My request continues to call all souls to repentance so you can receive My graces and be saved from hell."

Jesus said: "My people, many times I invite you to come and make visits to My tabernacle in prayer. When you come before Me with all of your troubles and intentions, you can find peace with Me that only I can give to your soul. You are My children of faith, and I treasure the moments that you come to share with Me. I love My adorers so much and I wish you could crowd every Adoration chapel so there is no place to stand. Yet I am thankful for the few who do come, and I will shine many graces on you for your efforts to be here in taking time out of your busy schedules. Do not forget to make some quiet time for Me every day. This is My time to talk to your heart and encourage everyone in their special mission in life. Walk with Me as I walked with My disciples on the road to Emmaus and I gave them My words of My mission, and how it fulfilled the prophecies of the prophets. Encourage each other in your prayers, and help others to share some quiet moments with Me in My tabernacle."

January 2010

Sunday, January 10, 2010: (Baptism of Jesus)

January 10, 2010

Jesus said: "My people, even as you are bringing your Christmas Season to a close, do not cease singing your praises to Me as the angels sing to Me constantly. As you see this vision of a choir getting their places, you all have some small part to play in voicing your faith to others as you sing My praises. By your daily prayers and your actions, you are being a witness to others of your faith in Me. Remember that heaven and the people around you are observing your every move. So always give good example to lift others up in their faith. When you were baptized, I called you to be an evangelist to help save souls. Your faith is a gift of love from Me and you need to share it, and not just keep it to yourself. Witness your love for Me and your neighbor every day."

Monday, January 11, 2010

January 11, 2010

Jesus said: "My people, you know that I came from humble beginnings and I was St. Joseph's son, a carpenter. When it came time to choose My apostles, I also chose simple fishermen instead of people who were rich or part of the religious authorities. I wanted My apostles to be open and to freely choose to follow My new teachings that fulfilled the Law of the Jews. Those in authority would refuse Me, but My words of love touched the hearts of all the apostles that I asked. By the power of the Holy Spirit and My guiding hand, many have come to believe in Me and have converted to follow a Christian way of life. Those, who repent of their sins and accept Me as Master of their lives, will have eternal life with Me in heaven. The reward for following Me, as My apostles did, is worth more than any hardships that you must face in this life. Keep focused on Me and perfecting your spiritual life, and you will find your crown of sainthood in

heaven with Me."
Jesus said: "My people, your country is being wrapped in a tightening vise of socialism that will be controlling your freedoms more and more. You have cameras identifying you in many places. You have microchips in your driver's licenses, your passports, and soon in your National ID health cards. Your travel in airplanes and other transportation is dictated by these chips. The one world people are not satisfied with overtaxing you and stealing your money from the stock market and the banks, but they want to control you like robots and choose your thoughts with mind control. This is why their next push will be for mandatory chips in the body, and a reduction in the population by diseases and breakdowns in your immune systems. Viruses in flu shots and viruses in the chem trails are adding to your adulterated food that they are going to use to kill people, and sterilize them as well. When mandatory chips in the body are declared, pandemic viruses kill many, or martial law is called, then call on Me and My guardian angels will lead you to the safety of My nearest refuge. Trust in My protection as the tribulation time is about to start."

Tuesday, January 12, 2010

January 12, 2010
Jesus said: "My people, you know how important it is to have your priests to pray the Mass and administer the sacraments. Some of your people may not fully understand the importance of your priests for your spiritual life. They counsel people in Confession and for marriage. They consecrate My Hosts so you can have Me in Holy Communion and at Adoration. Because they take My place on earth, the demons are constantly tormenting the priests to give up their vocation. This is why they need your constant prayers and support to protect them from the demons and to provide for their needs. A priest's life today is under constant demand to run their parish, and they may even help other parishes as you share priests in your

shortages. Pray also to inspire your faithful to continue coming to Mass and supporting your parish church. You all are like Christian soldiers defending the faith. You need to encourage your family and friends to remain faithful to your own calls, whether in the single life or your married vows. Support your pastors because you can remember how difficult it was to be without a pastor."
Jesus said: "My people, you have witnessed at least three major earthquakes in the last week or so. One was near New Zealand, one off the coast of California, and now a severe one in Haiti. You are entering a time of increased severe earthquake activity which is a warning for California and the middle of your country. When you see considerable activity around Indonesia and New Zealand, then stress is now on the other ends of these plates. Let this disaster in Haiti be a warning for America's places of vulnerability. Food supplies around the world are at all time lows, and any major disaster will find it hard to get many supplies there, even if the money is available. Pray for those suffering from this earthquake, and provide some donations of what you can to help them. It is difficult for poor countries to respond to such disasters that could quickly lead to chaos and looting of what food can be found."

Wednesday, January 13, 2010: (St. Hillary)

January 13, 2010
Jesus said: "My people, today you will see more pictures of death and destruction in Haiti as many countries will be sending them help. As I mentioned in a previous message, there are some good charity organizations that send aid to this country that you could send donations to them, as well as your prayers. Some people without much understanding even blame Me for all of these natural disasters. In some cases there is destruction because of evil and sin in areas, but earthquakes are of their own course. There are known faults on this island that were dormant for many years, but much of this damage is

because it is a poor country with little if any control over home construction. Where there are well known earthquake areas or regular hurricanes, I have advised people to avoid living in these areas. Wherever you build houses or buildings, you always are taking some risk of natural disasters. Sudden massive destruction is hard to prepare for, but it is part of life's struggles. Reach out to help these people in their trials, as My heart goes out to all of the poor in their needs."
Jesus said: "My people, you have been hearing a lot of talk about the Mayan Calendar ending in 2012 with a possible threatening event at that time. You know from the historian of this civilization that this is only the end of a 5,000 year cycle that will start over again. I alone in the Father know the true time of the end of the world, and it will not come at a predictable time of man. You were told that 2000 would bring dire consequences, but it proved to be only man's hype. Now you are getting the same signals of 2012. There is some changing, or shifting of the magnetic North Pole, and sun spot activity does increase and ebb with an 11 year cycle. There are people preparing caves that go back to previous messages (9-21-04 and 2-15-05) where the one world people are building underground cities with tunnels connecting other areas. This could be protection for the elite during a pandemic virus or riots over food and water. I did show you a comet coming that would strike the earth and be My triumph over Satan. The comet will trigger volcanic fire and three days of darkness will cover the earth. My people will be protected from the comet in caves or when I protect you at My refuges. Fear not any fire, comet, or earthquakes because My angels will protect you. Rejoice on the day of My victory when all the evil ones will be cast into hell, and I will bring you into My Era of Peace."

Thursday, January 14, 2010

January 14, 2010
Jesus said: "My people, you have read of My many healings and how

crowds of people were always seeking to find Me so they could be healed and listen to My sermons. Because of My notoriety I had to seek places in the mountains and outside of town for rest, prayer, and quiet time with My Father. This need for rest was My human side, and all of you need rest at times as well. Even more than physical rest, you also need to be fed spiritually when you receive Me in Holy Communion and when you come to Me in your daily prayer time. It is difficult to keep busy all of the time, so it is important that you make some quiet time for Me every day. This is when I can console you in any of your troubles, and give you encouragement to carry on with your mission. Just as your body needs sleep to get your strength back, so even your soul needs to rest in My peace so you are ready for your next battle against the evil one's temptations. It is by My grace from My sacraments that you will have the spiritual stamina to remain faithful to My mission and My Commandments."

Prayer Group:

Jesus said: "My people, your modern technology from the satellites can show exactly the status of the destruction in Haiti. You could even see the military's presence that was working to bring aid and clear the roads for distribution of food and water. Many are working to free as many as possible from the concrete rubble that has buried and killed thousands. Pray for these people and help them with your donations. You will gain treasure in heaven for all of your charity."

Jesus said: "My people, as you look on all of the death and destruction from the earthquake in Haiti, you should wonder why man would cause even more destruction with your constant wars. Not only is property damaged in war, it is also the senseless killing that goes on, even when civilians are being killed. Pray for peace to stop your killings and your hostilities in these wars."

Jesus said: "My people, you have seen a lot of bank bailouts and stimulus spending, but you still have 10% unemployment and the banks are still reluctant to loan money to small businesses that create the most jobs. Your foreclosures and job losses continue because the

government has difficulty in creating jobs. Pray for your economy to turn around so employment can be restored to many of the unemployed."

Jesus said: "My people, it is still not clear what parts of your House and Senate Health bills that will come forth out of a Conference bill. Many interest groups are lobbying for their supporters in trying to gain some benefits. With the Democrats in control, they will put forth their own agenda without any input from other parties. It will only be once the bill is forced through that you will find out its details."

Jesus said: "My people, there are some people trying to predict when My Warning would occur, but these dates, that are spoken of, are fruitless because I told you that no one would know the actual date of the Warning. The Warning will be My mercy on sinners to prepare them for the tribulation. Therefore it needs to come before My call to go to the refuges, and definitely before the Antichrist comes to power. Call on My help so you can go to frequent Confession and have pure souls before the Warning. With pure souls you will not experience what hell would be like after receiving your judgment in the Warning experience."

Jesus said: "My people, I am directing certain souls to set up final and interim refuges where My people can be protected throughout the tribulation. When I warn you to leave your homes for My refuges, call on Me to have your guardian angels lead you with a physical flame to your nearest refuge. These places will be at My Blessed Mother's places of apparition, places of holy ground where Adoration of My Host has been going on for many years, monasteries that are faithful to Me, and caves. Have no fear because My angels will protect you and provide for your needs."

Jesus said: "My people, you have seen many pulled to safety, even as others were saved from other disasters. It is one thing to have your physical life saved, but it is another thing to be pulled to spiritual safety in saving your soul from hell because of sin. Even though you may be living a sinful life, it is not too late to send out a distress signal

to Me to bring you back into My good graces. Desiring to be saved is your first step, and acting on this desire could indeed save your spiritual life. My faithful need to be looking constantly for lost souls who need to be invited to conversion or re-conversion to a Christian way of life. Some are lukewarm and need encouragement to get back to Sunday Mass and repentance for their sins. When you reach out to these souls, think of pulling them out from the rubble of sin as people are saved physically."

January 15, 2010

Jesus said: "My people, you have been praying for the poor people in Haiti who have lost their lives and their homes, and you will be giving donations to help them get food and water. Here in America you complain of the least little pain, and if you lose electricity to an ice storm, it is a catastrophe. After seeing all of this destruction and death, now is a good time for a prayer of thanksgiving for all that you have, along with your health. You have much to be thankful for in your food, water, heat, and communications. Imagine if you lost your home or any of your services. You have seen problems with ice storms and lost homes in New Orleans, so you know how disasters can affect your life. Have mercy on those who are suffering all over the earth because you are sharing in My suffering on the cross."

Jesus said: "My people, in your Northern states that have received a lot of snow I am warning you of possible flooding from any warming trend that could melt the snow all at once. This normally happens in the spring time, but you can get thaws during the winter. At times this has been compounded by heavy rain storms at the same time. In previous years you have seen some extensive flooding, but you have not built up your levees sufficiently to handle any future flooding. Man should learn from his experiences or find ways to either divert or slow down any flood waters as with dams in appropriate areas. By

being prepared for sudden surges of water with either wider river beds or better walls along the rivers, you can stop damage to farms and homes."

Question on leaving for refuges: Jesus said: "My people, My angels will make My faithful invisible as you are walking or driving down the road. When you leave your houses, it should be at night in dark clothing so people would have difficulty seeing you leave. The invisible shield of the angels occurs away from your home. Even though you will be made invisible to the evil ones, you will still be able to see each other. The angels will lead you down back roads on your way to My refuges. Have faith and trust in Me that you will be protected on the way to My refuges and once you arrive there as well."

January 16, 2010
Jesus said: "My people, these doctors are the ones who are developing the next man-made virus that will be the third wave of your pandemic Swine Flu. This slimy looking substance on their gloves is a sign of the new virus that they are making. It also symbolizes the blood on their hands of all the people who will die from this new wave of disease. Again, I am warning My people to build up your immune systems with Hawthorn, herbs, and vitamins. Also have masks on hand so you can wear them to avoid breathing germs, once this disease spreads. If you see many people dying from this flu at a fast rate, then this will be another sign to leave for My refuges so you can be healed by looking on My luminous cross or by drinking the healing spring water. No matter what evil plans that the evil ones have to try to kill you, My angels and I will protect you. Some may die as martyrs if you stay at your homes, but those, who leave, will be protected."
Jesus said: "My people, many times I give you unusual signs that

appear as miracles, as this rose blooming in the winter. As you see the snow melting, it gives you thoughts of spring, even in the middle of winter. The rose is a sign of life even amidst your death culture. No matter how evil man can get, there are always people of faith that are standing up for the Right to Life. These thoughts of protecting life in the womb against abortion, are preparing you to remember your nation's anniversary court decision of accepting abortion on demand. I have asked you to struggle in any way that you can to defend life and work to encourage your women not to have any abortions. Your country is on a path to its own destruction because of this decision to accept abortion which is opposed to My Fifth Commandment of 'Thou shalt not kill.' See this rose as your sign to remember all of the innocent babies that are being killed."

January 17, 2010

Jesus said: "My people, in the second reading the gifts of the Holy Spirit were enumerated. Every person has been given a particular mission with sufficient graces to carry it out. One of these gifts is 'prophecy' which can be about words of faith as well as things to come. This gift has been your mission which you have accepted, and I am thankful that you are doing what I have asked of you. This mission is of warnings and preparations, but it is a difficult message to share because many do not want to hear about the coming tribulation. The important message is that people need to trust in Me for protection and your needs. The coming Warning is My mercy on sinners to wake up and be prepared in their souls by repentance, and to be ready to leave for My refuges when the evil ones start to force a takeover. You will see My angels protect you and provide for your food, water, and shelter at My refuges. Be thankful for this mission, and keep close to Me in you prayer life so you can carry it out."

Jesus said: "My people, many times I was challenged by the Scribes and Pharisees that I did not strictly follow the Mosaic Law as with today's fasting. I did not come to change the law but to fulfill it, as well as to fulfill the prophecies of My coming. I also spoke to My critics that they should be obeying the spirit of the law and not just the letter of the law. These leaders spoke of the law of God, but their hearts were far from Me. Remember the words of St. Paul in that there is more to the law than just the motions. You must have love in your heart as well for everyone. (1 Cor 13:1-13) I told them if you only love those who love you, what merit is there in that, since even the pagans love their own. Instead, My faithful must love even your enemies and your persecutors if you want to gain perfection for your sainthood. Work to get your own spiritual house in order before thinking of criticizing others."

Jesus said: "My people, a small farm would be good for a refuge, but most of the farming of corn and wheat would be more for the people of the refuge than just a few animals. Any food as the eggs and milk will be multiplied, and the deer will be your meat source. Ponds would supply the water and everyone would have to work to provide for the community survival. My angels will protect every refuge from being seen, or detected by the evil ones. Trust in Me to protect you and provide for your needs. Thank Me for watching over My faithful, but you must leave your homes for My refuges when I give you the warning. I also thank those who have said 'yes' to providing for a refuge. Many people will help these brave souls when the time comes. Pray for discernment to form refuges, or help those whom you know that have refuges."

January 19, 2010

Jesus said: “My people, the situation in Haiti seems to be getting worse for the long term. It is difficult to establish order, feed the hungry, rescue those trapped, and remove the dead bodies. This is why your military has established order, and is using the helicopters to ferry in supplies to remote areas where roads are blocked. Long term reconstruction of the damaged buildings may be a problem for a poor country where few nations are willing to put up much money in that effort. Charity from the people of other nations is flowing more than from their governments. Many may leave Haiti as you witnessed in New Orleans. The other symbol of this whirling motion in the vision is how I have related words of the coming Warning experience. Many events are pointing toward an eventual martial law situation in America. Before this comes, it will be necessary for the people to be warned and prepared spiritually for the coming tribulation. This means that My Warning experience is close as well. Trust that you all will be chastised in the Warning for your own preparation.”

Jesus said: “My people, a church will succeed where the priests and the bishops are inspired enough to make it work. You have two major problems in a shortage of priests, and a dropping attendance from the laity. There are plenty of vocations that I send to each diocese. If you are lacking in vocations, then you need to examine those who are operating your priest formation and those who are choosing your candidates. There also needs to be a proper fertile ground of holiness with prayer and Adoration of My Blessed Sacrament to encourage vocations. If you can inspire more vocations, then that part of your problem would help keep more lay people coming to church. When you do not have a pastor, then your people will leave to go to a church that has one. General attendance at Sunday Mass has been dropping

because of the evil age that you are living in and because of the many distractions that are taking people into other faiths. My people need to be encouraged in their prayer life and their sacramental life. You have Me in Holy Communion and in My forgiveness in Confession. Use My graces and sacramentals to protect yourself from your daily temptations. It is spiritual laziness that is affecting your vocations, and your attendance at Mass. Pray for the lukewarm to be re-converted and for conversions of your young people who are leaving your churches. Pray for your priests and for vocations to stop the shortage of priests."

Wednesday, January 20, 2010: (St. Fabian)

January 20, 2010
Jesus said: "My people, it is one thing to complain and sit idly by watching life go by you. It is another thing to stand up to your persecutors and still proclaim the Gospel by fighting in peaceful demonstrations against your abortion court decision. When the people rise up against their evil-minded leaders, you can see how the pro-death candidates can be defeated. This latest Health Plan in all of its backroom deals has infuriated the people, and they are taking action against the current administration's plans to force a bad bill through the Congress. Even as David defeated Goliath, so the death culture people have lost a crucial Senate seat, halting their 60 vote majority. Now you are seeing that the will of the people can still override the one world people if you take action as a group over their power. Call on My power in prayer and you can even move political mountains."
Jesus said: "My people, to create a need for a National Emergency, the one world people could use various terrorist plots to either destroy some major buildings, spread a deadly Swine Flu virus, or poison your water. These attacks on your air, water, or your electric grid are your most vulnerable targets. This is why the elite have their underground bunkers so they can protect themselves from any means

of cutting down the population. The death culture people are planning to reduce the population dramatically, and the quickest way is through a highly contagious and deadly pandemic virus. This could be spread by release through chemtrails or spreading the disease by putting live virus in the flu shots. The evil ones already have an antidote vaccine to protect themselves. This is why I have told you, when you see many people dying from a new virus, it is time to go to your refuges by calling on Me to lead you with your guardian angels. You will be healed by looking on My luminous cross at My refuges. Trust in My protection when martial law will be declared."

Thursday, January 21, 2010: (St. Agnes)

January 21, 2010
Jesus said: "My people, the people of America are speaking loud and clear to their elected officials through the ballet box that they are opposed to your government's favoritism in the latest Health bill. Pushing through major Stimulus and Bailout spending has only bailed out the banks and the rich who stole the money from the people in the stock market. These central bankers are not loaning enough money to small businesses, and their low interest rates are hurting your savers. The corporations have sent many jobs overseas that will not return at the expense of your own workers. While the rich are getting huge bonuses for failing, the everyday worker's wages and benefits are dropping, in addition to high unemployment. It is no wonder that the people are backlashing the overspending and the increasing National Debt which is out of control. One thing is clear that the voice of the people is even making the one world people give pause for their agenda that is ruining your country. If your people do not take back your country from the evils that are going on, then America will fall very quickly into the one world people's control. Pray for your people in government to change their ways, and pray for the poor and unemployed who are suffering to survive."

Prayer Group:
Jesus said: “My people, in the early days of your nation’s founding, freedom had a different meaning from today. Most of the people who came to America were fleeing persecution, and they wanted to be free of any English tyranny. Your people here have been free of big government to some extent. Now freedom means more about freedom from the threat of big government and chips controlling your lives. Chips in the body will take away your free will, so your people are fighting to keep your freedoms instead of someone taking them away. Pray for spiritual freedom from the evil ways of your earthly society.”
Jesus said: “My people, some people have had visions of angels and souls traveling up holy stairways to heaven. I have shown you how each day is another step toward heaven as you perfect your spiritual life. This working on your perfection over the course of your life can be a struggle to keep climbing every day to meet your goal to be with Me. But once you reach heaven, you will be thankful that you strived to keep on track to follow Me. Continue on your path, and work to bring souls with you on your way to heaven.”
Jesus said: “My people, a few weeks ago you were enjoying a time without much testing from world disasters. Now your heart goes out to help the poor and hungry people who are suffering from the earthquakes in Haiti. People in California and elsewhere are suffering from severe flooding and mud slides. When your homes and survival are threatened, you start to realize what is most important in your life, and that is your faith and trust in Me. Call on My help in prayer, and give your donations to help these people through their trials.”
Jesus said: “My people, when you were suffering blizzard snow and some had no power, it was very difficult to manage a normal life. Once the snow has melted, you are getting a respite from your winter weather. No matter where you live, there can always be some kind of trial or disaster that you will have to bear. It is comforting to know that other people will come to your aid when you have to endure hard times. Even some are having bad financial times with high

unemployment and a recession. Pray for My help and reach out to help others when you have the opportunity."

Jesus said: "My people, it is one thing to have your physical life threatened by natural disasters. It is another thing to prepare for a time when your spiritual life will be in danger as well. During the coming tribulation you will experience an evil that you have yet to see. Demons will be testing you all over, and you will need to seek My protection at My refuges where My angels will do battle for you against the evil ones. Be thankful that you will have safe havens to go to as the evil of this world brings about the reign of the Antichrist. Have trust in Me and patience until I will defeat the Antichrist and cast the evil ones into hell. I will prepare a place for you both in My Era of Peace and in heaven for all those who remain faithful to Me."

Jesus said: "My people, when you read or see such tribal people offering up their infants as sacrifices, you think that they are very brutal and inhumane to do such things. Yet, when you kill your babies in the womb, you are no better when you offer their lives up to your gods of pleasure, lust, and convenience. Tomorrow is the anniversary of your court decision that legalized abortion in America. I tell you that you may have evil laws as this, but you still are committing a grave sin of murder against My Fifth Commandment for every abortion. It is this blood on your hands that is condemning your country to your coming destruction. Pray to stop abortion both in America and in other countries as well."

Jesus said: "My people, there are some couples, that are childless, and they are praying to have a successful pregnancy. Yet, other mothers are discarding the miracles of conception that some would love to have. Even if these mothers gave up their babies for adoption, it would be far better than taking a life against God's plan. Encourage mothers to avoid abortion and teach them how valuable every life is and how precious each life is to Me who created that soul and life."

Friday, January 22, 2010: (Row vs. Wade Anniversary)

January 23, 2010

Jesus said: “My people, in the Early Christian era you were sought out and killed if you practiced your Christian faith. Even today in some communist countries you risk jail or martyrdom for being a Christian. Many of these early martyrs became saints and were canonized by My Church. Also today, you have new martyrs in all of the babies being killed by abortion. Your society, by its laws, has little respect for life in the womb and even life at the end in old age. Any kind of killing is not acceptable behavior in My eyes. Self-defense and just war situations may be justified in self-preservation, but any other killing is against My Fifth Commandment. When you are allowed to kill by abortion or euthanasia, your society does not appreciate how precious life is to be honored. Your marches for life on this day of the court decision bring to mind every year how brutal and inhumane your people are in killing their own children. You have read studies of the increased abuse of your children, but killing them is the ultimate abuse. If people can be tried for murder in killing their born children, why should they not be tried for murder for killing their unborn children? Your laws in this area are not consistent, and they are against My laws which is more important. Work to stop abortion in your prayers and actions. Even if people persecute you for being outspoken about murdering My babies, be willing to stand up for a greater good against your evil society.”

Jesus said: “My people, as adults you are already alive and you see some mothers having abortions that you are praying would have their babies. Too often abortions are performed to hide affairs outside of marriage or when married people do not want to have any more children. If you were the soul in a forming baby that was at risk of being killed, you would be praying for loving parents who would not even consider having an abortion. If you were a forming baby who was being aborted, it would seem like an unexpected terror to be killed by your own mother. Mothers need to think of life as precious,

and babies are too valuable to be slaughtered like an animal that you would use for meat. These little ones are defenseless and vulnerable in needing care for their survival. You should only have the marriage act if you are married and are willing to bear any children that result from your relations. Adultery and fornication are mortal sins requiring Confession, but abortion compounds these sins with a worse sin of murder. All unborn babies are human beings and not just flesh only. Each unborn baby has a soul and a body that the parents are responsible for. When you think about abortion from the baby's point of view, abortion becomes a much more serious crime. This is why your society is very evil when it thinks that these lives are expendable. Pray for all mothers to avoid abortion at all costs, even if having a baby may be embarrassing to the parents."

Saturday, January 23, 2010

January 23, 2010

Jesus said: "My people, when I was on the earth in human form, I took many liberties to do My mission, and My life is an example to all Christians not to be afraid to step out in faith. When you were baptized, you were given the grace to carry out your own mission and help save souls. When people are paralyzed with fear to fight the political correctness of your society, then they will refuse to fight against abortion. Many times even in My own efforts, I did things to show the hypocrisy of many of the actions of the religious authorities. It takes spiritual courage to stand up for the morally right decisions. Taking a correct stand by My laws will gain you a reward in heaven, even if you will suffer in this world. Whenever you are faced with making decisions, always take the morally high road, despite any repercussions."

Jesus said: "My people, I have given you several messages on the Swine Flu shots with an emphasis on not to take it. Every time another wave of disease comes out, the authorities start offering free Swine

Flu shots. They are not truly free because your government pays the drug companies to distribute the shots. Many of these diseases are man-made, but the vaccine shots can damage your immune system and cause other problems for years. Some develop Gulf War type reactions to the shots, while others do not see any immediate effects. The mercury preservative and the squalene in some shots are the most damaging to your health. These diseases and viruses, that are being spread, are meant to reduce the population as part of the death culture plan to make an easier takeover of your country. The Health Plan is part of their grab for power to control your medications and operations. This plan will now have a harder time to pass through the Senate without enough votes to by-pass the Republicans. The people are waking up to the threat against their freedoms. They are finally taking some action to block your president's plan to push an unfavorable bill through by backroom trickery. Pray to protect your health and freedoms from the one world people who want to control you."

Sunday, January 24, 2010

January 24, 2010
Jesus said: "My people, you have read in the Gospel of Luke (Luke 4:18-19) 'The Spirit of the Lord is upon Me because He has anointed Me; to bring good news to the poor He has sent Me, to proclaim to the captives release, and sight to the blind; to set at liberty the oppressed, to proclaim the acceptable year of the Lord, and the day of recompense.' After reading this passage from Isaiah, I sat down and said: (Luke 4:21)
'Today this Scripture has been fulfilled in your hearing.' The people of Nazareth at first did not realize that I was declaring Myself the Messiah. Later, they understood when I made it clear that I was sent from God, but they could not stand hearing what I proclaimed, and they tried to kill Me. I walked through their midst because it was not

My hour. This is another acknowledgment that a prophet is not accepted in his own town because they have little faith. Trust in My words and imitate My actions in your own life."

Monday, January 25, 2010: (Conversion of St. Paul)

January 25, 2010

Jesus said: "My people, what you are seeing in this vision is a spring time experience with blooming flowers. Sometimes your life is like the winter weather where all the plant life seems dull and dead. This is when you need a retreat or a spiritual awakening to put some spirit back into your life. If you truly believe in your Christian faith, then you should look forward to every day as a new opportunity to do something for Me and your neighbor out of love. If you do everything only for yourself, then your life will be dull. Conversion, as with St. Paul, can wake you up to your real purpose on earth to know, love and serve Me. Wake up out of your complacency, and you truly will feel alive in the Spirit."

Jesus said: "My people, you would be amazed to see the process of how your money is created through bonds and Federal Notes. The documents are all debt instruments that make up a part of your trillions of dollars of the National Debt. People from here and various countries buy these notes and bonds, expecting to be paid back interest in more debt notes. As long as people accept these notes as backed by the taxpayer and your net worth, these notes have value. The larger your National Debt is as a percentage of your GDP, then the value of your money decreases. The more the Federal Reserve monetizes your debt, the more chance that they are going to inflate your dollar. In days past you had real money in gold and silver as a currency. Once you accepted Federal Notes, there is no intrinsic value to your paper money. This has allowed your central bankers to control you by the loans you are making to the Federal Reserve, which is not a part of your government. Once people stop buying your Treasury

Notes, you will go into bankruptcy with no market to sell your debt and interest. This is why gold and silver will always be more valuable than your paper promises to pay. This bankruptcy could happen any time, and everything denominated in dollars will become worthless as the one world people will use ameros to replace your dollars. Do not put faith and trust in your money or your possessions because they can be stolen, devalued, or lost. Put your faith and trust in Me because I can always be trusted to treat you fairly and protect your souls. Keep close to Me in your prayers and your obedience to My Commandments."

Tuesday, January 26, 2010: (St. Timothy and St. Titus)

January 26, 2010

Jesus said: "My people, this vision of a great divide in the rock of the mountains is a sign of the coming division in My Church. Even as you are seeing the early structure in My Church in the readings, there were problems that caused divisions in My Church before. Wherever you see division and confusion, you know that Satan is there trying to destroy My Church. Because of My promises, I will always defend My Church from the gates of hell. The coming division I have given you many times in My messages, and there will be such a division between a schismatic church and My faithful remnant. The schismatic church will be teaching New Age which is not about God, and that the sexual sins are no longer serious sins. My angels and the Holy Spirit will be guiding My faithful remnant, even when you may need to celebrate Mass in the homes and later at My refuges. Trust in My leading you even throughout the coming tribulation."

Camille Remacle's birthday (Carol's father): He said: "I want to comfort My family that I am still praying and watching out for all of you. Continue to watch over Lydia and Vic, for they are in need of your help. My signs around you will be less frequent, and more around my day of death than my birthday."

Jesus said: “My people, after the earthquake in Haiti, there were massive problems with dead bodies and looting. The American military has helped a lot in aid distribution and keeping order. Some countries are concerned that America could be an occupying army in a takeover of Haiti. Seeing the military in a disaster situation brings back memories of the military in keeping order in New Orleans. You can see how a natural disaster or a man-made disaster could precipitate a larger takeover in America, under the pretense of a national emergency or martial law. The military could easily be called in to manage such a crisis. This is the opportunity that the one world people are looking for to bring about their North American Union. All of these events will be leading up to the Antichrist taking over these unions. Trust in My protection and My providing for your needs at My refuges.”

Wednesday, January 27, 2010: (St. Angela Merici)

January 27, 2010

Jesus said: “My people, My parable about the sower of seed is all about how people receive Me in My Word. When I was on the earth, the people only heard the parables without the explanations that I gave My apostles. But today My Word in the Bible is available to everyone who wishes to read it in various languages. The seed in the parable is the Word of God, and how it is received, will determine how everyone will bear fruit. Those, who do not have deep roots of faith, or those, who are choked by the cares of the world, will not bear much fruit because Satan steals the will to believe out of their hearts. But those, who listen and act on My Word, are the ones who bear fruit thirty, sixty, and a hundredfold. Those, who truly love Me and desire to be with Me, are the ones who receive Me in Holy Communion often and visit Me in My Blessed Sacrament in Adoration. This alternating vision of Me and My Sacred Host is to emphasize My Real Presence in every consecrated Host. This gift of My Presence with you is how I

strengthen you with My graces so you can resist the temptations of the devil. You have Confession when you fail, so you always have an opportunity to be with Me. Go forward and share My Gospel of love with all those that you meet so they can have the same experience of My loving Presence."

Jesus said: "My people, it was the rich hedge funds and Wall Street derivatives that really were the culprits of your latest bank system failure. Then when they lost money on speculative home loans that had more risk than was made public, the rich had the government and AIG bailout their losses as 'too big to fail'. There was little or no regulation of these derivatives or risky home loans. A combination of bank and stimulus spending, along with near zero interest loans from the taxpayer have bailed out the banks on their bad debts. This was a created economic crisis to cause a recession and high unemployment as a means to bankrupt your economy. Even though many lost money, it was the man in the street who saw his investments stolen, his job taken, and his house devalued. But the rich were allowed to regain their losses at the taxpayer's expense. These are the injustices that I will hold the cheaters and swindlers on Wall Street accountable for at their judgment. The one world people will reign over you for a short time with the Antichrist, but I will come and cast this whole evil lot into hell for all of their greed and killing. Then I will renew the earth and bring about My Era of Peace. Have patience for now as you go to My refuges of protection, because you will be happy with Me, but the evil ones will languish in hell with the devil tormenting them."

Thursday, January 28, 2010: (St. Thomas Aquinas)

January 28, 2010

Jesus said: "My people, I have invited My faithful to take time to visit Me in My Blessed Sacrament in contemplative prayer. After you receive Me in Holy Communion at Mass, you usually do not have a lot of quiet time to hear My words to your heart. That is why at

Adoration you have more time for meditation and listening to what I want you to do. Also, your time in Adoration of My Blessed Sacrament is a preparation for what it will be like in heaven as My saints and angels are always praising Me in song and adoration. Give thanks to Me for My two great gifts of My salvation in My death on the cross, and My Real Presence in My Blessed Sacrament. My sacraments are the fullness of the faith that are missing in other religions. So enjoy this intimate closeness with Me that you have in My Blessed Sacrament."

Prayer Group:

Jesus said: "My people, it has been a tragedy in Haiti where many have lost their lives in the rubble from the earthquake. Another tragedy is how many young children, who were fortunate to survive, are now orphans because their parents have either died or they have been separated from each other. Some orphans have been adopted in America, but the rest will need help to continue surviving. Pray for these people and continue your donations for their basic needs."

Jesus said: "My people, driving in blizzard snow is very risky, and you have seen some major pileups in your recent storms. Sometimes it may be better to avoid driving in real bad weather if it can be put off. Pray for the safety of your workers who have to battle the storms to make a living. Living in the North has its trials in dealing with the snow, ice, and windy cold."

Jesus said: "My people, at times wearing gold jewelry may be tempting someone to steal any valuable jewelry. You have seen such theft in Venezuela on one of your trips to Betania. In certain places it is prudent not to wear such an expensive necklace. You have noticed how many are turning in their gold things because they are more valuable now. The gold maintains its buying power, but it is your dollar that is losing its value. When commodities such as gold increase in price rapidly, then you can see how quickly your dollar's value is deteriorating due to your rising deficits. Trust in Me more than any of your valuables."

Jesus said: “My people, it is this time of year that many start taking vacations in warmer climates. Older people or retirees have more opportunity to live down in the Southern states in the winter. Those, who endure the winter cold and snow are hearty and may not have the time or money to travel to the South. Every area of your country has its risks to live in. The South must bear hot summers and possible hurricanes. The North has its cold, and the West endures fires, mud slides, and earthquakes. Pray that you live in as safe an area as possible. Offer up your pain and suffering for souls, as everyone is tested by trials in this life.”

Jesus said: “My people, at times in history you are blessed with some gifted doctors of the Church in their writings. St. Thomas has left you with many valuable books and even some beautiful hymns to honor My Blessed Sacrament. You sing these hymns often at Adoration, as St. Thomas had a great love for Me in My Divinity. When you come to heaven, you will hear all kinds of beautiful music that gives honor and glory to Me.”

Jesus said: “My people, your business people are always using various holidays and occasions to sell their goods to those who prepare for these special days. Earthly love is part of your St. Valentine celebration. Marital love is a needed cornerstone for your families which are under attack in your society. Many enjoy a good love story and it is good to see couples in love getting married. There is also a spiritual love for Me and your neighbor. Think of sharing valentines of love with Me as I show My love for you as well.”

Jesus said: “My people, think of how the world glorifies earthly things in this world with all of your high profile advertising. Your businesses try to entice you to buy many things that you do not need, and these things do not make you happy just to own them. The real valuable things are those gifts from heaven as life itself and your faith. Desiring to lead good lives in preparation for heaven is a lot more rewarding than buying the latest things being advertised. Helping your neighbor with food, clothing, and shelter is again more rewarding than

keeping your wealth just for yourself. Loving and sharing is what you should be doing instead of focusing on just your earthly desires."

January 29, 2010
Jesus said: "My people, in the everyday course of doing your mission, some people have offered to help you. It is part of having a generous spirit to be able to welcome help from others, even when you could have done something yourself. I have asked people to be charitable in helping others in their needs, but when you have a need, then others might be willing to step forward in assisting you. So there is a twofold response to charity. One is being open to help others when the opportunity arises, and the other is being generous in accepting another's offer to help. By helping one another, then all of your missions can be fulfilled and people will feel satisfied that they could contribute to another's needs. This is the spiritual reward that you receive from your charity, even when there was no physical reward. You would much rather store up heavenly treasure than be paid in earthly treasure."
Jesus said: "My people, it is hard for people of faith to understand what would make a mother want to kill her own child by abortion. The numbers of abortions in America are staggering in even its effect on your population. The repercussions of these killings are leading America down a path to your own destruction. I have asked you repeatedly to pray to stop your abortions, but your people seem to have no pity in their hearts for all the unborn babies who are being killed. Just because you do not see the dead babies, some may think it is easier to put them out of your mind. This vision of hundreds of dead babies is real, and the disposal of these little lives does not even honor their deaths. They are many times treated as human garbage where some have to be incinerated to avoid an evil smell of dead bodies. If

Americans do not heed My words to stop your abortions, then you are bringing your own destruction upon yourselves. Do whatever you can to close the abortion clinics without violence, and encourage your mothers to have their babies."

Saturday, January 30, 2010: (Funeral Mass, Loretta VerWeire)

January 30, 2010
Jesus said: "My people, you are celebrating the life of Loretta as a very loving woman of faith who helped many people in her many activities. She was always doing all that she could do for her family and her friends. She was also a faithful daily Mass person and she spent many hours at Adoration. I have mentioned in other messages how My adorers are My special lovers, and they have a special place in My Heart. The reward that I have for My adorers in heaven is a special place that I have prepared for them. Know that she is with Me in that place right now. Her life is a great model to imitate both in her physical and spiritual life. She is happy to be with Me and her husband."
Jesus said: "My people, at the Mass you have the bread and wine that are later consecrated by the priest into My Body and Blood. I have told you many times that if you do not eat My Body and drink My Blood you cannot have eternal life. Those, who partake of Communion every day, are that much closer to Me in My Blessed Sacrament. A time of persecution is coming when you may have to defend My Blessed Sacrament from the evil ones by carrying Me to a safe place. You may also have to take care of a priest and make a place for him to stay so you can have the Mass and My sacraments. Trust in My angel protection at My refuges and you will have no worries."

Sunday, January 31, 2010

January 31, 2010
Jesus said: “My people, many times your path to improving your spiritual life has been blocked by your complacency to take any action to improve it. The idea of this vision of a door blocking your way is a challenge to decide how to act and when to act. Until you open the door from the inside of your heart to Me, I cannot enter. So the first step to improving your life is to be open to My grace and change in your life. The second step is to have enough belief in your faith that you are willing to reach out and try to understand your faith better with the gifts of the Holy Spirit. A third step to improving your spiritual life is to learn how to love Me and your neighbor more as you love yourself. You should have the intention in your heart to do everything out of love for Me without worry about the cost of how you will be viewed by the world. I am love itself, and you were created out of love. So love should be in your make-up by the life I give you as your inheritance. In order to accomplish any improvement in your spiritual life, you need a good prayer life and be humble in all that you succeed in doing. You are to give glory to Me for all of your accomplishments, and not just give all the credit to yourself. When I ask you to love everyone, I want you to love even your enemies and your persecutors because My Light of grace shines on the good and the bad. See Me in every person so that it is this part of loving Me in them that will help your faith grow. Listen to My words and let them touch your heart so you can truly grow and improve your spiritual life. It is this searching for perfection that will lead you on your path to sainthood. Remember that only saints can enter heaven, so ask Me to give you the grace to achieve your crown in heaven.”
Jesus said: “My people, all of these skulls represent how many babies are dying from abortion every year. The avalanche is a sign of how many abortions are being done in America which is in the thousands. If man cannot hold back all of these abortions from being performed, then I cannot hold back My arm of justice that will strike your country. All of these slain babies are martyrs who are having their

reward in heaven. All of My faithful need to struggle to save your brothers and sisters from being murdered. Unless you do everything that you can to stop these abortions, then they will continue to condemn your land. If you truly love Me, then you will fight to save these lives from being killed. I love all of My people so much, but you must wake up your country to all the horrors going on in your abortion clinics."

End January 2010

February 2010

Monday, February 1, 2010

February 1, 2010
Jesus said: "My people, I have told you that the tribulation will be an evil that you have never seen. Part of this increase in evil is that more demons will be allowed to leave hell and torment the souls on the earth. You may have to grab your backpacks and leave as you see the UN military ransacking houses right on your street. In this case you may not have the cover of night which is why you may have to sneak out your back door even in the daylight. If you leave when I first warn you, you will have time to wait until nighttime. If you do not leave right away, you may have to leave in a short time when you see these men coming. Call on Me and My angels to guide you to the nearest refuge because you may have to leave on bikes or on foot if you have to leave in haste. Those, who stay in their homes, could risk martyrdom, but those, who leave at My direction, will be protected at My refuges."

Monday, February 1, 2010

February 1, 2010
Jesus said: "My people, you have been blessed with having My Mass

present to you, even daily for those who desire to come. The rain on the Mass represents the devil's attempts to take you away from Me with sin and the world's distractions. But his temptations only last a while and My sun comes out to protect you. The other vision of a galaxy of souls circling around My Host in the monstrance represents how I will draw My faithful remnant to My places of refuge. It also is a little like heaven where everything revolves around Me, and is focused on Me. Many people do not fully believe that I created the universe and that I control all of the movements of the stars and the planets. For those, who do believe, you are the ones that also see My hand in all of your lives and how you are dependent on Me for everything. Give praise and glory to your Lord and continue to accept Me as Master of your life in following My mission for you. Give thanks to Me for all that I do for you and My unconditional love for you. I only ask that you love Me and share My love with your neighbor as well. By keeping focused on Me in daily prayer, you can see how your life revolves around Me in all that you do."

Tuesday, February 2, 2010: (Presentation of Jesus in the Temple)

February 2, 2010
Jesus said: "My people, today you honor Me at My Presentation in the Temple which is a Jewish tradition to bless the first born males. This goes back to when the first born males of the Israelites were spared in Egypt, and the Egyptians suffered the loss of their first born males who died in the last of ten plagues. This was the turning point in Pharaoh releasing the Jews to leave Egypt. This is also a day of tradition in the blessing of candles which prepares you for the blessing of the throats tomorrow on the feast day of St. Blaise. Blessed candles also will be used and needed when you are faced with the three days of darkness, as they will be the only allowed source of light. There are many traditions that you honor in your faith that give reverence, honor, and glory to Me. You should honor and accept My Real

Presence in My Blessed Sacrament which means genuflecting or bowing to Me in Holy Communion or in My tabernacle. It is more reverent to receive My consecrated Host on the tongue than in the hand. Having a large crucifix on the altar also helps you to remember how I died a cruel death to save all of your souls. Coming to Sunday Mass is not only a tradition, but it is part of My Third Commandment. As soon as you neglect this reverence for Me, you are on the wrong path to letting your love for Me weaken in your faith."
Jesus said: "My people, those, who live in the Northern states are acquainted with the long cold winters and the need for a fuel source to keep warm. For many years you have been spoiled with relatively cheap fuels of natural gas, propane, wood, and oil. When you had an ice storm and lost your electricity for over a week, you saw the value of having an alternative source of fuel in wood and your kerosene. Even at My refuges, I have advised My people to have at least two sources of fuel for heating. At My refuges I will even multiply your fuel if necessary to keep you warm in the winter or to heat your food. Trust in Me to provide for all of your needs throughout the tribulation time. Many miracles will be performed both as protection and ways to provide your food."

Wednesday, February 3, 2010: (St. Blaise)

February 3, 2010
Jesus said: "My people, I know this life is difficult to endure physically with your aches and pains, and spiritually with your daily confrontation with the devil's temptations. But I give you My graces in My sacraments and the Mass. You also have the Scriptures in the Bible to follow and imitate My life. All of your struggles on earth are focused on your desire to one day be with Me in heaven where there is constant love, peace, and the absence of evil. You have to suffer a purification of your earthly desires either here on earth or in purgatory. Those, who refuse to accept Me and give in to Satan and

pleasures, risk losing their soul for all eternity in the flames of hell. So I ask you to have your soul prepared every day to meet Me at your judgment. By having a soul cleansed of sin through My forgiveness in Confession, you will truly be pure and ready to meet Me. In near death situations or at the Warning, you will have a mini-judgment and you will be given a second chance to save your soul. But at death you will face a judgment to heaven, purgatory, or hell. Work to be worthy of being with Me in the joy of heaven."
Jesus said: "My people, in previous messages I have advised you to leave for your refuges under cover of night. In general I will give you enough warning to leave so you can wait to leave at night. Certain people may wait too long after My warning to leave, and it is these people that may need to leave in the daytime when they see the men in black pulling people out of their homes. If you leave at night, you could take your vehicle to travel. If the evil ones are coming close, then you may have to leave on foot or with bicycles out of your back doors. This is a message of clarification for the recent vision on leaving in the daylight. This is another example of leaving when I tell you to leave or you could risk being captured and martyred for your faith. Once you are well down the road to My refuges, then your angels will shield you by making you invisible to your persecutors. Give praise and thanks to Me for protecting you and providing for your needs."

Thursday, February 4, 2010

February 4, 2010
Jesus said: "My people, this asteroid in your vision is relatively small, but at the speed that it is traveling, there is still a chance of damage from the remaining fragments after entry into your atmosphere. You have recently read articles of how only a small amount of money is spent on searching for near miss objects coming toward the earth. Many times you find out about such objects after they have passed

you, as the recent object that was only 80,000 miles away. Any such objects that strike in the ocean could send a considerable sized tsunami that could inundate coastal cities with a wall of water. Do not be surprised if such an event happens with little or no warning."
Prayer Group:
Jesus said: "My people, your people have still not realized how precious each life is that I bring to the earth. In addition to taking life because it is a convenience or an embarrassment, you are denying the plan that I had for the life that you killed. America needs to wake up and stop supporting the death culture in abortion, euthanasia, and wars. Even your scientists are developing diseases to drastically decrease the world's population as they follow the plan of the one world people. Work to stop abortion, euthanasia and wars to fight the demons who are encouraging these killings."
Jesus said: "My people, because abortion is so prevalent in your society, all of heaven is celebrating every birth of a child in this life. Taking care of children has become a difficulty because many babies are taken to day care centers so the mother could go to work. It is unfortunate for these children that see a babysitter more than their parents. Your society is so preoccupied with money and possessions that your children find it hard to express themselves. You are being out populated by the Muslims because they are more concerned for their children in large families. It is unfortunate that some are used for suicide bombers. So treat life as precious because your time on earth is short."
Jesus said: "My people, in your travels you have seen how sound, lights, heating, and cooling have changed a lot even in your old churches. The ornate woodcarving and paintings are becoming a lost art, as well as stained glass windows. Modernism has crept into My Church to try and take away all of the old traditions. People at times come to church looking to be entertained instead of coming to be with Me in a personal relationship. This is why the faith is weak because you bring your technology into My churches. See My Word and the

Mass as unchanging, and far superior to anything that man could do. Keep close to Me in your soul and do not let the worldly distractions take you away from Me."
Jesus said: "My people, there is a lesson in this disaster in Haiti, and you should realize how quickly everything that you have could be lost in an instant. This is why money, possessions, and homes are not to be your gods because they are all passing away. My Word and My sacraments will live on forever, so put your faith in heavenly things that will last forever. Your desire to be with Me in love is far more satisfying to your soul's peace than anything that this world could offer."
Jesus said: "My people, this evil man of peace is causing signs in the sky with various technical means to claim that he is about to declare himself and lead a peace movement to stop wars. He also is claiming to be a grand master and a simple man with charismatic powers to control people's minds. Beware of looking at this Antichrist and avoid listening to his words that will attempt to get you to worship him. Before he comes to power I will bring My Warning to wake you up to who I am and how you need to be serving Me by helping others. Avoid any chips in the body and be ready to come to My refuges during this evil one's reign."
My father said: "I am happy that my family is taking care of their children and having a good influence on their spiritual lives. In heaven everything is focused on Jesus, and I am proud of your ministry to help souls. It would be a good thought to have pictures of us around the house so you can better remember us who have passed on. We are here to help you, and you could call on our prayers as you pray to your son, David. Thank you for remembering me everyday at Communion time. We are part of the Communion of Saints that are always united with you. Keep working on improving your spiritual life, as heaven is always encouraging you to do your best for Jesus."
My mother said: "John, you were always meaning well to help my conversion, but it was difficult for me to grasp at first. Once I worked

for Mary and Jesus, my life was full of more joy. Dad and I are together once again and we both want to be more a part of your lives. Thank you for thinking of us at our graves, and I too would like to see our pictures around your house. We love you so much."

Friday, February 5, 2010: (St. Agatha)

February 5, 2010
Jesus said: "My people, the pride of man is one of his greatest weaknesses that Satan exploits for sin in many people. Your scientists are destroying My creation with all of your genetically modified food and even modifications in animals and man himself. You are changing your genes beyond My original plan by splicing parts together. All the changes, that you are making, are upsetting My balance of nature, and I will need to correct these faults when I renew the earth. Man's power and his inventions are here today and gone tomorrow. Your words against My creation of everything are against My plan, and My faithful need to stand up against those who are atheists and Satan worshipers. As you see evil and the Antichrist gain in power, remember to trust that I will protect you against the gates of hell. My refuges will protect you, then I will vanquish these evil ones after a short reign. Do not let pride control you because all that you control and do are like chaff that the wind blows away. Be faithful to Me and you will have your reward."
Jesus said: "My people, you are seeing unusually heavy snowstorms coming through Washington, D.C. for the last few storms. These people do not have much snow removal equipment, so many people could be stranded for several days. These storms have been too consistent over the same area to happen by chance. You know how the HAARP machine can direct bad storms over the same area by controlling the jet stream currents that direct the weather. Enough debilitating disasters as ice storms in Oklahoma and heavy snow in Virginia, are causing local emergency situations. Creating such

emergencies are part of the one world people's plan to upset your government and give room for possible military takeovers. Pray that your people can recover from these storms fast enough so that the military is not needed. Trust in My help and My angels to protect you, and be able to avoid taking chips in the body from the evil ones. Have no fear because I am at your side."

Saturday, February 6, 2010: (St. Paul Micki & companions)

February 6, 2010
Jesus said: "My people, during life you encounter many difficult tasks that may appear impossible to overcome. If I send you on a mission that appears difficult, as these mountains in the vision, then rest assured that I will give you the grace to accomplish that mission. For with Me all things are possible. Keep faithful to your prayer life, and struggle through with trust in My help. Your most important mission is to save souls from hell, and you need to reach out to invite people to have a personal love relationship with Me, their Lord. The more people can give their will over to Me, the better I can use them to carry out their mission. It is when you close Me out of your life, and you do your own agenda, that you run into more problems in life. You are tested every day, but when you walk with Me, your life will be easier and less burdensome without any addictions."
Jesus said: "My people, this roulette gambling table is an example of how some people are gambling with their lives and their souls by how much they abuse their bodies. If you have addictions to drinking, drugs, and smoking, then you are risking cancer in your liver and your lungs. If people are so addicted, then they need some intervention to deal with the withdrawals of drying out. Anybody, who enables their addictions, is not helping them to stop, but may be allowing them to abuse themselves to death. It is one thing to pray for them to stop, but it is another thing to have tough love to help them stop their addictions. If these people continue their bad habits, then they are

truly shortening their lives. Not only will they be held accountable for abusing their bodies, but their souls are being led to the devil's ways of the world as well. These people may even need exorcisms to rid the demons that are attached to these addictions."

Sunday, February 7, 2010

February 7, 2010
Jesus said: "My people, every time that you receive Me in Holy Communion you are joined with the Communion of Saints which means the saints and angels of heaven as well as the souls in purgatory. So you had glimpses of your relatives that are deceased in the vision in order to emphasize this union with them through Me. Call on your relatives to help you in life with their prayers. They love you and they want to help you to get to heaven. Some people get spiritually lazy in taking care of their spiritual life, so any help, that you can call on, will be better for you. Many do not realize that there is a battle for souls going on in this life. So as the apostles pulled in the fish, so My faithful need to pull in the lost sheep so they are not lost to hell."
Jesus said: "My people, I have given you many messages about refuges and how necessary they will be for your protection during the tribulation. Some people do not realize how evil it will be during the reign of the Antichrist at the tribulation time. These refuges will be oases of grace and protection during that time. The evil ones will try and force mandatory chips in the body on everyone that is not at a refuge, and these chips will control their minds. Refuse to take any chips in the body, and refuse to worship the Antichrist or even look at him nor listen to him. The Antichrist will have powers of suggestion to try and force you to worship him. My angels will guide you to safety at My refuges where you will be invisible to the evil ones. These refuge messages are true, and many people, who receive messages, will soon have this revealed to them as well. This

preparation for the end times is your mission, but it is also My mercy to protect My faithful. Have no fear of this time. Some will be martyred for their faith and come straight to heaven. The rest of My faithful will be led to the safety of My refuges where I will provide for all of your needs."

Monday, February 8, 2010

February 8, 2010
Jesus said: "My people, in today's economic hard times it is difficult to keep a good job and pay all of your bills. This vision of some added small construction is a bit of a risk to build something new with all of the constraints of ongoing expenses. Sometimes in other areas of your life, you reach out to change your bad habits which is a risk to keep your bodily desires in check. As Lent approaches, building bridges to cross over to a holier life, is not only a risk, but something all of My faithful need to do to root out your sinful vices. Whether it is smoking, drinking, overeating, or using birth control devices, avoiding these sinful habits, that can damage the body or soul, are very good choices to improve your spiritual life. See the need for fasting or avoiding sinful things during Lent, and you may even continue this after Lent is over. The real challenge is to take a risk and start living a better life when you should have been living this way from the beginning. As you prepare for Lent, think of one of your sins and how you could fast from it during Lent. People take risks to improve their home's condition, so now you need to take a risk to improve your souls's condition as well, and you will be preparing for your home in heaven."
Jesus said: "My people, as you come into the time of tribulation that is led by the Antichrist, you will see a very vicious persecution of the clergy and My prophets. In the beginning the evil ones will purposely arrest and kill the cardinals, bishops, priests, and any religious leaders. The Antichrist and his followers will know who My prophets are, and

they will seek them out to be killed as well. As the persecution continues, the evil ones will seek to eliminate all those people who believe in Me. This is why I am preparing My faithful to go to My refuges for protection which are My Blessed Mother's places of apparition, holy ground places as monasteries, and even caves. You will need to protect My priests from being killed by taking them to My refuges with you. Have some Mass kits, wine and bread so you can have Mass and My Eucharist. For those, who do not have Mass, I will have My angels deliver Holy Communion to you on your tongues daily. Trust in My protection as I will provide you food, water, and shelter."

Tuesday, February 9, 2010

February 9, 2010
Jesus said: "My people, I am showing you this scene of people working in their yards because I am with you at your side every day. Some people do not realize that they can call on My help at any moment when you are having difficulties. If you have a loving relationship with your Lord, you know that I am always with you. I know all of your trials and pains as you experience them, but you must come forward to Me with your petitions in prayer, if you want Me to help you. Even those, that I healed, were always asked what they wanted. I also wanted to heal the whole person, both their spiritual life and any physical infirmities. Those, who have faith that I can heal them, could be healed if it is according to My Will. Reach out to share your faith with others so they will know enough to call on Me for help in their prayers. Have trust in Me daily as you walk with Me in your daily prayers."
Jesus said: "My people, when you are in your car, you use your mirrors to see cars behind you or to see the side where you want to change lanes. Your mirrors also show you where you have been as you travel along. I want My people to be at peace in their souls, and in

order to be peaceful, you need to put aside all of your fears, worries, and anxieties. First of all, you only live in the present moment and not in the past, nor in the future. Do not be worried about future events, because many things, that you fear, do not normally happen. Even the hard things of deaths in the family, sickness, or trials in your jobs can be consoled by My loving graces. When you look back at the difficult moments in your life, I was always there to help you. So have no fear of the future because I will get you through those things in the same way. When you put your full trust in Me, you will have peace in your soul with no worries. You also need to share your peace and confidence in Me with others around you who seem to be stressed by their life's trials. When they see you at peace, even amidst many difficulties, then they will have peace too and trust in Me as well."

February 10, 2010

Jesus said: "My people, there is a thin veil between the living and the world of the dead. As soon as the body dies, the soul is separated from the body and comes before Me for their first judgment. Many souls require a short purification in purgatory before coming to heaven. The souls of your relatives are still looking out for their relatives on earth who are still alive. They pray for your souls to be saved every day. Some souls of your deceased relatives may still be in purgatory and they at times are reaching out for prayers so they could be taken up to heaven. Continue to remember to pray for the souls in purgatory, especially those who have no one to pray for them. You have had many messages from your own relatives as a testimony to what I am explaining to you now. You can call on your deceased relatives to pray for you and help you in fighting off the devil's temptations. While you are in this world, there is a constant battle going on for souls between

heaven and the demons of hell. Stay close to Me in your prayers and My sacraments, and your salvation in heaven will be assured."
Jesus said: "My people, in a previous message (12-1-09) I warned you that the one world people would try to prevent the sale of your vitamins and herbs according to the Codex directive of your health organizations. I recommended that you buy a year's supply of your vitamins and herbs before this directive would be implemented. Now in your news, Canada has just sent out a directive to all of their pharmacies to refuse to sell any vitamins or herbs that were not licensed as safe. They are allowing natural food stores to sell them, but these sources will eventually be shut down as well. It is ironic that many of your licensed drugs are poisons to the body, but the herbs and vitamins are more natural for your health. It is just a matter of time until you will see the same directives by your health and drug organizations in America. This will enable your drug companies to license these items for much higher prices. By eliminating alternative and natural medicines, the medical establishment will have more control over your health. Fear not these evil ones from controlling your health because you will be healed of all of your health issues at My refuges when you look on My luminous cross and drink the healing spring water."

Thursday, February 11, 2010: (Our Lady of Lourdes)

February 11, 2010
Jesus said: "My people, this scene was at a Mass of many years ago because the style of clothing was much different from today. This was also when the people had a much stronger faith than those of today, as evidenced by a full church at every Mass. This scene was not long after World War II when the people were shook up by the hardships of wartime. When people are threatened by war and there was not much wealth, many are drawn to be close to Me. Today there is a distant war and there is much more wealth and distractions in the things of the

world. The number of people at Mass has decreased considerably and the morals of the general population are at a low ebb. Your abortions, people swearing, and your violent, sexually explicit movies are all witnesses of your low morals and less attendance to worshiping Me. Your people need something to wake them up from their spiritual complacency of the lukewarm. Events are going to worsen in natural disasters and government takeovers of your freedoms. As all of the messages have prepared you for the refuge time, you will see what I warned you about happening right before your very eyes. Keep close to Me and trust in My protection."
Camille Remacle said: "This scene was when I attended Mass earlier in my life. I am sorry that I was not a better example in leading people to Mass. Still you are right in thinking that I now have been assigned a task of getting our relatives back to Mass for the salvation of their souls. I thank Carol for helping me both in my physical and spiritual needs. Now it is my turn to return the favor. I love all of you so very much, as in heaven love is everything with God."
Prayer Group:
Our Lady said: "My dear children, thank you for praying my rosary tonight and in all of your daily prayers. I revealed to St. Bernadette that I am the 'Immaculate Conception' which is the namesake for your National Church in Washington, D.C. I also enabled her through my Son, Jesus, to have a miraculous spring of water where many have been healed of their infirmities. I am confirming to you that all of the places of my apparitions will be places of refuge with healing spring water and a luminous cross of healing as well. The angels will lead you to the refuges, and they will protect you with an invisible shield there. Trust in me and my Son to protect you during the tribulation."
Jesus said: "My people, you have seen many touching stories of people being able to be saved from being trapped under the rubble of this earthquake. Donations of food, water, and tents have been appreciated at the first response, but ongoing donations may be required until these people can recover and plant new crops. Poor

nations, as Haiti, have been receiving aid on a regular basis, but now many of the hospitals and aid organizations have to rebuild in order to continue their ongoing mission. Pray for these people and help them with what you can afford to donate."
Jesus said: "My people, those, who have stored food at My suggestion, now have something to eat and drink with their alternate fuel supply keeping them warm. Pray for all of the people who are suffering to get their jobs back and clear the snow from their streets. These natural disasters are bringing about emergency declarations to help the people have order and food. These continuous storms are showing you how vulnerable everyone can be to such disasters. Even mud slides in California and other states are being tested with disasters. As you helped those in Haiti, now you may need to help your own people with their needs for power, heat, and food."
Jesus said: "My people, I have given you several messages that America will be tested more frequently with major disasters as you are seeing with your record snowstorms and various mud slides. Even earthquakes are shaking people in Illinois and California. There are lessons in these disasters to help your neighbor in need, and to see that you need to trust in Me more than your money. Your abortions and sinful lifestyles are also calling down My justice on America in some areas. Pray for your people to stop your abortions and sexual sins if you want peace and My protection."
Jesus said: "My people, several feet of snow on a roof can put stress on such structures, especially flat roofs. Many are trying to remove the snow before damage could occur to their homes. Here again there may be a need to provide funding for people to repair their homes, especially those without insurance. In these disasters there are many repercussions that could threaten jobs, homes, and even public buildings as hospitals. Donations and prayers in these areas will be greatly needed."
Jesus said: "My people, after disasters, as your Trade Center destruction, you have seen a return of the people to church seeking

My help in prayer. It is unfortunate that this increased religious fervor only lasted about a month, and then the people returned to their old sinful ways. You may see this temporary religious fervor again in your present and future disasters, but how I wish man would learn his lesson to stay close to Me in prayer on a regular basis."
Jesus said: "My people, My faithful need to have a consistent daily prayer life to support themselves in their daily needs as well as in major disasters. Do not wait until a disaster comes in order to see the need for prayer in your life. I am with you at your side to call on Me in even the little trials of your life. When you call on Me to help you every day, I will be there to lessen your burdens. Also, I ask you to be alert to help your neighbor in any needs that they have. You have helped strangers as well as family and friends. So keep your heart open for all those who need your help."

February 12, 2010
Jesus said: "My people, you are faced with many choices and directions to take in life. Every action, that you take, is either a choice for good or bad. But you need to have a properly formed conscience so you can choose between My ways, or the ways of the devil and the world. This vision of choosing between the broad road of the world and all of its allurements, or the narrow road to heaven, is constantly facing you every day. My point is that you need to keep your eyes fixed on Me as your goal for heaven. At times you are detoured to follow worldly comforts and pleasures, but do not let addictions and worldly ways lead your life. Do not let the malls of buying things, money, or cruises become your gods. Instead, pray to get back on the right path of following My ways to heaven. Seek out My graces from My sacraments and your daily prayers to worship Me only, and keep your eyes and love of heart focused on serving Me and your neighbor."

Jesus said: “My people, I am showing you some irregularities in your children who are having deformities, allergies, cancer, and autism. These are occurring in ever increasing numbers, and it is a result of your air and water pollution, as well as the viruses and preservatives in the vaccines that they are receiving. You have microwaves going through the air, and people are affected by high tension electric wires, as well as pollution from being near chemical plants and refineries. Just as your pesticides have affected bird populations, so your chemicals in the ground water are lowering your fertility rates as well. In addition to your pollution, you are genetically modifying the crops and animals that you eat which can also alter your body chemistry. Man is ruining My balance of nature in many things that he does. It is time to reverse all of your modifications back to My original perfectly made crops and animals, or your diseases will get even worse. Many of these things were modified to control your food sources to make some people rich. When I return, I will have to change nature back to My original perfection. Try to eat naturally and avoid your artificial crops, animals, and vaccines. Work on eating herbs and vitamins to build up your immune system.”

February 13, 2010

Jesus said: “My people, you have a treasure of My Real Presence in My Blessed Sacrament in My tabernacle, where you can visit Me and keep Me company any time that you can find an open church. You also have Me present in your prayers where two or more are gathered. I am also present when you hear My Word proclaimed in the readings at Mass. You are temples of the Holy Spirit which is why you see Me in every person that you assist in their needs. I have a treasure box for each of you in heaven, and I store your tears of joy and anguish in it as jewels. I store all of your good deeds there as well. This will assist you at your judgment to weigh against your sins. All the prayers that

you have said throughout your life are recorded here. Your treasure in heaven is more valuable in your donations than any physical money of the world. So as you treasure My Presence in your lives, so I treasure your presence in your treasure boxes in heaven."

Sunday, February 14, 2010: (St. Valentine's day)

February 14, 2010
Jesus said: "My people, this weekend is focused on love and I am God who is all loving of everyone. I have died on the cross out of love for all of mankind, and that is the most powerful way of showing you My love by giving up My life for you. My other gift of love is My Blessed Sacrament in the Host where I am with you always at Communion time and in My tabernacle. In the beginning I instituted marriage between a man and a woman with Adam and Eve, and the two became one flesh in love for each other. It is this love in the sacrament of Matrimony that unites a man and a woman for a lifetime commitment. This represents a total giving of self to each other which is a union made in heaven and honored by My Church. I encourage love in a proper way according to My Commandments, but not just out of lust outside of marriage. The marriage act is reserved only for those who are properly married, and not for sinful fornication or adultery. You can have filial love with your neighbor, but married love is more intimate. Read in St. Paul's epistles how he talks about the beauty of love." (1 Corinthians 13:1-13)

February 15, 2010
Jesus said: "My people, in the Gospel reading the people of My day were asking for a sign. In this passage I told them that no sign would be given to them. In another Scripture passage I told them that the only sign to be given would be that of Jonah. Jonah was asked to tell

the people of Nineveh to repent or they would be destroyed. So all the people repented and even the king put on sackcloth and sat in the ashes. Because of the change in their sinful ways, I relented of the destruction of that town and I did not carry it out. So shortly you will also be marked with ashes on Ash Wednesday to start another Season of Lent when you can repent and change your sinful ways. The sign in the vision of creation on a beautiful day is that only I could provide you the sun to see, the oxygen to breathe, and the food to eat. It is your very life that is a sign to you of My existence, and your faith in Me that is your gift to know and love Me. See that you were made out of dust and unto dust your body will return. But your soul will live on with Me in heaven for those who remain faithful to Me."

February 15, 2010

Jesus said: "My people, you have seen much loss of life from the earthquake on Haiti because of the poor house construction. About the same number died in the large earthquake in Indonesia from a tsunami. Several smaller tsunamis have occurred recently with smaller numbers of deaths. The most loss of life in recent years from natural disasters has come mostly from earthquake activity. Earthquakes are an ongoing occurrence, and the numbers are increasing as well as the intensity. This vision of another devastating tsunami is just a matter of time, but it could happen at any time. The earth's plates are constantly shifting, and there is much activity all around the Pacific Rim. Be prepared with your early warning protection for tsunamis so people can be warned as soon as possible to get to high ground. These events are causing more and more food shortages, as the floods are destroying warehouses and the land to grow crops. Pray for My help for those who could suffer destruction of their homes and food supplies."

Tuesday, February 16, 2010

February 16, 2010

Jesus said: “My people, I have talked to you much about the things people knew about in My day in the form of parables, so they could start to understand the parallels of their physical life with their spiritual life. In today’s Gospel I warned the people to avoid the leaven or yeast of the teachings of the Pharisees and Herod. Their deeds were done for show, but their hearts were far from Me. Then I reminded My apostles of My leaven or teaching as I multiplied the bread and fish for the 5,000 and the 4,000. I took what little they had and I made enough food available for everyone to have some with even a surplus of twelve baskets and seven baskets. This multiplication of food and shelters will be provided again at My refuges. I also multiply My Presence in the bread of Holy Communion. In the vision people tie up their boats at the dock so the boats do not wander off, and they are protected from the storms in the safety of the harbor. This is symbolic of how I want you to be tied to Me in faith in the safety of My protection from the demons who are tempting you on the ‘sea of life’. By staying in the harbor of My grace, your soul can remain pure and free of sin. I am also like an anchor that keeps you from drifting away into sin. I want to keep you in My sheepfold so I do not have to seek you out as a lost sheep. When you are detoured by the world’s attractions and curiosities, as well as comforts and desires, then you are risking the loss of your soul in hell. By returning to Me in Confession or holding fast to Me in your daily prayers, you can follow the narrow road to heaven. Prepare to improve your spiritual life with your coming Lenten devotions.”

Jesus said: “My people, some refuges will not only be shielded by My angels from sight, but they will be built behind hills and in out of the way rural areas. Even when planes and helicopters go over these refuges, they will not be seen. I will protect My faithful from the evil ones at My refuges in miraculous ways. When you are there, your living conditions will be more rustic with few of the comforts that you

are used to today. Preparing food, bathing, bedding, and any entertainment will be more of a chore as in older days with little, if any electricity. Your living conditions will be more like living in a monastery where prayer and worship of Me will be your focal point. This will be a penance and spiritual preparation for your coming to heaven. You are tomorrow starting another Lenten Season that is focused on more prayer, fasting, and almsgiving. Use each Lent to purify your spiritual life, and be prepared at any time to leave for My refuges."

Wednesday, February 17, 2010: (Ash Wednesday)

February 17, 2010

Jesus said: "My people, as you receive your ashes today, let this be a beneficial Lent in helping your spiritual life. Not everyone honors this time as a chance to purify your soul with self-denial and penances. You may have chosen to do some extra prayers or give something up during Lent. In all that you do for Lent, bear your suffering in silence without complaining of any of your fasting. As you offer up your prayers, fasting and alms to Me, let your weak family members or friends be your intentions to help their faith to be saved. You all need to help each other, not only in worldly needs, but in spiritual needs as well. Be persistent in your prayers and do not give up on any soul, regardless of how sinful that person may be. You may not know it, but they may be searching, and you could be the beacon of faith that they are looking up to. You have seen even how anxious the souls in heaven are to help their loved ones here on earth. So as you are trying to improve your own spirituality, keep working to evangelize all souls, and especially your own family members."

(Hunter Funeral Mass) Jesus said: "My people, the readings and songs, that were chosen, were well chosen for a child's funeral. I truly love the children and cared for them even when I was on the earth. I have told everyone that you need to have the innocent faith of a child

if you wish to enter heaven. I also frowned on those people who abused My little ones, especially by killing them. Many people, that have abortions, do not realize that they are killing their children, and this action is just as serious a crime as if they killed a child already born. Every soul has to make an accounting of their actions before Me at their judgment. But let Me be the judge and do not judge people on your own. Pray for the family that has had to endure this hardship of the loss of this young boy."
Jesus said: "My people, you are starting another Lenten Season on this Ash Wednesday. One of your Lenten penances is almsgiving or donations to the poor and needy. When you tithe ten per cent of your income to charity and support of My Church, you are storing up real treasure in heaven. Some people place more trust in their riches than they do in My helping them through prayer. They think that gold, money, and stocks are going to provide them food and all of their needs. These things of the world can be stolen, lost, or lose their value, and then what will you rely on for your survival. Put your trust in Me and I will never let you down, especially once you come to My refuges. During Lent you can give your prayers and time to help people spiritually, as well as physically with money donations. Keep your focus on Me in retreats and your Lenten devotions, and you will keep close to Me in your souls. Giving up something that you like to do is another penance along with your fasting that can help you fight against sin by training the body to keep its desires under control. Be persistent throughout the whole of Lent in your chosen penances so you can have more self-control in dealing with your temptations."

February 18, 2010
Jesus said: "My people, today's first readings from Moses directs your attention to 'Choose Life' with God instead of the world. I have told you before that every action is either a choice for Me or for yourself.

This choice of Moses is a life commitment which means that you want to be focused on Me down the narrow road to heaven, rather than following the devil down the broad road to hell. When you get to your judgment, there will be no excuses as you will be the only one to blame for your sins. I love all of My people and I will have mercy on your souls, but still there will be an accounting for all of your actions. As you are starting Lent and you still have not decided on what extra penances that you would like to perform, now would be a good time to think about what you could do. Just as I went off into the mountains to pray, taking some extra time for prayer is always gratifying for your soul. Your life is a faith walk full of opportunities for graces in correcting your own life, and helping to evangelize others in their spiritual lives. The more souls, that you can bring to heaven, are the more souls that are saved from going to hell. Saving souls is one of your most important goals in life, and your reward in heaven will be great."

Prayer group:

Jesus said: "My people, your Federal government and State governments are spending money way beyond reason, as if your economy was fully financed. In your home budgets when your income is less, you are forced to spend less to avoid bankruptcy. Unfortunately, your governments are spending more instead of less. Your recession is still having effects on your economy, and your unemployment rate is still high, which is why less taxes are being collected. Your elected officials are afraid to reduce spending and raise taxes because it is an election year. If nothing is done, your country and your states will go bankrupt. Already Social Security and your health programs are spending more than what is being collected for that purpose. Pray that your Congress people will make the right choices before everything collapses under the weight of your overextended debts."

Jesus said: "My people, this latest destruction of a government building fortunately did not result in a lot of deaths. Some people are

going over the edge of reality in expressing their frustrations with the latest job situation and poor economy. Many of your jobs have been taken overseas and will not return. Other cheap labor is being brought into your country. It is the rich and heads of corporations who are to blame for seeking cheap labor at the expense of your own workers, yet they are charging the same high prices for their products. If your people cannot stop this flood of jobs out of America, very few will be employed. It is your corporations who are running your governments and stripping your people of living wages and jobs. Pray for more justice in this employment problem, or you soon will be taken over by the one world people."

Jesus said: "My people, your church laws have been relaxed considerably in respect to mandatory fasting. In older days you were supposed to fast between meals, but now some still fast on their own as part of their Lenten devotions. I have mentioned before that prayer with fasting is more powerful toward your intentions than just prayer alone. Offer up all of your prayers and fasting to Me for the benefit of souls who need to be saved from their sins. See the value of daily prayer which could be carried on all year long. Some even attend daily Mass during Lent which also gives you more graces. Be faithful to your chosen Lenten penances."

Jesus said: "My people, your leaders are carrying on their own agenda without any hearing from the rejection of your people. Certain politicians have been voted out of office for going against the people's wishes. Some talk of change, but their actions have been the opposite of what they said they would do. There is a sense of reversal in your previous voting that is showing an independent feeling that is against the two parties in power. If America does not take back control from your corporations and special interests, then you will soon be taken over."

Jesus said: "My people, your world is becoming more evil with every year. As you see the tribulation coming, there will be more open persecution of Christians. You are honoring how I suffered at the

hands of men when they scourged Me and crucified Me. Many of My faithful will be suffering also at the hands of the one world people. But I will protect My faithful at My refuges for those who follow My instructions promptly. Keep your souls pure with Confession and hold Me close to your heart as you seek to follow My laws."
Jesus said: "My people, I thank you for your prayers tonight as you honor Me in Adoration of My Blessed Sacrament. During Lent you are thinking more of praying the Stations of the Cross and being more fervent in your prayers. One thing I would ask is that you sincerely carry out your penances for love of Me and your neighbor, and not just to go through the motions for show. Many start with the ashes and good intentions, but within a short time they have forgotten why they were doing these devotions. Focus on being true to Me and true to your initial fervor, and you could profit spiritually from your efforts."
Jesus said: "My people, some of your older traditions have changed in your churches during Lent. There still are Stations of the Cross, soup suppers, and other Penance services, but some outward signs, as your coverings, are not always giving you the sense of Lent as you knew it. You have more liberties now in doing your own devotions, so use your opportunities to grow in your faith with special spiritual readings, retreats, and daily Mass to help you. The more you put into your Lenten devotions, the more you will benefit in My graces for you."

Friday, February 19, 2010

February 19, 2010
Jesus said: "My people, in this Lenten Season you need to look at how you spend your time and try to focus more on doing things for Me and your neighbor than just for yourself. It is not sinful to desire some entertainment, but do not let games or other pastimes so occupy your time to the exclusion of everything else. Some games and gambling

can become addicting. So when you see that you have some games that are controlling you, it would be better to avoid such time consumers. You need to be in control of what you do so you can apportion your time for Me, your needs, and then your entertainment. There are many people that could use your time to help them in their needs. First, you need to make time for others in your life, and make that a priority in your decision making. Second, you also need to give Me time for prayer, since you should be doing everything out of love for Me. If you so occupy your time filling your own agenda, then you will not have time to do the mission that I have chosen for you to accomplish. I have very few prayer warriors, and I need My people not to forget their responsibilities for the many souls that they are praying for. By keeping your priorities in focus on My mission, then you will see why it is so important not to waste time on your frivolous desires and things that are of little concern."
Jesus said: "My people, many Southern and Mid-Atlantic states have been experiencing record snowfalls and colder than usual temperatures. As a result, some are having more doubts about global warming. Your measured world temperature has dipped a little, but the longer average is on the rise. When your average temperature increases, it puts more moisture into the atmosphere as precipitation. Any increase in heat would also cause more violent weather. An increase in violent weather could also be enhanced by man-made microwave machines. The HAARP machine could also be used to cause earthquakes that are happening more frequently. Be prepared for more violent weather which is also an end time sign. Ask My protection from such violence, and call on My help for those who are suffering from your current natural disasters."

Saturday, February 20,2010: (Phyllis Tripi Funeral Mass)

February 20, 2010
Jesus said: "My people, you are in the middle of Lent and you are

leading up to the feast day of Easter that celebrates My Resurrection. Today's Gospel (John 11:25) quotes My words: 'I am the Resurrection and the life; he who believes in Me, shall never die.' This is My promise to all of My faithful that on the last day you will be resurrected body and soul to be with Me in heaven for all eternity. This is what is promised today to Phyllis who was the matriarch of this family. Many gave witness of her physical strength and her spiritual strength. Her reward will be great with Me in heaven."
Jesus said: "My people, just as I provided food for My people wandering in the desert, so in this modern day exodus to come, I will provide food for My faithful at My refuges. In the desert I had quail come up and land in the camp so they had meat to eat in the evening. Then in the morning I gave them bread in the manna that they had to collect on the desert dew. As you are brought to My refuges by your guardian angels, I will give you the bread of Holy Communion in the morning. If a priest is not present for a Mass, My angels will give you My Holy Bread on your tongue. Later in the day, you will have deer come into your refuges and you will need deer knives to provide the meat for My faithful. Not every one will like the taste of this meat, but unless you have other animals for meat, you will have to accept the food given to you. Some may want to try some venison to get used to this kind of meat. Be thankful that you have multiplied shelters, food, water, and protection by My angels."

Sunday, February 21, 2010

February 21, 2010
Jesus said: "My people, on this First Sunday of Lent you are just starting out following in My footsteps on your way to Calvary, and eventually to celebrate My Resurrection on Easter. You may endure some fasting between meals, abstinence from meat, and any other penances, but you can offer them up along with My ongoing suffering on the cross. Americans know little about suffering, but you are

enduring high unemployment and a poor economy. The people in Haiti are truly suffering, and I thank all of those people who have helped them, or are still helping them. Forty days of Lenten suffering seems long at first. You need spiritual endurance to help people, and this struggle during Lent will help cleanse your soul. I am not asking everyone to be a martyr, but let your daily trials be a means of sharing your pain with Me. Spiritual cleansing by Confession and acts of self-denial are a huge help for your weaknesses to sin. Keep focusing on perfecting your soul so you are constantly prepared to meet Me at your judgment every day, because you do not know when I will call you home."

Monday, February 22, 2010: (Chair of St. Peter)

February 22, 2010
Jesus said: "My people, at one point I asked My apostles: (Matt. 16:13-19) 'Who do you say that I am?' Simon Peter answered and said: 'Thou are the Christ, the Son of the living God.' Then Jesus answered and said, 'Blessed art thou, Simon Bar Jona, for flesh and blood have not revealed this to thee, but My Father in heaven. And I say to thee thou are Peter, and upon this rock I will build My Church, and the gates of hell shall not prevail against it. And I will give thee the keys of the Kingdom of heaven; and whatever thou shalt bind on earth, shall be bound in heaven, and whatever thou shalt loose on earth, shall be loosed in heaven.' This is when I gave authority of My Church over to the first pope, St. Peter, and I also was instituting the sacrament of Penance where you could confess your sins to the priest. All of My faithful need to acknowledge that I am the Second Person of the Blessed Trinity and that you accept Me as Master over your life. For I have created every soul to know, love, and serve Me. If you are to be My true disciples, then these are your commitments. The smoke, that you see in the fire, represents the smoke of Satan who is always trying to destroy My Church. Beware of those who are trying

to mislead you against My teachings. Especially do not follow anyone trying to teach you to follow New Age principles which will be causing a division in My Church. But My faithful remnant will prevail over a coming schismatic church."
Jesus said: "My people, you go about your entertainment, as with this outdoor pool table, and then some unusual weather events upset your plans. A few inches of snow can be a little unexpected, but when some areas get several feet of snow, it could be a disaster. Some of these areas are receiving twice as much snow as their normal amount for the whole season. Many records for snow and cold are being set this winter. Some people are already complaining that they have had enough winter, but you still could get snow into April. Be patient and let this weather be one of your Lenten penances that I asked you to bear quietly. As you prepare for your next trip, pray for safe travel and a peaceful conference."

Tuesday, February 23, 2010: (St. Polycarp)

February 23, 2010
Jesus said: "My people, part of your Lenten devotions are prayers for various intentions, and this is why I gave all of you My 'Our Father' prayer. When you pray, it would be proper to pray for things according to My Will instead of what you desire. It was said in the Gospel that My Father knows your needs before you request them. Every prayer is answered, but sometimes the answer is no if it is not in the best interest for souls. I am always looking at the big picture of how I can best help you. Sometimes I allow suffering because it is humbling and good may come out of it, if it is offered up as redemptive suffering for souls. In the 'Our Father' it speaks of your daily bread, or your food to sustain you. You have physical bread for the body, but I also feed you Myself in the Spiritual Bread of Holy Communion. This is the Bread that I said if you eat, you will have eternal life. I give you Myself freely and you can share with Me

intimately at daily Mass and at Adoration. Give praise and thanks to Me for all that I provide for your daily living, both for the body and the soul."

Prayer Group:

Jesus said: "My people, you all are in the world and you are tempted every day by the demons. This cross that you saw in the vision is your protection in wearing the Benedictine Cross or the cross that contains part of My original cross. The exorcism medal is a protection from evil, and you can call on My Name, Jesus, and the evil ones will leave you. Trust in My protection even amidst these demon attacks."

Jesus said: "My people, Juliet has been under pressure in arranging this huge conference, but she has seen how I have helped her through My Christmas Novena. Pray continuously to My Santo Nino image or statue and I will continue to protect this conference and make it a success. Your intentions of repentance and saving souls is an appropriate theme for Lent. Trust in Me and have faith in Me, and all of your prayers will be answered."

Jesus said: "My people of America, I know many people are out of work and depending on unemployment insurance. Your lawmakers are voting on extending this safety net, but it is difficult to expect the government to increase jobs when this is not their function. Companies are still cutting back, and it is difficult for employers to hire more when your tax laws and your economy are so full of uncertainty. Your people need to repent of their sins and have faith in praying to Me for more jobs to be created. You need stable laws and stable banks before your jobs can increase. You are being tested as a country, and you need to pray more on your knees to change America back to its former ways."

Jesus said: "My people, more U.S. troops are leaving Iraq and some are going to Afghanistan. It is always difficult to know if these wars on terror are having any long term effects. It is good that you are keeping your word in leaving Iraq. What will be left behind will still allow a haven for terrorists, but they could go to any country that they

choose. Having an exit strategy is needed for both these wars because they are running up your National Debt even now. Pray for peace in these countries because constant killing has not solved any problems there."

Jesus said: "My people, many of your small banks are in jeopardy of being closed, as many are on a watch list. Your big banks have been bailed out by your taxpayers because you were told that they were too big to fail. Yet your central bankers are willing to close smaller banks so there are only a few large banks left. This closing of small banks has left Canada with only three large banks which puts control in the hands of a few. Pray that your small banks survive because these were helping your small businesses the most."

Jesus said: "My people, you are just in your first week of Lent and you are seeing how difficult it is to fast between meals. When you think fasting is too hard, just think of those who do not have any food, and how they are suffering through fasting without a choice. Fasting is a way to train your body to be obedient to the desires of the soul. Do not give in so easy to the hunger of the body, and especially to desserts for those giving these up for Lent. Be strong in your Lenten efforts because your soul will benefit in fighting off sinful temptations."

Jesus said: "My people, I have told you that when you come to My refuges, you will be living more of a monastic kind of prayer life. Even when you come to Adoration to pray in silence, I have asked you to practice some contemplative prayer when you are not reading or praying your prayers. Just be quiet as you gaze on My Host, and give Me an opportunity to talk to your heart. In order to listen to My words, you need to be silent without any distractions occupying your mind. Pray to Me to take away any demon of distractions that is trying to keep you away from Me. Satan wants to keep you busy with confusing noisy environments because he knows that it is difficult to hear My voice through your worldly chatter. Once you have experienced quiet contemplative prayer, you will desire it more

often."

Wednesday, February 24, 2010

February 24, 2010

Jesus said: "My people, in the Old Testament you remember how Sodom and Gomorrah were destroyed by fire and brimstone for their unforgiving sinful lifestyles. Today, you are seeing in the first reading how I relented of the destruction of Nineveh because they repented and put on sackcloth and ashes. These are My examples of justice and mercy. You also have a gift of the Holy Spirit called 'fear of the Lord' which is really a fear of going to hell for wrongdoing. There are two ways to avoid going to hell. The first is more desirable in that you want to love Me and not offend Me by sin. If you really love someone, then you would work to do everything out of love for that person. So it is by loving Me and your neighbor that you will then be worthy of heaven. St. Paul said without love, all that you do is as nothing. The second way to heaven is to do things so you will not be judged to hell. Fear of hell is a real concern since I have shown you how people in hell in their soul bodies are ugly, have a constant burning of flames, are tormented by the demons, and most of all they will not see My face or love again for all eternity. Seeing how souls suffer in hell should be an incentive for My evangelists to bring as many souls as possible to heaven so those souls can avoid hell. But do not deny either of these ways to heaven out of love or out of fear of hell. If you focus on loving Me and your neighbor, then you know that I will save you from hell."

Mary said: "My dear parents, this scene in the vision of when I was miscarried and died, was a very traumatic moment for my mother. I want to greet my parents and my sisters because I am up in heaven with David, my brother, who also died after a short life. We are praying for all of you up here. You often wondered what was causing the strange noises upstairs as if someone was walking upstairs. This is

where I died and I was giving you some signs, but you did not connect this with my death. I was happy that you asked for my name and honored me at Norbert's farm. You could honor me even more if you could frame this message with my name 'Mary Leary' and place it next to my brother David's picture. I know this message may be difficult to hear and understand, but I have been waiting for the right moment to share my feelings of love for all of you. Remember us as your children who are always ready to intercede for you in your prayers. David already has brought about some beautiful miracles. So when you pray to David, think of me also."

Jesus said: "My people of this conference, I am bringing My Blessed Mother with Me as you adore Me and honor her in our two hearts that are portrayed in the vision. Our love goes out to all of you as you are blessed with hearing your gifted speakers and the Betania Choir. Open your hearts to our two hearts as you dwell on the theme of Reconciliation. There will be confessions so you can truly reconcile your sins and restore graces to your souls. You have started your conference with a beautiful Mass because I am the focus of all that is holy. Remember during this conference to pray your rosaries and make time for Me at your Adoration hours. Again we in heaven are all happy for you, as you are all joined together in prayer, worship, and song. As you see My Santo Nino image, I also want you to pray for the success of this conference and that all debts will be covered by the generosity of your faithful supporters."
Jesus said: "My people, in your homes you usually throw your scrap paper into your waste baskets. After a while your baskets get full and you need to empty them so the garbage trucks can take away all of your trash. If you did not empty your trash, you would be inundated with piles of paper. In the spiritual world your souls are collectors of

your sins. Your souls also get filled up with your sins, and they need to get cleaned out by going to Confession. The priest cleanses your soul by his absolution in Confession and I forget your forgiven sins. Once you have your sins cleansed, then I can fill your soul full of My graces. The emptying of your full baskets is parallel to emptying your soul of your sins. Keeping your soul clean and pure is even more important than keeping your room clean. Encourage your family and friends to go to at least monthly Confession, and you can encourage them to keep pure souls."

Jesus said: "My people, this mountaintop experience on Mount Tabor was a prefigurement of My coming Resurrection. My apostles were graced with seeing Me in all of My glory with Moses and Eliziah. Some say you do not have many mountaintop experiences on earth, but in reality, you are with Me as I was on the mountain every time that you come to Holy Communion or visit My Blessed Sacrament. Rejoice in My Real Presence because I have left you My greatest gift of Myself in My Holy Eucharist. I am always at your side when you call on Me, and I am in your midst where two or more are gathered."

Jesus said: "My people, you have seen some unusual natural disasters this year already. Two major earthquakes, one in Haiti and one in Chile have caused the deaths of hundreds of thousands and over 700 people, respectively. In addition to the earthquakes you have seen

several bad snow storms that have set record snowfalls where snow is rare. These storms have shut down businesses and many people were without electricity. It is sad that some of these disasters have been enhanced with the HAARP machine, which is an array of microwave antennas being used by your government under the direction of the one world people. These evil ones are purposely enhancing natural disasters to create emergencies that could lead to takeovers. Such natural disasters have already paralyzed parts of America as in Washington, D.C. If major earthquakes come to America, you could see the beginnings of local takeovers with the possibility of a worsening bankruptcy. If the HAARP machine could cause destruction in other countries, it could bring destruction to America also. I have told you in recent messages to be ready to embrace increasingly worse disasters. When you see colored lights in the sky before an earthquake, or a snow storm staying in one place for a long time, then you know that these are the signs that the HAARP machine is active. Pray for My protection at My refuges where you will be protected from viruses, natural disasters, and from the UN people who will try to kill you. Events are moving quickly as your sign that the tribulation is about to begin."

Jesus said: "My people, I criticized the Pharisees and the priestly class for seeking places of honor and not practicing the words that they taught the people. All of you today need to be careful so you are not hypocrites as well, so that you practice what you preach. Obeying My Commandments is one of your first steps in following what I taught through the Scriptures. The other lesson in today's Gospel is about the sin of pride and how you should practice humility instead. When life's things do not go according to your expectations, do not get angry over things that you cannot change. Accept life as it happens and do your

best to change the bad things to good things where you can as in stopping abortion. Do not try to be someone who you are not, in trying to impress someone, or in trying to be politically correct. Be yourself as a humble person who follows My ways and not the world's ways. Live a simple life without focusing on the latest fashions and rich looking attire. Instead, focus more on Me and what you need to do in working toward heaven. Follow your Lenten devotions of fasting and prayer to better your spiritual life instead of rushing to buy things that you do not need. Remember the last line of this reading: 'Those, who exalt themselves, will be humbled, while those, who humble themselves, will be exalted."

Wednesday, March 3, 2010: (St. Katharine Drexel, Camille's Mass)

March 3, 2010
Camille said: "Hello again, John. I wanted to let you know that I did close the door at your church to prepare you for hearing me at the Communion time. As you know, I have been getting Herm and Donna's attention with their light which is easy for me to turn on. It is with these signs that the Lord has enabled me to give you some communication. I also told you that the Lord has given me a mission for saving the souls in the family. I am most concerned for those in your family who could use some prayer help. I am doing what I can from heaven, but I need some help from you prayer warriors. Tell everyone how much I love them, and I look out for helping Lydia as well. You can pray to me as an intercessor just as you pray to your children who died."
Jesus said: "My people, many parts of this Health Plan could cause problems for America. The first problem is how to finance a trillion dollar program with no meaningful way to pay for it. Your Social Security, Medicare, and Medicaid entitlements are all paying out more than they are taking in already. This Health Plan will grow your

National Debt with another unaffordable entitlement program. Paying for everyone's health costs is too much to ask of your taxpayers and your children who will pay the future taxes. The second problem is the payment of abortions and euthanasia by the taxpayer. A third problem is the control over your health care and drugs with a National ID card which will contain a microchip. Operations will be harder to schedule, especially for older patients. The real trouble is how the Democrats are trying to force this plan through by Reconciliation of 51 votes vs. the normal vote of 60 votes which the Democrats do not have in the Senate. Even though polls of your people are against this plan because of penalties and too many rules, the Democrats are pushing it through despite public opinion against it. They see no other way to pass an unpopular bill by clouded talk of trying to add Republican ideas which will be very minimal. Pray that your Congress votes for the right plan that will help the needy without bankrupting your country."

Thursday, March 4, 2010: (St. Casimir)

March 4, 2010
Jesus said: "My people, today's Gospel shows you a very clear choice between heaven or hell. The rich man lived only for his own gratification with this world's comforts and pleasures. He did not lift a finger to feed Lazarus or care for him. You are here on this earth to know, love, and serve Me. So if you do not love Me and your neighbor by helping them, and you worship only earthly things, then you are on the broad road to hell and the torment of flames. If you do love Me and your neighbor by your words and actions, then you are on the narrow road to heaven. It is how you live this life that will determine how you will be judged. I have mercy on souls who repent, and I will restore graces to their souls. But those, who do not repent and do not accept Me as Master of their lives, are calling down My justice as the rich man suffered in hell. Every day is an opportunity for

conversion, but you need to change your sinful ways before your death. Do not count on a long life to repent later, but be saved as soon as possible by coming to Me for help. By loving Me and accepting Me into your lives, then you can be assured of your eternal salvation in heaven. Choose life in heaven rather than death to Me in hell. Remember when you are in mortal sin, your soul is dead to Me, so come to Confession to cleanse your sins."

Prayer Group:

Jesus said: "My people, it is good to be close to nature when you are out at a picnic. As you look around the woods, you can see deer, rabbits, squirrels, and birds. You also have a host of ants, bees, and mosquitos. Not only do the animals have to find food, but a lot of people also go to bed hungry. Pray that all peoples will be able to find enough food to survive. Food and water may be taken for granted, but in poor countries they are hard to find."

Jesus said: "My people, you were just helping the poor in Haiti a few weeks ago, and now help is needed for the earthquake victims in Chile. Even in the Northeast and the Middle Atlantic states people are still digging out from unusually heavy snowstorms. Many had to suffer without electricity in the cold when you may need wood burners or kerosene burners for extra heat sources and for cooking. Trust in My preparations that I have encouraged you to have on hand for such emergencies."

Jesus said: "My people, I know many of you are busy all day long, but you need to work your rosaries in during the day because you may be too sleepy to pray at night. Some people have difficulty sleeping because you may be overtired. It is important
for your body to have enough sleep, or you will find it hard to function throughout the day. Do not try to accomplish too much in one day because you need enough time to eat, sleep, and pray. Set your time priorities for all that you need."

Jesus said: "My people, I have given you several messages of when it will be time to leave for My refuges. Those signs include world

famine, division in My Church, martial law, pandemic viruses, and mandatory chips in the hand or forehead. I will give you a warning when to leave, but that time is drawing close with each freedom that is being taken away. Pray that all of My refuges will be prepared for all the people who will be coming. My angels will protect you, so trust in My words of preparation that will help you in your needs."

Jesus said: "My people, at your Conference you were given some good areas to work on in your spiritual life for Lent. Pride and anger definitely require work for most people in order to avoid swearing, or to avoid being puffed up with pride of your possessions. You should start with your habitual sins and work to avoid occasions of sin and how best to restrain yourself when you are tested. You will always be tested by evil temptations, so you need to be prepared how to fight them with My help."

Jesus said: "My people, even if you come to visit My Blessed Sacrament every night, you still will not be able to get enough time to be with Me. Each visit is special and has its own graces. I have told you many times that My adorers are My special people. You have so many worldly distractions that it is refreshing to come and be quiet in front of Me. Treasure this quiet time when I can talk to your hearts of how to carry out your mission. Continue to keep close to Me in your daily prayers, Mass, and monthly Confession."

Jesus said: "My people, during Lent I want you to focus more on doing your 3:00 p.m. Divine Mercy prayers and your Stations of the Cross on Fridays. Your fasting between meals is still a struggle for some, but offer this up for souls that you are praying for. Remember to focus your intentions of prayer for poor sinners and the poor souls in purgatory. The more souls that you pray for, the more they will pray for you both on earth and if you come to purgatory. Keep a crucifix and some statues in your prayer room so you never forget that I died for you because I love you so much. Keep working on your Lenten devotions to improve your holiness."

Friday, March 5, 2010: (First Friday)

March 5, 2010
Jesus said: “My people, in the case of Joseph and Myself there was pride in the desire to kill us, and also greed because Joseph was sold for twenty pieces of silver, and I was betrayed for thirty pieces of silver. In Joseph’s story his brothers were angry because Jacob favored Joseph with a colored coat, and he was the youngest. They wanted to kill Joseph, but instead they sold him to the Ishmalites who took him to Egypt. This was part of God’s plan that eventually Joseph, by his dream interpretation, was able to store food for the famine of seven years that was used to feed Jacob’s family. This also led to the Israelites’ Egyptian captivity that Moses later led them out to the Promised Land. In My case the Pharisees and Sadducees wanted to kill Me both because I claimed that I was God’s Son, and that I criticized them for being hypocrites. They were threatened in losing their position with the people, and they did not want My teachings to be allowed. This Crucifixion of My Body was also a part of God’s plan of salvation for all of mankind. So as you study the Scriptures during Lent, see that there was a plan of God in every act of Mine and man himself.”
Jesus said: “My people, this vision indicates that there will be more signs of coming earthquakes. The birds’ sudden migration in large numbers is a sign that some kind of high pitched sound has frightened them into flight. The sounds of microwave interference that are silent to your ears is another reason to show evidence that a good number of your natural disasters could be man-made. The close proximity in time between the latest damaging earthquakes could be a sign also that more disasters may be waiting to happen. There was a fair sized tsunami that destroyed one town in Chile. Be wary of large earthquakes that could set off large tsunamis along the Pacific Rim where most earthquakes occur. Continue to be prepared for these tsunamis by living on high ground. Pray for the people who are

suffering from earthquake destruction, and send them donations when you can."

Saturday, March 6, 2010:

March 6, 2010
Jesus said: "My people, the Prodigal Son parable is a very timely teaching for Lent. The sacrament of Reconciliation or Confession is My gift of forgiveness for all sinners because everyone is a sinner by your weakened state. Some do not want to admit their faults. When a sinner repents, there is rejoicing in heaven, even as the father celebrated his son's return. You are not worthy of My forgiveness on your own, but it is My Blood sacrifice that has paid the price for your offenses. I welcome the sinner with open arms, even as the father welcomed his son back. As you look at the righteous son's response, do not be critical or envious of My generosity to sinners. Some may be forgiven lesser offenses, but still be thankful, and do not think that you do not sin at all. Those who say they do not do anything wrong, are either prideful, or they are not truly honest about their actions. I have much more love for sinners who repent than for the lukewarm persons who think that they do not need My forgiveness. Pray for all sinners to return to their Lord for forgiveness, and be forgiving of others for any offenses against you."
Jesus said: "My people, I want to show you how you were always being watched over by Me throughout your whole life. You in turn help others as well. In your early years you are led and taught the faith by your parents or a family member strong in the faith. During your twenties you have many decisions to make that can be guided by Me in prayer. This is when you choose your education and what kind of trade or occupation that you want for your work years. In that time you also may choose your vocation in life whether to be single, married, or in the religious life. For all of these big decisions, remember to pray to Me for discernment. If you choose the married

life, it is an accomplishment to find a woman or man who can best bring you to heaven. In most cases you then help bring up your children in the faith and even watch over their souls when they leave the house. You may even have an opportunity to help your grandchildren keep the faith. Pray for the salvation of all the souls in your family and be a good example to them. You also may have to help your parents in their old age, and you could be a good faith example to them as well. Throughout every stage of your life I am guiding your steps if you are open to My help. Then whenever I will call you home, you can say how you have fought the good fight against evil, and have brought souls to heaven. I will say: 'Well done, My good and faithful servant, enter into your Master's house where I have prepared a place for you at My wedding banquet in heaven.'"

Sunday, March 7, 2010

March 7, 2010
Jesus said: "My people, I know that you need to love everyone, even those who are in favor of abortion. The real issue is that it should not be a choice to kill an innocent baby in the womb. This is against My Fifth Commandment of thou shalt not kill. Some feel it is embarrassing to have a child outside of marriage, but it is even more embarrassing to heaven to kill an infant. This is a battle for life against those who want to kill life. There are protests in Washington, D.C., protests at Planned Parenthood, and counseling of pregnant women. Help centers for women also can ease any difficulty in having their children. You can pray to stop abortion and write to your government representatives to discourage payment for abortions with tax money. The devil hates man, and he encourages people to kill their children, kill the elderly, and cause wars. It is a plan of the evil ones to cut the population in any way that they can. This is the battle for life that you are in, and any legal way that you can stop abortions is open for your action. If you do not do anything to stop abortions, you are

committing a sin of omission. Reach out to love and educate people about the value and preciousness of life that I create."
Jesus said: "My people, when I taught My apostles My Gospels, I asked them to follow Me, and this is the meaning of the footprint. In the same way I want you to teach your children the same faith that I taught My apostles. Not only do you teach them by word, but you also are teaching them by your actions in how you lead your lives. Your children notice how you say your prayers before meals, how you pray your rosaries during the day, and how you go to Mass every day. Teach your children also how they need to have their sins forgiven every month at Confession. By letting your children see your actions, they can make prayer a part of their lives as well. See that your children attend proper religious instruction and be careful what they are taught. Also make sure that they have a properly formed conscience so they know right from wrong by what I teach. Even after your children have grown into adulthood, you need to warn them against living together in sin before marriage. Also continue to advise them that they need to continue to go to Sunday Mass. Inform them in a loving way because you are concerned to have their souls saved in heaven. You are responsible for the souls of your children and even your grandchildren. When you come before Me at your judgment, you will have to make an accounting for how you led your children in their faith upbringing. They have free will, but they need a proper faith formation."

Monday, March 8, 2010

March 8, 2010
Jesus said: "My people, the rest of your world does not see when every abortion is done, but up in heaven we see the rose and the guardian angel give witness to every soul that is aborted. Because abortions occur behind closed doors, most people do not realize when this is going on. The mothers and the doctors know, but they treat

these babies as a blob of tissue instead of as a human person. They are not given death certificates and these mothers are so callous to even think that they did not kill their children until later. When these mothers realize what they have done, then they can have psychological problems that can require therapy to treat them. Statistics of how many abortions are done may be available, but your people only hear the numbers, and they do not associate these numbers with human lives as in the loss of your soldiers from war. In actuality there is a battle going on between those trying to save these lives, and those who want the right to kill their children in the womb. This is the ultimate in child abuse, but where is the outcry to stop this carnage? Your populations are suffering from not enough live births, and your country will pay for this killing when you are taken over. As you take away the freedoms of these lives to live, so shall your freedoms be taken away from you in My justice."

Jesus said: "My son, you have been given a difficult mission to warn the people of the coming tribulation. Many of the prophets had to endure persecution and even some were killed. Those, who did not want to hear My message, kept calling Me a blasphemer and wanted to kill Me. So do not be offended if they treat you in a similar manner. Be confident in My help and trust in My protection."

Camille's Mass: Camille Remacle said: "I was happy to see Lydia come to my Mass intention along with the rest of you. Tell her how much I love her and I am sending her a spiritual kiss. She is always saying how she never hears anything from me. I honored your request for a sign for her by having the chimes play a song that was at my funeral. I am always happy to give a few words of encouragement for the family to keep them on the right path to heaven. This has been one of my missions from heaven to save souls. I want to thank all of the people and the priests who had the Masses said for my intention. It was these graces that helped get me out of purgatory in a short time. I have seen the power of prayer and the Mass in helping me get to heaven."

Tuesday, March 9, 2010

March 9, 2010
Jesus said: “My people, during Lent you need to take special notice of how to stop your habitual sins. If anger and swearing is a problem, you need to pray to restrain any momentary flare ups. You are tested in your weaknesses every day, so do what you can to work on any bad habits. You may have drinking, drugs, or gambling habits that could use counseling or rehabilitation to get rid of these demons. Pray to Me for help and call on My Name when you have an urge for these habits. Some are fornicating in living together, or some are using birth control. You need to control your passions and eating excesses in following what My Church teaches. You sometimes are too quick to rationalize that you are not committing sins, but all of you know your sinful habits that need to be worked on. See the need for at least monthly Confession to cleanse your sins, and follow Me in a good Christian life. All of your fasting and prayers should be directed at healing your sinful habits because improving your spiritual life is the reason for your Lenten devotions. Come to Me to seek the forgiveness of your sins, and also forgive others who have done anything against you.”
Jesus said: “My people, you already have a Social Security Number, new driver’s licenses with microchips, and a new passport with microchips. Now your government is planning a National ID card with a microchip to control your health care options. This chip will become mandatory for various services even beyond health care. If your government can mandate these chipped cards, they can mandate chips in the body so you do not lose your card. Not only are chips a means of controlling you, but they also will be used to track wherever you go. There will eventually be mandates that you need to carry this card with you at all times. Once these mandates demand control of your lives, you will approach the time to leave for My refuges. Refuse to take any chips in your body, or they will control your mind with

voices. Call on Me for discernment for the right time to leave at night for My refuges. Trust in My protection from the evil ones who want to kill all of My faithful. Do what you can to discourage the control part of this Health Plan which also contains abortion payments by the taxpayer. Many dislike this plan because of its unfunded high cost, but the secret plans in the bill are even more threatening to your freedoms."

Wednesday, March 10, 2010: (Pauline's Funeral Mass)

March 10, 2010
Jesus said: "My people, it is always hard for the family when the mother passes on. Pauline had a full life, but she had to endure many trials. I am always here to comfort the family in their grief. It is not uncommon that a spouse would die not long after the other is deceased. It is always a blessing for the soul to have Masses and prayers said for the deceased relative. As you have had messages before, it is always a kind remembrance to keep their picture always in plane sight on a table or on the wall. There was a sense of sadness in Pauline's soul that her personality was not as complete as in her younger years. Your mother related the same feeling when she had dementia in her last years. Be happy that she is suffering no longer on the earth, and she is in a better place."
Jesus said: "My people, the public option plan and allowing abortions to be paid by the taxpayer is what is holding up the current Health Care bill. The Democrats and the one world people are determined to pass this bad bill that would allow government control over your health options. They are willing to use Reconciliation tactics to avoid the 60 vote requirement in the Senate and go against the will of the people. More backroom deals will be made to push it through. Only a miracle of prayer could prevent you from being controlled by a National ID card containing a microchip . The unfunded cost alone will enable those in power to bankrupt your government and allow a

martial law takeover. Refuse any mandatory chips in the body as this will be the time to leave for My refuges. The more freedoms that you allow your government to take away, the quicker your demise will come. Your present leaders are leading you down the path to forming the North American Union which will unite America with Mexico and Canada and take away your sovereignty rights. Stand up for your freedoms, or they will be taken away from you."

March 11, 2010
Jesus said: "My people, you are seeing in this vision the birth and death of bodies that goes on daily in your world. In essence at every conception I create a new soul for that developing physical body. Once the soul is created, it will live on forever because souls are immortal, even if the body dies. If everyone could see this vision, they would understand how life on earth is for a very short time. Each soul in their body has to endure pain, sickness, and the trial of living in the human condition when you are tempted every day by the devil. I cast the demon out of a person in today's Gospel, but there are still demon possessed people even in your world of today. Life can be beautiful, even despite your weaknesses that are inherited from Adam's sin. Experiencing love for Me and love for your spouses and neighbors is very comforting and well worth living. Your family and friends are your support through this life in addition to your heavenly support from Me, the saints, and the angels. You have the gift of My sacraments to sustain you spiritually, and My graces to provide for your physical needs. Seek to be united with Me in everything you do, and when you return to Me in judgment, you will eventually join Me in My heavenly banquet."
Prayer Group:
Jesus said: "My people, as you see signs of spring with warmer

weather, your souls and bodies feel joyful to see winter leaving. Your spiritual life is also seeking freedom and joy in My rest. By cleansing your souls of sin in Confession, you can rejoice as well in releasing your bonds of sin. The more you let Me come into your life, the happier you will be in My love and graces. Your love relationship with Me is so rewarding that you are drawn to want to share your experience with other souls. Pray for the conversion of poor sinners."
Jesus said: "My people, here in America you have plenty of food, and so you are even concerned about diets to keep from getting overweight. Unfortunately, in many poor countries, as Haiti, the people are struggling to find food and water. This is not a one time donation, since now the people in Chile need help. Continue to share your surplus with those who are less fortunate."
Jesus said: "My people, the weeks of Lent pass quickly, and already you are at the middle of Lent. Now is a good time to review how well you have been doing with your Lenten devotions. Fasting between meals is a challenge to keep working at it. Giving up smoking, giving up eating sweets, or other penances are also a struggle. The fruit of your devotions is to control the sins that could be habits in your life. By denying your body what it desires, this helps in keeping the body's desires in check. When you see that you can exercise your free will to stop your sins, then this will give you strength to keep a pure soul."
Jesus said: "My people, it is difficult to find a safe place to build a home. Disasters can happen to anyone no matter where you are living. It is wise to live away from coastlines to oceans, lakes, and rivers. Living in non-earthquake prone areas is another way to avoid disasters. Even still, disasters can strike anywhere, and you need to help those who are homeless and unemployed. They need shelter and food to eat. Help where you can, then if it happens to you, your friends will help you in return."
Jesus said: "My people, if you truly love your neighbor, you could help with donations of time and money to your local food shelves. Some could help distributing food to the homeless, or help by painting

homes that are in disrepair. This proactive work is above prayer and donations, and would be welcome help for the poor to see people that care that much. Even those, who are unemployed, could better use their time in contributing their skills to help people. These are the deeds that will store up treasure in heaven for your judgment."
Jesus said: "My people, at times people are having bad times in being out of work, having sicknesses in their families, or even deaths. If someone asks you to pray for their trials, be ready to say 'yes' and pray for these people. Your prayer help is just as needed as donations or your physical help. Helping others is how you can show your love and care for them. You may even be asked to help your parents or support your older children at your home or financially. Again all of your efforts are appreciated and gain you favor in heaven."
Jesus said: "My people, it is traumatic to lose your home, and you do not know which way to turn. You may have helped people, so it is hard to imagine if you would need help yourself one day. If you were reaching out for such help, imagine how grateful you would be for someone to feed you, if you were out of work. Imagine also if people helped rebuild your home, how thankful you would be. So put yourself in these peoples' shoes for a moment, and you can realize how much they need your help. When opportunities come along to help people, reach out without being asked to volunteer your money and your services. Again every soul, that you help, is also helping Me in them."

March 12, 2010
Jesus said: "My people, I have asked you to consider all of the additives that your food processors place in your food. Your first problem is that it is sometimes difficult to trace the place of origin of your food. In foreign countries they could add poisons to your food before it even comes into your country. You have seen salmonella

contaminants and melamine that could have come from the country of origin. Examine where most of your imported food comes from, as China and South America, and you should be concerned about cheap products and their quality. Some manufacturers add preservatives and others use fillers that are unnatural and could cause cancer. Some use dyes and nitrites to make meats look good. Pesticides can also poison your foods. Some use gene altered food crops which may have long term health issues. Your foods have become so adulterated with additives that they could cause harm to your health. That is why more people are desiring natural organic food with original seeds that are without hybrids. If you are personally concerned about your food sources, then investigate the additives on the ingredient labels, and research their effects on the body."

(Camille Remacle Mass intention) Camille said: "I understand your question about my change in my love for God because I am ashamed that I did not love God more in my earlier life. I must admit that if it were not for your prayers, I may not have been allowed a death bed conversion. It was the mercy of God that saved me, and your Masses, like today, that further allowed me into heaven. I was in purgatory briefly, and it was very difficult to suffer purification there. I understand now that to come to heaven, you need to give up all of your earthly desires and seek only God's love. Once you experience God's love, all you want to do is share it with everyone. This is what is driving me to help souls in our family to be close to God's love. I would like to give more signs to Vic, but you need to send angels and blessed salt and medals to help disable all the demons that are around him and influencing him. Only then could he be open to any physical signs. I love all of you, and keep praying for my intercession in your prayers."

March 13, 2010

Jesus said: “My people, pride is one of the seven most deadly sins and its opposite, humility, is one of the virtues that you could be working on for Lent. It is pride that draws you to buy many things that you do not need or cannot afford. Pride is also apparent in the vanity of your appearance when people have plastic surgery, facelifts, and the like. Pride makes you think that you are better than others as you seek to show off your skills or your latest gadgets. As in today’s Gospel, it is better for your soul to remember that you are a sinner, and you need My forgiveness of your sins in Confession. When you try to be more humble in public, it will help restrain your pride, and in your prayers you will go home justified as the tax collector did. Pray to Me to exercise more humility in your life when you find yourself boasting and desiring so many worldly things.”
Jesus said: “My people, your coming events are going to make your head spin with the rapid succession of disasters and political changes. Storms of rain, floods, tornadoes, and possible ice storms are going to take their toll on your country. There are those who want to see people get health care, but paying for it with tax dollars has put many against it. The Health Plan, cap and trade, and the ongoing wars have people concerned that your National Debt problem is going to lead you into bankruptcy and into an eventual takeover. The chance of another financial downturn with high unemployment could trigger a grassroots uprising that could lead to riots. Your government is being so controlled by the one world people, that their plan for a North American Union is on its way, which will take away your freedoms. When this takeover comes, My faithful will need to leave for My refuges. Have all of your backpacks and things ready because those in power are working to gain complete control over your rights and freedoms through big government and chips control. Pray for My protection when your persecution will come about.”

Sunday, March 14, 2010: (Parable of Prodigal Son)

March 14, 2010
Jesus said: “My people, the Pharisees and Scribes were criticizing Me for eating and drinking with sinners. In another passage I said to the Pharisees: (Matt. 9:12)‘It is not the healthy who need a physician, but they who are sick.’ In today’s Gospel about the Prodigal Son (Luke 15:11-32) I also likened the Pharisees to the second son who did not need to be found. This was the son who refused to go in to celebrate his brother’s return. The Pharisees refused also to believe in Me that I was God’s Son, and they refused to follow Me as well. The first son, who squandered his father’s money in sinful living, is like all sinners that I invite to conversion, so they can be found with Me in My forgiveness at My banquet in heaven. The scene of the father rushing to receive his lost son represents how I and all of heaven rejoice over the conversion of even one sinner. The last sentence of this parable invites those who were faithful with those who have returned to Me from their sinful life. (Luke 15:32) ‘Son, thou art always with Me, and all that is mine is thine; but we were bound to make merry and rejoice, for this thy brother was dead, and has come to life, he was lost, and is found.’”

March 15, 2010
Jesus said: “My people, some people make it a practice to pray their rosaries or do their spiritual reading every day. You can pray in the morning, the afternoon, or in early evening. For those who are not praying daily, this would make a good Lenten devotion. I rely on My prayer warriors and your intentions to help poor sinners and those in purgatory. I even thank you for your prayers and your many hours of Adoration. You will have your reward in heaven for your prayers and good deeds. You saw Me heal someone from a distance in the Gospel. When you pray for someone who is sick or in need of My help, you are trusting in Me for an answer to your prayer, even if that person is

not in front of you. Every prayer is heard and answered according to My Will. So keep praying for your needs and the needs of others."

Monday, March 15, 2010

March 15, 2010
Jesus said: "My people, your freedoms that are guaranteed by the Bill of Rights in your Constitution are what separates you from other dictatorial governments. When you start losing these freedoms, then you will become a ward of the state. Your freedom of speech is being curtailed by your Patriot laws and laws against hate crimes. Your freedom of religion is being crowded in by rulings of church and state. Christians are increasingly persecuted more than other religions. Your freedom of movement is being challenged by requiring chipped documents to track your whereabouts. Even your money will be taken away when the amero becomes your new currency. All of these rights will be taken away when the North American Union will be formed. This is why food and water storage will be needed if you do not have anything of value to buy food to eat. When control is too pervasive, you will need to go to My refuges where My angels will protect you and provide for your needs. My angels will be your shields, so do not worry about having guns or fighting physically. All that you have will be taken away, so do not try to amass wealth that will come to nothing. Trust in Me and that will be enough for your soul and body."

Tuesday, March 16, 2010

March 16, 2010
Jesus said: "My people, the theme of today's readings are about healing waters as in Baptism. The other side of water is when rain and wind combine in violent storms to cut off electricity with falling trees, and when floods can inundate whole towns. You have this kind of damage combined with melting snow to create a problem with too

much water and many rivers at flood stage. There have been some deaths in these disasters, so pray for these people that they can have their power restored quickly so people can get on with their lives. Tree damage and flood damage can be expensive to repair and it takes time to restore. You have been through ice storms, and you can have a feeling of what these people are enduring. Again these disasters always show you how vulnerable you are to weather events. Be thankful if you have been able to avoid such damage. This is another opportunity to help each other in restoring services and sharing food and heat."

Jesus said: "My people, purgatory is a real place and it is where souls, who do not go to hell, are purified of their earthly desires and their reparation due for their sins. It is a very dark and dingy place of suffering where you are outside of time, and you have no measure of how long you have been there. In the lower levels of purgatory, the souls suffer the burning flames as in hell, but one day they are promised to be with Me in heaven. In the higher levels of purgatory, the souls suffer from not seeing Me or feeling My love, but they are free of the burning flames. These souls can pray for you, but not for themselves. They rely on the people alive on earth to pray for them and to have Masses said for their intention. Masses have the most power in raising souls up through the levels of purgatory. This is why we in heaven are constantly asking you to pray for the poor souls in purgatory, especially those who have no one to pray for them. These souls will remember what you did for them, and should you have to suffer purification, you will be grateful that they will be praying for you. You can minimize your time in purgatory by offering up your pains for others, asking My mercy to heal the reparation due for your sins on Divine Mercy Sunday, and by purifying your earthly desires while you are still on earth. Just as you adore Me at Adoration, this is training in how to worship Me in heaven. Pray to Me often so you can develop a loving relationship with your Lord both now and with Me in heaven."

Wednesday, March 17, 2010: (St. Patrick's Day)

March 17, 2010

Jesus said: "My people, you are blessed to have many Irish priests and nuns who came to America years ago. St. Patrick brought the faith to Ireland as a missionary priest and bishop. It is this Catholic heritage that has been handed down to many faithful today in America. You treasure the wearing of a green shamrock, but it was St. Patrick's teaching of the Blessed Trinity that it represents. Your gift of faith is a blessing to pass on for many generations, and you should be thankful to your roots and your parents and grandparents for your Irish faith. The faith has lessened in strength in Ireland and America, but there are still remnants of that original strong faith left in various parts of your country. Treasure your gift of faith no matter what nation you are from because it is your spiritual life blood that will bring you to heaven. Stay close to Me in your daily prayers and your sharing in My sacraments."

Jesus said: "My people, this circling like a hurricane with intermittent sparks is how the HAARP machine enhances storms, and adds to the intensity of hurricanes, tornadoes, and low pressure weather. These sparks and colored lights are also how these microwaves can set up a resonance on fault lines and can cause severe earthquakes. The one world people, who are trying to cut the population, are the ones behind using this array of antennas to cause death and destruction. They also are using the chemtrails to spread viruses to cause a fair number of flu deaths. They are trying to keep these covert operations secret, but I see their intentions in their hearts and they will have to answer to Me for their evil deeds at their judgment. Pray for the victims of these disasters who are suffering losses of their homes, and their loved ones. As the evil increases, My people will eventually have to leave for My refuges to protect themselves from being killed."

Thursday, March 18, 2010

March 18, 2010

Jesus said: "My people, the Israelites worshiped the golden calf before Me, and I was about to punish them when Moses interceded to hold back My hand. Still because of this incident and their lack of trust in Me for entering the Promised Land, I punished that generation by causing them to roam for forty years in the desert. Even in your world of today, you have a new golden calf in worshiping your possessions before Me. Some are taken up with their large new homes, new cars, and the wealth that they have amassed in stocks, money, and real estate. But these same people refuse to worship Me at Sunday Mass. You cannot have two masters, because you will love the one and hate the other. (Matt. 6:24) 'You cannot serve God and mammon (worldly goods).' If you wish to enter into heaven, you must accept Me as the only Master of your life and seek My forgiveness for your sins. This world is passing away and even your very life will be taken away from you. You cannot take these possessions with you, and you will then have your soul live on forever. But if you worship these earthly things before Me, you will be testing My justice on the road to hell. Better to worship Me only so your soul can rest with Me in heaven for all eternity."

Prayer Group:

Jesus said: "My people, in a few weeks you will be attending your Holy Week services when you will come face to face with how much I suffered on the cross for your sins, and how I suffered out of My love for you. Many times you just glance at My crucifix, but when you truly look at the cross for a length of time, you realize how much I love all of you. This is why you need a large crucifix on the altar so My love is ingrained in your heart every time that you look at it. When you suffer through your trials, offer up your pain with Me on the cross because I am still suffering from your sins."

Jesus said: "My people, at every Mass you pray to Me as the 'Lamb of God' and ask for My mercy. Truly My sacrifice and death on the cross

was something that I freely did to save all of mankind from their sins. Even though I did not commit any sin or crime, I was crucified as a criminal because My people did not want to believe that I AM the Son of God. I was led like an innocent lamb to be sacrificed as a sin offering on the cross. Give praise and thanks to Me for this ultimate gift of life that I have given you."

Jesus said: "My people, every time that you pray the Stations of the Cross or the Pieta prayers, you are voicing how I suffered in My scourging, My walk to Calvary, and My death on the cross. When you imagine what pain that I went through without any complaint, then you should not complain of your trials either. Living in the human condition with pain, sickness, and death, you are living My pain every day and you are tempted to sin as well. Pray for My help to endure this life no matter what you are asked to do."

Jesus said: "My people, it is difficult to understand how some have to die early from cancer or from any other accident, or killing. Some, who watch dying patients, can see the joy on their faces when I come to take them home. It is a wonderful act of mercy to comfort the dying and mourn with those relatives left behind. You have been to many funerals and there is always the thought that one day you will be in a casket. This life is short and you need to always be prepared to die by having a pure soul by frequent Confession. Lent is truly a time to emphasize the need for having sorrow for your sins. It is also a time of prayer to make any spiritual changes that you need in order to perfect your souls."

Jesus said: "My people, in your Lenten devotions you are well aware that you are at the crossroads of your life when by your actions you are doing things for Me on your way to heaven, or things only for yourself on the broad road to hell. Keep focused on Me and your goal for heaven, and you will have no worries about judgment to hell. I love you and I wait for your return in Confession. Do not wander off in so much sin that you could lose your way on your path to heaven. Avoid any detours by coming back to your narrow road to heaven. If

you truly love Me in all that you do, you will truly avoid sin because you do not want to offend Me."
Jesus said: "My people, you know in the Gospels that I am your King and Master of your lives. Even as you think of My Crucifixion, there was only a short time in the grave, and I was resurrected body and soul into heaven. This is My sign of hope for every soul because those, who are faithful to Me in this life, will be promised a resurrection on the last day in your glorified body. Rejoice even in your suffering here on earth because your life is short, and you will be at your judgment day before you know it. You are sad during My days of suffering, but you are joyful when you celebrate Easter Sunday."
Jesus said: "My people, your spring season is near as you see the seasons progress from the death of winter to the new life of spring. This is very similar to how I died, and then rose on the third day in My glorified Body. As you are joyful to see winter leave, so you are joyful to look forward to My Easter Season of life in its fullness of My glory. Even as you see the cycle of the seasons, you also can see the cycle of years as a person goes through this life. You know that you have to die in the end, but you also look forward to your joy when My faithful will share their new life with Me in heaven. Follow Me in My Word and My Commandments, and I assure you, like the thief on the cross, you will soon be with Me in paradise."

Friday, March 19, 2010: (St. Joseph)

March 19, 2010
Jesus said: "My people, St. Joseph is a silent obedient father as far as Scripture is concerned. He followed the angel's dreams of accepting Mary into his house, taking the family to register in Bethlehem, leaving for Egypt, and returning to Nazareth. He is the guardian of My Church, patron of the dying, and a good example for all fathers in taking care of their families as a carpenter. I was obedient to My parents, and he taught Me his trade as a carpenter, but God the Father

had a greater mission of saving My people. Today, there are many single parent households, but fathers should recognize their responsibility for their children and see to their needs. The Holy Family should be a model for all families with a father and mother along with the children under the seal of marriage. Living together in sinful fornication or in homosexual relationships are not proper environments to raise children. Children should be raised in a proper loving relationship under a proper marriage in the Church. St. Joseph was a loving parent, even if he was a foster father. I invite you to love Joseph and Mary as you can pray to them for your prayer intentions." Jesus said: "My people, this walking staff of St. Joseph represents his leadership of the Holy Family and also as guardian of My Church. I am thankful for St. Joseph's care for My Blessed Mother and Myself in all of our travels and at our home in Nazareth. He is also helping those in My Church who pray to him as an intercessor. Many people have many traditions on this feast day in making breads and the like. You see statues of him holding Me as an infant. This idea of leadership is also seen in the vision of a bishop with his crosier as the Shepherd of his flock of souls. Pray for your bishops who are constantly enduring the attacks of the evil one. May they have courage to lead their people in fighting abortion and standing up for the faith that is also under attack from your secular world. Remember to continue to pray to the Holy Family so today's families can be supported in their faith."

Saturday, March 20, 2010

March 20, 2010

Jesus said: "My people, you can see in the Gospel that the religious leaders of My time did not realize that God's ways are not man's ways. They did not realize that I was born in Bethlehem in King David's line, even though I was brought up in Nazareth. Even

Scripture talks about the Nazarene. So it is in your day. You know that your life should be focused on Me, but you allow the concerns of the world to cloud your mind and distract you from your mission, which is to know, love, and serve Me. Try to imitate My life of simplicity, humility, a good prayer life, and following My Commandments. When you love Me and your neighbor, you should show it in your actions and thoughts."
Jesus said: "My people, this vision is a picture of a flame of faith that is so delicate, and it can be snuffed out by man's sin and the devil's temptations. Once a person's faith is snuffed out as the lukewarm, it takes a miracle or a lot of prayer and fasting to relight that flame of faith again. This is why your Sunday Mass attendance is down because so many people have lost their way by allowing the worldly distractions to detour them from their path to heaven. This is why a faithful person needs to be close to Me in their daily prayer life, Mass, and My sacraments. You have the grace to keep your flame of faith burning brightly, but you must give your will over to doing My mission every day if you want to reach heaven. Think of yourselves as My prayer warriors and My evangelists, so by your efforts and My grace, you can relight the flame of faith in as many souls as possible."

End March 2010

April 2010

Thursday, April 1, 2010: (Holy Thursday)

April 1, 2010
Jesus said: "My people, in the Gospel I washed the feet of My disciples as an example of how they were to serve others. I came to serve and not to be served. I also told My disciples that the one who desires to be first, must be the one who serves the rest. This is also an

example for all of My faithful that you are to serve Me in the needs of your neighbor. This Last Supper was the night that I instituted My Eucharist, as you repeat this at every Mass. Before I died, I left you with My Real Presence in My consecrated Hosts that are in My tabernacle. It is one of your customs or traditions to visit three or more churches. Some have suggested that it is like praying with Me one hour in the Garden. Rejoice in this service that is centered around Me in My Blessed Sacrament. Thank you for visiting My tabernacles this night to adore Me and give Me thanks."

Friday, April 2, 2010: (Good Friday)

April 2, 2010
Jesus said: "My people, you know how much I love you as you saw that I gave up My life for all of you. In the vision you saw My compassionate face that knows your problems and My angels are watching over you. Pray to Me and I will be there by your side to answer your prayers. How I could redeem all souls from their sins is a mystery to explain. Because of Adam's sin, all human souls have inherited original sin except Me and My Blessed Mother. Now because of My sacrificial death, all souls can receive My redemption if you repent of your sins and make Me Master of your lives. This vision of light is an attempt to show you how all souls: living, dead, and to come, are all ransomed from your sins all at once, as outside of time. Now, as you inherited original sin by one man, Adam, so you are inheriting My payment for your sins by one man, Jesus. The gates of heaven have been opened, and all those, who are worthy after cleansing, can now enter My heavenly Banquet."

Saturday, April 3, 2010: (Easter Vigil)

April 3, 2010
Jesus said: "My people, even though I told My apostles several times that I must die and rise on the third day, they did not comprehend My

words as possible or maybe even forgot them. So when they heard of My Resurrection from the women, they still did not believe them. It was only once St. Peter and St. John went to the tomb to verify the story that some believed. Then they finally remembered My words that I would rise on the third day. I met with My apostles several times so they could see that I truly resurrected and that I was flesh and blood when I ate with them. I was not a ghost. At some of My appearances at the tomb and on the road to Emmaus, My disciples did not recognize Me until I called their name or broke bread with them. This was because I now was in My glorified Body, even though I still showed them My wounds in My hands, feet, and My side. Rejoice in My Resurrection because I have promised My faithful that one day they also would be resurrected body and soul in heaven."

Sunday, April 4, 2010: (Easter Sunday)

April 4, 2010
Jesus said: "My people, you know about the Shroud of Turin, but no one can explain the image that is miraculously imprinted on the shroud. Once I resurrected there was a burst of energy that slightly singed the cloth as I left you with the details of My suffering on the cross. This is a glorious moment when I defeated sin and even death itself. I took a seeming defeat in My death and turned it into a victory in the salvation of everyone, as you are all redeemed by My Blood sacrifice. This Resurrection and Life are celebrated at every sacrifice of the Mass. Even though My disciples took time to believe and understand what it meant to rise from the dead, they too, gradually came to be joyous at My Resurrection. Every year that you celebrate this feast, you also can be joyful that I have defeated Satan, death and sin. In My death and Resurrection I have given all of My faithful hope in your after life, as your soul lives on forever and you will later be rejoined with your body. This is cause for all of you to believe and evangelize souls so they can be saved and enjoy My love relationship

with their souls."

Monday, April 5, 2010

April 5, 2010
Jesus said: "My people, this Easter experience in the vision is showing you that this is a transition from the sadness of My passion and death into the joy and happiness of My victory over sin and death with My Resurrection. As you see the beautiful spring flowers and people dressed for Easter, there is an expression of new life both in nature and in your souls. You have made your self-denial devotions in fasting during Lent, and now you are freed from these obligations as I freed everyone from their sins. Come to Me and I will forgive you of your sins because I have already paid the ransom for your souls. Once you accept My invitation to Confession, then you will be freed of the bonds of your sins. I love all of you so very much, and I desire that all of you could come to heaven. This Easter spirit should lift up your souls in My graces so you can shout from the rooftops in celebration of your salvation and your belief in your future resurrection. This is a hope in faith that all of My believers should revel in all of your life, and not just on Easter. Rejoice in this celebration of life both physically and spiritually."
Jesus said: "My people, when you see someone working at a good job later in life, it is hard to imagine how that person had to get just the right breaks to succeed. Those, who have rich parents, have it a lot easier to afford a good college education. Those, who come from an average family, have it a little harder to save and take out loans to get through school. Those, who come from a family at a poverty level, require much more will power, or certain breaks like grants or scholarships to make it through. Money is not everything, but some is needed for survival of the family with a good wage earner. With love, courage, and faith in Me, all things are possible, and you need to rely on Me for everything in life. I also should be the one that you come to

for discernment in every big decision in your life. Every child should be able to dream what they want, and have someone help them to achieve that dream. This is why parents are responsible for the physical and spiritual well being of their children. When you make Me the center of your life, then I can use you to help others and fulfill the mission that I have for your life. Give your will over to Me so I can have you accomplish this mission. You may not grow up to be rich in this world's goods, but if you allow Me to lead you, you will definitely be rich in your spiritual treasure that I store up for you in heaven. I see the intentions in your heart to do good, so let Me into your life, and you will always be successful in My eyes, especially in your evangelical attempts to save souls. Love Me and your neighbor as you serve Me, and your reward will be great in heaven."

Tuesday, April 6, 2010

April 6, 2010
Jesus said: "My people, after My Resurrection some of My disciples did not recognize Me at first because they knew that I had died, and they did not expect to see Me again. As yet they still did not understand what rising from the dead meant. They knew My Body was not in the tomb, but they did not know that I was going to appear to them in the flesh, even with My five wounds. It was not until I called Mary's name that she recognized Me. Even My disciples did not believe the women when they gave My disciples My words at the tomb. Instead they had to see for themselves that My Body was gone, and My wrappings were still in the tomb. Once they realized that I truly rose from the dead, they were incredulous with joy. They also were reminded that My words of rising again on the third day had been fulfilled. Not only was this a joy for My disciples, but it is still a joy for My faithful of today. My Easter Gospels are filled with joy and expectation of My return one day. Later, My disciples had to return to their evangelization work and not just dwell on waiting for My return.

Even today you are still awaiting My return, but you must continue your individual missions until it is time to go to My refuges. You also are rejoicing in My Resurrection because you all are promised to be resurrected after death on the last day."

Jesus said: "My people, for years I have warned you about not taking any chips in the body, even before smart cards and Verichips in the body were proposed. I have also given many messages that when your authorities make it mandatory to have chips placed in your body, then it will be an indicator of time to leave for your refuges. You have chips being placed in your passports and now in your new driver's licenses. I have also said that if these authorities can mandate chips in your documents, then they can mandate chips in your body. DO NOT TAKE ANY CHIPS IN YOUR BODIES UNDER ANY CIRCUMSTANCES, EVEN IF THESE EVIL ONES THREATEN TO KILL YOU. Chips implanted into the body can control your mind and your free will with voices of suggestion that will make you like a robot. The reason that I am emphasizing not to take chips in the body is because people have quoted sections from your new Health Law that will demand implanted chips in your body to obtain any medical services. This action is very serious and it is why the one world people have done everything possible to pass this evil law. This is not about giving insurance to the poor, but it is about total control over your bodies, which the one world people have desired for many years. Once this law is implemented and these chips are mandatory in the body, it will be time for you to go to My refuges. You are seeing a takeover implemented by your President which is what I told you he would do when he was elected. Seeing how close your refuge time is, also shows you how close My Warning is and the coming tribulation. Get your things prepared to leave your homes, and My refuge owners need to get their places ready to receive you. Pray to Me for guidance and help when I will tell you that it is time to leave."

Wednesday, April 7, 2010: (Camille's Mass intention,Carol's

father)

April 7, 2010
Camille said: “Happy Easter, I missed you all at your Sunday dinner. I must say that all of heaven is in celebration mode more than normal, as you celebrate Jesus’ Resurrection. This life after death is more than I ever expected, and there truly is a promise that one day we will see each other with our bodies. I want to thank you all for picking up the yard and taking care of your mother. I miss you all at our family gatherings, but I am praying for all of you in heaven. I can’t stop thanking you for all of these Masses for me. You don’t know how much I am grateful to God and to all of you that enabled me to be here. This is why I have a lot of payback for my blessings. I will not forget all of your kindnesses to me. I love you all and tell Babe how much I still love her.”
Jesus said: “My people, you have seen some major earthquakes in Haiti, Chili, and now in the Bahaj of Mexico in a relatively short space of time. It appears that there is a trend of earthquakes going up the West coast from the south going north along the Pacific Rim. I have shown you earthquakes in San Francisco changing the geography of that area. You can see when an earthquake occurs in a populated area that the death toll can go quiet high. Construction of the buildings can have an effect on the outcome, but if the earthquake is severe enough, it can knock over buildings in large cities. Pray for the people who are still suffering from the latest earthquakes, and also for any people in future quakes. Avoid living in earthquake prone fault areas in order to avoid being involved in such disasters. Volcanoes in this area along the coast is another area to avoid living where people could die of fire, ash, and explosions. These kinds of disasters are occurring more frequently, even as I warned you of such happenings.”

Thursday, April 8, 2010

April 8, 2010
Jesus said: “My people, My angels and saints are always singing My praises, but now that you are in My Easter celebration, the angels are blowing their trumpets with extra vigor. Today’s first reading shows St. Peter witnessing the power of My Name in healing the lame beggar. (Acts 3:1-11) He also witnessed how My crucifixion and death were followed by My Resurrection from the dead on the third day. Some, who doubted at first, were now becoming believers with the apparent miracles. In the Gospel also I appeared to the apostles to show them My real Body that I was not a ghost. They could see My wounds and that I ate the baked fish in front of them. They were astounded that I could appear through the walls without entering through the door. Yet I manifested Myself to them in My glorified Body. I did not stay with them long, but I made several appearances to encourage My apostles that I truly had risen from the dead. I also wanted to inspire them to preach about My Resurrection, and that I would bestow the Holy Spirit’s power among them in the days to come. My apostles were hoping that I would come back to stay with them, but they soon realized that I was preparing them for My final departure. Rejoice in this Easter Season because you are My Easter people who also need to share your faith with everyone.”
Prayer Group:
Jesus said: “My people, My disciples feared for their lives and only St. John was at the foot of the cross comforting My Blessed Mother. The other women were there and they were the first to come to My tomb. They were surprised to see My Body gone and Mary Magdalene was rewarded with being the first to see My resurrected Body. I want My faithful to have courage also in not being afraid to witness your faith in Me to others.”
Jesus said: “My people, St. Peter at first denied Me three times, but later he and St. John were not afraid to witness that it was through My Name that the lame beggar was healed. In a later incident they were brought to trial and reprimanded with a beating

for speaking out about Me in My healing power. They were rejoicing that they were worthy to suffer for My Name's sake. Many people have died for their faith, and they were courageous to be martyred as witnesses to My death and Resurrection."

Jesus said: "My people, I have told you that there is no greater love for another that you could show, than to die for that friend. This is what I have done in dying to pay the ransom for everyone's sins, so you can see My deep love for all of you. St. Maximillian Kolbe was a German prisoner and a priest, but he gave up his life so another prisoner with a family could live. This is not an easy sacrifice for anyone to make, but this saint demonstrated a similar love for his fellow man. Love one another as I love you."

Jesus said: "My people, during the first few hundred years after My death, many of My followers who were 'Christians' suffered persecution and even were martyred for My Name's sake. All of My apostles, but St. John, were executed for not giving up their belief in Me. The Romans were ruthless in killing the Early Christians in many cruel killings. Even today in communist countries, some Christians risk their lives in secret in order to keep their faith. You are not as threatened in America right now, so take the opportunity to evangelize souls while you can. Soon you will see increasing persecution of My faithful when your lives will be in danger to speak out about Me in public. Trust in My protection and do not be afraid to try and save souls from hell."

Jesus said: "My people, you know of this local story when a priest and nun made an attempt to rescue My Blessed Hosts from a burning church. They gave up their lives also as martyrs in a way to try to keep the flames from consuming My Eucharist. You see these heroic acts that people have made throughout history on My behalf because of their great love for Me. Please honor all of the saints who were martyred for their faith. They would rather give up their lives than deny their faith in Me."

Note. On Feb 20, 1967, the Rev. George Weinmann and Sister Lilian

McLaughlin gave their very lives attempting to remove the Blessed Sacrament from a fire at St. Philip Neri Church in Rochester, N.Y. The late Archbishop Fulton Sheen, then stationed at Sacred Heart, referred to them as martyrs for their heroic effort.
Jesus said: "My people, nearly half of the babies, that are conceived, are killed in the womb and were never allowed to fulfill their mission in life. Abortions are the worst abuses of your children that you could perform. Why are you killing your own flesh and blood just out of convenience or embarrassment? These lives deserve a chance to survive and you are denying My plans for these lives by murdering them before they can be born. These souls are My little innocent martyrs, killed by their own mothers. There is a price to pay for taking these little lives. I can forgive sins in Confession, but woe to those who commit such crimes and do not seek repentance for their sins."
Jesus said: "My people, there are some people in non-Christian countries that were imprisoned and tortured for their faith, but they were not martyred. These faithful suffered a long enduring 'dry' martyrdom for not giving up their faith. Many who lived behind the Iron Curtain had to suffer this persecution. Even your deceased friend Josyp Terelya suffered imprisonment as an example of a 'dry' martyr for the faith. Pray that all of My faithful will be strong in the coming tribulation so you would rather die than give up your faith."

Jesus said: "My people, whenever I was with My disciples fishing, they always had a large catch of fish, even after they had fished and had caught nothing. My disciples went back to their old profession, and they needed My inspiration to have more dedication to carrying on My mission of fishing for souls instead of fish. My appearances after My death did encourage them and gave them hope. After I was killed, they were still fearful at times to speak out. As the Holy Spirit

gave them courage, they were more outspoken as with the crippled man that they healed in My Name. They did not have it easy because of the persecution from the Romans and the Jewish leaders. Even My faithful of today can take a lesson from these readings in that you need to trust in Me to help you through life. When you pray for My help, you will see how I lighten your burdens and give you peace. Focus on letting Me lead your life, and you will be accomplishing more beautiful things for My glory."

April 10, 2010
Jesus said: "My people, in My Early Church you can see how much My disciples had to struggle to spread My Word because the devil's forces were against them all of the time. I promised St. Peter that the gates of hell would not prevail over My Church, so there will always be a faithful remnant to survive in every age. This vision of older churches represents the deep roots of Catholicism all over the world, but many churches are becoming museums and are being closed because of low attendance and lukewarm faith. These are increasing signs of the end times when I asked if I will find any faith when I return. Now in the spring you are seeing new growth in the grass, the trees, and the flowers. This Easter Season should be your inspiration to reach out like My apostles to evangelize souls in the faith. Wake up the lukewarm to return to their former fervor to save their souls. Many have fallen asleep in their spiritual lives, and they need to be awakened before the Antichrist and his minions can sift them like wheat. If you are so weak in the faith in the 'green' time without persecution, what are you going to do in the 'dry' of the tribulation time? Be strong and share your faith with everyone."
Jesus said: "My people, I am going to compare what you receive in your mailbox with the actions of your heart and soul. Throughout your life you may have received acceptance letters to high schools,

colleges, grad schools, and places of employment. In your own life you received letters from your future wife that were heart warming. You also conduct your financial needs and bills through the mail. There are many more things that come in the mail that you buy and look forward to opening. There is one similarity between your mailbox and your heart and that is they both need to be opened to know the contents. I am speaking of how you open your heart to Me and also how the intentions of your heart lead to your actions. This is how I judge your actions from the heart. When you pray from the heart, you add a special fervor to your intentions that you are praying for. The open heart is also how you form love relationships at various levels. You have a higher spiritual love in loving Me with all of your heart, mind, and soul. You love your spouse with a more intimate love than you love your family or your friends. The heart is much more personal than an object such as a mailbox, but there are some interesting similarities in how your lives are affected by each. Every time that you pray to Me, you are sending Me a spiritual love letter which I am always eager to hear."

Jesus said: "My people, some people have to see things for themselves to believe something. Even My apostles did not at first want to believe the women at the tomb or the disciples on the road to Emmaus that I had resurrected. So when St. Thomas did not see Me the first time, this human need to examine My appearance was still causing his doubt. Once I appeared when St. Thomas was there, this is why I wanted him to feel My wounds so he could see that I was flesh and blood. Then I emphasized it to St. Thomas to believe in My Resurrection and take away his doubt. This account in the Scriptures is also more proof to any non-believers that truly I died and was resurrected from the dead. This victory over sin and death should be

the core of your faith to believe in My words that I truly am the Son of God incarnated as a man. I said to My apostles: 'You have believed because you have seen Me, but blessed are those who have not seen Me, and yet they still believe that I was resurrected.' This is why it is important for My faithful to evangelize souls, so others can hear and believe in Me, and they can have eternal life in heaven and be saved from hell."
(Divine Mercy Sunday) Jesus said: "My people, you have prepared for this day of Mercy Sunday by your Novena of prayers, your Divine Mercy chaplet at 3:00 p.m., your Confession, and your Mass and Holy Communion. By following this instruction of St. Faustina, you can have the reparation due for your sins forgiven and My mercy free you of this burden. Look upon My Divine Mercy Image as you pray your chaplet and My graces and mercy will fall upon you. This vision of My Blessed Sacrament in the monstrance is another source of My graces and My mercy as the rays are shining forth from My consecrated Host. My gift of My Real Presence is a comfort to My people wherever you visit Me in Adoration either in My monstrance or in My tabernacle. Rejoice in My Easter celebration and in giving Me praise and glory in My Eucharist."

Jesus said: "My people, at times life requires you to struggle and work hard to make a living. At other times you are overwhelmed by so much to do, that it may seem hard to accomplish what is expected of you. In life and in your spiritual life you need to have a purpose and a direction for what you are to do. This is when you need to come to Me in prayer so I can calm you down and focus you more on what I want you to accomplish than on the earthly desires that you want to do. Once you have the grace of the Holy Spirit directing you, it will be like the apostles and how they were inspired by the gifts of the Holy

Spirit. Put aside any lazy feelings and be ready to get down to some meaningful work. Put your mind and body in motion, and by My grace you will accomplish great works for My glory. When you do things out of love for Me and your neighbor, great things can happen."
Jesus said: "My people, many countries are looking for cheap energy that does not require burning fossil fuels or natural gas. Some are exploring wind turbines and more efficient solar panels or mirrors. It is more efficient to use dropping water for powering turbines, but there also could be some use in moving water or places with high tides. Some investigation would be needed to see what return could be had for such power, but it would be a continuous free source of movement that could be harnessed. Renewable energy sources from plants and trees would be better than burning oil and coal for the long term. Any oil or ethanol production from plants should not be using food as the actual corn or grains. Such things could be made from organic wastes or the left overs from harvests. There are many sources of energy that man could make profitable with a reasonable amount of research and investment. By using such means for energy, you could lessen your reliance on foreign fuels. This could also help poor nations survive as well."

Tuesday, April 13, 2010: (St. Martin)

April 13, 2010
Jesus said: "My people, in the Gospel I was explaining what 'born again' or 'born from above' meant to Nicodemus. (John 3:3-16) At Baptism you are joined in faith with My believers, but normally as an infant you have godparents speak for you. At some time in your life you must realize that you cannot do everything on your own, but you can only succeed with My help. This is when you need to make a full commitment to loving Me and let Me be the Master over your life. This loving faith commitment is when you establish a love relationship with Me every day in your prayers. The vision of Moses

lifting up the bronze serpent is similar to My being lifted up on the cross as a blood sacrifice for all of your sins. Now, you can look upon Me and be healed spiritually when you ask My forgiveness of your sins. These are the two requirements for entering into heaven-be sorry for your sins in repentance, and to accept Me as Master over your life."

Jesus said: "My people, the collapse of this train trestle represents the breakdown of America. Little by little the powers of the Congress are being usurped by the President and His Cabinet and Czars. Even the rights of the states and the individual freedoms are being taken away. But it is the flood of deficit spending that is caused by your wars and uncontrolled entitlements that are bringing your country's finances closer to bankruptcy. This latest Health Care spending Law could be the last straw to run your deficits beyond its financing. As foreign countries pull back on buying more of your Treasury Notes, it will be harder to find buyers of your bonds and the interest rates will be forced higher. Your current interest rates are being held at near zero which are supporting your banks and corporations, but are keeping your savers from making a fair return. With the people having high unemployment and less taxes coming in, you cannot support wars and high entitlements at the same time. This coming bankruptcy of America is a result of your greed and your sins of abortion. It is a part of a plan by the one world people to take over your country and make it a part of the North American Union. As this takeover is brought about, you will be called to seek My refuges for food and protection. Pray that all of your family members can be joined together after the Warning, so their souls can be saved."

Wednesday, April 14, 2010: (Lynn Holt's Funeral Mass)

April 14, 2010

Jesus said: "My people, around Easter time it is appropriate that the family chose the Gospel Reading of My walk to Emmaus with My

disciples. (Luke 24:13-35) This was one of My first appearances after seeing Mary at the tomb. I explained the Scriptures to My disciples so they understood why I had to suffer to bring salvation to everyone. It is also appropriate to be talking about My Resurrection since after death, all of My faithful are promised to be with Me in heaven, and at the final judgment, My faithful will be resurrected with their bodies. It is interesting that Lynn loved fishing so much because many of My apostles were fishermen. Even in the vision I was walking with Lynn and sharing some of My fish stories with him. Of course My stories were more about miraculous catches and the multiplication of the fish and the bread. We were also on a walk to heaven instead of to Emmaus. Lynn suffered his purgatory here on earth in his last few years. He is watching out for his family, and he will be praying for all of them out of love for them."

Wednesday, April 14, 2010:
Jesus said: "My people, this vision of people waiting for a subway ride represents the time needed to get out of purgatory. Depending on the destination and how frequently the trains run, the time of waiting could be either short or long. The amount of prayers and Masses said for someone could also shorten this time. You just had your opportunity to have all of your sins forgiven by My Divine Mercy devotion which is like a plenary indulgence which removes reparation due for your sins. If you do your Divine Mercy devotion every year, you will have a shorter time in purgatory than if you did not do this

devotion. Have mercy on the souls in purgatory by praying for them and having Masses said for them. Especially remember to pray for your own family members who still may be in purgatory. Those, who are in purgatory and are receiving your prayers, can pray for you in return. You will rejoice once you have been purified enough to come to heaven. This is your desire to be with Me forever in heaven."

Thursday, April 15, 2010:
Jesus said: "My people, as spring sends forth new life in all of the beautiful flowers, so there is also new life coming to you in the glory of My Easter celebration. In the spring you are happy to see the warmer temperatures to replace the cold, and the blossoming trees and flowers to replace the dull look of dormant vegetation. There is a beauty in the spiritual world as well, as you see My sun shining down My heavenly graces on everyone. In the Gospel it speaks of how I do not ration My blessings, but I give them freely because of My unconditional love for all souls. This is why I want all souls to open their hearts to Me, so I can enter and share My love with you. In the first reading St. Peter is brave in speaking out to his persecutors in the Sanhedrin because they were trying to prevent him from speaking out in My Name. St. Peter said he would rather obey God in witnessing to My Resurrection than obey these men in keeping quiet. So it is with My faithful of today that you would rather obey God in evangelizing souls than listen to all of the political correctness of those led by Satan. Keep your faith alive and vibrant, and do not fall victim to becoming lukewarm in your love for Me."
Prayer group:
Jesus said: "My people, just as you use handrails to guide you safely down the stairs, so My angels will lead you with a flame of fire to the nearest refuge. On the way to My refuge the angels will also make

you invisible to those who will be searching for you. Your guardian angels have charge over watching out for your soul, and they will be leading you to a safe haven during the tribulation time. When I warn you that it is time to leave, pack up your short list of things to carry, and be prepared to leave your homes. Call on Me and I will have your guardian angels lead you."

Jesus said: "My people, as I told you before, events will be occurring one after another even as I speak. Major earthquakes are occurring in Haiti, Chile, Indonesia, Baja, Mexico, and now in China with many deaths from these disasters. Two volcanic eruptions have occurred in Iceland and the volcanic particles are causing many airports to close, since the planes would be risking jet engine damage. This closure could last for weeks. See these incidents as continuing signs of the end times."

Jesus said: "My people, many of your people are concerned about the new changes that will be implemented in this new Health Law. The reading of the law is showing up problems that were not made clear before the final vote was taken. Politicians are very quiet, but the opposition is growing daily. Implementing a chip in the body for having the public option Health Plan is the beginning move to control people's minds without them knowing the dangers. I have given many messages warning everyone not to take chips in the body, even if they threaten to kill you if you refuse. Even if you have to go without Health care or you cannot buy and sell, do not take this chip in the body because this will be your time to leave for My refuge where you will be healed by looking on My luminous cross or drinking from the healing spring water."

Jesus said: "My people, this new ID Health chip will be used to buy and sell later, making it required to board planes and other means of travel just as you use your driver's license today. Chips are not needed for buying and selling, or acquiring Health care, but this is the one world people's plan to control your minds like robots so you can become their slaves. Mandatory chips in the body are the next logical

step after the authorities have demanded chips in your driver's license and chips in your passport. I told you before when chips in the body become mandatory, this is one of the conditions that you will then need to leave your homes and follow My angels to the nearest refuge. Do not fear because I will protect you."

Jesus said: "My people, many groups are starting to complain that current spending plans are creating more debt than your people can afford. Once people realize that high debt levels threaten your currency and possible bankruptcy, then there will be an outcry to balance the budget with controls on spending and reasonable tax levels. More taxes are not the answer, but your government needs to live within its means as your states are forced to do. When the viability of entitlement funding is threatened, then cutbacks will be necessary across all spending. This could create riots and physical protests that could threaten a military takeover. Pray for some proper compromises that will stop your bankruptcy."

Jesus said: "My people, many are hurting from unemployment and the possibility that these funds will not last much longer. It is impossible to keep mounting more debts so people can get paid for not working. Many states are going bankrupt because employers are not supporting unemployment insurance. The economy is improving, but jobs are still a problem. Employers would be better off hiring more workers to do actual work than paying people not to work. When states run out of money, you will see cuts especially in the schools and other payments. Pray for a solution to your current financial dilemma."

Jesus said: "My people, it is hard for people to find a compromise solution for all of your problems. This is why you need to call on My help to find the best use of what finances are available. It is hard for some to shoulder all the hardships of living while others are living an expensive lifestyle. Pray that clear heads will prevail over special interests so the general people can make a living. I feel the pain of those who are hurting, and those who are well off could help the people in hard times."

Friday, April 16, 2010:
Jesus said: "My people, this vision of watering the lawn reminds you of the waters of Baptism which are associated with My Easter message. Many people, that are brought into the Church, are baptized at the Easter Vigil. Adam's sin caused everyone to inherit original sin as a consequence of his disobedience to God. But it was My death on the cross that now gives you Baptism to take away original sin and your actual sins are forgiven in Confession. I paid the price for your sins, and now heaven is open to those who are purified and believe in Me. In the first reading Gamaliel (Acts 5:34-39) prevailed on the Sanhedrin to not kill St. Peter and St. John, but they were flogged as punishment for speaking in My Name. My disciples were rejoicing that they were worthy to suffer for spreading My Gospel message. Even though they were threatened, they still kept preaching My words to the people. This was the beginning of many who would be persecuted and even martyred for speaking in My Name, and not giving up their faith in Me. My faithful also need to be strong in their faith, and stand up for what I taught, even against public pressure. Throughout history I have stood by My Church and the gates of hell have not prevailed against it."
Jesus said: "My people, not everyone, that I called to make a refuge, has answered My call, but those, who have, are doing a good job. I thank all of My faithful who have said 'yes' and are preparing to house the many that I will send to My refuges. Building refuges, storing food, and getting bedding supplies and fuel are not easy to provide. Once My people come to My refuges, My angels will help build any needed dwellings, and they will provide protection and multiply the food and water. Many miracles of My grace will be needed to provide for the needs of the people at My refuges. The luminous cross in the sky will provide healing by looking upon it. The

evil one world people will try to kill My faithful, but those at My refuges will be made invisible to them. You will need to endure the trials of the coming tribulation, but be ready to leave for My refuges once I warn you."

Jesus said: "My people, today's Gospel from (John 6:16-21) is about My walking on the water to My apostles, but the vision is from (Matt. 14:22-33) which is in more detail of this miracle. There was a storm around My apostles in the boat that made them fearful. When they saw Me walking on the water, they were awed at this sight and even thought that I was a ghost. St. Peter was anxious to greet Me and he also came to Me walking on the water, but when he saw the stormy seas, he became fearful and started sinking into the water. At that point he called on Me to save him and I lifted him into the boat, and I quieted the seas. Once I was in the boat they truly admitted that I was the Son of God, as no mere man could walk on water and calm the seas. This was a faith experience for St. Peter as I asked him why did he falter in his faith because that is when he began sinking. So it is with My faithful when you are amidst troubles that seem impossible to overcome. Call on Me in faith and I will help you to resolve your problems, because nothing is impossible for Me."
Jesus said: "My people, I have shown you circling things before in your visions to indicate that the message was in reference to the Warning. You were wondering what is different about today's message. The Warning is a life review that everyone will have outside of time in My normal unchanging time. You will also be outside of your body. You will view all of your life's actions both good and bad with an emphasis on your unforgiven sins and sins of omission. You

can remember back about some of your life's experiences. The difference in My Warning for you is that you will be viewing every action in a spiritual context of what was right or wrong, and you will have My judgment of it. There will be no doubt that you will know in your mind why any bad action was wrong. Then you will have to accept My judgment of your actions as to where you would go if you were to die just then. Once you realize where your actions are sending you, you could have a new outlook on life when you return to your body. Many will seek to go to Confession and be willing to be converted to faith in Me. My faithful will need to be ready to evangelize as many souls as you can quickly because soon people will forget that this has happened. My Warning is an outreach to all sinners and it is part of My Divine Mercy wish to save every soul possible. I realize some people after the Warning will still refuse to believe in Me, but you must still pray for them and evangelize them the best that you can."

Jesus said: "My people, in today's Gospel I was asking everyone to love Me three times and not just St.Peter. These three times were in answer to the three times that St. Peter denied Me, but how many times have all sinners denied Me in their sins? In a way I was hearing St. Peter's Confession, even as you pray your Act of Contrition for your sins. So when I asked St. Peter to follow Me in love, I am also asking everyone to follow Me in love as well. If you truly love Me, you should be willing to give Me more of your time to do what I want you to do. In the vision I am showing you that you are carrying a lot of baggage in all of the earthly things that you find desirable. But if you spend most of your time on pleasing your senses and doing your

things, then you are not leaving much time for My things which are of greater value for your soul. So I am asking you to look at your everyday life's activities and see which ones that you could eliminate so you would have more time for prayer and to help others. By doing more things out of love for Me and your neighbor, then you will avoid using your time to only please yourself."

Jesus said: "My people, this dark cloud in the vision is not only about the current volcano erupting in Iceland, but there are even more events coming. With this cloud and any future volcanic eruptions, they could cause a cooling effect on your weather as it blocks the sunlight. Such a temporary trend could cause ice flows to build up instead of any melting. In the immediate area the dust and ash could ruin farms until vegetation returns. I have given you warnings before for the potential volcanoes along the West coast and even Yellowstone that could be triggered by continuing earthquake activity. Many deadly disasters have occurred in the last year and do not be surprised if this activity continues. In recent years you have seen activity in unpopulated regions, but when this activity increases in populated areas, then more deaths will occur and people will take notice. Pray for the victims of these disasters that they will receive enough aid for food and shelter."
Jesus said: "My people, the latest investigations of some of your hedge fund investment houses has shown fraud that caused the banking failure in the first place. One group established derivatives based on sub-prime loans that had a good chance to fail, while another group from the same investment house took out insurance hedging against its failure without telling the investors. This is why the one world people supported the AIG bailout with billions of taxpayer

dollars because they held the insurance to make the hedge funds billions of dollars as the investors lost nearly everything. This shows you that the manipulators on Wall Street were shorting stocks to steal the investors money. The other manipulation is that your government is run by the one world people, and their intention is to spend your country into so much debt that you will become bankrupt so they can take over America. This is occurring with bailouts of the banks, car makers, house mortgages, and now control of the Health industry. Stimulus spending, future bank controls, cap and trade, and VAT taxes are the next spending plans of America into bankruptcy. Your National Debt cannot afford your entitlements, let alone your new spending plans. When you see the one world people plan for a takeover of America, now you see what these evil ones are planning and why spending is purposely out of control. The only way to try and thwart this bankruptcy is to put hard reins on any spending within the limits of your present income. Budgets for your National Government need to be balanced, no matter how many cuts are needed to make it happen, or the one world people will take you over. Barring some miracle of the people revolting, you are headed to be joined into the North American Union with no individual rights. This takeover of America will be another reason to leave for My refuges for protection from these evil ones."

Jesus said: "My people, there is truly a link with the outdoors and the 'Bread of Life'. It starts with Moses and the Exodus which was outside in the desert. It is on the ground that the Israelites had to collect the manna which was their bread, and they ate the quail at night for meat. Even when I was on the earth, I multiplied the bread and fish outdoors for the 5,000 and the 4,000. It was in the breaking of

the bread in Holy Communion that My disciples recognized Me. I am the 'Bread of Life' and he who eats My Body and drinks My Blood will have eternal life. At the Last Supper I instituted My Eucharist by changing bread and wine into My Body and Blood. At every Mass you can receive Me worthily in Holy Communion, and this is My gift of Myself to you. In another modern day Exodus at My refuges, you will again receive Me in Holy Communion outside. If you do not have a priest for Mass, My angels will bring you daily Communion so you can be protected and have Me present among you during the tribulation. Rejoice that I will not leave you as orphans."
Jesus said: "My people, in My Gospels you hear of Me as the 'Good Shepherd' who would die for his flock. The hired hand would run off at danger because he did not care for the sheep as I would. Sheep are docile and willing to follow the voice of the shepherd. The goats are more independent and need to be herded more than the sheep. In the Gospel the separation of the sheep from the goats represents the separation of My faithful from the evil ones. (Matt. 25:32-33) When I return to the earth, I will be judging souls based on their actions and how much they loved Me. Keep the faith through all of your trials during the tribulation and you will find your reward in heaven."

Wednesday, April 21, 2010: (St. Anselm)
Jesus said: "My people, during the Mass you honor My coming down into the bread and wine as it is changed into My Body and Blood by ringing the bells three times. The bells not only alert the people to the Consecration time, but they also celebrate My Real Presence. The same can be said with the bells ringing in the bell tower of the vision. This not only alerts people to the time of Mass, but it is a celebration of My Easter Resurrection and My victory over sin and death. The Resurrection is a key part of your faith in Me because it gives you

hope that after this life of sorrows, there is a better life in heaven to be with Me for all eternity. I have shown you before how beautiful and peaceful it is to be in My Presence in heaven. Knowing that this reward awaits you in heaven, this gives you an incentive to do all that you can to know, love, and serve Me on the earth in this life. This means not only following My Commandments out of love, but also doing good deeds for your neighbor whenever I give you the opportunity. You can even seek out ways to help charities with your time and money without being asked. By loving Me and your neighbor, you are preparing to share an eternity of love with Me in heaven."
Jesus said: "My people, this vision of diesel horns blowing all at once is a sign that something significant is about to happen to your country. It is most likely that it will happen this year. It will be a combination of a bad economy, military problems, and natural disasters. Many of these situations are accidents waiting to happen. Those, who are in control of your country, are misleading you into bad decisions and your sins are getting worse each year. Your sexual sins and abortions are not decreasing, and your punishment for not changing is slowly reaching a point of no return. I have warned you to get stocked up on food, water, and have your backpacks ready to leave for your refuges. This message of refuge readiness will be needed when these coming events will necessitate your leaving so you can be protected at My refuges. You will have to leave in a short time from when I will warn you. Trust in Me to protect you through this time of tribulation."

Jesus said: "My people, this vision was a miraculous Baptism for this Ethiopian eunuch. St. Philip explained to him that the passage from Isaiah (Is 53:7) which the eunuch was reading, referred to Me and

how I died for everyone's sins and took away original sin with Baptism. This is why the eunuch requested to be baptized, but after the Baptism, St. Philip disappeared from the eunuch's eyes. (Acts 8:26-40) The Gospel reading speaks more about Me being the 'Bread of Life' in My Eucharist. St. John the Evangelist focuses on My Divinity and on My Real Presence in My Blessed Sacrament. Whoever eats My consecrated Bread will never die spiritually. This is a consolation for My faithful that even if your body dies, your soul lives on forever because it is immortal. Those, who are faithful and repent of their sins, will be with Me forever in heaven."

Sam's Mass (a prayer group member): Sam said: "I am thankful that my family and friends were able to be at my Mass intention. I thank those who are praying for me and for your Mass intentions. As a result of this brain cancer experience, I grew closer to God and I thank Jesus for helping me. I am also grateful for inviting me to your prayer group and praying over me. Our Lord is taking care of me without pain, and I am finally at peace."

Prayer Group:

Jesus said: "My people, I have been telling you about the mandated microchips that will need to be implanted in the body in order for someone to receive any new Health insurance. This chip will become your new National ID that will be needed to fly on planes and eventually for all buying and selling. This chip to be implanted will be a larger GPS chip that will eventually be used to track people by cell towers and by satellite. This is all about controlling your mind and tracking your whereabouts."

Jesus said: "My people, after your major earthquakes now you are seeing a major volcanic explosion that is still pouring ash into the European airplane routes. For several days planes did not want to risk flying through the ash and small sand particles. The flow into the sky is slowing, but there is still concern that it could trigger a close-by volcano. This is creating a financial loss to the area and it is affecting the farmland. Pray for the people physically and for help to get to their

destinations."
Jesus said: "My people, this is another explosion that has possibly killed some workers and the fire is spreading smoke for miles. As this rig fell into the water, there is a strong chance that oil pollution could present problems to the environment. Pray that this leak could be brought under control. This accident came right as plans were being made for more drilling sites."
Jesus said: "My people, I have warned you a while back that events would be happening one after another even as you are seeing this prophecy being fulfilled. On top of your natural disasters going on, you are seeing many earth-shaking new legislation coming out of your Congress that continues to strain your National Debt and brings you closer to bankruptcy. Even though some want restraints on spending and taxes, the party in control is pushing for more spending and more taxes. Pray for a compromise so your people can live in peace."
Jesus said: "My people, there is some concern that enough weapon's grade uranium could come into bomb making amounts for terrorist groups. Proliferation of nuclear weapons could intensify strained relations between terrorist groups and the Wester democracies. This could create a potential for a limited nuclear exchange that could threaten the earth's environment. Pray that such wars could be prevented."
Jesus said: "My people, there have been many financial disasters that were created by greed and fraud in your banking system. Attempts to fix such 'too big to fail' firms and a consumer regulating group could cause more problems in trying to correct the unregulated derivatives and hedge funds. Fixing the environment is being based on a global warming plan that is scientifically challenged. Cap and trade taxes again could cause more problems with your factories and it adds more government controls. Pray again for what is best for the people and not just for the rich."
Jesus said: "My people, My Church has been under considerable attack for allowing priests that committed pedophile acts on young

boys to go unpunished. Some of these crimes should have been turned over to the police instead of just moving these priests to another area. Unfortunately, laws and circumstances have changed over the years, that have allowed lawyers to make obscene profits. Even though this is a bad situation, My Church is being singled out for attack worse than any other denomination or religion. Pray that these problems can be worked out in a fair way for all parties involved."

May 2, 2010
Friday, April 23, 2010: (St. George)
Jesus said: "My people, not everyone has a conversion experience as Saul was changed to St. Paul when he was knocked off of his horse and I spoke to him plainly for everyone to hear. This miraculous conversion was complete with a healing of his temporary blindness. To change a vigorous persecutor of the faith into one of My greatest missionaries of the Gentiles is another sign to you that with Me, all things are possible. Be grateful to God if you have received the gift of faith and you are practicing your belief. In essence everyone, who converts to a belief in Me, is receiving a miracle of faith in their gift. Those, who fully believe in Me and repent of their sins, are promised eternal salvation with Me in heaven. Faith needs to be nourished daily with prayer to Me and if possible with your daily bread in daily Mass and Communion. Faith is not static, but it needs to be active and led by the Holy Spirit to grow. Faith is a love for Me so deep that you want to share it with others by your evangelization efforts. By imitating My life and that of St. Paul, you will be inspired to live a fruitful Christian life of love."
Jesus said: "My people, in this vision I am showing you the power of My Blessed Sacrament when you come to give Me honor and glory in Adoration of My sacramental Presence in My Eucharist. I encourage everyone to come and visit Me whenever you make time for Me in

your quiet time of contemplative prayer. You believe in faith that I am truly before you in My Real Presence. When you need to determine My discernment of what you should be doing, make a point to come before My Blessed Sacrament, and I will show you the way that is best for your soul. This is how I lead you by encouraging you to imitate My life of peace and humility. If you have Me with you, then who could be against you? I give you the strength to accomplish your mission in your daily activities. Call on Me in your morning prayers to guide you, and call on Me in your evening prayers to contemplate on what you have done for the day. By meditating on the day's activities, you can see any errors in your actions and learn from your mistakes. Be willing to accept any correction that you need in your life to perfect your ways which will bring you closer to Me. I love all of you, and I want to keep you on the right path to heaven. By a prayerful life and the use of My sacraments, you can be directed in a holy life to love Me and your neighbor in all of your actions. Go and evangelize souls by sharing your faith and love of Me."

Regarding if St. Edward's is a refuge: Jesus said: "My people, I do not force Myself on anyone, so if someone truly discerns in prayer that they wish to have a refuge, then I will accommodate that person in their 'yes' to this work. On a church property this land has already been consecrated. All refuges eventually need to have an independent source of water, whether it be a well, a pond, or other body of water. If there is no such source, I will have My angels produce a water flow just as at Lourdes, France. There should be some buildings for shelter that could be multiplied later for people to stay. There also should be some storage of food supplies that could also later be multiplied. I will bring deer to the refuge for meat and My angels will lead people to this refuge. Over all refuges I will place My luminous cross for people to be healed by looking on it. As My chosen ones lead My people, there will be many gifts of healing bestowed on them in the end days. Trust in My angels helping anyone who agrees to have one of My refuges. I thank and bless all of them."

Saturday, April 24, 2010:
Jesus said: "My people, My love is overflowing as in the vision where you are seeing how I bless you with My Body and Blood. My saving Blood flows over everyone. It is you who need to believe in My Real Presence and receive Me in Holy Communion without mortal sin. My disciples had difficulty in understanding how I could give them My Body to eat and My Blood to drink. When the priest consecrates the bread and wine, I transubstantiate these physical species into My true Body and Blood. The physical appearance remains, but it is My Real Presence just the same. Even though this Real Presence must be believed in faith, it is how I am always present with you in My Blessed Sacrament. Just as it was difficult for My followers to believe in My Real Presence then, even today it is also difficult for some to believe in this truth. But this is why I ask you to visit Me in My tabernacle so you can praise and adore Me as I talk to your heart. When you receive Me in Holy Communion, I come into your heart and soul and you can share a few moments intimately with Me in My love. I am your daily Bread and he who eats My Body under the appearance of bread, and drinks My Blood under the appearance of wine, will receive eternal life. Even angels cannot receive Me, but you are allowed to receive Me in Holy Communion. This gift of Myself to you is the greatest gift that I can share with you. When you receive Me, you also receive God the Father and God the Holy Spirit as well. Rejoice in My Eucharist because you receive My grace which cures all of the damage done by your sins."
Jesus said: "My people, when you see this concrete building cracking and disintegrating, this represents the faith of some people that is becoming lukewarm. Unless you feed and nourish your faith, it will

begin withering away without daily prayer. Pray for all sinners so they can stay strong in their faith. If you become spiritually lazy, then you will stop going to Sunday Mass and forget your prayers. Your faith has to be vibrant and spiritually inspired, or the evil one will lead you astray with worldly distractions."

May 2, 2010
Sunday, April 25, 2010:
Jesus said: "My people, today's Gospel speaks of Me as the Good Shepherd and every time you visit My Blessed Sacrament or receive Me in Holy Communion, you are having My graces rain down on you, as you see in the vision and as the rain falls on you today outside. You have been reading many passages from St. John that explains the gift of My Real Presence in My Eucharist. This belief of faith, that I am truly with you in Holy Communion, is a sharing of My Communion of Saints and it is your closest taste of heaven on earth. During this time after Communion you are intimately united with Me in your heart and soul. This is when I comfort you in your troubles and I give you direction for how you can serve Me. The most beautiful way of serving Me is sharing your love for Me with others in your evangelization efforts. Bringing My Word of faith to others is a deep desire in your soul to try and save as many souls for Me as you can. Satan is always in a battle with Me for souls and saving souls from hell should be everyone's work that believes in Me. Pray for conversions, for sinners, for priests, and for priestly vocations. You all need religious leaders and you need to help them in their work in your parishes and in your dioceses."

Monday, April 26, 2010:
Jesus said: “My people, I am a God of love and mercy as you know, but I am also a God of justice. You know how much I want you to love Me and love your neighbor as yourself. I also desire you to obey My Commandments of love as a direction for your life. You are all My creations as you all have a mission that I give to each of you. You cannot accomplish your mission unless you give your complete will over to My Will. You are placed here on earth to know, love, and serve Me. You see all the plants and animals that are in obedience to My ways. I have made man into My own Image in that I have given you free will to choose to love Me or not. I know you are weak by Adam’s sin, but I give you My sacraments to give you strength against committing sin that offends Me. At the end of this life, you will face My judgment of your actions. Those, who are faithful to Me, have nothing to fear. You may suffer some purification with fire in purgatory, but one day you will be with Me in the glory of heaven. Those, who refuse to love Me and refuse to obey My Commandments, are calling on My justice and these souls could suffer the flames of hell for all eternity. These souls will never see My face again, and their torments will never end. As you see these souls suffering in the flames of hell, let this be a lesson to you so you will be led to save as many souls as possible from this fate. Pray for all sinners and all the souls suffering in purgatory.”
Jesus said: “My people, you can ask any of My saintly people to be an intercessor for your family’s intentions. I hear all of your prayers through any intercessor that you choose. Many times there are serious sicknesses in your family, and you can turn to Me and My intercessors for healing. You could even pray for your own discomforts to be healed. Some healings require more prayers than others. When you pray for a healing, pray for both a spiritual conversion and a physical healing. Where there is a spiritual conversion required, it is more difficult to change someone’s free will. You know that I do not force

anything on your free will. In order for people to be converted, it must be their own choice to truly love Me. This is why you need to keep praying for your relatives that My Most Precious Blood can be poured over them to change their hearts so they can be predisposed to My love. By your persistent prayer, your family can be saved."

Tuesday, April 27, 2010:
Jesus said: "My people, you have an expression of 'walk a mile in my shoes' in order to really know a person. Truly I have revealed Myself to you in Holy Communion and in My Word of My Scriptures that was directed by the Holy Spirit. Once you intimately experience My love, you cannot contain My love only in yourself, but you feel that you have to share My love with others. I sent My apostles out two by two to evangelize the people with My message. You have been reading all the accounts in the 'Acts of the Apostles' of the many converts to the faith. I am sending all of My faithful out into your own surrounds so you can share My message of faith and love with new converts. You know how much you love Me and how I love you so much unconditionally. This gift of faith is why you want other souls to experience My love and understand My Word. Call on My Holy Spirit to give you the courage and strength to evangelize as many souls as you can to bring them to Me and help in saving them from hell and the demons."
Jesus said: "My people, you are aware that you are in the middle of a spiritual battle between good and evil. In every place that you travel, you should carry your spiritual weapons to fight off the demons. You should wear your brown scapular and follow the promises of My Blessed Mother to protect you from hell. Also carry your rosary and your Benedictine blessed crucifix with the exorcism medal of St. Benedict on the back of the cross. Also, blessed medals of St.

Michael, St. Benedict, and the Miraculous Medal could be placed in the rooms of your house for demon protection. Some people sprinkle blessed salt or holy water where they live or where their loved ones live. You can also use these weapons in places where you speak or where religious classes are given. You have various exorcism prayers and your St. Michael prayer to help you if you are being attacked by demons. Call on Me and My angels to protect you in these attacks and especially invoke My Name 'Jesus' against them."

Wednesday, April 28, 2010:
Jesus said: "My people, you are seeing all of the beautiful spring flowers blooming in your gardens. You also are celebrating the Easter Season and you are My Easter people. This vision of blooming flowers in the pews represents My faithful in the pews when you shine forth with your spiritual works of mercy. You all have the gifts of faith from the Holy Spirit, and you all are called forth to bear fruit in your actions. A flower blooms and it is fulfilling what it is created to do. My people also have a mission to save souls and help people. Doing these good works is what you were created to do as well. You see all of creation and how everything obeys My Will in their purpose of why things and animals were made. See also that My people also need to give their wills over to Me so they can conform to My plan for their lives. This time of Easter is a joyous celebration and you all are giving Me praise and glory for My gift in My death and Resurrection."
Jesus said: "My people, at times you are troubled in your thoughts about what to expect in life. Even some people allow difficulties in life to draw them into states of depression. Yet when you pray to Me for help and when you come before Me in My tabernacle, I can comfort you in My arms, and you feel loved in My Presence. You have times of joy and times of sorrow when people die or have life

threatening diseases or cancer. You need to rely on your daily prayers to lift you out of any depression, and seek My love to comfort you. You always have a friend in Me at your side when you need Me. Those, who are faithful to Me in this life, have My promise of eternal life in heaven. So do not have any fear of things in the future because I always give you enough grace to overcome any of your difficulties. When you are next to a warm fire in your house, or a warm heater in your car, you enjoy the comfort of that warmth. When you are close to Me, you have a spiritual warmth in your heart that gives you comfort to endure anything. Trust in Me that I will take care of you in all of your needs."

May 12, 2010

Thursday, April 29, 2010: (St. Catherine of Sienna)

Jesus said: "My people, in the spring you see many beautiful flowers and these flowers perform a beautiful function in nature. They are a pleasure for viewing, but they also provide a means for developing your crops. The bees, that you are also seeing in the vision, not only are making honey, but they also fertilize nearly one-third of all of your crops that have flowers. This is why shortages of bee colonies have become a serious problem for your farmers and those with orchards. When man changes your plants by hybrids, you are interfering with nature in not making good seeds and upsetting this fertilization process. This changes your food and can cause more cancer and other diseases. It is better to use organic and non-hybrid crops to keep My balance of nature. In the spiritual world it is My grace that fertilizes your souls so you can be fruitful in your good deeds. Even when I directed man to be fruitful and multiply with future generations, I also want you to multiply your good deeds so others can see and imitate your good works. Strive to work in harmony with My Will both in your physical world and in your spiritual lives."

Prayer Group:
Jesus said: “My people, when Rome was attacked, the Holy Father had to flee. Then there were three claims to be Pope, and it was St. Catherine the Great who brought the true Pope to be established in Rome. The other antipopes had to leave. St. Catherine helped guide the Church with her writings and she became one of the few women doctors of the Church. Give thanks for her life and her contributions to the Church.”
Jesus said: “My people, no matter how many spring seasons that you experience, the beauty of My flowers of creation are still breath-taking. Even as a photographer, you are awed by this beauty every year. Continue to give Me praise and glory in every part of My creation that you admire. By sharing your pictures and movies, others can appreciate what you see each year.”
Jesus said: “My people, you are never lacking in prayer petitions because you are seeing many people die from various causes, and others are sick and in need of operations. Pray for these people who are having a hard time to bear with this life. I never test you beyond what you can endure, because I give you enough grace to get through each trial.”
Jesus said: “My people, those, who are sleep deprived because they went to bed too late, will have to pay for this the next day when it is difficult to do everything with strength. Sometimes people also get lazy or sleepy in their spiritual lives as well. You can get repetitious even in your prayer life. But when you skip your prayers and stop going to Sunday Mass, you can grow weak in standing up to temptations to sin. This is why you need retreats or new experiences to invigorate your faith. Pray for My help that you do not fall lax in your religious fervor.”
Jesus said: “My people, as you struggle to evangelize souls, you need to be well read in your Scriptures and be ready to answer people’s questions. As you teach your faith to others, you are learning as well how much I love you and those that you are trying to convert. It takes

courage in your faith to go out and preach My Word to the people. One thing, that you need to watch, is that you practice what you preach, and let others see that you are living your faith in your actions."
Jesus said: "My people, some people have well manicured lawns, gardens, and their houses are immaculately clean. These people are very conscious of their outward appearances in dress and their cars. My question is how clean is their inside life in their souls? I criticized the Pharisees for having good outward appearances, but inside they were like dead men's bones. I make the outside as well as the inside, so be careful to go to frequent Confession so your souls are as pleasing to look at as the outside of your body."
Jesus said: "My people, many of your businesses are doing much better with their earnings because they have stripped themselves lean of some workers. Once they are doing better, it would help if they stopped being greedy for more profits and shared this money by hiring unemployed workers. Many corporations are benefitting from low interest loans and less taxes, yet they do not seem to want to share their earnings with the unemployed in their contributions to this worker insurance plan for the unemployed. Pray that as your economy picks up, that more people will find it easier to secure a job."

May 12, 2010
Friday, April 30, 2010: (St. Pius V)
Jesus said: "My people, in the Gospel of St. John I told My apostles that I was going to prepare a place for them. In My house in heaven there are many mansions for every soul that comes to heaven. When people die, many souls come to Me in judgment through this same tunnel. The vision of many lights means that a large number of souls will be coming to Me all at once when the great Warning experience comes to everyone on earth. This will be like a near death experience

because you will come to Me out of your body, outside of time. There will be no waiting, but you will see how your actions will be judged as if you died just then. Once you have your life review and mini-judgment, you will have My grace and My mercy to return to your bodies, and you will have an opportunity to repent and change your lives. Once you have this knowledge of your sins, you will be held more accountable for the rest of your life. This Warning will be a preparation for your final judgment and the tribulation. There will be a great need for priests for Confessions as you evangelize souls, and these souls will be more open to repentance. Then there will be no more questions of where they will be going."
(Camille's Mass) Camille said: "I was happy to see that you found out about my Mass today. You may have to check when these Mass intentions are being said. As you saw in the vision about the car, it was good that you got it fixed for inspection in order to sell it. I always had a problem with that engine light going on. I have been turning lights on and off, but that engine light was one to keep off. I am still changing lights to let you know that I am watching over all of you. Take good care of your mother, and tell her how I am looking out for her out of love."

Saturday, May 1, 2010

May 12, 2010
Saturday, May 1, 2010: (Justin's First Holy Communion-grandson) Jesus said: "My people, as you look upon these First Communicants in their white dresses, veils, and suits, you can see the sweet innocence of My little children. They are so anxious to receive Me for the first time, and some even go to daily Mass for a while because they are now a part of the whole Mass as they receive Communion with everyone. I have told you that you need to be humble and innocent as these small children if you want to enter into heaven. These children have blind faith in their parents and in Me, and that is

why your faith should be as strong as well, without any reservations. The beautiful gift, that you have in receiving Me in Holy Communion, is that each time you receive Me, you have a new and different experience of My love. No matter how many times that you receive Me in Holy Communion, you will always be learning something new about Me. My Real Presence in My Hosts is difficult to understand, but believe this in faith."
Jesus said: "My people, many think if they have enough money and places to live, that they are secure. Money can be stolen or devalued, and it is gone tomorrow. Some think they need to have a lot of gold and silver, or diamonds. These things keep their value, but they may be hard to barter with and again they are subject to theft. If you want to have something of value, it would be better to stock at least one year's supply of food in dried foods, meals ready to eat, or rotated canned foods. If necessary, I will multiply your food and extra fuel. You are most secure in trusting in Me to provide for your needs and your protection. Your money will soon become worthless in the next financial disaster that will change your dollar over to the North American Union's amero. When this happens, you will need to call on Me and I will have your angels lead you to the nearest refuge. Do not rely on your own security, but trust in Me always for everything."

Sunday, May 2, 2010

May 12, 2010
Sunday, May 2, 2010:
Jesus said: "My people, this vision of a heart is all about the unconditional love that I have for all of you, as evidenced when I died for you on the cross. No one can have a greater love for another than when one offers his or her life for that person. This Adoration of Me at Benediction is the love that I receive from you when you give Me praise and glory in My Real Presence. When you come before My tabernacle and genuflect before Me, you are giving reverence to your

God and Master. When you pray your rosaries for your intentions, you are speaking your words of love to Me. When you give donations or do good deeds for people, you are saying how much you love Me in your neighbor. You need to tell Me every day how much you love Me, as you know that I always love you, even despite your sinfulness." (Christ the King Shrine's Anniversary) Jesus said: "My people, I gave the keys of My Kingdom to St. Peter as the first Pope of My Church to be its leader. By My power I have guarded My Church from the gates of hell throughout the centuries. I am showing you this vision of My Pope son because I am calling on all of My faithful to pray for Pope Benedict XVI. He and My Church are being persecuted by your media. You need to support all of your Church leaders, but especially with this latest criticism. I also want My faithful here today to pray for the approval of this Shrine as many have worked for this cause and have been dedicated to this Shrine. I thank all of you for faithfully honoring this Shrine on this anniversary and for all of your prayers for your intentions. My Blessed Mother and I are blessing all of you this day. Thank you for all of the honoring of the statues and preparations that have been made here as well. Heaven is very happy with your work here."

Monday, May 3, 2010

May 12, 2010
Monday, May 3, 2010: (St. Philip and St. James)
Jesus said: "My people, this vision is giving attention to the importance of honoring My Blessed Sacrament and giving Me reverence because I am the One who makes your churches holy. I am reserved in the tabernacle for all of you to visit, and being in the middle of the altar is My proper place, and not hidden away in some back room. It is unfortunate that more Catholics do not fully recognize My Real Presence in every consecrated Host. It is also important to receive Me in Holy Communion without any mortal sin on your soul.

Your priest should encourage their people to go to frequent Confession at least once monthly so you can be prepared for your day of judgment. Your priests also need to encourage people to give Me reverence in genuflecting to My tabernacle and bowing before the priest before receiving My Eucharist. It is more reverent to receive Me in Holy Communion on the tongue than in the hand. I am sharing this idea of reverence for My Blessed Sacrament especially to train the young children, since many are receiving their First Holy Communion at this time of year."

Jesus said: "My people, many people require glasses either for distance vision or for reading up close. Glasses allow your eyes to have a better focus on what you are reading. In your spiritual life I have asked you to keep your focus on Me and what I want you to do, instead of looking for worldly things. At times you get detoured by your sinful desires, and you need to get your focus back by repenting of your sins in Confession. I know what is best for your soul, so following My ways will lead you on the right path to heaven. If you get taken up with various addictions, it is more difficult to get back to following Me. With addictions you need possible rehabilitation and avoiding the first temptation. Pray much for My grace to keep you on course and focused on Me, and you will have everything provided for you."

Tuesday, May 4, 2010

May 12, 2010

Tuesday, May 4, 2010:

Jesus said: "My people, painting a house is similar to how a soul can be converted. At first you clean and scrape the old paint from your house. This is equivalent to ridding your old habits of sin by avoiding occasions of sin and fighting temptations. Once the surface is prepared, then it is time to get out the paint, brushes, and ladders to

paint over the old surface. You can see how much better your house looks after it has been painted. So also once a soul has converted, now they are ready for the grace of Confession when all of their sins will be forgiven, and My grace will erase the darkness of sin. Receiving Me in Holy Communion will heal the soul of its sins and that soul will take on a new life in the Spirit that even can be seen in their physical appearance. Heaven rejoices every time that a soul goes through this conversion process. I am like the Prodigal Son's father waiting for every soul to return to Me for the forgiveness of their sins."
Jesus said: "My people, you have seen various terrorist attacks using planes, suicide bombers, and roadside bombs. This vision represents a different kind of spines as on sea mines. Just as mine fields are used in various battlefields, sea mines could be used in straights of water that are narrow as in the Persian Gulf and near the Suez and Panama Canals. This could disrupt much shipping, especially oil tankers. Terrorists could lay these mines at night and ships may be hard to see them, especially if they were partially submerged. Your security people have to be on constant alert for all the different ways that terrorists attack, as on a plane or with a car bomb. Pray that these terrorists can be stopped before they could kill many people."

Wednesday, May 5, 2010

May 12, 2010
Wednesday, May 5, 2010:
God the Father said: "I AM WHO AM. You have many Masses being offered, but where are the people to see this miracle of My Son, Jesus, being brought down into the bread and wine? It is unfortunate that those who proclaim to be Catholics are waning in their faith, as fewer are coming even to Sunday Mass. For the few that are here, I bring down My heavenly graces on them. My Son has told you that when you receive Him in Holy Communion, you also receive Me and God the Holy Spirit. I have given My Ten Commandments to Moses as

guidelines for living life for all peoples all over the world. I know that you are weak to sin, but living My Commandments is not a difficult way. Pray for protection from the evil one's temptations, and by My sacraments you will have the strength to endure your trials. Live life to the fullest for My greater glory, and choose life over the death of sin."
Jesus said: "My people, I have told you that there would be a frightful scene in the sky on the day of the Warning. This comet is truly on a near miss collision with the earth and it has already been detected by the Hubble Telescope. The media will not broadcast such a sighting until it is very close. This will come so fast that you will not track it very well. I have told you also that events are happening one after another, and that My Warning is not far off. All of these events will soon come together to prepare My people for the beginning of the tribulation as the Antichrist will declare himself. Be prepared to leave for My refuges as soon as I warn you to do so."

Thursday, May 6, 2010

May 12, 2010
Thursday, May 6, 2010:
Jesus said: "My people, it took some time, discussions, and discernment until My apostles could accept Gentiles into My Church. No longer did new converts have to follow all of the Jewish traditions. They still had to repent of their sins and follow My Ten Commandments of love, but not circumcision. I came to fulfill the Law and not to take anything away. But I also died for all of mankind so that everyone can be converted, no matter what their past religion or ethnic background is. Even the word 'Catholic' not only refers to My Church, but it means universal, meaning that anyone can join. The only basic requirements are to repent of their sins, accept Me as Master of their lives, and obey My Ten Commandments. You also have My sacraments which include confession of your sins to My

priests. The disciples, especially St. Paul, were happy to work in converting the Gentiles to the faith. Even today, I encourage My faithful to evangelize all souls without any discrimination. This is why I sent My apostles out to all the nations to evangelize souls for My Church."

Prayer Group:

Jesus said: "My people, at your prayer group you are very faithful in praying My Divine Mercy chaplet. You are familiar with the graces from My Divine Mercy devotions. You also have St. Faustina's Diary and you have read the promises for those who pray in the presence of My image. It would be good for you to acquire a reasonable sized picture for display at your prayer group and in your home. You remember how Stanley had such a picture in his ministry. Also reread to the people the graces for praying in front of My image."

Jesus said: "My people, I know that some of you come to daily Mass and even a few make daily visits to My tabernacle. I thank you for all of your devotions, but I desire you to pray your rosaries with more fervor and not just worked in simultaneous with your other duties. If you are to pray to Me from the heart, as I requested, then you need to have your full attention on Me in a prayerful position as on your knees. It is more important to pray with fervor and slowly than to just say the words in haste. Remember that when you are praying to Me, you are giving Me your words of love."

Jesus said: "My people, you know from your trips to Medugorje that My Blessed Mother has requested fasting on Wednesday and Friday. You have made attempts to follow this request, but over the years you have been a little lax in a true fast. Even fasting between meals without eating sweets would be a good start with only one main meal. I am reminding you of these things that I taught you, and it would be a good practice to return to your initial fervor."

Jesus said: "My people, when you make some time to pray to Me, especially in front of My tabernacle, make a point to alternate between your Bible and the Liturgy of the Hours. Remember also to take 5 or

10 minutes of silence in your contemplative prayer so I can talk to your heart. If you are to strive to be holy, you need to read My Word and listen to My personal instruction for each of your missions."
Jesus said: "My people, during Lent you all were doing well with your Lenten devotions. You can help your spiritual life by using some of these devotions throughout the whole year. On Friday you should pray My Stations of the Cross or My Pieta prayers to St. Bridget. Make an emphasis on your morning and night prayers. Maybe reading your Imitations of Christ for a few pages would be helpful. I know that you have other obligations, but if you try, you can make more time for Me every day without doing things that waste your precious time on earth."
Jesus said: "My people, you all are going to have a life review at death and hopefully if you live to see My Warning. You can take stock of your daily life right now and see how much time that you give Me each day. If you start adding these extra devotions to your day, even for a short time, then you will not be embarrassed when I review each day with you. The closer you are to Me in your spiritual life, the easier it will go for you at your judgment. Keep focused on Me and you will be better able to fight off the temptations of the devil."
Jesus said: "My people, during Lent you formed some good prayerful habits and I have reminded you several times that you could do these things the year round. Think of your whole life as on a pilgrimage to your eternal destination. In other words you will be judged on your actions during Lent as well as during the rest of the year. This is why you need to keep your guard up against sin at all times. It also means that you should cleanse your soul regularly at least monthly at Confession, and not just when you commit a mortal sin. By keeping your soul pure, you will always be ready to meet Me at your judgment."

Friday, May 7, 2010: (Eleanor Schultz Funeral Mass)
Jesus said: “My people, I am showing you a beautiful picture of heaven because eternal life with Me should be the goal of every soul. Everything, that you do in life, should be done out of love for Me and love for your neighbor. When you have a life dedicated to Me, I am showing you your eventual reward in heaven. Some souls need to spend some time being purified in purgatory before they are allowed through the gates of heaven. You all have access to My Word in the Bible, so you know what is expected of you in this life. You have free will to follow Me or not, but your decision has its consequences. All of My faithful should be giving Me worship and praise every Sunday at Mass along with your daily prayers. The closer you are to Me, that will mean less time in purgatory. I am accepting your prayers and Masses to bring Ellie into heaven.”

Saturday, May 8, 2010:
Jesus said: “My people, this rotating tunnel is another view of the tunnel that you will be coming through to see Me both at your death and at the Warning. The Warning will come first, but the vision of a wedding banquet in heaven is My promise to My faithful for those who follow My Commandments. The fact, that I have been giving you these kind of messages frequently, is another sign that this experience is getting closer. If you are practicing your faith and following My ways, you will have nothing to fear. For those, who are in mortal sin, it would be better to go to Confession quickly so you do not have to face the possibility of seeing what hell is like in your Warning experience. Living a good Christian life is your best preparation for the Warning. Then there will be no surprises.”
(Shaun & Kathleen Wedding) Jesus said: “My people, at every

marriage ceremony when you unite a man and a woman, as Shaun and Kathleen, you are symbolizing the marriage of Me and My Church. That is why you are seeing this church and the bright Light in Me. This occasion at Cana is a joyful celebration of the uniting of two lives in love. The readings were well chosen of St. Raphael's blessing and Tobias and Sara's prayers, the description of love, and My miracle of changing water into wine at Cana. As the priest requested, everyone raised their hand that they would pray for Shaun and Kathleen. It is good to give support to the newlyweds because there are many attacks against today's families. As the priest prayed over them, I am blessing them and I am a third partner in their marriage."

May 12, 2010
Sunday, May 9, 2010: (Mother's Day)
The Blessed Mother said: "My dear children, I am your heavenly Mother and I am watching over all of you with my mantle as a shield from the evil one. I encourage you to wear my brown scapular and to pray my rosary every day. These are your weapons for fighting evil and not using guns. I especially want to bless all the mothers in the world. Motherhood is how the human race is carried on, and having children is a share in God's creation. Life is too precious to kill, especially in the womb. I thank all mothers who have had their children, and I console those who have had abortions. I encourage all future mothers not to have abortions for any reason, nor use birth control methods. Life is a grace and is not to be killed. Praying for the stoppage of abortion should be one of your daily rosary intentions. Bring up your children in loving and prayerful environments, and teach them the value of worship at every Sunday Mass as well as the need for the sacraments. My Son and I are always seeking the conversion of sinners, and sharing eternal life with you in the glory of heaven."

Jesus said: “My people, these sets of small steps represent the stairs by which you can advance in your spiritual life. The chocolate candy at the foot of the steps represents the various temptations of earthly desires that can keep you from improving in this spiritual life. Candy is just an example, but there are many other temptations and even addictions, that if you allow them, can hinder your progress. This is why you need to be strong and vigilant in your struggle to follow My instructions that will keep you on the right path to heaven. Every year you need to check your status to see if you are improving in your love for Me or if you are static or worse. If you are not improving, then you are not spending your time profitably for your soul. If you cannot improve on your perfection on earth, then you may take longer in purgatory to purge your earthly desires. You need to have a pure heart and soul so you will be open to worshiping Me with all of your being in heaven.”

May 12, 2010
Monday, May 10, 2010:
Jesus said: “My people, you have been reading from the Acts of the Apostles and all about their many missionary trips as they were converting souls in the Early Church. As you see this car in the vision, imagine if St. Paul and the apostles could have used cars and airplanes. How many more souls they could have reached with your vehicles. So today, you are able to travel by car and airplane to visit many more places in a shorter time in order to spread My Word of love and warning. You have a difficult message to share of preparing for the coming tribulation, but you are blessed also in accepting My mission so people will know about My refuges of protection in this coming time of evil. It is one thing to convert souls to the faith, but it is another to show My faithful how they will be protected in the coming persecution of Christians. People must know that after the

Warning, events will quickly lead up to the time when the Antichrist will declare himself. Disasters and a major economic disaster will lead the way to this event. Be prepared to leave your homes for My refuges of protection. You will not be safe at your homes when the evil ones will try and force the mark of the beast on you, or take you to detention centers that are death camps. Trust in Me by then calling on Me, and your guardian angel will lead you with a physical flame to the nearest refuge. On the way and at My refuges you will be made invisible to the evil ones. Be thankful that My angels will protect you during this coming persecution."

Tuesday, May 11, 2010

May 12, 2010
Tuesday, May 11, 2010:
Jesus said: "My people, in today's first reading as in the vision of St. Paul and Silas, there was an earthquake that opened the prison doors, but they did not flee. Instead this became an occasion to evangelize the jailer when he was about to kill himself. In another prison scene St. Peter and St. John were led by an angel out of prison at night past the guards. These events were miracles at times to give hope to My disciples as they evangelized even those in the prisons. Despite the evil one's attempts to persecute My prophets and My disciples, I at times protected them from harm. One of the end time signs is that there will be an increase in severe earthquakes. A good number of earthquakes occur in nature due to the tectonic plates shifting all over the earth. In more recent times you have seen the use of microwave arrays, like the HAARP machine, being purposely used to cause earthquakes and bad weather which result in death and disasters. Satan hates man, and he is directing the one world people to decrease the world's population according to their death culture. So they are using any means possible to achieve this goal."
Jesus said: "My people, this vision of a loudspeaker truly represents

the commentators on television who are sponsored and run by the one world people. By giving the people a steady diet of half-truths and disinformation, you can persuade the people to follow their plan without any rebellion. Some people believe that everything that is presented on TV is the only truth. There are many points of view expressed on the internet and on talk radio, but it is just a matter of time before all opposition voices will be eliminated, even from these sources. This is because your freedom of speech is being limited to what is politically correct according to the elite one world people. As your freedoms are being taken away, there will be a persecution of those voicing opposition to the current government. This persecution will soon make it difficult for Christians to live among the people. They will single you out until it will be necessary to go to My refuges just to survive. The day of leaving your homes for My refuges is quickly approaching, even as I have warned you of these days of tribulation to come. Be prepared both physically and spiritually when the Antichrist will take over the world. Have faith and trust in My protection at all times with Me at your side."

Wednesday, May 12, 2010

May 26, 2010
Wednesday, May 12, 2010:
Jesus said: "My people, throughout the year you are being tested with natural and man-made disasters. You first saw damaging snow storms with power outages on the East coast. You have seen floods in Tennessee and now tornadoes in Oklahoma and the middle of your country. Your Gulf coast is dealing with a major oil spill. Other areas have suffered high winds with trees down and more power outages. These events are testing your people, and some have lost their homes or had to rebuild them from the floods. In addition to these events, your people are still suffering from low income caused by cutbacks in hours of work, and high unemployment. While Wall Street is cheering

higher earnings, the man in the street is still suffering from the recession. Amidst all of these trials, you still see that I am the only One to be trusted in providing for your needs. It is My strength that you should rely on, and not just your own. Pray to Me for your needs and you will be satisfied."

Jesus said: "My people, I have been preparing you for the coming tribulation for many years. Many people cannot imagine how evil the Antichrist will be when he is declared. As the computer chips in your driver's licenses and your passports are now mandatory, people can see how the government is controlling your life. This control will become even bolder when these authorities will demand a chip be implanted in your body in order to get your new health insurance. This chip in the body is the mark of the beast for buying and selling as quoted in the Book of Revelation. This image of the beast in the vision could be a picture or the Antichrist's image on your TV. This is why after My Warning, I told you to remove all televisions, radios, and computer monitors out of your homes so you do not look at the Antichrist's face. He will have evil powers to try and control your mind to worship him. Do not take his chip in the body, and do not look at his image so your mind is not controlled by him. For not taking the chip in the body, and for not worshiping the Antichrist, the evil ones will try and kill you. This is why at that time you will need to call on Me and have your guardian angels lead you to the nearest refuge to be protected from being killed. If you stay in your homes, the men in black will come and take you to the detention center death camps where you could be martyred for your faith. Be ready to leave your homes with your backpacks available. You will not be returning to your homes, and you will endure the three and one-half years of tribulation at My refuges. Then I will return to conquer all evil and bring about My Era of Peace."

Thursday, May 13, 2010

May 26, 2010
Thursday, May 13, 2010: (Ascension Thursday)
Jesus said: "My people, in today's Gospel you saw Me leaving this world as I ascended to My Father in heaven. The angels told My disciples that I would return even as they saw Me ascending. But when I return, I will come to defeat the Antichrist, the devil, and the second beast to bring about My glory in the Era of Peace. Man has so abused My original creation that I will have to renew the earth so I can bring the New Jerusalem down so there will be a new heavens and a new earth. This vision is showing you how the Antichrist will declare himself and the one world people will bring him into power as head of the European Union and of the whole world as a dictator. He will be a man of peace and he will settle any financial disasters. Then he will become a tyrant leader forcing everyone to take his mark or chip in the body and to worship him as a god. He will have demonic powers and be able to control peoples' minds by looking at them. He will be on television controlling everyone with his eyes. This is why My faithful will need to be protected by My angels at My refuges from this evil lot. Do not take any chips in your body and do not worship anybody but Me. Those, who violate My directions, are condemning themselves to the fires of hell when I return. The Comet of Chastisement will come at the end of this evil tribulation and cause the Three Days of Darkness that will destroy two-thirds of humanity. The evil ones will be chained in hell as I will protect My faithful and bring them into My Era of Peace. Be prepared to endure this tribulation where some will be martyred for their faith. All martyrs will become instant saints and be brought to heaven. My faithful in this Era of Peace will later be perfected and brought to heaven as well. Choose life with Me now, even if you are tested with this evil. Call on My help and My angels will protect you."
Prayer Group:
Jesus said: "My son, last week I asked you to buy a Divine Mercy picture for display when you pray your Divine Mercy Chaplet. Once

you have the picture delivered, you can read to your prayer group the passage in St. Faustina's Diary that speaks of the graces that you receive while in the presence of this image. You can also gain graces when you pray in front of this image at your home. It is a blessing to My people wherever this image can be kept. Some churches keep this image visible for this same reason."
Jesus said: "My people, you are wondering who fixed the relic that had fallen out of its holder. You normally put it away and no one would have touched it. This is just a small miracle of My angels and saints to have a nice appearance in front of Me. It would be interesting to note which saint's relic was fixed. (St. Pius X) Be grateful for all of heaven's helps, and honor all the saints in this reliquary of relics."
Jesus said: "My people, some people are stronger than others in controlling any potential addiction to alcohol. Some also have genetic weaknesses to alcohol, and they cannot even take one drink. Some college students are led into drinking with others as peer pressure has forced this on them. It is better to cure this addiction early before it controls people. Drinking can become a sickness that even defies your free will to control it. I have mentioned also how many addictions have demons associated with them. This is why exorcism prayers may be needed along with a person's desire to quite drinking. Rehabilitation and prayer novenas are also helpful."
Jesus said: "My people, this feast day of My Ascension is 40 days after Easter. Now you will be praying a novena of prayers until Pentecost Sunday comes. I want you to look up any novena prayers that you can find for this occasion. You can add your own intentions with these prayers. The more that you learn of your Church's traditions, the richer your faith in Me could be."
Jesus said: "My people, near the end of the school year you are seeing junior and senior prom events at your high schools. The men and women look beautiful in their appearances. You also have seen My Blessed Mother pictured being crowned in heaven. This month of May is in her honor as you remember to pray your rosaries for her

intentions. You have such a display with a statue of My Blessed Mother in church and all of heaven thanks you for praying your rosaries before us."
Jesus said: "My people, your Congress is taking up energy reform for your nation as you attempt to lessen your demand for oil and coal. Natural gas is more plentiful and burns cleaner, but it still produces some by-products. Many of your attempts to use solar and wind alternatives are improving, but it will take awhile to replace oil and coal to produce electricity and run your cars. This global warming agenda is still a tool of the one world people to control nations and your manufacturing. You looked this up before and found that warming causes more carbon dioxide formation and not the false science proclaimed by some."
Jesus said: "My people in ten more days you will be celebrating Pentecost which is really when you honor the Holy Spirit and how He came as wind and tongues of fire to inspire My apostles in their evangelization efforts. As you are praying your novena prayers, you could look up any information about the gifts of the Holy Spirit and how He influences your spiritual life, especially through My sacraments. You are all Temples of the Holy Spirit and He is present to you whenever you see Me or God the Father, because we are all One and inseparable. The Blessed Trinity is truly a mystery, but you can thank the Holy Spirit for all that He does for you."

Friday, May 14, 2010

May 26, 2010
Friday, May 14, 2010: (St. Matthias)
Jesus said: "My people, the three companies responsible for the oil disaster are all trying to blame each other to avoid their own financial

liabilities for this accident. With no one wanting to pay the damages, the real account of the cause could be clouded over to hide the truth from investigators. This historic sized spill will give more reason to avoid new drilling and put more regulations on the safety of other rigs. The details of the failed relief device with supposed dead batteries will open many more investigations. Your needs for fuels and electricity should add more incentives to finding less risky means of obtaining them. These new sources may require a higher cost for future needs which may also encourage higher efficient engines and conservation of existing sources. At times such incidents make people address their current energy solutions. Your country is facing an end to your cheap fuel sources."

Jesus said: "My people, the one world people try to use fear tactics to get people to give up their freedoms. They have used terrorist incidents and wars to scare taxpayers into funding the largest defense budget in the world with constant new weapons' programs. Almost every year a new virus threatens humanity as Swine Flu, bird flu, AIDS, SARS, West Nile Fever and a host more. Many of these viruses are man-made. This vision of making a new virus is just a continuation of the pandemic virus fear. Another fear is bringing financial ruin to various countries to threaten your banking system. Last year it was the sub-prime bubble in the housing industry. This enabled the central bankers to put America in deep debt with your Stimulus and Bailout plans. This year it is the fear of a collapse of Greece and the European Union in their finances. A few years ago it was the Asian currency. You can see how the one world people create the fear problems, and then they create the solution which usually results in stealing money from the taxpayer or forcing people to give up their freedoms. To solve the Health Insurance problem they will force you to have a chip in the body. To solve the Swine Flu problem they wanted to have mandatory vaccine flu shots. To solve the finance problems of the mortgage foreclosures, your government took over Fannie Mae and Freddie Mac. In every case the one world people

have moved themselves closer to a one world government of complete takeover. When you look at the big picture, you can see how they manipulate the people with fear tactics. Trust in Me to protect My faithful and shield them at My refuges."

Saturday, May 15, 2010

May 26, 2010
Saturday, May 15, 2010: (Mass of the Ascension)
Jesus said: "My people, you are hearing of My Ascension and how I sent My apostles out to be witnesses of My Resurrection and share faith in Me by the power of the Holy Spirit. This time between Ascension Thursday and Pentecost is your novena time to prepare for the feast of Pentecost and invite the Holy Spirit into your lives. This vision of a DNA strand is how your genetic make-up is passed on to your children and their children. You pass on your name and who you are to your children. In a spiritual way you are passing on the faith as your 'spiritual DNA' to your children and grandchildren. Your children are your heritage, so they need to see a good example of faith in their parents. Just as the apostles were sent out to evangelize souls, so all of My faithful as well are sent out to all the nations to bring souls to Me in faith. This gift of faith, that you have inherited from your parents, teachers, and priests, must now be passed on to the next generations. If you are not seeing many young people coming to church, it could be that they are not receiving enough training and fervor from their parents. As parents become lukewarm, then their children will have less desire to come to Sunday Mass. The Third Commandment is about giving Me worship on Sunday, or you commit a mortal sin if it is intentionally missed. So encourage your children in their faith by seeing you at Sunday Mass and in your daily prayer. Your children are your spiritual responsibility, so give them good example and pray for their faith to be strong."
Jesus said: "My people, it is not easy to find good paying factory jobs

in America because many of these jobs have been outsourced to foreign countries. In some cases it is because cheaper labor can be found in places like China where they do not have benefits that are demanded in your country. In other cases where labor is competitive, it is the CEOs of big companies that want to control middle income workers so the one world people can better control the population by keeping them poor and dependent on government. This is why the unemployment level will be held high by design, even while workers are being imported for low paying jobs. Service economies that produce few goods are going to be less influential countries and eventually will turn into third world countries. Eliminating America as a financial giant is the aim of the one world people in taking you over. I am watching over My faithful, and I help families to find ways to survive. So trust in Me and pray for your needs, and I will answer your prayers. America's entrepreneurial spirit in your small businesses has provided your jobs and this is causing the one world people problems in defying their plans. If America repents and changes its sinful ways, your country could have its freedoms longer. If not, then you will be taken over with the loss of all of your freedoms."

Sunday, May 16, 2010

May 26, 2010
Sunday, May 16, 2010:
Jesus said: "My people, ever since Easter you have been celebrating My Resurrection and the gift of My death that have given you salvation in the forgiveness of your sins. I am showing you the blooming flowers again as a sign of My love for all of you. I ask only that you give Me your love and praise in thanksgiving for all that I have given you. As I ascended into heaven, I then had My apostles await the fire of the Holy Spirit on Pentecost. All of you have been blessed by the Holy Spirit in your Baptism and Confirmation so you also have his gifts to go forth and share My Gospel of love with

everyone. It is the evangelization of souls that is so important to prepare everyone to have faith in life and meet Me at your judgment. Pray for all sinners who need conversion now more than ever."
Jesus said: "My people, My Catholic Church in America is slowly decaying like My Church in Europe. As you pray over many people, you are seeing a constant theme in their prayers for the older children who are falling away from their faith in not coming to Sunday Mass. The parents have a deep rooted faith, but the next generation has become so lukewarm that they are not inspired to see how important the Mass and prayer should be in their lives. This is how the devil is distracting them with worldly things and even addictions to drugs, alcohol, and smoking. As this generation loses their faith, fewer are coming to church which results in closing their parishes. In order to keep the youth interested in their faith, they need to be encouraged with Bible study, retreats, missions, and renewal groups. If there is not enough spiritual activity to involve your youth in learning about their faith, then they become lazy and fall away from their faith. This is also testing even the older adults, but most have kept their faith by a good prayer life taught by their parents. My people need to work harder to re-evangelize even your own family members. Ask them politely why they stopped going to church. If your children are not going to Mass, then imagine what will happen to their children. Your society of the lukewarm and the lack of repentance for sin is why your country is receiving less blessings, and the devil is winning souls away from Me. Pray for your children's souls, but it will take My Warning to wake up these sinners from their apathy and complacency. Pray for My Warning to come soon before the faith becomes a small minority."

Monday, May 17, 2010

May 26, 2010
Monday, May 17, 2010:

Jesus said: “My people, those, who proclaim My Gospel, do so at a risk because the world will reject you as it rejected Me. Most people know how to love and what is morally right in following My Commandments. But the world is led by Satan and the people of the world like comforts and the pleasures of their sins. So when people stand up for what is right against abortion, fornication, adultery, homosexual acts and any other sins against My laws, they will be criticized by the world. The worldly do not like to be told that they are doing wrong, and do not want to be told what to do. The worldly people desire their sins which is why righteous Christians will be persecuted for speaking in My Name. But do not be fearful of any persecution, even if you are threatened with martyrdom. I am always at your side to help you and defend you with the words of the Holy Spirit. By remaining faithful to My words, even amidst criticism or persecution, you will save your soul and possibly some souls who will repent and be saved. You will always meet resistance from the devil in any work to save souls, so pray for My strength to carry on with your evangelization efforts.”

Jesus said: “My people, this dark church in the vision represents how the faith in My churches is growing weak. The Light shining from My tabernacle is a sign that I am still present among you in My Hosts in My tabernacle. Where My faithful adore My Blessed Sacrament, there is strength in faith by My grace. As long as My people come to Sunday Mass, there is hope for any parish to survive. It is when My faithful stop believing in My Real Presence in My Host that their faith will begin to dim. Keep promoting My Real Presence for people to believe even when your priests are not vocal about Me. When people hear of your worship of Me at Adoration, your witness will be an inspiration to others. Encourage people to come to Me in adoring My Host, and you can be My bright lights in church that will remove the darkness. I am truly the Light that disperses the darkness, so let Me come into your churches as the sanctuary light is a witness to My Real Presence.”

Tuesday, May 18, 2010

May 26, 2010

Tuesday, May 18, 2010:

Jesus said: “My people, these young souls are beautiful and blessed to receive Me for the first time. They have been prepared physically and spiritually in Confession. I want to remind you of the blessing that each First Communicant has in answering their prayer at that time. You heard of one child’s prayer to save his father from dying in World War II. By a miracle at that time, there was a peace accord to end the war and his father was protected. Tell your children of this blessing and their intention in prayer could be answered. These children are the parents’ responsibility for each of their souls. Bring them up in the proper faith with daily prayer and Sunday Mass, along with frequent Confession. Keep praying for your children’s souls every day to protect them from all evil. You all need to keep My peace in your souls and a childlike faith in Me with a humble and contrite heart. This childlike spiritual life is what will lead you into heaven. Give praise and thanks to Me for all the graces that I bestow on you with My sacraments.”

Jesus said: “My people, I have given you many messages of how you will need to come to My refuges for protection from being killed by the evil ones. I have also told you how you will have daily Communion from My angels and deer will drop dead in the camp at night for meat. If you have a farm, you could have other sources of meat and eggs. In addition to animals you may want to farm vegetables and various fruits. In the vision you could grow grape vines, raspberries, strawberries, and even have fruit trees of apples and cherries. I know you would be healed of all diseases at My refuges, but by adding fruits and vegetables, you could have a well rounded diet. Be thankful for all that I will provide, and I will multiply these crops for everyone to share at My refuges. Some

storage of your crops may have to be put away underground in root cellars at harvest time. Also use some non-hybrid seeds so you can save seeds from your harvest for the following year's crops."

Wednesday, May 19, 2010

May 26, 2010
Wednesday, May 19, 2010:
Jesus said: "My people, I am the Truth of the Gospel reading and I am all loving as well. I am most worthy of your praise and adoration when I am exposed in the monstrance as My Real Presence in My Host. I am a gift of grace that you can always visit Me in My tabernacle and at Adoration. I am showing you this image of Myself in this picture of My Divine Mercy as well. As stated by St. Faustina, there are many graces that you may receive for your soul when you pray before this image. Remember to honor Me and pray My Chaplet of Divine Mercy at the three o'clock hour. I am happy that you are getting such an image that you could share with your church. Even if you leave this image at church, you should also be praying your rosaries before this image in your home as well. If you need to buy two pictures, it is more useful to honor Me at your prayer group and your home. Give praise and honor to Me in this image because it is like visiting Me at My tabernacle if you cannot have My Blessed Sacrament at your house to visit."
Jesus said: "My people, it is always a blessing to be able to do your Holy Hour in front of My Blessed Sacrament. At times it may be difficult to come to a church with My tabernacle and give adoration to My Host. As churches are closed down and many churches are not open, it will be getting harder to be with Me. I am showing you three ways in which you can have the grace of My Real Presence in front of you when you are unable to find a tabernacle. There is power of My grace in the Divine Mercy image, and you could have the grace of My Presence before you. This vision shows you a picture of a Host with

jewels that were arranged by Irena Jakus. You had other messages that this picture also would contain My Real Presence during the tribulation. A third way of viewing My Real Presence is when you look at your Adoration movie while you are viewing My Host in Adoration. I know that you love Me in My Eucharist very much, and that you want to have Me close to you at all times. Use these means to share your love with Me at all times."

Thursday, May 20, 2010: (St. Bernardine of Sienna)
Jesus said: "My people, there are two thoughts represented in this vision of a watermill. The first thought is about the preciousness of having fresh water available for drinking and for growing crops. In many arid lands it is becoming more difficult to find fresh water, and people are using various desalinization methods to make fresh water. In these cases it becomes more expensive to provide water and some even fight over the rights for water where it is scarce. Grinding the wheat into flour for bread is another necessity of life where again some have very little to eat for survival. This symbol of the flour for bread leads into My own Bread of Life when the priest consecrates the bread at Mass into My Body and Blood. My Eucharist is My spiritual food that will bring My faithful eternal life. I have quoted you many times from St. John's Gospel 6:54,55: 'Unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood has life everlasting and I will raise him up on the last day. He who eats this Bread shall live forever.'"
Prayer Group:
St. Patrick said: "May my blessings be upon all of you as you pray your rosaries for your intentions. One of your intentions was for a good bishop to replace your current Bishop Matthew Clark. I bless

that choice and pray for good health for your present bishop. There is one other concern that your new bishop will allow you to continue on in your mission. This is another intention that you need to pray for. Pray for Ireland that they will survive this latest financial disturbance."

St. Anthony said: "My dear son, when you first noticed that your cross was missing, it was toward the end of your trip in Ohio. You looked around in all of the places that you had been, and then you and your friends prayed to me to find your cross. Once you returned home, you thought it was lost for good. Then a small miracle happened when by accident your hand was drawn into your couch cushion and you pulled out your cross. I thank you for coming to me and thanking me for finding your cross. This happened with your luggage as well. It was after you were resigned to losing these items that they were recovered for you and you were most grateful. I just remind those people who pray to me for lost objects that you remember to thank me and the Lord for the return of your lost things."

Jesus said: "My people, you are seeing a lot of fears in your markets over the financial problems in Europe and your high unemployment. Many of your investors were trying to buy safe instruments in your Treasury bonds because of the uncertainty affecting the world's finances. The gold in the vision has still kept its high price and it is a stable investment as well. All of these latest gyrations have your investment community uncertain of how severe any correction will be. By putting your trust in Me, you will not have any fears of what happens in worldly events."

Jesus said: "My people, your government is sponsoring the production of ethanol and your manufacturers are producing cars to use ethanol as a fuel. Your ethanol production requires natural gas to distill this fuel, and it does consume a food stuff that could feed the hungry. But this and other alternatives are reducing your need for coal and oil. Brazil uses ethanol almost exclusively, but it is using sugar cane in addition to grains to generate its fuel. America's fuel needs are too

large for alternatives to replace all of the coal and oil that you use. Any energy plan will be a long term project as new alternatives are not large enough to replace gasoline. By cutting back on your needs, you could reduce your excessive consumption of fuels relative to other countries. It is your cheap fuels that have enabled your high standard of living."
Jesus said: "My people, America has been recovering from the latest recession, but other nations are not as fortunate, and they are having debt problems with their overspending. There still are high numbers of the unemployed as this could increase as people run out of their unemployment checks. As jobs are hard to find, other people are in danger of losing their homes which puts more homes on the market. All of these concerns are giving anxiety to your workers and your investors. Pray that more jobs can be provided from your small businesses, or you could see a drawn out recovery."
Jesus said: "My people, just as you saw your consumers turn more to saving their money during the last financial downturn, they could stop spending again if there are more threats to their jobs in any cutbacks. Pray for a solution to the financial problems in Europe, or you could have a double dip recession of worldwide proportions."
Jesus said: "My people of Holy Name, you are fortunate to have been chosen to have this Divine Mercy service at your church. Make the time and put away some other schedules so that you have time to attend these services. You need your people to be good examples for others to be drawn to this time of prayer. The same is true for your Nocturnal Adoration to support your own parish's spiritual activities."

Friday, May 21, 2010:
Our Blessed Mother said: "My dear children, you recognize my Guadeloupe image with the sun all around me. I am portrayed with

my Son in the womb, so this brightness of the sun is from my Son, Jesus. I know this is not my feast day, but it is my month of May. You were reading how so many women take a contraceptive pill and how many ways people use devices to prevent having children in birth control. These things have encouraged promiscuity both in fornication and adultery. This mentality has brought on abortions even in partial birth abortions. I conceived my child even though it was difficult before I was married, but Jesus was conceived by the power of the Holy Spirit. Your society is more concerned with the pleasures of your passions than the desire to bring up children. Using these devices and having sex without marriage are all mortal sins, and you need to confess your sins before receiving Holy Communion, even when it may be embarrassing to remain in your pew at Mass. Do not compound your sexual sins with sacrilege or with abortions. I have asked you to pray my three Mysteries of the rosary and the fourth Mystery of Light if you can. Even if you have many things to do, you should make your prayers your first priority so you can show your love for me and my Son, Jesus. He has even asked you to make up the rosaries that you have missed because He is relying on his prayer warriors to pray for the sinners of the world. We in our two hearts love all of you and we want to see you live holy lives. We encourage you to love us and your neighbor as yourself."

(Camille Remacle's Mass intention) Camille said: "In your vision you saw how I used to find bicycles on the road and fix them up for people, as I did with the lawnmowers. I see now why you may need some bicycles if you cannot drive your car to a refuge. I want to thank you for the flowers at my grave and for keeping up the house. It will look a lot better once you get a new fence in there. Carol was noticing how the raspberry bushes are getting out of control. That is another upkeep with berry bushes. You have to trim and thin them out, or it is hard to pick them and get to them. Any good garden requires care and upkeep, and that is one thing that kept me busy. I love all of you and I am praying for your souls."

May 26, 2010

Saturday, May 22, 2010: (St. Rita)

Jesus said: "My people, you have seen in Greece how their government was forcing harsh economic restraints on their people. Most people in America are not aware of the actual reductions in income that these people in Greece are suffering. By the reaction in their streets, it had to be substantial. When the central bankers did not want to buy their bonds, Greece was forced to use economic cutbacks, or face very high interest rates that it could not afford. The central bankers in America hold increasing debts as well, and their intention is to bankrupt your country in order to take it over. They purposely encourage indebtedness so they can control your lives through your debts. Once you are forced to cut back Social Security payments, welfare payments, and Medicare payments to balance your budgets, then your people will see protest marches and possibly riots as well. After debts reach close to your National output, very few investors will want to risk in buying your debt instruments for fear that they will lose their money. When bonds cannot be sold, then your money printing presses will inflate your dollar to near worthless, and chaos will result in an eventual takeover by the North American Union. Your freedoms are gradually being taken away with a socialist government. This is what could cause an open rebellion against your authorities. When violence and chaos begins, it will be necessary to leave for My refuges. These events could happen soon since your debt situation is not much different from Europe. Pray for My help in having your angels lead you to the safety of My refuges."

Jesus said: "My people, the one world people are using every means at their disposal to allow them to use mind control for running people as robots. One of these tools is to get people interested in using virtual reality head sets or virtual reality movies that are enhanced by a 3-D

appearance. In virtual reality you feel like you are living in a different world from reality. This can be useful when the one world people will try to force mind control chips in the body on people. Once you hear voices, they will induce a hypnotic state over you as you will seem to be in a different world. They will then control your actions for how they want to use you, even to kill Christians. So you see that this virtual reality training is a way to condition their subjects to accept chips in the body. This is why I have asked My faithful to avoid virtual reality headsets, movies, and 3-D reality programming to avoid any mind control abuse. Also refuse to take any chips in your body for any reason, even to avoid government health insurance. When you come to My refuges, you will find healing in My luminous cross and you will have food and shelter, so you do not need anything from the government. Trust in My protection from mind control and any persecution by the evil ones. My angels will make you invisible at My refuges as well."

Sunday, May 23, 2010:(Fr. Fraats 50th Anniversary of his priesthood) Jesus said: "My people, to all of My priests here I bless all of you, and especially Fr. Fraats on his Golden Jubilee. You are a priest forever according to the order of Melchisedec. Fr. Fraats has been blessed with many years, and I thank him as I do all of My priests for answering My call in your vocation to the priesthood. All of My faithful in this area where he serves should also be thankful when he gave Me to them in the Mass at the Consecration. A priest shares My sacraments in Baptism, Holy Communion, Matrimony, Confession, and the Last Rites. I thank Fr. Fraats for carrying out the mission that I have given him in all that he has done for My greater glory. Some couples celebrate their 50th Wedding Anniversary, but Fr. Fraats in one way has had Me as his partner in faith for fifty years. I am always

watching over My priest sons. I again call on My faithful to pray for your priests and for vocations to the priesthood. I love My priests so much and My laity should love their priests as well."

May 26, 2010
Monday, May 24, 2010:
Jesus said: "My people, when the rich young man asked what must he do to gain eternal life, I mentioned how he could keep My Commandments. (Matt. 19:16-28) When the man claimed that he had kept them since his youth, then I asked him to sell what he had and give it to the poor. Since this man had many possessions, he went away sad because he did not want to give them up for the poor. Even the rich of today are reluctant to give away their wealth. They may give some away for a tax deduction rather than in the spirit of truly sharing their wealth. Even My apostles questioned Me when I said that it was easier for a camel to pass through a four foot high 'eye of a needle' than for a rich man to enter the Kingdom of heaven. For man this is impossible, but with God, all things are possible. To give up all of your wealth to the poor may seem impractical, but it also means that you would rather trust in Me for your needs than just on your own efforts. Sharing at least ten percent of your income is more practical, but even a good number do not want to do this to deny their comforts and pleasures. Those, who do tithe their income, will find treasure in heaven which will go well with them at their judgment."
(Amanda's Confirmation, granddaughter) Jesus said: "My people, you just celebrated Pentecost and now you are at a Confirmation. This vision of a room with tongues of fire over everyone is how the Holy Spirit came to My apostles and disciples. These confirmands have received the Holy Spirit and all of His seven gifts. These gifts have now moved these young adults into the next level of their spiritual

growth. The sponsors now are spiritually responsible for their confirmand, and they need to help their charges in learning their faith and encourage them to grow in their faith. Sponsors are not just a polite gesture, but they have a serious mission to watch over their young person. The new confirmands, by their Baptism and Confirmation, are now given a new mission as part of the faith community to reach out and save souls wherever they are-in their homes, their schools, or their future workplaces. These gifts of the Holy Spirit enabled My apostles to go out to all the nations and preach My Word of love. These same gifts will also inspire all of those confirmed today. Encourage these newly confirmed youth to imitate their teachers in spreading My Gospel."

Tuesday, May 25, 2010:
Jesus said: "My people, as you think of all the meals that you eat during the course of a year, do not fear of how you will be provided for in your needs. I know all of your needs because your human condition needs constant food for energy and to provide for your muscles, blood, and bones to work properly. This is why you are seeing all of these meals that I provide for everyone. Even at My Masses you are fed with My Body and Blood in the manna of Holy Communion. I feed your soul and your body. Without Me you cannot have eternal life. As I am feeding you now, so also will My angels feed you My Communion daily at My refuges of protection during the tribulation. Physical food will also be provided as the deer come into your camp and as farming will give you crops to eat and multiply. Even though there will be a tribulation of persecution, I will also have

My angels lead you to My refuges where you will have your portion of Bread at the proper time."
Jesus said: "My people, I have told you that you would see continuing natural disasters as you are seeing with this latest volcano and now with the current oil spill in the Gulf of Mexico. The ash that you are seeing in the vision is from a new eruption from a volcano. You are seeing the effects of a volcano on your airplane travel. Whenever a volcano erupts near plane routes, you can have quite a disruption in people's travel plans. The darkness is associated with another created financial crisis. The European Union has considerable trade effects on America and the rest of the world. As the euro trades down compared to other currencies, there is concern how Greece and other countries are going to deal with their debt situations. Even in America your own National Debt is getting out of control with your spending beyond your means to pay it back. A financial crisis is looming over Europe and America. Pray for My help in any natural disaster, and watch for any bankruptcy of America which could necessitate your time to go to My refuges."

Wednesday, May 26, 2010: (St. Philip Neri)
Jesus said: "My people, in today's Gospel St. James and St. John wanted to be at My right hand and at My left hand in heaven. I told them that they would suffer as I was about to, but that choosing places in heaven was not Mine to give. I then explained to them how the current religious leaders demanded respect, but it must not be that way for My apostles. Just as I washed the feet of My apostles, those, who want to lead, must be servants for everyone. Do not lord your authority over anyone, but work to do everything for Me. This vision of the purification of gold is how all of My faithful must work every day on perfecting your spiritual life. If you have authority over

anyone, even in your family, do not abuse your power, but use it in a Christian way to help those under your charge."
Jesus said: "My people, for years your farmers have been using various pesticides to kill the bugs that would otherwise destroy their fruit products. Unfortunately, many of these pesticides are slow to decompose and they poison the orchards where they are used. Those, who build homes on old orchards, have had cancers and other diseases as these chemicals affect humans. Even some amounts of these pesticides remain on or in the fruit and they do not wash off completely. As the insects develop resistance to these chemicals, your chemical manufacturers keep developing new pesticides which are not fully tested for the effects on man. Recently, some studies are showing effects on children from eating this fruit and they are accumulating higher residual levels of pesticides in the body. These chemicals seem to be linked to Attention Deficit Syndrome problems in young children. They also could be linked to allergies and cancers if enough years of study could be carried out. Man in his attempts to control nature through hybrids, pesticides, and fertilizers, has upset the delicate balance of nature that I established at the beginning of creation. When I come to judge the earth, I will have to renew My creation to its original perfection. Be careful to build up your immune system with herbs and vitamins so your bodies can fight off all of these pesticides that could adversely affect your health."

Thursday, May 27, 2010: (St. Augustine of Canterbury)
Jesus said: "My people, it is a nice touch to place living flowers around a grave. Even cut flowers at a funeral are a sign of life to honor the life of the deceased. Remember what the angels said of Me at My tomb after I had resurrected. (Luke 24;5,6) 'Why do you seek the living One among the dead? He is not here, but has risen.' Flowers

are a beautiful witness of My creation. At the funeral they are a sign of new life in the spirit as your soul lives on forever. Pray for every soul that passes from the body in case one needs prayers to get out of purgatory. In heaven you will see colors more beautiful than these earthly flowers. You will also hear beautiful music from the choirs of angels singing My constant praises. Do not think that death is the end of everything because by My death on the cross I have brought salvation for the forgiveness of your sins, and I have opened the gates of heaven. Those, who have faith in Me like the blind man, have nothing to fear for you will see Me one day in heaven. I cured the man's blindness because of his faith, and I disperse the darkness of sin so you can see the Light of My glory on earth and in heaven. Enjoy the beauty of My flowers now as a precursor for the beauty that you will see in heaven."

Prayer Group:

Jesus said: "My people, you are to pray to the Holy Spirit when you need to test the spirits of those who are leading you. The devil and his agents can assume different disguises to mislead you into occult practices. Beware of those who worship crystals or earthly things because they are calling on evil spirits. Beware of those who are cold or are causing confusion because there is evil in your midst. Avoid any places that teach New Age practices so you can avoid the evil in their groups. It is good to carry your blessed sacramentals of your Benedictine crosses, rosaries, blessed salt, holy water, and blessed medals of the saints. If you ever deal with people who have evil spirits controlling them, do a binding of evil spirits prayer and your St. Michael prayer. Call on My angels of protection to help defend you from any evil, and call on My Name, Jesus, as well."

Jesus said: "My people, you have prisons where you place criminals, just as you keep animals caged so they cannot escape. In the coming tribulation you will see the persecution of Christians become very obvious, even as Hitler singled out the Jews for persecution. You are seeing hate crimes for even speaking out against homosexual acts as

sins. You also can get persecuted for speaking out against abortion or anything against government policies of political correctness. This persecution will worsen to the point that you will need to seek out My refuges for protection. This time of refuge draws closer, even as your laws will be demanding mandatory chips in the body. Refuse these chips in the body at all costs, and follow My angels to My refuges."
Jesus said: "My people, you are living in an evil age when evil men are in control of power and money. Your government officials are puppets for the one world people who are pulling their strings behind the scenes. I am allowing the coming tribulation as a test of your faith. The Antichrist will have a short reign of less than 3½ years when he will be allowed to rule the earth. Do not have any fear, but do not take his chips or look at his face. At My refuges you will have an invisible shield all around you."
Jesus said: "My people, whenever you try to lead a holy life, you will be criticized and you may even see demons tempting you or attacking you more than usual. For every good intention given to you by your guardian angels, there will be an equal attack by a demon. Pray for My help to follow your good intention for prayers and saintly devotions."
Jesus said: "My people, it is important that you guard the intentions of your actions. Everything that you do should be done out of love and for My glory and not your own. When you do things purposely for your own benefit for money or fame, then you are not doing it for Me. Also in your heart you should be doing things out of love for Me and your neighbor. Turn aside pride and greed, and seek humility and charity instead."
Jesus said: "My people, at times earthly schedules and commitments can get in your way so much that you find it difficult to get your prayers said during the day. Do not put off your prayers to late at night when you become too tired to pray with fervor. Someway during the day, you need to retreat to your room for prayer and put your earthly agenda on hold. Nothing should be that important to postpone your

prayer time. If prayer time is difficult, then you are doing too many earthly things, and you are putting them before Me."
Jesus said: "My people, this feeling of holy love coming forth from My eyes and heart is how much I love each one of you. I even love you despite your sins and your weak nature to sin. My desire is that you should love Me more than anything or anyone in this world. Remember what St. Paul said that if you do all things right, but do not have love, then you are like a clanging cymbal. (1 Cor 13:1-7) When you act out of love, then you are doing things to please Me and others before yourself. I am love itself, and I want you to imitate My selfless love by emptying yourself of human love and seek My spiritual love."

June 17, 2010
Friday, May 28, 2010:
Jesus said: "My people, even as the spring time of year brings beautiful flowers, it also is the season for tornadoes and hurricanes. The darkness of the clouds in the vision is not a good sign for America. You have already seen considerable damage from your tornadoes and wind storms as evidenced in the leaves all around in the vision. These storms are small compared to what is in store for you in the coming hurricane season. You were spared Atlantic Ocean damage by the El Nino of last year, but this year will be a return to your average storm count. You already are seeing a disaster in the Gulf of Mexico from your oil spill, but this could spread more with any storm damage. Pray for the people along your Southern shores who will be bearing the brunt of any damage from these disasters."
Jesus said: "My people, I have warned you about the evil one world people who have secret money and power that control your world governments from behind the scenes. They are involved with central bankers who control your banks and loans to all governments. They are the ones who created your financial crisis in America, and now in

the European countries. I also have told you that these one world people get their orders from Satan, himself. Many of the one world people actually worship Satan and other evil deities. They are deeply involved with sexual sins and drugs of many addictions. It is a one world government that they seek that is forcing constant surveillance of your communications and cameras everywhere. This same group is behind the chips in your driver's licenses, passports, and soon mandatory chips in the body for total control of your minds through voice mind control. They are the same force trying to bring about the North American Union which will take away all of your sovereignty rights. Once such unions are on every continent, they will give this authority over to the Antichrist to rule the world. This will be the time of tribulation that I have prepared My refuges for protecting My faithful. Do not fight with guns, but let My angels protect you with an invisible shield against the demon controlled evil ones. You have seen the fulfillment of the messages that I have given you in how evil the world has become. This evil is a sign of My coming, and you will see My Warning come to help separate the sheep from the goats. Those, who do not follow Me, are condemning themselves for all eternity. My love reaches out to save everyone, but each soul must choose allegiance to either Me or the devil, either heaven or hell."

Saturday, May 29, 2010

June 17, 2010
Saturday, May 29, 2010:
Jesus said: "My people, just as you maintain your house with painting, fixing roofs, cleaning, and caring for the lawn, so also My churches need to be maintained as well. Some services need to be contracted out, but some can also be done by parish volunteers. There is also a spiritual duty that needs to be maintained in the faith. Building up the faith community by evangelizing souls is a necessary function of My faithful to keep your faith vibrant, and able to be passed on to the next

generation. This involves teaching the young children in religion classes and even assisting adults with Bible study and rosary groups. Assisting in sacramental preparation is also important. By having good leadership in the physical and spiritual maintenance of a parish, that church can survive in your modern world. If the people are lax in supporting a church, then that church could become another closure. Keeping a church open is therefore the responsibility of the faith community and its leaders."
Jesus said: "My people, there are some people who seek fame and riches as their main goal in this earthly life. Some even sell their souls to the devil to obtain fame and fortune. Remember that these things are temporary and they will be gone tomorrow. The things of this world are only here for awhile, which is why heavenly things are more valuable because they last forever. Instead of seeking earthly treasures, you should seek heavenly treasures in doing good deeds for people. Instead of doing things for show or an earthly reward, you should do everything out of love for Me and for My greater glory. Pride and greed tend to drive people to look for fame and riches, but those, who want to be humble and charitable, will be better off in their spiritual life. You may not see your reward here on earth for your good deeds, but My Father sees what you do in secret, and you will have your reward in the next life. Your best goal is to seek heaven, but you will need to struggle against your earthly weaknesses to stay on the narrow road to heaven. Call on My help in your daily prayers to stay close to Me."

June 17, 2010
Sunday, May 30, 2010: (Trinity Sunday)
God the Father said: "I AM wants to share My love with all of you as you share the beauty of My creation. You have a beautiful sunny day and you know that I love everyone so much that I sent My only

Begotten Son to die for your sins. These visions are My words over My Son, Jesus. (Matt. 3:17) 'And behold, a voice from the heavens said, 'This is My beloved Son, in Whom I am well pleased." This came at My Son's baptism by St. John the Baptist. (Matt. 11:5) 'This is My beloved Son in Whom I am well pleased; hear Him.' These words came with Jesus and His three apostles at My Son's Transfiguration. You have seen the beauty of My creation out West in many of your parks, and you love the beauty of My flowers in the spring, and the colors of the changing leaves in the fall. When St. Thomas said: 'Show us the Father,' Jesus told him: 'When you see Me, you see the Father, for We are One.' Even when you receive Holy Communion, you are receiving the Blessed Trinity because We are One and We are inseparable. It is hard to understand the Blessed Trinity of Three Persons in one God because this is a mystery of faith. Believe in Me and follow My Commandments that I gave to Moses."

June 17, 2010
Monday, May 31, 2010: (Visitation, Memorial Day)
Our Lady said: "My dear children, this feast day of My Visitation is joyful in celebrating new life, and there is joy as I gave my Magnificat in the Gospel. This feast also comes on your Memorial Day when you are reminded of all the lives that were lost in your wars. As you think of lives lost, you also can shed a tear for the many lives lost from abortion, both in your country and in the rest of the world. Much of this killing could be avoided, but these are two intentions that I have asked you to pray for in your rosaries. They are peace in your world and the stoppage of abortion. In your newspapers you are reading of many Catholic churches being closed. This is another sad time that could have been avoided. It is because your people have become lax in their daily rosaries and their Sunday Mass attendance that many of your churches are being forced to close. This loss of faith is another

sign of the end times, but it is not a reason to give up hope. There will always be a faithful remnant of my prayer warriors, and it is this group that my Son and I are counting on to pray for the lukewarm. When the Warning comes, you will be called on to evangelize these souls the best that you can. Call on all of us in heaven in prayer to support your spiritual lives, and be good examples for others."

Tuesday, June 1, 2010

June 17, 2010
Tuesday, June 1, 2010: (St. Justin)
Jesus said: "My people, as you see many people running for office in primaries for President and for Governor, you can see the thirst for power in politics. As you see these pillars of government in the vision, there are always various interest groups seeking the reins of power. Unfortunately, in many governments there are graft and corruption where money is at stake. Every member of Congress has some pet projects to get special financial favors for the people of that district. Even the Pharisees saw Me as a threat to their power, and they tried to involve Me in their petty politics. So when they asked Me if it was lawful to pay taxes to Caesar, I said to them: 'Give to Caesar what belongs to Caesar, and to God what belongs to God.' This confounded their intentions to trap Me at that time, but they continued to harass Me. So I tell My faithful, do not seek after power and money because they are fleeting and gone tomorrow. Instead, seek after heavenly treasures that are everlasting."
Jesus said: "My people, the Israeli imposed embargo on supply ships to Gaza is a point of friction that could bring world opinion against Israel. If more such incidents occur, it will be increasingly difficult for America to defend Israel. As America is already at war with Arabs in Afghanistan, and is trying to deal with Iran's uranium enriching, it will be harder to deal with an additional Palestinian problem. American troops have already been strained with constant tours in

Iraq and Afghanistan. This constant expense and strain on your people for financing these wars is another addition to your National Debt when your deficits are already getting out of control. America needs to get its financial house in order by getting out of these wars, and controlling its spending. If there is no change, then the one world people will bring about bankruptcy proceedings against America in their desire for a takeover. But in fact bankrupting America has been the one world people's plan right along. These central bankers caused your financial crisis, and they keep involving you in false flag wars purposely to bring your government down. Their plan is to take you over and bring about a North American Union. When this comes, My faithful will need to have Me direct your angels to guide you to My refuges. This will be your place of protection throughout the tribulation and the Antichrist's reign. Then I will come with My Comet of Chastisement to vanquish all evil and renew the earth for My Era of Peace. Be patient with this trial of evil, and you will soon see My triumph."

Wednesday, June 2, 2010:
Jesus said: "My people, you have a drug culture at all levels of your society that provides a market for all of the drug smuggling underworld. Once unsuspecting people experiment with drugs, then some get addicted, and their lives are ruined. Many thefts and killings occur in your cities because of the addicts feeding their habit and the dealers making big money. Even some have advocated for marijuana to be sold publicly beyond health reasons. This is a huge industry from Columbia and Afghanistan that has only added to the crime and degradation of your society. Drugs and alcohol are escapes for people who cannot deal with life's trials, but these addictions make things worse. These dealers prey on the young and the poor for their new

customers, and you need to warn your children not to get involved with these evil people. Stopping the traffic of drugs is a big problem, especially when the dealers pay off the enforcers. People need to trust more in Me for help instead of relying on drugs and alcohol. The devil is behind this destruction, so do not let these things control your life."
Jesus said: "My people, you are dealing with a foreign oil company and they have been slow to try various ways to stop this oil from leaking into the Gulf of Mexico. The huge cement containment device failed, and the mud and cement 'top kill' failed to slow the flow as well. Every attempt has not been tried at such depths, which is why the cold temperatures and heavy pressures are causing problems. There is an urgency to stop this flow and people do not want to hear of several months until another well can be drilled to take off some of the pressure. Investigation of the explosion has still not revealed any main malfunctions or causes, other than a possible natural gas explosion from a faulty relief valve. Damage to the fishing and tourism in the area has created a financial disaster as well as an environmental disaster. This man-made disaster is becoming worse than even the hurricane damage. Pray for a rapid solution to this leak and a strong effort to clean up the oil. This is demonstrating how there is less control in fixing deep water wells, and it could hinder such oil sources in the future as insurance costs will be expensive."

Thursday, June 3, 2010:
Jesus said: "My people, not all caves will be good places for refuges. There are many caves in various places, but some have too much water and are too vulnerable to flooding. My angels will only lead you to caves that have dry spots and air to breathe. If necessary, they will even carve them out for you for a place to stay. My angels will also guard you from the evil ones and make your cave invisible to even

dangerous animals. You will need some water in the cave and a tent for a warmer place to stay. Food will be multiplied for your needs. Trust in Me that I will provide for you in the tribulation time. You could even survive on the daily Eucharist that My angels will bring to you. So have no fear of this evil time when My angels will make you invisible, even in the caves."

Prayer Group:

Jesus said: "My people of America, you have just celebrated Memorial Day when you honor all of those who died for this country to keep it free and strong based on the God-given principles in your Constitution. Under your Bill of Rights you have your guaranteed freedoms, but you have the one world people trying to take away these freedoms. Many laws and decrees of Congress and the President are trying to take away your freedoms. Hate Crime legislation and your Health Law are attempts to take away free speech and mandate chips in the body to control your minds. Once you see martial law, mandatory chips in the body, and a division in My Church, it will be necessary to go to My refuges for protection. Trust in Me to leave quickly once you have been warned that it is time to go."

Jesus said: "My people, at times you need to discern if major events in your headlines are being purposely trumped up to take your mind off the plan of the one world people to take over your country. You have seen in the past how the one world people are famous for creating problems and then proposing solutions which move you closer to a one world government. This oil rig explosion is too convenient to stop more off shore drilling for oil. These constant wars are too convenient to keep your military industrial complex in business. The central bankers are leading you into bankruptcy for one purpose, and that is total control in the North American Union. This is the plan that the one world people are covering up with their made up events. Fear not because I will come to vanquish this evil lot."

Jesus said: "My people, when your people were about to vote into office your last two presidents, I told you that you had an opportunity

to do away with abortion and your wars. Unfortunately, neither the Republicans nor the Democrats have helped to remove these burdens from America. Instead, you continue your abortions, your wars, and your exorbitant spending. Because you have not changed your sinful ways, you are still suffering the consequences of your sins, as My blessings have been taken away. Today, Wall Street's corporate greed is controlling your government, and the central bankers are controlling your interest rates at zero and limited loans. As your people are losing their faith, so America is sinking into the abyss of its own sins."

Jesus said: "My people, the near term future for America is getting worse with each day. It is only My faithful remnant and their prayers that have postponed My coming judgment against America. Your prayer groups are your core members to prepare the people for your refuges in the coming tribulation. Those, who depend on Me for everything by faith, will have your reward both on earth and in heaven. When you leave your homes for your refuges, you will truly be trusting in Me for all that you need."

Jesus said: "My people, some people are afraid and concerned what will happen to them during the time of the coming tribulation. I assure you that My angels will be protecting your souls from all of the demons. Some of My faithful will be martyred and become instant saints in heaven. The rest of My faithful will be protected in your own shelter at My refuges. This light in this house of the vision is an example of how you will be protected by an invisible shield at My refuges. So have no fear as My angels will protect you."

Jesus said: "My people, I have asked My faithful to have their backpacks ready to leave at any time. Those, who have interim or final refuges, also need to be ready to accept My faithful when I warn you of the time to leave. You know of the mandatory chips in the body that will come as your new Health Law is implemented within three years. Once this takes place, you will need to leave for My refuges. This is just one sign of many that your refuge time is close. I have prepared you for this moment for many years, and soon you will see it

brought about in your lifetime."
Jesus said: "My people, I want to give you this vision of hope in how you will be rejoicing in My Era of Peace after you have endured the evil time of tribulation. You know that I will be the victor in the end against Satan, the Antichrist, and the rest of the evil ones. All that you are suffering now will be well worth your reward in My Era of peace and in heaven. In My Era of Peace you will see no evil and everything will be provided without working for it. You will be singing My praises daily as you are perfected to enter heaven. Rejoice in My coming victory. As you see the Antichrist about to take power, know that your redemption is at hand."

Friday, June 4, 2010:
Jesus said: "My people, I have warned you for a long time that the one world people have wanted to force implantable chips in your body since their first attempts at National Health Insurance. I gave you messages that implantable chips in the body were a part of this legislation before you even read the bill. You have found and shown the people the words of 'implantable' devices in HR 3200 before it became law. For those who still doubt that this is in the legislation that was finally signed into law, you could do some more research into the Senate bill and the combined bill in conference that your President signed. The Senators and Congress people did not go to all the trouble of changing parties to get 60 votes in order to pass this legislation without a reason. The one world people have forced chips in the body through your Congress, as they have forced through all of your other spending bills that are expanding your National Debt to near bankruptcy. Once mandatory chips in the body are forced on your people, then it truly will be time to go to your refuges. This mark of

the beast is one of your big signs of when to leave your homes. Be ready to leave when this Law is implemented. Have no fear because My angels will protect you."

Jesus said: "My people, many of you know about the chemtrails that have littered the skies for over ten years or more. You also have seen the difference between a water vapor trail that disappears quickly called a 'contrail' and a 'chemtrail' that lasts much longer until the wind disperses it. Most people are not aware that military planes and some commercial planes are used to put these trails in the sky. Most of this work is secret and there has been a news blackout on this subject in your media. Some people have developed flu-like symptoms after such trails have been used. Some articles have claimed they are being used to cool the global warming problem and counteract the Russians' use of weather making machines to cause droughts. Since the one world people want to reduce the population with virus diseases, it would appear their best use of this technology is to first destroy your immune system so you would be weak to their deadly viruses. Then they could spread viruses that could kill more people. Many articles on chemtrails are on the internet, but it is hard to discern any facts for their validity because it is not being researched or discussed openly. Pray that some authoritative information could be gathered as to the purpose for why these chemtrails are being used. If they are truly detrimental to your health, then there should be an investigation to stop this work. There are some tests which have revealed that they are causing sicknesses in people, so this should be a national concern. Pray for your people to build up their immune systems with herbs and vitamins to counteract any viruses being spread by the chemtrails. Especially have Hawthorn tea or pills available."

Saturday, June 5, 2010: (St. Boniface)

Jesus said: “My people, when you hear the Gospel of the widow’s mite when she gave to the temple all that she had to live on, it gives everyone pause to think of what you do in charity for others. As you see in your own life, it is your deeper concerns with your larger donations and your willingness to donate your hard work that mean more to you. When you give a few dollars to a church or a foreign mission, these are just token donations with little heart in it. At other times you may help people at your food shelves or even some hard work for your family members where your heart is really a part of your giving. It is these situations that will truly gain you more treasure in heaven than your token donations from your excess wealth. If you truly want to be sincere in your charity, then it is your heartfelt investments of time and money that will have more meaning in your life. This is the true love for each other that should be driving the intentions of your actions.”

Sunday, June 6, 2010: (Corpus Christi)
Jesus said: “My people, today’s feast of My Body and Blood is to honor the institution of My Eucharist when at every Mass the priest consecrates the bread and wine into My Body and Blood. When you receive Me in Holy Communion, you truly are receiving My Body and Blood under the appearances of bread and wine. This belief in My Real Presence should be emphasized more by your priests because many people do not fully believe in or understand that I am really Present in My Blessed Sacrament. In the vision of My walking to the cave for refuge protection, this represents how I am going to multiply My spiritual Manna so everyone at My refuges will have Holy Communion from My angels. It also represents how I will multiply your food at My refuges during the time of tribulation. Just as I multiplied the fish and bread for the 5,000 and the 4,000 people, so

you will again see My multiplication of food during the modern day Exodus. So have no fear of what you will eat or what you will wear, or where you will stay. Your Father in heaven knows your needs and you will be provided for during this coming time of evil."
Jesus said: "My people, you are comfortable now because you can eat anything you like, and as much as you need. When it comes time to go to My refuges and My interim refuges, the food that is stored will be multiplied as well as the deer and My Eucharist. At times you may have to eat what is available, even if it may not be food that you like. There will be a little suffering in what you eat, and you may have a more limited choice of foods available. For those, who are storing food, you may have to check to see if any of your food has spoiled, and it may have to be replaced. Once the tribulation begins, I will see to it that none of your food will spoil. If you do not have electricity for refrigerators, you may have to make root cellars in the ground to help preserve your food. Do not worry if you will have enough food for everyone, because as in today's Gospel I provided an abundance as there were twelve baskets of leftovers. Trust in Me during the tribulation since I will provide protection, water, food and shelter for everyone. I still encourage those who have trades to bring your tools and some supplies. Whatever you bring will also be multiplied. I take what little you have, and I will multiply it for everyone's needs."

Monday, June 7, 2010:
Jesus said: "My people, why is it that man continues to seek comforts even at Mass and Confession? Some are reluctant to attend Sunday Mass if it is raining, snowing, windy, or too hot without air conditioning. I suffered much more for you on My cross in My crucifixion. I am asking you to come and give Me praise and glory on Sunday at Mass. Those, who come to Sunday Mass, have an

opportunity to receive Me in Holy Communion which is the food that you need to have eternal life. Experiencing My Real Presence worthily gives you My grace to strengthen you against sin. My faithful need to encourage your family members to attend Sunday Mass regularly for the benefit of their souls, and to avoid sin against My Third Commandment for those who knowingly refuse to attend. When you receive Me in Holy Communion, you should be free of any mortal sin by going to Confession at least once a month. My sacraments are available to nourish your soul with My graces. Take advantage of these opportunities now that may be difficult to find as more churches are closing."

Jesus said: "My people, ever since Abraham was led into the promised land, the Hebrews, Jews, or Israelites have had to fight for their land. In recent news the Jewish people have been taking criticism for their raid that killed people when they were enforcing their ship blockade of Gaza. It is not clear if those killed were done out of self-defense. A terrorist element has taken over Gaza with a purpose to eliminate Israel which is why Israel is trying to stop rockets from entering Gaza. Many nations have been outspoken against Israel and even some media people. Just as the Jews, Christians have also been criticized and persecuted throughout history, especially by Muslims. This criticism of Christians has become more open recently. Many other religions would take more offense at such treatment if they were persecuted as the Christians. I have asked My people not to fight with weapons, except for self-defense, and not to make a defense of living your faith. As the tribulation comes, your life will be more in danger as Christians will be targeted for killing. Some of you will be martyred, while the rest will find safety at My refuges of protection. My angels will make you invisible, and you will be healed of your health problems by looking on My luminous cross. Have no fear of these evil ones who are trying to kill you, since you will see My protection and how I will have all of these evil ones thrown into hell."

June 17, 2010
Tuesday, June 8, 2010:
Jesus said: “My people, in the first reading (3 Kings 17:8-24) you read of Elijah and how he was sent to a widow of Zarephath of Sidon during a famine in Israel. For one year Elijah prayed that her jar of flour and her jug of oil would not be used up so that he, the widow, and her son could survive the famine. This is one of many accounts where I allowed a multiplication of food from what little the people had. I also multiplied the bread and fish for the 5,000 and 4,000 people when I was on the earth as a man. Even so when you come to My refuges during the tribulation, I will again multiply the food, water, and shelter that you will need. My angels will help in the distribution of food, especially My daily Communion. The angels will also help in finishing refuge buildings and help in multiplying the buildings so everyone will have a place to stay. This is why My faithful should have no fear of the end times because I will see to your needs in miraculous ways that you cannot imagine. Remember that with Me all things are possible.”
Jesus said: “My people, there are electronic data banks that hold information on every aspect of your life, and much of it was acquired by your government without your consent nor a proper warrant for due cause. They know all of your financial records in how much you own. They know your buying patterns by your charges which they sell to commercial businesses. They have all of your phone records and e-mails. They know of all of your travel plans and travel patterns. They know your friends and contacts. They know if you write letters to the editor or your Congress people. In short they know your political opinions, your religion, and even your donations to charities. They know where you worked, your education, and your type of job responsibilities. With all of this electronic information stored in duplicate, it takes a vast array of computers to update your

information. When the one world people want to make up a red list to kill you before martial law, or a blue list to kill you after martial law, they will use this information against you as being against the new world order. This is again why I will warn My faithful on these lists before the men in black will come to your home to capture you before martial law occurs. The evil ones know who will reject their chips, and that is why they will exterminate any objectors. The rest of the people who take the chip in the body will already be under their control. Because of this evil plan, you will need to seek out My refuges to avoid the evil ones who want to kill you. By My grace your guardian angels will make you invisible once you are down the road away from your home, and they will lead you to the nearest refuge. Trust in Me and My angels for your protection and your needs."

Wednesday, June 9, 2010: (St. Ephrem)

Jesus said: "My people, in today's first reading Elijah used a sacrifice to demonstrate God's power over man's worship of other gods, as Baal. After Elijah criticized the Baal worshipers for not bringing fire down on their sacrifice, he called on Me and God the Father to bring fire down on a water saturated offering. Once the fire consumed the whole sacrifice, the people announced twice: 'The Lord is God.' The Jewish people were weak at times, as all of mankind are, but at other times as at the Red Sea and in this account, they were faced with the obvious truth of Our existence. This vision of Marino's story in the cave is another example of how he called on his New Age gods and crystals to help him in his rebel captivity, but nothing happened. When he called on Me finally, he received an eight hour Warning experience that converted him from many years of New Age teachings. Even today people can look back in their lives and see how I have helped them get through many desperate situations. Even in

your own ministry, you have seen many confirmations from your own messages that have come true, and from others who have confirmed your authenticity through various signs. Still there are some people who worship worldly gods and material things instead of Me. Once these people are confronted with threatening situations, they soon see that their money, possessions, and worldly gods cannot help them. I am the only One who will love you and take care of you because you are My creations. The devil hates you, and the worldly things are cold and are gone tomorrow. Even in your modern world, you can see in these examples that 'The Lord is God.' as the Israelites proclaimed in the reading."

Jesus said: "My people, public information about comets and asteroids is sketchy at best. This current comet (C/2009 R1-McNaught) that you are following was seen coming at first in September, 2009. Unless this information is public and available, very few would know about it. I have mentioned before that there will be a bright comet that will be in the sky on the day of the Warning. This trajectory will be so close to the earth that this information will be blacked out until many people will see it. Any comet that comes from behind the sun could be blocked from view for a time. Certain comets may not get very bright until they are close to the sun. This comet of the Warning will be significant because it will return to hit the earth as the Comet of Chastisement. As this Warning event draws close, it would be good to confess your sins monthly so you are ready to meet Me at your mini-judgment. The Warning will be experienced by everyone at the same time and you will be warned not to take any chip in the body and not to worship the Antichrist. You also will be notified that a time is coming to leave your homes for My refuges. Pray for your acceptance of this trial as you will need to be at My refuges to avoid being killed by the evil ones. Trust in My angels to protect you. Use this Warning experience to evangelize your family members, since they will be most open to your words about Confession for their souls at that time."

June 30, 2010

Thursday, June 10, 2010:

Jesus said: “My son, many times in your talks you have stressed the need for forgiveness in your lives because it is not easy for man to go against his nature. The first meaning of forgiveness is to be able to come to Me in the priest at Confession to confess your sins. You come with contrite hearts because you are sorry for having offended Me. Even in the Gospel I told the people if you have to go and make amends with your neighbor for harming him or her, then do so and bring your gift to the altar. Someone may come up to you and beg for your forgiveness for something they have done to you, and you need to be willing to forgive that person. Just as I forgive you unconditionally, so My faithful need to be able to forgive everyone. Even as I have forgiven your sins, you also need to forgive yourself so the evil one cannot use your past sins against you. The only sin that cannot be forgiven is the sin against the Holy Spirit which is really the sin of not having a forgiving heart. If you have sinned and you do not want to acknowledge your sin or ask My forgiveness, then this sin will not be cleansed, and it could lead you to hell. You have until your dying breath to seek My forgiveness, but do not wait until then because you may die suddenly without any time for a last minute repentance. I love all of you very much, but souls must say that they are sorry for their sins, or they cannot enter into heaven.”

Prayer Group:

Jesus said: “My people, you are fortunate to have My Divine Mercy image to pray in front of tonight. You will have extra graces by virtue of this image and the promises given to St. Faustina. It does not matter what the cost of the picture is, but it is having it before you that is most important. You need to look more into the order of your own picture, and if it cannot be delivered within a week, you could look

elsewhere."
Jesus said: "My people, just as you have seen an increase in serious earthquakes with thousands being killed, so also your world wide volcanic activity will be increasing as well. If enough volcanoes emit enough smoke and ash into the upper atmosphere, you could see an increasing haze and a possible reduction in your temperatures. You have seen the effects of such volcanoes on your plane routes, so further activity could affect your travel in areas around the active volcanoes. These are more signs of the end times that are coming upon you."
Jesus said: "My people, you have been gradually leaving Iraq, but more troops are being sent to Afghanistan. These constant wars are not accomplishing much, but they are costing you dearly in lives lost and in Defense spending. Just as you are leaving Iraq, you need an exit strategy as well for Afghanistan. Your country cannot afford wars and spending on your domestic programs at the same time. This is increasing your National Debt beyond what you can pay back. America needs to rein in its spending before it becomes like the countries in Europe. Pray for a resolution to your exorbitant spending before you become bankrupt."
Jesus said: "My people, you have seen My messages giving you many helps in getting your refuges ready. You also have been receiving more messages concerning My Warning that is to come. There has been a tone of urgency in these preparations because your time of tribulation is growing closer every day. Your government is planning mandatory chips in the body with your current Health Plan which will be implemented within three years. If this is truly carried out according to the one world people's plan, then your time to leave for your refuges is truly close. It is better to be prepared to leave on short notice than to concern yourself with the actual date of the Warning or the beginning date of the tribulation."
Jesus said: "My people, I have shown you the luminous cross at Thermal, California as an example of what these crosses will look like

in the sky at all of My refuges. These crosses will be miracles of My healing graces that will be needed for your health needs. During this coming tribulation, the evil ones will be trying to kill many people with pandemic viruses and natural disasters. You will be protected at My refuges by My angels when you look on My luminous cross or drink the spring water. You will truly be healed of all of your health problems. I will also see to spiritual healings as well at My refuges for those who are weak in their faith."
Jesus said: "My people, you have seen the oil spill disaster and its effects on your beaches and on your fishing industries. In addition to these threatened jobs, there is an increasing threat to the 30% of your oil production from this offshore drilling with the new drilling moratorium. As your own energy production could be threatened, your prices for your fuels could eventually rise with these problems. Cleaner energy sources are desired, but it will be hard to supply your immediate energy needs if there is a reduction in your national oil production. Pray for some quicker energy solutions and even reductions in your energy usage."
Jesus said: "My people, I have been speaking much about physical preparations at your refuges, but you also need to be preparing spiritually as well. It is true that your lifestyles will change dramatically at My refuges, but even more so you will be living in complete trust of how I will provide for your needs. This new life could make you into saints because you will be following My plan much more than you are right now. Increases in your prayer, fasting, and giving praise to Me will be much more rigorous, so you can start preparing for this new life in your present spiritual lives now."

June 30, 2010
Friday, June 11, 2010: (Sacred Heart of Jesus)
Jesus said: "My people, today you celebrate the feast day of My

Sacred Heart which is shown as a flame of love on My Heart. It is also pictured with a crown of thorns around the middle of the heart to remind you how I gave up My life for everyone's sins out of love for humanity in My death on the cross. You have asked Me what to say to people about having faith in Me and what people should receive in the Mass. Faith is a gift as you know, and I do not force My love on those who do not want to love Me. You are faced with two basic choices. You can love Me and seek heaven as your eternal destination, or you can love the worldly things and accept hell for all eternity as a consequence. I am your Creator and I love each of you enough to die for your sins. I have given you My Commandments as a guideline for how you are to live in this world, but they are truly based on love of Me and your neighbor as yourself. Some people want signs of My Presence in their lives, but you can see how I enable you in your physical and spiritual lives. When people pray, they should know that I answer their prayers most when they will help your soul or other souls. Everyone in life is tested with trials in work, health, and the same for your loved ones. There are evil people in the world and they choose to kill and steal from others. Sometimes you will be in accidents or have chronic medical problems. It is not easy to bear the crosses that you carry in life, but you can offer up any pain or discomfort for your sins or the sins of others. People of faith direct their lives to please Me and love Me in all that they do without question because they know their reward will be great in heaven. Do not let the evil one direct you away from Me by indifference or desires for worldly possessions. In the end you will face Me in judgment with only your good deeds to balance your sinful actions. It is your soul that lives on forever, so protect your soul from sin and come to Me in seeking the forgiveness of your sins. By confessing your sins in Confession, you will be freed from the bonds of sin and are promised a beautiful life with Me in heaven."

Jesus said: "My people, I have put it on the hearts of many people to start preparing a refuge for the end times. Some have declined because

they thought it was too much for them to take on, or they did not totally believe that the end times are coming soon. Others have given their 'yes' because they felt that I was calling them in faith to do this to help the many Christians who will be seeking a place of protection during the tribulation. Each refuge should be consecrated to Me preferably by a priest, and have an independent source of water on the land. People, who have discerned in prayer at their refuges, are getting some food supplies that will be multiplied later for the people who will be directed there by their angels. They also are preparing at least one building for people to stay in beds. This building will also be multiplied so many people will have a place to stay. Those, who are preparing refuges, will have their reward for reaching out in faith to help others. When you see the evil ones killing Christians, and when they make it mandatory to have chips implanted in your body, then you are to call on Me and I will have your guardian angels lead you to a proper refuge. This will be your place of protection thanks to those who have answered My call. Over every refuge you will see My luminous cross where those, who look on it in faith, will be restored to good health. At My refuges many people will have their spiritual lives perfected from any worldly desires, even as many saints gave up everything so they could follow My Will more perfectly."

June 30, 2010
Saturday, June 12, 2010: (Immaculate Heart of Mary)
Our Lady said: "My dear children, you have heard my Son, Jesus, describe the places of refuge, and one of them is at places of my apparitions to my little ones. You are being shown the water that came forth from the ground at Lourdes, France when I directed St. Bernadette to dig a hole at that place. This became a spring of healing water and Lourdes is famous for so many physical healing gifts. What you may not know is that many souls are healed as well with the

spring water. I am emphasizing this healing spring water because this will be found at every refuge just like at Lourdes. Even if a refuge may not originally have water on the land, after the tribulation begins, there will come forth a spring of healing water. This healing will be in addition to the luminous cross that will be at places as Garabandal, Spain where I also gave apparitions to the young girls. Rejoice that you are being cared for by my Son and the angels at the refuges prepared for my dear children."
Jesus said: "My people, those, who work for a living, do need a rest and some time for recreation. The problem comes when people spend too much time watching TV and they forget about their other responsibilities, especially their prayer time. Usually, in a home situation each member of the family should make their contribution to keep their dwelling clean both inside and in the yard. Working for a living is expected for most people, but some have difficulty finding work, or are content to be on welfare. You have been given a gift of time and good health, so everyone has to make an accounting of your time when you come to My judgment. It is best to fill your time with work, prayer, and good works as evangelizing souls. This life is very challenging in providing a living, and bringing up your children in the faith. Pray that you will have the strength and courage to carry out the mission that I have given you without letting your own worldly desires interfere. Your spiritual life requires daily prayer to nourish it, even as you rely on praying to Me in helping you with your daily troubles. Keep focused on Me in your life and avoid wasting your precious time on earth."

Sunday, June 13, 2010:
Jesus said: "My people, in the first reading the prophet Nathan chastised King David for purposely putting Uriah the Hittite in the

heaviest part of the battle so he would die, and then David took Uriah's wife to be his own wife. King David then repented for this indirect murder and his adultery, and asked forgiveness of God for his sins. Even My chosen ones have committed sins and I gave them the opportunity to come to Me in repentance. In the Gospel a woman, who had committed many sins, washed My feet with her tears, dried them with her hair, and applied ointment to My feet. For her sincerity in faith I forgave her sins. I then explained to Simon that those, who are forgiven more sins or more serious sins, have a deeper love for Me and are more thankful than those who are forgiven fewer sins or less serious sins. Those disciples of Mine, who love Me dearly and are given many understandings of My Law, will be more responsible for when they sin against Me. All the more reason that My faithful should confess their sins at least monthly because they know better, and have no excuse for committing their offenses against Me. Still I am all forgiving of any sinner who comes to Me for repentance. This is also why there is celebration in heaven for even one repentant sinner. I love all of you and I wait for you to come to Confession when I can forgive your sins and restore My graces to your souls."

Monday, June 14, 2010:
Jesus said: "My people, you know there are evil ones on the earth that think only of plundering the poor and defenseless for their physical gain. I love everyone and even these thieves. You also are to love everyone as well, and be prudent in your dealings with such people. Do not harbor grudges or anger toward them, but pray for their souls. All the things of this world are passing away, so do not be so

possessive of any wealth. In this vision the Babylonians abused the temple vessels of Israel, but you saw the fall of these people for their wicked deeds. Do not judge because thieves and murderers will have to answer to Me at their judgment. Instead, keep peace in your soul as I will provide for your needs, despite any disasters or thefts that come into your lives. At one point you will have to give up your wealth since you cannot take it with you, even into My refuges. So be at peace whenever you may be stripped of your wealth. Focus on loving Me and doing My Will, and that will be enough for you to accomplish."
Jesus said: "My son, you have had to deal with some trials on this trip. You had a difficulty swallowing at one meal in the restaurant. This was a suffering that could be used to help souls that come to your talks. You have had such physical trials before for the benefit of souls. The unusually heavy rainstorms are just one more sign of the natural disasters that are increasing in these end times. Every time that you see such an event outside of the ordinary, your people take notice of it. These increasing signs of the end times, that are described in the Bible, are telling you how close you are to the tribulation and My coming again. My faithful are blessed with these messages so you can be prepared spiritually and physically for what evil that is to come. Focus the most on how I know this evil, and how I will defeat it with My angel power in protecting you at My refuges. Have no fear of these end times, and be ready to enjoy your reward for standing up to the evil ones when you will be brought into My Era of Peace."

Tuesday, June 15, 2010:
Jesus said: "My people, you are seeing people traveling to and fro as in Daniel's prophecy. A time is coming when you will see a division in My Church between a schismatic church and My faithful remnant.

This schismatic church will be teaching New Age heresies. New Age teachings focus on praying to things of the earth and not a word about Me. The schismatic church will also teach that the sexual sins are no longer serious sins. Remember to leave any churches who teach New Age or have statues of gods and goddesses of New Age. My faithful remnant will be true to the teachings of My apostles, but they will be seeking an underground church to avoid the false teachings of the schismatic church. This underground church will be like your current prayer groups that will be bringing My prayer warriors together and getting them ready to go to My refuges. This will be close to the time to travel to My refuges when you see this division in My Church. The devil will be misleading some people in My Church, but they will have a chance to change their lives at My Warning. Those, who refuse to change their lives, could be misled into following the schismatic church. Those, who follow Me in daily prayer, are those who will be led to My refuges, or may be martyred for their faith. Be at peace that I will protect your souls, but you will be tested in your faith during the tribulation. Pray for My strength to endure this trial and you will have your reward in My Era of Peace and in heaven."

Wednesday, June 16, 2010:
Jesus said: "My son, you have encountered some struggles and suffering before on your speaking trips. Take these things in stride and be happy that you can suffer for the souls that you are meeting. You endured a problem with your swallowing, a struggle with your plane flight in staying overnight, and even a little test of rain getting to your car. When you are helping souls in their spiritual trials, you have seen how the evil ones are not pleased and they try to disrupt your peace. This was not as bad as your car accident, but I sometimes allow these testings as the price for these souls. Understand this battle for souls

even if you are asked to suffer a little physically and financially. Once you realize why you are suffering, then you will understand. You are doing this work for Me and all that you suffer will store up treasure in heaven."

Thursday, June 17, 2010:
Jesus said: "My people, the Israelites were fortunate to have the prophets who I sent to keep bringing them back to Me from worshiping pagan gods. When My people worshiped other gods, I would pull back My blessings and allow their enemies to have the better of any wars. Once the people listened to My prophets and changed their lives, they were restored to the Promised Land, as when they were set free after the Babylonian Exile. America at the outset has been a God-fearing people, but there is an evil that is influencing your people to worship material things as gods instead of Me. Again I send prophets, even in this modern world to try and bring My people back to their senses to give Me proper worship in your churches. Unfortunately, your people do not want to listen to My calls to change your sinful lives, and I am again taking away My blessings. Your enemies of the one world people are being allowed to take over your freedoms. Your people only take notice when you face major disasters, but even after such incidents pass, your people return to their sinful ways. In the days of the early Jewish people, the prophets were persecuted and sometimes killed because the people did not want to hear the truth, and they fell away from Me. I have told you that if they persecuted Me, they will persecute My prophets of today. Do not be surprised that My prophets will again be persecuted and killed as the time of tribulation brings about the evil of the Antichrist. My faithful need to trust in Me to protect them, especially at My refuges."
Prayer Group:

Jesus said: “My people, you know how much I love all of you because I gave up My earthly life so all of you could have salvation from your sins. I am asking you if you would be ready to die for Me if you had to choose between dying for your faith or living in denial of your faith in Me. Giving up your life for your faith is the decision that made saints out of some of My disciples. Knowing that you will be a saint instantly is a consolation for those who are martyred. Even if you are not called to be a martyr, My disciples can die to self so you can give your will over to My Divine Will. These decisions require a full commitment in the heart and soul to the mission that I have given each of you.”

Jesus said: “My people, making a discernment in your vocation takes a commitment of vows if you choose to be married or to be living a religious life. You are constantly praying for priestly vocations because priests are needed for Mass and the sacraments. Living a celibate life takes a bit of sacrifice in not having a wife and family. Living a married life requires doing all that you can to please your wife or husband, and a commitment in bringing up your children in the faith. Even a single life requires a commitment to live your lives in My service. Walk in faith in your vocation and be faithful to your vows of marriage or the religious life.”

Jesus said: “My people, you go through life every day without always thinking if you are ready to meet Me at your judgment every day. When you are faced with a life threatening disease or cancer, you have a different outlook on the value of every day that you are alive. After living into adulthood, it is easy to assume that your life will go on to an old age. Your time on this earth is finite and you should value every day in how you could serve Me and your neighbor. Do not wait until you are near death to appreciate the gift of life that I have given you. Make daily prayer and good deeds a part of your day’s commitment to loving and serving Me.”

Jesus said: “My people, you have been to funerals enough to know how hard it is to mourn for a parent or another relative. When you

hear a eulogy, it gives you pause to consider how the deceased has been a part of your life. You can even think of yourself and how you are a part of other people's lives. Your life on earth is so short, as time passes you by very quickly. All the more reason to live with love in your heart for everyone. Be a good example of a holy life so others can see you as a model to live their own lives. My prayer warriors need to do all that they can to evangelize souls. Saving souls for Me is one of your greatest acts of kindness that you could do for them."
Jesus said: "My people, at times you desire to go on retreats to break up your day to day work so you can think about how to involve Me more in your life. Retreats give you a chance to freely express your love for Me and maybe plan how to improve your spiritual life. Making more time for Me and helping your neighbor can expand your ways to express your love for Me. Even if you cannot break away for a retreat, take some time during the day to do a mini-retreat in some quiet contemplative prayer."
Jesus said: "My people, if you can make some time to help people in an organized charity, it will be rewarding to see those whom you have helped. Some people work in hospices, food shelves, hospitals, or prison work. Whatever way, that you could use your talents to help someone out of charity, will be most appreciated by those who you are helping. You remember the joy in the faces of the people when you brought food to them in their need as you were working for your town's food shelf. Give a part of yourself to others, and it will make you feel fulfilled that you were able to help someone. Every time that you help someone, you are helping Me in that person also."
Jesus said: "My people, at times you could see power outages or storm damage that made someone's home unusable. If your neighbor is in need of food, a place to stay, or you are able to help repair a home, then reach out willingly to help that person. Neighbors should be there to help each other face the disasters of life. Helping people until they can get back on their feet is what you are called to do as a loving Christian. Be willing to give time or money to various charities

and you will be storing treasures up in heaven."

Friday, June 18, 2010:
Jesus said: "My people, I have told you many times how all of your good deeds for your neighbor will gain you more treasure in heaven than any thanks that you receive on earth. On the other hand, if you receive money and tax advantages for your work, then you already have received your reward on earth. There are some people, as in the vision, who struggle all through their lives to amass fortunes in earthly wealth. Then once they have acquired a large amount of money, they are content that they will be able to live a life of luxury. This is just like the parable of the rich man who tore down his smaller barns to build bigger ones so he could store all of his harvest. But then his life was required of him and I asked: 'To whom will all of this wealth go to?' Those, who store up riches for themselves without sharing, are never content to have enough, and they are rarely happy in this life because money is cold without love. But those, who store up riches in heaven, are much more joyful in sharing what they have with others. Money and possessions do not satisfy the soul because they please only the senses. I emphasized that wherever your treasure is, there is your heart also. If your treasure is in your possessions on earth, then your heart is wrapped in the love of worldly things. But if your treasure is in heaven with Me, then your heart is in love with Me. Keep your heart focused on Me with your goal on heaven because you are a spiritual being with a soul that can only be satisfied with being with Me in heaven for all eternity."
Jesus said: "My people, in the original Health Bill in the House there was a provision for setting up a National Database with a National ID appointed to those in the new plan. This will eventually be expanded to include everyone as you approach a National Health Plan. In order

to verify your Health ID number, there was an original plan to use implantable microchips as the Verichip. Because many complaints were heard for using chips in the body, the government plan may start with a smart card first. Later, a chip will be placed in the body. Even if you cannot find the word 'implantable' in the final version that was signed, it will eventually be decreed in some fashion as your driver's licenses and passports now require microchips. The evil ones running your government have planned for years to use chips in the body to control you, and they will carry out mandatory chips in the body in due time. Continue your research to follow when they plan to implement chips in the body for everyone. Trust in Me to protect you at My refuges when you will need to leave your homes."

Saturday, June 19, 2010:
Jesus said: "My son, I am giving you a glimpse of what it will be like in heaven as a consolation for all that you have been enduring recently. You were being led by your angel to see all of the beautiful colors in heaven. You could hear and have a joyful feeling of how My angels are constantly singing My praises. Then you could see My saints standing around Me, and I was sitting on My throne wearing a crown as your King. This glimpse of heaven gave you a feeling of My love and peace that is hard to describe in earthly terms. It is enough to experience heaven without being able to explain it. You have had this experience before and you did not want to return to earth, but your mission is not completed yet. Just tell the people that they need to strive to be with Me in heaven because it is beyond your imagination how beautiful you will feel in being with Me in My love."
Jesus said: "My people, I have advised you to have some food on hand until you have to leave your homes for My refuges. When I first suggested this food option as food insurance, there was no time given

for how long you may have to store this food. Food will be needed in case your money becomes worthless or you need a microchip to buy your food. You also could have a world famine when food may not be available. Different kinds of food can be stored. Nitrogen packed freeze dried foods will last up to forty years. Meals ready to eat will last for ten years. Canned foods normally last only about five years. I have mentioned several times to recycle canned foods to help avoid spoilage. Unfortunately, there are some who stored canned foods indefinitely and they did not know how long events will take to go to My refuges. As a result some people have had to discard the spoiled food and replace it only with recycled canned foods or the other foods that I mentioned. In cycling food you use the oldest food first and store the new cans to be used last. There is still a need for food insurance, but now you know how to store it without knowing the time to leave which is closer than when you first started storing food. Trust in My help so you can share your food with others. It was never meant to be hoarded, but eventually multiplied for your neighbors to have what is needed."

Sunday, June 20, 2010: (Father's Day)
God the Father said: "I AM is with you at all times, and I am truly the Father of everyone. I am blessing all fathers on Father's Day as they direct their families both financially and lovingly in sharing with their children. The rest of their families need to give respect and thanks for the fathers who many times are the heads of the household. It is unfortunate that a father and mother family is now in the minority in your society which tells you how your family traditions are being destroyed. In the Gospel reading My Son, Jesus, was asking His disciples who He was. I have answered 'This is My beloved Son, listen to Him.' This was My announcement both at the Baptism of

Jesus and His Transfiguration. St. Peter was empowered by the power of the Holy Spirit and My power to proclaim: 'Thou are the Christ, the Son of the living God.' (Matt. 16:16) My Son then proclaimed to St. Peter: 'Blessed are thou, Simon Bar Jona, for flesh and blood have not revealed this to thee, but My Father in heaven.' (Matt. 16:17) I sent My beloved Son as a sin offering to save all of mankind by His death on the cross. This shows you how much the Blessed Trinity loves all of you. It is by faith in believing in Us that you will love Us as well, and follow the mission in life that We have given you. By your mutual love of Me and your neighbor, all of mankind can be united in harmony with all of My creation."
Camille said: "I was watching the people who were stealing the flowers from my grave, and I thought they were pretty cheap to not buy their own flowers. It is definitely rude to steal from a grave. I am sorry that I will not be celebrating Father's Day with you at your picnic, but wish me a happy Father's Day anyway. I love you and I am still moving around to let you know that I am still active."

Monday, June 21, 2010: (Aloysius Gonzaga)
Jesus said: "My people, it is wrong to make judgments about people and ruin people's reputations with your gossiping behind their backs. You would not like people to do that against you in secret either. In the Gospel I was asking people how could they see the splinter in their neighbor's eye while they had a wooden plank in their own eye. Leave any judging to Me because it is not your place to judge anyone. Before you criticize or preach about proper behavior, you need to have your own spiritual house in order so you are not a hypocrite in your own actions. Be prepared to practice what you preach, or others will not listen to your words. Be sure to give good example to others because your actions speak louder than your spoken words. I love you

all so much and you can use My life on earth as a model for your own behavior. I realize that I did not commit any sin, but strive to be perfect as your heavenly Father is perfect."
Jesus said: "My people, you have seen several earthquakes recently that have killed many people. When the HAARP machine is used to cause earthquakes, many have seen various colors as an Aurora Borealis. Then suddenly a serious earthquake is witnessed. I have told you before if they use this machine on America, you are most vulnerable along the West Coast and the New Madrid fault lines. If you see such lights again over these areas, then be prepared for some serious earthquakes where many could be killed. In addition to earthquake events, you have a serious gas and oil leak in the Gulf of Mexico from a very deep well into the earth. The problem with such deep wells is that they are associated with very high pressure releases which your technology is not prepared to handle. Drilling more wells in this area will cause even higher releases of oil and gas, and could cause more fissures in the ocean floor. Very toxic gases including hydrogen sulfide (causes death above 700 ppm) and other organic toxic gases are being released into the air because of the proximity to magma and sulfur sources. More drilling could result in more problems. Pray for the people affected by these man-made disasters as many could die from the earthquakes and deadly gases."

June 30, 2010
Tuesday, June 22, 2010: (St. John Fisher)
Jesus said: "My people, history is full of many evil kings and tyrant dictators, and your world of today is not much different. In the case of St. John Fisher he was defending the Church against King Henry VIII. In many other cases My saints were martyred because they refused to give up their faith. It is not easy to preach a message of love and peace when the leaders of the new world order, led by Satan, want to

persecute anyone who believes in God. This persecution of believers will be getting worse, as eventually the Antichrist will declare himself. Just as in the past many of My prophets and messengers will be under attack and could be martyred as well. My son, your message of preparation for this time of tribulation is not an easy one, but the faithful remnant need to be warned so they can be led by My angels to their places of protection at My refuges. My angels will be protecting My faithful at My refuges, and the angels will have power to make My faithful invisible. You are seeing the power of My angels as in the first reading when 185,000 of the Assyrian army were destroyed by one angel in defense of Israel. Trust in My protection at My refuges, but some will be martyred during this coming persecution. I will definitely be protecting the souls of My faithful from the demons."
Jesus said: "My people, it is the goal of the one world people to bankrupt America through wars and debts so they can take over your country and its people. These central bankers have created your financial crisis for excuses to increase your National Debt with all of your Stimulus funding and bailouts of banks and corporations. They encouraged people into sub-prime loans for houses they knew the people could not afford. They then created derivatives with no real value that were insured by AIG and this insurance company was bailed out by the taxpayers. Now your National Debt and your Federal obligations to Medicare, Medicaid, and Social Security are four times your GDP which is an explanation of your insolvency. There is no way of financing all of these obligations with taxes or Treasury Notes. As soon as you cannot find enough buyers for your Treasury Notes, then the Federal Reserve will force monetization of your debt. This will cause more and more money to be printed which will cause hyperinflation until your dollar will become worthless. Once your people cannot pay off your mortgages, the one world people will repossess everything in a complete takeover. This bankruptcy will create chaos and riots as people will have no food or lodging to afford. The evil ones will then bring about their new world order as they will

kill those who are against them, and force the rest of the people to be controlled by chips in the body. Before martial law comes, you will have the Warning and a sign to leave for My refuges before they come to kill My faithful. The Antichrist will have his short reign, but then I will vanquish all the evil ones into hell and bring My faithful into My Era of Peace."

Wednesday, June 23, 2010

June 30, 2010

Wednesday, June 23, 2010:(Pat Amato's sister, Mary, funeral Mass) Jesus said: "My people, every time that someone dies, as Mary did, your soul body is lifted out of your physical body. You may know about this separation of body and soul as you have been told by people and the Bible. Some people may have had near death experiences and so they know what it is like to leave their body and look down on it. When you die though, you will never return to your earthly body. Only at the last judgment will you be reunited with a glorified body. What is unique, when you leave your body, is this freedom of all of your earthly constraints of time and space. You will be floating freely in your soul body and you will come to Me for your judgment. After your judgment, you will go to heaven, purgatory, or hell based on your life's actions. I always urge the mourners at the funeral to pray for their loved ones who may need to be purified in purgatory. You can even have Masses said for the deceased because these can offset much purgatory time."

Jesus said: "My people of America, you have seen unusually heavy snowfalls in areas that get little snow. You have seen unusually intense rain storms that have caused many floods and power outages. You also have seen many violent tornadoes that have caused much damage. Many of these things and future events can be caused by or enhanced by the HAARP machine in Alaska using microwave beams. Soon you will be seeing more earthquakes, possible volcanoes, more

violent storms, enhanced hurricanes, and the like. This use of the HAARP machine to modify weather and cause earthquakes is part of the one world plan to bring down America both physically and financially. Events will be moving swiftly that have never been seen before in such high frequency. America will be tested in many ways that will take away your freedoms as the one world people will implement their plans for taking over America. Store some food and fuel which could be harder to obtain in coming times. When things will get violent and martial law is about to be declared, you will need to call on Me to have your guardian angels lead you to My nearest refuge. Pray for My help as riots and chaos are in your future."

June 30, 2010
Thursday, June 24, 2010: (Nativity of St. John the Baptist)
Jesus said: "My dear son, you have seen in the Gospels how St. John the Baptist was a herald of My coming ministry on earth. Even now it is not an accident that your name is John also, as you are one of many messengers who are preparing the people for when I will come in spirit after the tribulation of the Antichrist. You have been given many messages of these end times in how the evil ones will force their new world order on everyone. You have warned the people not to take the Antichrist's chip in the body, and not to look at him. You also were told how I will visit everyone in the Warning to change their lives. My refuges will be places of protection during the tribulation. At the end of the tribulation, I will vanquish all the evil ones to hell with My Comet of Chastisement. Then I will bring about My Era of Peace where My faithful will be rewarded for their good deeds."
Prayer Group:

Jesus said: “My people, you remember the account of Adam and Eve and how the serpent tricked them into eating the forbidden fruit of the Tree of the Knowledge of Good and Evil. The consequences of sin are death and having to work for your living. This vision of the serpent again is a sign that the time of the Antichrist’s declaration is getting close. Satan and the two beasts of Revelation are the Trinity of evil that mimic the Blessed Trinity of God. Be prepared with My sacraments and My sacramentals so you can withstand the coming tribulation.”

Jesus said: “My people, many have realized by now that this well had some flaws and it was drilled in an area rich in natural gas. It also was drilled down six miles below the sea floor which is deeper than most wells. There is concern that drilling more wells will also contain the high pressure that is expected from such deep wells. In getting permission for this well, many were eager to tap into areas of larger oil finds because domestic production was waning. The pressures were unexpectedly high and it will be fortunate to stop this leak. Pray for those working to fix this problem that there is no more deaths and success in the clean up.”

Jesus said: “My people, you are seeing damage from tornadoes, windstorms, earthquakes, and many places of flooding from severe rainstorms. This damage is compounding the difficulties with your bad economy and high unemployment. Many flooded areas are having difficulties in funding the rebuilding that will be needed. Immediate aid is getting tested by groups as the Red Cross when funds are running out. Pray for these distressed people who are struggling to rebuild. Some thought is being given to locating on higher ground away from flood plains.”

Jesus said: “My people, it is unusual to see a 5.0 earthquake in this area as well as a tornado not far from the G-20 meeting in Ottawa. Some have speculated on this relationship. There was a shakeup when people from a wide area could feel this quake. This is just a sign of even more severe earthquakes that will be happening in your North

American Continent. Be prepared to handle people's needs from the coming damage and pray for any souls that could die from these disasters, especially those who are not ready to die."
I could see Beverly's family mourning her loss. Jesus said: "My people, some of your family's relatives die suddenly, while others die after long illnesses as cancer. Even when their passing is expected, it is still difficult once I take them to Myself. Think of how her life has influenced so many other lives. She had a healing of cancer that extended her life, so she enjoyed life a little longer. Be grateful for her gift of life and have Masses said for her soul."
Jesus said: "My people, only St. John the Baptist, My Blessed Mother, and Myself have our births celebrated in My Church. You are fortunate to have St. John the Baptist's first class relic on your altar to be venerated. All the relics of the saints are a gift of their lives to be witnessed before you. You are truly blessed with their presence and good examples in their lives of service to Me."
Jesus said: "My people, as you read the accounts of how St. John the Baptist and My birth came about, you can see the plan of God to bring salvation to mankind even after the sin of Adam and Eve. I was born in Bethlehem as a descendant of the house of King David. Many miracles and angel interventions guided My life on earth as well as the saints who have served Me. Give praise and glory to God for sending Me to you so I could die for your sins on the cross. I have given you all of My sacraments to strengthen your spiritual lives so you could one day be with Me in heaven. This is why it is so important to discern before My tabernacle how you should follow your mission to gain heaven with My help for your own soul. Give thanks to Me for all the gifts that I have given you in life."

June 30, 2010
Friday, June 25, 2010:

Jesus said: “My people, I am showing you a vision of much damage that will come in the middle of your country from a series of earthquakes and other man-made disasters. The construction equipment in the vision was to rebuild the roads so aid could be brought in to help people from the devastation. The sonic boom is to indicate the speed at which this earthquake will occur. The wavy lines in the clouds of the sky are a sign of the frequency patterns that the HAARP machine uses to create earthquakes. A series of harmonic frequencies are focused in an area until much shaking occurs with an earthquake. Right before an earthquake will start, you will see various colors in the sky as the microwaves of the HAARP machine will ionize the air giving these colors. Many of these man-made disasters are being brought down on America to cause death and destruction that could result in calling for martial law to establish order from any stealing. Be prepared for this destruction by having water, food, and fuel on hand because these things may be difficult to obtain when you see power outages from these events. Pray again for the people who will be suffering from this disaster, especially those who may die with souls unready to meet Me at their judgment.”

Jesus said: “My people, there are many trials in the work place that can cause stress on people in getting their job done. In today’s labor market there is competition for jobs and sometimes it is unsure how long you could keep a job. Even if your job is in jeopardy, worrying about it is not going to change anything. It is more important to trust in Me to take care of you than to waste time and energy worrying about losing your job. When you live in total trust of Me, you need to be prudent in your plans, but keep peace in your soul as you do not let anything control you. When you let worries, anxieties, and fears run your life, then you are allowing the devil to run your life because these things are from him. You know that I know your needs, and I will help your family to survive, even amidst a poor economy. Some people always want to be in control of their lives because they think that they can do a better job than I could. Those, who truly trust in

Me, have learned to give their will over to My Will so I can lead them to fulfill their mission. Learn to do the best job at your work that you can and leave the rest up to Me. Those, who let Me lead, are much more content and joyful in their lives because they have My peace in their souls. Give praise and thanks to Me every day for all of My gifts that I share with you. The spiritual treasures are much more satisfying than any physical treasure."

June 30, 2010
Saturday, June 26, 2010:
Jesus said: "My people, before the distribution of Holy Communion you strike your breast three times and pray this prayer of the centurion: 'Lord, I am not worthy that Thou should enter under my roof, but only say the word and I shall be healed.' This is an act of faith that you believe that I can heal your infirmities and bear your diseases. When you pray over people for healings, you are calling on Me to heal not only their physical problems, but also to heal their spiritual problems as well. When you call on My Name, and the people believe that I can heal them, they will be given graces for healing both the soul and body. This faith of the centurion is the faith that I pray that all of My faithful could have and live out in their lives. When you walk in faith, you are giving everything over to Me in full trust. Sometimes you may think that you do not have to ask My help in all that you do, but then you are frustrated in your trials. Walking in faith is when you call on Me every day in your morning offering to have Me help you in every little duty of your day. By accepting everything that I test you with during the day, you can live in peace and bear your trials gracefully without complaints. You need My help every day and you should depend on Me for providing for all of your needs. I know what you need, and I ask you to follow Me in all that you do, even as My apostles followed Me."

Jesus said: “My people, I am showing you these sheaves of wheat because this wheat leads to the Bread of Life that is consecrated at the Mass. First the wheat is cut and placed in some stands in the field to dry out. Then the wheat kernels are separated from the chaff and the tares. The wheat is gathered into My barn and the chaff is burned in the fire. This is another picture of the judgment when My faithful will be rewarded and gathered into My barn of heaven. Then the evil ones will be like the chaff as these souls will be thrown into the fires of hell. I call on My faithful to evangelize as many souls as you can, so you can save some souls that would have gone to hell. This wheat, stored as grain, can be stored in pails for use in the end times. Once it is ground into flour, then the flour has a shorter keeping time. Some people have stored grain with a small grinder so you can grind what you need to make bread and unleavened hosts for use at Mass. When consecrated, this bread is truly My Bread of Life, and you cannot have eternal life without Holy Communion. As you praise and adore Me in My consecrated Host, you are receiving My graces for believing in My Real Presence. You feed on My Host at every Mass and you can have a time of intimacy with Me in My peace and love. Give thanks to Me for giving you Myself in My Eucharist. I love all of you so much and I make it possible for all of you to be with Me at any time you can visit My tabernacle when a church is open. Rejoice in the gift of My Eucharist and the gift of salvation that I have gained for you by dying for you on the cross.”

Sunday, June 27, 2010:
Jesus said: “My son, you know very well the words ‘Come follow Me.’ because you are doing My mission of evangelizing souls even now. I have called you not only to follow Me in prayer, but to bring a difficult message to My people in preparing them for the coming

tribulation and My return as well. This mission is similar to St. John the Baptist when he called the people to repent of their sins. You are also inviting My people to follow Me to the refuges with their guardian angels so they can be in a safe haven that will be protected from the evil ones. The tribulation will be a time of the Antichrist who will try and kill My faithful, or try and have you worship him. Refuse to take his chip in the body, and refuse to worship him. It is difficult to encourage people to leave their possessions and comforts behind, but My people will be protected and provided for at My refuges. Those, who stay behind, could be martyred for their faith, but they will become instant saints in heaven. Preparing to leave as Elisha was called, and as My apostles were called, is not an easy undertaking. This leaving of homes will be in total trust of My help, but My angels will make you invisible on the way to My refuges. Have peace in your soul when you are called to leave without any fear because this following Me will make you saints for your obedience. You will be asked to help each other at My refuges, so be loving and prayerful in all that I call you to do."

Jesus said: "My people, you have wondered what happened to the young people of today and why their faith is not as strong as the children of fifty years ago. Back then you were trained by the nuns and you remember how you had to memorize the answers in your Baltimore Catechism. This is before your religious teaching became liberalized into a watered down faith. In those days you had much more discipline expected of you in your behavior, and you respected your teachers and parents. At home television was just coming out, and you did not have computers, nor the internet. At that time your movies were much cleaner, there were little drugs, and sex before marriage was frowned on. Today many Catholic schools are being closed and religious education is hard to get older children to attend. Religious discipline of prayer and Confession are lacking in many families. You are seeing your students have little respect for their teachers and their parents. Divorce and sexual promiscuity is ruining

families, and drug and internet addictions are rampant. Your movies have explicit sex, violence, and vulgar language, as do your television programs. With all of these causes, you can see why you have many lukewarm in the faith that are not coming to church, which is causing many churches to close and fewer men desiring the priesthood. Even still the parents are responsible for bringing up their children in the faith. See that they get a proper Catholic education and teach them their prayers. Give them good example by your prayer life, your going to Sunday Mass, and your going to at least monthly Confession. Pray for your children to stay strong in their faith by encouraging them without nagging. This is an evil time and living a saintly, holy life is much more difficult than in past years. Call on My help and graces, and you can overcome any evil influence."

Jesus said: "My people, in the first reading the prophet Amos sees many abuses and injustices by those in power in his time. Even in your world today, you have corporations and central bankers of the one world people who are trying to control all power and wealth for themselves by stealing from the rest of the people that they control. On lower levels My people need to be generous in your own charity to your neighbor in loving kindness. When you love Me and your neighbor, you do not concern yourself with greed and selfishness. Do not follow the ways of the evil ones who worship Satan and their wealth, but only follow Me in love. You are seeing the beginnings of the persecution of Christians by those who do not believe in Me. Fear not My people because My justice will be meted out to these evil ones, while I will protect My faithful at My refuges. Avoid their chips in the body and reach out to Me for all of your needs. The time of tribulation is upon you, but I will vanquish these evil ones and reward

My faithful in My Era of Peace."

Tuesday, June 29, 2010: (St. Peter & St. Paul)
Jesus said: "My people, this bronze serpent, that was lifted up by Moses to heal those who were bit by the seraph serpents, is a prefigurement of how I was lifted up on the cross in the darkness of an eclipse of the moon over the sun. This was the hour of Satan when I was betrayed by Judas into the hands of the Jewish leaders. After My death on the cross, I arose from the dead in My glorious Resurrection. It was this faith in Me that I brought salvation to all of mankind, and this was preached by St. Peter to the Jews, and St. Paul to the Gentiles. They were so strong in their faith that they were willing to be martyred in defense of their faith in Me. Do not be afraid to speak out about your faith in Me, so others can follow your example of a holy life."

Wednesday, June 30, 2010: (First Holy Martyrs in Rome)
Jesus said: "My people, in today's Gospel (Matt. 8:23,24) I cured two possessed men that had legions of demons in them, and I cast the demons into the swine who ran into the sea and were drowned. The town's people were more concerned about the dead swine than that two people were freed from demons. Many people of today do not realize that there are still some people who are obsessed or possessed by demons even now. Many holy people and priests have exorcized demons out of people over the years. There are some demons that even My disciples could not exorcize out of one person. (Matt. 17:14-20) 'But this kind can be cast out only by prayer and fasting.' At times when you are confronted with people possessed by demons it is best to have an exorcist priest pray over them. Otherwise, pray a binding of the spirits prayer in My Name with a St. Michael prayer. You may even need to pray and fast to eliminate some demons. Keep your blessed sacramentals on you and use blessed salt and holy water for protection. Trust in Me because My power is stronger than any demons."
Jesus said: "My people, you have heard a lot of talk in your media about this wellhead that is leaking oil at a gushing rate in the Gulf. Some of the questions not getting answers are why was the drilling in that spot? Why was the bore drilled so deep? and what is the normal depth of drilling? The answer is most likely that this was an experiment to see if larger deposits of oil could be found at such depths as the Russians have found on land. The problem is that such pressures from deep wells are too hard to handle in deep water. Many ordinary safety precautions were overlooked to try and save time and money, but now a runaway spill will cost even more to clean up. Pray for a solution to these problems which seem to be harder than was estimated at first."

Thursday, July 1, 2010: (Blessed Junipero Serra)
Jesus said: "My people, in the first reading from Amos (Amos 7:10-17) the prophet is telling the king that he will be killed and Israel will be conquered by its enemies and exiled to a far land. I indeed told Israel that I was withdrawing My blessings because of the lifestyles of the leaders and the people. In fact Israel was defeated by the Babylonians and they took Israel prisoner in this foreign land for many years. In the vision of the Bible as a history book, this is a lesson for all peoples who reject Me and worship other gods as money and possessions. America is turning her back on Me as you worship other gods, so I am also withdrawing My blessings from you, and I will allow your enemies in the Masons to take you over. Just as Israel lived to regret its sin against Me, so America will be taken prisoner and live in exile as your freedoms will be taken from you also. Just as prophets foretold the fall of Israel, so your prophets of today are foretelling the fall of America. If My people do not worship Me, as you were directed by the Bible, then America is doomed to repeat the history of other fallen nations who have rejected Me."
Prayer Group:
Jesus said: "My people, this violent spinning is a sign of the Warning and how events will be happening quickly with much damage. I have shown you signs of the Warning before that will be an illumination of conscience where you will see your life review and a mini-judgment. As you travel through a tunnel to see Me, it will seem that you are traveling at a very fast speed. Then you will all return to your bodies seeking Confession. The events that are about to occur will be violent natural disasters where much help will be needed for medical aid, food, and housing. Have some first aid equipment on hand as well as some bedding."
Jesus said: "My people, you have seen indications that people are

making plans for a possible evacuation of the coastline along the Gulf of Mexico. There are strong indications for more hurricanes coming ashore this year than last year. There also are some unknowns about the leaking oil well which appears to be among some natural gas domes that could be released through the ocean floor that could cause a major tsunami. If the pressure from the well cannot be relieved by another well, then there could be a major accident waiting to happen."
Jesus said: "My people, many investors and workers are getting nervous that the unemployment levels are not going down. Other groups that are studying the National Debt problem are concerned that there may not be enough funds available to pay people receiving Medicare, Medicaid, Social Security, and Welfare. All of these programs are paying out more than is being collected from taxes. These same payments for unemployment and Medicare are also having funding problems at the state level. Without an increase in tax receipts from a normal recovery, budgets at all levels of government could start generating riots when people cannot get their payments. Pray that budgets can be met to keep your economy from falling back into another recession."
Jesus said: "My people, there is a real concern when Stimulus payments, unemployment extensions, and house credits stop, that your economy will be under considerable stress that will be hard to recover without more jobs. Small businesses need credit to provide more jobs, but the larger banks are not making enough loans. The large banks received bailouts, but without lending, there could be no more job growth. There seems to be a plan to create a credit problem that could cause more instability in making jobs. Pray that these banks will allow more lending for future jobs."
Jesus said: "My people, I have been giving messages and guiding those who have wanted to provide refuges for the people during the tribulation. Time is growing short until events will necessitate My people to soon leave their homes for My refuges. This is why My faithful may need to bring as much food and camping equipment that

they can carry because it will take some time to get My refuges ready to handle large numbers of people. Those running My refuges need to have their supplies and bedding ready to handle more people than they planned on since there is an increasing urgency to be prepared. I will multiply what food and supplies that are needed when you call on Me in prayer."
Jesus said: "My people, just as the financial problems and disasters are getting worse, so there is also an increasing urgency for interim refuges to get their things ready to receive people. My faithful also need to make last minute checks that you have your backpacks ready with a little more food and camping equipment for those who have not made any preparations. Pray and be prepared because your trials are about to be put to the test."
Jesus said: "My people, you have been making some prudent plans in your physical preparations to go to My refuges, but you also need to be in the right state of mind spiritually to be able to deal with the evil that you will be facing. You need to get your spiritual houses in order with frequent Confession, and your daily prayer lives. Also make sure that you have an abundance of rosaries, and blessed medals to share with the people. Your spiritual trust in My help will be greatly needed without fear of any evil or the trials that you will face. Call on Me and your guardian angels to help you when I give you the time to leave."

July 14, 2010
Friday, July 2, 2010:
Jesus said: "My people of America, you are seeing many heavy downpours of rain from various sources like you saw in Oklahoma. These intense storms will continue and could even be the result of some hurricanes. You saw in the vision where a white car was in the water, and then it quickly was submerged in a swift flowing current of water. Be prepared for more flooding as these natural disasters will

take their toll on your fragile economy. Some storms will be enhanced, and the damage will be serious. There is no place that is completely secure from disasters, but be ready to evacuate when you are given the order. Pray for My help to endure these coming trials."
Jesus said: "My people, many traditional services in My Church have changed dramatically, but the mystique of the special devotions to My Blessed Sacrament and My Blessed Mother have been lost in some areas. I have mentioned before how I enjoy the holiness of the Tridentine Mass. I am also greatly pleased with your Adoration services at your prayer meetings, at Benediction, and the old Forty Hours devotions. Praying My Blessed Mother's rosaries and the Divine Mercy Chaplet are very needed devotions in your world today. You were pleased to finally receive My Divine Mercy image for your prayer group and other Divine Mercy services. Many graces will come from praying before My image as promised to St. Faustina. These devotions to My Blessed Sacrament are also a good environment for priestly vocations. Keep close to Me in these devotions and you will be protected from the evil one's temptations."

Saturday, July 3, 2010: (our 45th wedding anniversary)
Jesus said: "My people of America, you are celebrating your country's 234th Anniversary of your Independence day. The vision of the eagle represents America as you have on your older coins. The eagle taking to flight represents your freedoms that are slowly being taken away from you one by one. The freedom to worship Me should be your most guarded freedom, but even Christians are being persecuted more and more. Enjoy being able to come to Mass and Adoration because these days are numbered. Many people do not understand the meaning of a democratic republic or the words of your documents in the Declaration of Independence and your Constitution. If you compare

your present laws to these original documents, then you would see how many freedoms have been limited or taken away. Pray for your people to endure the tribulation that is coming. I love all of you in America because your founding fathers put My Name in your documents and on your money-In God We Trust."
(Wedding Mass for Andrew & Sarah) Jesus said: "My people, you do not always see a vision of the spirits in people as well as their angels. This was a special enlightenment to see the joy in the physical faces as well as in their soul body faces in the spirit. A wedding is a beautiful time to be sharing your love with each other, and it is blessed by Me at the Mass. I am always the third partner in every consecrated marriage, even though I did not sign your document. I already have signed My image in each one of your souls because you are all made in My Image when you were given a free will that I will never violate. This bond of marriage is a commitment to your vows and your vocation as husband and wife. Those, who have been married for many years, give testimony to this love commitment. The prayers of the relatives and friends go with Andrew and Sarah as they embark on this sealed love relationship. Give the newlyweds your love and encouragement as you support them in their marriage. I love all couples and I encourage you to pray for each other as husbands and wives help each other to come to Me in heaven. Even those, who may be divorced or separated, need to pray for each other's souls. Rejoice in sharing your love together because a true marriage is your closest earthly experience of how you can experience My love for you and in My Eucharist. After receiving Me in Holy Communion, you are overwhelmed with My love, even if you cannot fully experience it or understand My gift of Myself to you."

Sunday, July 4, 2010: (Independence Day)

Jesus said: “My people, this vision of purifying gold and refining silver is a sign of how I purify your souls as I burn away all of your sins and earthly desires. Your life every day is a constant work at perfecting your soul so I can bring you into heaven. It is through the grace of Confession that your sins are cleansed, and the grace of Holy Communion that heals the wounds of your sins. Even as you work toward your perfection, I am the only One who can bring true peace into your souls. You are a spiritual being and your soul seeks to be with Me in the peace of My love. Those, who wander through the world seeking only worldly things, find themselves always missing Me in their lives. They are always hungering for Me and do not feel complete until they search Me out and find Me in Holy Communion. You know how I am the ‘hound of heaven’ seeking out every soul to be reunited in faith. I knew all of you when you were created, and I wait for every soul to return to your Creator. Seek My peace and My forgiveness, and My graces will set you free. Now on this day of your Independence you celebrate your physical freedom. I love America and I want you to be free in your soul also from the bonds of your sins. I call on all of you to pray for peace in the world and pray for the stoppage of abortion, especially in your country. Remember again to strive for My peace as you work on your perfection each day.”

Monday, July 5, 2010: (St. Anthony Zaccaria)
Jesus said: “My people, you all remember the account of Adam and Eve when the serpent, representing the devil, tricked them into eating the forbidden fruit in the Garden of Eden. So again the evil serpent from time to time tempted Israel to worship other gods as Baal. The people of Israel suffered My judgment for their disobedience in worshiping other gods. This same evil serpent is still spreading his errors among the nations at war, and among individuals in their sins

against Me. You have a fallen flesh from Adam's sin, and this human condition makes you weak to sin, but I give you My graces from My sacraments to heal your sins and come to Me for repentance. Live a life of obedience to My laws, and you will be saved in heaven."
Jesus said: "My people, your hurricane season is just beginning and already the oil spill clean up is having problems from the waves of Alex. I was showing you several long bridges in Florida and in California that are vulnerable to natural disasters. You have had hurricanes before that have threatened your deep water rigs, but you never had any serious oil spills that were made public. These large long bridges carry a lot of traffic and they could cause a big disruption of travel if they were destroyed by hurricanes or earthquakes. Pray that your infrastructures can stand up to these disasters, and be prepared if some bridges are lost. The coming disasters could have a considerable amount of loss of life in populated areas. Be prepared to evacuate should the need arise."

Tuesday, July 6, 2010: (St. Maria Goretti)
Jesus said: "My people, you have read or heard of all the sexual abuse of both girls and boys. For those children, who survive such ordeals, many are scarred for life in their social lives with people. Those, who kill young children, are even more brutal and will face My judgment. Even those, who abort and kill their children, also are having to face Me for their crimes. It is a ruthless and hardened heart that takes the life of one of My little ones. Their angels witness to Me at each killing. Pray for the souls of all those people who have killed My little ones because if they do not repent, then they are facing the fires of hell. Pray also for all molesters of children and for the children who were molested. Your society is so taken up with sexual sins that this is the largest cause of souls going to hell. Avoid fornication, adultery,

and birth control as these are mortal sins requiring Confession before receiving Me in Holy Communion. Seek to be chaste and pure of heart and soul."
Jesus said: "My people, man has been disposing garbage and refuse into the ocean for many years. Industrial wastes also have been polluting the oceans along with your commercial and cruise ships. But the pollution of millions of gallons of crude oil in the ocean could cause the creation of dead zones in the water where the oil and methane gas are using up the available oxygen in the water when microbes consume these pollutants. Crude oil, the volatile organic compounds, and the dispersant are all toxic compounds themselves, and marine life could not survive in such waters. When any hurricanes come into this area, they could carry these toxic compounds inland when they get caught up in the wind and rain of such storms. This could even become more dangerous for humans to breathe these fumes that continue to get spewed into the Gulf of Mexico. If such toxic clouds make it unbearable to breathe on land, then you could see the need for evacuations along the beach area. Pray for some resolutions to these problems, but this environmental disaster is not going away for quite awhile."

Wednesday, July 7, 2010:
Jesus said: "My people, this roof of gold over people represents how some put their security in gold and themselves, instead of trusting in Me for their protection. Do not put your trust in elusive wealth because it can be stolen or devalued, and it is gone tomorrow. I know all of your needs and by trusting in Me, I will provide for you. Do not worry over where you will find food to eat, clothes to wear, or a home to stay. These are the things that the worldly people are concerned about, but My faithful need only to trust in My help. I have provided

these things in your life up to now, and you will have what you need in the future as well. So do not spend your life amassing wealth, because you cannot take it with you past the grave. Instead, live a life of trust in Me and sharing what you have with your neighbor. It is love of Me and your neighbor as yourself that keeps you happy with My peace in your soul."
Jesus said: "My people, there are many difficult news stories about the oil spill, earthquakes, and the war in Iraq and Afghanistan. It is hard to keep hearing stories on these subjects without it affecting your outlook on current life. Some people turn to sports or comedy for a change of pace. When you are in love with your Lord, you can look beyond the day's events and try to make the best of your life in helping others with their physical lives and their spiritual lives. Various disasters and wars are hard to do anything to change these things for the better. You could send donations to help the people that are suffering from disasters. Your best option is to pray for people and for these problems to be resolved. Do not let worries or anxieties affect you when they will not make things better. It is best to ask My help in bringing joy into your heart and the hearts of your neighbors. By living life with a joyful outlook, you can help those around you feel better about their lives. Trust in Me to work out your daily problems so you can always have My peace in your soul."

July 14, 2010
Thursday, July 8, 2010:
Jesus said: "My people, in the Gospel reading I was sending My apostles out two by two to evangelize first the lost ones of Israel. Later, My disciples traveled to many nations abroad where they shared My message of love and had many converts to Christianity. When they brought new converts into the faith, they would baptize them in any available streams of water. I

advised them to travel light without worry about taking money with them. Missionaries even today rely on donations and people to support them in their houses. I told My disciples that the workers in My vineyard are deserving of their wage, which is their food and a place to stay where they are working. My missionaries are still in need of your support when they work in foreign lands. This includes both financial support and spiritual support in your prayers. It is not easy to be a missionary in leaving your home, or My messengers who also travel around with My message. Be thankful for all of My workers that I send out to harvest the souls for heaven. Pray for more vocations because this evil world needs more missionaries to go out into My vineyard for the harvest."

Prayer Group:

Jesus said: "My people, I am happy that you finally were able to get your own Divine Mercy Image. This is not just another piece of artwork, but it has a special blessing when you pray in front of this image as St. Faustina gave you in her diary. Next time, you can read what was given to her about My Divine Mercy. Even when you bring this picture home, it is meant to be exposed where you are praying so you can receive the graces of My Divine Mercy Image."

Jesus said: "My people, if you think that you are suffering from your latest heat wave, then think also how souls are suffering in the flames of hell, and those in lower purgatory who are also suffering from flames. It is hard for you to imagine soul bodies burning in flames without being consumed. Pray for the sinners so they can avoid going to hell, and pray for the souls in lower purgatory so they can be moved higher out of the flames. Pray for all the souls in purgatory, but the lowest are suffering as in hell, except that they are promised to be with Me one day in heaven."

Jesus said: "My people, the beginning of your hurricane season is already disturbing the oil clean up and causing floods along the Gulf of Mexico. There are more storms to come, but pray that these storms may be diverted away from the oil spill. Any storms that pick up these

pollutants could send these toxic substances inland and could cause sickness to spread among your people. Many are praying that this well could be plugged so the oil flow could be stopped. Many other wells that have been abandoned are becoming a concern if they also start leaking oil. Because of your desire to drive your cars, there is still a desire to extract more oil from your offshore rigs. Your moratorium on drilling is already becoming a threat to your domestic oil sources."
Jesus said: "My people, some of you have recently been to a refuge for a wedding, but the people, who were invited, could see how rustic living on a farm is not an easy life. You again experienced some difficulties sleeping and had to endure some mosquito bites. You also had to endure these insects when you went to Trinidad. You can understand how people can get various diseases through these bites. Pray for My faithful who are building refuges, and for My faithful who will have to suffer a more difficult lifestyle away from all of your creature comforts."
Jesus said: "My people, this coming time of tribulation will be a means for purifying the souls of My faithful because giving up your riches and possessions can make saints out of you. You will not see any TV and you will find more time to pray in giving Me praise and glory, as My saints and angels sing My praises constantly in heaven. Bring many rosaries, prayer books, and Bibles because you will be thirsting for My Words in the Bible and your spiritual reading. You will need to share them with those who do not have anything to pray with."
Jesus said: "My people, do not concern yourselves about when the Warning will occur or when the Antichrist will declare himself. Dates are not important, but only be prepared for when they do occur. The Warning will come first to alert all sinners to convert their lives. I will give you the time for when you will need to come to My refuges so your angels can direct you to My nearest refuge where you will be protected from the evil ones. My faithful will be hidden by a veil of invisibility so you will be protected. Give praise and thanks that many

will be saved from a martyr's death. Walk with Me in faith as you keep your souls pure by frequent Confession."
Jesus said: "My people, those, who are preparing My refuges and interim refuges, are checking their food storage for spoilage and to stock even more supplies for the people who will be coming to them. I will truly multiply the food and water that you need, but all of you must be ready to help each other in your faith communities. By using your skills and tools, everyone will have whatever is needed to survive. When you come to My refuges, you will be living in full trust of My help. Be confident that I will soon be victorious over these evil ones as I will bring you into My Era of Peace after the tribulation is over."

Friday, July 9, 2010:
Jesus said: "My people, this butterfly on the church wall means that My Church needs to focus more on My roots of leading a holy life instead of being so involved with politics. Your people have become too comfortable in the ways of the world and that is why some shy away from prayer and fasting. You are a spiritual being and this desire to seek Me out for your soul's peace is being diminished by a lukewarm response to My calling in My Word. It is because so many are lukewarm and not alive with the faith that people stop coming to Sunday Mass and to Confession. Instead of a renewal or rebirth in the peace and justice of man, you need to have a vigorous improvement in the original fervor of your faith in Me. It is a desire to be with Me in My Blessed Sacrament that could give you the grace to be stronger and alive in your faith. My people have become too complacent and routine in their Sunday Mass. Work harder on your prayer life and spiritual reading, and then your faith will become alive. Satan wants you to be lazy and asleep in your faith so he can distract you with

more worldly concerns. Put your focus on Me as the center of your life, then My love will inspire you to desire more prayer and good works for your neighbor."
Jesus said: "My people, some people have wondered why there is such a decline in Mass attendance, but look how many churches are being stripped of your traditions. Some churches have no statues to remind the people of Me, My Blessed Mother, St. Joseph, or the angels. My tabernacles have been removed to back rooms. Many devotions to the rosary and My Blessed Sacrament have been forgotten or purposely stopped. Without a good prayer life and a love for My Blessed Sacrament, it is hard to have a deep faith that keeps you focused on Me. Even a large crucifix on the altar is missing in many churches. When you look upon My crucifix, you can see how much I love each of you when I died for your sins and offered you salvation. My priests should be encouraging the rosary, Confession, Sunday Mass attendance and a love for My Blessed Sacrament. Love of My Eucharist and belief in My Real Presence should also be encouraged. Without a solid foundation in the faith and without coming to My sacraments, it is hard to follow My call for salvation. It is this deep faith that also is necessary for My faithful to evangelize souls to believe in Me. By holding on to My traditions in the Church, it is easier to keep your faith strong. When these traditions are removed and New Age is allowed into My Church, then the strength of faith in Me diminishes into the lukewarm. Hold fast to your traditions, devotions, and love of My sacraments in order to preserve your parishes from closing."

Saturday, July 10, 2010:
Jesus said: "My people, it is a pleasure for parents to want to help their children get through any difficulties or help with their needs. You even may be called on to help your grandchildren, or your aging

parents. Doing things for your relatives should be an expected task. At other times you may be asked to help your friends or even strangers. It is love and charity of heart that gives you the desire to help people. If you, who are sinners, can give good things to your children, then think how much I desire in love to give good things to My people. You are always dependent on Me for everything, even if you do not want to admit it. So ask Me to help you through every day with your morning offering, and trust in Me that I will see to your needs. You receive the light that I give you in the sun, the rain I send you in the clouds, and the oxygen you need to breathe. Even these simple things are so necessary for your existence, but many do not think to thank Me for all that I give you. Give Me praise and thanks, and keep close to Me in your daily prayer life."

Jesus said: "My people, just as I have directed certain people to quickly finish their refuges to handle hundreds of people, so also the evil ones are also preparing their death camps to kill as many of My faithful as they can capture. The red and blue lists are the people that the one world people want to eliminate. Those, who are against the new world order or believe in God, are on their lists. I will warn everyone who is on the lists to seek My refuges before the men in black come to their houses. Those, who remain at their houses, will risk being martyred, but those, who leave for My refuges, will be made invisible to the evil ones and will be safe. Those, who come to My refuges, will be My faithful remnant that will be protected from the gates of hell. My refuges have been prepared for some time to be a safe haven for My faithful. Be thankful for all of those who have said 'yes' to My call to make a refuge. Pray for spiritual direction by your guardian angels and for courage to endure this evil age. Those, who are faithful to Me during this trial of the tribulation, will be greatly rewarded in My Era of Peace and later in heaven."

Sunday, July 11, 2010: (Good Samaritan)
Jesus said: “My people, not many years ago, everyone knew all of their neighbors by name. Today, there is so much mobility in people moving to different houses and your lifestyles are so busy that it is hard to find time to know your neighbors. Many people feel more independent and it is not always necessary to help your neighbor who lives close to you. If you define neighbor as one who is in need of physical or financial help, this could even include poor areas around the world. You could be giving charity to your local food shelf or to mission agencies to help the poor abroad. You may be in a position to help someone now, but if you had something happen to your house, you could also be in need of help at another time. By being gracious to your neighbor now, you may have the favor returned in the future. You can also pray for the poor in spirit and those who are facing disasters. When you focus more on looking out for opportunities to help people, be open to share what you have with others.”

Monday, July 12, 2010:
Jesus said: “My people, when you pray and come to Mass, you must be sincere in truly coming to Me for forgiveness of your sins as a sinner, and not just a self-righteous person whose actions are just for show. Isaiah was critical of the people who made their offerings to God and then went out and lived a life of sin. I know My people are weak to sin, but do not act as hypocrites when you preach one thing, but your actions are contrary to My laws. You need to be sincere and contrite as you ask Me to forgive your sins. Then you need to strive to imitate Me in a holy life of prayer and good deeds. Every day you need to struggle in carrying your cross of life’s trials. Give good example to your family and others because you can evangelize souls

by your good actions which speak louder than your words. Your preaching must match your lifestyle, or you may be just going through the motions without meaning to your life. Call on My help to lead you on the narrow path to your goal in heaven."
Jesus said: "My people, you have seen one of the worst oil disasters with this latest explosion and oil spill in your history. Fixing this oil leak in the Gulf of Mexico has proved difficult at the depths of water where the oil is leaking. The first government moratorium to stop all deep sea drilling was restrained by a judge, but now a second attempt is being made. Over one-third of your oil comes from these offshore sources which is why there is opposition to this moratorium. Your government also is suing the state of Arizona for its attempt to enforce the immigration laws on the books. Another issue being pushed is to control your people who are opposed to the current government's policies where they could be imprisoned in detention centers. ("The Violent Radicalization and Homegrown Terrorism Prevention Act") I have warned you about your freedoms being taken away, and soon you could be jailed for speaking out against the elite's power structure. As you see these controls tightening around your neck, then you need to be ready to leave for My refuges. Mandatory chips in the body are almost here, and this will be the mark of the beast to avoid at all costs, or they will control your minds like robots. Once you are warned to leave your homes, then call on Me to have your guardian angel lead you to My nearest refuge of protection. Have no fear because My power is greater than all of these evil ones."

Tuesday, July 13, 2010: (St. Henry)
Jesus said: "My people, this is an unusual sight to see all the souls from all over the earth come all at once through this transparent tunnel. This tunnel leads to their mini-judgment with Me. The soul

bodies all look between twenty to thirty years old. The speed that the souls are moving makes them look like a blur of movement. All souls will see their destination of where they would go if they do not change their lives. Many who have a taste of hell or purgatory could repent of their sins, once they are returned to their bodies. Some will change, but others will prefer to remain in their comfortable sinful lifestyles. Once these souls are given this information, they will be held more accountable for their actions because they will know the consequences of their decisions. All souls will still have their free will to decide their own destination. Pray and work on your family members to repent and confess their sins. You have tried to advise your relatives of the importance of saving their souls even now. If they refuse to listen to Me or your pleading, then they may face hell or the bottom of purgatory. This again is another message of the Warning experience when everyone will see their life review and how I will judge them. Be grateful for this grace of My Divine Mercy."

Jesus said: "My people, there have been some reports that this oil well, that created the spill, should not have been drilled in an unstable field of natural gas pockets. Since this oil spill started, millions of gallons of oil have polluted the Gulf coast land. This vision of a volcano represents the force of oil coming up from the floor of the Gulf of Mexico. It is hard to get the true reading of the oil pressure. Some have mentioned 20,000 psi, while others speak of 70,000 to 100,000 psi. If BP caps this oil well without a leak, many will be pleased, but if not, then the oil will continue to pollute the Gulf. The toxicity of this spill has many groups planning for a possible evacuation of the Gulf states. It is even possible for the one world people to use this event for declaring martial law in the name of these toxic environments. There have been plans made and equipment is available in these areas to carry out a mandatory evacuation. If such an evacuation is carried out, then it will throw suspicion on whether in fact this spill was purposely caused to give reason for an emergency evacuation. The one world people will stop at nothing to implement

their takeover of America. Be prepared to leave for your refuges if such a mandatory evacuation to detention centers is declared. Call on Me and your guardian angel to lead you to the nearest refuge of protection that will be free of any toxic fumes."

July 28, 2010
Wednesday, July 14, 2010: (Bl. Kateri Tekakwitha)
Jesus said: "My people, today you honor the young maiden, Kateri Tekakwitha, and how she was converted to a great love of Me and helping the sick. As you look closer at how these people lived off of the land, you can take note how to live at your refuges that will also be rustic in appearance. Unless you have solar or wind power, you will probably be living without electricity. This is why it will be necessary to have an independent source of water at your refuges. A miraculous spring will be at every refuge that will give water and be a source of healing as well. Meat will come from the deer that I will provide, and with your non-hybrid seeds, you could plant your own vegetables. My angels will multiply your dwellings so you will have a place to stay. My angels will also bring you daily Communion if you do not have a priest for Mass. At your refuge everyone will have an assigned job to do to help each other, and you will have more time for prayer. Be thankful that My angels will be protecting you from the evil ones at My refuges."
Jesus said: "My people of America, your country of freedoms is about to end when the one world people choose to call in your bankruptcy of debt that you cannot afford. Before President Bush took office, your National Debt was $4 trillion. When he left office, it was $8 trillion, thanks to wars and your created financial crisis. After your latest president's 1 ½ years, your debt is now $13 trillion. This does not include all of your obligations to Social Security and other individual payments which add up to $56 trillion. This debt and your payments

to individuals cannot possibly be financed from Treasury notes. Because of this debt problem, the elite's United Nations wants to change the dollar from being the reserve currency to a basket of currencies. This will begin a slide in the value of the dollar which will eventually bring about hyperinflation. When the dollar becomes worthless, only gold, silver, food, and real estate will have value. The one world people are preparing their takeover by bringing about the ruin of your currency. There is nothing backing the dollar and it is only a paper promissory note to the Federal Reserve, which is the central bankers. When this crash of your monetary system comes, there will be riots and chaos that could bring about martial law. This will be the time to leave for My refuges for protection from the evil ones who will be trying to kill you. Trust in Me to protect you and provide for your needs at My refuges. The evil ones will take over America as part of the North American Union which will soon lead to the Antichrist's takeover of the world. As he reaches full control, I will come and vanquish him and set up My Era of Peace. The evil ones will only have a short reign before they will be cast into hell."

July 28, 2010
Thursday, July 15, 2010: (St. Bonaventure)
Jesus said: "My people, today's Gospel is very short, but it is very comforting to My faithful: (Matt. 11:28-30) 'Come to Me, all you who labor and are burdened, and I will give you rest. Take My yoke upon you, and learn from Me, for I am meek and humble of heart, and you will find rest for your souls. For My yoke is easy, and My burden light.' As you look at the corner in this room, you are many times put into situations that seem to have no solution. Yet, when you let My Light of understanding come into your life, things in life seem a lot easier and you can solve your problems of the day. Life in the human condition will always seem burdensome, but when you are a believer

in My ways, you can call on My help and grace to lighten your trials. Those, who refuse to accept Me into their lives, will need to carry twice the load without Me comforting them. Come to your Master for support and direction, and My truth will set you free of the bonds of your sins."

Prayer Group:

Jesus said: "My people, you do not fully comprehend all the evil that is going on around you in this world. Satan is being allowed a certain time of influence that is behind all of the evil that you are seeing. The one world people take their orders from him as they worship him. The New Age movement and other occult worship are led by Satan. Avoid all evil influences from crystals, fortune telling, tarot card reading, and the like. Instead, carry blessed sacramentals on your person as the rosary, the scapular, and blessed medals. Even blessed salt and holy water are also helpful against evil influences. Overcome evil with prayer and your good deeds."

Jesus said: "My people, you have become very dependent on your power grid that provides electricity for many of your devices. Many heaters and air conditioners need this power. It also runs your lights, your computers, and your banking system. This will be shut down during a takeover. The spider web represents the internet which also runs many businesses and communications. This can be used for good, but also for evil as in gambling and pornography. Even marital problems are resulting from the abuse of finding other partners on the internet. Beware of the evil in the abuses on the internet."

Jesus said: "My people, continuing high unemployment is a plan of the one world people to destroy the American economy. They control the large corporations who continue to out source their labor, parts, and assembly of products that used to be made in America. These jobs are not going to return and it will be difficult to have high paying jobs without industry. It is the cost of benefits that is lacking in foreign countries that makes labor in America more expensive. There is not a fair playing field for businesses to survive in America against foreign

competition. As your consumers deal with less paying jobs, your ability to live a reasonable life is becoming more difficult. Pray for the unemployed and for businesses to hire more people."

Jesus said: "My people, this roller coaster represents your business cycles between good years and years of recession. It is unfortunate that after recent recessions, the recoveries are getting worse until you will just have a sluggish ongoing economy with fewer jobs. The one world people have encouraged government Stimulus and bailout plans which only have added to your National Debt instead of bringing you out of the recession. Government does not have enough income to sponsor the number of jobs needed because these jobs do not make a profit, but only create more debt. Pray for your businesses to provide more jobs and to decrease your government control."

Jesus said: "My people, the best way to combat the evil that is around you is through prayer and fasting. Daily prayer is a powerful force in your life that can help you and those around you to have a positive influence on all the evil going on in this world. It is your prayers that are the best weapons against war and abortion, and all the other evils in the world. Without repentance of your sins and enough prayer, America could lose its freedoms and its greatness. Without having Me as the center of your lives, then your country will fall. Strive to teach prayer to your children, relatives, and friends in order to save your country."

Jesus said: "My people, when you have occasional sickness, it may be a temporary discomfort. But when people suffer ongoing illness or cancer, it is more painful and more difficult to bear. Many are learning that good health is becoming harder to maintain with all of your adulterated foods, hybrids, and polluted environments. This is why good diets and building up your immune systems are critical to your health. There are some healings granted through prayer, but many are left to bear with their chronic pain. Give your pain over to Me so I can share My suffering on the cross with you. By offering up your pain, you can help people in their sins."

Jesus said: “My people, amidst all the trials and sicknesses that you face in life, you need My grace and mercy to build up your faith in Me. You only live a short time in this life, so make the best of your situation by trusting in Me to help you through every trial. When you are strong in your faith and confident in your Lord, then you should have no worries that I will take care of you. I am giving My prayer warriors extra graces to be an inspiration to the rest of their families. By following Me and imitating My life on earth, your reward will be great in heaven.”

July 28, 2010
Friday, July 16, 2010: (Our Lady of Mount Carmel)
Jesus said: “My people, you have recorded Scripture in the Bible to help save your souls. My Blessed Mother has given special messages to help you in fighting the devil’s activities. You have the rosary and My Blessed Mother’s brown scapular as sacramentals for your protection. There are some who belittle messages of My Blessed Mother and the brown scapular, but these people are speaking out of ignorance or devil tempted to discourage its protection. My people need to be aware of the protection of the brown scapular. I want you to give the people your research:
“Take this scapular, it shall be a Sign of Salvation, a protection in danger and a pledge of peace. Whosoever dies wearing this scapular shall not suffer eternal fire.” - Promise of Our Lady made July 16, 1251 to Saint Simon Stock.
Pope Benedict XV addressing seminarians in Rome: “Let all of you have a common language and a common armor: the language, the sentences of the Gospel–the common armor, the brown scapular of the Virgin of Carmel which you ought to wear and which enjoys the singular privilege and protection after death.”
“One of the most remarkable effects of sacramentals is the virtue to

drive away evil spirits whose mysterious and baleful operations affect sometimes the physical activity of man. To combat this occult power the Church has recourse to exorcism, and sacramentals." (The Catholic Encyclopedia)
Because My people need this protection and the devil knows that this protection is real, then refuse to listen to people who mock this brown scapular. The devils fear My Name, the Holy Name of Mary, and the Holy Scapular of Carmel. So wear My Blessed Mother's brown scapular as your protection from the evil ones."

Saturday, July 17, 2010

July 28, 2010
Saturday, July 17, 2010:
Jesus said: "My people, the time is quickly coming when it will be difficult for My faithful priests to be able to say Mass in your churches that will be taken over. As this priest was led in the vision, only Masses will be said at My refuges and secret places, and no longer in public. This is why it would be good to inform your priests of this coming time of tribulation when it will be necessary to come to My havens of protection. Those, who do not leave their homes at the appointed time, including My priests, may suffer martyrdom at the hands of the evil authorities. The priests may not want to believe these messages, but at least plant this seed of knowledge so they can pray to Me and their guardian angels will lead them to My refuges. Even plant this seed for all peoples to be ready to follow Me to their refuges as well. This protection at My refuges is a grace of My mercy to shield My faithful from all the killing by the evil ones. Fear not this time, for once the Antichrist comes to power, know that My victory is near."
Camille: "You have asked me why I am opening Sharon's neckless so many times. You just had the feast day of Our Lady of Mt. Carmel and how she gave you her scapular to be protected from hell. Please

have Sharon and all of you wear Our Lady's scapular, the same scapular that I gave to V. when I died. Also encourage Sharon and all of you to get to Confession more, as I should have. Also have Sharon pray for D.'s soul and encourage him in the faith as much as he will accept without forcing him. I am still sent to save the souls of our family, as this is my mission. I love all of you, and I am watching out for your souls with my little visits."

Sunday, July 18, 2010

July 28, 2010
Sunday, July 18, 2010:
Jesus said: "My people, this Gospel has many facets to understand. Martha is to be commended for caring for everyone's needs of hospitality. One thing, that many of you do, is complain of your duties that at times seem burdensome. The body needs its own rest in short naps or sleeping overnight to gain back its energy. What may be missing in some lives is the fact that your soul or spirit is also seeking its rest as well. Your soul can only find its true rest and peace in Me. This deep prayer life in contemplative prayer is what is needed for your soul when you converse with Me. Whenever you receive Me in Holy Communion, or come and make visits to Me in Adoration, or at My tabernacle, you are united intimately with My love in My Real Presence in My Eucharist. It is this rest of the soul that is what I referred to as the better portion that Mary had chosen. She had My Presence and My teaching available as she served Me spiritually in her attention to My words. You can serve Me also in helping your neighbor with their physical needs, but even more importantly you can serve their spiritual needs in your evangelization efforts. The whole person needs to be healed both in bodily needs and the soul's spiritual needs. The most important mission is to save the souls in heaven away from the evil that leads people to hell. Strive to be with Me in heaven by serving Me as both Martha and Mary did."

Jesus said: “My people, you have had only two small named storms come in on the Texas-Mexican border. Your scientists are expecting a more active hurricane season than last year, but the activity usually increases more in August and September. Temperatures are somewhat warmer which gives fuel to more violent storms. Any more storms in the Gulf of Mexico could cause any oil slicks to be pushed inland. Since the oil spill has been stopped, there has been little news on the plans to put a permanent plug in this previous gusher. Pray for a continued success to keep this well plugged, and for minimum damage to your operating rigs from any future storms.”

Monday, July 19, 2010

July 28, 2010
Monday, July 19, 2010:
Jesus said: “My people, every age seeks a sign when they are searching for direction, but the only sign to be given is that of Jonah. This means that man has to acknowledge that there is someone greater than man here, and all of you need to repent of your sins. Just like the Israelites, who wandered away from the Mosaic law that My Father gave, so the people of America have wandered away from My traditions and even the laws set up by your forefathers. The devil entices you with the desires of the flesh, but the body is always doing battle with the desires of the soul. The greatest sign given to you is My death on the cross to save all of mankind from their sins. By My Word of the Gospel, and My actions as a man, I have given you a life to imitate. I have given you My sacraments and My very Self in Holy Communion. By Confession you can have your sins cleansed and always have a pure soul to receive Me in Holy Communion. I ask you to follow Me on the narrow road to heaven by obeying My Commandments and serving Me and your neighbor out of love. Keep your life constantly focused on Me, and there will be no reason to ask for a sign.”

Jesus said: “My people, many of the needs, that I will provide for My people, will be miraculous with Divine intervention. Your modern day Exodus will parallel the original Exodus in many ways. The water provided will come from miraculous clean wells from a spring of healing water. The manna that I will provide, will be My very Body and Blood in daily Communion. The deer meat that will be provided is similar to the quail that were provided for the Israelites. The luminous cross of healing in the sky will provide healing as did the bronze serpent of Moses. The shield of invisibility from My angels will be your first line of defense that your enemies will not be able to see you or detect you in any way. Even if the evil ones knew where your refuges were before becoming invisible, My refuges will still be protected from any bombs, viruses, or harm of any kind. I performed many miracles to protect My people from the Egyptian army, including the parting and closing of the Red Sea, and the many plagues that let My people go free. I will perform many miracles of protection for My faithful remnant at My refuges. These are just a few examples of My superior power over the evil ones. Trust in Me to protect you and provide for your needs in this coming time of tribulation.”

Tuesday, July 20, 2010

July 28, 2010
Tuesday, July 20, 2010:
Jesus said: “My people, in the Gospel I was meeting My Blessed Mother and My disciples, but I used the opportunity to say that all those people, who do My Father’s Will, are brother, sister, and mother to Me. My Blessed Mother always lived in the Divine Will, as she had no sin. She is protective of her children as I gave all of you over to her when I told St. John at the cross: ‘This is your mother.’ She protects all of you with her mantle and she offers you her sacramentals of the

rosary and the brown scapular. The rosary is your weapon against the evil one and all of his temptations, as well as from all the evil people. The scapular is worn around your neck to show that you are being faithful to Me and her so you will be saved from the eternal flames of hell. This promise of heaven and to be saved from hell, requires you to repent of your sins and accept Me as Lord of your life. Rejoice in every help that is given to you to save your soul, and to pray and evangelize souls for Me. Remember to wear your rosary and your brown scapular every day. Thank Me and My Blessed Mother for watching over all of our children because we love you so much."

July 28, 2010
Wednesday, July 21, 2010: (St. Lawrence of Brindisi)
Jesus said: "My people, every person, who I called to religious life, or to be a messenger or prophet, gave a variety of responses. Some were reluctant and later accepted, some gave their yes right away, and some refused altogether. You should not criticize anyone for how they chose to do My mission. Just as I chose My apostles from ordinary people, so I choose many ordinary people to do My calling in your world of today. Those, who bring My Word to My people, are doing My Will, and you need to discern if their words follow My teachings, the teachings of My Church, and if good works come as a result. In these end times I am sending many messengers, but the evil one is also sending false witnesses to confuse you. Those, whom I call, need to have a holy life of prayer and good works. I know My servants have human frailties, but in their heart they love Me and are doing the best that they can to serve Me. Whenever you do something good as a directed mission, the evil one will attack you in any way he can to upset and disturb your plans. Have no fear or anxiety of what to do. I will give My people the grace and courage to accomplish the mission that I have planned for their lives. When it is time to give witness to

My Word, the Holy Spirit will give you what you are to say. This is why I ask you, My son, to call on the Holy Spirit to help you in your talks. I call on all of My people to go out to all the nations and evangelize souls to the faith, so you can save as many souls as possible from going to hell."

Jesus said: "My people, those, who are running your government's budgets are not telling the people your true levels of indebtedness. You have two budgets and two measures of National Debt. One is considered on budget, meaning the actual dollars collected and spent. The other is off budget, meaning future obligations to be paid to Social Security recipients, unemployment benefits, Medicare, and Medicaid. The on budget deficit is about $13 trillion, while the off budget deficit is about $56 trillion. Many tricks are used to disguise the deficits so the people will not realize that your country is technically insolvent. This means that your debts are well beyond your ability to pay. Your spending is also well beyond your income, and there is no plan to cut spending to balance your budget. Your home, businesses, and even states have to balance their budgets or they are declared bankrupt. Your government can use tricks to print bonds and money out of thin air because these Federal Reserve notes are not backed by anything of value. This is why the elite have their wealth in tangibles, instead of in paper money and paper stock certificates. Your money system is like a deck of cards that is ready to be crashed at any time. Once investors and foreigners stop buying your Treasury notes, there will be no way to finance your debt and your money will be worthless. This plan of bankrupting America has been the one world people's way of taking over your country for many years. Be prepared to go to My refuges once your dollar crashes. The evil ones want total control over your lives, and that is why they are encouraging socialism where your government controls everything as in China and Russia. Pray for your people to repent before the Antichrist takes over."

July 28, 2010

Thursday, July 22, 2010: (St. Mary Magdalene)

Jesus said: "My people, St. Mary Magdalene and the other women brought spices for My burial on the morning of My Resurrection. An angel with an earthquake removed the large stone that covered My tomb. The soldiers fled in fright on seeing the angel. The women looked into the tomb and they saw two angels. One angel told them: 'Why are you looking for the Living One among the dead? Go and tell St. Peter and the other disciples.' The women told My disciples and St. Peter and St. John went and saw the empty tomb. After waiting and sobbing, St. Mary Magdalene saw Me first and I called her by name, 'Mary'. She recognized Me and I told her to tell My disciples that I had ascended to My Father. Even after telling the disciples that she had seen her Lord, the disciples refused to believe her, and they even refused to believe the two disciples who I appeared to on the road to Emmaus. I rewarded Mary for her deep love for Me by letting her see Me first after My Resurrection. Only later when I appeared to My disciples in the upper room, did they finally believe in My Resurrection. I chastised them for not believing Mary or the two disciples. I told My disciples that they believed in Me because they could see Me, but blessed are they who have not seen Me, yet they still believe in My Resurrection. This was My victory over sin and death, and I called on My disciples to spread this Word of My Resurrection and salvation for all of mankind to all the nations."

Prayer Group:

Jesus said: "My people, I am showing you this Santo Nino image to remind you of My infancy when you pray My novena before Christmas. I have asked you to have a small Nativity scene to be placed on your altars at home to remind you of My infancy so that you can pray to Me as a youth or an adult. I am reminding you also of My Star of Bethlehem that the Wise men followed to find Me. The

Antichrist is also claiming various stars that have made many appearances to announce his coming to power. Be prepared for the coming tribulation as you prepare to come to My refuges of protection."

Jesus said: "My people, I have prepared you for a coming martial law that could be set off by a national bankruptcy, a pandemic virus, or a false terrorist attack. The one world people are planning your demise in causing a national emergency that would trigger a takeover of America. This would bring about a North American Union with the amero as your new currency. Once these unions are formed on every continent, then the Antichrist will declare himself and he would take over the European Union. As you see the Antichrist coming to power, know that My victory is not far off."

Jesus said: "My people, this image of the frog slowly being boiled to death is similar to how the one world people will slowly devalue your dollar until it will be nearly worthless. For a long time you have had artificially low interest rates and low inflation. Once the dollar will no longer be the reserve currency of the world, there will be fewer people buying Treasury notes. Your deficits are growing very rapidly, but they need to be financed. As fewer Treasury notes are purchased, your debt will be monetized by printing more dollars. As your dollar gradually loses its value, you will soon see hyperinflation. This gradual loss of value is similar to the frog being boiled slowly. Once you realize that your dollar is near worthless, it will be too late, as the one world people will take you over. Then you will need to leave your homes for the protection of My refuges."

Jesus said: "My people, before the tribulation begins, you will see more persecution of those who believe in God, and any mention of God will be removed from the public. You have seen prayer removed from your schools. Soon public churches will need permits and tax exemption will stop. God will be taken off of your money and out of your documents. Nativity scenes will be banned and preaching about Me will become a crime. As you witness this gradual persecution, this

will be another sign to go to My refuges."
Jesus said: "My people, you have your freedoms through your Constitution and your Bill of Rights. When people want to control your speech, take away your guns, your court freedoms, and your right to worship Me, then you are seeing how your freedoms are being eliminated one by one. As your jobs have been sent overseas by your corporations, your government is controlling many of your jobs in a socialist takeover. Those, who have eyes to understand, can realize how the one world people are increasing their control over you day by day with every new legislation that is passed. America needs to realize that you have to defend your rights every day or they will soon disappear."
Jesus said: "My people, Satan realizes that his time of reign is about to come to an end. This is why the evil in your world is increasing rapidly in every phase of your life. You are being attacked at your jobs, in your families, in your movies and TV programs, and even on the internet. Unless you seek out a holy life with prayer and fasting, the evil ones will slowly distract you into worldly ways of sin. In this age more than ever, you are in a battle between good and evil at every moment of your life. Stand up for your faith and be counted on My side, even if you risk being persecuted or threatened by the evil ones. Trust that My power is greater than Satan's power."
Jesus said: "My people, when you consider praying in silence before My Blessed Sacrament, you can see how difficult this is to remain focused on Me without worldly distractions affecting your prayer. In the world you have constant noise from music in many public areas. People watch and are controlled by TV announcers. You have cell phones so you can talk to each other constantly, as well as e-mails and other electronic devices. You need to be quiet in order to have fervent and serious prayer, and pray to have any demons of distractions bound to the foot of My cross so they do not disturb your peace. By taking time out to be quiet with Me in contemplative prayer, you can see how much the world influences your thoughts in most of your waking

hours. Come to Me and ask My grace to guard you from evil thoughts and attractions so you can better focus on following My Will for your mission on earth."

Friday, July 23, 2010: (St. Bridget of Sweden)
Jesus said: "My people, at night you draw down the shades so you can sleep without any outside lights keeping you awake. In the morning you draw up the shades to let the light of day come in. It is difficult to read or do any work without sufficient light in the house. Your soul needs a different light and that is the enlightenment of My Word so you can have spiritual direction for your life. My Commandments give you a guide in how to live your life in love of Me and your neighbor as yourself. It is My Blessed Sacrament that gives food to your soul and Confession that cleanses your sins. My sacraments provide your spiritual strength to do your work of saving souls for Me. Today's Gospel speaks of My Word as the seed of faith in the Kingdom of God. You need a fertile soil of preparation in order for My Word to yield its fruit of labor in My vineyard. A soul needs to be open to receive Me and not distracted by the devil's worldly desires and temptations. By the grace of My sacraments, you will have the desire in your soul to follow Me and yield a hundred, sixty, and thirty fold."
Jesus said: "My people, you are seeing these three merry-go-rounds moving around all at the same time to represent how the Warning will happen to everyone at the same time in all of the countries of the world. This will be a momentous supernatural intervention where all souls will come to meet Me in a mini-judgment of their lives. There will be no choice as you will be forced to see your life review. You will still have free will to decide to change your life for the better or not when you are returned to your bodies. Your soul will leave your

body and you will be outside of time when I will show you where you stand with Me spiritually. Those, who are judged to hell or purgatory, will have a taste of what it is like in these places. Once you see where you are going, you will have a strong desire for Confession, and every soul will be given this opportunity to be saved. You will be warned not to take any chip in the body, and not to worship the Antichrist. After the Warning, remove your TVs and computers from your homes in order to avoid looking at the Antichrist who could control your thoughts. Use this Warning to help evangelize everyone in your family and among your friends. Give praise and thanks to Me for giving every soul a chance to be saved before the tribulation will be upon you."

July 28, 2010
Saturday, July 24, 2010: (St. Sharbel Makhliuf)
Jesus said: "My people, there is a natural attraction between men and women that I have instilled in everyone for the purpose of having children. But once a man and a woman get married, there is still a desire at times for the opposite sexes. This can become an occasion of sin for those who are married to desire another. This is why affairs have ruined many marriages and have resulted in divorce over fornication and adultery. Even a whole industry has been created in pornography to satisfy even men or women in their fantasies. These passions of the body need to be restrained from sinful behavior. More souls go to hell for the sins of the flesh than any other sins. You have seen many famous people in sports, politics, and the movies who have need of curing these habitual sins of the flesh. These affairs are also linked many times to abortions to cover up these sins. There are also many sins of birth control devices and sterilizations that are rampant among married people. There are so many attacks against the family that the majority of households are either single parents or those living

together in sin without marriage. This is a serious problem in your society because your people are so promiscuous and have been influenced by pornography, bad movies, and TV programs. My people need to guard their eyes on their sexual desires and obey My Commandments in these areas. Pray for strength to overcome your bodily weaknesses."
Jesus said: "My people, I have warned you to have some extra fuel for the winter for both at your homes and for those preparing refuges. This is most needed in the Northern climates where it is colder. Even two sources of fuel as wood, kerosene, natural gas, or propane would be helpful. Fuels are not only good for heating, but they can be used for lights in lamps, and for cooking. When you have power outages or if the natural gas is controlled, then you could still keep warm. This means that you need a wood burning stove, a kerosene burner, or a gas heater. When you are at home or at a refuge, you want to be as independent as you can be with extra food, fuel and water. When you are in need of protection, I will multiply whatever you need to survive. Pray for My help during these end days so My angels can protect you and lead you to My refuges."

Sunday, July 25, 2010:
Jesus said: "My people, there are many people who like to do what they want, even if it infringes on the freedoms or property of others. This is why it is necessary to have laws against people's bad behavior. Even in a worldly way you need a sense of order with punishment to enforce the laws on the criminals. People need to realize that they need to be responsible for their actions, or they will face the consequences in jail. I am merciful, but I am also just. You can see My justice carried out in the Bible. There were not even ten just people in Sodom and Gomorrah, so they suffered destruction. My own

people worshiped Baal instead of Me, so they were exiled in a foreign land. America is facing the same judgment for all of your sins as well. If your people do not repent and change their sinful ways, then they too will lose their country to the one world people. You have worshiped your wealth, comforts, and yourselves in pride, instead of Me, so now you will have to answer for the consequences of your actions. All people have to account for their behavior, and this also applies to each country as well. Pray for the souls and hearts of your people to change to do good, so you can endure the coming tribulation."

July 28, 2010

Monday, July 26, 2010: (St. Joachim and St. Anne-Mary's parents) Jesus said: "My people, according to tradition My Blessed Mother's parents, St. Joachim and St. Anne, were childless at first. Then the Blessed Virgin Mary was conceived without original sin. In thanksgiving for having a child, they brought My Blessed Mother to the Temple where she remained. She was prepared for her role as My mother in the Temple. St. Joachim and St. Anne also have the distinction of being My grandparents. They were also in the line of King David which is why My Blessed Mother had to be registered with St. Joseph in Bethlehem for a census. This is the city where I was born and why I was called the Son of David. All of these saints are a part of My salvation history which I planned for many years because My mother was to be a sinless virgin, even from early prophecies. Rejoice in this feast of My grandparents."

Jesus said: "My people, this mountain of rock represents the strength that I want all of My faithful to have. My Church is built on the rock of St. Peter, and the gates of hell will not prevail against it. Even though the evil ones will have their time of reign, I will still have My angels shield you from any evil at My refuges. Those, who believe in

Me and trust in My power, will be able to overcome evil with good in your strong faith. Let My angels lead you to My refuges, and you will have no worries as I will provide for all of your needs. You only need to have faith in My miracles, and you will soon see My victory over all of the evil ones. Give praise and thanks to Me for giving you My protection when there is no other way to fight this evil world. Fighting with guns is useless. Rely on My angel power which is more than sufficient to overpower the demons and the evil people."

July 28, 2010
Tuesday, July 27, 2010:
Jesus said: "My people, in the Gospel I explained to My disciples the meaning of the Parable of the Sower. The seed is the Word of the Kingdom, and it is given freely to everyone. But the devil tries to take this Word out of the hearts of those who hear My Word. All of you are given a choice to follow Me to heaven, or to follow the worldly ways of the devil to hell. It is the soul that seeks its peace with Me, and I am the only One who can satisfy your soul. It is the body that seeks comforts and pleasures, but it must be restrained to avoid excesses that are sinful. This battle between the desires of the soul and the desires of the body is the human condition. You are weak by Adam's sin, but in the vision I give you Myself in Holy Communion to strengthen you against the devil's temptations. When you do fail, you can come to Confession to repent of your sins, and I will forgive you. Trust Me in My sacraments and My Word so you can focus on Me and follow Me to heaven."
Jesus said: "My people, when many people are without jobs, unemployment insurance has stopped, and the money is slowly becoming worthless, there will be riots and chaos. Survival will be the first concern as the riot people will seek out food and water as a mob, and they will attack food stores. The stores do not have that much

security and there is only three days supply of food on hand which will disappear quickly. This is why I have asked My people to store one year's supply of food and some water in case the food is not on the shelves as with riots, or you do not have a chip to buy it. These spontaneous riots could trigger martial law which is what the one world people want for an excuse to take over America. Once you see these riots extend over the country, it will be time to soon go to My refuges to avoid being captured in the coming martial law. I will warn you to leave at the proper time. You will need to take some food and water with you on the way to My refuges. As people become desperate for food for survival, there will be no rational thought, but only a mob mentality. Guns and weapons could make this time very dangerous, but depend on My angels for your safety. When I give you the word to leave, you can see by the circumstances that it will be wise to leave as quickly as possible. Pray for My help when you are facing a lot of desperate people."

August 11, 2010
Wednesday, July 28, 2010:
Jesus said: "My people, you are familiar with riding a horse and how you lead the horse to go and stop. You also have to groom your horse, feed it, and have water for it. There are many responsibilities to owning horses, but they provided transportation and work for people before your cars and trucks. It may not be the best of analogies, but in some respects I am like the rider and you are like the horse. I guide you on your way and I provide for your food and shelter, but I still allow your free will. When you listen to My Word and follow My

ways, then life appears easy in taking on My burden. But when you prefer to follow your own ways, then you run into many difficulties and even punishment when you get out of control. Even your society forces you to conform to the laws of the land. The lesson is to be faithful to Me in all that you do, and this life will be much more bearable."

Camille: "Hello everybody, I am still here trying to help all of you, but getting people back to church is not an easy job. If you see Me repeating things in my visits, it is because you are not listening to what the Lord wants you to do. I admit that I was not any better when I lived on the earth, but now I think differently when the Lord wants me to do something. I was used to people doing what I asked, but I see why the Lord is constantly nudging people because many are ignoring Him. I am also being frustrated by having to accept that I cannot change people's free will. I pray for all of you, and I will be persistent in doing what I can to lead you on the right path to heaven."

Jesus said: "My people, I have told you not to put your trust in money, gold, stocks, or bank balances, but instead, put your trust in Me for all that you need. In past civilizations people used gold and silver coins for buying and selling, but these metals are quite heavy for large transactions. Through the years America also has used gold and silver coins. Once you introduced paper notes backed by gold and silver, you now had paper that was only a promise to be redeemed in real value coins. Then this backing was taken away and your cash was truly in paper with only the faith of your government backing these notes. Now you have bank ledgers on electronic computers that exchanges money by credit. This credit has multiplied much more than your physical paper cash. If someone wants to cancel your credit card or zero balance your bank accounts, you are powerless to control your money. The central bankers do control your accounts and they can devalue your currency by inflating your credit. Once they demand computer chips in the body for your transactions, they will control your mind. Refuse to take any chips in the body, even if they steal all

of your credit money or threaten to kill you. This is why it is better to have food and things to barter with when your fiat money is taken away. When the authorities try to force such chips on you, it will be time to leave for My refuges. The evil ones control the value of your dollar and soon it will become worthless. This is why saving some food and being ready to go to My refuges should be a part of your preparations for a coming takeover of America. I have given you many messages on these end times, and you are seeing the signs of these prophesies being fulfilled. Trust in Me and My angels to protect you in this coming tribulation at My refuges."

August 11, 2010
Thursday, July 29, 2010: (St. Martha)
Jesus said: "My people, you have read before the account of St. Martha as she was occupied with the work of hospitality. Her sister, Mary, chose to listen to My words and she had chosen the better portion, and it was not denied her. The other optional Gospel account was St. Martha's request for her brother, Lazarus, who had died. She was confident that My Father in heaven would give Me whatever I asked for her. I told St. Martha that her brother would be raised up, and she believed in his resurrection on the last day. Then I made a revelation to her of My Divinity and My power. (John 11:25, 26) 'I am the Resurrection and the Life; he who believes in Me, even if he die, shall live; and whoever lives and believes in Me, shall never die.' She believed in what I told her, and later I was moved with pity and I raised Lazarus from the dead. St. Martha and St. Mary had a strong belief in Me, and they recognized Me as the Christ, the Son of God. This is why I came into the world to die for all of mankind's sins, and open heaven for everyone to have an opportunity to be resurrected to heaven."
Prayer Group:

Jesus said: “My people, these three dimensional images are using lasers and various effects to put these pictures out into space that will promote the Antichrist and his improvised miracles. These images in the sky and the 3-D projections are all tools of the evil one to simulate virtual reality movies that can be used in mind control devices. See these things as artificial and do not be taken in by the Antichrist’s claims that he is the Christ and a great spiritual leader. Once he makes his appearance, remove your TVs and computers out of your homes so you do not look at the Antichrist’s eyes. Call on My help and My angels to lead you to My refuges of protection where you will be made invisible to the evil ones. Refuse any chips in the body and do not worship him, even if the evil ones threaten to kill you.”

Jesus said: “My people, I encourage your prayer groups and places of Adoration to flourish because prayer is your best weapon to counter the increasing evil in your world. Those, who are keeping My Adoration places open, are going to be coming under increasing pressure to close them down. You need to be strong and remember to call on Me in prayer in front of My Blessed Sacrament. The evil ones know the power of My Eucharist, and they will fight against you, but My power is greater.”

Jesus said: “My people, do not let the evil ones stifle you in your evangelization efforts, or speaking out against abortions and the sexual sins. Continue to preach repentance in public, even if they threaten to take away your tax exemption. You may have to pay taxes for your churches in order to keep your freedom of speech, and your freedom to worship Me. Ask the Holy Spirit to give you what to say to your authorities. Religious persecution of Christians is just beginning, and you need to stand your ground against your persecutors.”

Jesus said: “My people, your first persecution will come from within My Church as you will see a division in My Church between a schismatic church and My faithful remnant. Even as you learn to gather together in your prayer groups for religious safety, you will

soon see religious persecution coming from your government authorities and judges. It will be at that point when you will need to seek out My refuges for physical and spiritual protection from the demons and evil people led by the Antichrist."

Jesus said: "My people, you are dealing with a daily battle between good and evil in your world. You see battles at the abortion clinics, adult bookshops, and occult movies and meetings. New Age teachings are even entering openly into your churches and you need to fight to remove such elements, or go to another church. Evil is all around you as you need your weapons of your rosary, My Divine Mercy chaplet, blessed sacramentals as medals and Benedictine crosses. Relics of My true cross and relics of the saints are powerful weapons against evil and the demons. Blessed salt and holy water are also helpful as well as exorcisms and binding of the spirits prayers. Use all of these weapons and the Mass to overcome evil with good."

Jesus said: "My people, these refuges and interim refuges are going to be your best places of protection during the coming tribulation of the Antichrist's reign. I have asked these leaders to work hard on their preparations, but My faithful could also help them in their prayers and even financially, or the storage of food. It is a financial sacrifice to prepare a refuge, and My refuge makers will receive a heavenly reward. There will also be a need for spiritual counselors to help the faith of those who come to My refuges. The early arrivals will be in fright until they see My miracles of protection and multiplication of food and lodging. Pray for these souls to have peace in their hearts."

Jesus said: "My people, life at My refuges will be much more rustic and prayerful than the lives that you are living now. You will be focused on community needs of survival, but most of all you will have more time for fervent prayer as if you could be living a monastic kind of life. This is why you will need your Liturgy of the Hours prayer books, rosaries, and other spiritual reading. Mass books and the Bible will also be helpful in sharing your faith with each other. Give praise and thanks to Me that I will protect My faithful remnant at My refuges

and interim refuges."

August 11, 2010
Friday, July 30, 2010: (St. Peter Chrysologus)
Jesus said: "My people, I taught My message of love and the Kingdom of God, but the people questioned My origins instead of believing in My words. When I told them that I was fulfilling the words of Isaiah in the coming Messiah, they refused to hear Me and they wanted to throw Me over the cliff. Instead, I walked through their midst because it was not My hour to die. That is why I told them that a prophet is not accepted in his own hometown. Even My messengers of today are not always accepted in their hometown either. As you see the persecution of Jeremiah and Myself, your very life may be in jeopardy because the people feel threatened by harsh words on their sins. Your mission, My son, is even more difficult in preparing people for the coming tribulation. Your people like their comforts and pleasures, and they do not want to give up their sexual sins. Even more, they feel threatened in leaving their homes and seeing the coming persecution of Christians. Remember that as I was persecuted for speaking the truth, so My disciples will face the same persecution. Call on Me to have your guardian angels protect you as you are led to safety at My refuges."
Jesus said: "My people, I have given you messages before on how many of your churches are being closed. It is one thing if there truly is a priest shortage and very few people (under a hundred) who are coming to Sunday Mass. It is another matter when over five hundred people are coming to Mass and they are paying their bills. Those, who are in charge of closing My churches, will pay a heavy price for closing My churches just because they are traditional in their ways. My people need their local churches, and you should be working to build up My Kingdom, instead of discouraging people to attend

Sunday Mass. My priests are not doing their job to inspire their people if they allow their parish to wither away without working to see the reason for people leaving. If the priests promote My Blessed Sacrament visits and Confession, they will make fertile ground for new vocations to the priesthood. I know the people are weak in attendance, but they need to be fed a fervent faith to come to know and love Me better. You can improve attendance if you work at it. Just look at other religions around you that have good numbers."
Brain cancer request: Jesus said: "My son, it is difficult to deal with a terminal cancer in an area that is inoperable, as in brain cancer. There are few miracles in this healing because this requires novenas of prayer and fasting. This also requires that the person to be healed must believe in faith that I have the power to heal that person. Get as many friends and relatives as you can to pray for this person's healing. Even if this person should die of her cancer, then you need to prepare her soul for the coming judgment. All people need to be prepared in their soul to die because you do not know how long you have on this earth. You could use Lourdes' water or holy water in praying over a sick person. I have told you that My refuges will have healing water just as at Lourdes, France."

August 11, 2010
Saturday, July 31, 2010: (St. Ignatius of Loyala)
Jesus said: "My people, just as I asked My apostles to go out to all the nations and spread My Good News of salvation, so I call on all of My disciples in faith of today to also go out to all the nations and evangelize souls to faith in Me. It is not always possible for everyone to go out to share their faith with those in foreign lands. There are some among you who are missionaries that have answered My call to go to foreign countries. For these servants of Mine, My people should honor their work and help them with your prayers and donations.

They have given up everything to follow Me and the laborer is worth his wage. I have also called many messengers and prophets to spread My Word of faith and hope among the people. As you read about Jeremiah, he lived among people who wanted to take his life for telling the words of My chastisement of Israel. He was protected from harm when those in power realized that he was only following My words. My prophets of today also may be criticized and threatened because their message of My justice may be difficult to understand. Yet I give you hope in My protection at My refuges where the evil ones will not harm you. Some may be martyred for their faith, but follow My angels and they will provide for your needs at My refuges."

Jesus said: "My people, I have given up My life on earth so that all of you could share in My love and My sacrifice of My life, so your souls could be washed in My Most Precious Blood. I am asking My faithful if you could die for Me if you had to choose between your life or your belief in Me. It is not easy to accept a martyr's death in this world, but you would have more graces and you would gain heaven instantly if you so suffered for Me. My martyrs shared their suffering with Me on My cross. Give praise and thanks for the many saints who have given up their lives to Me for the sake of My Gospel. You have felt a deep sense of these saints' presence in your heart and soul. Give honor and thanks to these saints as you pray to them as intercessors for your prayers. This area is holy ground by their sacrifices. This will be a refuge of protection in the coming days of trial. Even if you are not called to be a martyr in this life, you can offer up all of your sufferings as a 'dry' martyr."

Camille: "This whole concept of martyrdom is not anything that I understood when I was on the earth. I heard of saints, but I did not know or appreciate what they suffered on earth. In my little faith I doubt that I could have died for such a cause. Now that I am in heaven, I would do whatever the Lord asked of me. God bless you all who have a deep faith in Jesus throughout your whole lives. These

martyrs have a higher place in heaven than I am because of their great faith. You all should strive for the higher places in heaven."

Sunday, August 1, 2010

August 11, 2010
Sunday, August 1, 2010:
Jesus said: "My people, you remember when I chastised the blind guides of the Pharisees. They looked for the speck in their brother's eyes, but they did not see the beam in their own eyes. Do not judge anyone. Leave any judging to Me. The Pharisees spoke the words of the prophets. I told My people to listen to their words, but do not follow their actions. In another way do not focus so much on material things, but seek heavenly things which are more valuable for your soul. You saw the rich man who was concerned about how he could store his harvest. So he built bigger barns and when the harvest was put away, he was content for years to come. But then that night the rich man was being called to his death, and he could not take anything with him. When you spend your time accumulating wealth for yourself, you forget that it is Me whom you should be worshiping. Focus your life on Me and heaven rather than on your earthly things. Use your wealth to help others, and you will be storing treasure in heaven which is more valuable. Those, who follow Me in life and obey My Commandments, will have their reward in the eternity of heaven."
Jesus said: "My people, I have given you many suggestions for good spiritual reading in the Bible, the Liturgy of the Hours, the Imitation of Christ, and the Pieta prayer book. When you visited the cross where some of the martyrs were killed and tortured, the people quoted one of the martyrs reading from Chapter 12 'The Royal Way of the Cross'. Many of the North American priests, who were martyred, are pictured carrying My cross with a crucifix. Even Kateri Tekakwitha carried My cross. Carrying My cross is still an important part of a fervent

Christian of today. This means instead of complaining about your trials, you need to see that accepting your trials is a way of perfecting your spiritual life in following My Will in all that you do. Denial of self is not easy, and it means that you are giving up your will to live in My Divine Will. You are still living in the world and you are tempted by the material things that are what the body desires. In order to truly live a holy life, you need to have the desires of the soul overpower the desires of the body. This can only be accomplished through My grace and My sacraments. By prayer and true fasting, you can overcome the desires of the body and you will have My true peace in your soul."

August 11, 2010
Monday, August 2, 2010: (St. Eusebius of Vercelli)
Jesus said: "My son, this first reading is significant for the mission that I gave you. There are many false prophets at this time that are misleading the people much like Hananiah in the time of Jeremiah. You were sent to prepare the people for the coming tribulation which many do not want to accept. But I give hope to My people that they will be protected at My refuges from the evil ones who will be trying to kill you. There will be a time of My peace coming after My victory over Satan and the Antichrist. Only after you suffer through the tribulation, will you be worthy of My Era of Peace. This belief in My protection is the faith that I was seeking from St. Peter in the Gospel reading. I came walking on the water and St. Peter asked Me to invite him to walk to Me on the water. He started walking on the water and he became frightened of the wind and the seas as he took his eyes off of Me. Then he began to sink, but he called on Me to save him. I brought St. Peter into the boat and I calmed the seas. Learn the lesson of St. Peter and always keep your eyes on Me, and trust in Me for everything. When you were converted, or when you made your total commitment to Me in faith, your faith was strong in your fervor. Do

not doubt or wander from your first faith. If you do forget or weaken, remember to return to your original fervor because this belief in Me is your way into heaven. You need full trust in Me for physical healing and spiritual healing. Share this faith with others as you are called to evangelize souls for heaven. When you come to Me in death, you will have a prophet's reward when you come into heaven."

Jesus said: "My people, you have become so accustomed to your modern day conveniences run by electricity, that you forget what it was like to live in older days. They did not have cell phones, LCD TVs, air conditioners, running water, hot baths, cars, or modern homes. You are distracted by many things in your world of today. So when I give you messages like Jeremiah to repent of your sin, and prepare to leave your comfortable homes for a rustic refuge, My people do not want to hear this message. Many want to continue on in their comforts and sinful pleasures. This time of an evil tribulation is truly coming, and those, who are not prepared, could find themselves tortured and martyred as the North American Martyrs were in days past. I will give you a warning when it will be time to call on Me, and your guardian angel will lead you to the nearest refuge of My protection. When you come to My refuges, you will be more focused on Me in your prayers, and on your means of survival. Many people are preparing refuges so you will have a place to stay, have food and water, and have a means of healing in My luminous crosses and the miraculous spring water. Everyone will have a job to do in order to help each other in their needs, and they will be using their skills as well. Daily prayer and daily Communion will be an important part of your life, even as they are today. Trust in Me to have your angels protect you from the evil ones, but you will perform many labors out

of love for Me."
Jesus said: "My people, you are continuing to see many natural disturbances that are causing considerable damage. Many violent and heavy rainstorms along with tornadoes have caused damage in many areas. Fires have burned some homes in various states in forests and grassy areas. Small earthquakes have been happening on the West coast and a few in the East. These earthquakes have not been as devastating as Haiti and Chile. The HAARP machine has been active in creating more violent storms and droughts in some areas. Earthquakes could also be enhanced and anything over 5.0 could cause more damage. Be prepared for more damaging natural disasters by having some extra food and fuel on hand. In the winter this could be compounded by cold and ice. The evil ones are preparing for their takeover, and they are planning the means for declaring martial law. Be prepared with your tents and backpacks when I will warn you to leave your homes for My refuges."

Wednesday, August 4, 2010: (St. John Vianney)
Jesus said: "My people, I want to remind you of the First Commandment: 'I am the Lord Thy God, and thou shalt not have any other gods before Me.' I am the only One worthy of your worship. Do not make gold, wealth, fame, or anything of a worldly origin into a god that you worship or focus on more than Me. I am a jealous God and you should only worship Me who loves you and has created your soul. There are some people who ignore Me until they need something, but you must give Me praise and glory all of the time, every day in your prayers. I am watching over you every day, and I hear your prayers. I will see to your needs, but do not ask for more than you need. Some focus their lives on amassing wealth and possessions, but do not take your focus off of Me. I am much more

valuable than anything else that you are seeking. Come to Me out of love, and I will bring a peace to your heart that you will not find anywhere else. Give thanks to Me that I love you so much that I died to save your souls. You do not find this love in anything else that you are seeking. Loving Me and giving Me praise will give your soul more joy than all of the wealth of the world. What does it profit a man if he gains the whole world, but loses his soul in the process? Your soul is your most prized possession, and being with Me in heaven will give you an eternity of ecstasy."

Jesus said: "My people, this picture of the pyramid on the back of the one dollar bill is an indication that the Masons are connected with the FDIC and the Federal Reserve System that controls your money. Ever since the dollar was not backed by gold or silver, you have been working with fiat money and bank credit that has much more value than the money in circulation. Much of the credit and Treasury Notes are made out of thin air without anything of real value backing it. This is how you are financing your huge $13 trillion National Debt. As long as investors and foreigners buy your Treasury Notes, you can carry a large debt. America's spending is expanding at a pace that you cannot afford, and it will soon dwarf your market activity. Faith in your dollar is dwindling as your debts keep increasing. Your dollar will soon collapse as fewer people will want to risk buying your Treasury Notes. This collapse will trigger a martial law and My people will need to go to My refuges for protection. This collapse will quickly lead to a takeover of America and you will become a part of the North American Union with the amero as your new currency. All dollar denominated stocks and bonds will soon become worthless, just like the dollar. Gold, silver, food, real estate, and tangible assets will still have value. Tangible assets are the currency of the one world people who do not have paper assets. Trust in Me more than your worldly things, for I will provide for your needs at My refuges. Do not rely on dollar denominated things because they will soon become worthless."

Thursday, August 5, 2010: (Dedication of St. Mary Major in Rome)
Jesus said: "My people, many of you go to great lengths to enhance your physical appearance. You cut and comb your hair. You shave or add powder to your face. Some even have operations to change their facial appearance or diet to be slender. Much money and care goes into your daily appearance. I pray that everyone will have as much fervor to attend to your soul's appearance as you do for your body's appearance. Did I not make the inside soul as I made your physical outside body? (Luke 11:40) You are body and soul, and you need to pay more attention to your soul's appearance to Me. If you are in sin, especially mortal sin, your soul looks dark and even dead to Me. You need to go to Confession at least once a month so your soul can be forgiven your sins, and it will be dazzlingly white with My grace of absolution. I will cleanse your soul's sins to return your soul's beautiful appearance when you are free of sin and full of My grace. All souls, that repent of their sins in Confession, cause a great celebration in heaven for each converted sinner. Rejoice that you may have a beautiful appearance both inside and outside of your body. Strive to keep My peace in your heart and soul."
Prayer Group:
Jesus said: "My people, you have complained about oil spills and dirty, dangerous coal mines, but the truth is that you are dependent on oil and coal to run your country. The car being driven into a flood of oil in the vision is a sign that to drive all of your cars, trucks, and other vehicles, you need to consume 25% of the world's oil production. Your people are so in love with their individual cars that you do not realize how much energy in fuels and coal for power plants that you consume. This is why you have a higher standard of living than other nations, but you are having billions of dollars in lost trade balance as a result. Your standard of living will be decreasing because

of your overspending. America will need to cut back on your consumption because you cannot keep increasing your debts without some consequences."

Jesus said: "My people, you have realized for many years that your communications have been censored to the point that only your liberal media controls what is politically correct. This radio melting in the vision is another sign that those in control of your media are going to mute or shut down your freedom of speech on the airwaves. Any speaking about Me or religious subjects will also be stifled. Your authorities are trying to eliminate their opposition so you will only hear one liberal and socialist voice. This control will be similar to other communist countries."

Jesus said: "My people, this school bus accident is another sign that your children are being brain washed with warped science in teaching evolution theory as fact, no prayer in the schools, and changed h istory books to deceive children on the real meaning of your democratic republic. These young minds are being censored from hearing other points of view in science, religion, and history. This is why America is falling back in education as many children are weak in the science and math needed for your working world. When you take Me out of your schools, you will see that this void will be filled with worthless distractions. You are dependent on Me for everything, so America needs to repent, or you will fall."

Jesus said: "My people, exercise in sports is helpful for your health. Unfortunately, the major sports coverage and participation is so pervasive that this can become an obsession, as some people lose focus on where your country is headed. When you worship sports on Sunday games ahead of going to Sunday Mass, you can see that you truly are placing other gods of entertainment before Me. By My Third Commandment you are called to worship Me on My day of rest under pain of mortal sin, and not to worship sports even on Sunday Mass times. When you turn your back on Me, you are calling for My judgment."

Jesus said: “My people, you were enriched with the history of your North American martyrs. You walked a path that they likely walked, and you were given the details of their torture and a look at a small village as it was in years past. There are similarities with those times compared with your coming trials in the tribulation. You will be seeing religious persecution as many will be martyred for their faith again. This rustic village, where there was no electricity, will be similar to your refuges that will have a simple way of life with Me in the center. When you take away your many worldly distractions, you will have more time for Me in prayer.”
Jesus said: “My people, as your manufacturing jobs have been shipped overseas, soon you will have a lower standard of living and return to an agrarian style of life. Farms are also being controlled by fertilizer and seed companies. Food prices are also held artificially low for the farmers as their costs outstrip what they can get for their crops. When famines come, the evil ones will cause food control that could cause many to die of starvation. This is why you will need some extra food until you come to My refuges. You will have your food multiplied at My refuges so all of those who come will have enough to eat.”

August 13, 2010
Friday, August 6, 2010: (Feast of the Transfiguration)
Jesus said: “My people, My Transfiguration was a brief revelation of My glorified Body to My apostles, St. Peter, St. James, and St. John. They also saw the prophets Elijah and Moses so they could understand that I was truly the Messiah foretold by the prophets. My disciples also experienced My heavenly Father’s words in the cloud: ‘This is My beloved Son, listen to Him.’ (Matt. 17:5) This was a preview of My Resurrection when My apostles would again see Me in My glorified Body complete with My wounds. I want to make a few

comments on what happens when a person dies and you have their funeral. Some assume wrongly that everyone, who dies, goes to heaven. Each soul comes before Me in their particular judgment as I review that soul's life before him or her. Very few souls come directly to heaven who have suffered their purgatory on earth. Some souls are judged to hell, while the remaining souls are judged to various levels of purgatory. If they are not in purgatory, your prayers will go to other family members who are there. Prayers are never wasted, and they are applied to those in need. Even as I was resurrected, all of My faithful need to seek Me in heaven. On the day of the last judgment, only then would you be resurrected and joined with your glorified body, if you were judged to be with Me in heaven. This is your goal to be with Me in heaven for all eternity."
Jesus said: "My people, for those who make it to My refuges, you will be satisfied in both soul and body. You will see miracles upon miracles of healing when you drink the spring water as at Lourdes, France. Think about no cancer, no heart trouble, no diabetes, and no dialysis. You will have perfect health and live to the time of My Era of Peace. All of your food and water will be provided. You only need to help each other in preparing and distributing the food. You all will have your own dwelling and plenty of time to pray and thank Me for healing you and feeding you. When you have good health, your life will be much more enjoyable. My angels will shield you from any harm by the evil one world people. Rejoice in this time of My victory over evil. Even those, who are martyred, will be made instant saints in heaven. When you follow My ways, you will have your reward on earth and in heaven."

Saturday, August 7, 2010: (Votive Mass of the Blessed Mother)
The Blessed Mother said: "My dear children, I thank you for

encouraging my children to pray the rosary in your hand outs at your talks, and your own personal three rosaries every day, and at your prayer group. My rosary is your weapon against the evils in your world today. Recently, on my feast day of Mt. Carmel, my Son encouraged you to emphasize the importance of wearing my scapular in faith, even if your pride is offended in your appearance with it. Your wife's father also gave a message of how important it is to wear my brown scapular, even as he gave it to his son when your wife's father died. Because of the importance of this sacramental, I am encouraging you to hand out my brown scapular at your talks with some information on how it should be used. You could help more souls to be saved from hell who wear my protection of my brown scapular."

Jesus said: "My people, when you are on the road to your refuge at night, you will be in need of some light to see. If you are traveling with your car, you will have your headlights. If you are traveling by bicycle, you may want to have a generator headlight for night riding. If you are traveling on foot, you should remember to bring a windup flashlight so you are not dependent on batteries. My angels will be leading you with a small flame that will not give a lot of light. At night you may want to put up your tents and sleeping blankets for sleeping. You may need a windup light that you can hang in your tents. Some may be concerned about wild animals in rural areas when you are traveling to your refuges. Just as your guardian angels will make you invisible to the evil ones, you also will be made invisible to any animals that could harm you, as wolves, bears, and snakes. Be grateful that you will have My miraculous help to protect you from harm, but be sure to leave your homes for My refuges when you get My warning."

Sunday, August 8, 2010:
Jesus said: "My people, in the first reading it speaks of 'The eye has not seen, and the ear has not heard what has been planned for My faithful.' This is a description of the joy of being in heaven. A time is coming when everyone will have an illumination of their conscience in the Warning experience. In the vision you are seeing how people will be traveling at a fast speed through glass tubes until they see Me in a great Light. These people will be experiencing a supernatural intervention of God in their lives. They will see their life reviews and have a taste of their mini-judgment. A few will experience the beauty and love of heaven, while others will experience a taste of purgatory or hell. Then they will be returned to their bodies with a strong desire for Confession. This is My Divine Mercy that will give every sinner an opportunity to see where his or her soul is headed, and a chance to change their lives with repentance. If souls still refuse My grace, then they will be held more responsible for their actions. Remember the words of the Gospel in that those who have been given more, more will be expected of them."
(God the Father Feast) God the Father said: "I AM WHO AM is here, and I am showing you My Son born into the world because I sent Him as a sacrificial Lamb for the forgiveness of your sins. This is why you are seeing the Nativity Scene in the vision. On My Son's feast of the Transfiguration you heard My words: 'This is My beloved Son, listen to Him.' Wherever you see My Son in the Eucharist, you are seeing Me also because Jesus, the Holy Spirit, and I are One God in Three Persons. Even when Jesus was on the earth, you heard Jesus speak: 'The Father and I are One. When you see Me, you see the Father.' This was in answer to St. Philip when he asked Jesus to show him the Father. Thank you for celebrating My feast day today. Whenever you pray the Our Father prayer in your rosaries, you are giving honor to Me. Thank you also for naming your prayer group in My honor. Give praise and glory to the Blessed Trinity when you pray your 'Glory Be' prayer and when you make the Sign of the Cross."

Monday, August 9, 2010:
Jesus said: “My people, in the Gospel I chose to pay the Temple tax, even though I told My apostles that we should be exempt from paying because I was the Teacher. I did choose a miraculous way to provide the coin which had to be obtained by catching a fish. It is unusual to find a coin in a fish’s mouth, let alone the very fish that the apostles would catch. This miracle was performed more for the benefit of My apostles’ faith, than just to pay the Temple tax. One of the laws of My Church is to help in its financial support. Just as you need money to run a secular business, so there is money needed for a church and its staff, which is a duty of the parishioners to keep their church viable. I paid the Temple tax to honor this duty of those who attend. So My faithful should follow My example in supporting your own church. Everyone does not have the same capability for helping his or her church. I have asked people to tithe their income for all charities to which they contribute. I have blessed people with My abundance, so some are better able to make sizable donations to My Church than others. Be supportive of your pastors as your finances are able, and also be willing to pray for your priests and donate your time as your talents allow. By sharing your wealth, your talent, and your time, you will be storing up treasure in heaven for your judgment.”

Tuesday, August 10, 2010: (Helen’s Funeral Mass)
Jesus said: “My people, at any time I could call you home to Me, but will you be ready to meet Me at your judgment? You are not ready to

live until you are ready to die. In other words, you need to keep your soul clean and pure with frequent Confession. Those, who wear My Blessed Mother's brown scapular and pray the prayers, are close to Me, and I will protect their souls from falling into hell. Helen was very devoted to Me and My Blessed Mother throughout her life, and she has received her holy reward. I thank all of her faithful friends and fellow Carmelites for honoring her. Her family also is grateful for having such a loving and faithful member to be their guardian. There are many older members who have devotion in faith to us in heaven, but you need to work harder to teach these devotions to your children and grandchildren."

Jesus said: "My people, your boy scouts and girl scouts have had plenty of practice at camping, pitching up tents, and sleeping overnight in tents in their sleeping bags. You have had a few experiences to know enough to bring along ear plugs, and pads for your sleeping bags when you go camping. Finding water, food, and fuel for a fire, will be your survival needs on your way to the refuges. When you have to depend on yourselves and My help, you will be dealing with less comforts than you have now. Do not count on your wealth and your possessions because one day they will be taken from you. Have your backpacks and tents ready for your body, and a pure soul with Confession. Have your prayer books, spiritual reading, blessed sacramentals, and your blessed salt ready to fight any evil that you may face in the tribulation. Be confident in My power, and trust in My protection, and you will have no worries and peace in your heart and soul."

Wednesday, August 11, 2010: (St. Claire)

Jesus said: "My people, I give you herb plants and roots for your health to build up your immune systems against viruses and bacteria.

These natural remedies are found many times in nature to cure diseases and chronic ailments. Be grateful that I help you in your needs for medicines and vitamins for proper health in your bodies. I also provide My graces from Confession to forgive your sins and heal your souls as well. I am the great Healer through natural herbs, My graces, and My miracles. Doctors help you in operations, and their prescriptions from your drug companies are based on natural sources. Unfortunately, your artificial drugs treat mostly symptoms, and have side affects which is not like My natural cures that do not have side effects. At times too many drugs and antibiotics can harm other parts of your body because of these interactions. Give praise and thanks to Me for healing your body and your soul."
Jesus said: "My people, you have seen many Shuttle launches to take cargo to the space station. But there have been other launches from Iran and North Korea. This can be combined with their home made nuclear bombs to make them terrorist threats in their areas. The proliferation of nuclear bombs and delivery rockets is putting your world very much on the verge of a world war. Even conventional warfare is very devastating with your modern weapons. Pray for peace in these areas of tension, but a major war could break out at any time. Pray for peace also in Iraq and Afghanistan. Many lives are being lost from natural disasters and abortions. Wars can be prevented if man has a desire to do so."

Thursday, August 12, 2010:

August 25, 2010
Thursday, August 12, 2010: (St. Jane Frances de Chantal)
Jesus said: "My people, today's Gospel is a hard example to explain forgiveness from the heart. Man in his pride finds it hard to forgive people who have wronged him in any way. Even some harbor grudges for years over simple offenses. Yet when you come to Me, you expect Me to forgive you instantly and forever with little consequence. It is

My own sacrifice of My life that frees you from your sins, but you need to admit that you are a sinner, and confess your sins to be forgiven. I am always ready to forgive you unconditionally. This is why I told St. Peter that he needed to forgive his neighbor seventy-seven times, meaning all the time, if you want to imitate My example. I am like the Master who forgave the whole debt, and you must do likewise in forgiving the debts of your neighbor, even though your debt to Me is much larger than your neighbor's debt. Think also if you wanted a small debt forgiven when you beg forgiveness of someone. Just as you expect to be forgiven by another person, so you should be willing to forgive your neighbor. Be kind and merciful to others as I treat you. This is the same meaning when you pray the 'Our Father' prayer: 'Forgive us our trespasses as we forgive those who trespass against us.'"

Prayer Group:

Jesus said: "My people, this vision of a fast moving device coming to an abrupt stop, is a sign of what it will be like when you come to Me in an out of body experience. There are two kinds of jolts that you will experience. The first is that all worldly noises will cease, and you will be hearing the peaceful and loving music of heaven. The second jolt is that you will be thrust into a deeply spiritual realm that is totally focused on God and away from any material or earthly things. Then when people visit their life reviews, they will see that prayers and good works are worth more than any earthly endeavors centered on self and worldly things. Recognize that it is your soul's goal to be with Me forever, but you must battle your bodily desires every day."

Jesus said: "My people, looking at the beautiful scenes of nature, as the falls in this vision, can settle down your restless spirit. The body seeks to be busy with many things, but it is not always centered on doing things for My glory. The soul sees the value of a holy and prayerful life, and the need to seek Me in everything. The body loves to take pride in its works without giving glory to Me. The soul wishes to give all the glory of its deeds over to Me. Strive to keep Me at the

center of all of your activities, and give thanks and glory to Me at all times."

Jesus said: "My son, I have given you visions of how beautiful it is in heaven with all the saints and angels constantly singing My praises. You will be consumed in My love as you become so close to Me that your soul will seem like it is one with Me. When you receive Me in Holy Communion and you seek Me in contemplative prayer, you will seem as if you are having a taste of heaven, and how you will be worshiping Me constantly. Adoration and being close to My Eucharist will be a preparation for how you will be living in heaven. Love of Me will far surpass any love for anything else."

Jesus said: "My people, the time, that you have on earth, is but a short walk in time, and you will be facing your death on earth. Some spend their short lives in fruitful abundance for their souls and the souls that they brought to faith on earth. I have given you all spiritual missions for your life on earth, but you must open your heart to Me, and give your will over to Me so I can lead you in your mission. Those, who reject Me and want to run their own lives, are not letting Me use their talents for My purpose. I do not violate your free will choice, but there are consequences in hell and lower purgatory for those who refuse to accept Me into their lives. The Warning may be the last chance to save these souls who are lost in themselves."

Jesus said: "My people, I formed My Church with St. Peter as its head in the first pope. With My Church you have the deposit of faith in My Word and My sacraments. My Church interprets My words for My faithful to follow. My Church is protected from the gates of hell, and you can find your way at My Mass and My sacraments. Many doctors of My Church have given you the way to follow Me to heaven in leading a good Christian life. It is up to My followers to let My Church guide them with My Word and its explanation. When you hold fast to My Church's teaching authority, you will be focused on My Presence in My Church."

Jesus said: "My people, you have been given great role models in

following My life and the holy lives of the saints. My saints did not focus on needing creature comforts, but they did great mortifications of the body in fasting and offered up their sufferings to Me. In doing good works to help people in body and soul, they were raising up treasure in heaven. Saving souls and living holy lives were their callings, and they are great examples for you to follow. Rejoice in whatever little things that you can do for Me each day. Offer up all of your actions to Me for My greater glory."
Jesus said: "My people, while your soul is attached to its body, it is very difficult to keep its focus on Me because of the many earthly distractions that you face each day. As you realize death is approaching, you need to make sure that your soul is pure by frequent Confession. Seek to be with Me forever in heaven, because it is your soul's eternal destination that is most important in this life. Once you are free of the body, you will see a new release in your spiritual awareness of Me. Some souls have been graced with My peace while they are still in the body. You seek to be released from your sins, but you will seek an even greater release to freedom from the constraints of the body. I love all of My people, and I work to save every soul possible for My Kingdom."

August 25, 2010
Friday, August 13, 2010: (St. Pontian & St. Hippolytus)
Jesus said: "My people, in the vision you can see how the spider sets his web to ensnare his prey of unsuspecting insects. There is a parallel in the spirit world where the demons also try to ensnare souls in the traps of their temptations to sin. Man is weak to sin because of Adam's Fall, and he needs to be wary of these sins of temptation, even when they look desirable from an earthly point of view. I have given you My Ten Commandments as a guideline for living a holy life. By loving Me and your neighbor, you will be led to follow a proper

behavior for being one of My faithful disciples. You are sinners, and you have learned what sins that you commit most frequently. Learn from your mistakes and avoid situations or near occasions of sin, so you do not keep committing the same sins again. The demons prey on your bodily weaknesses, so keep in daily prayer and frequent Confession so you can avoid sin, and the many snares of sin from the web of Satan."
Jesus said: "My people, the government people, who are working with the chemtrails in the sky, are also coordinating their work with the people controlling the HAARP machine. There are certain times when you see chemtrails crossed to form an 'X'. This is a convenient method to direct the HAARP machine to cause droughts or large rainstorms in that area. These people can also enhance virus diseases with the microwaves being used to carry a disease. It is quite amazing that your people have not complained more about the use of chemtrails and the weather effects of the HAARP machine. If investigations were ordered to look into what purpose they were serving, many would desire to stop this effect on your health and natural disasters. Much information about these technologies is available on the internet, but there are not any grassroot groups to stop them. These are just a few more black ops being run secretly for the one world people's interests. Pray that people become more informed on what the chemtrails and HAARP machine are being used for."

August 25, 2010
Saturday, August 14, 2010: (St. Maximilian Kolbe)
Jesus said: "My people, your latest recession and broken housing bubble were a created crisis by the one world people. In your circus days, loans were given to poor risks that were never going to be able to pay them off. Then the greedy stock brokers added to the circus acts by floating risky bonds disguised as solid investments with

outrageous leverage of forty to one in so-called derivatives. Then when it came time to pay for these frauds, your whole financial system folded like a falling stack of cards. Your Federal Government put you into extreme debt in the trillions of dollars to bail out the rich bankers and corporations. The poor lost their homes and any investments, but the central bankers now own you through these debts. By eliminating American manufacturing, your corporate barons have robbed American workers of their jobs, and they have created high unemployment on purpose. Now your state governments are crashing as their employee pension funds are near broke. All of these circus acts of greed were manufactured for one reason–bankruptcy of America and a resulting takeover. This is the plan of the one world people to ruin your money system and make you their slaves to the North American Union. This fall of America is very similar to Israel when they turned their backs on Me and worshiped other gods. America has worshiped the dollar, Wall Street, and your possessions before Me, and now you will be reaping the consequences of your greed and corruption. Repent America, while you are still alive."
Jesus said: "My people, you remember when I came upon a barren fig tree and I urged the gardener to cut it down and burn it. But the gardener requested one more year to see if with manure and watering that he could revive this tree. This is a little like souls who do everything for themselves and do not bear any fruit of good works. I give souls many opportunities to change their ways so they can help people and bear fruit. If they continue to be barren of good fruits, then they are choosing their own judgment of being cast into hell for not helping anyone. When I bring My faithful before their judgment, I will ask them if they fed the hungry, gave water to the thirsty, clothed the naked, or gave shelter to the homeless. If they answer 'yes' to doing good works for their neighbor, I will say: 'Since you did this for the least of My little ones, then you did this for Me.' These will enter into My Kingdom. But those on the left who answered 'no' to doing good works, I will say: 'Since you did not do this to the least of My

little ones, then you did not do this to Me.' For this the evil ones will be banished into hell for all eternity."

Sunday, August 15, 2010: (The Assumption)
Our Blessed Mother said: "My dear son, I am thanking you and my children for being faithful to praying your rosaries every day, and for wearing my brown scapular of protection. You were asked by me on August 7, 2010 to have some brown scapulars to hand out at your talks, along with an explanation of what prayers to say. This is a gentle reminder again of how important it is to have my children protected by wearing my brown scapular. It would also be helpful to give some explanations for the people, so they realize why it is important to wear this sacramental. The promise of my protection from hell should be obvious for your souls. I thank you for handing out the rosaries, but my brown scapular is also important to be handed out as well. This subject of my brown scapular has come up several times since my feast day of Mount Carmel on July 16. These added messages should be helpful for all of my faithful children to see the need to wear your own scapular and encourage your children and grandchildren to do the same."

Monday, August 16, 2010: (St. Stephen of Hungary)
Jesus said: "My people, in today's Gospel a young man was looking to do more than follow My Commandments, but when I asked him to sell his possessions and follow Me, he went away sad for he had many possessions. I call everyone to be perfect as My heavenly Father is

perfect, but it is not easy to give up your job and possessions and live a monastic life. I realize that this lifestyle is not for everyone, but I still call all people to do the best that they can with the talents which I have given them. This vision of My angel guarding My Word of Scripture means that My words are forever and they are given for everyone's salvation. Even though My words were given to you two thousand years ago, they are still true today and they have not changed. Do not think that My Word of Scripture can be changed or rationalized for a better hearing. My Scriptures should be interpreted as My apostles taught, and how My Church protects My Word. You need to confess your sins regularly without trying to minimize your mortal sins. I see all of your actions and you cannot hide them from Me. You will be accountable at your judgment for all of your actions. Have your souls cleansed in Confession, and always be prepared to leave this world, and your place in heaven will be assured."

Jesus said: "My people, in the 1930's the Ukraine was the bread basket of Russia and they grew a large wheat crop. But the communists had the wheat shipped out of the Ukraine, and they starved sixty million people to death by controlling the food. This history lesson could be repeated once again as the one world people are again controlling the food through the seeds, the fertilizer, and the allocation of certain lands to grow planned crops by subsidies. There are only a few seed companies producing bulk seed, and much of these seeds are hybrids so the farmers have a difficult time to grow their own seed. Seed from hybrid plants do not reproduce good crops the next year. Fertilizers are also controlled. Even the HAARP machine can be used to cause droughts or floods which could ruin the crops and cause a famine. The coming world famine will be severe because world storage places of food are low in food reserves, and only a few major disasters could create famines even as seen in the floods in Pakistan. Places as Haiti after the earthquake are still in need of food. The food, that you have, has been altered, and it is not as healthy as organically grown food. This is why I have advised people

to have one year's supply of food on hand when this famine occurs, or when you may need chips in the body to buy food. At My refuges and interim refuges I will multiply what food you need to survive. Trust in Me to feed you, clothe you, and protect you from the evil ones."

Jesus said: "My people, I told My apostles that for a rich man to be saved, it would be very difficult, even as hard as getting a camel through the eye of a needle. In the Holy Lands it is possible to push a camel through a four foot square, but it is difficult. I was emphasizing the fact that without My help, it is nearly impossible to be saved. But all things are possible for God. I have spoken many times about not making gods out of fame, possessions, and riches. If you want to store up meaningful wealth, then store up treasure in heaven with good deeds. There are two kinds of treasure: the material treasure on earth, and the spiritual treasure in heaven. I told you that wherever your treasure lies, there also lies your heart. If your heart desires the treasure of heaven, then you are not far from the Kingdom of God. But if your heart desires earthly treasure only, then you may be on the path to hell. Wake up and see that heavenly treasure is all that matters for your soul because these earthly things will be gone tomorrow."
Jesus said: "My people, the one world people will do everything to eliminate their opposition, even if they cannot see you. These evil ones will be setting booby traps on hiker trails where they suspect the faithful will travel. My angels will clear the way of any traps, viruses, or road blocks so My faithful will not be harmed on your way to My refuges. I have told you to rely on My angel power for your defense so you do not need guns to fight. Trust in Me on your way to My refuges, and I will provide for your food, water, and shelter. You may have to suffer some persecution as you lose your freedoms, but I will

warn you when it is time to come to My refuges for safety."

Jesus said: "My people, today's Gospel about the owner of a vineyard shows how gracious and generous he is to give the same wage to every worker, even those who only worked a short time. This is just a small example of My infinite mercy that I have for repentant sinners. This is why you see Me in the vision greeting sinners as a loving father would. I give every sinner many opportunities to come to Me in repentance, even until your dying breath. Some may think it is unfair to accept sinners so late in their lives. But look how many times that I forgive you when you come to Confession every month. All of you are open to My graces when you seek My forgiveness of your sins. I never refuse anyone who comes to Me. Only those, who refuse to be forgiven, are the souls who are in danger of being lost. All of heaven rejoices when one sinner repents of his or her sins. There is no excuse that you cannot have a pure soul because you can confess your sins to the priest at any time that he is available. Do not let the devil put off Confession because you may forget, and you need My graces for protection from even worse sins. I am always waiting to receive every sinner, but I do not force you against your free will because I want you to come to Me out of love by your own choice."
Jesus said: "My people, a time is coming soon when your government authorities will start using scare tactics to discourage people from speaking out against any government or new world order policies. They will arrest and handcuff violators in their eyes and then let them go. This treatment will become more severe with each supposed violation. This is a means to put down dissent and take away your freedom of speech. It is also a way to eliminate any opposition to the one world people's new world order. This is just the beginning of the

removal of your Bill of Rights, as these evil ones prepare to bring about the North American Union. Once your sovereignty rights are taken away, then I will warn My faithful that it is time to leave your homes for My refuges. If you do not leave soon enough, then you risk capture and being killed in the detention center death camps. Once you leave your homes, My angels will lead you to My refuges, and you will be invisible to the evil ones who want to kill you. All of your needs will be provided for you, so have no fear of this evil lot who will not be able to find you."

Jesus said: "My people, I adopted Israel for My own people, and I was born among them in Bethlehem. Many times they rebelled against Me by worshiping alien gods. My plan of salvation was a promise of a redeemer because of Adam's sin, but I would be saving all peoples from their sins, and not just Israel. Isaiah prophesied My coming, but his terms were hard for Israel because of their offenses: (Is 41:14) 'Fear not, O worm Jacob, O maggot Israel; I will help you says the Lord; your Redeemer is the Holy One of Israel.' Today's reading from Ezechiel (36:23-33) also describes how the people of Israel will be My people and how I chastised them for their sins. My anger lasted but a moment, and then I reached out to help My people. So it is with America. You have committed many sins in your abortions and worship of other gods. I love you because of your founding in My Name, but you are drifting away from Me as a nation. Just as Israel went into exile for her sins, so I will allow America to be taken over because of your sins, and your refusal to seek My forgiveness. Beware America, for your days of freedom are numbered. Repent before it is too late."
Prayer Group:

Jesus said: “My people, the people of Noah’s time were evil and unrepentant. Only Noah and his family followed My laws. Because of the people’s sins, I brought forty days and nights of rain to flood the earth and kill the evil ones. I had Noah prepare a huge ark to house and feed the animals on the ark. Just as I prepared Noah and his family, so I have called many to prepare refuges of safety for the coming tribulation of the Antichrist. These refuges also will need food, water, and shelter so they will be the new arks of protection for My people. In the Northern climates fuels will also be needed to keep the people warm in the winter. These arks will be shielded by My angels so you will not be seen or harmed by the evil ones. Rejoice that you are being forewarned and prepared for the coming tribulation.”
Jesus said: “My people, you are familiar with all of your modern means of detection with radar, satellite images, infra-red detection, and others. Even with all of man’s latest sophisticated technology, the evil ones will be no match for My power and the miracles that I will perform to hide you from those who are trying to kill you. Their instruments will not work and you will be hidden from any means of detection. When I perform these miracles, My faithful will have more assurance for their weak faith. My apostles believed in Me more when they saw My miracles. So My disciples will believe more when you witness My protection.”
Jesus said: “My people, it will not be easy at first for all the people as they are led to My refuges. My refuge builders only have limited means to provide for the needs of all the people that will come. You will see My angels build and multiply your dwellings. People will be amazed at this building. Water, food, and fuels will also be multiplied so everyone will have enough to eat. My angels will bring you daily Communion and deer will come and drop dead in your camps. You all will have jobs to do in using your talents to help each other with food, clothing, bedding, and a means to keep warm. Trust in all that I will do for My people in their needs.”
Jesus said: “My people, the Antichrist will show signs of his star in

the night skies, but they will be artificial to fool people into believing that he is Me. The forces of evil are gathering strength for their moment of takeover. There will be a martial law declared that will begin a takeover of America. This emergency will come from a banking failure with your currency, pandemic viruses, and false terrorist events. Before this occurs I will warn My faithful to call on Me and I will have their guardian angels lead them to My nearest refuges."

Jesus said: "My people, at every refuge you will set up special tents or chapels where My angels will store My Blessed Sacrament. At that place Holy Communion will be multiplied daily so everyone can partake in My Body and Blood. You will also be able to come and visit Me in Adoration as often as you want. I am with you always, even throughout the tribulation time. Angels will be all around My Eucharist, and you may even hear them singing My praises."

Jesus said: "My people, one of My miracles at My refuges will be My luminous cross that everyone at My refuges will see both day and night. At night this cross will shed a brilliant light over everyone there, and as you gaze on My cross, you will be healed of any health problems. This healing will be much like those who were healed of their snake bites when they looked on the bronze serpent that Moses held up. Be grateful for My healings and your faith in coming to My refuges."

Trip to 21 Missions: Jesus said: "My people, this trip that you will be taking in visiting these missions will be like a mission retreat. Think of the inspiration of those who set out to build these missions as a means of evangelization. As you visit each mission let the holiness of that place come into your heart and soul. Your spiritual life will be renewed with this pilgrimage. You will have memories of these experiences that you can draw on to strengthen your faith. If all goes as planned, you will also have a chance to visit the luminous cross miracle in Thermal, California that you have seen before. This is also holy ground and a refuge of miracles. I love all of My people, and

those, who come on this retreat, will share in My graces for making this effort to come."

Friday, August 20, 2010: (St. Bernard)
Jesus said: "My people, fresh water is a necessity of life and at times it is hard to find. At other times rain in excess can cause floods and damage. Your bodies require a constant source of fresh water, so be thankful that you have access to it. Even in the spiritual world you use water for Baptism, and holy water for protection from the demons. There is another spiritual necessity in My Body and Blood of My Eucharist. With My grace in My sacraments, you have the life blood for the soul. Your soul is constantly thirsting for My Presence to be satisfied in My peace. Rejoice also when you have access to Holy Communion at your daily and Sunday Masses."
Jesus said: "My people, at My refuges I want you to set up a tent or a chapel that contains a tabernacle to store the Hosts of Holy Communion that My angels will multiply and distribute every day. You should have a sanctuary light to indicate My very Presence that I am always with you. This place of My tabernacle is holy ground, and I want you to remove your shoes when you come before Me. This is just what My Father told Moses when he came before the burning bush. This gives honor and praise to Me in acknowledging My Real Presence. At My refuges I want My people to assign hours around the clock so that someone is constantly praying in front of My Blessed Sacrament. You will have more time for prayer at My refuges, so you could honor My request. At any time you will be able to come to Me at Adoration, much as you are doing now. At My refuges I will provide your physical food, and the spiritual food in My consecrated Manna. Give thanks and praise to Me for all of My preparations so you can endure the coming tribulation."

Saturday, August 21, 2010: (St. Pius X)
Jesus said: “My people, I have told you that the eyes are the window to the soul. In this vision when you look into My eye, you see My peace and joy as if you were One with Me in heaven. It is only I who can put your soul at rest because your soul is always seeking to be with Me. I am your Creator and your God whom you love. I am love itself and everything that I do is done out of love. This is the example that I want all of you to follow. I want you to do everything out of love for Me and love for your neighbor. When you see My eye on you, you know that I am watching your every action. So be a good example in your behavior. I want your heart to be open to Me so I can use you in the mission that I have planned for your life. It is when you desire to do your own things that you cannot do what I want from you. In the morning pray to do My Will, so that all you do, will be done for My greater glory. Pray for My help before you start each project so you will have the grace of My discernment. Walk through life with your constant focus on Me, even as I am watching you.”
Jesus said: “My people, this vision of lights shining on a church at night is a sign when the men in black will come looking to capture any priests that they can find, and they will kill them in the death camps. I treasure My priest sons and you should treasure them also. I have asked you to prepare the priests for the coming tribulation by warning them that they will need to flee to My refuges for My protection. Today only a few priests believe these messages on the end times, and that is why only a few will dare to speak out on this subject. Be prepared to help guide your priests to My refuges when I warn you that it is time to go. Ask in prayer for My help to encourage your priests to be ready to leave.”

Sunday, August 22, 2010:
Jesus said: “My people, as you look upon Me carrying My cross, I want you to offer up your trials and sufferings to Me for both your sins and the sins of others. There is redemptive value in your pain and suffering, if you can give it over to Me. In the Gospel I am asking you to enter through the narrow gate to gain heaven. Keep your focus on Me all day long as you give your will over to Me in doing everything for My glory. You need love in your heart for both Me and your neighbor. When you follow My Commandments of love, you will be doing good works for your neighbor out of love for him or her. When you examine your conscience and evaluate your actions, you will be drawn to frequent Confession. You know how much I love all of you, and I want you to follow the right path to heaven by avoiding the temptations of the world. Another way to assure your path to heaven and avoid judgment to hell is to wear My Blessed Mother’s scapular and pray her prayers of consecration. By following these instructions, you will have your reward in heaven.”

Monday, August 23, 2010: (St. Rose of Lima)
Jesus said: “My people, I have given some hard messages about having to leave your homes for My refuges of protection in the tribulation time. Those, who have expensive large homes, are going to be reluctant to leave for some rustic refuges. This is not an easy decision to live in complete trust in Me, instead of staying at your comfortable homes. You will have to give up your wealth and possessions in order to allow your angels to lead you to My nearest

refuge. Those, who do refuse to leave, could be facing the men in black who will be trying to capture people who are believers, and then kill them in the death camps. So do not concern yourselves with bodily comforts, but think more of heavenly comforts for your soul, as you give everything over to Me. Trust in My help and protection, and you will have your reward for being faithful to My Word."

Tuesday, August 24, 2010: (St. Bartholomew)
Jesus said: "My people, on this feast day of one of My apostles, St. Bartholomew, you see in the vision how I sent out My apostles to evangelize souls in all the nations. At the same time I am sending out My messengers even today to evangelize souls and prepare them for the coming tribulation. You, My son, have been called to a mission of saving souls as well. You have responded well in giving talks all over and distributing My messages in your books, DVDs, and on the internet. I also have asked you to help distribute rosaries, brown scapulars, preparations for Confession, and Divine Mercy Chaplet leaflets. You have also been given messages to help prepare the people physically and spiritually for the coming tribulation of the Antichrist. I have asked you to warn the people not to take the mark of the beast or a computer chip in their bodies because it will control them. Also, I asked people to be able to leave for My refuges of protection at the time of My warning. My messengers cannot carry out their missions unless they lead holy lives as I have instructed them. This is why I have encouraged you to daily Mass, Adoration, frequent Confession, your three rosaries, Divine Mercy Chaplet, and fasting on Wednesdays and Fridays. Not everyone can follow these instructions, but those who do, will be closer to his or her Lord. God bless those messengers who are following My call."
Jesus said: "My people of America, this vision of large flames in front

of a young girl and a baby represents the punishment coming to America for all of your abortions, child abuse, and the use of aborted fetal tissue for stem cell research. Recently, your government is pushing past a judge's decision to stop stem cell research using aborted fetal tissue. This is just one more step closer to My judgment being called down on your country. I have called your people to stop your abortions, and you continue killing My babies. You are killing your own children out of convenience for an infidelity or an unwanted child. Rather than giving them up for adoption, you are sending My gifts of life to your garbage bins. Using parts of these aborted babies for research and beauty aids is a further abomination. America will suffer dearly for these sins by physical fires, natural disasters, and an eventual takeover into the North American Union. You will lose all of your rights and your possessions. Be prepared to suffer for your sins against the lives of the unborn and the abuses of your children. This is the severest of sins because you are denying My plan for these souls on earth. Pray to stop your abortions before it is too late."

Wednesday, August 25, 2010: (St. Louis of France)
Jesus said: "My people, in today's Gospel I spoke of the hypocrisy of the Scribes and Pharisees. They were concerned about their outward appearances and desired places of honor, but inside they were like whitened sepulchers and dead men's bones. In other words I told My people to listen to the words of the prophets that the Scribes and Pharisees read, but do not follow their actions. Do not preach My Word and then live a corrupt life as a hypocrite. Instead, act out what

you preach as a good example. As in the vision of the lepers, you have sometimes had skin diseases or were handicapped with broken limbs. In those temporary situations you could feel the discomfort or pain of your affliction. When you experience these things, have mercy on those who are handicapped all of their lives. Do not look down on the helpless of society, but give them hope and assist them in their needs. Those, who are sick, maimed, or handicapped in any way, are lifting up their pain with Me on the cross. You are all equal before Me, so do not treat them as second class citizens. I love all of you, and you should love everyone also, even those who appear poor and helpless." Jesus said: "My people, your government policies of Stimulus and tax cuts have failed, and your banks and corporations are sitting on their money. Few loans are being given, underwater loans cannot be refinanced, and corporations are beginning more layoffs than major hiring. The uncertainty of tax hikes and your Health care costs have stopped the spending. Your consumers are cutting debt instead of spending because they are unsure of their jobs. All of your economic data point toward another recession and your Federal Reserve will have to buy your increasing debt notes. This will be another caused crisis by the cutting off of any credit. Amidst this grief, your dollar will be more at risk of losing its value. I have told you that bankruptcy is in America's future, and you are seeing it played out in your economy. Be prepared to go to My refuges when riots and martial law will occur. Trust in My help more than your government that is stealing your money in taxes and its value. The rich are planning your demise in their secret meetings. Pray for My help in facing these evil ones who are bringing you to the point of bankruptcy in the one world people."

Thursday, August 26, 2010:

Jesus said: “My people, ‘stay awake’ is the first words of today’s Gospel. You are in the later chapters of Matthew’s Gospel that speaks of the end times and My coming again. It is joyful and hopeful to know that there will be Divine intervention to take away the evil of this generation. This is truly a time of preparation both for the coming tribulation and My vanquishing of the Antichrist and the demons. For when you see the Antichrist declare himself, you know his reign will be brief and I will be coming soon. I will not leave My people orphans to face this evil, but you will first be prepared by My Warning experience for everyone. During the tribulation, I will protect you physically and spiritually at My places of refuge. My angels will lead you there, and they will provide for your needs. At the end of the tribulation I will bring My Comet of Chastisement, and I will cast the evil ones into hell while I renew the earth. There will be a new heavens and a new earth according to Scripture that will lead into My Era of Peace, and then into heaven when you are cleansed of all of your earthly desires. This truly is a joyful time to anticipate My victory and glory over evil. Stay awake and be prepared.”

Prayer Group:

Jesus said: “My people, I am showing you My Sacred Heart and My Blessed Mother’s Immaculate Heart so your heart could be united with our hearts as one. When you wake up each day, make your morning offering to us, and give everything over to Me so you can receive My graces to carry out your daily tasks. Seeing our hearts burning with fire is how we are so loving of our children. Be aware of opportunities to help your family members, friends, and neighbors in their needs. I send you tests sometimes in your health to keep you humble, but they are opportunities for grace. When these trials are healed, give thanks to Me for your healing.”

Jesus said: “My people, you will always be tested by natural disasters in forest fires, volcanos, earthquakes, and hurricanes. The fact that you are seeing a general increase in these events, is a sign that you are living in the end times. Many say that you have seen these things right

along, but those who keep statistics of these events know that these are unusual times. Look with the eyes of faith on these events, and you will see how they fit with the Scriptures that describe the end days."

Jesus said: "My people, your world and your sins are crying out for your prayers of reparation. That is why these burning candles are a sign of those who are praying for these intentions of the sins of the world. As you see the candles snuffed out, this represents the evil ones who are trying to remove My Name and prayer from public places. Some atheists want My Name out of your Pledge of Allegiance, and My Name off of your currency. Stand up against these attempts and any attempts to make drugs legal and homosexual marriages equal to the marriage of a man and a woman. There are many uses of pornography that pollute young minds on the internet and adult book shops that could be protested. Pray also for the stoppage of your abortions, for poor sinners, and for the souls in purgatory."

Jesus said: "My people, you have just seen the anniversaries of the atomic bombs that were dropped on Hiroshima and Nagasaki in Japan, and the deaths and destruction that they caused. Yet many of your nations possess these weapons and they could threaten to use them. You see enough killing and destruction with your ongoing wars and conventional bombing and suicide bombs. You do not want to invite atomic bomb attacks that could kill thousands of people. Man needs to suppress his desire for wars and the one world people who cause them in greed for blood money. Pray for peace all over the world because war can be a punishment for sin."

Jesus said: "My people, you have seen numbers reported on how many bridges, tunnels, trains, airports, and airplanes have need of repair and are dangerous to use. Some of your city infrastructures are failing because they have not been properly maintained over many years. As age sets in, fatigue and increasing weight and use have put these infrastructures at risk. With state and Federal budgets strapped for funds, these conditions could be an increasing problem. Pray that

safety will be heeded to prevent any further disasters as this bridge collapse in the vision."
Jesus said: "My people, your people are using many fuels to run your cars, heat and cool your homes, and power your factories. Acquiring these fuels has always been a dangerous hazard as well as storing them. You have seen oil fires and spills, people killed in coal mines, and refinery explosions that have killed people. These events will happen due to accidents with explosive fuels, but the option of not using fuels would have a louder cry than the few lost in acquiring and dispensing of fuels. This is the dilemma that your people create in desiring a high standard of living with all of your conveniences. Living at the refuges will require less fuel because your travel will be limited, and your fuels will be wood and any natural gas where it is on refuge sites."
Jesus said: 'My people, when you take vacations in the summer, you have an opportunity to visit your National parks that show you the beauty of My creation. It is good to go out hiking to appreciate this beauty that is all around you, and let it be a lesson that you do not want to destroy My balance of nature with all of your pollution. This world should be left as a heritage for your children and not something to be destroyed. Take care in the disposal of your garbage and pollutants to preserve your lakes, rivers, oceans, and the air you breathe."

September 9, 2010
Friday, August 27, 2010: (St. Monica)
Jesus said: "My people, today's Gospel (Matt. 25:1-13) is about the five wise virgins and the five foolish virgins who carried their oil lamps. The five wise virgins were prepared to meet the bridegroom by buying extra oil to run their lamps. The five foolish virgins were not prepared and did not buy any extra oil. When the bridegroom's

coming was announced, after a long time, the virgins trimmed their lamps. When the foolish virgins had their lamps run out of oil, they had to leave to buy more oil. Then on their return, they found the door locked and they were told by the gatekeeper that he did not know them because they did not know neither the day nor the hour. So it is with the wise faithful and the foolish worldly people. The faithful are prepared in their souls with frequent Confession and they know Me everyday in their prayers. The worldly people ignore Me and refuse to allow Me into their lives, even with many opportunities. They make their possessions and riches their gods, and they are not prepared to meet Me at their judgment. Then when these worldly people come to the gates of heaven, I will tell them I do not know them, and the accursed will be sent to hell and they will not be able to escape, just as in the vision where the bars were over the abyss. The lesson for entering heaven is to be prepared in your soul for your judgment, and make sure that you have a loving relationship with Me so I can know you are one of My disciples. Those, who refuse Me, do not know the day of My coming, and could be lost forever in hell."

Jesus said: "My people, many times you look at beautiful flowers up close as you take their pictures. The bees also go from flower to flower harvesting the sweet nectar to make their honey. The sweet smell of some flowers is the essence of their beauty. In the spiritual world you have a taste of heaven in the essence of My Real Presence in Holy Communion. My disciples worship Me in Adoration because you have faith in Me and true belief that you are receiving My Body and Blood at Holy Communion time. Belief in My death on the cross that has brought salvation for mankind, may be foolishness to the world. But your belief in Me and seeking My forgiveness of your sins will set you free of the bonds of your sins, and put you on a path to heaven. Those, who do not believe in Me, will soon see that they are the fools when they may be judged to hell."

Saturday, August 28, 2010: (St. Augustine)
Jesus said: “My people, you all need to have a target or a goal for life, and that is to keep your focus on Me at all times. I have given you all special talents that are unique from everyone else. This is why it is necessary to share your physical and spiritual talents to help people in their physical needs and share your faith with them in their spiritual needs. It is your good works that are the fruit of your talents, and this is what you give to your Master on My return. But those, who keep everything to themselves without love in their hearts, are like the one who buried his talent in the ground. Those, who follow their will instead of following Mine, are also weak in their sins to ask My forgiveness. At the judgment you all will have to account for your actions. Those, with love of Me and neighbor will enter into My banquet of heaven. Those, who refuse to love Me and neighbor, are risking the eternal fires of hell. Have no fear of evil because I am with you always with My protection. By keeping focused on Me as your goal, you will receive your reward in heaven.”

Jesus said: “My people, I am showing you a need for a coming evacuation from a natural disaster when people will be fleeing for their lives. As the time draws closer, I will give you more details. More and more significant events will be occurring that will emphasize the end time signs. These events will become larger in scope than you have seen in recent years. Have no fear of these things, but there could be some loss of life in them. Be prepared especially in areas along the coastlines, rivers, and earthquake areas that may have to evacuate quickly. Have some supplies ready to put into your car for such cases.”

Monday, August 30, 2010:
Jesus said: “My people, in today’s Gospel I first impressed the people of Nazareth when I told them that I was fulfilling Isaiah’s prophecy. Later, when I knew in their minds that they could not have faith in Me, I told them of other prophets who did not heal people in their home towns. At this they rose up to try and kill Me, but I walked through their midst because it was not My hour to die. This vision of a dark abyss is like the hill that these people wanted to throw Me over, and it represents a rejection of Me with a possible result of being cast into the abyss of hell. The other scene of My Blessed Sacrament in Adoration is your other choice to know, love, adore, and serve Me. Everyone is given this opportunity to accept Me or reject Me by your free will that I will never violate. But your choices have consequences, and those, who follow Me, can come to heaven, while those, who reject Me, could be choosing hell. Love is the curing factor if a person is open to loving Me, but the devil hates you and worldly things are very cold. Let your heart lead you to Me in My love instead of letting your body desire earthly things that will be gone tomorrow. Concern yourself more with your eternal life than this very short life.”
Jesus said: “My people, many times I have asked you to put your trust in Me to help you in all of your needs, even when you have to go out of your comfort zone to help people. Some people would rather trust in themselves and their wealth to minimize any risk of being hurt or in need. When you make attempts to help people, you could be at risk that they may take advantage of you financially or abuse you verbally in your evangelization attempts. When you desire to help people out of love for Me and them, you never know how they will react to your actions. Hopefully they may be grateful, but some may be envious of what you have and they may steal from you. Always act with love in your dealings with people so you are giving them good example in

living as I did."

Tuesday, August 31, 2010:
Jesus said: "My people, many of your churches have been renovated where the traditional statues and ornate altars have been removed. Then there are a few churches where traditional crucifixes and statues are being returned. The statues and crucifix keep you fixed on My suffering and the saints are models to lead a holy life. Your traditional devotions of rosaries, novenas, Benediction, and Adoration also keep you close to Me in respecting My Real Presence in My Blessed Sacrament. It is this devotion to a holy life that can provide a good environment for priestly vocations. Encouraging daily prayer and frequent Confession should also be a part of a pastor's guiding of his flock. Enriching the parishioners spiritual life is how traditional devotions can improve their lives to handle life's trials. You need to call on Me in trust every day, and seek a loving relationship with Me in all that I ask you to do. By following My Will in your life, you will be on the right path to heaven."
Jesus said: "My people, soon your children will be returning to school for a new school year at all levels of education. There have been mixed results with your public education system in America, but other countries are rated higher in their studies. Getting a college education is possible, but it is getting more expensive every year. Certain subjects as history and science have been distorted by those with particular agendas. It is harder to choose a career in certain fields because corporate America is shipping the good jobs out of the country for cheaper labor. Even foreigners are brought into America for cheaper jobs. Students here do not even realize that they are competing with foreigners for their future jobs. The average family wages are shrinking because of a lack of good corporate jobs.

Manufacturing jobs have been exported to many nations which is part of the reason for your high unemployment. Encouraging a good education is always helpful, but the availability of good paying jobs is becoming a problem. Unless America can retain good paying manufacturing jobs, you could become a nation of smaller status. Pray for your children to have similar opportunities that you had in college and the work force."

Jesus said: "My people, in your physical world your eyes have more trouble focusing as you age, or even some people need glasses early in life. You have various glasses to help with near and farsightedness. This need to see a focused image is necessary for reading signs or books. In a spiritual way you also need to be able to keep your focus on Me as the center of your life. Too often you have many worldly distractions and temptations of the devil that can put Me out of focus and blur your love for Me. This is why you need My graces as glasses to keep your clear focus on Me. Daily prayer and your morning offering to ask My help, can also bring clarity to your mission on this earth. Your life here could end tomorrow, so you need to have a clear thought for your eternal destination. By following My laws of love of God and love of neighbor, you will see clearly how to avoid sin and seek to be with Me in heaven."
Jesus said: "My people, there are men and women in this world who take pride in their power as they blow their trumpets so everyone will respect them. Some leaders in your government crave roles of authority to show off how much power they have over people. The one world people and the central bankers are so sure of their blatant power that they flaunt their control over various governments. The Antichrist and Satan also are drunk with pride and power in their

attempts to control souls on earth. Such pride is the undoing of beings, whether they be humans or evil spirits. I am the Ruler and Judge of all souls and spirits by the events that I put into motion. I humble the proud and I bring low any ruler who defies Me. All of those people who think that they are in control today, will be nowhere to be found tomorrow in their death. All the evil bankers, the Antichrist, and Satan will be vanquished and chained in hell. Do not seek to judge these evil ones, for I will take care of them in My time and in My justice. Seek to be humble in this world because the humble will be exalted, but those, who exalt themselves, will be humbled."

Thursday, September 2, 2010:
Jesus said: "My people, there are many people who are knowledgeable of the things of the world, but there are fewer who have trust and faith in the impossible that I can do. My apostles at first were not acquainted with My powers as the Son of God, so they had trouble when I suggested things that seemed impossible in their understanding of worldly things. St. Peter had been fishing and had caught nothing during the night. He prided himself as a good fisherman. So when I suggested to lower the nets for a catch of fish, he was first reluctant, but he did not want to offend Me. When the apostles were astounded with a large catch of fish, then St. Peter admitted that he had doubted any success in catching any fish. It is this doubt in My powers, that even some of My faithful have, that I wanted to stress in today's message. When I was on the earth, I performed many miracles which helped people and the faith of My apostles in My works. You know that I can do the impossible if it is My Will to do so. When you make requests in My Name for prayer, you should pray for what is best for your soul or the soul that you are praying for. I hear your prayers and I answer them according to My

Will in My time. So do not be offended if I answer your requests in a different way from what you desire. You read from the 'Imitation of Christ' Chapter 22 about a revealing quote in this regard. 'Why are thou troubled because things do not succeed with thee according to thy will and desire? Who is there who has all things according to his will? Neither I, nor thou, nor any man upon earth.' My point is to trust in Me to take care of your needs, even if you do not understand how I will bring this about. In the end you have all that you need, and you should not complain of any trials that I send to test you. Without any testing, you could not advance in grace. So accept your place in things that I send to you, and see these trials as opportunities for grace and improvement in your spiritual life."

Prayer Group:

Jesus said: "My people, the wars in Iraq and Afghanistan have dragged on for many years, and even your leaders are seeing the need to wind down in Iraq without further need for combat troops. Many of these wars are inspired by the one world people behind the scenes so they can profit from the making of weapons. The war on terror rhetoric has finally been challenged because terrorists could set up their camps anywhere. Instead of accepting constant wars, your people should question their need, and pray for peace."

Jesus said: "My people, there are dedicated souls who have been protesting abortion and America's court decisions on abortion for many years. Praying and counseling in front of your abortion clinics takes endurance and a true desire in prayer to see this killing of My babies brought to an end. Your abortions in America are your most offensive sins to Me because you are taking the lives of My little ones who I love dearly in their innocence. Continue your work in this protest because you cannot let your silence condone these crimes. Thank you to all who are working and praying at the abortion clinics to stop abortions."

Jesus said: "My people, you have teachers both in the secular subjects and in religion classes. Some can remember their experiences being

taught in Catholic schools. This is where you were educated with a faithful experience even in secular subjects as Math and English. Learning your faith in school is even more important than being taught general education subjects. This religious environment for your children is getting more difficult to carry out. Many Catholic schools are closing because of lower attendance and the expense of running an additional school system that competes with public education. Keep supporting your faith teaching because your children need to have their faith education more than other subjects."

Jesus said: "My people, many are questioning if the decline in My Roman Catholic Church is the fault of My leaders or the faithful in the pews. To some extent the leadership could be improved in various areas, but it is up to the faithful to stay strong in their faith in supporting their Church. Keeping your children strong in the faith has been helped by your Catholic schools. Training in special classes at church are not rigorous enough to carry into high school programs. It is the children who are falling away from their faith because they are not being properly taught and trained in a strong prayer life. Pray for your children's faith and more support for a good Catholic school program."

Jesus said: "My people, will I find any faith on the earth when I return? One of the end time signs will be a loss of faith in Me among the people of the world. There are some souls who are strong in the faith because of their daily prayer life, and devotions to My Sacred Heart and My Blessed Mother's Immaculate Heart. I thank all prayer groups for your rosaries, your Adoration of My Blessed Sacrament, and your good works in showing your love for Me and your neighbor. The strong prayer warriors need to help carry those who are lukewarm in the faith, especially those who are weak in your own families and friends."

Jesus said: "My people, over the last two years America has been tested with wars, recession, high unemployment, and a shift to the socialist left in your government policies. Many policies to make

larger government and take away your freedoms are currently being promoted by those in your Congress, the White House, and your court system. This coming election gives your people a chance to voice their choices in the candidates that you have to elect to office. Voting for moral leaders and those who will lead your country is the responsibility of your informed citizens. Pray for the election of the best leaders to run your country."
Jesus said: "My people, as you think of the purpose of your Labor Day holiday, you can see that your current unemployment rates are weighing heavily on your people. Many have been out of work so long that they have finished any unemployment benefits, and they are now drawing on their savings. It is difficult with many uncertainties of taxes for companies and businesses to improve their hiring levels. Now you need to focus more on praying for more long term jobs to be made available so people can return to work and improve your economy. Sometimes these trials are a punishment for sin, but your people need to help each other in the needs for food, clothing, and shelter."

Friday, September 3, 2010: (St. Gregory the Great)
Jesus said: "My people, this vision of the scales of justice have found America wanting in its sins. Just as individuals are accountable for their actions and have to accept the consequences of their deeds, so nations as a whole also are responsible for the sins and actions of its people. I am quoting from Daniel (5:25-28) the prophesy of the destruction of Babylon which is symbolic of America in the Book of Revelation. 'This is the writing that was inscribed on the wall: Mene, Tekel, and Peres. These words mean: Mene, God has numbered your kingdom and put an end to it; Tekel, you have been weighed on the scales and found wanting; Peres, your kingdom has been divided and

given to the Medes and Persians.' This is a sign of the coming fall of America as well because of your sins of abortion, your fornication, adultery, and homosexual acts. Your people are drifting away from Me in your lukewarm faith, and the perversions of your movies, pornography, drugs, and greed for wealth are calling down My justice for your sins. Your days are numbered also. You have also been found wanting on the scales of My justice. Your country will be given over to the one world people in the masons and central bankers. You will become a part of the North American Union in losing your rights and being slaves of your new masters. Your money will soon be worth next to nothing. This is when you will need to seek My refuges for My protection as you will soon be entering the tribulation of the Antichrist. Have no fear, but trust that My angels will shield you at My refuges."

Jesus said: "My people, in your world where there is constant noise of music, radio, and television, it is hard to find silent time with Me to recollect your spiritual life of prayer. When you come in silence before My Blessed Sacrament, you have a joy in letting Me come into your heart without the distractions of the outside world. It is at that time that you can share your troubles and thoughts with Me one on one. When you have some difficult decisions in life, you can come to Me in front of My Blessed Sacrament and let Me help you to discern a proper course of action that would be best for your soul. You desire to make prayer requests of Me, but you also need to be able to listen to My words of counsel. I have even suggested five to ten minutes of quiet contemplative prayer when you are with Me in silence. Quiet time with Me is a blessing, and the more you improve in your spiritual holiness, the more you will treasure these quiet moments with Me."

Saturday, September 4, 2010:

Jesus said: ‘My people, when you look at all of the days that you see while you are on the earth, this is a short time, and soon your life will be called from you. This time passes quickly, so you need to make the best use of your time while you can store up treasures in heaven. You all know that one day you will die, but you do not know how or when. At times you need to recollect your spiritual life to see where you will stand at your judgment. Some people keep pure souls with frequent Confession and daily prayer, while others are not fully prepared. Once you die, you cannot change anything, so it is important to always be ready. When you examine your life, see if you are improving or not so you can change any parts of your life that need improvement. You should be striving for perfection which means coming closer to Me and being less involved with worldly desires. The more good works that you store up in heaven, the easier it will go for you at your judgment. As you help your own spiritual life, you can also be a good example to others in improving their spiritual lives.”

Sunday, September 5, 2010:
Jesus said: “My people, as you look at people around you, there are those who are better off and those who have less possessions or talents in the things of the world. Do not belittle anyone in your mind or in word who has less talents than you do because I give everyone different skills. Also, do not treat someone who is rich with any more favored treatment to get some kind of gain. You should treat everyone with an equal amount of respect both as a physical person and a fellow soul on this earth. Before My eyes you are all equal, even though some have been granted more talents or more graces than others. To those who have been granted more gifts, more will be expected of them. So be careful not to discriminate in any way between various people, and you will be showing My love for

everyone. I love even the worst of sinners, so you also should love everyone, even the hardest to love that are shunned by society. For loving everyone and respecting their humanity as My creation, you will receive your reward in heaven."
Our Lady said: "My dear children, my Son, Jesus, and I love all of you and especially the young innocent children. I appeared to children in various apparitions because of their innocence and how the people would know that they could not give my messages on their own. In some instances I had to teach the children how to pray my prayers completely and slowly. Teach your children how to pray the rosary and wear my brown scapular. They are important sacramentals that your children should be acquainted with. As the children return to school, they should be educated in both their spiritual knowledge as well as their secular knowledge. I encourage all of my children to continue to gain in their spiritual life, even after any formal training. You need to grow in your spiritual life until your dying day. Never stop loving Jesus and me as you strive to learn all that you can about us and our love for you. Thank you for your rosaries and wishing me a Happy Birthday."

Monday, September 6, 2010: (Labor Day)
Jesus said: "My people, this large bug in the vision represents some disease bearing insect as well as a new flu virus. Almost every year you have had to deal with viruses as your recent Swine Flu from last year. You have already seen how your drug companies are putting H1N1 flu shots together with your seasonal flu shots. They also are encouraging everyone except infants to receive such shots. The drug companies have a vested interest in making money on these shots, whether they work or not. Many people are not vulnerable to such diseases, and some people have had adverse effects from such shots.

Putting two shots together could also cause some complications. My advice in the past has been to avoid such flu shots, and build up your immune system with Hawthorn, herbs, and vitamins. If the one world people start introducing a deadly pandemic virus, this would be a time to leave for My refuges where you would be healed of these viruses by looking on the luminous cross or drinking the healing spring water. So there is no fear of such viruses since you know what to do. In past years you have seen a lot of scare tactics used to try and force people to take flu shots that could actually weaken their immune systems to planned new viruses. Trust in My help and avoid the one world people's flu vaccines."
Jesus said: "My people, at times your weather radar uses unusual pulses of energy that could affect people's health in the body and mental health that could cause depression and even suicidal feelings. With enough consecutive pulses, various weather radars could cause health problems with people near the source of radiation. I am asking you to do some research in this area because there are more cases of depression and suicide in certain areas. Some radiations that are similar to brain waves can have an influence on your physical and mental health. Even areas of high tension electric wires and microwave relays are spewing dangerous radiation near these sources. It may be unhealthy where cancers are more frequent. This combination of microwave radiation and airborne viruses can cause immune systems in people to be compromised to more illnesses than average. Beware of living in these high radiation zones that could adversely affect your health. Continue to build up your immune system against these viruses and radiations."

Tuesday, September 7, 2010:
Jesus said: "My people, there are numbers of people dying in the

floods of Pakistan, China, and other places on the earth. It is always traumatic to see loved ones die in such natural disasters, not only is there a need to bury the dead for health reasons, but these floods are destroying food storage and the crops used to feed the people. Many times disease and famines follow such flooding. Areas of such death will be requesting aid for food and medicines. As more of these disasters occur, it is becoming harder to find money and food to help these people. Just as America has been tested by disasters for its sins, so other areas of sin in the world are being tested as well. Poorer countries have it harder to recover from disasters. So pray for these people, and send them what aid that you can."
Jesus said: "My people, you have had several near misses with hurricanes, but Earl has caused some destruction and power outages even though it did not hit America directly. Another storm came quickly into Texas making it a main rain event. This season is becoming very active with several storms in s short time. Keep prepared with food and be ready to evacuate coastal areas. Pray for those who are suffering any damage. Active storms, earthquakes, and volcanoes are happening with an increasing frequency as signs of the end times."

September 26, 2010
Wednesday, September 8, 2010: (Birthday of Our Lady)
Jesus said: "My people, today according to the feast day of My Blessed Mother's Immaculate Conception on December 8, you have this feast day of My Blessed Mother's birth, nine months later. My Blessed Mother was free of sin from original sin and even free of actual sin during her life. She was the perfect soul that I prepared for My tabernacle while she carried Me for nine months. The reading also shows you My human ancestry that was traced from Abraham to St. Joseph according to Matthew's Gospel. My Blessed Mother also

belonged to the house of David because they both had to register in Bethlehem. In Luke's Gospel My genealogy was traced from St. Joseph backwards all the way down to Adam, the first man. This shows you My human origin, even as I am Divine as well. It also shows you My plan of salvation for all of mankind because My death on the cross atoned for all of your sins. I paid the price of your souls with My Blood, and you make a personal free will choice to accept or reject My gift of salvation. Give praise and thanks to Me for all that I do for you. Also give thanks to My Blessed Mother who gave her 'yes' to the angel Gabriel that she would be My mother and bring Me into this world."

Jesus said: "My people, soon your leaves will be changing colors and falling to the ground. This is another colorful season, much like the colorful flowers in the spring. Many enjoy visiting your parks for pictures of this changing of the leaves. There is a spiritual insight into the four seasons that is similar to man's quick life on earth. You have new life or birth in spring, a growing to adulthood in summer, getting old in fall as your hair turns grey or white, and finally death at winter. This cycle of four seasons is a constant reminder of the mortality of the body. You know at one time you are appointed to die, so you always need to be properly prepared to meet Me at your judgment. As you see fall and winter coming, you also are reminded of the end days in the readings leading up to Advent. This fall and winter is a good time to recollect your soul to be prepared for your judgment. Examine your actions and the state of your spiritual life. Try to make some steady improvements in your life with more good works and a good prayer life. By focusing on Me and knowing that you could die tomorrow, you will not be found wanting when I come to take you home to Me."

Thursday, September 9, 2010: (St. Peter Claver)
Jesus said: "My people, as you look at this year's harvest of crops, you realize how important the farmers are in providing food for everyone. One part of your daily necessities in your human condition is the need to eat usually three meals of food. The food grown by the farmers is providing your daily life's needs for nourishment of your bodies. When you realize the importance of their work, you should be thanking Me and the farmers more for your daily bread. It is unfortunate that the distribution of this food is not always even all over the world. There are some countries where people are starving, especially in highly populated third world countries. Many times you receive requests in the mail to help these poor countries, and even your local food shelves need donations for the poor in your area. Many of My faithful have been blessed with more abundance than they need. Charity in helping others should be your calling to share what you have with those who are in need of food and shelter. This is part of what is expected from those who have been given more of this world's wealth. Those, who neglect to share and are selfish with their wealth, will have to settle accounts with Me at their judgment. Help people with your good works now while you have the opportunity, and you will be storing them up against your sins at the judgment. Even more, you should be performing acts of charity out of love for Me and love for your neighbor. It may happen one day that you may need help. As you expect people to help you in your need, so be willing to help others in their needs, whether in physical needs or help in evangelizing their souls."
Prayer Group:
Jesus said: "My people, there are various insects, animals, and reptiles that are moving to new environments due to certain migrations or infestations from various imported goods. When animals or insects are established, there is a balance of nature that controls the numbers with natural predators. When a new species arrives without these natural predators, that species could cause an infestation or destruction to

their habitat. When man interferes with this process, you can have even worse environmental disasters. Pray that these problems do not affect your food supply."
Jesus said: "My people, you have seen some fires in various parts of your country due to your hot, dry weather. It is difficult when fires are set by lightening, but a good share of these fires are from deliberate arson. Some may be looking for notoriety or some other reason, but they are truly in need of making reparation, even if it would be a term in jail. Pray that these fires can be controlled and any responsible people brought to justice."
Jesus said: "My people of America, every year in November people exercise their duty as informed citizens to vote for the candidates for office. It would be best for your people to investigate the needs of your government and the people who are up for election. It is better to make an informed vote than just voting for someone that you know nothing about. Your country is on the brink of bankruptcy, so you should vote for those who will use a fiscal policy that will turn your deficits and spending into a more responsible direction."
Jesus said: "My people, your energy alternatives are gaining some ground to replace some of your coal and gas fuels, but they are still small compared to oil, coal and gas total usage. Cleaner and green sources of energy are getting some big investments. Your country should also be looking to cut its energy needs by reducing your electricity and power needs as a companion conservation to help reduce your fuel needs. Look for more efficiency than using more electrical devices that use more power."
Jesus said: "My people, many of your entitlements such as Social Security, Welfare, and Medical programs are paying out more than they are collecting, which is testing your budget deficits. States are having problems paying for mandated pensions and extended unemployment. Once budgets get tight, cuts will be made that could cause many entitlement recipients to cause some protest. Not enough people are contributing taxes to support these programs, and your

debts keep increasing. In a short time these deficits will threaten America with bankruptcy. Pray that your representatives to be elected will turn your high spending around to act more responsibly."
Jesus said: "My people, your bank losses and foreclosures are still a problem with your financial system. You are seeing your FDIC and government control closing more banks over this year. If your finances were getting better, then why are so many banks being taken over for lack of capital reserves. Those, who truly know what is going on behind the scenes, know that a day of reckoning for your dollar and your economy is coming soon. Those in the media are giving you disinformation about the true serious debts and deficits which are getting worse and not better. Be prepared to leave for your refuges when your economy goes under."
Jesus said: "My people, when you study the history of these missions, you will be impressed with the spirit of evangelization that was behind this construction. You may want to research these missions and learn from those giving you information on your tours. There is a certain spirit that you will need to apply to your time at My rustic refuges, just as these missions used. Trust in Me to lead and protect My faithful from the coming persecution in the tribulation."

September 26, 2010
Friday, September 10, 2010:
Jesus said: "My people, you are beginning a beautiful retreat in visiting the Missions of California. This vision of many white caskets being carried up to a cemetery has an ominous feeling because it refers to the number of lives that will be lost in the coming major earthquakes. This will change the geography of the current California coastline. There is an added meaning to your retreat with Me in Adoration on your journey. My graces and your prayers will be offered for the souls who will die suddenly in these coming

earthquakes. Many will not be properly prepared to meet Me at their judgment. It is this mission retreat that I will use to help save these souls through My mercy. Offer up your intentions of your Divine Mercy prayers for the souls who will see their bodies called home to Me in death from these natural disasters."
Jesus said: "My people, you were fortunate to be able to have Adoration of My Blessed Sacrament on the bus for an hour. My blessings went out to all of those traveling on the highway with you. This reminded you of the day when the priest brought My Blessed Sacrament through the neighborhood and blessed the houses. Many of these old traditions were ways to strengthen your faith and keep you close to Me. Give Me praise and thanks any time that you can share with Me in My Real Presence."

September 26, 2010
Saturday, September 11, 2010: (Sunday Mass-Parable of Prodigal Son)
Jesus said: "My people, today's Gospel is all about repentance for sin and the seeking of forgiveness. It is hard for My faithful to hear Me say 'Love your enemies', but not their evil deeds. With people you need to be able to separate the person or soul from their actions. Leave this judgment of souls up to My justice. Many Americans are still holding the 9/11 crimes against the Arabs for their killing so many Americans, not to mention the destruction of the buildings. Unfortunately, this evil had even deeper roots in sabotage against your country by the one world people who wanted to cause war against Afghanistan. All of the evil ones who performed these killings will face My justice, but continue to love everyone, even your enemies. When you love your neighbor, good or bad, you are fulfilling your duty. If they refuse to love you or Me, then they will be brought to justice and be judged on their own sins. Once you let anger or grudges

cloud your reasoning, you are allowing Satan to control you. You must have love and peace in your heart and soul at all times, even though you have a right to self-defense. Pray for your persecutors and enemies, and be willing to forgive them. Know that when I return, I will cast the evil ones into hell, but I will invite My faithful into My Era of Peace."

September 26, 2010
Sunday, September 12, 2010:
Jesus said: "My people, you have been visiting these missions as a pilgrimage, and you are seeing in the vision how the missionaries of these missions were converting the souls of the Indians. Here in America you are seeing only less than 25% of Roman Catholics attending Sunday Mass. Many faithful and other Christian faiths are growing lukewarm in their faith. As a result of this weakness in faith, America is also becoming a mission land. This is why I am raising up many messengers and prayer warriors to give witness to souls and evangelize them to the faith or others back to the faith. The time to be brought to Me in faith is growing short, and if souls do not accept Me soon, they could be lost in the tribulation. Some souls will be converted after the coming Warning experience that will come before the Antichrist declares himself. Those, who are praying to save their family members' souls, will see them more open to conversion after the Warning. At that time your prayers for them will be answered for those who give their will over to Me. Rejoice in these conversions, even as heaven is celebrating as well. Pray to support My messengers, priests, and all missionaries who are bringing souls to Me. Saving souls is the most important duty that My disciples could do to serve Me. See that visiting these missions should inspire you to reach out and save souls around you."
Jesus said: "My people, today is My day of rest and you should be

worshiping and praising Me all day. Instead, many people are not going to Mass on Sunday, but they flock to their stadiums to worship their gods of sports in football, baseball, and golf. Sports and other means of entertainment have become even more important to people than loving Me. All the things of this world are passing away, but the life of your soul lives on forever. It is more important to choose your final destination with Me than to let worldly things become gods to worship. You are aware of crowds of people coming to see the Antichrist in your sports stadiums. By being used to spending your time watching sports in these stadiums, you will be more susceptible to be drawn to these stadiums to watch and listen to the Antichrist. Keep your focus on Me, especially on Sunday, and do not let the gods of this world control you in anyway. Give praise and glory to Me every day, but give Me even more of your time in worshiping Me on Sunday."

Monday, September 13, 2010: (St. John Chrystostom)
Jesus said: "My people, when you restore My churches, you are not only keeping historical buildings in repair, but you are helping to preserve the faith. These old missions are an inspiration to My faithful that they are following in My footsteps and keeping close to Me. These buildings are a treasure in recognizing My saints as models for your lives. The missionary efforts of the Franciscans are also an example to My faithful to work to save souls through conversion from earthly ways. Trust in Me and come to visit Me in My Blessed Sacrament."
Jesus said: "My people, when you come into these missions, they are dark at first, especially in the dome of the vision. I have shown you My Light as I disperse the darkness in this mission. Also, when you receive Me in Holy Communion, you have My Light in you as well.

This Light is the power of My Real Presence that flows into your hearts. When you experience My Real Presence, you have My love come into you sometimes as a tingling feeling. This Communion is a taste of heaven on earth. Once you have My Light in you, you can be a light for other souls to have My love and Presence in their lives. Rejoice that you can come to Me at Mass and Adoration to renew your spiritual strength, and share more Light with souls who are walking in the darkness of the world and Satan."

Tuesday, September 14, 2010: (The Triumph of the Cross)
Jesus said: "My people, be grateful that I have died on the cross for all of mankind. I have won the victory over sin and death, and it is by My Blood that all of you are saved. It is your individual choice to accept or reject My salvation of your sins. At every Mass you have the opportunity to receive My Real Presence in Holy Communion. Remember in St. John's Gospel when I said that only those who receive My Body and Blood will have eternal life. Every day I ask My faithful to take up his or her cross and follow Me. Offer up your trials and pains of the day as you share them with My pain on the cross. Give praise and thanks to Me for My gift of faith and My gift of eternal life in My Eucharist. Treasure the cross that I give you because it is by My testing that you are purified and refined like silver so you are prepared to enter heaven. Just as Moses raised up the bronze serpent, so I was raised up on the cross, and you are all healed by My Blood sacrifice. Also, at My refuges when you look on My luminous cross, you will be healed of all of your infirmities."

Wednesday, September 15, 2010: (Our Lady of Sorrows)

Our Lady said: "My dear children, I am your Holy Mother and I truly care for my children. Just as you mothers care for your children, so I love all of you and I do not want to see one of your souls lost. I place my mantle of protection over all of my children to protect you from physical injury. I remind you how I placed my mantle between your bus and the military trucks in Venezuela to prevent an accidental crash at night. I also protect you from evil demons, and I help you to avoid their evil temptations. I guide you and encourage you to pray my rosary and wear my brown scapular. I also console you in your pain of sickness and when you lose your loved ones. I join your pain with my sorrows as I watched my Son die. As you offer up your pain with Jesus on the cross, I am with you also. This life is truly a valley of tears, but you can call on me and my Son to give you the strength to endure all of your daily trials. Whenever you are sad, I am standing by you as I suffered in sadness. Continue to pray your rosaries for all those who are suffering on earth and in purgatory."

Jesus said: "My people, there truly are storm clouds coming as trouble in your government and trouble in your banking system. Many actions by your government have caused an increased deficit in your National Debt in an attempt to bail out your big banks. Now you are facing a possible tax increase and Health Care increases that could cause another recession to get worse. Some changes in the control of Congress will occur in your upcoming elections. Your President will use his veto more to keep his programs in place. Dissatisfaction with your economy could worsen if more foreclosures and bank failures continue. The longer your unemployment rate stays high and workers stop receiving any help, the more chance you will have for crime increases and possible riots. Pray for those who are unemployed to get jobs, and pray for your economy to keep from falling back into recession."

September 26, 2010

Thursday, September 16, 2010: (St. Cornelius & St. Cyprian)

Jesus said: “My people, why do you have continuous wars that are based on greed? You should search and pray for peace in the world. This fighting over land causes the loss of much life. In the end it is the one world people who profit from selling arms to both sides of your conflicts, even until today. You have also seen many visions of earthquakes along the coast of California, and you are here on the fault line at this mission. The messages on San Francisco have talked of the many sins of the flesh that will cause massive earthquakes that will send this city into the sea. I use natural disasters as punishment in some cases, and this is one of them. Be prepared for some serious earthquakes in this area so there will be fewer people who will die.”

Jesus said: “My people, in today’s Gospel you are seeing My mercy of forgiveness on even the most grievous of sinners. The woman at Simon’s house kissed My feet and washed them with her tears. Then she anointed My feet with expensive ointment for My funeral. After, I forgave her sins and told her to go in peace. Those, who were self-righteous, were questioning how I could forgive sins. My disciples know that I forgive sins through the priest in Confession. Even the worst of sinners, I will forgive, if they are repentant of their sins. All of you have an opportunity to be forgiven, so receive Me in Confession at least monthly. I love all of you and I want all souls to be saved. So come to Me out of love so you can be perfected for heaven.”

Jesus said: “My people, I am showing you more floods that will be occurring as you see more natural disasters. In some areas of continuous low pressure, rainstorms will cause heavy downpours and could cause floods in some areas. Where you have a low or high pressure for extended days, then you will be experiencing HAARP

machine induced weather that could cause these floods. Such microwave interference is being used purposely to cause a declaration of emergency as practice for your coming national martial law. Such a martial law will be declared from a combination of bank bankruptcies, a pandemic virus, and false terrorist acts. As a result of this martial law, you will see mandatory chips in the body and the authorities will shut down your electricity in order to limit your travel. The one world people want to control your bodies so you can be their slaves. So refuse to take any chips in your body, even if the evil ones threaten to kill you. When these things happen, call on Me to have your guardian angels lead you to My refuges of protection."

September 26, 2010
Friday, September 17, 2010: (St. Robert Bellarmine)
Jesus said: "My people, as with today's saint, My disciples need to protect My Church from false teachings as New Age. The missionaries worked to convert the Indians and save their souls. My disciples also are blessed with My gift of salvation by My death on the cross. You all need to be witnesses of My love and teach the people the faith that I taught My apostles. Seek to save souls through a good example of a holy life. By your evangelization efforts you can bring souls to Me, instead of them being lost to Satan. At times you pray for souls, but in this vision that represents fasting, you can add fasting from food and desserts as part of your suffering to save souls, especially in your own family. Together with not eating between meals, you could fast at least one or two meals on Wednesday and Friday. When you offer up prayer and fasting for souls, it is more powerful than prayer alone."
Jesus said: "My people, this image, that showed Me walking, means that I want you to walk with Me in My footsteps as you can grow in your spiritual life. Also, I experienced your pain in criticisms,

persecution, and even when some are martyred for their faith in Me. I walk with all of you through your life's trials, so call on My help so your life's suffering will be more bearable."

September 26, 2010
Saturday, September 18, 2010: (Sunday Mass)
Jesus said: "My people, I am showing you another indication of the graces going forth to everyone in My Warning experience. In this coming supernatural intervention, everyone will be given an opportunity to see their sins, repent, and then change their lives. You will all come to Me as a great Light, and I will show you a life review of your sins, with a focus on your unforgiven sins. The graces and My mercy flow out to you from My Divine Mercy which is why the Warning is such a blessing for all sinners. This experience will be a small taste of heaven and all sinners will appreciate how much they offend Me with their sins, and even their indifference to My love. This desire for repentance and Confession will be burning in your souls so much that you will have a need to want to change your life when you return into your body. This whole Warning experience will be out of body and outside of time. Give thanks and praise to Me for bathing you in My grace and mercy."

Sunday, September 19, 2010

September 26, 2010
Sunday, September 19, 2010:
Jesus said: "My people, you have seen fields of white crosses at military cemeteries where many have died from wars. In this vision of a church and a field of white crosses, you are seeing a battle of good and evil where there will be a substantial number of martyrs for the

faith during the tribulation. I have told you before that the evil ones will be targeting religious and patriotic people, and especially your leaders. The evil ones are already preparing red and blue lists of people that they want to eliminate both before and after martial law is declared. Hundreds of detention center death camps are being manned by United Nations troops where many will be martyred by being gassed, or killed by Guillotine followed by being cremated. I am also having My faithful refuge leaders build havens that will be protected by My angels. As the evil ones prepare their death camps, so My faithful are preparing interim and final refuges where My angels will lead My faithful to safety. Fear not if you are called to be a martyr rather than renounce your faith in Me. My martyrs will all become instant saints and I will ease their pain. The faithful, who are not martyred, will be led and protected at My refuges. So do not worry about what will happen in the tribulation because I will protect the souls of My faithful."

Jesus said: "My people, I am reaffirming that these grounds are holy and this is truly a refuge where visions and messages have been given. As the time of tribulation draws near, many people are preparing refuges of protection and I am calling them in their hearts to provide for My faithful remnant. I have given you messages before how many miracles will be performed at My refuges in order to feed you and shelter you from the evil ones who want to kill My faithful. On refuges that have plenty of acreage, I will multiply the buildings so My people will have sufficient accommodations to live. On refuges that have a small amount of land, I will have My angels build high buildings that look like this pagoda in the vision. When you see these miracles, you will more fully believe in My power, My grace, and My mercy. Give praise and thanks to Me that I am always at your side to guide you in life and protect your souls. This blessing of My refuges of protection is like I protected My people from the Egyptian armies. During the tribulation of the modern day Exodus, My angels will protect My faithful from the army of the Antichrist, who is also trying

to kill you and take your souls. Have no fear, but trust in Me as I bring My peace into your heart and soul every day. My love goes out to all of My faithful, and those, who are providing refuges for My faithful, will receive a great reward in heaven."

Monday, September 20, 2010

September 26, 2010
Monday, September 20, 2010:
Jesus said: "My people, you are here again at the Luminous Cross and you are fortunate to experience this miracle. As you look at the Luminous Cross in back of the altar, this should remind you how I desire a large crucifix on the main altar. Seeing My crucifix shows you how much I love all of you by My death on the cross. You also are seeing a tabernacle in the middle behind the altar as I also desire, because I should be the center of attention. I have left you My Real Presence in My tabernacle, and I am the Guest that makes your churches holy. These are old traditions which I have given you sufficient reason for being there. The shape of this Luminous Cross is the same appearance that you will see in the sky over every refuge, and this will remain in the sky until My Comet of Chastisement comes that will end the tribulation. Rejoice in My protection and know that I will come to vanquish all of the evil ones into hell."

Wednesday, September 22, 2010

September 26, 2010
Wednesday, September 22, 2010:
Jesus said: "My people, in the Gospel you see how I sent My apostles out two by two in all directions with very little to carry. They followed Me in training for preaching the Kingdom of God for several years. They taught My Word and healed people of their infirmities. In the

same way I send out My messengers and prayer warriors who will evangelize all nations and heal the sick. Trust in Me on your mission to save souls and I will provide for your needs because the laborer is worthy of his wage. Wherever you are welcomed, share what you have in your gifts. Wherever you are rejected, move on to the next town. I bring those who are called to your talks, and those, who need to hear My Word, can receive it on your website, or in your books. Those, who work to save souls, will have an even greater reward in heaven."

Jesus said: "My people, I have been giving you frequent messages about the Warning that is coming which is a sign of its coming closer in time. This vision of a comet coming close to the earth is another sign of the coming of the Comet of the Warning. You may not get any public warning of this comet until only a few days before its arrival. The day of the coming of the Warning has not yet been revealed. It is only known that it will come within a year of the miracle. I have also given you that it would most likely occur between September and February in the football season. It is not necessary to know the exact date of events, but by the signs given in the Bible, the Warning is not far off. Some will be frightened by these events in the sky, but the Warning will be a blessing for sinners to change their lives. This will be a time when your family members will be more open to your evangelization efforts. So be prepared to help them in their trials. Have your souls cleansed by monthly Confession, and your Warning experience will be less severe."

October 6, 2010

Thursday, September 23, 2010: (St. Pio)
St. Pio said: “My dear son, I have given you a message before about wearing your cross more outside and not being afraid of displaying your love for Jesus. In the vision you are seeing that I am helping more people from heaven than I did when I was on earth. Many people pray to me for their petitions which I take to Jesus as an intercessor. Some people have seen my image in spirit, and I especially watch over those who call on my protection. You should concern yourself more with your prayer life than spending so much time on worldly concerns. Giving Jesus His time of prayer and worship should be first in your priorities, then you could do your worldly tasks. Things in the world, that you think are so important to accomplish, will have little meaning in just a few days. Jesus and heaven depend on prayer warriors for their rosaries for poor souls on earth and the souls in purgatory. When you miss your prayers on one day, you should make them up on the next day.”
Prayer Group:
Jesus said: “My people, you have all manner of lighting today that usually has an electric source. In older days without electricity, the missions made their own tallow by boiling fats, bones, and hides of animals. This they used for making candles and soap. Life then was a lot harder than it is today with all of your comforts. This rustic scene at the missions is similar to how life will be at your refuges without electricity. Some will have windup flashlights so batteries are not needed. Trust in Me to provide for all of your needs at My refuges.”
Jesus said: “My people, every mission had a beautiful handcrafted altar with a crucifix and tabernacle in the middle of the church. Each mission was named after a saint nearest to the time when the church was built. Each mission also had bells, gardens, and cemeteries. Many missions used the labor of the Indians to build them. There were priests present to evangelize the Indians and hear their confessions.”
Jesus said: “My people, these missions were an early start for My Church in early life in California. On the Eastern coast you also had

an early start in My Church as religious freedom has been a hallmark to your freedoms in America. My Church has survived all of these years despite all the evils of your society. Give thanks to Me and your early missionaries who established My Church in this country. Unfortunately, many have become lax in their Sunday Mass attendance, and you have forgotten how your founding fathers established religious freedom as one of your rights in your Constitution. Remember your moral and religious roots that have made America great."

Jesus said: "My people, salvation history has been passed on over the years so My Word in the Bible could be remembered and put into practice. It is one thing to be called a Christian and My follower, but it is your actions that show that you are living your faith daily. I have given you My life and the lives of the saints to be models for your lives. Do not be controlled by worldly gods or by the devil's temptations. Instead, live My life of love in showing love for Me and your neighbor."

Jesus said: "My people, during your traveling you were adoring My Blessed Sacrament, attending daily Mass, and praying your rosaries. You also were watching some inspiring movies on your Popes and the saints. Many graces were granted to your pilgrims and even to those driving around you during the Adoration on the bus. Every time that you go on a retreat, or go on a pilgrimage, you come back strengthened in your faith and your spiritual life. See in this walk back in history how I was always a focus for My people in these early days, even until the present time. Learn from history how My Church has been preserved through all of these years."

Jesus said: "My people, many of your traditional devotions as the rosary, the scapular, and novenas have been handed down through the centuries. You have devotions to My Sacred Heart, My Blessed Mother's Immaculate Heart, My Blessed Sacrament in Adoration, and many devotions to My saints. These devotions help preserve your strong faith and they are worthy to be handed down to your children

and grandchildren. Do not let any modernism in My Church belittle or try to put down these holy devotions. Preserve My holy traditions that have held My Church together for so many years."
Jesus said: "My people, when you return home from a retreat or a pilgrimage, you can share your faith experiences with others and apply what you learned to improve your spiritual life. These trips are not just vacations for a good time, but they should be opportunities for graces and learning how to apply your faith to your everyday activities. You have learned how valuable it is to make time for prayer to Me every day so you can stay focused on Me and My love for you. Take time to make a retreat or a pilgrimage to add some inspiration to your spiritual life."

October 6, 2010
Friday, September 24, 2010:
Jesus said: "My people, this vision of going through a series of tunnels through caves is a sign that you will need to go through the tunnel of the Warning life review before you go to My refuges. Many people are not prepared to meet Me in their judgment, and they do not know the need to go to My refuges. In the Warning experience you will be warned not to take the mark of the beast or a computer chip in the body, even if the evil ones threaten to kill you. In the Warning many souls will see the need to convert and change their lives if they want to avoid going to hell. In the Warning also, the people, who desire to be faithful to God, will see the need to go to My refuges to avoid being killed by the Antichrist and his agents. As the signs of the end times are all around you, be prepared for your Warning experience that will prepare everyone for the coming tribulation."
Jesus said: "My people, you had an earlier reading in Ecclesiastes that stated there is nothing new under the sun. I am showing you in the vision how the Egyptians were proud of their cities and construction

of the pyramids. They had great learning in mathematics that is used even today. Modern day man also has become prideful in his buildings, medical advances, speeds of new computer chips, and manipulation of DNA in both plants and animals. Man has become so confident in his own workings that he thinks that he is no longer dependent on Me for anything. This pride is from the devil, because without Me, you would not even exist, have oxygen to breathe, or light to see. All of your skills are My gifts, and everything that you have, has come through Me. Your spiritual salvation itself is My gift of the sacrifice that I made when I died on the cross for your sins. Instead of making yourself gods, you should understand that you are totally dependent on Me for everything. Once you accept your dependence on Me, you can give your will over to Me, so I can use you to save souls, and fulfill the mission that I have for your soul. Put your pride aside and see that loving Me and your neighbor are more important than any of your little accomplishments. Give thanks to Me for all that you have been given, and share your gifts to help those in need around you."

Saturday, September 25, 2010

October 6, 2010
Saturday, September 25, 2010: (Votive Mass of Our Lady)
Jesus said: "My people, in these end days My Blessed Mother has appeared in apparition with messages for the whole world to repent and pray her holy rosary. Some messages have foretold the coming persecutions that will occur during the tribulation. You have heard your priest talk of My Blessed Mother as a lady of service in how she helped St. Elizabeth in her pregnancy, even though it was difficult for Mary to travel. My Blessed Mother has spoken often how she protects her children with her mantle of protection, and how she is a refuge for sinners. As the end times of evil persecution draw near, I have given you many messages of how people are preparing refuges to protect

My faithful from the evil ones. My angels will watch over you, and as you come to My refuges, you will be made invisible to the evil ones who are trying to kill you. All the places of My Blessed Mother's apparitions will be places of refuge, where she will be drawing you to her mantle of protection. Other refuge places will be places of holy ground as where Adoration has occurred often, or at monasteries. Also, caves will be provided as places of refuge. My Blessed Mother and I are both people of service in our protection and in our providing for your needs at My refuges."

Jesus said: "My people, this vision of the traditional statues being removed is a symptom of many good traditions that have been removed by those who teach modernism and change for its own sake. You see Catholics leaving their churches and churches closing as a big problem, but again this is a symptom of a larger problem. People are losing their faith, or they were never taught the basics of their faith. The youth are leaving more because they are not being fully grounded in the dogmas of the faith. Many, who were brought up fifty years ago with the nuns and the Baltimore Catechism, had to memorize the basics of their faith. The nuns taught the prayers, the Commandments, the sacraments, and much more. Your schools of today are not teaching the children in this same way. They now have a watered down faith, and do not even appreciate My Real Presence in My Eucharist, or know the need for prayer in their lives. You also had to teach the children in your religion classes how to say the Our Father, Hail Mary, and Glory Be prayers because they were not taught in previous classes or by the parents. Yet, when you try to have educators teach these basics of the faith, you are criticized as being old fashion. The rosary, the Mass, Eucharistic Adoration, Holy Scripture, and teaching of the faith, are very important to have a proper spirituality to gain heaven. Without promoting these important elements of the faith, your churches will die on the vine. When you remove Me from the church, you are taking away the power that makes a church holy. My people need to re-educate or for the first

time teach these basics to your adults and the children, or your churches will deteriorate further. A full knowledge of My love in My Real Presence will keep My faithful strong in their faith, and they will never leave. Teach about My Real Presence so the 70% who do not believe, can come to believe that I am truly present in My consecrated Host and Wine."

Sunday, September 26, 2010

October 6, 2010
Sunday, September 26, 2010:
Jesus said: "My people, there are many faithful being persecuted and even killed in communist and Muslim countries. These same people when they come to America, cannot understand why you are not taking advantage of your religious freedom while you still have it. Unfortunately, people in America have become lukewarm and complacent toward Me, instead of attending Sunday Mass. People, who have been persecuted for many years, jump at the chance to go to Sunday Mass. Seeing this persecution in other countries is a sign of what Americans will be dealing with when the tribulation comes. The vision of souls falling into hell and seeing how much they are suffering, is a little like the Gospel when Divies was suffering in hell. Divies even wanted Abraham to warn his brothers to avoid hell by a good life. But Abraham said that they had Moses and the prophets to guide them. Then when Divies suggested that someone who returned from the dead could convince his brothers, Abraham said even that would not change them. This is true even when I died and I was resurrected. I returned from the dead and still people did not want to believe in Me. I have brought everyone salvation by My Blood sacrifice, but still people need to accept My love and choose to repent of their sins in order to be saved."
Camille said: "Thank you again for the many Masses that were offered for my intention. As I see people coming to my Mass, I am

sorry that I was too lazy and did not attend Mass while I was on the earth. I am also grateful to be in heaven because I could easily have been like the rich man in the Gospel who had to suffer in the flames of hell. I told you about the basement that I saw in hell. God bless all of you, and I am praying for everyone to go to Sunday Mass."

Monday, September 27, 2010

October 6, 2010
Monday, September 27, 2010: (St. Vincent de Paul)
Jesus said: "My people, in the first reading you saw how I allowed Satan to take away a lot of animals and even the children of Job. Even with these losses, Job did not get angry nor sin against God. At times you have problems with losing your possessions, but you can find a way to replace anything that is faulty. A time is coming when My people will have to leave their possessions behind them, and come to My refuges of protection. Living at a refuge may be without electrical devices, so it will be a much more rustic living without so much travel. You live a spoiled and comfortable life now, but a time is coming when you will not have so much entertainment, and you will have more time for prayer. Living at a refuge will be more like a monastic life, and it will make you like saints. You will see that by taking away your toys and comforts, that you really do not need them, and they distract you from your mission on earth to serve Me. Be grateful that you will be cleansed in preparation for heaven. You will be doing your purgatory on earth during the tribulation."
Jesus said: "My people, America is losing the battle in its competition for world markets as manufacturers. There are so many factors in favor of the foreigners that America will be falling into third world class if there are not some changes made. Corporations have gone out of America for cheap labor, less environmental restraints, and less taxes. If the laws were changed to discourage the uneven playing field, then manufacturing could come back in America. Artificial

currency controls and nearly slave labor has enabled China to take over many of your markets. America needs to reduce its trade deficit, reduce government deficits and overspending, and have reasonable taxes before it has a chance to survive. Cutting back on oil imports by using less oil, and buying less goods from overseas would also help your deficits. Even stopping your continuous wars would save your people billions of wasted dollars. America needs to get its spiritual house in order as well, as in stopping abortion and stopping the living together outside of marriage. Pray that your leaders start working for your people, instead of just making money for themselves."

Tuesday, September 28, 2010

October 6, 2010
Tuesday, September 28, 2010: (St. Wenceslaus)
Jesus said: "My people, America would be losing population if it were not for the number of immigrants coming to your country. In the general population there is an average 1.2 million abortions a year and about 4 million live births per year. Your death culture is still rampant in your society and abortions are only decreasing slightly over the last few years. The use of birth control devices is in considerable use to control family size. Abortions, the use of birth control devices, and sterilizations are mortal sins as taught by My Church, and they require Confession before receiving Holy Communion. This is why there are many sacrileges committed at Sunday Mass. This taking of life or obstruction of life formation are sins that are very offensive to Me because you are denying life that I intended and I had plans for them. Because of these abortions and your many other sexual sins of fornication, adultery, and homosexual acts, America is calling out for My justice against you. The guardian angels of these aborted babies are testifying against you in heaven. This is why your country is headed for a takeover by the one world people because I am allowing it for your punishment. Just as Israel was exiled because of its worship

of other gods, so America will also be exiled for its worship of worldly gods and its sins of abortion. You are living in an evil age that will become even worse under the Antichrist during the tribulation. This is why I am having faithful people prepare My refuges of protection for these end days. Be grateful for My protection when persecution of My believers will threaten their lives."
Jesus said: "My people, some almanacs are forecasting a colder winter than normal. In some areas it is not uncommon to have power outages from winter storms. It would be wise to have some warm sweaters, warm undergarments, and some heavy coats with warm boots just in case you may lose your electricity in the cold of winter. Also, have some alternative fuels as wood, kerosene, or propane, and the appropriate heaters to use these fuels. As you are packing your refuge needs when you leave your home, you may want to pack some extra warm clothing as well. Be prepared if you have to leave for your refuges in the cold of winter. You practiced your living in tents during the summer, but you may need extra warm sleeping bags, a mat underneath, and some source of heat as STERNO to keep warm in your tent during winter. By being prepared to handle the cold, whether in your home without electricity, or on the way to your refuge in winter, you will be able to keep warm in the worst of possible cold weather. Trust in Me to give you good advice, and help with your every day needs."

October 6, 2010
Wednesday, September 29, 2010:(St.Michael, St.Gabriel, St. Raphael)
St. Michael said: "I am Michael, and I stand before God to constantly give Him praise and glory. In these end days you are part of the battle between the good spirits and the evil spirits in a fight for souls. We Archangels are not only messengers, but we are part of God's army to fight the demons and protect the souls on earth from being lost. Every

time that you call on us to help you in your mission, we are there with thousands of angels to empower your struggle to save souls. I know that you pray for My help every day in union with your guardian angel, Mark. You are tested in many ways with obstacles to stop your work, but where we are allowed, we can make your path less obstructed. Continue to pray to me and the other good angels to help you in your work. You saw in the vision the dove of the Holy Spirit and myself fighting the demons in the world. Trust in God and our help as He directs us."
Jesus said: "My people, agriculture or farming is a large industry that requires seed companies and fertilizer companies. A good share of your crops can be harvested by machines, but still laborers are needed. Other crops, that are more sensitive, require workers to pick and collect the crops. Even when given an opportunity, many Americans do not want the cheap labor and hard work in the fields. Many farmers need to have immigrant workers pick their crops or their crops could not be harvested. Many Americans rely on their farmers for their food, but farmers barely make a living with all of their costs of doing business. If the farmers did not get some subsidies, they could not make a living. Even though the immigrant problem causes political problems with crime and entitlements, they do fulfill a need in picking the crops that you eat in America. Again, be thankful that your farmers and immigrants are doing their job to feed America and export their surpluses."

October 6, 2010
Thursday, September 30, 2010: (St. Jerome)
Jesus said: "My people, there have been many approved translations of the Bible, but some recent English translations have been quite liberal in changing the meaning of certain texts. One example as I have told you before is: (Matt. 16:26) 'For what does it profit a man,

if he gain the whole world, but suffer the loss of his own soul?' in older translations and is compared to the newer translation of: 'What profit would there be for one to gain the whole world and forfeit his life?' This difference may seem slight, but soul can be much different than your earthly life. In the Gospel of Luke (Luke 9:1-8 and 10:1-12) there is a contrast between the mission of the apostles that were sent out, and the seventy-two deacons who were also sent out to preach about My Word and the Kingdom of God. In both cases they were to travel light and rely on the people for their food and lodging. Those, who rejected them, were to have the dust of that town shaken from their feet. They both were also called to cure the sick. This priesthood has been handed down through the years by the 'laying on of hands'. So pray for vocations and for your current clergy as you support them in their needs."

Prayer Group:

Jesus said: "My people, once the Antichrist declares himself, he will take his reign as ruler of the world, and this will begin the great tribulation of three and one-half years. I will shorten this time, but this will begin a reign of evil that you have never seen before. He will first claim to be a man of peace, but later his evil power will enable him to become a tyrant ruler. He will demand that all of his subjects need to have chips in the body, or else they would be killed. This is when the men in black will come to your houses to carry out this edict. Refuse to take any mark of the beast or a chip in the body, or it will control your mind. Many will be martyred for their faith, but they will have any pain lessened, and they will become instant saints. The rest of My faithful will be led by their guardian angels to My refuges of protection."

Jesus said: "My people, unions of the one world people will be formed on every continent. Once the Antichrist is declared, he will be given power over the European Union by the one world people. Once in power, he will have a round table of leaders, and he will have the original union leaders killed and replaced with his own evil minions.

There will be a battle at Armageddon between all the evil people and demons against the good people and the good angels. I will bring My Comet of Chastisement down on the earth at the end of the tribulation. This will be My victory over Satan, the Antichrist, and the evil ones, as they will all be chained in hell. Lift up your eyes then, for your redemption will be at hand as I renew the earth and bring about My Era of Peace."

Jesus said: "My people, I have told you before that you are living in the end days with a major battle between good and evil. Keep praying at your prayer groups because you are countering the evil going on in Satanic rituals and occult meetings. The meetings of evil are growing in number, and your prayer groups are diminishing in number. This is an evil age, but My faithful will become living saints as you are tested by this tribulation."

Jesus said: "My people, the one world people are planning an ultimate crash of your trading markets and your current banking system. The Antichrist will come on the scene to set up a new money system that will require buying and selling only through the mark of the beast as a computer chip in the body. Your money will become worthless and your possessions will be taken away from you. My faithful will only be safe at My refuges of protection."

Jesus said: "My people, the one world people are planning a takeover of America by creating a national emergency. This will be caused by a declaration of martial law as a result of a combination of a national bankruptcy, a pandemic virus, and false terrorist acts. Be prepared when I will warn My faithful when it is time to leave for your refuges before the evil ones can implement their red and blue list pickup plans."

Jesus said: "My people, the targets of the evil ones are all people who are religious and patriotic. The red list plan is for the men in black of the UN troops to capture the leaders meant for execution before martial law is declared. The blue list will pick up the rest of the people after martial law is declared. The evil ones plan to try and execute

those who they cannot break and brainwash to accept their new world order. Those, who are not killed, will be tortured or forced into work camps as slaves of the Antichrist's leaders. Trust in My protection from these evil ones who will have their time of short reign."
Jesus said: "My people, I have told you that My Church will see a division between a schismatic church and My faithful remnant. It is this faithful remnant that the gates of hell will not prevail over them. Just as all the demons will be released onto the earth, so you are seeing St. Michael and My angels will join the battle to protect the souls of My faithful. Rejoice that My angels will protect you in miraculous ways. You will not need physical weapons because My angels will do battle to help you."

Friday, October 1, 2010: (St. Therese of Lisieux)
St. Therese said: "My dear son, I am happy to greet you again, and to help you in your mission. I know that you have many responsibilities in your earthly duties and your spiritual duties, but Our Lord has reminded you several times that it is so important to do your minimum prayer time. My prayer time with Jesus was always a joy, and much more desirable than my earthly duties. At times you may feel pressured to do so many things, but it is important to keep peace in your soul and carry out your tasks as time permits. Do not overburden your day with more things than you have time to accomplish. Always limit your objectives to something that is achievable, and do not worry about something that you did not have time to do. Be able to ask Jesus to discern what are the most important tasks to do first. If others try to change your discernment of order, just tell them that it is on your to do list. Getting frustrated at what to do first, or how to find enough time to do everything, should not cause you to lose your peace. Make the best discernment, and do what is needed most. You will never

accomplish everything, so do not let the evil one try to rush you and upset you. I pray for you in your mission, so call on me in your needs with prayer."
Jesus said: "My people, My daily Mass people and My faithful adorers at Adoration are the core of My prayer warriors that I depend on the most for prayers and evangelization. These are My special souls that will have a great treasure in heaven for all of their hours of Masses, rosaries, and Adoration. These souls have a deeper love relationship with Me every day. Once you go beyond your duty of Sunday Mass, you truly are called to share all of your life with Me in your daily troubles and activities. I want My faithful to keep your focus on Me in loving Me and helping your neighbor out of love for Me. When you give your will over to Me in all that you do, then I can use your work to save more souls. Give praise and glory to Me every day, even as My angels and saints give Me homage in heaven every day. The closer you come to Me, the more you are preparing for your life with Me in heaven."

Saturday, October 2, 2010: (Guardian Angels)
Mark said: "I am Mark and I stand before God. You remember in Scripture when the Lord came to the prophet in a whisper. This is also how you need to be quiet to hear my prompting to do good things. You are also in some dangerous physical environment at times where I am looking out for your safety. You also need to avoid occasions of sin in some temptations in flipping through channels of your TV and also on the internet. Guard your eyes also from dwelling on sinful thoughts. When you are on your way to your talks, I am also with you to help you arrive on time. Thank you for praying for my help in your morning prayers. I am always at your side for advice and spiritual help, so call on me whenever you are having difficulties in life."

Jesus said: “My people, every town has at least one church and the old churches could be found by looking for a tall steeple. You are seeing a decline in Sunday Mass attendance in many parts of America. There is a process going on that could have many contributing factors, but the main problem is that people are becoming lukewarm in their faith. First you see a closing of your Catholic parish schools. Then you see clusters formed of neighboring churches. This is finally followed by closing some of the clustered churches. Part of this problem is that the parishioners are not being spiritually fed by just a ten minute homily every Sunday. People have become so lazy in their faith, that they get upset if the homily is any longer than ten minutes. To truly feed My people, you should be hearing a half hour sermon that could teach My people more about the basics of the faith. A sermon is a teaching experience, while a homily is just a rewording of the readings, and not always an application to your daily lives. By spending more time to teach everyone the basics of the faith, then coming to Mass would be more inspiring. Many Catholics are going to Protestant groups that preach a lot longer than ten minutes. Once you truly understand the basics of your faith, you would not desire to give up My Eucharist to attend another church. My priests and bishops need to build up the people’s faith, or you will see your attendance at Mass get even worse.”

Sunday, October 3, 2010: (Right to Life Sunday)

Jesus said: “My people, this vision of the many children on a merry-go-round, is symbolic of how many more children that could be in My Church if it were not for your abortions and birth control. Think of all the lives and missions that I had planned for your people, but now they will not be fulfilled because of your convenience and selfishness. Many souls desire the pleasure of their lust, but they do not want to face up to the consequences of an unexpected pregnancy. Some of these abortions come from sexually active young girls who are not

ready to bring up children, but there are also abortions from affairs of adults, and even married people. Whether abortions are performed for convenience or out of embarrassment, they are still grievous sins against My plans for human life. It is this taking of life, and the disrespect for life that is weighing heavily against America. These sins continue, and My justice will also be demanded when you are called to account for these sins. Just as My babies had to pay a dear price in the loss of their lives, so America will have to pay a dear price when your freedoms and your possessions are taken away from you. You make gods out of possessions, wealth, sports, and fame, and because you worship these things before worshiping Me, I will take all of these things away from you as you will suffer in exile. Your country needs to wake up and stop murdering My babies with your abortions, or you will be sealing America's fate."

Monday, October 4, 2010: (St. Francis of Assisi)

Jesus said: "My people, I have encouraged My faithful to be perfected and work on their spiritual lives to attain heaven. Even beyond the minimum to gain heaven, you can work harder to strive for the higher levels of heaven. There are spiritual riches and joys that are the reward for those who bring many souls to heaven. The more effort that you make to do My Will on earth, the greater your reward will be in the higher levels of heaven. In the vision you are seeing souls graduate to the higher levels of heaven after their judgment. The closer that you come to Me in our love relationship with your devotions, good works, and saved souls, the closer I will bring you to Myself in the higher levels of heaven. My faithful will rejoice when I show them their reward for all of their earthly suffering and their hard work for Me. The more of your pains, sufferings, and striving to do My Will which you offer up to Me, the more treasure that you will

have stored up for you in heaven. When you arrive in heaven, your peace, love, and joy in My beatific vision will be complete in My love for you."
Jesus said: "My people, these secret meetings are planning the demise of America so you can be taken over through your debts. The one world people are bringing down the value of the dollar, which is why gold, silver, and your other commodities have higher prices in dollars. As a country continues running deficits relative to its worth in GDP, the value of that currency will decrease as there is more of a chance for default on its debts. If you were to chart your budgets in the United States over the last ten years, you could see how your deficits are rising at a rate that you cannot afford to pay even the interest. The interest is becoming a larger portion of your budget and you gain nothing from paying it off. This debt problem is forcing your budget to shrink on other needed items because the capital is also being taken out of your corporate needs to borrow. If America cannot eliminate its deficits, you could soon see a bankruptcy coming that would cause chaos and riots in your streets when your entitlements would cease. This will be one of the causes of your coming martial law, that will be the end of your country as you know it. When this occurs, you can call on Me and I will have your guardian angel lead you to the nearest refuge of protection. Pray for My help to protect your souls and your body from being killed by the evil ones."

October 6, 2010
Tuesday, October 5, 2010:
Jesus said: "My people, back in the days of St. Paul most of their transportation was focused on horses and ships. He was a strong willed missionary to bring souls to Me after his conversion. Considering his limited transportation abilities, he traveled a lot as you can read in his writings. Today, My disciples and messengers

have airplanes, cars, and the internet, along with books and DVDs to spread My message of the Kingdom of God. With all of these means at your disposal, there is even more of an obligation to take advantage of these gifts to help evangelize souls. As time approaches to the tribulation time, the Antichrist will also take advantage of your means of communication to try and force people to worship him. This is why I told you after the Warning to remove your televisions, computers, and radios from your homes so you do not look at the Antichrist's eyes or listen to his voice. Refuse to take his chip in your body, even if the evil ones threaten to kill you. Also, refuse to use smart cards, or cell phones once he is declared because his voice will control you like a robot. Once you see him about to come into power, you need to call on Me to have your angel lead you to the nearest refuge of protection so you will be free from the Antichrist's control and from any attempt to kill you."

Jesus said: "My people, as a result of your recession and your corporations sending most of the manufacturing jobs out of the country, you now have high unemployment with little chance of these lost jobs returning. As long as cheap imports are allowed to steal your markets, America cannot compete without a level playing field. The less good paying jobs that are available, the lower your average income will be for each family, even with two working. With so many people on unemployment insurance, welfare and food stamps, this puts stress on the state and local governments where less taxes are being collected. More people are being included below the poverty line because of scarce jobs, and lost jobs are also causing more home foreclosures. It is difficult to have peace of mind when many are hurting financially with their household incomes barely able to pay their bills. Some are looking more to local food shelves just to have enough food to eat. Those, who are better off, could help the poor with donations to food shelves, or providing jobs. When the tribulation comes, you all will be trusting in My protection and relying on Me to provide for your food and shelter. Some of these hard times

are preparing people to live without their possessions and comforts. Pray for My help both now and when you will be at your refuges."

October 21, 2010
Wednesday, October 6, 2010: (St. Bruno)
Jesus said: "My people, there have been certain disagreements over parts of the faith with various heresies over the years, but I have guided My Church through these rough waters. In the Early Church there was a disagreement on whether new converts had to be circumcised or not as a Jewish custom. Later, this requirement was dropped. Then in the Middle centuries there was a division and a break away of the Eastern Rite church. Martin Luther started another major rift in the Church which resulted in Protestant sects that did not follow the Pope. The Anglican Church was another split because of King Henry VIII. It is unfortunate that Christian believers have become so divided over the years because of certain belief differences. As you are approaching the end times, there will be even a further division in My Roman Catholic Church between a schismatic church and My faithful remnant. The schismatic church will be preaching New Age which is not even a religion of God. This church will also be teaching that the sexual sins are no longer mortal sins. My faithful remnant will follow My apostolic teachings, and this branch will be My Church protected from the gates of hell. Do not be taken in by any heretical teachings of modernism or New Age. If you see this in your church, then work to change it. If you cannot get it changed, then leave that church for a faithful remnant church that teaches My true Word. Pray for discernment from the Holy Spirit to direct you in keeping your traditional faith."
Jesus said: "My people, when you see the leaves changing color and falling, the nights getting longer, temperatures getting cooler, and more rain, these are the signs of the fall season coming. Just as you

are observant of the seasonal changes, so you also need the eyes of faith to see that the end times are coming as well. When you see people losing their faith, the evil ones planning a takeover by the Antichrist, chips in the body being forced on people, and preparations for your death camps, you can read these signs of the coming tribulation. I have enabled people to set up refuges to protect My faithful remnant during the tribulation. You will need to have full trust that My angels will protect you by making you invisible to the evil ones. You will need to leave your homes at the proper time, but fear not because I will provide for your food and lodging. When you see the Antichrist come into power, know that My victory is near. You will be living your purgatory on earth, but you know that the Antichrist's reign will be short. Pray to have the strength which you will need to bear your cross in this evil time."

October 21, 2010
Thursday, October 7, 2010: (Our Lady of the Rosary)
Jesus said: "My people, when you pray the rosary, it is your special time with Me in praying for all of your petitions. This feast day was in honor of My Blessed Mother's protection of Europe from the invading Muslim ships that were defeated in a storm at sea at the Battle of Lepanto. My Blessed Mother has given you her rosary of fifteen decades as a daily prayer for your help and protection. Some think this is too long to pray, or it is just an old tradition, but the rosary is a powerful weapon against evil and its forces. When you call on us in prayer, your prayer petitions are always heard, and I will answer them in ways that benefit the most souls. You pray your rosaries daily, especially for My Blessed Mother's intentions. The four intentions that you were given are for the souls of poor sinners, the souls in purgatory, for peace in the world, and for the stoppage of abortion. You have family members who may be away from Me, and your

prayers for them need to be persistent, since their souls may demand a heavy price to be saved. Pray for what is best for these souls in leading them to heaven. Saving souls is your most precious calling, and prayer is the best way to bring your petitions to heaven."
Prayer Group:
Jesus said: "My people, your current administration has used your recession as an opportunity to spend trillions of dollars on his own agenda which has not helped the job situation even after two years. This agenda is more about government control of banks, the car industry, and the health industry. Government jobs are not permanent or productive, which is why you have problems in all parts of your business world because of government interference. Pray that your elections can help correct this takeover agenda."
Mary said: "My dear children, at almost every apparition site I have asked you to pray my rosary for all the troubles and evils in your world to stop. I thank all of you for praying my holy rosary on this feast day of the Holy Rosary. You have many intentions which I am giving over to my Son, Jesus. Have faith and trust that your prayers will be answered according to my Son's will in His time."
Jesus said: "My people, there are many people under water where their mortgage is much more than the true value of the house itself. Several banks have put a freeze on selling foreclosed homes because they will lose money to auction them off at reduced prices from the mortgages that they hold. This interference with market prices could cause major problems with your housing industry. Pray that a fair arrangement can be made to deal with foreclosed homes."
Jesus said: "My people, it is obvious to many investors and other world governments that America is overspending beyond what she can afford. Your mounting deficits are about equal to your GDP and you remember the problems Greece had when its debts were too high. The dollar is losing its value because of these debts that are too high. This is seen in your increased commodity prices of gold, silver, and oil. If this spending cannot be contained relative to your collected

taxes, then America is headed for bankruptcy and hyperinflation. Pray that your representatives will come to their senses and make cuts where it is necessary."
Jesus said: "My people, every year your Congress has to vote on the ceiling of your National Debt. In the past this has been raised at outrageous increases, but this needs to be the first place to stop the runaway spending. Your taxes both on property and on income should also have some reasonable ceilings based on what people can afford to pay. Your entitlements, public pensions, and your debts are all out of control, and they need to be reined under control to what taxes are collected, and they should be relative to other workers' pay and benefits. Without some control over these expenses, your government will not be able to afford these outlays. America needs to control its spending before you see a collapse in your money system."
Jesus said: "My people, as more investigations are making public the murky workings of your banks, it is being revealed how they sold junk quality bonds on suspect houses, and made derivative bets against them. When home backed securities became toxic, some banks profited from insurance companies as AIG when the banks had insured their bets against their bonds. AIG was bailed out by the taxpayers and they paid even foreigners for the hedge bets against these bonds. This control of the banks and derivatives by the one world people is how they intend to bankrupt your government. Be prepared to go to My refuges when this crash and takeover begins."
Jesus said: "My people, many of your wars are promoted by the one world people, and these same people are instrumental in starting them. These wars are linked to your Defense Industrial complex which needs wars to justify its existence. Many American and foreign lives are being lost with no clear reason for the U.S. remaining in this war. The reasons for starting this war were planned, but there is no benefit from winning. Instead, pray for peace and stop getting involved in useless wars that last a long time."
Jesus said: "My people, many people are suffering financially and you

do not need unnecessary wars and killing to add to it. You can see the one world people bringing about their plans for a world takeover and leading up to the Antichrist's reign. The problems that you have today are nothing compared to the tyranny of evil that will come in the tribulation. Pray for your spiritual and physical protection that I will bring in the protection of My refuges. You are in a battle for souls and this is more important than losing your possessions and comforts."

Friday, October 8, 2010

October 21, 2010
Friday, October 8, 2010:
Jesus said: "My people, this clock speeding up in the vision is showing you that in the near future you will see the religious persecution increase so much that the priests will have to offer Mass underground at secret Masses in the homes. Home Masses will only go on for a short time as the tribulation will soon follow and all of My faithful will need to go to My refuges for protection. This is when you could encourage your priests to come with you to the refuges. Even if you cannot have a Mass at My refuges, My angels will bring you daily Communion and you will have tabernacles to adore Me at your refuges as well. I will always be with you even through the worst of the coming evil days. Trust in Me for all of your needs as My angels will defend you from the evil ones."
Jesus said: "My people, those, who support abortion and even promote abortion, are sinning against the lives of My babies. To vote for a candidate that openly supports abortion, is also an action that supports abortion and is liable to My judgment. People, who hold office and vote for bills that support abortion, also are liable for a priest to refuse them Communion if they do not repent. My people should avoid voting for candidates who support abortion because their apparent disdain for life even questions their moral judgment in other areas. This is not just a one issue decision, but it indicates a support of

a death culture that is running America. Your media people criticize some honest candidates who are even against abortion in rape and incest cases. These babies from such cases are still innocent lives, but these same media people are not critical of all the innocent millions of babies being slaughtered. You need to be consistent in your decisions to support life in all instances. Do not let the death culture candidates get away with lying about the truth of My Word. Stand up and defend these babies from those who want to kill them. Call the doctors and mothers murderers for their abortions. I will accept their repentance, but they need to ask for My forgiveness to be saved. Whenever you can stand up and protest the taking of life in abortion, do so in front of the clinics who perform abortions for blood money. If you do not stop your abortions, America will face its own demise."

October 21, 2010
Saturday, October 9, 2010:
Jesus said: "My people, I have told you before that nations are responsible for their actions and their sins. This is why I have asked My people to pray for poor sinners and to make reparation for the sins of your country. This is a mission for the cloistered nuns as in the vision. The gavel that the nun was carrying, represents how they are praying to mitigate My justice against America's sins. You know that there is a price for everyone's sins, and the more prayers and offerings that are given up to Me, the easier it will go for each soul. There is a balance of sin and evil with prayer and good deeds. So when the evil gets worse than those who are praying, then My justice must be carried out against that nation. This again is why I depend on My prayer warriors, and if you miss your rosaries one day, then you need to make them up the next day."

Sunday, October 10, 2010

October 21, 2010
Sunday, October 10, 2010:
Jesus said: “My people, in two of today’s readings you read of how people were miraculously healed of their leprosy. In the one case Naaman was healed by the prophet Elisha, and in the Gospel ten lepers were healed by Jesus. In addition to physical healings, there were also spiritual conversions. In the vision in the river there is a representation of Baptism as St. John the Baptist baptized many by immersion in the water. When people are blessed with My gifts, it is unfortunate that not everyone is quick to thank Me as the Samaritan did. You have many things to give Me thanks for in your gift of faith, your gift of life, and your loving relationship with Me, especially in My Eucharist. Some should be grateful for a good marriage, children, and grandchildren. Others have been blessed with a job, food to eat, and a home to go to. You take many things for granted such as the air you breathe, the light from the sun, and water to drink. It is when you are without these gifts that you may more fully appreciate their value to you. When you have droughts, floods, or loss of electricity, you appreciate your proper amount of water, and the ability to have your electrical appliances work. So give praise and thanks to Me for all that you have through Me. You can show your appreciation by sharing your gifts with others, and you will be storing up your reward in heaven. Your family and friends are gifts to each other, so share your love with them and all those who are a part of your life.”

October 21, 2010
Monday, October 11, 2010:
Jesus said: “My people, in a month or so you will be preparing for another Advent Season leading up to the celebration of My birth on

Christmas. Even some of your merchants are already stocking their stores to sell gifts for Christmas. In the Gospel reading I told the people that no sign will be given except for the sign of Jona. Jona called on the people of Nineveh to repent of their sins or the town would be destroyed. These people did repent in sackcloth and ashes, and their lives were spared. In a similar manner My messengers are calling on My people to repent of their sins as well, but only a few are listening and praying. When I was born, you saw a sign in My star over Bethlehem, and the shepherds and Wise men followed the star to Me. Now in these days, you have My Scriptures giving you signs of when I will come again to the earth in splendor on the clouds. One sign is that evil will increase, and another sign is that the people will become lukewarm in their faith. Other signs will be in the increased earthquakes and pestilence in viruses afflicting your people. You will see famines and a division in My Church. You will also witness a major sign in My Warning experience that will wake up many sinners. As these things happen, I will send a sign when it is time to leave your homes for My refuges of protection. When you see the Antichrist come to power, know that soon I will be coming to claim My victory over the evil ones."

Tuesday, October 12, 2010

October 21, 2010
Tuesday, October 12, 2010:
Jesus said: "My people, your priest asked why I had to suffer a crucifixion and die on the cross for My people. I could have chosen other means to redeem sinners, but I love mankind so much that I wanted to suffer to show you My great love. I also wanted to offer up My Blood sacrifice to wash away your sins. The offerings of animals has nothing to do with humans. I became a man and died for you also to fulfill Scripture that promised mankind a Redeemer. By one man, Adam, sin came into the world, and by one man in Myself, sin has

been conquered and I have atoned for all sin both in the past and in the future. I give every soul an opportunity for redemption, but all souls have to make a personal choice to accept Me into their lives and believe in Me to be saved. By loving Me and your neighbor as yourself, you are open to be received in heaven. By your good deeds and actions you will be judged worthy of the Lamb to enter into eternal life with Me in heaven. By eating My Body and drinking My Blood in Holy Communion, you will have eternal life with Me. Come to Me all who are burdened with this life, and I will give you eternal rest for your soul. For My yoke is easy and My burden is light."

October 21, 2010
Wednesday, October 13, 2010:
Jesus said: "My people, this serpent engulfing apartments represents how evil people were involved in writing mortgages for overpriced homes for people who could not afford these homes. When these dwellings were not being paid for, the banks or creditors sold these mortgages to Fannie Mae and Freddie Mac who now control them, as they have added five trillion dollars of liability on the taxpayer as part of your National Debt obligations. These toxic assets were absorbed by the government, and they are still financing mortgages. Many people are in foreclosure and some banks are not foreclosing or allowing properties to be auctioned off at a loss. Some are leaving their homes because the house is now worth much less than the original mortgage. Others have lost their jobs, or some had their payments raised beyond their ability to pay the whole mortgage. Such foreclosures are adding more inventory of houses to be sold, and the

condition of these homes are causing home prices to fall. Credit to buy houses has become more difficult to obtain and there has been a decrease in houses sold both new and old. These conditions are causing turmoil in the housing industry. Many people also have lost money on the bonds that used these houses for collateral. Once the foreclosures started, then these bonds and derivatives became junk bond status that no one wanted to buy. This was a created crisis because the creditors knowingly sold mortgages to those people who they knew would not be able to pay for them. Pray that the common man can find a proper settlement so he does not lose his investment in his home because of fraudulent bankers and creditors."

Thursday, October 14, 2010: (St. Pope Callistus I, martyr)

Jesus said: "My people, in the first three hundred years after My birth, it was very difficult for My early followers even to admit that they were Christians. Christians were killed or martyred for their faith if they were discovered. This is why many in Rome hid in the catacombs for protection. The Popes as well in this time faced martyrdom. The Early Christians hid in caves and had their Masses offered in secret caves as well. This time of persecution of My followers will again be coming during the tribulation. The evil ones will be seeking out religious people to kill them, just as in this early period after My death. You will again have to have secret Masses in the homes. As the persecution grows worse, you will need to call on Me to have your guardian angels lead you to the nearest refuge, where My angels will protect you from being killed by a shield of invisibility. These refuges will be at places of My Blessed Mother's apparitions, places of holy ground of My Eucharistic Adoration, monasteries, and even caves as in the vision. This age of the evil Antichrist will last for a short time before I will vanquish him and all

the evil ones into hell. Then I will renew the earth and bring My faithful into My Era of Peace. You will rejoice in My victory over evil and the joy of My Presence."

Prayer Group:

Jesus said: "My people, I am showing you the back door of a home at night because as the persecution starts, you will meet at your prayer groups secretly. By coming in the dark of night to the back door with your car parked down the road, you can still pray together without drawing attention to your meeting places. You may also wish to meet at alternate members' homes so the neighbors do not notice a pattern. This will avoid some persecution, but eventually you will need to go to My refuges for protection."

Jesus said: "My people, thank you for bringing these beautiful flowers to honor Me and My Blessed Mother. I sense a hint of an evil attack as you saw one of the vases tip over. Every time you do something for My glory, there are going to be attacks as you have seen with audio recordings and TV taping. Even if you see such attacks, do not be upset because the evil one's attacks must mean that you are reaching souls to help them."

Jesus said: "My people, your world has witnessed a miracle in that all the miners were able to be rescued from a deep mine in the earth. Various drilling and rescue equipment came from various countries to rescue the thirty-three miners in Chile. This was a beautiful reaching out of various nations. Everyone was very patient while the proper drilling finally located the miners. Keeping these men alive is a tribute to all those involved. This will be a beautiful display of prayers answered that all the miners were rescued. Give praise and thanks to Me that all went well for these men who endured such a long time in the dark. Coming into the light is how graced you are to see Me."

Jesus said: "My people, every rescue of miners is not always completely successful. In some cases only one or a few are rescued. You have seen many die in mines, especially in China. In such disaster cases it is not uncommon that they were a result of careless

techniques and even violations of safety. These deaths result in penalties for the operators and better safety procedures. In other words some deaths could have been prevented if good safety procedures were followed and violations were fixed. Pray for the safety of these miners that they will be protected in the future."

Jesus said: "My people, young children and elderly people need care givers when it is difficult to move around or when little ones need feeding and care day after day. Both old and young people put major demands on the family for time of care and even expenses for medicines and food. Daycare and nursing homes become quite expensive if needed, which is why it is better to have family help where possible. When you care for another person, hopefully you will receive some reward in your heart that makes you feel that your efforts were appreciated."

Jesus said: "My people, as you see how much care is required to help a newborn child reach maturity, you see now how much you need to thank your parents for what they endured for you. Even be thankful if you have children to help you in your old age as you helped your parents. In all cases of care giving, it takes love from the heart to carry out your mission for people. I see all of these struggles and My care givers are truly going to receive their reward in heaven. Even as you help someone who requires your help, you have a warm feeling in your heart that you could contribute to someone's comfort in their need. Pray for your care givers as much as you do for the patients."

Jesus said: "My people, you have seen people in your family or close friends who may need to use your house to live in until their houses can be repaired or the power restored. You have lost electricity to ice storms and the like, and you have been thankful to have backup sources of heating for yourselves and your family. Sometimes you may have to take in your older children until they can get a job to fix their debts. Be open in your hearts to help those in need, even if it is just for a few days. Again, your reward for helping family or neighbors will be great in heaven."

Friday, October 15, 2010: (St. Teresa of Jesus, Avila)

Jesus said: "My people, I have been preparing My faithful for the coming darkness of evil in the tribulation of the Antichrist. Some will be martyred, while the rest will be at My refuges of protection. At a certain point in time, I will bring My Comet of Chastisement to rid the evil ones on the earth during the Three Days of Darkness. Just as the miners came out of the darkness into the light, so in the vision you are seeing My people come out of this darkness into My Era of Peace to greet your King in the Light of My glory. Many people have waited patiently to be rewarded for their faithfulness throughout the tribulation. This coming time will give you hope for all that you are suffering now because you will soon witness My Victory."

Jesus said: "My people, I have warned you in previous messages how the one world people want to reduce the population drastically down to only 500 million people from 6.8 billion people. The quickest way to do this is to use deadly viruses or toxic compounds in the air and water. These could be spread by chem trails or a simultaneous release of germs from all the germ labs all across your country. The tip off that this is about to take place, will be when all of your important people go underground for protection. I will warn My people when the evil ones are about to kill a lot of people, so you will have time to get to My refuges and be protected from any airborne diseases. The viruses that they use will only have a short lifetime, then those, who they want killed, could be removed to start over. The evil ones will have vaccines so they will not be killed. Once the population is thinned out, and they cannot find any more Christians to kill, then the Antichrist will have his short reign. In less than 3 ½ years I will then bring My own plagues and chastisement on the evil people as they will all be cast into hell. Those faithful at My refuges, will be brought

into My Era of Peace and be rewarded for being true to Me."

Saturday, October 16, 2010: (St. Margaret Mary Alacoque)
Jesus said: "My people, I have prepared you for the harsh reality of the coming persecution of the tribulation. This will be an evil that you have never seen before. There will be martyrs, but many of My faithful will be protected at My refuges. This great dawn of Light in the vision is when I will bring a supernatural intervention of My victory over the evil ones. My angels will bring plagues against only the evil ones. This will be the dawn of My Era of Peace when I will bring down a new heavens and a new earth, and all the evil ones will be cast into hell. This will be a time of great joy for My faithful remnant as they will have their reward for being faithful to Me. Have no fear of the coming evil because My victory is not far off."
Jesus said: "My people, during the tribulation there will be tabernacles and monstrances at every refuge. I have also asked My people to set up around the clock Adoration hours so I will always be with you in My Blessed Sacrament. Adoring Me and praying to Me will prepare you for the day when you will come to heaven. I have even told you to have a traveling monstrance so you can share My Real Presence with various refuges that you will visit. Just like you travel around to various churches on Holy Thursday, so you will be traveling to multiple refuges guarded by My angels. These visitations will lift the spirits of the faithful at My refuges when you come there. Be joyful that My angels will give you daily Communion if you cannot have a Mass. At My refuges you will have spiritual Manna of My Real Presence, which is better than the physical manna of the old Exodus."

Sunday, October 17, 2010:
Jesus said: “My people, you have seen the miners being brought up out of a deep mine in Chile by a miracle drilling. This life of men coming back to their loved ones is a sign of the vision with the flowers coming up out of a hole. This coming to life again can also be seen on a spiritual level. When you live in mortal sin without confessing your sins, you are in the darkness because your soul is dead to Me. It is only by conversion by a miracle of grace or by prayers of your relatives that a soul can be brought back to spiritual life in My grace. Once your soul is again blessed with My grace and made clean of your mortal sins by absolution, then you will have rest in My love. Your constant seeking for peace can only come through Me, when you are satisfied in My rest. Keep close to Me in your daily prayers, and you will have My protection from the temptations of the devil. Treasure My love, and you will not desire to offend Me in any way by your sins.”

October 21, 2010
Monday, October 18, 2010: (St. Luke)
Jesus said: “My people, in this world of sin, a soul has to be discerning of the proper behavior to follow. If many of your friends are having pre-marital sex, it does not make it right by My law. If many of your friends are taking drugs or getting drunk, it also does not make it right by My Commandments. Just because you want to have people accept you, you do not have to follow their sinful behavior. This is how some people get attached to the wrong crowd which can lead them into trouble in their spiritual and physical lives. Even some parents can mislead their children into sex before

marriage, drinking, drugs, and swearing. Every soul is given a conscience and certain behaviors have a wrong feeling that is your first warning of sinful behavior. This is why it is important for each soul to have a properly formed conscience to know right from wrong without any rationalizations. Do not just think because some friends are doing sinful behavior that it is permissible against My laws. Every soul has to stand in judgment before Me, and performing sins against Me because you thought everyone was doing it, will not make it right. You will still have to make reparation for your sinful behavior. So it is important to properly discern any of your actions by seeking My approval. Test yourself before you act. You have many temptations to commit sin every day, and one of the devil's favorite traps is that everyone is doing it. But it is not right to follow sinful behavior for any reason."

Jesus said: "My people, in normal weather the weather people have plenty of time to forecast bad weather coming, in order to warn people to get under cover. It is when the HAARP microwave machine is used that you can see very quick violent weather appear all at once. In these cases as with tornadoes and hurricanes, the winds can change direction rapidly and put many people at risk. When bad weather persists or gets very violent, it is most likely when the HAARP machine is being used. Russia also has several of these machines and they could be enhancing storms in the Pacific Ocean. These machines can be used to cause various natural disasters which can be used against the one world people's enemies, or for causing emergencies to justify martial law. Pray for My protection from these evil ones in all of their evil plans."

Tuesday, October 19, 2010: (St. Issac Jogues & St. John de Brebeuf)

Jesus said: "My people, many billions of taxpayer dollars are being

spent every year on weapons and service pay for running constant wars as in Afghanistan and Iraq. The only ones benefitting from this money are the arms builders and the one world people who profit from these sales. These weapons quickly become old, and they need servicing in harsh environments. There is truly no need for constant wars for the rich to grow richer at the taxpayer expense. These wars are made up from the beginning, and peace should be prayed for instead. There is too much fraud and corruption going on in your big government programs, especially in the Defense and Security Departments. Both parties try to solve all of your problems by spending more money on unnecessary solutions without balancing the budgets to what taxes are collected. Without some control over your spending, your government could be bankrupted by your inept leaders."

Jesus said: "My people, you are familiar with how spiders make webs to trap insects for eating them. You also see how carnivorous animals lay traps to kill their prey. Man also lays traps to catch animals either for food or furs. In the spiritual world every soul has to deal with the snares and temptations of the devil. The devil has angelic powers of cunning that are beyond your powers, but your guardian angel is present to help you, if you take your angel's advice. Obvious temptations may be easier to ignore, but subtle temptations that have some good, can be more deceptive to cause sin. The devil's easier ways to get you to sin are through your weak habits. Sins that you commit often are harder to stop. Be on the alert for how the devil tries to lead you into habitual sin. Avoid places or things that lead you to sin. By being prepared in recognizing your weaknesses, you will be stronger in resisting the devil's temptations. Call on My help, your angel, and the saints to help you in avoiding sin. By prayer and frequent reception of My sacraments, you can better fend off your daily temptations from the devil."

Wednesday, October 20, 2010:
Jesus said: “My people, you remember vividly how desperate the people in Chile were to get the miners up from an explosion in a mine that was several thousand feet into the earth. It was a huge responsibility to drill a hole in the rock in order to get to the miners. It took several drilled holes to find them and get them out. Others had to get communications, air, and whatever else that could be sent down to them for over sixty days. The point I am making for everyone is that the more responsibility that you are given, the more will be expected of you. This is true both in your physical life, and in your spiritual life. You may be the head of the household, and your family is depending on you to hold a job and support them by providing food, clothing, and a shelter. You may also be the prayer warrior of the family and others in the family are looking up to you for spiritual guidance, and helping them save their souls. By encouraging them in Sunday Mass attendance, monthly Confession, wearing a scapular, and praying a daily rosary, you can do what you can to bring them to heaven. It is not easy to carry such heavy burdens of responsibility to save souls, but those, who have been given talents and a gift of faith, need to fulfill their missions with My help. Have trust in Me, and My faithful remnant can help many souls to avoid hell and come to heaven to receive My reward.”
Jesus said: “My people, for many months American tactics in Afghanistan have used drone reaper aircraft to seek out terrorist leaders and send missiles to kill them. This has occurred even into Pakistan safe caves. These tactics have infuriated Pakistan officials and the Arab terrorists. As a reprisal, there are plans to send assassins to whatever country they can in order to attack American leaders.

Your security people should be prepared for these reprisals against your leaders, especially in foreign lands. When these attacks start, there will be many attacks going on simultaneously to use the element of surprise. These terrorists have been under siege from your missile attacks, so it is understandable why they are striking back at your leaders. Pray for the safety of your leaders, but all these things are done in war. Pray also that peace could come to stop these open ended conflicts."

Thursday, October 21, 2010:
Jesus said: "My people, in today's Gospel I was telling the people that some of them would believe My message of love, but others would reject My words. I am all loving, and I love everyone, both the good and the bad. What was difficult for My listeners is when I asked them to love their enemies, and to share what they had with those who are poor or in need. I even encouraged My faithful to evangelize souls to save them from hell. Many have trouble with loving their enemies, forgiving those who harmed them, and sharing their means with others. It is those people who are against My words that will give My faithful resistance and could divide people. The devil also enhances any division by planting false teachers among My faithful to try and confuse the message of My faithful. Avoid those, who teach New Age or a false faith, and cleanse them from your members. If you can evangelize unbelievers, then accept them, but if they refuse to believe, then they are better to be left out of your faith community. Those, who love Me, are in My sheepfold, but those, who do not believe, will be scattered."
Prayer Group:
Jesus said: "My people, there are only a few in control of your media on TV, radio, and in your newspapers. Your media is so censored and

controlled because the owners can dictate what is said, or else your job is removed. You have an artificial political correctness that favors only a select number of liberal groups. Any negative comments on other groups, as Christians, does not seem to matter. As you see more persecution of Christians coming, this group will be singled out for attack as Hitler treated the Jews. Your freedoms will be diminishing as you are picked for persecution."

Jesus said: "My people, many of the current Democratic office holders have been upset by the latest 'tea party' opposition to their politics. They cannot score points with a truthful debate, so they have resorted to dirty politics by creating scenes that are trumped up to make their opposition look bad. They infiltrate organizations with radicals to make the tea party groups appear in a bad light. The people can see through these dirty tricks, and they are supporting those in favor of reduced spending. This election year will be a turning point if America can be put back on the right track. Pray for the morally correct candidates to be elected."

Jesus said: "My people, because of your low bank rates on deposits and the bank bailouts from the taxpayer, many banks are making record profits, while foreclosures continue and people are losing their homes. The banks are making big money at others' expense. Your large corporations, after laying off thousands of workers, are also making huge profits from shipping jobs out of the country. The rich are getting richer, but the man in the street has less income and is getting poorer each year. This injustice will be repudiated when I return to cast the evil rich people into hell. Endure your trials for awhile until I can bring you into My Era of Peace."

Jesus said: "My people, there are evil forces at work in your evil secret societies that are controlling all the governments of the world. Satan is directing the leaders of these one world groups because they worship Satan. This is why you are dealing with so much evil in your society starting with your many abortions. They direct your death culture, and they control your money sources. They direct what laws

will be passed to continue their control. Do not judge these evil ones because My justice will come to them in the end."
Jesus said: "My people, in the last Sundays after Pentecost you will see more readings of the end times that describe the coming Antichrist in the tribulation. Many Protestant groups talk of the end times in the Book of Revelation, but only a few priests are brave enough to talk about the end times. These end time readings are the preparations for the coming tribulation which I have given you in My messages. They are real and present to you as you see the signs all around you. You can have some Bible Study on the end time preparations so you will be ready to leave for My refuges of protection."
Jesus said: "My people, every year you see many Halloween ugly costumes and trick or treat parties that seem to encourage witches and goblins. These are almost like evil rituals, but they use children and candy treats to make it sound appealing. Sharing some candy is one thing, but you do not have to encourage any evil influences. It is better to focus on All Saints' Day than honor an evil feast day."
Jesus said: "My people, every year in November you give proper respect to all of those who have died during the year. You have All Saints' Day to honor those who have passed to heaven, and All Souls' Day for those who may still be suffering in purgatory. When people die, do not assume that every soul goes directly to heaven. For the most part many souls require some purification in purgatory before they can come to heaven. This is another reminder to pray for any of your family members who still may need your prayers to get out of purgatory. Having Masses said for the deceased will help them the most. Also pray for the souls who do not have anyone to pray for them."

November 4, 2010
Saturday, October 23, 2010: (St. John of Capistrano)

Jesus said: “My people, as you came into church, you could see the lines for Confession before Mass. Today’s Gospel also speaks of repenting for your sins. You know that I came as a man to die on a cross as a blood sacrifice for all the sins of mankind. Every Mass is an unbloody re-enactment of My sacrifice because you receive My Body and Blood at Communion time. It is important that whenever you receive Me in My Eucharist that you receive Me in the state of grace so you do not commit any sin of sacrilege against My Blessed Sacrament. To keep your soul clean in order to receive Me worthily, you should have your sins cleansed in Confession at least once every month. When the priest gives you absolution, your sins will be forgiven and My grace will be restored to your soul. Even before you enter the confessional, you should make a good examination of your conscience so you can recollect any sins that you have committed since your last Confession. When you come out of the confessional, remember to pray your penance and any other prayers of thanksgiving. By staying close to Me in Confession and receiving My Blessed Sacrament often, then you will be strengthened to endure your daily temptations of the devil, and help evangelize souls for heaven. When you see so much evil in the world, you need to strive to save as many souls as you can from hell with My help.”

Sunday, October 24, 2010

November 4, 2010
Sunday, October 24, 2010:
Jesus said: “My people, My love for all of you is overflowing as My graces are poured out on you from this vision of the cornucopia, or some call it a horn of plenty. Even when you come to Me in prayer, I am always ready to answer your prayer. I have said: ‘Ask and you will receive, knock and the door will be opened for you.’ In the Gospel parable it is better to come to Me as the tax collector who came humbly into My presence. All the saints felt that they were unworthy

in coming to Me. The Pharisee was commendable in what he did, but by bragging and belittling others, he offended Me with his self righteousness. In the end those who exalt themselves will be humbled, while those who humble themselves will be exalted. When you come to Me in prayer, have trust that I will hear and answer your prayer in what is best for your soul and the souls who you are praying for. Give praise and thanksgiving to Me for all the physical gifts that I send to you, and all the graces that I give you for your spiritual protection."

Monday, October 25, 2010

November 4, 2010
Monday, October 25, 2010:
Jesus said: "My people, there is a battle of good and evil going on all around you every day where both sides are fighting for souls. You may find yourself in some churches where they teach New Age principles, and they belittle My Blessed Mother's rosary. Beware when anyone teaches heretical facts against the faith. If someone teaches that Bible stories are myths, if they teach New Age worship and Reiki, or they teach that sexual sins are no longer sins, then you need to stand up and witness against such teachings. You may get persecuted and put down because some clergy think that they are more intelligent than you are. My laity will save My Church from such clergy that teach heresies. If you cannot change this heretical teaching, then move to a church that teaches correctly. This is another sign that the division is coming soon in My Church where the schismatic church will be separated from My faithful remnant. You eventually will be forced to have Masses in the home if you can find a faithful priest. The persecution of Christians will get so bad with some being martyred that you will then have to call on Me and your guardian angel to lead you to My refuges of protection. When you are confronted by heretical teaching in the religion classes, you also should speak out against such errors. Even if they throw you out of

such classes, at least you have warned the people of false teaching. Do not let those teaching heresies go unchallenged when you know they are teaching against My Church laws and My Commandments. You will be rewarded in heaven for defending the faith. But those who do nothing against heresies could suffer in purgatory for condoning such lies by their inaction. Pray for My discernment in all that you hear from the pulpit and in person, and let the Holy Spirit speak through you to answer such heresies."
Jesus said: "My people, in the Gospel I healed a woman of a demon who had been torturing her for eighteen years, and still I received criticism for healing her on the Sabbath.(Luke 13:10-17) Demons even today are torturing people with various addictions from drinking, drugs, gambling, computers, smoking, and overeating. People have various weaknesses to sin and some of these tendencies are inherited. Most all of these excessive addictions are associated with demons. In order to heal these addictions, the first step is to admit that you have a problem, and the second step is to desire to heal your addiction. In all cases you need to pray for a healing, and have faith in Me that you can be healed. If you cannot heal your addiction on your own, then you may need counseling or a withdrawal from what is causing the addiction. Prayers, healing from healers, exorcisms, or miracles can also help in healing addictions. The price of removing an addiction could be high and it could require persistent prayer and fasting over some years. Even Mass intentions could help remove the demons. By realizing that demons are attached to addictions, then you can see that this is a spiritual battle to win with My help. Never give up on any healing, and be persistent in your prayers for any person with an addiction."

November 4, 2010
Tuesday, October 26, 2010:

Jesus said: “My people, in St. Paul’s day the husband had more authority as the head of the household, which is why in the first reading he asked the wives to be subordinate to their husbands. He also said that husbands should love their wives as I love My Church. The family is the unit of the fabric of your society, but there are many attacks on the family from divorce, living together, and unnatural marriages that have split families. Now only a third of households are husband and wife. When your society breaks down in its morality, your country is also headed to ruin as well. Abortion and birth control are further signs of a disrespect for life and the poor care of children. Your society is more focused on lust, pleasure, and comforts. This is why sin is rampant in your society, which will bring your destruction. The family needs to be supported as an ideal for living instead of a tradition that some want to discard as old fashioned. America was great when it recognized Me in your documents, but now that you are turning your back on Me, your greatness will fall.”

Jesus said: “My people, I showed you a leaning tower and all the dimensions and forces that were necessary to cause the tower to fall. At a certain angle, gravity would cause the tower to accelerate toward its fall. America, with its internal moral decay, is already reaching past the point of no return. This means that the evil you see today, is accelerating at an ever increasing rate until you will enter the evil of the Antichrist’s tribulation. Do not give up hope because evil will grow worse before I come to vanquish all the evil ones. Instead, call on My grace of protection by help from My angels, and they will lead you to My refuges. My refuges will be your safe havens from those who will be trying to kill you. Some will be martyred for their faith, while the rest of My faithful remnant will be safe at My refuges. Do not worry, but have trust in Me, even when the persecution will get much worse than now. Evil will have a short reign before I will intervene and cast this evil lot into hell. I will then renew the earth and bring My faithful into My Era of Peace.”

November 4, 2010
Wednesday, October 27, 2010:
Jesus said: “My people, whenever you see a dark cave as in the vision, there is always some uncertainty as to whether there are animals present or not. When you are led to caves for protection, you will need your windup flashlights to see into the darkness. Your angels will protect you even from any threatening animals in the caves. Caves can be cold and moist, so it would be a good idea to set up your tents in the caves for warmth and some protection from any moist ground. You may need to stay closer to the opening for air to breathe and some daylight. There is also spiritual darkness in life that also needs My Light of grace to take away any fear of the evil around you. Trust in My leading you through the trials of this life on earth. Without Me you can do nothing, but with My help you will have direction and purpose to your mission in life. At times you are tested in your faith, but by trusting in Me, you will find the right path to My Kingdom in the Gospel reading, where I will open the door to My faithful.”
For Carl: Jesus said: “Marion sends you her love (to Carl) because you need some comforting in her passing. She will be in purgatory a short time as the Masses will bring her to heaven. She will be watching over Carl and praying for his help in this time of mourning. He can call on her as an intercessor for prayer requests. I see her looking down on her old home on Shale Drive. She was very happy to have John and Carol as neighbors for so long, and she thanks the two of you for your love and your friendship.”
Jesus said: “My people, this election will be a chance for voters to vote against all of your president’s socialist agenda. His ‘change’ has given you a health plan that will eventually demand computer chips in the body. He has helped close many banks under the FDIC. Many large banks were bailed out, and many toxic assets are a taxpayer liability with the takeover of Freddie Mac and Fannie Mae. Two car

companies were taken over and many large deficits were put in place with little accounting for how the money was spent. The high unemployment rate is still a result of the one world people's plan to eliminate all manufacturing in America. This has been carried out by your large corporations who have exported many jobs to China, India, and other third world countries. If this trend is not stopped, America will have only the rich and the poor with no jobs for the middle class. Without good incomes, there will be less taxes to support your growing welfare state that will collapse under its own weight of debts. Your finances are close to bankruptcy, even if your Federal Reserve buys more worthless Treasury Notes. The dollar is artificially controlled, and its true value is rapidly decreasing as measured against commodities and other currencies. Once your bankruptcy is completed, then you will see your takeover into the North American Union. Martial law will be declared and I will warn My faithful when it is time to leave for My refuges to avoid being killed by the one world armies. Be prepared for the coming tribulation both spiritually and physically. Once you see the Antichrist come to power, then you know that My coming is near when I will defeat these evil ones."

November 4, 2010
Thursday, October 28, 2010: (St. Simon & St. Jude)
Jesus said: "My people, this hole in the vision that grew deeper and deeper, refers to America's problems both physically and spiritually. You are digging a deeper hole in financial debts with your rapidly expanding deficits which are also challenging the value of your dollar currency. A deeper hole in debt threatens not only your current standard of living, but it even threatens the future of your children who will be paying the interest on the higher National Debt. If these debts get much worse, there is a chance of bankruptcy of America, and a disruption of your whole money system. Spiritually, you are

also digging a deeper hole where your sins are outweighing the prayers and good works being done by your people. Corruption in your government and business world has been driven by greed and the desire for power by the one world people to take over your country and turn you into their slaves. My justice will be bringing My punishment upon your nation, just as Israel was exiled for worshiping other gods. Unless your people repent and change their lives for the better, America will bring its own ruin upon itself."

Prayer Group:

Jesus said: "My people, many of your flowers and vegetables have had an even longer growing season without having a frost. The changing leaves and mums are still adding color to your landscape before winter descends on you. When you have the bright sunshine on your changing leaves, the colors are bright and vivid as well. You have captured some fall beauty in your pictures. Thank you for those who dress the altar to give Me glory from the beauty of My creation."

Jesus said: "My people, some will be happy when all the signs and ads stop after your coming election is over. Some have been encouraging the voters to change the current socialist government that is being forced on you from the current administration. Some politicians predict a change in the seats of your Congress, but the vote still has to be counted. Every election year is an opportunity to change your country's direction to a better position on the moral laws of your government. Your abortion laws need to stop abortions, and your death culture needs to be changed. Pray for the candidates who are morally right to lead your country. Your people need to do their civil responsibility to get out and vote for the right candidates."

Jesus said: "My people, if your voters do not stand up to the current left leaning Congress, then socialism will take away your remaining rights. Fight for your Constitutional rights, or you could even see your sovereignty rights taken away when you could be forced to accept the North American Union. Vote for those candidates who will rein in your deficit spending so your budget could become balanced."

Jesus said: “My people, the Congress people in office are afraid to run on their voting record when it is exposed, which is why they do not want to debate the true issues. Instead, they have focused on negative ads in great quantity hoping to put the ‘Tea Party’ opposition in any bad light they can. They even produce false stories in their favor because the media is very liberal in its portrayal of news events. See through these made up stories and the censored news that you have to tolerate every day.”

Jesus said: “My people, because of your media blackout on the important issues of your government, you are not finding out how corrupt and even ruthless your Congress is in forcing legislation on you that is not even read or examined. These bills being pushed through are against your freedoms, and that is why these corrupt politicians do not want you to know what is said in the hidden lines of their bills. Pray again for your voters to root out this leftist corruption that is stealing away your Constitutional rights.”

Jesus said: “My people, All Souls’ Day should be a day of obligation for all Catholics to come to Mass. The less you abide by My Church laws on days of obligation, the harder it will be to have My faithful follow other Church laws. There are only a handful of such Holy days celebrated for the whole year. It is also fitting that you honor all the saints who have struggled through trials and sufferings to gain their crowns in heaven. Pray for the souls in purgatory and pray to My saints as intercessors for your petitions.”

Jesus said: “My people, as the leaves fall from your trees, they are littered all over your lawn which makes it look untidy. When you rake up the leaves, your lawn looks cleansed just as when you come to Confession and your sins are cleansed from your souls. Even at times you may feel like you are evangelizing souls as you rake your leaves and bag them. Reach out to all souls so you can help them to avoid going to hell. You would much rather see souls being taken up to heaven than burning in the flames of hell.”

November 4, 2010
Friday, October 29, 2010: (Bishop Clark's Mass for 43rd Holy Name Anniversary) Jesus said: "My people, the people of this church have been blessed by My Presence for forty-three years as you are seeing My Blessed Sacrament exposed on the altar in the vision. All of My churches have been under attack to be closed. The churches that are still surviving, are a tribute to the parishioners and the pastors of those churches. You have been blessed by a strong pastor who is working hard to keep your church open. Give thanks and praise to Me because My sacramental Presence is what makes your churches holy. It is difficult to suffer the closing of many churches, but it is a sign of how lukewarm many Catholics have become in their faith. Once people stop coming to Sunday Mass, then your faith community is weakened by that loss. Pray for your church members to be strong in their faith, and that they will work to support your church and your pastor in all that is needed to keep your church open. This is one more battle that you face in the temptations of spiritual laziness. Pray that your people will keep strong in their prayer life, and receive My sacraments often."
Jesus said: "My people, there are predators looking to make money on people in all walks of life. You have seen many scams on Wall Street that have stolen people's life savings. These evil people have greed and a desire for power in their hearts and souls. Many kinds of fraud are usually found out and captured, but some get away with their theft. I see all of their evil deeds and they will have to stand before Me in judgment. The difficulty is how do My people deal with such evil minded people. There are various ways to steal people's identity, and everyone is vulnerable to such attacks. The best that you can do is to make it harder for evil ones to access your information. In the end you have to deal with any losses, but losing money is not the end of your life. Money and possessions can be replaced to some extent, but it is

your soul that is more important to guard. This is why you still have to love everyone despite their imperfections. Do not let such losses affect your love relationships, but try to reconcile any problems and move on with the rest of your life."

Saturday, October 30, 2010:
Jesus said: "My people, this crown of thorns over My cross represents how My Blessed Mother shared all of My sufferings as I died on the cross. It is very difficult to see your son so brutally crucified, even when I committed no crime. But My Blessed Mother knew that I had to suffer as a price for the salvation of all of mankind's sins. This is why My Blessed Mother can console anyone who has suffered the loss of a loved one. Pray to My Blessed Mother as an intercessor for your petitions because I listen closely to her requests. Wherever you see Me, My Blessed Mother is with Me because our two hearts are always united. My Blessed Mother watches over her children as she loves Me, so let her mantle of protection be always at your side. When you pray your rosaries for her intentions, she will always have My ear to hear them."
Jesus said: "My people, there are various orders of priests and brothers who are called to be missionaries and help convert souls to the faith. Some Franciscans pray and work in monasteries. Some Redemptorists give missions or retreats for the people. Some Jesuits go to other foreign countries to win souls to the faith. I even send various messengers out to share My Gospel of love, but also some to prepare refuges for the coming tribulation. I told you before as the time of tribulation grows close, that many messengers will be receiving more messages about refuge preparation. As the persecution of Christians will grow worse, My faithful will need My refuges for physical and spiritual protection. I call all of My faithful in addition to

those mentioned to go out and evangelize souls to the faith. Some will be converted for the first time, while the lukewarm need to be re-converted."

Sunday, October 31, 2010:

Jesus said: "My people, when people speak of the end times, they think of it as long off beyond their lifetime without any concern. It is true that I have told you to carry on with your mission and not just to stop and wait for the end to come. I have also told you not to have fear of the end times, and to trust in My protection. On the other hand, I have reminded you several times that these events will happen in your lifetime, so you need to be prepared for what to do. You need to be like the five wise virgins who had extra oil for their lamps, and they were prepared for the Wedding Banquet. Since you do not know if I will come tomorrow, you need to have your soul ready to meet Me at the judgment on any day by frequent Confession, at least monthly. Your mission is also to warn people to have their backpacks, blankets, and tents ready now for when you will need to leave for My refuges. It will be at My refuges that you will be protected by My angels from the evil ones who will be trying to kill you. These refuges will be at My Blessed Mother's places of apparition, places of holy ground, monasteries, and caves. When I warn you that it is time to go, call on Me and I will have your guardian angels lead you to the nearest refuge with a physical flame. You will have to leave quickly, preferably at night. Be thankful that I will be protecting you, and that you have been given information on what to take, and how you will be living away from your homes in safety. So do not take the end times lightly because with your eyes of faith, you are seeing all the signs now that are leading up to the Antichrist's takeover."

Monday, November 1, 2010: (All Saints' Day)
St. Therese said: "My son, I am happy to guide you in your work for My Jesus. Do not be upset at any of your unintended mistakes in judgment. Make amends with anyone that you may have indirectly harmed and move on with your work and prayer. Do not let the devil use these impediments to discourage you from your work in any way. In considering doing another DVD, you know the attacks that you received in your previous DVD. You know my Novena for help, so call on my prayer as an intercessor to protect you from any spiritual harassment in this effort. The more you pray at the beginning of your work, the easier it will go for you. Keep me in mind in your prayers and I will be watching out for you and protecting you."
Jesus said: "My people, there are two ways that the one world people could pull off a takeover without using viruses to kill a lot of people. One way would be to turn off the electric grid which would stop gasoline pumps, some factories, many communications, water pumps, refrigerators, banks, computers, televisions, and regular lighting. No electricity would cause people to live a much simpler life with little travel. Another means that could send your technology back to the 1920s is an EMP (Electromagnetic Pulse) attack either from bombs or EMP weapons. This attack would stop your vehicles from moving and it would destroy all of your microchips that run computers and many of your appliances. If the electricity was turned off, it could be restored at any time by the one world people who want to take over. If an EMP attack was used, computers and chips would have to be stored deep underground so they could restart a society later under the one world control. In either case, My faithful could seek My refuges for food and shelter without any need of electricity or chips in order to survive. You have become dependent on many electrical comforts that you will have taken away from you when it is time to go to My refuges. Be prepared to live a much more rustic life with a lot less comforts that you have today."

November 4, 2010

Tuesday, November 2, 2010: (All Souls' Day)

Jesus said: "My people, you know of My mercy in saving souls from hell, but you also know of My justice where only pure souls can enter into heaven. As your priests mentioned, there is My forgiveness of repentant sinners, but there also is reparation for those sins that needs to be satisfied in some way as well. Some do their reparation or suffering on earth to save them time in purgatory. Others need to be purified in purgatory. Even in purgatory there are two general sufferings. The lower parts of purgatory suffer from the burning flames as in hell, and they cannot be in My presence, but they are promised one day to enter heaven. These souls are spirits only, and they can sometimes communicate with the people on earth. The upper parts of purgatory are not suffering the flames, but they are in a grey, dingy area, and they also cannot be in My presence. These souls see each other, but they cannot comfort each other. Time in purgatory is no longer relevant because these souls are outside of time, and their suffering seems longer. Once you have a sense of how much these souls suffer, then you want to help alleviate their time there. My faithful can pray for these souls to lessen their time, and Masses said for them are an even greater help. Some souls have to suffer a minimum time in purgatory before your prayers can benefit them. So in your daily prayers, do not forget to pray for the release of souls in purgatory, especially those in your own family who may still be suffering there."

Jesus said: "My people, you have heard and have been given messages about many underground cities that were built to protect the one world people. One message, that has been given a lot of press, is about a massive corona discharge that could kill a lot of people with particles from the sun. While this is possible, your research has shown

it to be improbable. Protection underground could more likely be needed if there were riots over food shortages, massive EMP attacks that would set off a martial law, or a very deadly virus attack that would reduce the population. Just as the one world people will seek these underground cities, so My faithful will need My protection at My refuges. There, I will shield you from the one world armies, bombs, EMP attacks, virus attacks, or attacks from the sun. Whatever means that the evil ones will use for a takeover, My angels will protect My faithful at My refuges. So have no fear of the evil ones as I will be guarding your bodies and your souls."

November 18, 2010
Wednesday, November 3, 2010: (St. Martin de Porres)
Jesus said: "My people, I have told you at My refuges how I will provide the food for you by allowing deer to drop dead in your camps, as in the Exodus when the quail dropped dead in their camps. It will be the responsibility of your community to bleed and hang the deer, as well as using your deer knives to cut them up. Once prepared, then you are seeing deer parts roasted on a fire with a turning spit in the vision. You will have shelters and food provided, but you will need to clean, make beds, wash clothes, and prepare food as in past days without your modern appliances. This rustic living will keep you more focused on Me in prayer while you are protected from the evil ones. Give Me thanks and praise for how I take care of your needs even now."
Jesus said: "My people, I have warned you that the one world people have been secretly producing one virus scare after another. The most recent H1N1 virus of Swine Flu was designed to be highly contagious, but it was not very deadly. The interesting part is that the one world people wanted everyone to take their Swine Flu shot and the seasonal flu shot together. I have encouraged My faithful to avoid taking any

flu shots because this will be the method to make everyone susceptible to the deadly pandemic virus that they plan to release by the chemtrails. You have seen on TV programs and on the internet how there are hundreds of secret germ labs all over your country. It is a fact that AIDS and other viruses were made and released for the purpose of reducing the population. This is part of the death culture led by Satan. I will warn My faithful to go to My refuges before this pandemic virus will be released. By looking on the luminous cross and drinking the healing spring water, My people will be healed of any viruses that the evil ones are working on. Have no fear of these deadly viruses because I will shield you from them, but the evil people will reduce the population to some extent according to their evil plan. Trust in Me that I will cast all of these evil ones into hell, while I will prepare My Era of Peace for My followers."

November 18, 2010
Thursday, November 4, 2010: (St. Charles Borromeo)
Jesus said: "My people, in today's Gospel I gave two parables about finding a lost sheep and a lost coin to emphasize how heaven rejoices over every repentant sinner. In order to repent, souls have to make an act of their free will to be sorry for their sins and seek My forgiveness. I want everyone to love Me, but I do not force Myself on you. It is your free will to love Me or not, but when love is shown freely, this is cause for celebration. The rainbow in the Old Testament was My covenant with man that I would never destroy life on earth with a flood ever again. It is this covenant that I am emphasizing in the vision when I died for your sins on the cross. For those, who repent of their sins and follow My Commandments, I will offer them eternal life in heaven. There may be some purification needed on earth or in purgatory, but I will keep My promise of My reward in heaven for My faithful. When souls enter heaven, there is even more rejoicing when

they receive their crowns of glory in My eternal presence."
Prayer Group:
Jesus said: "My people, your elections have sent a strong message to the Democrats that the people are against them for taking their freedoms away, and for their socialist policies that have enabled government to grow more into everyone's lives. The largest requests were for less spending, reduced deficits, and help with getting jobs for people. Some parts of your society were against the Health Law that will raise costs more than lower them. Some want various health insurance coverages, but no one wants to pay for them. Now that the elections are over, it will be a challenge for all those who were elected to make some hard choices."
Jesus said: "My people, you saw in the original Health Bill a place indicating that chips in the body would be required for insurance benefits. This is the ultimate plan of the one world people to force mandatory chips in the body on everyone. These officials will mandate a National ID with a smart chip in it. This will be the first stage, and then chips in the body will be demanded so you do not lose your chip identification. Remember to place aluminum foil over all chipped documents to protect against identity theft and prevent tracking. Refuse to take any chips in your body because they will control your mind. When this comes, leave for My refuges."
Jesus said: "My people, this 'Quantitative Easing' of your Federal Reserve to buy $900 billion worth of Treasury Notes is a disguise to purposely lower the value of the dollar in the name of boosting the economy. They already have bought $1.8 trillion worth of Treasury Notes the first time, and this did not help that much. This is purposely increasing the National Debt with no promise that it will stimulate the economy. This action places America one step closer to bankruptcy which is the real plan for a martial law takeover. Many of these massive spending plans were never voted by the people, but they were forced on you by the one world people. Stimulus spending and bank bailouts have helped only the rich, but they are mortgaging your

children's future. Pray that the deficit spending, stimulus spending, and other useless spending could be brought under control before America becomes bankrupt."
Jesus said: "My people, there is considerable Masonic influence behind the scenes that is controlling your government, even from the roots of the Masonic symbols in Washington, D.C.'s design. It is not by accident that most all the Cabinet posts are given to one world controlled people who belong to the Council on Foreign Relations, the Bilderbergs, and the Trilateral Commission. This is why neither party will change the one world people's plans because their people are always in control with puppets leading your country. Pray for true freedom through your representatives, and not just the following of orders from the one world people and Satan."
Jesus said: "My people, the one world people brought about the European Union with no votes from the people. Now, your recent Presidents have supported and expanded your North American Free Trade Agreement (NAFTA). This is the path to forming the North American Union that combines America, Mexico, and Canada. This plan will take away your sovereignty rights and let these one world people make you into their slaves. Fight against this union that will put you closer into the Antichrist's power. Once this union is formed, you will need to leave for My refuges."
Jesus said: "My people, you are aware that your government's largest budget item is for your Defense Department which pays for your military people and their weapons and bases. Here again the one world people cause constant wars so your military people are never home to defend their own people, and your deficits are increased. This is one more means of worthless spending to bankrupt your country. Wars never have winners, but the rich prosper on the weapons' sales. Pray for peace and more control by the people over any choices for war."
Jesus said: "My people, on the surface it appears that the Republicans have taken back many seats that were lost because the people were

tired of your previous President's wars and deficits. Now the new 'Tea Party' faction wants Republicans to turn back to their principles against deficits and a return of their lost freedoms. Without a serious change in their policies, there may even be another formation of a third party. Pray for more reasonable spending, and policies that are for the people and not for the ruling one world people."

November 18, 2010
Friday, November 5, 2010:
Jesus said: "My people, your current military weapons have some serious consequences if they are fully deployed. Some weapons can melt metal tanks, some lasers can inactivate incoming missiles, while some EMP (Electromagnetic Pulse) weapons could paralyze whole cities or armies that use microchips in their equipment. EMP weapons can simulate the effects of neutron bombs. Their powerful rays can destroy microchips that would stop vehicles, computers, and any appliances that use microchips. Modern armies rely on microchips to run vehicles, target the enemy tanks, and many guidance systems for missiles. If EMP weapons were used, aircraft carriers and whole armies could be neutralized. If these weapons fell into the wrong hands, America's existence could be changed back to old technology. None of these weapons could harm My faithful at My refuges, so My protection is far superior to any of man's weapons. Be aware of your military's capabilities, but remember that I have a greater power than all of these evil ones. In the end My power will triumph over the Antichrist and Satan, as My faithful will be rewarded in My Era of Peace and then into heaven."
Jesus said: "My people, this vision of a priest standing before the Ten Commandments, means the priest in his homilies needs to emphasize the need for frequent Confession. You are all sinners and are in need of My forgiveness. Some rationalize their mortal sins into venial sins,

and think they do not have to go to Confession. Even if you only have venial sins, you should make a practice of going to at least monthly Confession. There are many preparations for Confession to examine your conscience for your past sins. Unless you come to Confession, you do not have My absolution that forgives your sins and restores grace to your souls. My priests also need to warn the people that if they have mortal sin on their souls, they should not receive Me in Holy Communion because they would be committing another mortal sin of sacrilege. My priests should also emphasize that I am truly Present in My Body and Blood in every consecrated Host, and the people need to genuflect to My tabernacle on entering and leaving My church. By confessing your sins and giving honor to My Blessed Sacrament, you will have sufficient graces to protect yourself from the devil's daily temptations."

November 18, 2010
Saturday, November 6, 2010:
Jesus said: "My people, there are many people in your society where their greed for money, power, and possessions have turned them into money worshipers instead of worshiping Me. It is bad enough to be addicted to wealth and power, but it is even worse when the rich steal money from the people in planned stock crashes, and from the taxpayers who have bailed out their losses. Your financial crisis has been purposely manufactured by the financiers of Wall Street in order to steal money from innocent investors. Now the central bankers of your Federal Reserve want to lower the value of your currency until it is worthless, so they can replace the dollar with the amero of the North American Union. I have warned My people of the rich elites that are planning a bankruptcy of America for the takeover of your country through martial law. Once they strip you of your dollar's value, then they will try to force mandatory chips in the body. When

you see this collapse of America and the riots that will follow, refuse to take any chips in the body, and call on Me to lead you to the safety of My refuges."

Sunday, November 7, 2010

November 18, 2010
Sunday, November 7, 2010:
Jesus said: "My people, in today's Gospel the Sadducees, who did not believe in the resurrection of the body, were trying to test Me with their story of the seven brothers who married the same woman. I told them that they were greatly mistaken, and that the souls in heaven are like angels who do not marry. Heaven is a spiritual kingdom, and the bodies of the faithful will only be joined with their souls at the last judgment. When people die in this life, only very few souls come directly to heaven. Some souls go to hell, and the rest need purification in purgatory. This is why Masses and prayers are said for the dead, so those who are in purgatory can be helped by shortening their time there. Praying for the souls in purgatory should be one of your daily prayer intentions. In the deacon's homily it should also have been mentioned how important Confession should be in protecting your soul from going to hell. By frequent repenting of your sins in Confession, you can have your souls cleansed of sin, and you will be in the state of grace and ready to receive Me at your judgment on the day of your death. One day the souls in purgatory are promised to be with Me in heaven, and then they will receive their crowns of sainthood that you saw in the vision."
Jesus said: "My people, this empty chair is a sign that many of My prayer warriors are dying, and the younger generation is not as prayerful. It is important for My prayer warriors to teach their children how to pray the rosary, and to be faithful to praying it every day. You are dealing with a spiritual battle between good and evil, and the number of prayers cannot decrease, or evil will gain in the world. This

is why it is necessary that for every prayer warrior that dies, you need to have other prayer warriors to take their place. Continue to ask Me to double your prayers and to have My angels finish your rosaries if you fall asleep. Also, I continue to remind you to make up any missed rosaries on the following day. I depend on the prayers of My prayer warriors to balance the evil in your world. When the prayers diminish to a certain level, Satan and the Antichrist will be allowed their hour at the time of the tribulation. This loss of faith and poor prayer lives are a sign of the end days beginning. Be prepared to come to My refuges when the tribulation begins."

November 18, 2010
Monday, November 8, 2010:
Jesus said: "My people, in this vision of the daily printing of your newspaper, this reminds you of how anxious you are to read the daily news so you are kept up to date on what is happening in the world. I want to contrast this to My Good News in the Bible which keeps you up to date with what is happening in the spiritual world of your soul. You have one news for the body, and another news for the soul. But it is your soul that is everlasting, and your body is temporary and lasts but a short lifetime. So My Good News of how to live a proper spiritual life should be of more concern for your eternal life and your destination than any worldly news. Another reason, that I want you to read your Bible more, is so you can put the readings at Mass into their full context. Notice which readings are going to be read, and then read what comes before and after the reading so this can enhance your understanding of My message in the Scriptures. By quiet contemplation on these readings, you will be better trained in your faith, and better able to direct your spiritual life. I love all of you, and I want everyone to take full advantage of all that I have revealed to you in My Word. Once you see how important My Good News is over

your worldly news, you can look forward more to hearing My Word that lasts forever, beyond your worldly news that is old after you read it."
Jesus said: "My people, there have been many advances in your microchip manufacturing, especially for chips that could be implanted in the body. These chips in the vision were especially designed for mind control and your government has produced millions of them to go along with your latest Health Care bill. Initially, there will be smart cards as national ID cards for tracking, buying and selling, as well as for health care. The next stage planned is to make it mandatory to have a microchip in the body so the one world people could control you like robots. The authorities will not tell you that they are mind control chips, but that is what they will be using. Refuse to take any chips in the body, even if they threaten to kill you and deny you health care. This is the mark of the beast to avoid, and once they are made mandatory, then it is time to come to My refuges. At My refuges you will be healed of all of your ailments by looking on My luminous cross. My health plan is much better than that of your current President. Trust in My protection at My refuges where I will provide for all of your needs."

November 18, 2010
Tuesday, November 9, 2010:(Dedication of St. John Lateran Basilica)
Jesus said: "My people, St. John Lateran Basilica is the Cathedral of Rome, and it is where many popes resided before St. Peter's Basilica was built. On this feast day of its dedication, this church is like a hub for all the Roman Catholic churches as in the vision. You saw in the Gospel how I cast the money changers out of the Temple for making it a marketplace instead of a place of worship. St. John quoted from Psalm 68:10 'Zeal for your house consumes Me' meaning how much My churches are holy because My very Presence resides there in My

tabernacles. When the Jews asked for a sign of why I threw out the money changers, I told them 'Destroy this temple (of My body) and in three days I will rebuild it.' This was a sign of My coming death and resurrection, but they did not understand that I was referring to the temple of My Body. This is a reminder also how your bodies are Temples of the Holy Spirit in the same description of your body. So rejoice in coming to My churches, but I am also present in My people."
Jesus said: "My people, this current volcanic release of smoke and ash has been going on for nearly a month. Even your President's visit to Indonesia had to be cut short because it is difficult to fly jet planes near such active volcanoes. Several years ago, a large 9.2 earthquake in this area triggered eleven volcanoes back to life in lava flows. Now a recent 7.7 earthquake in Indonesia has caused a less severe tsunami and has brought more volcanoes into an active state. This current volcano (Merapi Volcano) has caused hundreds of deaths and more people are being evacuated. The longer these eruptions spew more smoke and ash into the upper atmosphere, you have a chance to block out the sun, and it can cause a cooling effect over the earth. Also, the more active the earthquakes and volcanoes get, this could affect other areas along the fault lines of the Pacific Ring of Fire. Be prepared to witness more natural disasters, even as your hurricane season is just finishing. Pray that those being affected by the earthquakes and the volcano will find enough aid to get them through these latest disasters."

Wednesday, November 10, 2010: (St. Leo the Great, Pope)
Jesus said: "My people, in the Gospel there were ten lepers that I healed, but only a Samaritan returned to give thanks for his healing. I

told him to go as his faith had saved him. There are also the lukewarm in the faith vs. My prayer warriors. This is the contrast in the vision where some faithful are beacons of faith and hope, but the lukewarm have their light out because of their spiritual laziness. But those, who pray and do good works in evangelizing souls, are the souls that I will welcome into heaven. The lukewarm, who only call on Me when they are in need and do not help people, may have the gates of heaven closed to them if they do not wake up. Also, My faithful need to be thanking Me for all that I do for you. Give praise and glory to your Lord, and you will have My promise of eternal life in heaven."
Jesus said: "My people, when you are before Me in Adoration, you can contemplate how best to improve your spiritual life. When you see this waste basket, it reminds you of what sinful habits that you would like to discard into the basket. There are certain sins that you repeat in Confession many times. Think of your worst habitual sin, and try to focus on how you can best avoid that sin. Pray to Me to give you the grace to overcome that weakness in your life. As you see the water in the pool, think of how your sins could be cleansed from your soul, and how you could work to keep your soul pure. By working to rid your habitual sins, then you could be making progress in striving for your perfection. If you allow yourself to fall back into your old habits, then pick yourself up, and struggle back to where you have progressed before. By keeping your focus on Me, and keeping yourself strong in the face of temptations, then you can make some true progress in your spiritual life."

November 18, 2010
Thursday, November 11, 2010: (St. Martin of Tours)
Jesus said: "My son, you are seeing a frightening look at the black eye of the evil one who is always trying to attack you and your ministry. Whenever you are doing good things in your prayers, good works for

people, or attempts at evangelizing people, you are going to get attacks from the evil ones. Fear not, My son, for I send you angels of protection because your ministry is important to prepare My people for the coming tribulation. As you are preparing your next DVD, it is important to do your novena prayers for the success of this project. You will be attacked to put this off, so work hard on finishing this work every day. This time is crucial because the evil forces are gaining more power as the time of the tribulation approaches. The faith and prayers of My people are also growing weak in this time. Be consistent in your prayers, and do everything that you can to reach out to souls to save them from hell."

Prayer Group:

Jesus said: "My people, your present bishop will be retiring soon, and you need to keep praying for a good bishop who will allow your mission to continue. Pray that this new bishop will encourage Adoration and take a more active role in deciding who would be good candidates for the priesthood. Many good candidates have been refused, and they had to go elsewhere. Pray also for a new bishop who would be more outspoken for Right to Life causes."

Jesus said: "My people, the one world people and your central bankers are set on a policy to lower the value of your dollar, as they have started by buying more of your Treasury Notes. This is a false attempt to help your economy, and instead it will add to your National Debt, and result in a road to higher prices of goods with rampant inflation. The value of your commodities is not changing, but it is the value of the dollar that is decreasing relative to other currencies. This is one more step closer to your eventual bankruptcy in America."

Jesus said: "My people, this latest cruise ship fire resulted in the generators burning out, which left everyone without any electricity and only emergency lighting. Stored food quickly became uneatable as the refrigeration stopped working. Air conditioning and other pumps also did not work. This having no electricity will also be a small problem at My refuges when you will have less comforts in a

more rustic living. There are older means of preparing food, making soap, cleaning clothes, and providing heat in the winter. All of your raw materials will be multiplied to provide for your food, heat, and other needs. Trust in Me to protect you at My refuges from the evil ones who will be trying to kill you."

Jesus said: "My people, when you have tornadoes, you hear sirens warning the people to take cover. When you hear smoke alarms at night, you are warned to evacuate from a fire. Even some have carbon monoxide alarms to warn of any toxic condition. There will be another warning sign that I will wake up My faithful with at the time it is necessary to leave for My refuges. When you see a national bankruptcy, a pandemic deadly virus, mandatory chips in the body, or national martial law declared, these are the reasons for coming to My refuges. Do not hesitate to leave your homes when I warn you because your time to leave will be limited. You will not be returning to your homes, and you will be at My refuges throughout the whole tribulation. If you do not leave your homes, you will risk being captured and killed by the men in black."

Jesus said: "My people, some of My refuges will be working farms that will provide fresh vegetables and various sources of meat in addition to the deer meat. Working on farms and growing feed for the animals is hard work that will require everyone's help for the refuge community to survive. You will be protected from the evil ones, and I will multiply your fuels and food that you grow. You will need fuel for your farm vehicles, for cooking, lighting, and heating. Have no fear of this time, but My faithful will be hard at work at My refuges, as well as spending more time in prayer."

Jesus said: "My people, at the refuges there will be no garbage pickups and very little running water. You will need to burn or bury your refuse, or use it for mulch. Outhouses will require maintenance as in the past with lime and landfills. This part of your life will not change, but your disposal methods will be as in older days. This lifestyle of a simpler life will bring you closer to Me, as you will have

more time for prayer."
Jesus said: "My people, this feast day of St. Martin of Tours honors a saint who was first in the military before he became a cleric. This Veterans' Day also honors those in the military who have defended your freedoms in the wars with other nations. It is unfortunate that man cannot live in peace with each other. The one world people encourage wars to make their blood money on selling weapons. These evil ones will have to suffer My justice at their judgment. Continue to pray for peace and encourage peaceful solutions over war that has no winners."

November 18, 2010
Friday, November 12, 2010:
Jesus said: "My people, in the next few weeks you will see the readings focused on the end days where there will be much destruction. The Gospel speaks of the people killed in the flood and those killed in the fire and brimstone of Sodom and Gomorrah. Just as My justice was brought down on the evil people of Noah's time and the evil people of Lot's time, so you will again see My justice brought down on the Antichrist and his minions. Evil under the Antichrist during the tribulation will be the worst evil that you have ever seen. Once you see the Antichrist come to power, know that My coming on the clouds to defeat him, is not far away. I will bring a fiery comet into the Atlantic Ocean that will destroy two-thirds of humanity. This will be the end of the Antichrist's power, as he and all the evil ones will be cast into hell. During the tribulation, My faithful will be protected at My refuges, and the evil ones will not be able to see them or kill them. Even when the comet comes, I will lift them up so they will not be killed. Some faithful will be martyred, but those at My refuges will be rewarded in My Era of Peace and in heaven."
Jesus said: "My people, I have mentioned before that you were living

in the time of the red horse that had a rider with a bow meaning a time of a bloody war. Today, I am showing you a black horse which is when you are living now. This black horse has a rider who is carrying a scales, and this signifies a time of famine. I have told you before to store up one year's supply of food for the day of the world famine, and in case you do not have the chip in the body to buy your food. There are going to be an increasing number of disasters that may cause food shortages. Remember that you are now dependent on China for more than half of your food, as well as many of your other store items. With your decreasing dollar, your food will become more costly, as well as your gasoline. This world famine will be a manipulated food shortage, so it would be wise to have your own food supply in your basement. Once it is dangerous because mobs will be searching for food, it will again be another reason to leave for your refuges. It is one thing to share food with others, but when they want to kill you for it, it will be time to leave. At My refuges you will have food, water, and daily Communion provided, so do not worry that you will not have enough to eat. Trust in Me to have your guardian angels lead you to My nearest place of refuge where you will be safe from the evil ones."

Saturday, November 13, 2010: (St. Frances Xavier Cabrini)
Jesus said: "My people, today's Gospel is about the persistent widow who was begging the dishonest judge to rule in her favor. He relented in her favor for fear that she would bring physical harm to him. There was another reading about charity where a man was begging another at night for three loaves of bread for his guests. The one inside was reluctant at first, but later got up to give him the bread because of the visitor's persistence. So it is when you come to Me with your prayer intentions. Some are answered right away, while others may take

years of persistent prayer because of the high price for that person's soul. Even at times the answer to your prayer may be a 'no', as your priest suggested. I know what is best for your soul, so I answer prayers that will best help you, or the souls that you are praying for. You are at a Carmelite monastery where the nuns are praying constantly in silence for the sinners of the world. Your world is full of so much evil that your prayers are needed every day. This decline in faith is another sign of the end times, and it is why I asked the question: 'Will I find any faith on the earth when I return?'"

November 18, 2010
Sunday, November 14, 2010:
Jesus said: "My people, I want everyone to be conscious of the preparations that you need to make in case you die suddenly, or when the time of tribulation falls upon you. You do not have tomorrow until I grant it to you, so you should always have your soul in the state of grace by frequent Confession. In addition to the day of your death, people should also be ready for the time of tribulation under the Antichrist. Most people do not understand that this event could happen in their lifetime, as I have informed My son in My messages. I have talked of having one year's supply of food on hand for the coming famine, and many messages on preparing backpacks, tents, and blankets for leaving for My refuges. You will have the Warning first, a world famine, division in My Church, mandatory chips in the body, and martial law. When you see these things, call on Me and I will have your guardian angels lead you to My nearest refuge. Many priests and deacons avoid talking of the end times at this time of year, but they are doing a disservice to their people by not warning them of the coming tribulation. You need to have eyes of faith to see that you are living in the end time signs of the Bible. Those, who are left in their homes, may be captured and killed if they do not realize that they

need to leave for My refuges."
Jesus said: "My people, the one world people are having a massive tunnel building program underway to protect themselves from something big coming up. They are also storing supplies in their VIP underground cities. This means that they are planning on some riots for a food famine, a dollar crash, or a deadly virus attack. They feel whatever they are planning, that they will be safe underground, while those, who are above ground, will be at risk for their lives. If a martial law chaos began, they would also be protected from the foreign troops who would implement any capture of citizens. By the fast tempo of this building campaign, you are being given a sign of what the one world people will be doing in their bid for taking over America. Despite all of their plans, I will warn My faithful when it is time for them to come to My refuges of protection, where the evil ones cannot harm them. Have trust in My help and protection throughout the whole time of the tribulation before I return."

November 18, 2010
Monday, November 15, 2010: (St. Albert the Great)
Jesus said: "My people, in the first reading from the Book of Revelation, St. John is called to write down the words for the seven churches. He is writing in Patmos what the angel is revealing to him. In the vision My son, John, also is being called to write down My words to prepare the people for the tribulation of the Antichrist, and My coming in victory. This is a glorious time to be alive, as My son is continuing the work of his namesake in St. John. You are preparing a second DVD to alert the people when to leave for My refuges, where to go, and the many miracles of protection that I will perform in addition to multiplying food and shelters. Continue to pray your novena prayers of St. Therese so you will be protected from any attacks on your work from the evil one. This DVD will be a great help

in explaining what is needed on your way to the refuges, and it is a message of hope and My mercy instead of gloom and doom. This preparation message is needed because many people do not understand that this tribulation is most likely in their lifetimes and not far off. Continue, My people, to pray and discern how to prepare for this time. By prayer and frequent Confession, you will have your soul pure and ready to meet Me at any time."
Jesus said: "My people, most of you are unaware of the thorough records that the one world people are keeping on you. They have super computers with enough memory to store your life's history. They know all of your bank records, stocks, bonds, and real estate that you own. So they know your total worth, and they can even profile you by your credit card purchases. They have every transaction that you ever made, and they have your e-mails and phone calls recorded. Every part of your life is known to them through their unknown tapping of your communications. This is not enough control for them, but they are working on smart cards in your licenses, and you may have chips in your passports. You can protect your identity and tracking by storing any chipped documents with aluminum foil. Once the new Health Plan is implemented, these same one world people will try to demand mandatory chips in the body, so they can track you and control you with voices and mind control. Refuse to take any chips in the body, and when the evil ones try to force these on people, it will be time to go to My refuges. As you see these things coming about in front of you, you know the tribulation is very close. Fear not the evil one's plans, because you will have complete protection at My refuges where I will provide for your needs."

November 18, 2010
Tuesday, November 16, 2010: (St. Margaret of Scotland)
Jesus said: "My people, America's Achilles heel is your dependence

on your electricity. Your electricity producing plants also require natural gas or coal to keep them running. These plants or any place along the transmission lines are vulnerable to accidents, bad weather, aging, and terrorism. You have seen ice storms, a car crashing into a pole, and even animals eating the line insulation where your electricity was stopped. This can also be shut down by those who control your electric grid, and by any unusual surges in the grid. You are most vulnerable in the winter, since your heaters would stop, and you would need an alternate source of heat. You also would need oil lamps for light, gas for cooking, and possibly bailing water from your sump pump. Refrigerators would not work, and you would need backup food supplies. Your gasoline pumps would also be shut down, limiting your means of travel. All of these resulting shutdowns show you the areas where you need some backups when you lose your electricity. Be prepared for this incident and possibly living without electricity at your rustic refuges. Once you come to My refuges, you will be living a much simpler life under My protection. Controlling your electricity will be one of the one world people's means of trying to force you to accept their new world order. Refuse their threats and chips in the body, and trust in My protection from the evil ones at My refuges."

Jesus said: "My people, I am showing you this vision of a Latin Mass because soon there will be a more traditional translation of the original Latin Mass. At this time it is hard for you to know what form this will take until you can view a copy. Some are saying that they do not want to change, while others want to see it before making any judgment. It is not known whether the Gospel and Epistle readings will be changed or not. You may want to do some research into finding a copy. If it is available, you can see what will be recommended at all of the churches. The last change dealt with inclusive language, so it will be a change that may take some getting used to. Pray that there will be unity over this change and not any division."

December 3, 2010
Wednesday, November 17, 2010: (St. Elizabeth of Hungary)
Jesus said: "My people, in the Gospel accounts there were several versions of My parable about the talents or gold coins. Two of the people in the parable, who were given money, were industrious to make more money, but the third man hid the money in the ground or in a handkerchief. This is an example in life of whether you used your talents for My glory, or you wasted your talents by not using them for what they were intended. Those, who did not use their talents, may suffer longer in purgatory. The other people mentioned, who rejected the king or killed his servants, are those who committed sins, but did not repent, and they are the ones who were sent to hell because they rejected Me. You all have choices in life because I do not force you to love Me. But at the judgment you must answer and suffer the consequences of your decisions. Those, who love Me and follow My Commandments, may be purified and come to heaven. Those, who reject Me, do not keep My Commandments, and do not repent, are those who will be sent into the flames of hell. I am merciful, but I am also a just judge. I want My people to love Me and follow Me without fear. Then I will welcome you into My Wedding Banquet in heaven as your reward."
(Rosaria Proia wake) Jesus said: "My people, it is appropriate to be praying the rosary for a mother and grandmother with the name Rosaria. She has had the gift of more years than most people, but they were very productive years. When I called her home, she was ready to see Me. She will be doing a short purification in purgatory, and when

her Masses are said, she will be released to be with Me in heaven. She did not leave you completely because she loves her family, and she will be praying for all of you. She will be missed at your holiday celebrations, but remember her in your prayers, especially when you give thanksgiving at your meals."
Jesus said: "My people, if you truly love Me, you will seek out learning everything you can about Me and My creation. When you are having a nature walk, you are joyful to be alive so you can appreciate the fall foliage, the birds, the deer, and the squirrels on your path. There is beauty in nature and in My people where you can find an extension of My love. In all of the world the souls of My people are My most prized possessions. I give you all free will so you can come to love Me by yourselves without Me forcing you. I allow the good and the bad to live their lives together, just as I spoke of the wheat and the tares growing up together. At the harvest the wheat I separated to go into My barn, while the tares were bundled together and thrown into the fire. So it is at the judgment. My faithful, who have loved Me and performed good works for others, will see their reward in heaven. The evil ones, who have killed My people and refused to repent of their sins, will be cast into the fires of hell. I love everyone, but those who deny life in the womb, kill older people in euthanasia, and encourage killing in wars and by viruses, are the evil ones who will face My justice. I am the giver and taker of life, and those, who deny My plans for souls by killing, are committing the worst offense against Me. Pray for these souls to change their ways before it is too late to save them from hell. I strive to have every soul come to heaven, but the evil one is battling with Me for every soul. My joy is to see My faithful evangelize and convert souls to My Gospel. If you saw how much souls suffer in the flames of hell, you would strive also to save as many souls as you could from going to hell."

December 3, 2010
Thursday, November 18, 2010: (Dedication of Basilicas of St. Peter and St. Paul)
Jesus said: "My people, in today's feast of the Dedication of the Basilicas of St. Peter and St. Paul in Rome, you are honoring the two great pillars of My Church. St. Peter was very impulsive to act even in attempting to walk on water, but his faith was weak at times before he received the gifts of the Holy Spirit. He was the leader of My apostles, and he is represented by the many Popes in his succession. St. Paul also was a strong man in his principles, and his conversion was miraculous. I visited him personally to change him from Saul to Paul, and to change him into one of My greatest missionaries. Many people have visited the places where St. Paul taught in Greece and Turkey. The vision of a dungeon prison is the place where they both were imprisoned, chained, and later martyred for their faith. These two basilicas are great remembrances of these saints where they are buried in Rome. Give praise and glory to your Lord because I have raised up My Church on the humble beginnings of these two great saints."
Prayer Group:
Jesus said: "My people, your media has censored your news so much that they have you concentrate on issues of little importance while the important issues are overlooked or purposely avoided. Many of your freedoms are being suppressed by hate crimes and your Patriot laws. Even the latest airport security is going beyond reasonable searches. Decisions about wars and letting the Federal Reserve bankers control your finances, are never debated. Pray for your new representatives to change the socialist leanings of your current government."
Jesus said: "My people, your highways are being more controlled with easy chip passes, cameras, and North American Union special highways. Even your fuels and car regulations are becoming more expensive and controlled with chipped driver's licenses. It will come to a point where it will be difficult without chips to even travel on the main interstate highways. This is why when you go to My refuges,

your angels will lead you down local roads instead of the highways."
Jesus said: "My people, your state governments have to live within balanced budgets, which means cutting employees and expenditures to match what is collected in taxes. This is contrasted with your Congress that is spending and borrowing money with no concern for balancing their budget. If they did try to achieve a balanced budget, they would have to cut outrageous salaries, too many people, and unfunded payments to Social Security, Medicare, Medicaid, Welfare, and many other payments that you cannot afford. Continued deficit spending is the one world people's means of bankrupting America. If balanced budgets are not achieved, then you could see the end of your country and your freedoms. The evil ones want to control you with microchips, so refuse them in any attempts at mandatory chips in the body."
Jesus said: "My people, as winter draws near, you could be seeing more natural disasters from major snow storms, ice storms, and high winds. This vision of a bridge being washed out is an example of floods from heavy rainfall. Be prepared for power outages, and food and fuel shortages by stocking up on some extra food and fuel. These items will become more expensive relative to the shrinking value of your dollar. This will become more of a hardship on people who are just getting by. You may have to help your neighbor more by supporting your local food shelves for the poor."
Jesus said: "My people, every year many families travel to their parents' home for their Thanksgiving Dinner. It is good for families to keep together in their traditions. As you are thinking of family and thanking Me for your blessings, now you are hearing statistics of how nearly half of your people are in favor of living together without marriage. Your family of husband and wife should be the model for your society, and not just relationships of convenience without responsibilities to Me and your children. The traditional family is more God centered, but your society is turning more materialistic rather than spiritual. This trend also will lead your country to ruin

because of your abortions and sexual sins. Pray for your people to wake up to the immorality in your society, and change your ways to follow Me in prayer."
Jesus said: "My people, the faith of many people is growing more lukewarm as they are skipping their prayers and are not coming to Sunday Mass. You are seeing churches closing around you because many are not living their faith as they should. Yes, there are priest shortages, but it is your loss of Sunday Mass attendance that is the worst problem. My faithful need to be building up their faith on their way to perfection, instead of falling into lax spiritual habits. Your love for Me should be burning strong, but unless you pray daily, it will continue to become lukewarm. In the Bible it says how I vomit the lukewarm from My mouth. I want My faithful to be vibrant in their faith and not nearly dead spiritually."
Jesus said: "My people, even as you are preparing for Thanksgiving, your shopkeepers are planning for Christmas selling. As you approach your coming Advent season, this is another time, as in Lent, when you plan to do a little more prayer and fasting. In days past you used to have even more Sundays of preparation for Advent. As you prepare again for another celebration of Christmas, think of giving Me some spiritual bouquets of prayers to help sinners and those souls in purgatory."

Friday, November 19, 2010

December 3, 2010
Friday, November 19, 2010:
Jesus said: "My people, I love My churches because it is where I reside in My tabernacles as you come to worship Me. You should treasure your local church as well and work to keep it open by your presence, and your financial and spiritual support. My people need to be strong in their faith and do not become lukewarm. Pray to Me every day and not just one hour on Sunday. Live your faith in your

works and deeds so that everyone can recognize you as a Christian. Your love for Me will be your passport when you reach the gates of heaven."
Jesus said: "My people, the most important work, that you could perform, is being able to bring souls to conversion. This is why St. Elizabeth's work in teaching students their faith and other studies was so important in forming the spiritual lives of her students. You also helped teach your students how to pray the rosary and their religion class. When you bring Me closer to these students, you are a model of faith to follow. Be grateful for the opportunity to teach children their faith, and how to depend on Me for everything. Parents and teachers have a great responsibility to lead their children's souls, and point them toward heaven for their eternal destination. As you come closer to your Thanksgiving Day holiday, remember to share your wealth and your faith with the physical poor, and those who are in need of spiritual support. Also, continue to give Me thanks every day for your gift of life, and another opportunity to do more good works for Me in your neighbor's need."

Saturday, November 20, 2010

December 3, 2010
Saturday, November 20, 2010:
Jesus said: "My people, in these last weeks of the Church Year, there are many readings from the Book of Revelation and other places that speak of the end days before My return. In order for the Antichrist to come to power, America will be taken over by the one world people. They are promoting their new world order as a world government of all the nations of the world. The vision shows the destruction of your government as you know it today, and it will be ruled by the Antichrist during the tribulation of evil. Once you see martial law and mandatory chips in the body coming, My faithful need to call on Me to have your guardian angels lead you to My refuges of protection.

There My angels will shield you from the evil ones and their ruthless tyranny. Those, who refuse to leave their homes, could face martyrdom for not taking any chips in the body. The joy at the end of the tribulation is that I will come in victory with My Comet of Chastisement, and all the evil ones will be cast into hell. Then I will renew the earth and bring My faithful into My Era of Peace. My people know the end of the story and the Antichrist loses, while heaven and My angels are triumphant. This is why My message of the end days gives you hope for those who are faithful to Me."

Sunday, November 21, 2010

December 3, 2010
Sunday, November 21, 2010: (Christ the King)
Jesus said: "My people, My love is flowing out over all of My people as My cup is overflowing with My graces and mercies for them from My Divine Mercy. I have showed you how much I love you by dying for all of you on the cross. I ask My people to love Me also by their own free will. This focus on Me should be a part of your love for Me every day in all that you do. I am your King and I should be the center of your life. Pray to Me every day and ask My help in all of your work and decisions. When you ask My help, you will see that all of your work will go well with you."

Monday, November 22, 2010

December 3, 2010
Monday, November 22, 2010: (St. Cecilia)
Jesus said: "My people, this curtain of fire all around an ongoing Mass represents the coming persecution of the tribulation. Even as St. Cecilia was martyred, there will be more martyrs as the evil ones of this age will be trying to kill all of the faithful Christians for their new world order. In the early years of My Church there were many martyred for their faith. During the tribulation of the Antichrist this

reign of terror will again be testing My people all over the earth. Those, who are martyred, will become instant saints, but the rest of My people will be protected at My refuges. Even if you are threatened by death, never give up your faith in Me. Any people who may be martyred for My sake, I will ease their pain because I never test you beyond what you could endure. Give praise and thanks to Me for all that I do for you. I will warn My people when it is time to leave for My refuges before the evil ones come to your houses. Leave by nightfall, and My angels will shield you by making you invisible. Take your backpacks, tents, and blankets as you follow your guardian angels to My nearest refuge. Honor My saints who have given their lives up for Me, rather than giving up their faith."
Jesus said: "My people, all people know that one day they will die and be placed in a grave. You have been to many funerals, so it is easy to imagine yourself in a casket at the end of your life. This may be the end of your mortal body, but it is not the end of your immortal soul. This is why it is so important to point your destination to heaven for your soul. I will do the judging, but if you follow My Commandments and repent of your sins, you are promised your reward in heaven. Work every day on minimizing your sins and maximizing your efforts to convert sinners, and do good works for your neighbor. When you have your soul constantly cleansed of your sins at monthly Confession, you will not have any fear of dying because you know your destination will be with Me in heaven."

Tuesday, November 23, 2010

December 3, 2010
Tuesday, November 23, 2010: (Bl. Miguel Pro)
Jesus said: "My people, as you see the Swiss guards guarding the Vatican and the Pope, so My faithful need to guard their faith and stand up for My Gospel teachings even if they are threatened with death. Never give up your faith, even as the martyrs of My Church

gave up their lives instead of giving up their faith. You may not be tested with your lives, but it takes courage to fight against abortion, living together outside of marriage, and homosexual marriages. The accepted sins of your society are what will bring America to its knees from My justice. Reach out in faith to be models of good Christians both for your family and those around you. You may be persecuted for taking unpopular stands, but you are witnessing My Gospel teachings and My Ten Commandments. Use your witness to convert souls to Christianity and keep them from being lost in hell. Pray for all of your family members so they can be saved. By guarding your faith for yourself and others in your evangelization efforts, you will have your reward in heaven."

Jesus said: "My people, there are some kings and queens in the world, but they are usually just titles without much authority. You just celebrated My Kingship which is more inclusive than any human king. I am your Master and Creator to whom you should give honor and thanks for creating you. Kings and queens have subjects that are bound to obey them. I am a King, but I do not force My love on people. I give all of you free will so you can come to love Me of your own free choice. Once you choose to love Me, I should be your Master and the center focus of your life. I give you everything to survive, and I died for your sins so you could be saved to come to heaven. As you celebrate Thanksgiving Day, remember to thank Me for all that you have been given, especially the gifts of life in your family. You remembered those who have died this year, but you also should remember how fortunate you are to have a loving family to comfort you in this hard life on earth. I love all of you so much, and I guide you on your path to heaven."

December 3, 2010

Wednesday, November 24, 2010: (Vietnamese martyrs)

Jesus said: “My people, in these end time readings there is much talk of persecution and killing of martyrs, but this evil is balanced by the promise of My victory in the end. I am much more powerful than anything that the evil ones could do on earth. There will be a time of tribulation as described in the Book of Revelation, but this time will be less than 3 ½ years for the sake of My elect. There is always a battle between good and evil, but at the end, the evil ones are cast into hell, while My faithful are brought into My Era of Peace. I will protect My faithful at My refuges, but some will be martyred for their faith. The descriptions of heaven are glorious in these readings, so have no fear and have peace in your soul as My faithful await their entry into heaven. Your time in My Era of Peace and then in heaven will be your reward for being faithful to loving Me and following My Commandments.”

Jesus said: “My people, as seen in the vision, many shoppers are ready to start their Christmas shopping at their local mall stores. Your shopkeepers are hoping to see more profits this year than the last few years of recession. There are still many people who are unemployed, and their unemployment checks are running out. People are preparing for another winter season by buying snow boots, hats, gloves, and scrappers for their cars. Heavier coats are also needed as snow storms are causing blizzards in the Middle Northern states. Some people even migrate to warmer states for the winter. Longer nights and getting close to the winter solstice are other signs of winter’s arrival. Pray for good weather for your families that are traveling for their Thanksgiving meetings. Your Mid-Atlantic states had some heavy snow storms last year, and you may see more of the same this year. Be prepared for any power outages with extra fuel sources as wood and kerosene for burners in addition to your natural gas burners. Having some extra food and oil for your lamps will also keep you eating with sufficient light. Give thanks to Me in your prayers before your dinner, and enjoy exchanging conversations with your relatives who you do not see very often.”

Thursday, November 25, 2010: (Thanksgiving Day)
Jesus said: “My people, today is the day for a special thank you to Me for all that I have given you. You were fortunate to be born in America where you still have more freedoms than some countries. This vision of My creation in the forests is how you can thank Me for all the beautiful nature scenes around you. You have your life, your faith, and your beautiful family, if you are married with children. Your society is slowly drifting into a pagan style of living when people look down on marriage as unnecessary. I know many women can be independent financially with their own jobs, but living in marriage is also following My Commandments, compared to living together in a sinful environment. This is not just a casual opinion, but a moral lifestyle is much more expected of My faithful than living in fornication or in homosexual relationships. You should also be thankful for your job, if you have one, and all of your possessions. The best way that you could thank Me for My gifts is when you share your wealth with those who are poor, and to even share your faith in bringing souls to conversion. Your Thanksgiving Dinner is a pleasure for eating, but also it is a time to share your conversation with relatives and friends. You can also reach out to people by praying for their health and their needs. Thank you also for those who came to Mass to give Me thanks. I encourage all of you to share your love with Me and your neighbors.”

Friday, November 26, 2010:
Jesus said: “My people, an independent water source will be needed at every refuge for water to drink, for cooking, and for bathing. As in the

vision, a mechanical pump would be desired because most refuges will not have any electricity. At times it may be difficult to have such a well because of your zoning regulations for pure water. When water is needed, I will see to it that your wells will not run dry. For those refuges that have not secured such a water source, I will allow a spring to develop to supply My people with the water they need. Such spring water will also have miraculous healing properties for all of your sicknesses. Trust in Me that I will protect My faithful at My refuges, and I will provide you with all that you need both physically and spiritually. Be ready when I will warn you that it is time to leave for My refuges."

Jesus said: "My people, this fountain of water is a sign that My faithful need constant cleansing of their sins in frequent Confession. I have told you before that most of the sexual sins are usually mortal sins. Fornication, adultery, and birth control are in this realm of mortal sins. My Church has taught for years that every marital act needs to be open to the possibility of new life without being obstructed. This is why vasectomies, tubal ligations, artificial insemination, and condoms all have as their intent the manipulation of life for convenience. All forms of birth control are therefore serious sins, no matter what particular condition could be posed. Once you start making exceptions to these laws of the Sixth Commandment, then you are treading on dangerous territory."

Saturday, November 27, 2010:

Jesus said: "My people, this is the last day of the Church Year, and you are seeing more references to the end times of My return in the readings. In the vision you are seeing a vigil with candles on a road, as you await My return. You are to continue on with your life's work every day, but you can still have a pure soul that is ready to meet Me when I return. It is better to be prepared for the end times as the five

wise virgins who had their oil and lamps ready, than the five foolish virgins who did not. My faithful also need to be ready to leave your homes for My refuges with your backpacks ready, and all of your preparations for the tribulation. As you keep a light or candle lit at your home altar, let this be your vigil candle that awaits My return."
Jesus said: "My people, the one common thread through most of your sports games is that you always have two opposing sides. You also have different numbers of players in different sports. The battle between good and evil also has two sides, but any number of players. On the good team you have the Three Persons of the Blessed Trinity with more power than the evil side of Satan, the demons, and the Antichrist. Also, on the good side you have the angels and saints, especially your own guardian angel. In the background you also have your fellow faithful, and the souls in purgatory to help in the battle against evil. You have three basic armies for good: the saints of the Church Triumphant in heaven, the souls in purgatory of the Church Suffering, and the faithful souls on earth of the Church Militant. In order to fight the good fight, you need to defend yourself with the grace of My sacraments, the breastplate of righteousness and the helmet of salvation. Be able to stand up and resist the evil one's temptations, and stand fast to your beliefs in Me no matter what you must suffer."

December 3, 2010
Sunday, November 28, 2010: (First Sunday of Advent)
Jesus said: "My people, this First Sunday of Advent is similar to the Christ the King Sunday in that it calls you to 'Stay awake' and be vigilant because I could return on a day that you are not suspecting. In the Gospel it tells you that the Son of Man will return when there is evil on the earth as in the days of Noah before the flood. You are seeing more evil on the earth now, and it will even get worse during

the tribulation. Know when you see the Antichrist rise to power, it will not be long before I will return in victory over him. His reign will be short for less than 3 ½ years. I want you to go about your daily tasks, but have your soul pure for the day of My return which is in your lifetime."

Jesus said: "My people, I have mentioned to you before how My priest sons could do more to help the people by teaching them sermons on the faith. I want to give you such a sermon on a typical day of how to show your love for Me. Not everyone can make this time for Me, but you are in control of your own time and how you plan it. In the morning when you wake up, you could spend a few moments to pray your morning offering and your guardian angel prayer. Next, you could ask Me to discern your list of activities for the day to fulfill your responsibilities to your job, your family's needs, and any tasks that require your work. As you start each project, ask for My help to do the best job possible. Show your love for Me in your actions. You usually start your day with morning Mass and Communion. Sometime later in the day you make time for Me in your three or four rosaries, and your Divine Mercy Chaplet at the 3:00 p.m. hour. You finish up your day with an Hour of Adoration in front of My Blessed Sacrament. It is at night that you can reflect on your actions of the day, and see how you could learn from your mistakes so you do not repeat them. Right before going to sleep you could recite your Act of Contrition in case you should die overnight. By paying attention to having Me be a part of all that you do, you are offering up all of your actions for My greater glory. Working on your daily love relationship with Me will keep you close to Me, and always ready to meet Me at your judgment."

December 3, 2010

Monday, November 29, 2010:

Jesus said: “My people, today’s Gospel shows how much I was impressed by even a Roman centurion’s faith in Me. He recognized that I had the power to heal his sick servant, but even from a distance without coming into his home. He knew that it would defile a Jew to come into his home, so he gave the famous quote that you say before Communion: ‘Lord, I am not worthy that Thou should enter under my roof, but only say the word and I shall be healed.’ This was an act of faith for the centurion, but when you repeat this saying, you are making your own act of faith in the healing power of My Eucharist. The consecrated Host is My Real Presence. So literally you are taking Me into the roof of your mouth. Because you are receiving Me in faith, it would be reverent to bow or genuflect to receive Me on your tongue. Faith in Me is a gift, and few believe in My Real Presence because they are not taught, or they have a difficulty in believing that I could truly be present in the Host. This requires faith to believe in the Transubstantiation of the bread and wine that are transformed into My own Body and Blood at the Consecration. The centurion believed in My miracles of healing, but My faithful are asked to believe in My miracle of being fully present in the consecrated Bread in all the tabernacles of the world.”

Jesus said: “My people, it is bad enough to see terrorist acts on adults, but it is even worse to see attacks on young children. You have seen sexual predators prey on teenagers both at night and even through the internet. Terrorists do not care who they kill, whether people are young children, teenagers, or adults. You are seeing some terrorists recruiting teenagers and women for their cause because people would be less suspicious of them to make terrorist attacks. If you see some suspicious activity, you need to be watchful because terrorism could come from anyone at any age, or from any gender. Much of this activity is directed by Muslim extremists which is why they seek out others to do their acts of terrorism. It is hard to understand why they want to persecute Christians, but for some of them it is a part of their Islamic beliefs that drive them to kill the infidels, or those outside of

their faith. There are not many serious incidents in America, but terrorist activity is spread throughout the world. Pray that your security could stop these plans before they start. Over time this persecution will worsen, so be prepared to go to My refuges when I warn you that it is time."

December 3, 2010
Tuesday, November 30, 2010: (St. Andrew)
Jesus said: "My people, all of My apostles, except St. John, suffered martyrdom for their faith. St. Andrew introduced several apostles to Me as he became a fisher of men for teaching My Gospel. Just as My apostles and many of My early followers were persecuted by the Romans, so My faithful of today will also be facing persecution from the one world people. When you call on Me, I will have your guardian angel lead you to the nearest refuge where you will be protected by an angel that you will see. The angel will make you invisible to your enemies, and you may be staying at a log cabin as in the vision. You will need to do some hard manual labor to survive, but My refuges will protect you from the evil ones who are trying to kill you. Some will be martyred, but the rest will be saved. Many of your comforts will be taken away, but you will have more time for prayer and adoring Me in My tabernacles."
Jesus said: "My people, during the first three hundred years after My death, the Romans persecuted My faithful so that many were martyred for their faith. The Romans even made sport of these killings with lions and gladiators. There is a parallel persecution of Christians going on even today. In communist countries and Muslim countries there are people killing Christians. The coming Antichrist is a Muslim leader, and he will continue this persecution of Christians. The plan of the one world people is to declare martial law and kill as many Christians and patriots as they can in their detention death camps. I

will warn My people when it is time to leave for My refuges so they can avoid being killed by these evil ones. At My refuges My angels will shield you and provide for your physical and spiritual needs. Trust in Me to protect My faithful, and reward you in My Era of Peace."

Wednesday, December 1, 2010

December 16, 2010
Wednesday, December 1, 2010:
Jesus said: "My people, this sharing of bread and fish was My compassion on the crowd in their need for food. Man in his human condition requires food and water to survive. This multiplication of bread is also a parallel to Communion that I shared with My disciples at the first Mass at the Last Supper. Multiplying food is how I will feed My people during the tribulation when you are at My refuges. My angels will multiply the daily Communion that you will receive, just as the manna was provided in the Old Exodus. Any other food from farm crops or meat from animals will also be multiplied. You will even see multiplication of your dwellings so everyone will have a place to stay. You know that I can multiply things as in this Gospel, so trust in Me to multiply things that you need at My refuges. Water also will be plentiful for drinking, cooking, and bathing."
Jesus said: "My people, as you go about your daily activities, only a few people consider the possibility that they could die any day. Accidents, or a sudden heart attack could take you at any time. Just because you are healthy, it does not guarantee that you will be alive tomorrow. It is best to keep a pure soul by at least monthly Confession. When a person dies, it does not guarantee that he or she will go to heaven immediately. Of the souls that do not go to hell, most of them will require some time in purgatory. It would be good to direct someone to have Masses said for your soul in your will. Masses can release souls from purgatory more than just prayers alone. You all

must die one day, so it is best to be prepared at any time. Some patients with cancer can be better prepared because they know that their time is limited. You are all terminal, but it is just a matter of when you will die. This is why it is important to try to evangelize souls before they leave this earth because you do not want anyone to be lost in hell. Reach out to save as many souls as you can while you still have time."

Thursday, December 2, 2010

December 16, 2010
Thursday, December 2, 2010:
Jesus said: "My people, your life is like this spool of twine being wound day after day. This also represents how vulnerable you are to death if this twine has a break. The Gospel has a very deep understanding as well, when I compared the faith of two people where one built it on rock and the other on sand. If you build your house of faith on the rock of St. Peter, then you will be able to withstand the buffets of the devil's temptations. But if you build your house of faith on sand, as only yourself, then you will be vulnerable to collapse when tempted by the devil. You need to do more than just call My Name, Lord, Lord. In order to be saved in heaven you need to follow the Will of My Father in heaven, and direct your actions to fulfill His Will. By following the Commandments of love and doing good works for your neighbor, your reward in heaven will be great."
Prayer Group:
Jesus said: "My people, when you have children, I know how you want to buy Christmas gifts for them. Giving gifts to your children comes from your heart because you want to make them happy. It is better to buy fewer, less expensive gifts than to spoil them by buying all that they want. Gifts to family and friends are one part of sharing, but you also need to share My coming at My birth on earth with everyone. I came to you on earth so I could die for your sins, but I

also taught you the faith in My words that you read in the Bible. Give praise and glory to Me as you prepare to celebrate My birthday on Christmas."

Jesus said: "My people, for many years your legislators have deceived your people by using giveaways and enhanced entitlements to win votes for election. By offering Social Security, Welfare, Medicare, and the like, the intent was to help the poor. Unfortunately, these plans, as your new Health Law, were not fully funded for what would come in the future. As a result, people have come to rely on this free money without seeing that these things are unaffordable through taxes, and they will bankrupt America without some cutbacks. Only recently are you understanding how your debts and deficits are out of control. The one world people will use your debts to bring down your country. Then your hope will only be in going to My refuges of protection."

Jesus said: "My people, in Greece many rioted when they had to make serious cutbacks to get loans at good interest rates. Similar uproars have been seen in France over raising the retirement age. Also in California the students have protested higher tuition payments. Your country has been drowning in deficits so long that it will take strong medicine to reverse deficits to balanced budgets. Once these decisions are forced on you, you will see many upset people as well. If this deficit trend is allowed to continue, your years as a nation will be numbered. The plan of the evil ones is being carried out, and it will start with the crash of the dollar. Prepare for your refuges when martial law will be declared."

Jesus said: "My people, it is bad enough that your politicians have nearly bankrupted your country with bailouts and entitlements. Now, you are seeing the corruption of this censured politician who used means to evade taxes and help his election funding. This is a hard example for people to trust politicians when they are even censured by their own peers. Pray to elect moral lawmakers who will support the needs of the people, and not just interest groups."

Jesus said: "My people, your country has too many leaders that are

trying to take your country in many directions. Each group wants its own way to satisfy its own political base. It is almost impossible to get clear agreement on issues important to America because each group is seeking its own power base. Unless each side is truly willing to have compromises to run your government, then gridlock could paralyze any needed action on debts and deficits. By the time it is understood that compromise is necessary, it could be too late to save your country from the central bankers and the one world people. Pray to keep your freedoms while you still have time to change."

Jesus said: "My people, there is coming a general Warning that will be a supernatural intervention of My Divine Mercy to try and save many souls. This Warning experience will be like a near death experience for everyone at the same time. I have told you that this life review will come before the Antichrist takes power, and it will prepare souls to come to My refuges. The more you see events getting close to mandated chips in the body, martial law, and more virulent viruses, this means that the Warning is close. In your Warning experience you will be warned not to take chips in the body, not to worship the Antichrist, and to prepare to go to My refuges. After the Warning you are to remove your TVs, computers, and radios from your homes so you are not controlled by the Antichrist's eyes. These events are closer than you think and not tens of years away."

Jesus said: "My people, you are to trust in Me at all times, even if you face persecution and possible martyrdom. When you eat My Body and drink My Blood at Communion, you are promised eternal life. My faithful will find protection at My refuges no matter what the evil ones will plan against you. At My refuges you will be free of disease and have all of your needs provided for. Your body will pass away, but your soul lives on forever. Protect your soul with frequent Confession and prayer, and you will be prepared for whatever you will face in life."

December 16, 2010

Friday, December 3, 2010: (St. Francis Xavier)

Jesus said: "My people, I am sharing this beautiful image of a guardian angel with the soul that the angel is protecting. The bright white spiritual color is the radiance of My grace and power in this being. The angel is face to face with its protected soul because there is a deep spiritual love of the angel for that soul. You know how much I love My souls because I died to redeem all of you. All spiritual beings, as saints and good angels, love you as well, even as you love them. The evil angels, or demons, are filled with hate for you, which is why they try to draw you to evil actions. Your guardian angels also have a great love for you, and they try to direct you to do good things at all times. My people should also love their guardian angels, and recite your prayer to your guardian angel every day. They are with you at all times, so acknowledge your thanks to them in helping you to save your soul. You also call on your guardian angel for favors in helping you or others. You can thank them for that help also. I know this is their job to help you, but showing them your love would be a way to thank them for loving you."

Jesus said: "My people, all of My faithful adorers are blessed to have My Real Presence in My Blessed Sacrament to adore and worship. The power given to My priests to consecrate bread and wine into My Body and Blood is beyond human comprehension. This is why it is so important to guard your priests in prayer from the evil ones and to support them in their work in the parish. Do not take daily Mass for granted, because soon you will be seeing more churches closed. It eventually will come to the point where it is only safe to have secret Masses in the homes. Enjoy your Masses in your churches now because this will change dramatically when the religious persecution starts. Do whatever you can to protect My Hosts from being stolen or desecrated. Give praise and thanks to Me for making My Real Presence before you in My Eucharist."

Saturday, December 4, 2010

December 16, 2010
Saturday, December 4, 2010:
Jesus said: “My people, it is one thing to picture yourself in the casket of a funeral as you should be prepared to meet Me at your judgment every day. As you look at the collages of the deceased’s life, you see through all the years how they fit into the family’s activities. Picture your own life’s collage through the years in all the good and bad experiences of your life. I am trying to get you to review your life because you are going to face your unforgiven sins in the Warning experience that is coming soon. You will be so moved by your contrition for your sins that you will truly understand how much your sins offend Me. People, who have had a near death experience, seek Confession as quickly as possible. The Warning experience will enable you to remember every unconfessed sin in your life. You can prepare for your Warning by making a good Confession with a good review of your life beforehand. You should always be conscious of struggling to improve your perfection every year. At some point during the year, as at the end, it would be good to compare where you are now spiritually to how you were at the beginning of the year. With a good recollection of your thoughts, you could make some resolutions how to improve your life for the coming year. By working on changing your habitual sins, you could come closer to Me in your perfection. See that you improve each year instead of falling back into your old sins.”
Jesus said: “My people, you recognize immediately the meaning of this spinning kaleidoscope as a part of the life review that everyone will see in their Warning experience. You also are astute to know that this is the third Warning message in the last few days which is another indication that the Warning day is getting close. (12-4, 12-2) I am trying to have My people prepared in their souls for what you will

face in your Warning experience. By going to frequent Confession, you can minimize any unforgiven sins that will be emphasized to you in your Warning. Pray for many souls to be converted and forgiven in this Warning. My grace of forgiveness will be offered to every sinner, but I do not force My love on anyone. I will show you your sins and how much they offend Me. It is up to your free will to have a change of heart and seek My love forgiveness. Coming in front of Me in My Light to review your life, may be a traumatic experience, but one that is necessary to wake up people out of their sinful behavior. Once you return to your bodies, you will have a strong desire for My forgiveness and a desire to make Me the Master of your life. Catholics will desire Confession to a priest, while others will seek My forgiveness in their own way. Be thankful that you are being alerted to save your soul and follow Me, instead of following the Antichrist. Do not take any chips in your body, and do not worship the Antichrist, nor look at his eyes."

Sunday, December 5, 2010

December 16, 2010
Sunday, December 5, 2010: (Second Sunday of Advent)
Jesus said: "My people, this cry in the desert by St. John the Baptist was his exclamation, 'Repent', which he repeated often. He was asking those who came to repent of their sins and ask God's forgiveness. He even asked them to be baptized by immersion in the Jordan River. He ate locusts and wild honey, and wore simple clothing in the desert. His mission was to prepare the people for My coming, but not just at My birth. He was preparing the people to hear My Good News that is read now in My Gospels. He was preparing the people for the coming of the Kingdom. Many beautiful images are given in Isaiah which even describes My Era of Peace on My return. The early readings of Advent are talking of My beginning ministry when St. John is mentioned. In the later weeks of Advent you will be

reading of My birth at Bethlehem. Many of your shoppers need to keep focused on Me in wishing each other a 'Merry Christmas' because My coming on earth is the reason for your celebration. This is not just Season's Greetings, but it is My greeting to all of you that I love you enough to become a man on earth, and die for the sins of everyone, no matter what your faith is. So repent and rejoice as you share the season of My birth at Christmas."
Jesus said: "My people, as you prepare your Christmas decorations, be sure to have at least one presentation of a Nativity Scene so people remember the most important part of Christmas. This vision is beautiful because you are seeing a family praying the rosary together in front of a Nativity Scene. Some of you have been fortunate to visit Bethlehem in Israel and have brought home some keepsakes of My Nativity. In this Christmas Season many people are focused on shopping for gifts, but the best gift that you could give Me is yourselves in prayer. When you are gathered around your tree and decorations, you could try to get you family to pray at least one decade of the rosary before you hand out your gifts. If your family is stronger in faith, maybe even a whole rosary could be said with the intentions for the souls of your family. By putting prayer more in focus around your gift giving, you can keep love of Me more in focus on My feast day."

Monday, December 6, 2010:

December 16, 2010
Monday, December 6, 2010: (St. Nicholas)
Jesus said: "My people, the evil ones will be getting worse in the authorities, and the religious persecution will spread to public closing of churches, or they may be destroyed by fire. This is another reason for Masses in the homes until it is time to go to My refuges. Your prayer groups would be good places to meet, but you may have to be secret about where and when to meet. This is why it would be the

right time to start going to a prayer group, or forming your own prayer group. You can see how Christians are being persecuted already in the media, and this will only get worse, just as Hitler persecuted the Jews. It will be harder for Christians to hold jobs, buy food, homes, or anything else. When the authorities mandate chips in the body, or start killing Christians, then it will be time to call on Me to have your guardian angels lead you to My nearest refuge."
Jesus said: "My people, many of your terrorist attacks have occurred around Christian holy days. This vision of a terrorist group is how they are plotting to blow up some crucial power stations that could cripple your electric grid in the middle of winter. Power outages are difficult to recover from, but people are more vulnerable for heating their homes, and finding food during the winter. Important grid locations should have cameras and alert security so you can prevent situations that would cause long power outages. Storms and heavy snow cause enough outages, but sabotage should be a little easier to prevent. This is another reason to have some extra food on hand with another source of heating your house as well. Being prepared for times when you are most vulnerable is the best insurance when bad things happen. Preparing your soul with frequent Confession is another insurance when I will call you home."

Tuesday, December 7, 2010

December 16, 2010
Tuesday, December 7, 2010: (St. Ambrose)
Jesus said: "My people, already in some places in your Northern states you are seeing two feet of snow on everything. This has caused some highway blockages and a few short power outages. Enough snow on the roof can melt and form icicles which can cause water leaks or

damage to the roof with enough weight of the snow. This is why after heavy snows, some people shovel the snow off the roof as a precaution. Keeping a clean driveway or a clear roof can have an analogy in the spiritual world to keeping a clean soul by Confession. In your secular world you like to be able to drive out of your driveway, especially for emergencies. In your spiritual world it is even more important to keep your soul pure in case I call you home in death. Your soul is even more important than your body which will pass away, but your soul lives on forever. During Advent as you prepare for Christmas, you need to focus more on your prayers and frequent Confession so you can present your spiritual gifts to Me at My crib."
Jesus said: "My people, I have given you many messages on the need for fresh water because it is so necessary for survival, but only three per cent of the earth's water does not contain salts. I have mentioned the need for fresh water sources at all of My refuges. I will see to it that all refuges have sufficient fresh water for survival and the wells will not run dry. Water will be multiplied where needed. You have seen problems with pollution and people stealing water for bottling purposes. One of the solutions for increasing fresh water supplies is the use of membrane technology where there is access to ocean water next to deserts. In the West where there are fresh water shortages, membranes could be used on ocean water off California to make more fresh water. This would come at a price people would be willing to pay for. Pray that sufficient amounts of fresh water can be provided for all peoples all over the world."

December 16, 2010
Wednesday, December 8, 2010: (Immaculate Conception)
Jesus said: "My people, you know how I had prepared My Blessed Mother for her role in bringing a Redeemer for My people into this

world. From her very conception she was blessed to have no original sin on her soul. She was to continue throughout her whole life to be sinless so she would be a perfect Ark of the Covenant to carry Me for nine months until My birth. Her Immaculate Heart has always been joined with My Sacred Heart. My Blessed Mother is also a gift to all humanity as your spiritual mother. She encourages all of her children to pray her rosary which contains quotations from Scripture in the prayers. This feast is also a National feast because she is patroness of America under her title of the 'Immaculate Conception'. The basilica in her honor in Washington, D.C. is testimony to her place as your Holy Mother. Give thanks to My Blessed Mother for placing her mantle of protection over all of her children."

Jesus said: "My people, your televisions have mesmerized your people into believing what is said over and over until you are brainwashed to believe the one world people's line. The netting behind the screen shows the TV is dragging people into wasting a lot of their time. There are a few good religious programs, but there are more violent, and promiscuous movies and programs which are sending the wrong message to your young people. You should limit your TV watching to no more than one hour a day, or your children will become dependent on it as a babysitter. Use of the internet on your computers is another source of violence and pornography. Some sites can even cause marriage breakups. This also should be limited in the time you are on it. You can see why it will be necessary to remove these image sources once the Antichrist controls the channels. Especially after the Warning, remove your TVs and computers from your homes so you do not look at the Antichrist's eyes or listen to his voice where he could control your mind. Be aware of possible addictions with TV watching and use of the internet. Pray for My help so you are focused more on spiritual things than worldly things."

December 16, 2010
Thursday, December 9, 2010: (St. Juan Diego)
Jesus said: “My people, you are aware of many relics of My time during My mission on earth. Some have small pieces of My cross, the spear of Longinus, the crown of thorns, and the veil of Veronica. One of the more treasured relics was one they called the ‘Holy Grail’ which I used at the Last Supper for the bread and wine that I consecrated into My Body and Blood. This suffering and death on the cross was My ransom for the sins of all mankind, and it was the reason that I came as a man on the earth. This Advent Season is the beginning of My life story all over again as you will be celebrating My birth on Christmas. There are many peoples that honor My infancy with their novenas and traditions. Give praise and thanks to your Lord who loves you so much that I was willing to die for your salvation.”
Prayer Group:
Jesus said: “My people, large satellites after time have their orbits drawn closer to earth until they breakup. Large pieces that survive burning up usually land in the ocean, but on occasion people mistake them for meteors. These falling satellites are watched by your military, but you are only warned if there is a risk of radiation being spread. With enough care for orbits, such vehicles could be directed to places away from inhabited areas.”
Jesus said: “My people, you have seen many tunnels through rocky mountains to run roads and railroads. Such hardened protection could also house military equipment that could withstand even nuclear attacks. There are many such hiding places that are housing food and protection for your important authorities. Some are underground cities, but others are hidden in rocky mountains. I will protect My faithful at My refuges that also will be shielded from bombs by My angels. The one world people know they are going to meet resistance, so they are preparing these bomb shelters for their own protection.”
Jesus said: “My people, as the persecution of the tribulation is about

to start, it will become necessary to hold Masses in the homes, and prayer groups will need to meet in secret. My faithful have tabernacles, Mass kits, bread, wine, and candles ready for home Masses. Priests and My faithful will be targets for the one world people to kill, so when I give the warning to leave, then bring your priests to My refuges. When you call on Me, your guardian angels will lead you to My nearest refuge. The angels will shield you with invisibility so the evil ones cannot find you."

Jesus said: "My people, you are celebrating the feast of Juan Diego who presented his tilma full of flowers in front of the bishop during the winter. His tilma had a miraculous image of My Blessed Mother on it, and this was a sign that verified Juan's visions of Our Lady as real. This tilma has been a sign of My Blessed Mother's protection of all the Americas under the title of 'Our Lady of Guadeloupe'. Ask for My Blessed Mother's help in prayer, and honor her in any processions using this image."

Jesus said: "My people, it was part of My plan to use the Roman census that would draw all the Jews to their place of ancestry. This was to fulfill the passage from Micah that foretold My birth in the city of David at Bethlehem. (Micah 5:1) 'But you Bethlehem-Ephratha too small to be among the clans of Juda, from you shall come forth for Me one who is to be ruler in Israel..' Some called Me the Son of David because this truly is the lineage of both of My parents. See how all that was foretold about Me in the Scriptures had to be fulfilled."

Jesus said: "My people, the riots in England were part of some austerity measures to try and help balance their budgets and cut their debts. Take a good look at this protest because you could see such riots in America when your own Federal and State governments start cutting your overspending with entitlements in order to balance your budgets. Some are crying over no Social Security raises and no government employee raises. What will happen when pensions and other entitlements cannot be paid because there is not enough money to pay the people. Truly you could have riots which is why the one

world people are ready with their underground cities that would protect the elite from harm. Trust in Me to feed you and shelter you at My refuges."
Jesus said: "My people, many Spanish speaking countries honor Me with a novena of prayers before Christmas. Some of you have Santo Nino statues of My infancy at your home altars. By praying this novena, you could have the souls of your family as your intention to pray for. You could also do this novena as there are several on the internet to follow."

December 16, 2010
Friday, December 10, 2010:
Jesus said: "My people, in several situations with Moses at Mt. Sinai, God the Father shared graces with the people of the world in giving them the Ten Commandments. Now in the last century or so there have also been apparitions received on the mountains by young children through My Blessed Mother. The mountains have a holy aura for graces and the mercy of God that have been shared with all of mankind. Some people do not want to follow My Commandments because it makes demands of love on their lifestyles to be without sinful earthly pleasures. Those, who want to gain heaven, need to pray and follow My laws which are really guidelines of how to lead a holy life. Even the messages to the children also are a help to guide your lives to heaven. Be grateful that heaven has revealed to you the gifts of My Commandments of love and the messages of comfort from My Blessed Mother."
Jesus said: "My people, you have seen throughout history how those in power have created false flag* events to trigger a desired war. Part of America's problems is that Congress is no longer claiming their power to declare war. Instead the President and those desiring war are making that decision. Now in some countries as England, France, and

Greece, you are seeing riots among the people over austerity changes to correct overspending. Even your talk shows are concerned that austerity changes in America could precipitate riots among interest groups. What is more concerning is if some elements of your society do not get their way with the new Congress. You could see some false flag* riots in order to declare martial law. Once martial law is invoked, the one world people will have their opportunity to force a new world order over you in forming the North American Union. If you see wholesale riots all over America, then be ready to leave for My refuges. Martial law will be a license for the one world people to kill the religious and patriots who are their real targets. Then you will see the men in black take prisoners to boxcars for extermination at their death camps. By leaving early for My refuges, you can avoid being captured by the evil authorities. Pray for My word when it is the right time to leave your homes."
*(Note: False flag operations are covert operations designed to deceive the public in such a way that the operations appear as though they are being carried out by other entities when in fact they are the plan of the one world people.)

Saturday, December 11, 2010:
Jesus said: "My people, many of My prophets were killed because they carried My message, but the worldly people did not want to hear them because the prophets criticized the evil ones' lifestyles. Even St. John the Baptist criticized Herod for living with his brother's wife, so she had him beheaded. In the Gospel I told My apostles how I would be mistreated as well, and even be killed. The worldly are constantly seeking money, fame, and power. The Christians instead are seeking love of God and their neighbor as themselves. Those, who follow Me, I help with their necessities, but they share what they have, and desire

to do everything for My greater glory. Those, who kill, cheat, and steal for their own personal gain, are on the path to hell if they do not repent. Do not be surprised then that when you follow My ways, you will be unpopular, criticized, and you may even have to suffer as I suffered at the hands of men. Those, who are faithful to My Word, will have their reward in heaven, despite any abuse that they may suffer for spreading My Gospel."

December 16, 2010

Sunday, December 12, 2010: (3rd Sunday of Advent,Guadeloupe)

Jesus said: "My people, you are getting closer to Christmas as you celebrate the Third Sunday of Advent. Your themes have been 'Stay Awake', 'Repent', and now 'Rejoice'. This celebration of My coming Kingdom is reason for rejoicing, and it is why you see the rose colored vestments worn today. You have St. John the Baptist preparing the way for My ministry as he calls people forth to change their sinful lives. The vision of the Star of Bethlehem represents My Light that is dispersing the darkness of sin. You are seeing the nights getting longer now. After My birth the nights will grow shorter and the light of day will grow longer. Rejoice in this Advent Season, and be thankful for My coming to save all of you from your sins."

Jesus said: "My people, the coming Antichrist will use your large football stadiums to talk to thousands of people at once how he wants to have them worship him with his demonic power of suggestion. He will also have his appearance broadcast to all the other nations via satellite TV. This is how he will spread his influence all over the world. Once he takes power, My people will need to be at their refuges of protection. Do not look at his eyes or listen to his voice. After the Warning, this is why you need to put your TVs and computers out of your homes so he cannot control your minds. Beware of mind control techniques being used on large groups of

people wherever they are meeting."

December 16, 2010
Monday, December 13, 2010: (St. Lucy)
Jesus said: "My people, when you first start out in life, the length of your life is not a concern. As you get into your 60s, then you start planning more seriously in the event that you could die at any time. You also could die when you are younger, but you really are more concerned once you start collecting Social Security. Your life is full of opportunities to help people, and even more so once you are retired. If you do not have another mission, you can take a small job just to keep busy. Try and make the best use of your time, especially while you are healthy. You can help your family, friends, or spend more time in prayer. You have been busy most of your life, so you will find other things to do once you retire from working. In all of your activities at any age, you need to keep focused on Me as the center of your life. However many years that you are given, keep doing all that you can for My glory."
Jesus said: "My people, you are experiencing some freezing weather along with some lake effect snow. This saw over the ice in the vision is an idea of the cutting cold weather that is affecting your airplane flights and other vehicle movement in these storms. I have warned you before of how vulnerable you are in the cold winter weather. Imagine if you lost your electricity, how important it would be to have a backup source of heat and light. This is why I have asked you to store one year's supply of food, and a winter's supply of wood and kerosene along with the needed heaters. When the one world people want to take you over, you could see how they could control people through their needs for food and fuel. At My refuges My angels will supply your food and shelter needs, so trust in My protection. Even at the refuges, everyone will have their own job to do, as you will be

busy in providing for your survival. Pray more that you will guard your soul for its needs of being pure than any needs of the body."

December 16, 2010
Tuesday, December 14, 2010: (St. John of the Cross)
Jesus said: "My people, in your snow and cold many airplane flights were cancelled. Even with all of your sophisticated electronic devices, the weather can humble all of man's plans. There is just so much that man can control, but My creation is too awesome to overcome. Snow and ice storms give a reality lesson to My people whenever you are feeling high and mighty. The rich one world people think that they can control humanity, but they are sadly mistaken. I am still in control, and I will allow the Antichrist a brief reign before I will vanquish all the evil ones into hell in My justice. Just when you think it is hopeless to carry on, I will intervene and set all things to My way as creation first started. Rejoice in My Christmas Season, but you will rejoice even more when I come on the clouds in victory."
Jesus said: "My people, the wheat is harvested and ground to make flour for bread. It is the unleavened bread that the priest consecrates with the wine into My Body and Blood. Those, who eat My Body and drink My Blood worthily, will have eternal life. My Eucharist is real food for your soul, as you are partaking in My Real Presence that allows you to be My tabernacle until the Host is consumed. Holy Communion gives you the spiritual strength to heal the wounds of your sins, and make you strong against temptations to sin. Be thankful that I give Myself to you at every Mass. St. John of the Cross shows you how important it is to take up your own cross and follow Me in your life's actions. When you carry the cross, you are bearing the burdens of everyday life. Be true to Me and trust in Me that by suffering your cross with Me, you can gain eternal salvation."

Wednesday, December 15, 2010

December 30, 2010

Wednesday, December 15, 2010:

Jesus said: "My people, when St. John the Baptist's disciples were asking if I was the Messiah, I gave witness to him of the healing of the blind, the deaf, the lame, and even the dead being raised. These were the prophecies given of when the Redeemer would come, so St. John would recognize these signs. Even in today's world you are still seeing conversions to the faith, and some healings are seen, as well as some exorcisms. My gifts are shared with those who believe, and those that I have given special missions. These miracles are signs for the unbelievers and confirmations to those who serve Me. Most healings of the body are combined with healings of the soul. Many are healed who believe that I can heal them. The most important healing is in saving souls from hell. That is why My evangelists are doing the best service to people that can be done for them. Believe in My Good News, and you will have rest and peace in your soul."

Jesus said: "My people, your snowfall from lake effect squalls has been heavy already, and it will continue for some time during your winter season. It is one thing to deal with snow storms, but you may also have to deal with another flu season. Your seasonal flu viruses tend to spread when the weather is cold. During the summer these viruses die off before they can infect someone. I have warned you that the one world people will use pandemic viruses in order to reduce the population. Since these viruses survive better in the cold, then they would most likely spread such viruses in the winter by using chemtrails. I will warn you when it is the right time to leave for My refuges. If you come to My refuges soon enough, you will be healed of all sicknesses by looking on My luminous cross or by drinking the spring water. By being at My refuges, the evil ones will not be able to capture you or be able to put microchips in your body. Rejoice that I will protect you and feed you what you need to survive. You will also

have My angels feed you My daily Eucharist, and with priests present, you could have Confession of your sins. I will be healing your body and your soul just as I healed the whole body when I was among My people."

December 30, 2010
Thursday, December 16, 2010:
Jesus said: "My people, in your society that is always interested in having something new, you have created a second market of used computers and used cars. As these things are passed down, eventually they become so out of date that your used things are thrown into a junk pile. Some people even make a market in old parts as replacements cheaper than new parts. In your spiritual life you also are dealing with old sinful habits that you find hard to discard. You also need to be wary of the devil's tricks in calling things 'new' when they are really old. You have a 'New Age' movement which is nothing new because it is nothing more than pagan idol worship dressed up with a 'new' name. It is man's curiosity in these old sins that has attracted him to 'new' sins of old ways. Worship only Me at all times, and you will not be confused or distracted by the devil's tricks."
Prayer Group:
Jesus said: "My people, man's fascination with identifying people by placing chips in people should be avoided at all costs to avoid misuse of mind control techniques. Your latest means of bar coding embryos and chipping babies is another tactic by the one world people to control all babies at birth. Those, who have chips in their body, could be controlled by voices from these chips. Do not take any chips in your bodies, even if the evil ones threaten to kill you. This is why you need to come to My refuges so these evil ones cannot put chips into your body."
Jesus said: "My people, I have shown you these riots in Greece

because America will also have to employ austerity measures when those holding your Treasury Notes demand it. In Greece salaries and pensions are being reduced and the retirement age is being raised. America cannot keep overspending and reducing taxes because your debt is ballooning beyond your ability to finance it. Just as your states are struggling with their debts, both your Federal and state governments will need to balance their budgets or face fiscal bankruptcy. Pray that you work on your debts before they become too large to service."

Jesus said: "My people, your war in Afghanistan needs to come to an end because you cannot afford the human losses nor the debts they are costing. This war has dragged on for many years without any benefits to show that it is necessary to continue. Terrorists can hide anywhere and rooting out a few hideouts at your current cost cannot be justified. Work to have peace in this area because this war only gives profits to the rich."

Jesus said: "My people, you are seeing an ongoing proliferation of nuclear weapons in countries advocating war and terrorism. This is why any agreements to lessen your defense does not make sense against rogue states with atomic weapons. A proper defense can be justified, but large weapons budgets could be better spent on helping the poor. Your spending priorities need to be further studied for cuts, and you may need to raise taxes to balance your budget. Spending more stimulus funds has not really given you any more jobs."

Jesus said: "My people, your corporations and banks have been bailed out with stimulus and bailout money from the taxpayers. As a result, both corporations and banks are making billions of dollars, but jobs are not being funded very much and bank interest for savers is practically non-existent. The intent seems to be to send people's money into stocks so the rich can steal it again with another stock crash. This total control of money is what the one world people want so they can keep your people poor, and keep you under their control. Pray that My justice will come quickly on the evil ones who are

greedy for power and riches."
Jesus said: "My people, the Warning is needed to wake up sinners to see how much they need My help to have contrition for their sins, and work to convert their lives to My way of life in order to gain heaven. My intervention in protecting My faithful remnant at My refuges gives hope to all of My people who desire to follow Me instead of the Antichrist. It is My angel protection that will shield My people from the evil ones who are trying to kill you. Be grateful for My intervention against all the evil ones of the coming tribulation."
Jesus said: "My people, some of My faithful are brave enough to have Nativity scenes as their house decorations outside for Christmas. This is a statement of your belief in why I came on the earth to save mankind from their sins. Rejoice in celebrating this Christmas Season with gifts to each other, but share your gifts as well with the poor who have next to nothing. Help your local food shelves with donations to supply people with food. Give your gifts of prayers as well to help souls come closer in loving Me. By sharing your treasure and evangelization efforts, you will store up treasure for yourselves in heaven."

Friday, December 17, 2010

December 30, 2010
Friday, December 17, 2010:
Jesus said: "My people, you are seeing a transformation of the Antichrist from a demon controlled human into a demon possessed human. In the vision you are seeing his eyes change from brown into black once the demon entered him. This will take place once he comes into power. This is another reason not to look at the Antichrist's eyes, and to get rid of your TVs and computers after the Warning so you do not see him or hear his voice. This demon possession of the Antichrist is to mock My Incarnation as a man which you are celebrating at My

birth. This is why you are to avoid the Antichrist because he will have demonic powers to try and force you to worship him. You will need My protection and that of your guardian angel to bring you to My refuges where you will be protected from this demonic power, and your spiritual and physical needs will be provided for."
Jesus said: "My people, you read the Scriptures about the events that led up to My birth in Bethlehem. Having a Nativity scene among your Christmas decorations should be essential to celebrating My birth on Christmas. Yet, you have many other traditions about Christmas. St. Nicholas truly did share gifts with the poor, but the reindeer and elves have been more of a story than reality. Every year you put up Christmas trees, but how much do you know of this tradition and where it came from. My Star of Bethlehem is a miracle that led the Wise Men to see Me. This is in Scripture, but many scientists are baffled about how this could happen. Everything in Scripture that prophesied about Me had to be fulfilled. Rejoice that I came on the earth as a man so I could redeem all of mankind by My sacrificial death on the cross."

Saturday, December 18, 2010

December 30, 2010
Saturday, December 18, 2010:
Jesus said: "My people, during the Christmas Season you do a lot of shopping to share gifts on Christmas. You can think of the Magi who brought Me gifts of gold, frankincense, and myrrh, befitting a king. As you see the gold tabernacle in the vision, you can think of how you bring Me gifts of your prayers and good deeds, but I give you the gift of Myself every time that you receive Me in Holy Communion. In this way we are also sharing gifts with each other, but more in a spiritual way than in material things. Rejoice in this season of Advent as you share your good will with your relatives and friends, in addition to your physical gifts. When you pray with each other, you are asking

Me to share in your joy of worshiping Me as the infant in the crib." Jesus said: "My people, you are seeing unusually cold and snowy weather, and increasing costs for your fuel in gasoline. There has been an increase in world demand for oil and the value of your dollar has also been dropping. Your government has been spending much more money than it is collecting in taxes, and soon your economy will have to survive without any more stimulus giveaways. As I showed you these trucks, think if they have problems delivering your food and gas to your stores. The drivers are also dealing with higher fuel costs and poor weather. This is another reason to have some extra food and fuel available in case you may face some shortages caused by missed truck deliveries. It is one thing to help poor people with gifts of food, but imagine when many people do not have enough food to eat or fuel for their cars. Many are having hard economic times with fewer jobs or less paying jobs. They do not have many reserves to get through continuing money shortages. Pray that people help each other with their needs, before people get desperate to steal what they need."

December 30, 2010
Sunday, December 19, 2010: (4th Sunday of Advent)
Our Lady said: "My dear children, my human spouse was St. Joseph and he was a caring man on earth who took care of me and my Son, Jesus. Even though the evangelists did not record his words, they did record his actions which were very loving in taking me into his home. When I accepted being the Mother of my Savior, I knew that I may be subjected to criticism from the society. But St. Joseph listened to the angel and understood God's plan for Jesus. He also led us to Egypt and back to avoid Herod's attempt to kill my Son. Pray to St. Joseph because he is a model father of my Holy Family. All fathers should see his concern and care for his family, and model their lives after his love for his family. Despite all of life's trials, fathers need to be true to

their wives in helping them, and the children in their support. Part of America's moral breakdown comes from the fathers who have left their families in divorce and separation."

Monday, December 20, 2010

December 30, 2010
Monday, December 20, 2010:
Jesus said: "My people, My Blessed Mother had been prepared for many years to be the sinless virgin who would bring Me into the world. Truly she was 'Blessed' among all women to fulfill this task for all humanity to carry Me in her womb for nine months. My Blessed Mother always did My Will, and this question of St. Gabriel was her fitting time to give her fiat 'yes' to be My mother through the overshadowing by the Holy Spirit. This was the first human step of My redemption of mankind when I became impregnated in My Blessed Mother. This is why My Blessed Mother was an integral part in man's redemption through My Incarnation as a man to later die for mankind's sins. You are about to celebrate My birth at Christmas, but many preparations had to occur before this event could take place. Give thanks to Me and to all of those who were a part of My plan of salvation for mankind."
Jesus said: "My people, your freedoms in America are being lost every day. All of your remaining freedoms will need defending to keep them from being taken away. Even with your change in the Congress, many good laws may not get passed over your President's veto. You will see increasing regulation coming from the Executive branch that is taking powers away from your Congress and your states. Once your freedoms are taken away as with the North American Union, then My faithful will need to go to My refuges for protection from being killed by the one world people. Enjoy the few freedoms that you have now, because you will see more and more dictatorial power forced on your people. Pray that most of you can get

to My refuges before being martyred."

Tuesday, December 21, 2010

December 30, 2010
Tuesday, December 21, 2010: (St. Canisius)
Jesus said: "My people, many people are always worrying about what will happen tomorrow, which is why you are looking around the corner in the vision. You can do what is prudent for everyday planning for tomorrow, but you cannot live your life in tomorrow. You can only live today, and the troubles of today are enough for your concern. It is the present where you act out your plans, and even at times you have to change your daily plans because of changed circumstances. Focus on doing everything for My greater glory, instead of seeking glory for your own deeds. Also, do not live in the past either, because you need to have faith in Me to lead you on a better path learning from your mistakes. By living in the present, you will be able to focus all of your energy on your work at hand without worrying about tomorrow or yesterday."
Jesus said: "My people, I have mentioned before how vulnerable you are if your electricity is cut off. You are also vulnerable to a communications break down as well. You have become so used to making bank transactions over the internet for individuals and for businesses. You also transmit data and voice messages over your phone and cell phone. Depending on the electric source for the phone lines, land lines have their own electric source, but cell phones would not work without electricity. You can realize how everything would come to a halt without such communications. In the spiritual world our lines of communication are always open, even after your death. The only problem could come if a person does not want to talk to Me in any form of prayer. I am always knocking on the door of your heart and soul, and you have to open the door from the inside in order to have a working love relationship with Me. So work with Me on your

prayers. You need an open mind, heart, and soul to accomplish your mission on earth. The point of My message on communications is that you have to keep the line open so we can have a two-way conversation. Give thanks to Me for enabling you to do all that you are accomplishing."

Wednesday, December 22, 2010

December 30, 2010
Wednesday, December 22, 2010:
Jesus said: "My people, in today's Gospel you are reading My Blessed Mother's Magnificat that is read every night in the Liturgy of the Hours. She is a model to follow because she lived in My Divine Will, and she was sinless her whole life because of her love for Me. She was blessed to be My mother, but she was humble, followed My Will, and reached out to help others as she helped Elizabeth in her late pregnancy. She was a good teacher in My younger years, and she was a beacon of faith for My apostles. Give thanks and glory to God that you have such a loving spiritual mother who watches out for all of her children."
Jesus said: "My people, your winter has just started and you are already seeing high snowfalls in some areas, and floods in California. Even tonight you are having a small amount of freezing rain. Some have had power outages from heavy snow, but you know how devastating ice storms are for power outages. Pray that you do not suffer such a storm this winter. Whenever you see freezing rain, it is a sign to you to check that you have some extra food, alternate fuel for heat, and lamp oil for lights. Having some windup flashlights that work would also be good to have on hand for seeing at night. In some Northern states you have been without power for a few weeks in the past years, so you know how difficult it is to keep warm without electricity. You also may want to test your alternate heaters to make sure that they are in working order. I mentioned these preparations

before, but when you have a near miss ice storm, you get a reality check on something that could easily happen."

Thursday, December 23, 2010

December 30, 2010
Thursday, December 23, 2010:
Jesus said: "My people, there were many events that had to be fulfilled for My plan of salvation to be carried out. One miraculous event was the birth of St. John the Baptist to his parents Elizabeth and Zachariah who were advanced in years, for everything is possible for Me. Zachariah was struck deaf and dumb for not believing St. Gabriel's message that he would have a son. At the birth of St. John, Zachariah gave a beautiful canticle that is read in the morning for the Liturgy of the Hours. St. John was prepared as My messenger in the desert who would herald My coming and prepare the people with repentance. As you are about to celebrate another Christmas, you can see how all the pieces of salvation history were orchestrated and brought together so all souls could be redeemed by My sacrifice."
Prayer Group:
Jesus said: "My people, as you are about to celebrate Christmas, there is much preparation at each church to give honor to My birth. This year your church's Nativity scene is especially beautiful with your different statues. Many of your people will be grateful for these beautiful decorations. Christmas is a solemn feast day in My Church, and it is one of the major highlights in your Church Year. As you celebrate in giving your gifts to each other, remember to say your decade of the rosary before you open your gifts."
Jesus said: "My people, even as you celebrate My feast of Christmas, remember in your prayers to pray especially for those families who have lost their homes to various natural disasters or terrorist actions. Some terrorists plan their attacks around Christian holy days as a defiance against any belief in My coming as the Son of Man. They

believe that I was only a prophet, and not God incarnate as a man. My coming to earth as a man had an exact reason, to bring salvation to all of mankind by My death on the cross. Defend My Incarnation as a man to witness to the world that God truly has visited His people."
Jesus said: "My people, the angels sang My song of glory for the shepherds, and they led the shepherds to My crib at Bethlehem. Rejoice in their singing: 'Glory to God in the highest and on earth peace among men of good will.' The angels brought their light to My crib. Wherever you see Me, as in My Blessed Sacrament, My angels are around Me singing My songs of praise as they do in heaven. If you were to see Me in heaven, you could hear all the choirs of angels singing My constant praises."
Jesus said: "My people, in My day there were not many ways to draw attention to a great event as My birth. So I used natural means to display notice for a supernatural event when I was born as a man into your world in the history of time. You have recorded history of My time on earth as you measure your years by before and after My birth. There are some atheists that want to do away with the meanings of B.C. and A.D. See that I watch over My people, and I love you so much that I died for each one of you."
Jesus said: "My people, there is a great richness in the promise of a Redeemer who would come to My Jewish people. This vision of the Wailing Wall represents the remnants of the old Temple. I have built My Church on a new rock in My apostles, and on the kingdom that I brought into the world. I have come to save all peoples of all nations, and not just the Jewish people. When St. Paul reached out to the Gentiles, you could see the true universality of My Word that I have brought to all of mankind, even if some do not believe in Me."
Jesus said: "My people, you are seeing some areas expanding My churches, but there are more churches being closed. Where the faith is strong, there are plenty of priestly vocations and whole families are coming every Sunday to Mass. Where the faith is weak, your attendance at Mass is falling and there are priest shortages. My

religious leaders need to do their job in building up the faithful numbers."
Jesus said: "My people, if you truly want to come and share your gifts with Me on Christmas, then make an effort to come to Mass on Christmas Day or the vigil so you can be with Me in My Eucharist. My sacramental Presence reaches out to all of you so you can share in the graces of My Eucharist. Christmas is one of My great feast days, so you should make an effort to come out to greet Me and give Me praise and glory in your singing. Pray for all of your family and friends that you could be an inspiration in leading them to Me in heaven. Saving souls should be your most important vocation in life."

December 30, 2010
Friday, December 24, 2010:
Jesus said: "My people, I was fortunate to find a place to stay in a cave for the animals. Today, many families travel great distances to be with each other on Christmas Day. You usually have a big meal and then share your gifts around the Christmas tree. Only this year you will be praying a decade of the rosary before opening your gifts. Remember this moment with your pictures as you pray for your family members to save their souls. You have seen in the Scriptures how the shepherds and the Magi traveled a great distance to see the new born King. Even today, you would travel a distance to receive Me at a Mass. In some areas of the South you had to travel hundreds of miles to find a Catholic Church. In the coming tribulation you also will find it difficult to have a priest for a Mass. By the grace of My angels you will have daily Communion, even if you do not have a Mass. Rejoice while you still have your churches for daily Mass, because a time is coming when they will be closed by the evil ones."
(Vigil Mass) Jesus said: "My people, in this vision you know that I am the Second Person of the Blessed Trinity. Yet, with all of My power in

the universe, I was able to take on a human nature and I still remained God and Divine at the same time. This Incarnation into a human is a mystery that is hard for man to comprehend. Still, becoming a man was part of My means to redeem all of mankind. Many prophecies were given of My coming, but some people had different expectations of Me coming as a powerful king to free the Jews from the Romans. Many had difficulty in accepting My Gospel of love because it meant changing from a life of greed and pleasure. Even the people of today have the same difficulty because man's desires and wants have not changed over the years. The real understanding comes when each of you discover that you have a spiritual life in your soul that can only be satisfied with My peace. Follow your spiritual desires to be with Me more than any worldly desires of the body."

December 30, 2010
Saturday, December 25, 2010: (Christmas Day)
Jesus said: "My people, I am your Lord and God at any age, even as an infant. You can pray to Me as Santo Nino, a twelve year old boy, or as a grown adult because I am the same Jesus. I could have come with more glorious power, but I came as an innocent baby, born to a poor family. I chose a humble beginning with very little of My younger life that was recorded in the Scriptures. It was My teaching ministry and My Passion and death that you know the most about because that was My mission on earth to redeem all of you. You all are born as innocent children, and it is what you do with your life that you will be held accountable for. I have given you My life as a model to follow as well as My Blessed Mother. We were without sin, but you can still strive for perfection in this life. Call on Me to help you every day to follow My laws and share your gifts with everyone."

Sunday, December 26, 2010: (Holy Family Sunday)

Jesus said: "My people, this Sunday is dedicated to My Holy Family, but it is also meant for all families. Just as I called fisherman to be My apostles, I am always searching for souls to pull them into My love. The family is based on love and it is beautiful. A man and woman are joined in marriage with the sacrament of Matrimony. It is love that brought them together for a life long commitment. Just as it is out of love that I have created everything, so it is out of love that children are brought into the world. It is in this family setting of loving parents that the children are raised up to adults. This is why fornication, adultery, and divorce are destroying family life in the way that I meant it to be among you. Marriage is a responsibility in faith as well as living according to My laws. Living together does not have the same commitment in neither faith nor bringing up children. When your society is more concerned with pleasure and materialism instead of living in loving marriages, then you can see the downfall coming in your country. Pray for all married people and that your children see the need to avoid living together in sin."

Jesus said: "My people, all of the signs and symbols in the vision are another description of the coming Warning. The stage of life is where you perform your daily actions, both good and bad. The flames represent the souls of life who are each accountable in their life review. The circling glass clock means that the time of the Warning is getting close. Your life review will focus on your unforgiven sins, so your best preparation is to go to frequent Confession at least monthly. The Warning will be an opportunity for even the worst sinner to have a second chance at changing their lifestyle. This will be a spiritual wake-up call also for all the lukewarm souls who could be lost if they do not change their lazy ways. Your judgment will show you where you are headed if you continue on your present path. Returning to your body will give you a second chance to be saved which is more

than those who die without this opportunity. Keep focused on Me as your love that you would want to be with. By accepting Me as Master of your life and seeking the forgiveness of your sins, you could receive eternal life in heaven."

December 30, 2010
Monday, December 27, 2010: (St. John the Evangelist)
Jesus said: "My people, St. John is the one apostle who loved Me most as His Master. He was the only apostle not to be martyred, and he took care of My Blessed Mother in her later years. He wrote his Gospel later with a heavy emphasis on My Resurrection, as he saw the empty tomb in today's Gospel. He also wrote some letters and the Book of Revelation on Patmos. His writings are words of hope and encouragement for My faithful. His words on eating My Body and drinking My Blood that would give eternal life are very direct and profound. His words about the end times are very connected to My son's mission of preparation. Continue to proclaim My promises, and keep leading My people to My refuges of protection. Know that in the end I will defeat the evil ones and bring about My Era of Peace."
Jesus said: "My people, with a steady number of volcanic explosions, you have seen a lot of smoke and particles get placed in the upper atmosphere. With a sufficient amount of clouds and dust, there could be a reduced amount of sunlight that could have a cooling effect on the earth's temperature. Unless there is an increase in sunspot activity, there may be more global cooling than global warming. Just when scientists think global trends are going in one direction, then natural occurrences create an equilibrium with no net change. The bigger events will be going on with an increase in evil more than any natural disasters. Pray that My faithful will be ready to go to My refuges before more of My faithful are martyred."

December 30, 2010

Tuesday, December 28, 2010: (Holy Innocents)

Jesus said: "My people, you saw Moses in the vision today as the parallels with Me are many. We were both threatened with death in our infancies. Moses was protected from death by the Pharaoh's daughter, and I was taken to Egypt with My parents so Herod could not kill Me. Herod killed all the boys up to two years old in Bethlehem, which is the reason for today's feast honoring these holy, innocent babies. Even today many innocent babies are still being killed by abortion. Moses had a mission to save his people from the Egyptians as he brought them to the Promised Land. I had a mission to save all of humanity from their sins by My death on the cross. Moses celebrated the Passover meal with unleavened bread and the wine. At the Last Supper I also celebrated the Passover meal, but I consecrated the bread and wine into My very Body and Blood. This is a new spiritual manna that gives eternal life at every Mass. When Moses was in the desert, there was miraculous food and water that were multiplied. During My ministry I performed many miracles as well in multiplying the bread and fish for the multitudes of people on two occasions. Moses raised up the bronze serpent to heal the people from their snake bites. I was raised up on a cross and many were healed by the sacrifice of My Blood. There are many such parallels of the Old Testament accounts with the New Testament. As you read the Scripture accounts, you can learn how to be a good Christian by loving Me and your neighbor as yourself."

Jesus said: "My people, keeping the city churches open has become a financial problem for the pastors of these churches. Every church has expenses to keep operating: for mortgages, heating, lighting, and paying the staff. Some Catholics still think that they can just put a few dollars in the basket and the church will keep running. All church

expenses have to be covered by the donations of those who attend. In the city the people may be hard pressed to donate what is needed to keep the church open. Not only are your city churches dealing with poor attendance, but the people cannot afford to pay much. Without some big supporters, these churches will be closing by the hundreds. This is the current problem, but in the future the persecution will close all churches as in Russia at one time. My faithful will soon need to have Mass and prayer groups in the homes. This is why I have asked you to have Mass supplies in the home and prepare your priests for when they will have to flee or come to your homes. As the religious persecution gets worse, you will be forced to come to My refuges of protection. Call on My help and I will provide for all of your needs at My refuges."

John Leary Messages Year 2011

January 2011

Wednesday, December 29, 2010

January 13, 2011
Wednesday, December 29, 2010: (St. Thomas Becket)Jesus said: "My people, in days past when My faithful were being martyred for their faith, some hid in caves as the catacombs around Rome. In other places in the Bible, Elijah and other prophets hid in caves to avoid being killed by those who did not like their message. My son, your message of preparation in the end times is also a difficult message that many do not want to hear. As the persecution gets worse leading up to the Antichrist, your life and others will also be at risk for martyrdom. A time will come when you will be called into hiding at My refuges. I want all of My faithful to never deny their love for Me, even if it means that your life may be endangered. Better to die a martyr's death than live your life in denial of your faith. Many people put their life on the line as soldiers or policemen. If you could risk death for a good cause, how much more should you be willing to die for your faith in Me? Dying as a martyr may be a difficult decision, but I will give all of My faithful the strength to endure this test if it is required of them in the coming tribulation."
Jesus said: "My people, this vision of an empty throne is a sign that the Antichrist will be coming into power in a short time. I have given you messages before that the one world people are forming unions on every continent to focus power on the unions and away from any people who are patriotic to their country. Once they have formed these unions, as the European Union and the North American Union, then the one world people will give control of these unions over to the Antichrist who will be allowed to control the world. His seat of power will be set up in the European Union and the Antichrist will have a reign of power of less than 3 Â½ years. This will begin a reign of evil that you have never seen before. Once the Antichrist declares himself, My faithful will need to seek My protection at My refuges. Refuse to take any chip in the body, and refuse to worship him. Do not look at his eyes or listen to his voice. By following My direction you will have angels at My refuges who will protect you from any evil demons, or virus diseases. Trust in Me and I will come to defeat

the evil ones and bring about My Era of Peace."

January 13, 2011
Thursday, December 30, 2010:Jesus said: "My people, you have read of St. John the Baptist in chains, and also St. Peter and St. Paul. Many of My disciples and apostles were captured in prison with chains, and later they were martyred for their faith. This religious persecution is about to be repeated in the coming tribulation. You will again see some of My people shackled on trains and delivered to the current death camps for execution. This is why I am preparing refuges with people that I have inspired, so My faithful will have places to go in order to avoid being captured by the one world people. Some will be martyred for their faith, but I will lessen the pain to allow them to endure it. These martyrs will become instant saints in heaven. For those, who come to My refuges, they will be protected from harm by My angels, and I will provide for their needs during the reign of the Antichrist. Have no fear, for I will give you My peace in all of this struggle. After the Antichrist" time, I will come with My victory over all the evil ones, and I will establish My Era of Peace."
Prayer Group:Jesus said: "My people, this spinning globe is a sign of how I will speed up the earth on its axis so the time of the tribulation will be shortened for the sake of the elect. The football field represents the time from September to February when the Warning will most likely occur. My people can prepare themselves with prayer and Confession of their unforgiven sins. The Warning will be your sign of the events that will lead up to the coming of the Antichrist into power."
Jesus said: "My people, at the end of the tribulation I will bring My Comet of Chastisement to enable My victory over all of the evil ones. As the comet strikes the earth, many volcanoes will erupt, and the ash will block out the sun creating the Three Days of Darkness. In the vision you are seeing 72 hour blessed candles that will give the only light during this darkness. Remember to take such a candle with you in your backpacks on your way to My refuges."
Jesus said: "My people, I have asked My refuge builders to have one building dedicated for sleeping quarters for My faithful. This is why you are looking at the roof of such a building, as I will multiply such buildings as needed. Those, who are preparing their refuges, need to have some food, fuel, and water so I could multiply these things that people need for their survival."

Jesus said: "My people, all of My faithful that come to My refuges know and follow My Commandments. Among all the buildings that will house My faithful, you will all be on the honor system with no stealing accepted. You will all be in loving communities that will not require locks as you do now in the world where there are thieves. Just as you trust in Me, so you will have to trust each other because everything belongs to Me, and I share it with all of you. By helping each other to survive by using your own talents, everyone will have what they need. Be loving of each other as you pray to Me. You are all one family with Me as I protect you from the evil ones."
Jesus said: "My people, freedoms are granted to everyone from My authority. When your leaders or Congress take away your freedoms, they are not serving the common good because they are serving only themselves. Various forms of government have been time tested, but unless you work to preserve your freedoms, others will take control over you. This is why following My laws and keeping your focus on Me is very crucial for any form of government to continue."
Jesus said: "My people, all forms of government need to have a means to defend themselves against outside armies. You may have a good republic democracy, but without a proper defense, other peoples could destroy you. Defending one's country is acceptable, but using military might to control your neighbors is an abuse of your power. America has defended others from dictatorial leaders who wanted to control the world. America does not have the right to change other countries for its own gain. Fight to keep peace in the world so everyone will have the same freedoms."
Jesus said: "My people, you have a new Congress running your government, and there will be some hard decisions that need to be made in order to keep America from collapsing. Pray that your leaders will follow My model of love instead of following their own greed. America's deficits and overspending need to be reined in or you will be headed for bankruptcy and collapse of civil order. Balancing budgets, even if austerity budgets are required, will cause some conflicts when people do not have their expected entitlements. Compromises will be required for what is best for your country to survive. If there is no change, then you will see the chaos and confusion in the vision that could result. Pray that your leaders make the right decisions for your country to survive."

January 13, 2011
Friday, December 31, 2010: (Paul Macaluso's Funeral Mass)Jesus said: "My people, it is a very sad occasion when parents have to bury their younger son, as Paul. This vision at a deli meat counter was how Paul loved to eat and share with his family. A sudden and unexpected death is also hard on the family who wanted to hear his last words. My Blessed Mother and I met Paul when he died, and he was met also by his deceased relatives. Paul sends his love to all of his family and friends. He is in a peaceful place, but he asks all of you to have Masses said for him. He will be watching out for all of you. Paul was grateful for all the prayers that were said for him, and also for those who were instrumental in allowing him Confession, the last rites, and the scapular. He wanted you all to remember him by visiting his grave from time to time."
Jesus said: "My people, you have seen movies before, but when you get to know the actors behind the scenes, it adds depth to how these actors can perform. My people are also actors on the stage of life, but you also know the actors in your life and how you fit into their life experiences. Movies are run by a script, but in real life there is no script. You are all asked to be the best that you could be. Everyone has their own talents, but I call all of them to use their talents to carry out the mission in life that I have called them to accomplish. You all have to pick up your cross and carry it with Me. Share your suffering with My suffering on the cross. By following My laws of loving Me and your neighbor as yourself, you will gain eternal life with Me in heaven."

January 13, 2011
Saturday, January 1, 2011: (Blessed Virgin Mary, Mother of God)Jesus said: "My people, when you see Me as an infant and other animals as newborns, then you can begin to understand a little more of My creation and My plans for mankind. Humans are the only animals with souls, as you are made to My Image with free choice. Everything on earth is provided for man's use, but not for your abuse. In every age you see the cycle of life from birth until death. Your time on earth in reality is only for a short time relative to eternity. This is why every day, you need to make the best use of your time in accomplishing your mission on earth. In essence it is the value of souls that are important, and you should be focused on saving as many souls as you can from going to hell so they can be brought to heaven. Every soul has to make a choice, and I have made everyone

to love Me and be with Me forever in heaven. I give you all free will to choose Me or not, but I am love and the devil only offers you hate, pleasure, and greed. Love overcomes evil, and your experience in heaven will be your reward for being faithful to Me."
Jesus said: "My people, I gave you a message before about trying to find the new Mass translation if it was available.(11-16-10) You were led at a reception to talk with someone who had information that you could look up on the internet. There also was information on how parishes could adopt the new changes. Since this information is available, you could make an effort to share this translation to prepare the people. There may be some parishioners with questions about the words, so you could help provide some answers for them. Going back to older translations may be uncomfortable for some, but by reading it ahead of time, you can see what is being questioned. Pray that these changes help the understanding of the words of the Mass without many conflicts."

January 13, 2011
Sunday, January 2, 2011: (Epiphany)Jesus said: "My people, this blossoming flower in the vision later gave birth to its fruit. This first Epiphany or manifestation was the fruit of the womb of My Blessed Mother as you pray in the 'Hail Mary'. My birth was the manifestation of My Incarnation as a man. Now you have the Wise Men giving Me gifts fit for a king with the gold, frankincense, and myrrh. This Epiphany later paralleled another transformation when I resurrected into My glorified Body. I died for all of mankind's sins, and My Resurrection is a promise to all who are faithful to Me that they will also one day be resurrected after the last judgment. This gives hope to every soul on earth that this life is passing away, and My faithful will be living a new life when they get transformed. There was another Epiphany scene when My three apostles witnessed My Transfiguration into My glorified Body in the presence of Moses and Elijah. Throughout people's lives you go through your own moments of epiphany when you are baptized and when you receive Me in Holy Communion. Rejoice that I have shared Myself with all of you in My sacraments."
Jesus said: "My people, you have seen several snowstorms, and then during the next warm spell, the snow melts away. You see many ebbs and tides in various natural events as I direct them. In your spiritual lives you see similar things

when your sins build up over time. Then when you are moved to go to Confession, your sins are cleansed away with My forgiveness. The snow building up in the cold is like some people who have icy hearts of selfishness. Then My love comes into that heart with prayer and Confession, and that heart melts into My warm love. I am Love and I call all of you to accept Me into your hearts so I can dwell within you. By keeping My love in your heart, then you can share your love with others and melt other icy hearts."

Monday, January 3, 2011

January 13, 2011
Monday, January 3,2011: (Holy Name of Jesus)Jesus said: "My people, as you see the loving vision of Me holding a lantern, it is a sign that I am truly the Light that disperses the darkness. This time of year has longer nights, and after My birth the days get longer. As you see Me carrying this Light, I am also lighting your way so you can see where you are going in both your physical and spiritual life. At the beginning of a New Year it is an opportunity to plan to improve any sinful part of your life. Not only do you need to see your way, but you may have to take a different path to avoid occasions that lead you into sin. I am always at your side, so do not let other things in life lead you astray from the mission that I have given you. By shining My Light on you, you can also keep your focus on Me as the center of your life. At times you may have desires to do other things, but then you find that you are not physically able to achieve them. Rather than frustrate yourself, accept any of your shortcomings physically, and work on your mission as best that you can. Follow My Light for your life in keeping My Commandments, and you will have your reward in heaven."
Jesus said: "My people, your auto manufacturers are trying to make more fuel efficient cars, and those that burn little or no carbon dioxide. The electric cars require frequent charging and there are very few places for charging. There is some hazard with every fuel. Even gasoline is very explosive in a crash that has been ignited. Fuel cells, hydrogen, and natural gas are even more explosive, especially in accidents. Ethanol burns cleaner, but it takes a lot of energy to produce. Hybrid cars of gasoline and electric offer a better compromise and better fuel mileage. You are concerned about pollution and fuel costs, so more efficient cars offer some advantages. Most alternative cars to gasoline operated cars are still quite expensive to buy. The demand for cheap fuels and larger

numbers of cars is causing your gasoline prices to rise. Even though gasoline alternatives are growing in use, there is still a long way to go in order to replace gasoline as a fuel. You may need some vehicles and tractors to run farm refuges. I will multiply any fuels needed at My refuges."

Tuesday, January 4, 2011

January 13, 2011
Tuesday, January 4, 2011: (St. Elizabeth Ann Seton)Jesus said: "My people, as you read the readings of St. John the Evangelist, there is a richness in the love that he talks about in Me and in all souls. I am love itself, and My love reaches out to engage every soul on earth. Without Me, you will be incomplete because your soul is searching to find peace in Me. Nothing of this world will please you more than finding love and peace in Me. That is why this vision of Me as the vine and you as the branches, shows you your need to be a part of Me to gain any spiritual grace for your soul. It is the grace of My sacraments that feed your soul in your spiritual sustenance. Without Me, you are lost, but with Me, you are found. I love every soul, even those who refuse to accept Me because you are all My creations. Love is the bond of a true relationship, and you show your love for Me in your prayers, in your good deeds for others, and at Adoration when you visit Me in My Blessed Sacrament. Keep close to Me and focused on Me so you can always see Me as your spiritual lover. There are various meanings of the word ‘love’, but it is the ‘agape’ love that you reserve for Me and the other Persons of the Blessed Trinity. I am at your side all day long, so keep telling Me how much you love Me.”
Jesus said: "My people, at times you have picnics in your backyard, and other times you have them in a local park. When you go, you bring a means for making a fire to cook, some food, drinks, plates, forks, knives, and cups. Even some bring some games to play. It is enjoyable to experience nature on preferably a sunny day. All the things that you bring to a picnic, are the same things that you could bring on your way to My refuges. You brought sleeping bags and a tent as you practiced camping overnight. You know your basic necessities of food, a water source, and a shelter. Providing a fire may require some improvising. When I talk of the need to go to My refuges and storing food, many readers of these messages are uncomfortable with leaving their homes. They have not experienced a religious persecution, riots, or the men in black trying to place chips in their bodies. Once people see these threats, they will

have to call on Me to have their guardian angels lead them to My nearest refuge or interim refuge. For some that are reluctant to leave, it may be too late to save them from the death camps. Being prepared to leave with your backpacks, blankets, tents, and bicycles, will be very beneficial when you may have to leave in a short time. Believe that the tribulation is not far off, and your best place of protection will be at My refuges where My angels will protect you."

Wednesday, January 5, 2011

January 13, 2011
Wednesday, January 5, 2011: (St. John Neumann)Jesus said: "My people, this vision of someone's car stuck in the snow is similar to My apostles being tossed about in the waves of a lake. Whenever I saw the apostles in trouble, I would do what I could to help them. They were afraid at first when I walked on the water. Once I got into the boat, I calmed the seas. With some of My miracles, My apostles did not understand the authority that I had as the Son of God. When I calmed the water and twice multiplied the loaves and the fish, then they had a small feeling that I had special powers that they did not understand. Later, when they received the understanding through the Holy Spirit, then they realized better that I truly am the Son of God. Just as the apostles cried out to Me to save them from drowning, so I will listen to the prayers of My faithful in their needs. I know what each person needs, but I do not force Myself or My gifts on that person. I leave each of you to call on Me in prayer, and I will answer everyone with what is best for the soul. I am always with you, so call on Me at any time." Jesus said: "My people, many of you are taken up with the materialism of the world. You crave the latest new things. Once you acquire them, they soon get old and are obsolete, ready for the junk pile. You are controlled more by the craving than once you have something. Do not let these temporary things control you because they are gone tomorrow. Instead, seek holy things that will last forever past this life. This is why seeking holy things satisfies your soul all the time. You have to struggle with the body that shies away from spiritual things and only craves earthly things. This battle between the desires of the body and the desires of the soul is a lifetime struggle, just as your battle of good and evil. By keeping your focus on Me, you can control any bodily desires for material things. You need some things for survival, but live a simpler life without a need for your favorite things."

Thursday, January 6, 2011

January 13, 2011
Thursday, January 6, 2011: (St. (Brother) Andre Besset)Jesus said: "My people, your weather patterns have been changing possibly due to several HAARP machines around the world. You have seen flooding in California and Europe. Now, you are seeing reports of flooding in China and Australia. This increase in natural disasters is also linked with some severe earthquakes and volcanoes as well. Other strange phenomena are seen with birds and fish dying in large numbers, as well as bees dying off in large numbers. Some of the disorientation of these insects and other animals could be attributed to cell phones and HAARP machines that use microwaves and electromagnetic radiation. As man interferes more with My natural balance of things, even the weather is reacting to your manipulations. Pray that those who are carrying out these bad deeds will change their ways, or I will have to intervene sooner than I had planned."
Prayer Group:Jesus said: "My people, you have been celebrating My birth during this Christmas season. You have seen the accounts of the shepherds and the Wise Men who came to the celebration of My Epiphany. This season will soon conclude with St. John the Baptist baptizing Me in the Jordan River. Even now you may be putting away your Christmas decorations and My Nativity Scene. I remind you that you can pray to your Infant King all year round by placing a Nativity scene at your altar in your prayer room at home."
Jesus said: "My people, you are hearing comments on the New Mass translation that will be introduced later in this year. Thank you for looking up on the internet the comparison words of your present Mass words with the New Mass words to be used. For some of My older faithful this will be a return to some familiar words from the old Latin Mass. Some others may not be comfortable with these new words, but this is a compromise for those who want to keep the old translation. Pray for a peaceful transition as you have greeted previous changes."
Jesus said: "My people, I have given you many messages on the coming Division in My Church that will separate different elements of My Church. You will see a division between a schismatic church and My faithful remnant. The schismatic church will follow New Age principles and declare that sexual sins are no longer mortal sins. My faithful remnant will follow the teachings given by My apostles. This will then follow into a religious persecution that will close all churches, and My faithful will need to seek protection at My refuges."
Jesus said: "My people, in today's reading of the Gospel, you saw Me reading

from Isaiah how the Messiah would come healing the blind and freeing captives. I told the people in Nazareth that today this prophesy was fulfilled in their hearing. They supported Me at first until they realized that I was declaring Myself as the Messiah. At this they tried to kill Me. Also on Palm Sunday many cheered My entry into Jerusalem. Later, they criticized Me for blasphemy when I declared Myself the Son of God. For this they crucified Me, but it was My plan to save My people by My death on the cross."
Jesus said: "My people, you have been to many Baptisms of infants and you believe they are cleansed of original sin. This is one of the first of My sacraments that was instituted. By one man in Adam, all of mankind were shut out of heaven, and once they died, they went to the place of the dead. Then by one God-man in Me all of your sins were ransomed by My sacrifice on the cross. This event of My saving sacrifice is repeated every day at Mass. Be grateful that all original sin is forgiven at your Baptism. You also are cleansed of your actual sins through My sacrament of Penance so you can have pure souls throughout your life."
Jesus said: "My people, there are many sports fans who come to these huge stadiums to see their favorite teams play for various titles. I am reminding you of several messages that I have given you concerning how the Antichrist will use these same very stadiums for his purposes of controlling people and getting them to worship him. If you see the Antichrist at stadiums or as he is declared, avoid looking at his eyes or listening to his words. It is at that time when you need to seek My refuges so his workers cannot kill you in his death camps. Be thankful that you are being warned about this evil one who is claiming to be Me. You know that you will have false christs on the earth before I return."

January 13, 2011
Friday, January 7, 2011:Jesus said: "My people, in today's Gospel a leper asked Me to heal him, so because of his faith, I did will to heal him of his leprosy. I healed many people of their ailments, and then I retreated into the mountains to pray. In the vision you can see My Light of faith and healing emanating out in waves in the air to disperse the darkness of evil. I am always listening to the prayers of My people who are seeking their needs, and trust that I could heal them. But without asking My healing, I do not force Myself on anyone's free will. My abundant graces are always available to those who call on My help.

Acknowledge to Me that you do believe that I can heal you, and you will have a better hearing. Some are healed immediately, while others take longer to heal. You will never be tested beyond your endurance."
Jesus said: "My people, this vision of many worldly riches is what many worldly people seek along with the pleasures of this world. I want to quote a few passages from St. Matthew concerning riches: (Matt. 17:26) 'For what does it profit a man if he gains the whole world, but suffers the loss of his own soul?' and (Matt. 6:24) 'No man can serve two masters; for either he will hate the one and love the other, or else he will stand by the one and despise the other. You cannot serve God and money.' My people live in the world but you do not have to be of the world. Do not strive for worldly wealth or constant pleasures. You should seek a simple life and let Me be the Master of what you do and seek. When I created you, you are to know, love, and serve Me if you want to seek heaven. By serving Me instead of serving worldly things, then your reward in heaven will be great. As you listen to St. Faustina's words describing hell, you also have a mission to save as many souls as you can from being lost in hell."

January 13, 2011
Saturday, January 8, 2011:Jesus said: "My people, the time of tribulation will begin when the Antichrist declares himself in power. He will have demonic powers, and you should avoid looking at his eyes or listening to his words. This will be the time to leave for My refuges. In the vision I have shown you his power, and how people will fall down and worship him because of his suggestions by mind control. Even as you saw how St. John the Baptist came and prepared the way for Me, there are plenty of evil ones who are even now preparing the way for the coming of the Antichrist into power. The Antichrist's power will be shortened, as I will soon come to vanquish all the evil ones into hell. Be joyful when I will renew the earth and bring about My Era of Peace. When St. John the Baptist declared: 'He must increase, while I must decrease.' He is giving you a good spiritual example to follow. I am the only Master of this world, and if you are not putting Me first in your life, then you too, must decrease in your importance."
Jesus said: "My people, it is a plan of Satan and the evil ones to try and reduce the population of the world through the use of a deadly pandemic virus. Last year you saw how quickly the Swine Flu spread throughout the world. The Swine Flu was very easy to contaminate people, but fortunately, it was not a very

deadly strain. The evil one world people have their scientists working in the lab to create another pandemic virus. This time they are planning a very contagious virus, but one that is more virulent or deadly to man. They also are planning an antidote vaccine to protect the one world people who will be in their underground cities. I have warned My faithful when you see many people dying from a flu virus, that this will be the time to leave for My refuges so you can be healed by the luminous cross or the spring water there. The evil ones have destroyed many people's immune system with the flu shots every year. Soon they will spread a deadly virus using chemtrails for their delivery method. This will kill many who are not prepared, but My faithful will be protected at My refuges. Prepare by building up your immune system with Hawthorn pills, herbs, and vitamins. Most of all refuse to take any flu shots that could make you susceptible to the new pandemic virus. Also, be ready to leave for My refuges at any time."

January 13, 2011
Sunday, January 9, 2011: (Baptism of Jesus)Jesus said: "My people, when I was baptized, this represented My institution of this act as a sacrament. By My death on the cross, I paid the price for all of mankind's sins so that all original sin, and actual sins can be forgiven. Now, when people die, they will not remain in the place of the dead as before because of Adam's sin. The gates of heaven have now been opened for all who are worthy. Even when you come to Confession and at Baptism, this scrub brush of My grace and absolution washes your souls clean of your sins, and replaces your sins with the grace of My sacrament. Another manifestation at My Baptism is the witness to the Blessed Trinity. You were told of the dove's presence representing the Holy Spirit, and the words of God the Father were heard: 'This is My beloved Son, in whom I am well pleased.' My Baptism not only brings your Christmas season to a close, but it also started My public mission as St. John pointed Me out as the 'Lamb of God'. Then some disciples started following Me as a result."

January 13, 2011
Monday, January 10, 2011: (Nicole Marie's Funeral Mass)Jesus said: "My people, it is sad to see such a young life taken even before she finished her schooling. All of her friends and family were surprised to see her passing. She is with Me now in heaven after a short time in purgatory. She sends her love to all

of her family and friends as she acknowledged you today. She will be praying for all of you. She is also happy to hear that her dog will be taken care of. Nicole had difficulty with her headaches, and she did not realize the effects of the drugs that she was taking. She is sorry to leave everyone under these circumstances."
Jesus said: "My people, you are seeing various shifts of temperature in the Pacific and the Atlantic oceans. These shifts and the HAARP machine are creating constant storms and cold waves that are causing problems at your airports and traveling on your highways. Colder winter temperatures with higher snowfalls are occurring now, and most likely they will continue for a while. All over the world people are experiencing unusual weather with higher precipitation levels than normal. The snow received in the South is an example of how cold waves are affecting even warmer climates. Be prepared to be tested by more natural disasters and unusual weather patterns. Have some extra food stored to ride out any storms or power outages."

January 13, 2011
Tuesday, January 11, 2011:Jesus said: "My people, while I was on the earth, I healed many sick people, but I also cast many demons out of people as in exorcisms. Throughout history there have been many demon possessions or obsessions. When the people saw Me casting out demons, they were astounded that I spoke with authority even to the evil spirits. Today, you also have demon possessed and obsessed people. You have witnessed some exorcisms and evil is becoming more insidious at this time. The vision of snakes as demons controlling people is why this age has become so evil with abortion, euthanasia, wars, and many killings connected to illegal drugs and pornography. Man is exploiting science to upset My balance of nature with your manipulation of DNA, germ warfare, and unusual weapons of mass destruction. All the greed and sexual sins are rampant as the faith has become lukewarm in many countries. Despite all of this evil, there is still a faithful remnant that loves Me and is working to evangelize souls. Do not be fearful of these demons, but call on My Name to bind these evil spirits to the foot of My Cross if you are attacked by them. My power is much stronger than all of the demons, so invoke My power to protect you when needed. You will see evil get worse on the way up to the tribulation, but My refuges will be havens of protection. Use My angels to fight the evil ones without using guns for killing."
Jesus said: "My people, your scientists have developed their chosen virus for

eliminating some population, and they are now scaling up production to meet their intended release date. They already have made their antidote vaccine which will be given to the people of importance to protect them. Dispersing such a deadly virus may be difficult to protect the crew from any disease when they spread the chemtrails. This could even be used to keep their mission quiet. Many could die from this virus before the media could publicize what is going on. If My faithful are in great danger, I will warn My people to move to My refuges before the chemtrails are loosed on the people. At My refuges you can look on My luminous cross or drink the healing spring water, and you will be healed from any pandemic virus. My angels will shield you from any deadly viruses, toxins, or poisonous chemicals at My refuges. Be grateful for My protection and for My providing your food, water, fuel, and shelter. The evil ones will be using deadly viruses and bacteria to kill off a fair amount of your population. Be prepared physically with Hawthorn pills, herbs, vitamins; and spiritually with frequent Confession."

Wednesday, January 12, 2011

January 27, 2011

Wednesday, January 12, 2011:Jesus said: "My people, in today's Gospel I was healing the sick and casting out demons. After awhile I told My apostles that we had to move on to another town because it was My mission to spread My words of the Kingdom of God that the people needed to hear. This image of a broken bridge is a symbol of the brokenness of My people in their faith. They need to be lifted up by My grace. This is why I am sending out My messengers to wake up the people from their spiritual laziness. At times retreats and missions can stir up the people's resolve, but they need to seek My oasis of graces if they want to be re-invigorated in their faith. When I bring My Warning to everyone, this will be a supernatural intervention that will give even the worst of sinners a wake-up call. You will all be given a second chance to change your lives to follow the One who loves you. Your mini-judgment will show you where you are headed. If you wish to be with Me in heaven, then you will need to improve on your goal of perfection."

Jesus said: "My people, I am showing you various ways that some scientists are being used to create a man-made pandemic virus. Many experiments have been tried to refine a virus with the desired traits which are very contagious and deadly. The one world people are planning their escapes to their underground cities so they do not have to deal with dying people. My faithful remnant will be

protected at My refuges by looking on My luminous cross or by drinking the healing spring water. The evil ones will try to spread their evil pandemic virus via their chemtrails. Some will be protected, while some will die of the virus. These diseases are purposely being used by the one world people for the reduction of the population. Be prepared to go to My refuges when I warn you, and build up your immune system with Hawthorn pills, herbs, and vitamins."

January 27, 2011

Thursday, January 13, 2011: (St. Hilary)Jesus said: "My people, there are some who pray for a healing of diseases, chronic pains, or for solutions to their financial problems. As in the Gospel I healed many sick people, and they sought Me wherever I went. So people now are seeking Me as well in their petitions. Some are healed, while others have to suffer their pains with Me on the cross. Many sufferings are used to help others in their sins when the sufferings are offered up to Me. As much as people come to Me for physical healing, I wish they had the same fervor to petition Me for spiritual healing of their souls. This vision of a confessional in an old church is a sign of how much I want My faithful to visit Me in the priest to confess their sins at least once a month. Make a proper preparation by looking at lists of sins to reflect on. Your spiritual health is even more important than your physical health. It is unfortunate that many churches make it hard to find their confessionals, and confessions are only heard for a half an hour or an hour once a week. More emphasis on the forgiveness of sins in Confession should be made in your priest's homilies. This is the most needed cure for all souls so they are always ready to meet Me in their judgment if they should die suddenly."

Prayer Group:Jesus said: "My people, seeing this house on fire can relate to both hell and purgatory where souls are burning in the flames without being consumed. The souls in hell have no hope to rid themselves from the flames. Those in lower purgatory can look forward to a time to be moved to upper purgatory without flames, then finally after more time, they are promised to be with Me in heaven. My sinners on earth can atone for their sins and the reparation due for them by taking advantage of My graces on Mercy Sunday. Your prayers and good works will help weigh against your life's sins. Many souls need purification in purgatory, but you can minimize suffering in the flames by staying close to Me."

Jesus said: "My people, some people drill for oil and gas, while others drill for

water. I have asked My faithful to drill out a hole for well water on their refuges. If this is not possible, I will allow My angels to form miraculous springs like at Lourdes, and they will not run dry. You need water to survive, and this is why an independent supply of water is needed at every refuge."
David, my son, gave the message: "My dear family, this vision of how aborted babies are incinerated is an unfortunate great sin of America and other nations. In some places nearly half of the conceptions are aborted. These sins of abortion are crying out for the Lord's justice, so America will pay for its many misdeeds. You have asked Me about your granddaughter. If hormone therapy does not help, then medication will not help much either. Pray that the severity of her seizures will lessen as she grows older. This is a cross for those who have this tendency in their family history. I will intercede to lessen her suffering."
Jesus said: "My people, you are seeing considerable flooding in Australia and Brazil now, and there has been earlier flooding in Europe and China. Even California has seen flooding. Many areas all over the earth are experiencing excessive precipitation beyond their normal levels. The land cannot absorb too much water, and then floods or mud slides soon develop. Some excessive rainfall can be exaggerated by the HAARP machine or unusual weather patterns. Expect these disasters to continue as nature is rebelling against man's sins."
Jesus said: "My people, you have seen many flights cancelled and roads closed from heavy snowfalls. When you go on your trips, remember to pray for your safety and have blessed salt or holy water in your vehicle. By calling on My help and the angels, you will see My protection guiding your way even through bad weather."
Jesus said: "My people, I have warned you before about food shortages if trucks cannot deliver enough food to your stores. This vision of overturned trucks is an example of what could happen in continuous snowstorms. This is another reason that I have warned My people to have six months to a year's supply of food on hand in case you see a food shortage. If you do not have enough money or a place to store food and water, then store what you can and I will multiply what you need to survive. Trust in Me and I will provide for all of your needs."
Jesus said: "My people, your money in America is being artificially controlled, but soon your debtors will demand more interest for your bonds, or no one will buy them. Rising interest rates are a sign that people see that your debts are outstripping your means to pay the interest. Even your states are having difficulties trying to cover their deficits. Austerity plans of increased taxes and forced cuts in spending will cause hardships on many people. When there is no

more money to pay workers, there will be more jobs lost. This will next become more of a problem for your government that is on the brink of bankruptcy. When entitlement funds get low, there will be reductions in payments, and fewer will qualify for payments. Riots and chaos could result when people cannot find enough food to eat. When this takeover by martial law occurs, call on Me and your angels to lead you to My refuges."

Friday, January 14, 2011

January 27, 2011

Friday, January 14, 2011:Jesus said: "My people, this artwork, pictured in the vision, is a view of how I healed the paralytic man in today's Gospel. There was a large crowd gathered at a house, and some men brought the paralytic man on a stretcher down through the roof. I admired the faith of the man who wanted Me to heal him. I told him that his sins were forgiven, but I received criticisms from those who said that only God can forgive sins. But to show them that I truly was God Incarnate, I healed the man and he picked up his mat and walked. This emphasizes in many of My healings that I desired to heal the whole person, both body and soul. Your body will eventually die and return to dust, but your soul lives on forever and is more important. So whenever you petition for a healing of the body, be sure to pray for that person's soul as well. Give praise and glory to Me for all the gifts of healing that anyone receives."

January 27, 2011

Saturday, January 15, 2011:Jesus said: "My people, I am showing you many people who are boarding an ark of safety as at My refuges. You remember how Noah, his family, and the animals were sheltered and protected in the ark from the flood. Now, My people will need an ark of protection at My refuges throughout the whole tribulation. My angels will be shielding you from the evil ones. At every refuge you will have an Ark of the Covenant that will have 24 hours Adoration with My Eucharist. Even in today's reading you are seeing My Blessed Mother as the Ark of the Covenant as she kept Me in her womb for nine months. My people also are little arks of the covenant as you house Me during the reception of Holy Communion until the Host is consumed. Give praise and glory to Me for protecting you and providing for your needs even during the tribulation."

Jesus said: "My people, the one world people are very active in digging new

underground tunnels, and they are also stocking their underground cities with supplies for a long time. This increase in activity is what I have warned you about in previous messages. The urgency to finish up their building and stockpiling is a sign that they are ready to pull off something that is very big, and could lead to the declaration of a national martial law. I have shown you in My messages, and you have read articles on the internet that the evil ones are probing all along the New Madrid fault for weaknesses that the HAARP machine could use to cause a massive earthquake. Such a quake along this fault line could cause so much damage on both sides that it could be used to declare martial law. Once martial law is declared, My faithful need to call on Me to have your guardian angels lead you to My nearest refuge. Trust in My warning to leave right away because the men in black will be searching to kill Christians and patriots. If you refuse to take the mark of the beast in your body or the chip, then they would take you to their death camps. Those, who come to Me at My refuges, will be protected. Those, who stay in their homes too long, may risk being captured and killed."

Sunday, January 16, 2011

January 27, 2011
Sunday, January 16, 2011:Jesus said: "My people, today's Gospel is about how St. John the Baptist prepared the way for My ministry. After he had baptized Me and I was walking away, he said 'There goes the Lamb of God who was promised to all mankind.' Then more of St. John's followers started to follow Me. I have given every person unique talents from everyone else, and also a special mission as well. Pray for discernment to use your talents to accomplish the mission that I will reveal to you. By your Baptism and Confirmation you are called to evangelize souls. You need to call on My grace and the Holy Spirit to say what is needed to bring souls to conversion. Just as I called prophets as St. John to prepare the way for My coming, so I am calling prophets of today to prepare the way for My coming again. Have faith and trust that I will reveal My plans so My people will be prepared for the coming tribulation."
Jesus said: "My people, you are familiar with the gold flakes that are a sign of My Blessed Mother's presence. Our hearts are joined as one, and every place that I am found in My Real Presence, you will see evidence of My Blessed Mother's presence as well. We both are watching over our children, and we do not want to lose one soul to the evil one. Be grateful that you are witnessing a beautiful manifestation of these shining and moving gold flakes all around My Host. We

both love you so much and we are sharing our love with you in all that you do. Be watchful for these flakes wherever they are found because it indicates My Blessed Mother's presence."

Monday, January 17, 2011

January 27, 2011
Monday, January 17, 2011: (St. Anthony of the Desert)Jesus said: "My people, St. Anthony followed My words and gave up his wealth, and he went to pray and fast in the desert. By focusing on Me and not his possessions, he found Me in spiritual riches. Many times I also went off into the desert or the mountains to pray and be with My Father. Not only should you not let possessions control you, but all earthly things and desires should be second to Me. For where your treasure lies, so also lies your heart. During the day you need to set aside some time when you can be quiet with Me in prayer. Sometimes it is quiet for you either in the early morning or late at night. This prayer time gives you a chance to refresh your spiritual life, and reflect on how you can improve your life." Jesus said: "My people, beware of those who are practicing witchcraft with fortune telling, Ouija boards, tarot cards, and the like because they are rooted in the evil of the demons. Rid your house of Harry Potter movies and books because they invoke real curses and call on real demons. To protect yourself from demon attacks, keep rosaries, Benedictine Crosses, and holy water on your person. Bind any evil spirits in My Name, Jesus, to the foot of My cross. Beware also of those who promote New Age teachings or have any New Age statues of gods that may have curses on them. New Age influences are already entering into My Church. You will see a division in My Church between a schismatic church and My faithful remnant. The schismatic church will be teaching New Age principles and that sexual sins are no longer mortal sins. Avoid these teachings and believe only in Me. Try to rid these influences from your church, and if they persist, then leave for another church that follows only My teachings. I love all of you, and I do not want to see one soul lost, but you are amidst a battle of good and evil, and you must fight to uphold what is true from My Gospels."

Tuesday, January 18, 2011

January 27, 2011
Tuesday, January 18, 2011:Jesus said: "My people, as your people were talking of honoring the Sabbath, it is important to remember to make Me the center of

your life. My Third Commandment is about honoring Me on My day of rest. After I created everything on the earth, I had a day of rest from My work. Even so on My day of rest you should honor Me on Sunday. This should be My day that you should respect without work that you could do on another day. It is a day of prayer when you could focus more on Me in your life. It is true that many are working on Sunday, and you spend much time on entertainment. But do not forget that you should honor Me and worship Me more than your sports. It is also important that all souls should honor Me in coming to Mass or some place of worship on Sunday. Especially remind your family members how important it is to worship Me on Sunday and obey My Third Commandment. Pray for those who are away from Me and who are lukewarm or too lazy spiritually to come to church. Encourage them by your advice and good example. Parents especially are responsible for the spiritual lives of their children. Keep watchful that your children get to church, even when they are older and have moved away from your home. When you come before Me in your judgment, you will have to face the accountability for their souls that you did everything that you could to save their souls. Your persistent prayers can save them, so keep praying for their souls and all sinners to be saved. Thank you for honoring and praising Me in all of your prayers, Masses, and your Adoration of My Blessed Sacrament."
Jesus said: "My people, this vision of crude oil spilled all over a mailbox represents a message that the one world people are sending to America. This spill in the Gulf of Mexico was done purposely to create an environmental disaster, and show how dangerous deep sea drilling is to the environment. This enabled your President to stop further drilling that was planned. This makes America more dependent on foreign oil, and it is another incentive for his cap and trade initiative to control world energy sources. The one world people are using global warming as an excuse to control world governments with their carbon credits plan which was blocked by your Congress. Your country has yet to develop a meaningful energy plan which is crucial to your economy and your standard of living. Man is destroying many wildlife and fishing areas with his pollution and the careless use of his oil drilling techniques. Pray that there will be no more oil drilling disasters that could threaten further fishing and wildlife preserves."

January 27, 2011
Wednesday, January 19, 2011:Jesus said: "My people, your vacant factories are a

sign of millions of jobs that are never going to return. Not only are you having persistently high unemployment from the recession, but it is a result of shipping your factory jobs to China and Mexico for cheap labor. The greed of your corporate leaders and Wall Street are making you dependent on Communist China for most of your manufactured goods. China also holds your Treasury Notes, and you are building their war machine. Shipping factory jobs out of America is also part of a plan to weaken your economy and make you ripe for takeover. The one world people are planning America's demise, and stripping your factories is just one more means to control you. At one time America's factories made everything, but now Wall Street, the banks, and your corporations are your current dictators. The one world people control the banks in keeping savings interest artificially low so your people make little money. Stocks are crashed and raised to steal the rest of your money. Corporations are also avoiding taxes by keeping their money off shore. By all of these manipulations, the rich are getting richer and the man in the street is getting poorer. The coming plan to crash your currency will be the next step leading up to your takeover. Be prepared to go to My refuges when this control takes over your people."

Jesus said: "My people, in the Book of Revelation (Rev. 7:1-3) there is a description of four angels at the four corners of the world. Each of them are appointed a special charge over part of the earth. When the tribulation comes to an end, the evil ones will suffer various plagues which I have shown you in vision. So do not be fearful of the evil ones because their reign will be brief. Then I will come to vanquish the evil ones and cast them into hell. The vision of My Host in the monstrance will be at every refuge to protect My people. I will renew the earth and bring about My Era of Peace. My faithful remnant will share this reward with Me, and you will celebrate My victory as you will be prepared for heaven."

Jesus said: "My people, seeing a lot of skyscrapers is a sign of man's ability to build tall buildings and various bridges. Even though man can build things, they are still subject to the ravages of nature in earthquakes, tornadoes, and hurricanes. Man is proud of his accomplishments, but he should be giving glory to Me for all that he has through Me. I provide the air, sun, and water for your every day survival. Even your talents come from My gifts. Your health also is a gift, as well as your soul and your very life. It is comforting to know that by loving Me and your neighbor, you will be living with Me in heaven for all eternity. My followers may require some purification, but those, who are on the right path, will receive their reward in heaven. Once you find Me as the center of

your life, you can also reach out to save other souls from going to hell. Pray for all of your family members and be persistent in prayer, and you could be their salvation."

Thursday, January 20, 2011

January 27, 2011

Thursday, January 20, 2011: (St. Fabian & St. Sebastian)Jesus said: "My people, in today's Gospel the people were pressing upon Me to touch them and heal them. Even the demons in possessed people came out of them exclaiming that I was the Son of God, but I told the demons to be quiet. You have witnessed possessed people with demons even today in your world. It is preferred that an exorcist priest should pray over possessed people. For those, who do deliverance prayers for such people, you need to pray as a group and use holy water, blessed salt, and relics as this relic of the true cross in the vision. My people need to wear scapulars and a Benedictine cross for protection against any demon attacks. You have seen the true cross relic used by the priest to quiet such a demon when holy water did not stop the screaming. When you pray over people with My relic, you will also see spiritual and physical healings. Those, who have faith that I can heal them, will receive many blessings. Rejoice that your Lord has visited His people."

Prayer Group:Jesus said: "My people, My Blessed Mother and I are very grateful to the caretakers of statues and pictures who bring them to many homes and churches. Thank you also for your prayer group that honors Me in Adoration and for the statues, pictures and relics that you display every week. By keeping these holy images in view of My faithful, you have a sense of our presence among you."

Jesus said: "My son, I am happy that you have answered My call to give your message of the end times to the people. You know how many prayer warriors I need, and how important it is to reach out with My messages to evangelize souls and save them from going to hell. Your dedication in distributing My messages is well appreciated, and you will be rewarded for your work."

Jesus said: "My people, you are seeing the battle of good and evil getting more intense as time moves on. The occult movement with witchcraft, Ouija boards, tarot cards, and transcendental meditation exercises, are drawing more curious souls into these evil things that could cause demon possession. Harry Potter books and movies are very deceptive in leading people deeper into witchcraft. Avoid these things by removing them from your houses. New Age teachings are

coming into My Church and they will cause a division in My Church between a schismatic church and My faithful remnant."
Jesus said: "My people, I have warned you to leave for My refuges once mandatory chips in the body will be forced on you for your health insurance. The original bill included chips in the body, but this part was removed temporarily. You will have a National ID smart card at first for your health insurance. As this law is fully implemented by 2014, these chips in the body will be included. Refuse to take any chips in the body for any reason. When you are called to My refuges, you will look on the luminous cross and be healed of all of your ailments. This will be much more beneficial than any health plan of man."
Jesus said: "My people, you have seen a few warm spells to melt the snow, but they are becoming shorter as the winter continues. You are seeing more snowfall and severe cold as in older years. You were hoping to have light snow for the remaining months, but be prepared for more cold and snow. Your weather patterns are changing as storm after storm keeps coming in off of the Pacific Ocean."
Jesus said: "My people, China's economy is growing at a much faster rate than America's economy. Their cheap labor factories are taking market share away from all other industrialized nations. America is slowly dying because it manufactures very little and your market is falling apart. Even China's military is expanding to compete with America. Remember that China is an atheistic communist country and communism still has world control as part of its goal. China is taking over the world economy because you have allowed the greed of your corporations to sell you out. America's sins of abortion and sexual behavior are drawing you into a loss of your morals which will cause your downfall as a punishment for sin. I allowed the Israelites to be taken over by their neighbors because of their sins. This fate of America's downfall will also be in payment for your sins."
Jesus said: "My people, you are seeing an age of evil taking control of many governments. Even while some things seem to be getting worse, there is some cause to have hope. While the evil ones are appearing to get stronger, the faith of My faithful remnant is also getting stronger as well. As the evil ones build their death camps, I am calling may believers to set up refuges for the end times. I encourage My faithful to pray, and where possible, help My refuge builders physically. You will be thankful when you have to go to My refuges for protection from the evil ones."

Friday, January 21, 2011

January 27, 2011

Friday, January 21, 2011: (St. Agnes)Jesus said: "My people, this vision of an empty womb is how some women desire to be free of children by abortion. Some are strongly drawn to pleasure, but they do not want to take care of any children when a pregnancy results from their actions, especially in fornication. This age is more concerned with pleasure than the joy of loving and bringing up children. This is why you have so many abortions. I prophesied about this age: (Luke 24:29) 'For behold, days are coming in which men will say, 'Blessed are the barren, and the wombs that never bore, and breasts that never nursed.' I detest your killing of My little ones in the unborn. (Matt. 18:10) 'See that you do not despise one of these little ones; for I tell you, their angels in heaven always behold the face of My Father in heaven.' Birth control and abortions are mortal sins because you are violating life, or the formation of life. Taking a life violates My plan for that life, and this will require a heavy payment for this sin. America and many nations will pay dearly for your laws favoring abortion and for the killing of My babies. Pray and do what you can to stop abortions, and educate people to why abortion is such a serious sin. Those, who work to stop abortions, will have a reward in heaven. But those, who promote abortions, will have a severe accounting at their judgment."

Jesus said: "My people, on your TV weather programs you can see the continuous large swirls of storms constantly coming into America from the Pacific Ocean. The HAARP machine is in a perfect position in Alaska to influence the weather over the Pacific Ocean. You are having an unusually snowy and extremely cold winter as in years past. It is a known fact on internet information that the HAARP machine can warm the ionosphere to change the jet streams that control your weather. It is this manipulation of your storms that can increase the amount of precipitation, and bring cold masses of Canadian air down into America. Even though many have talked about the evil things being done by HAARP, there are no open protests to turn it off from what it is doing. Pray that the evil use of this machine will be more exposed so people can complain more of the damage caused by earthquakes and bad weather that is attributed to the HAARP machine."

January 27, 2011

Saturday, January 22, 2011: (Rowe vs. Wade Anniversary)Jesus said: "My people, today you are protesting the anniversary of your Supreme Court decision that has allowed the killing of the unborn babies in America. This decision was falsely judged, but it is the downfall of your country which has become so morally depraved. The beginning of abortion started with birth control, and in some countries as Russia, abortion is a means of birth control. Even in China abortions of girls are rampant. The use of condoms, pills, and all other devices to stop pregnancy are also serious sins. Family planning methods using various restrictions of a woman's cycle are allowed by the Church. The taking of life is so evil because you are denying My plan for that life that is formed. Women should be advised to have their children and put them up for adoption, rather than killing them in abortion out of convenience or for financial reasons. America will pay dearly for its sins of abortion as your fall and takeover are coming. Keep praying for the stoppage of abortion, and pray for these mothers to stop killing their children."

January 27, 2011

Sunday, January 23, 2011:Jesus said: "My people, in both readings you see it mentioned how people are coming out of the darkness of their sins into the Light of My grace. In order to make progress in your spiritual life, you need to withdraw from your earthly pleasures that can lead you into sin. It is hard to change your life of sin because you have become too comfortable in your earthly sins. Your soul desires to be closer to Me in prayer, Mass, and Confession. But your body likes sinful pleasures, so you need to avoid any occasion of these sins. When people are living together without marriage, they are living in a constant occasion of sin. They need to live separately in chaste lives, or get married. The sexual sins are drawing more souls into hell if they do not change their lives. Pray for such souls on the wrong path, especially those in your own family." Jesus said: "My people, today you are seeing -5 F and colder temperatures all in the Northern states. You are also seeing record cold and snow in Southern states that normally get little or no snow. I mentioned in a previous message how the HAARP machine can direct the jet streams to cause droughts or floods. If the jet streams are drawn south enough, they can draw down Canadian cold air further south than normal, causing the cold spells that you are seeing. These cold spells will cause a large need for fuel in warming your houses. You can see how this manipulation of weather can be used by the one world people for their evil plans

for takeover. When events are serious enough, you will need to call on Me to have your angels guide you to My refuges for protection from the evil ones. Have no fear of the evil ones, but you are seeing one of their means of control in the weather and earthquakes by the HAARP machine."

January 27, 2011
Monday, January 24, 2011: (St. Francis de Sales)Jesus said: "My people, in today's Gospel I am warning you of the sin against the Holy Spirit that cannot be forgiven. (Catechism of the Catholic Church, 1864) 'Whoever blasphemes against the Holy Spirit, never has forgiveness, but is guilty of an eternal sin. There are no limits to the mercy of God, but anyone who deliberately refuses to accept His mercy by repenting, rejects the forgiveness of his sins and the salvation offered by the Holy Spirit. Such hardness of heart can lead to final impenitence and eternal loss.' There are several issues in this sin against the Holy Spirit. The main sin is that of not seeking forgiveness where someone refuses to go to Confession. If you cannot believe that it is possible for Me or the Holy Spirit to forgive your sins, then it is almost impossible to be healed of your sins. I am all merciful, and for Me all things are possible. So do not be unbelieving or lost in your depression, but come out into My Light which disperses the darkness of your sin. I am like a loving father, and you need to seek My love by saying that you are sorry for having offended Me in your sin. Seek My forgiveness. By true contrition in your heart and by having faith that I can heal you, you can be restored in My graces in your soul by coming to Me in Confession. When the priest absolves you of your sins, you will be free and found in My love. This is the only road to heaven through Me, and a love for God the Father, God the Holy Spirit, and a love for your neighbor as yourself."
Jesus said: "My people, it is very important for people's survival to be able to grow and harvest food for their families. When you have bad weather patterns that ruin crops, or high levels of toxic compounds that are sprayed into the air, then you have many lives at stake that could be lost. Droughts or too much rain are just a few examples that could ruin crops by stunting their growth, or when it is too wet to harvest crops. The amount of aluminum fallout from the chemtrails was quite revealing in the testing of pond water and even the hair of children. Too much aluminum can cause toxic crops or the soil to get too basic. Spreading information about the chemtrails and the HAARP machine can show people the damage being done, but no one is trying to stop them. Testing your water, food,

and your blood could show higher than normal levels of aluminum. Many have suffered memory losses with too much aluminum in their bodies. Once you establish whether aluminum levels are too high, then people may have to treat your water or use agents to remove these metals from your body. Verify with research any bad effects of the fallout from these chemtrails that are all over your skies."

January 27, 2011
Tuesday, January 25, 2011: (Conversion of St. Paul)Jesus said: "My people, today's reading speaks of Saul's miraculous conversion when I spoke to him, and he was blinded by My Light and fell off of his horse. Later, he had his sight back, and he turned around from a Pharisee to St. Paul, one of My most powerful missionaries for the Gentiles. Not everyone has such a miraculous and obvious conversion. Some people, who have addictions, can take a long time to heal any bad habits with drugs, drink, computers, gambling, or overeating. It takes patience, prayers, and sometimes miracles to change people's lives. Your own computer addiction to computer programming was almost an instant conversion. This left you open to say yes to My call for your own mission. Paul is your Confirmation name, and St. Paul should be an inspiration for you to keep working to evangelize souls. Give praise and thanks to Me for all the people that have been converted to the faith, or re-converted to their former fervor for the faith."
Jesus said: "My people, your government representatives have finally got the message that they are spending too much money, and they need to balance the budget. There are many places to make cuts in the current spending. Your war could be cut back because there is no seeming gain for its cost. All of the departments should take a cut so everyone shares the pain. Entitlements need cuts and a cure of the fraud. Many people are cheating on their taxes. The only people who are gaining in income year over year, are the rich. So the rich should be paying more taxes unless they can prove they are adding jobs to the economy. They are in a better position to be taxed on any yearly increases. If people are paying their fair share, and some are taking cuts in their handouts, there could be a chance to balance the budget. The obvious position is that your country cannot afford all of the things that you are spending beyond your tax revenue. If some progress is stopped by interest groups or partisanship, then you are headed for bankruptcy. Finding a fair solution will have pain for everyone, but it will be a

lot better than forced austerity budgets when your debt financiers refuse to take on any more of your debt. Take a look at the foreign countries with debt problems that were forced on austerity programs and the riots in the streets. Bipartisan solutions will demand compromises if any progress is to be made. Your people need to pray that your budget can be balanced, or you will be looking at riots in the streets."

February 2011

February 10, 2011
Wednesday, January 26, 2011: (St. Timothy & St. Titus)Camille said: 'Hello everyone, it has been a long time since I talked to you last time. Thank you for all that you are doing to help Lydia in getting her around. I like the new fence that you had put up to replace the old one. I know that you are concerned about Chris, now that Vic is getting out of jail. He has a chance to improve his life if he wants to. Try to help him without nagging him too much. Paying the bills for the utilities and the phone are going to be ongoing problems. The vision of me at my tool bench in the basement is a message for you. I did keep some money and valuables in the basement, so you may have to look around down there more than just where the pole fell. It was not much, so do not spend a lot of time looking. I visited Amanda because I felt sorry for all the seizures that she has had. I am still trying to get family members back to coming to Sunday Mass. So help your people by encouraging them and praying for them. I love all of you so much, and I am watching over all of you."
Jesus said: "My people, whenever you come into a church, most of them have a large crucifix near the altar. You see it there, but many do not realize the significance of its presence. My crucifix should be a reminder to you of how much I love all of you that I would die for your sins. At times you should reflect on the grace of My death on the cross because this is My Holy Sacrifice that you celebrate at every Mass. Because of My ransom for your sins, you are freed of original sin at Baptism, and you can have your actual sins forgiven in Confession. My death has set you free, and those who are worthy, can now enter the gates of heaven. I desire that all of you could come to heaven if you accept

Me as Master of your life, and repent of your sins. So when you look on My crucifix, think of how fortunate you are to have a loving God who invites you to heaven by giving your will over to Me out of love."
On coming Conference: Jesus said: "My people, the theme of your Conference is focused on My Mercy in forgiving your sins. There are some who think they could possibly have their Warning experience or a Warning preview at this Conference. Whenever you have My Warning, it will always be associated with My Divine Mercy. Those, who have life reviews then, will be better prepared to help people as they have their Warning experience on the day when all the world will have this experience of My judgment. It would be good to have Confession before you come, so you will have less unforgiven sins to experience. Many priests will be needed when there will be a strong desire for Confession, should you have your life review and your mini-judgment. This Conference should be focused strongly on My mercy in forgiving your sins."

Thursday, January 27, 2011

February 10, 2011
Thursday, January 27, 2011: (St. Angela Merici)Jesus said: "My people, at every Mass you come to see a miracle in the transubstantiation of the bread and wine that is consecrated by your priest into My Body and Blood. You see Light spreading out from the cup to indicate My Real Presence before you under the appearances of bread and wine. My Light shines wherever I am present and those, who receive Me in Holy Communion, have Me in their soul with My grace of this sacrament. It is important to receive Me in the state of grace so you do not commit a sin of sacrilege. In other words, if you have mortal sin on your soul, you need to confess your sins before receiving My Eucharist. If you have venial sins, then recite quietly an Act of Contrition so your soul is ready to receive Me. Many faithful come to daily Mass so they can receive Me into their souls, since I am your spiritual Food. Remember in St. John's Gospel (John 6:54-55) how I told you that anyone who eats My Body and drinks My Blood will have eternal life with Me in heaven."
Prayer Group:Jesus said: "My people, these shimmering colors are a sign that your government is manipulating your weather by means of the HAARP machine. You continue to have snow storm after snow storm similar to last year, but this year the cold has been worse and it is affecting the South more than normal. These storms are causing power outages, school closings, and many

flight cancellations. Fortunately, only a few deaths were the result of this damage. It may be time to start complaining about the abuse caused by this array of microwave beams."
Jesus said: "My people, you are seeing an unusual breakout of street demonstrations in many Arab countries as Tunisia, Egypt, Lebanon, and Yemen. It is not clear what the source is of a sudden upsurge in protests timed simultaneously. Many dissidents could be stirring up the people because of the poor economies. Pray that order could be restored to such volatile situations."
Jesus said: "My people, most of you understand what happens to your own household if you spend 50 to 100% more than your income. Eventually, your creditors will not give you any more credit or loans, and you could enter into bankruptcy. Your Federal government is also spending too much money, and your income is still reduced because of the recession and high unemployment. You have seen what happened to other countries as Greece when their creditors forced austerity budgets on their people resulting in riots. If America cannot reduce its deficits, you will see similar austerity budgets forced on your people as well. You cannot afford an expensive war, expensive health care, or open ended expensive entitlements. You need to live within your means to collect adequate taxes because your borrowing is coming to an end. No one will lend you money when you cannot even pay the interest, let alone pay back the debt. Pray for a solution to your debts, or you could face bankruptcy and a takeover by the one world people."
Jesus said: "My people, both the one world people and My faithful know how dangerous it will be when the tribulation and riots occur. Many will be seeking food when your financial system fails. This is why when people start killing for food or killing Christians, it will be time to come to My refuges of Our Lady's apparition sites, holy ground places, and caves. Now, even the one world people are preparing and adding supplies to their elite underground cities. These activities are signs of how hard it will be to find food and survive. Trust in My protection from all of the evil ones who will be trying to kill you."
Jesus said: "My people, you are in Ordinary time right now, but in about a month you will see Ash Wednesday start another Lenten Season. This coming time is your best time to renew your spiritual life that may be lax at times. Just as you are coming out of the darkness of winter, you are anxious to start reflecting on ways that you could improve your spiritual life. You can start first with monthly Confession with a reasonable preparation beforehand. Keep Me in focus every day in your prayers and possibly daily Mass. I am always at your side to help

you through life's trials."
Jesus said: "My people, in every daily action you choose either to follow Me or the evil desires of the body. In the vision you are seeing two territories: the side of the devil and darkness on one hand, and the side of Me and My Light on the other hand. By your actions you choose to be on one side or the other. You need to be able to discern whether you are living in My territory or the territory of the devil. Those, who want to be with Me in heaven, should strive to live in the Light. Those, who desire to live in sin and darkness, are living in the devil's territory on the path to hell. Wake up and discern your eternal destination. Come to Me where I will show you love and heaven, which is far better that living with the hate of the devil in hell."
Jesus said: "My people, abortion is rampant and available in almost every country. Areas that kill their children the most by abortion are declining in population. Other religions or cultures that avoid abortion are having children and their societies are growing. Continue to pray for the stoppage of abortion because taking lives is against My plan. Those, who are pro-life, will eventually out populate those who favor abortion. Wake up to see how precious every life is in My plan of creation."

Friday, January 28, 2011

February 10, 2011
Friday, January 28, 2011: (St. Thomas Aquinas)Jesus said: "My people, your privacy is being invaded by the curious eyes of the one world people. This vision is emphasizing how you are under constant surveillance as in Russia. These evil ones no longer need people to watch you because now they have high quality cameras to do their dirty work of spying. Some uses of cameras do aid in catching criminals, but this also enables the watching of innocent citizens. These people have placed microchips in your passports, your driver's licenses, and even easy passes for paying your highway tolls. You have RFID (radio frequency identification) chips in everything that you buy, in your money, and in your stamps. All of your communications, charges, and queries on the internet, are all being recorded and stored in the 'beast' super computers. These one world people know all of your activities and any religious or patriotic persons are on lists to be eliminated when martial law is declared. You are only a short time away from a one world government take over, when it will be necessary to call on Me to have your guardian angels lead you to My nearest refuge. Be prepared also for My

coming Warning that will wake up all sinners to see where their spiritual life is leading them. By daily prayers and monthly Confession, you can even be prepared for the day of your death and your judgment. Many of the events that I have warned you about will soon take place right before your eyes, so you cannot deny they are happening."
Jesus said: "My people, in America you rarely see mass violence except drug killings in your cities. Now you are seeing drug cartels killing your people next to the border where thousands are entering illegally. In general Americans are wealthy compared to the poor in third world countries. You have been to Egypt and you have seen how destitute people are by where they live. This is why rioting protests are so foreign in your country where you mostly see responsible peaceful protests in Washington, D.C. If your people suddenly experienced hyperinflation so it was hard to live and obtain food, you could see a change in people's attitude if their survival was at stake. Then you could imagine roaming mobs with guns seeking out any place with food. When people become violent looking for food, you will soon see martial law declared. Many could be killed in such riots, but this will be the time when My faithful will need to seek the protection of My refuges. The one world people in martial law will be looking to find and kill Christians and patriots as their targets for their new world order. If you see riots in your streets because of food shortages, bank failures, and anarchy, then you will be warned what to do. The evil ones leading the new world order will be run by Satan and the Antichrist, so seek My refuges by leaving your homes as soon as possible so you can avoid being killed or controlled with mind control."

Saturday, January 29, 2011

February 10, 2011
Saturday, January 29, 2011:Jesus said: "My people, I have told you before how precious fresh water is to everyone for drinking, bathing, and washing things. Municipalities that draw water from rivers and lakes are fortunate to have such a large water source. Other areas have to rely on wells, rainwater, or snow melting. In each case there is a source of water, and also treatment of waste water. All water is too precious to waste, so recycling is paramount. Water standards require removing dangerous bacteria, but toxic salts may also have to be removed, which is more expensive if membranes are required. This is why water

costs have been going up, especially in areas without large sources of water. At My refuges water will also be necessary, but I will perform miracles to avoid wells running dry or from being contaminated. Be careful to avoid polluting your water, because it makes it too hard to purify for public use. Be thankful that you have piped water to your house since many countries do not have this basic necessity as available."
Jesus said: "My people, you have seen some unusual lights in the sky over various countries and these were laser projections that the Antichrist is claiming were like the Star of Bethlehem announcing his coming. These different shaped stars were documented on the internet. The one world people are trying to force you to have their microchips implanted in your body so they could induce voices for you to obey as a robot. These voices will tell those who are chipped to come to various stadiums and auditoriums to watch the projection of the Antichrist who will use mind control to instruct them what to do. This is why you do not want to take any chips in your body or have any microchip devices on your person. You can wrap any chipped documents with aluminum foil so they cannot be used to control you. These chips can give you voices that could control your mind and take away your free will. This is why I told you before to refuse chips in the body, even if these evil ones threaten to kill you. When you see mandatory chips in the body being forced on people, it will be time to call on Me and have your guardian angel lead you to My nearest refuge of protection. Trust in Me that I will provide for your needs as you suffer through the coming brief tribulation."

Sunday, January 30, 2011

February 10, 2011
Sunday, January 30, 2011:Jesus said: "My people, the faithful remnant are My strong prayer warriors who are an inspiration to the lukewarm who do not pray as much, nor attend Mass as often. These faithful are strong no matter what they face in the world from the evil ones. Family members look up to them as the stalwarts of the faith and as good examples. Those, who pray their rosaries every day, go to daily Mass, may even go to daily Adoration, are the living faithful that do most everything I ask them to do. I have even called some of these warriors to be My messengers of messages to prepare My faithful for the coming tribulation. I call all of My people to be strong in their spiritual lives, and live the

beatitudes that you read today as much as possible."

Monday, January 31, 2011

February 10, 2011
Monday, January 31, 2011: (St. John Bosco)Jesus said: "My people, all throughout the Gospels you see displays of My power. In today's Gospel I cast out a legion of demons from a possessed man. In other Gospels I quieted many storms of the sea, walked on water, multiplied the bread and fish, and made water into wine. I healed many sick people of all their afflictions. All of these signs indicate to you My power over the evil ones. So do not have fear, because I will protect you. I allow testing to occur as a grace of opportunity to make your faith stronger in adversity. I never test you beyond your endurance, but do not expect a comfortable life all the time. These miracles were signs of hope for My apostles. The greatest miracle was My Resurrection from My death on the cross that has saved everyone who accepts Me. I also have given you the gift of Myself in turning bread and wine into My Body and Blood. These sacraments that I instituted, were for your spiritual food and the forgiveness of sins. They give you My grace which is the lifeblood of the soul. I love all of you, and I am always at your side when you call on Me for help."
Jesus said: "My people, some of you are unhappy with the control that your government leaders are exercising in taking over your rights. The real blame is on the central bankers and the one world people who control your leaders as puppets for their evil plans that are led by Satan. Your leaders and the one world people who control your corporations, have literally exported your jobs through their free trade agreements. By importing so many goods from China, China has used your trade deficit to buy your Treasury Notes and build up their military. Now, China could blackmail you by switching these Treasury Notes to other currencies. There is a plan to remove the dollar as the 'reserve currency' to transact oil payments. America is being purposely weakened in your economy, education, finances, and in your military power. The plan for a one world government is to bring America into the North American Union to eliminate your Constitutional Bill of Rights. This coming takeover of America will be brought about through martial law. I have shown you before that this could be brought about through bankruptcy, a pandemic virus, terrorist activity, a large man-made induced natural disaster, or even a combination of these things. When

you see martial law or mandatory chips in the body, it will be time to call on Me to have your guardian angels lead you to My refuges of protection. Your main battle is one for souls to save them from hell. Countries rise and fall, but your soul's destination is more important for all eternity. Be ready to go to My refuges, but most of all evangelize as many souls to the faith as you can while you still have time. Pray for My help in your work to save souls."

Tuesday, February 1, 2011

February 10, 2011
Tuesday, February 1, 2011:Jesus said: "My people, in today's miracles in the Gospel one woman was healed by touching My clothing in faith, while a little girl was raised from the dead. When you see this miracle of raising someone from the dead, you can see the same power used when I resurrected Myself from the dead as well. Those, who die, have their souls separated from their bodies. Remember that the body is mortal, but the soul is immortal and lives on for all eternity. It is the destination of the soul that is so important because ultimately you are judged either to heaven or hell. Strive to enter through the narrow gate to heaven by faith, rather than entering the broad road to hell. By denying self and the cares of the body, you can give your will over to My Divine Will. Come in faith to ask My healing of your soul, which is more important than healing any afflictions of the body."
Jesus said: "My people, you have been fortunate for a long time that you have not suffered another long power outage in the middle of winter. This vision of a chimney with a wood burner is a flashback to when you had to burn wood and use a kerosene burner for eleven days. You may want to check if your alternate heating sources are still in working order, just in case you may have to use them. It is difficult to get along in the winter without a working furnace. Some very big events are coming along when you may see the one world people shut off the electricity and your gas and water lines. If you are prepared with extra food, water, and fuel, you could survive any of the coming trials. I have told you in many messages that you will not wait long for My Warning experience. Keep prepared and be ready to leave your homes for My refuges when I will give you the word to go."

Wednesday, February 2, 2011

February 10, 2011
Wednesday, February 2, 2011:(Angelo Funeral,Presentation in Temple)Jesus said: "My people, it is always difficult to suffer the death of a husband, a father, and a grandfather. Your priest was very consoling to the wife and the family at the funeral Mass. The family was very appreciative of all the people who made it to the Mass in the middle of a bad snow storm. Angelo's life covered several countries and he had many talents that he used to help people. He was a very gracious man in all that he did for people. Give thanks and praise to Me for the gift of Angelo's life."
Jesus said: "My people, I have warned you that your dollar currency is about to collapse because of your deficit budgets, and out of control borrowing and printing of money with no backing. Most Americans have a hard time believing that your currency could collapse. You need to understand the meaning of the dollar as the world's 'reserve currency' in buying oil. Once your debts are so large, countries that you buy goods from will avoid dollars or charge you more dollars for the same goods. Once you no longer have a 'reserve currency' the value of the dollar will deteriorate and you will have hyperinflation as many nations have had, as in Germany in World War II. This will precipitate in riots in the street with people searching for food to survive. When you see the collapse of the dollar, martial law will result which will then see America become part of the North American Union. As you see the dollar begin its collapse, this will be the best time to leave for My refuges before the riots and martial law begin. This collapse is not far off, so have your backpacks and necessities ready to leave for My refuges. Call on My help and have no fear since I will have My angels protect you on your way to My refuges and at My refuges. Trust in Me more than your money, gold, or your possessions, since they will not save you."

Thursday, February 3, 2011

February 10, 2011
Thursday, February 3, 2011: (St. Blaise)Jesus said: "My people, in the vision you had a flashback to your trip to St. Blaise Church when it had been attacked in the war. In the sacristy of that church you saw many shaped candles for the blessing of the throats, as you received at Mass. Today, many use crossed candles, but the

original candles had more of a handle and a place to light a candle. Many traditions as this evolved from a miracle of St. Blaise when he healed a young boy from a fishbone in his throat. He was a bishop and was martyred for his faith. You all are anxious to have any special blessing, as for your throats. You are all blessed with the opportunity of coming to daily Mass. There you are blessed by the priest and by My grace at Holy Communion. Rejoice in all the blessings that I bestow on all of My people."

Prayer Group:Jesus said: "My people, you are fortunate to have any first class relics of the saints. This is why I wanted you, My son, to put your relics on display at your prayer group for everyone to venerate. I mentioned before that you take in your display to fix them when they get out of order. Give thanks and praise to Me for all the faithful who have suffered for giving witness to Me, whether they were martyred or they were dry martyrs."

Jesus said: "My people, I have made many covenants with man, and the first was My promise to send a Redeemer for all mankind. This was required to heal Adam and Eve's sin of disobedience, and to heal and forgive all the sins of everyone. Another covenant is the Ten Commandments that I gave to My people through Moses. Another covenant combined with My death on the cross is the covenant of My Real Presence as you take My Body and Blood in Holy Communion. Strive to keep My Commandments and know that I will forgive you in Confession."

Jesus said: "My people, many are shocked by the ongoing street demonstrations going on in four or five Arab countries. The fact that these demonstrations occurred all at once is a sign to you that various Muslim elements of the population are trying to gain power in these governments. To some extent the people desire some new leadership because they are poor, many unemployed, and have little to eat with little hope of getting better. These real concerns are being taken advantage of by Islamic activists that desire Islamic states. Pray for calm in these outbreaks so there is little or no loss of life."

Jesus said: "My people, I thank you for doing some research to share with the people exactly how evil these chemtrails and the HAARP machine are in causing man-made disasters. The HAARP has been used to enhance bad storms as you are witnessing all over your country. It is also being used to cause major earthquakes and other military uses. The chemtrails with their toxic barium and aluminum are slowly poisoning your people and the ground where you grow your crops. If people have not looked into the understanding of these weapons, then they should learn exactly how they are abusing the earth as I created it. I

have told you if these abuses get worse, I may have to intervene to stop the destruction of My creation."
Jesus said: "My people, those, who are a little older, can remember how difficult it was to type letters and research papers with mechanical typewriters. Today, you have computer word processors and laser printers that make it a lot easier to type reports. You are able to send these words in e-mails and broadcast My Word on the internet. It can be a great help to evangelize people in helping them to save their souls. Beware that these tools can be abused by evil people as well to spread pornography and bad movies. Even the Antichrist will use the internet to try and force people to worship him by mind control. Pray for My help in discerning any abuses and get rid of these tools after the Warning."
Jesus said: "My people, your State and Federal governments have been overspending their budgets for so long that people have accepted it as business as usual. The debts that have piled up are now on the verge of bankruptcy at all levels of government. Even if by a miracle you could manage to have balanced budgets, you still have to pay the enormous interest on such large debts. Even worse are the underfunded pensions and entitlements that will not have enough money to support them. My people should get ready to come to My refuges once your financial system will crash."
Jesus said: "My people, I have asked you to store about one year's supply of food for when food will be hard to find and purchase, especially if a chip in the hand is required to buy things. Some people at My refuges have stored grains as wheat and rice. In order to use them for food and flour, it will be necessary to grind these grains. If you have such grain stored, then you need to have a small mechanical grinder to convert your grain into flour. The grains will keep longer than the ground flour, so only grind what you need at one time. Be like the wise virgins as you will be prepared to endure this tribulation at My refuges with your supplies and those things that I will multiply."

Friday, February 4, 2011:Jesus said: "My people, there is a faithful remnant that is close to Me at Mass and in their daily prayers. Some even visit Me daily in Adoration of My Blessed Sacrament. They have been faithful to Me even over many years. You have seen in the Gospel how St. John the Baptist witnessed to

Me by not being afraid to tell King Herod that it was unlawful to marry his brother's wife. He witnessed his faith, even though he could be at risk of losing his life in doing so. So My faithful of today also need to witness your faith as in protesting abortions and advising people that it is unlawful for couples to live together in constant fornication. This could even endanger your life as the religious persecution time gets stronger. Do not be afraid to stand up for your own faith in Me, and refuse any chips in your body. You will soon be entering the tribulation time when the evil ones will be trying to kill Christians and patriots. This is why I have had My faithful building refuges for your place of protection during the tribulation."
Jesus said: "My people, I seek all of My faithful to come to Me in Confession as I am like the father of the Prodigal Son waiting for his son's return. I am also waiting for all of you to return to Me in Confession so I can break the chain of your sins, and return My grace to your soul. It is not easy for some to come to Confession because it means that you have to admit that you are a sinner and you need to have your sins cleansed in My sacrament of Penance. By swallowing your pride, you are being humble in admitting the guilt of your sins. I desire that you come to Confession as often as you desire, but at least once monthly. When you confess often, this is not a sign of weakness or that you are a great sinner, but it means that you want to be close to Me in the state of grace as much as possible. You need to be constantly vigilant in protecting your soul, so you are always ready to meet Me at your judgment when I call you home at your death. By frequent Confession and all of your devotional prayers, you also are minimizing any unforgiven sins that will be scrutinized in your Warning experience at your mini-judgment. My Warning will be an extension of My Divine Mercy for all sinners. Even the worst sinners will be awakened in their spiritual lives, and they will be given a second chance to change their lives. Everyone will understand how your sins offend Me, and how important it is to ask My forgiveness. Many will change and could be saved, but others will need the help of My prayer warriors in finding a way to conversion. Pray that those in your family, who are away from Me, will be healed and converted at My Warning."

February 10, 2011
Saturday, February 5, 2011: (St. Agatha)Jesus said: "My people, many times in the Gospel readings you see Me drawn to go off into deserted places or into the mountains to pray. Prayer is when you are talking to Me from your soul. By being in quiet places, you can be away from the noise of the world in music, talking, or traffic. In this quiet time now you can listen to My words to your heart, and I can hear you more clearly. In this quiet time with Me you can refresh your spiritual lives that are torn with many demands for your attention. I am the Good Shepherd who brings you My Word of Scripture in the Bible. You have other shepherds in My Church as the pope, bishops, and My priest sons. Even My laity that is baptized and confirmed, are priests, prophets, and kings that are in the line of Melchizedek. All of My faithful can shepherd souls to conversion and help save souls from hell through the power of the Holy Spirit. For those who have fallen away from Me, do not give up on their souls, but pray for their conversion and give them good example in your prayer lives. When people see you coming to Mass, Adoration, and saying your prayers, they can see where you get your spiritual strength. Be on your good behavior at all times so people can see that you live what you believe in your life. Guard yourself from any occasions of sin, and ask My help whenever you are tested by the evil one. By your devotional prayer, and good works, you are following Me through the narrow gate to your eternal reward in heaven."
Jesus said: "My people, this crucifix on the ground is My calling to everyone to pick up your own cross and suffer carrying it in union with My own suffering. I have told you that I will give you My peace for My yoke is easy and My burden is light. Those, who do not invite Me to help them, are carrying twice the burden as My faithful."
Jesus said: "My people, you have heard a great conversion story and the fruit of his conversion. Many of you think that a conversion can only occur once in your life. Throughout your life you may become comfortable with different sins that can turn into habitual sins. You may be saying your prayers for various petitions, but you should be open to pray for a conversion of one of your habitual sins. You know deep down in your soul that you need to make improvements by dealing with your habitual sins. Take one sin, pray about it, and ask My help to break this habit. When you are tempted to commit this sin, say 'Jesus help me.' Make this simple request and I will answer your prayer. Continue to make a conversion in your life of each sin that needs to be rooted out of your comfort zone. You will get many attacks from the devil to put off any conversions, or he will tell you

that it is too hard to do. All things are possible with Me, and many conversions can be accomplished in your life if you let Me help you. I love all of you and I want to see your souls perfected over time. Making conversions are very difficult with habitual sins. Saying a novena for this intention may help you in your progress. You can also use a Lenten penance in giving up one of your sins. Be humble and take away your pride, and you will find your conversion may be easier than you thought."

Sunday, February 6, 2011:Jesus said: "My people, you are truly the salt of the earth, and I call all of My faithful to go out into the world to share My Light of the Gospel in seeking to evangelize souls to follow Me. When I said what if the salt loses its flavor, I am referring to what if one of My faithful loses his or her way, then he or she cannot spread My message. So it is important that you stay close to Me in daily prayer and if possible daily Mass. In this way you will not lose any of your gifts of faith, and you will be enabled by the Holy Spirit to spread My Word as My Light disperses the darkness of sin. To protect yourselves from the evil ones, you must wear your weapons of the rosary, the scapular, the Benedictine cross, and possibly holy water and blessed salt. When you go out in your mission trips, you use My blessed salt in your van for protection. Blessed salt is very powerful against the demons, as is your relic of My True Cross. When you pray for a healing of people, remember that you are praying through Me and the Holy Spirit to heal both the body and the soul. Healing of the soul in conversion is even more important than any bodily healing. I love My faithful and all peoples, even those who do not love Me. I give this as an example that I want you to love everyone also, even those who persecute you or try to harm you. Each person has a soul, and I do not want that person to be lost to the evil one. I am sending you out as My apostles two by two so you can go out to all the nations with My Word. Then people can be given the opportunity to be saved and invited to know and love Me. I give you all My blessing of protection and a blessing to strengthen your faith so you can be a witness of My love to all people in the world."

Monday, February 7, 2011:Jesus said: "My people, in the beginning of creation I provided the sun for light, the water for drinking, the oxygen in the air for man to breathe, and the plants and animals for food. During the tribulation when you are at My refuges, I will provide the deer for meat, water, and your daily Communion as bread. Your community will have to provide all of your hygiene needs and the things that you use by using your individual talents. This is why in the vision you are seeing these vats for washing, bathing, and making things that you need. You will be living as in older days without many of your present comforts. This will only last less than 3 Â½ years until I come and vanquish the evil ones, and bring you into My Era of Peace. Have patience and pray as you will be preparing for your entry into heaven."

Jesus said: "My people, you have seen many doctors, hospitals, and even drug stores encouraging people to get the latest flu shot for Swine Flu and the latest seasonal flu. I have warned you in the past not to take the flu shots because they will damage your immune system instead of protecting you from the flu. It is hard to find any evidence of just how much the shots protect you from the flu, but there is some evidence of side effects that affect a fair percentage of people who took the shots. Some may not have immediate symptoms, but continuous shots have caused memory losses. I told you how the evil ones are preparing to place a deadly virus in the chemtrails that will sicken those who took flu shots more than those who did not take them. It is better to have Hawthorn pills, vitamins, and herbs to build up your immune system. When many are dying, you will need to wear your masks, and call on Me to have your guardian angel lead you to My refuges. At the refuges look on My luminous cross and drink the healing spring water, and you will be protected from these flu viruses and any other ailment. Give thanks and praise to Me for healing any diseases, and protecting you from the evil ones who want to kill you."

February 10, 2011

Tuesday, February 8, 2011:Jesus said: "My people, on the sixth day I created man and later woman, as most animals have male and female species. As you look at the human body and all the intricate parts of a working body, you are amazed at My creative skills. Just look at one part as the eye, and how it

functions to provide your sight. Man in all of his scientific research cannot produce a human body. You may be able to manipulate DNA genes and add artificial limbs, but you cannot even come close to making a working human body. You are wonderfully made in the womb, and this is why human life with a soul is so precious, and should not be killed. Many atheists challenge My act of creation with the big bang theory and Darwin's evolution theory because they do not understand My power over everything. Many of these things are only theories because they have not been proven. My creation is a fact because it is self-evident to those who can see things in front of them. Be grateful for the gift of your life and all the other parts of My creation that you need for survival. Your soul is your most precious gift because it is the spiritual life that will never die. This is also why you must guard it from sin and the devil who wants to possess you in hell. I love you, and I am a jealous God as well for your soul to love Me. I do not force Myself on you because I gave you free will to love Me by your own choice. Come to Me and I will lead you to your reward in heaven." Jesus said: "My people, your society is very dependent on your transportation in cars and trucks, and also on the fuel that runs them. For the most part oil is used to make gasoline which is a limited fossil fuel. This is why places of oil have become politically important for the ability to keep your vehicles running. As fuel costs rise relative to the dollar, this can affect many parts of your economy, as transporting goods could drive up prices as well. Hybrid cars and other fuels can improve fuel mileage with less dependency on so much oil. Renewable sources of fuel combined with electric hybrids may offer you the best compromise because fuels like ethanol would be hard to replace all the gasoline that you use. Many emerging economies like China and India are also putting demand on the world's oil supplies. By being able to make your own fuels from farm products or natural gas, you would be less dependent on politically controlled oil countries. America has many problems with its debts, but a sound energy plan is needed to support your economy. It will be your huge deficits over the years that will bring down the dollar and your country. Once this bankruptcy is forced on the people, there will be chaos and riots in the streets. Once martial law results, My faithful will need to move to My refuges of protection. Trust in My help to get you to My refuges since the one world people are about to bring their one world government into power with the Antichrist at the head."

February 24, 2011

Wednesday, February 9, 2011:Jesus said: "My people, there is pride in man in his own accomplishments, when he should be giving glory to Me for such things. The vision of the tower of Babel is a sign how man was trying to reach heaven with a tall building. It was man's arrogance for power that I humbled him by causing many languages to be spread among the people so they could no longer work together on building this tower. Even today, the same is true with your skyscrapers and inventions when you rarely give Me glory for your accomplishments. The pride and greed for power and money will be leading to America's demise because of your overspending and irresponsible management of your deficits. Because of your sins of abortion and your sexual sins, your punishment will be the loss of your rights, and you will see a takeover by martial law. Be prepared to go to My refuges when martial law occurs."
Jesus said: "My people, it is not by accident that you are seeing record snowfalls and record cold all over America, especially in the Northern states. In the vision I am showing you exactly how the weather is being formed over the Pacific Ocean and it is swept in by the controlled jet streams into the center of America. Also deep cold waves are coming down from Canada. The storms are coming in one after another, as even the weather forecasters think that this activity does not follow normal weather patterns. It is difficult to prove that the HAARP machine is causing this irregular weather, but I am trying to confirm My previous messages with this vision. Forecasters talk of various oscillator highs over Greenland, but these weather currents can also be manipulated by moving the jet streams in various waves. When you have a microwave machine that can control weather, form earthquakes, and affect mind control over people, then you see why it is so important to alert people about the workings of the HAARP machine. The one world people will use any device at hand to cause major natural disasters that will allow a martial law declaration for total takeover of America. Be prepared to leave for My refuges when I tell you to leave."

February 24, 2011
Thursday, February 10, 2011: (St. Scholastica)Jesus said: "My people, have no fear of the demons when you invoke My Name of protection. But do not become involved with the occult in black magic, New Age, witchcraft, sorcery, tarot cards, or transcendental meditation that can invite demons into your body. Avoid evil potions, Harry Potter movies and books that can influence you to obsession or possession by demons. By calling on My healing and not spirit guides, you

can be healed in faith both physically and spiritually. You can wear your blessed sacramentals of your rosaries, scapulars, relics, and holy water or blessed salt to repel any demon attacks. Possessed people should have an exorcist priest pray over them, or a deliverance prayer group binding any evil spirits to the foot of My cross. I have power over all the demons, but in your prayers some demons require prayer and fasting, as with some serious addictions. Recite your St. Michael prayer and invoke My Name if you should be attacked by demons. Ask Me to send angels from heaven to do battle with any evil influences. You have Me, your guardian angel, and the saints to call on for help in guarding you from sin and temptations of the devil that you suffer every day."

Prayer Group:Jesus said: "My people, the protest marches in Egypt have called for Mubarak to step down from power. The concern is whether the military will assume power in the vacuum of no leadership. If the military starts ruling, there may be a conflict between the protesters and the military which could turn violent very quickly. Pray for no loss of life in this conflict so there is a steady transition of power."

Jesus said: "My people, this vision of a tall tree shows how much it is dependent on a sound root structure. The first roots of My Church started with the prophecies and prophets of the Old Testament. Today, you have a hierarchy headed by My pope son, the cardinals, bishops, priests, and other clergy. The root structure is made up of My faithful remnant in the laity. As the faith of the people grows weak, the root structure that supports My Church also grows weak. Pray that the lukewarm will be inspired by My prayer warriors to hold fast to their faith."

Jesus said: "My people, for some time your dollar has been controlled and interest rates have been held at artificially low levels. The Federal Reserve has been printing so much money that the true value of the dollar has been so diluted that many countries will soon avoid dollars. The reserve currency of the dollar to buy oil will soon be superceded by other currencies. If America cannot find buyers for its Treasury Notes, then you will soon have to print so much money that it will cause hyperinflation and soon bankruptcy. When you cannot buy food or fuel, you will see riots and looting followed by martial law. Then you will only be safe by coming to My refuges."

Jesus said: "My people, you have seen threats of bankruptcy in many European countries, and their bailouts are only temporary. Another financial crisis will happen in America that will have rippling effects on the world economies. Because your money does not have any intrinsic value, it can fail very quickly

when your debts are impossible to fund. This currency failure will be the beginning of the takeover of America. Again, My refuges will be your best protection."
Jesus said: "My people, the one world people are planning major uprisings in many countries so under martial law they can take over many countries to form the unions that will be given over to the Antichrist to control. He will bring peace out of chaos, but soon he will bring about an evil tyrannical dictatorship where he will try and control people with chips in the body. Refuse to take any chips in the body. When this tribulation begins, My faithful need to be at My refuges because the evil ones will try to eliminate Christians and patriots to form their new world order. Have trust in My protection for I am more powerful than all of these evil ones."
Jesus said: "My people, when you pray for the success of spiritual conferences, you know that you will need heavenly power to hold back any evil attacks on conferences that will help to save souls. You have seen your own novena to St. Therese answered in helping you complete your recent DVD talk. This is why novena prayers for this upcoming conference are so important for all of your participants to pray. Instead of just nine days, you can pray your novena prayers for all the days before this conference."
Jesus said: "My people, many of your strong, faithful prayer groups are losing members to deaths of various causes. Because your members tend to be getting older into retirement, it is harder to add new members to replace those who have died or are in nursing homes. I have told you when I return, will I find any faith on the earth? Pray now to have your prayers doubled because fewer and fewer prayers are being prayed to offset the increasing evil in the world. This evil will culminate with the short reign of the Antichrist during the tribulation. Trust in My protection at My refuges and do not lose hope. Once you see the Antichrist come into power, know that My coming is soon when I will cast this evil lot into hell and bring My faithful into My Era of Peace."

Friday, February 11, 2011: (Jim White's funeral Mass)Jim said: 'I want to thank you, John and Carol, for visiting me before I died, and sharing with my family. I wanted to take issue with my nephew's comment on me being grumpy. My world comments were addressing how evil things have become, and the Lord will be coming to address these evil ones. I do have hope when many will change after

the Warning. I have tried to be a spiritual helper in keeping my family in prayer and on the right road to heaven. I will be praying for all of My family as I love all of them so very much. I love you, Maureen, and I am no longer in pain. I will be in purgatory for a short time. Thank you for all of your prayers and Masses for my intention. Support each other in your faith and continue to attend Sunday Mass and monthly Confession. Call on me to pray for you in your times of need."
Jesus said: "My people, you have seen in history how England's meager air force was able to defeat a German air force that was four times as large. In America today, you have a different evil force which is trying to take you over, but not by a military takeover. You are dealing with the demon inspired central bankers and one world people who are doing everything to ruin your Republic. Their first attack was to control you financially through the Federal Reserve. The second attack was to create massive deficits through wars, stock market crashes, and overspending by your government. Your debts are so large that it is almost equal to your country's national output. These evil ones also want to erase the middle class by purposely sending your good manufacturing jobs overseas by controlling corporate leaders. They also want to destroy the moral fabric of America by dividing families, using pornography and drugs to break down the people, and even by using the occult and New Age teachings. You not only are dealing with ruthless killers, but you are in a battle for souls. Many of your churches are losing members as your national morality is being corrupted by evil and spiritual laziness. There is still hope by forming or enlarging your prayer groups. Prayer is your best weapon against the evil ones who are trying to take over America. Many are preparing refuges of protection for dealing with the evil tribulation of the Antichrist. Call on My angels to help you in this battle against the evil ones. Stand up and fight the immorality all around you. Even as Germany was defeated, so I will intervene in the battle against the Antichrist to bring about his demise. Trust in My greater power that will defeat evil and bring My people into My Era of Peace."

Saturday, February 12, 2011:Jesus said: "My people, in the first reading you are seeing the result of the sin of Adam and Eve when they were banished from the Garden of Eden and had to work for their food by tilling the soil. This is contrasted with the vision under the Vatican where you see St. Peter and many

popes were buried. I came to die and redeem mankind from the sins that were inherited from Adam and Eve. With My sacrifice you are freed at Baptism from original sin, and I have given you Confession for your actual sins to be forgiven. You have Me in My Eucharist to strengthen your soul as symbolized in the bread that was multiplied in the Gospel. I formed My Church on St. Peter and My apostles to spread Christianity to all the nations of the world. Be grateful that I have protected and preserved My Church from destruction. Many kingdoms are fortunate to last five hundred years, but you have seen My hand in helping My Church throughout history for over two thousand years. My hand of protection will always be with My faithful remnant even throughout the tribulation. So have hope that you will be protected from the demons and the Antichrist at My refuges."

February 24, 2011

Sunday, February 13, 2011:Jesus said: "My people, this vision of removing a television from the house can be interpreted as another sign of the coming Warning experience. The Warning will come before the Antichrist declares himself. In the Warning experience you will see your life review, and you will be warned not to take the chip in the body, nor worship the Antichrist. After the Warning you will want to remove your TVs, computers, and radios so you will not see or hear the Antichrist, so he cannot try to force you to worship him. Also, after the Warning you will be advised to leave soon for My refuges for protection from the evil ones. The Warning will also be an urging to get to Confession as you will be able to remember all of your unforgiven sins. You can be prepared for the Warning by frequent Confession so you will have fewer unforgiven sins to review."

Jesus said: "My people, this prescription sign in the vision covers several issues dealing with medicines. The first issue is a concern about avoiding flu shots that are being used by the drug companies to eventually break down people's immune systems. This will make people vulnerable to the pandemic virus that will be spread by the chemtrails. At the same time, I have recommended masks to wear and Hawthorn pills, vitamins, and herbs to take to help build up your immune systems. Other warnings are a concern about imported medicines from China that could be of questionable quality. Eventually, you may have to stock up on six months supply of your herbs and vitamins when your government will have a new plan according to the World Health Organization that will require licenses to

sell vitamins and herbs. Once you come to My refuges, you will have My luminous cross and the healing spring water to protect you from any diseases. But until you leave for My refuges, you may need to help your health needs and be concerned about what people are putting in your food or medicines."

Monday, February 14, 2011: (St. Cyril and Methodius)Jesus said: "My people, this rope bridge across a ravine is definitely unsteady as you cross to the other side. This is a little like the ups and downs that you are faced with in life's trials. At times you may have to deal with problems with your car or your house that need fixing. At other times you may have problems with your health or that of a relative or friends. Also, you have been attending several funerals of your friends. All of life's problems can cause you stress, but you must keep peace in your soul, and cross these bridges when you have to. Pray for My help in giving you strength to endure your trials, and for My grace to protect you from any temptations of the evil one. Just as Cain allowed himself to be jealous of Abel's favor with the Lord, do not let things or people bother you so much that it could lead you into sin. Follow your heart of love and do not give in to the urges of the body."
Jesus said: "My people, the evil central bankers and the one world people are using their public relations people to tell you how imminent their takeover is going to be. They are so prideful of their power, but they are weak against Me and the population that could be turned against them. The evil ones are proceeding with their plans to make the dollar worthless so bankruptcy, pandemic viruses, and world famine could bring about martial law. These evil ones can even create man-made disasters as well. Their intention is to try and place chips in everyone to control them as robots. Refuse to take any chips in the body even under pain of death because they will control your free will. Their other plan is to exterminate all Christians and patriots before and after martial law is declared. My faithful will need to leave for My refuges before the military starts enforcing mandatory chips in the body. Once martial law takes over, America will become part of the North American Union and all of your rights will be taken away. Then all the continental unions will be given over to the Antichrist so he can declare his coming into power. Fear not these evil ones

because I will then intervene with My supernatural power that will cast all of these evil ones into hell after they suffer My plagues on earth. You will be seeing the chapters of the Book of Revelation carried out before your eyes, as I will then bring about My Era of Peace as your reward for remaining faithful to Me. So be calm and patient as you prepare to come to My refuges where you will find food, water, shelter, and healings. My angels will protect you, so you will have no need of guns. Have some food on hand until you leave for My refuges. Gold and silver will be used briefly for barter, but food is more valuable to store."

Tuesday, February 15, 2011:Jesus said: "My people, it is Satan and his demons that are orchestrating the drive in the one world people to cause a world takeover through your debts which will be given over to the Antichrist. If you follow the Scriptures of the Book of Revelation, you know this takeover is coming. What the people of today have a hard time reckoning with, is that this takeover is imminent. Even the one world people themselves, through their intended leaks, are telling you that they intend to crash your dollar in the next two years. I have been warning My faithful to have their backpacks ready to leave for My refuges. Even My refuge builders have been instructed to have things ready to receive a lot of people. My angels will protect you from the evil ones, and I will multiply the food and shelters needed by My faithful. Your money will soon become worthless, so I have told you to stock up on food so you can share it when it is needed. Food will be more valuable than gold or silver. Gold and silver are the currency of the rich, as even they do not trust in paper documents or paper money. These events of a world famine and world bankruptcy are very close, but when martial law comes, the rich will take over everything. Be prepared to refuse any mandatory chips in the body, and leave for My refuges before the chaos and riots in the streets will occur. I have been emphasizing these messages very intensely over this last year. Have your soul prepared by frequent Confession and daily prayer, because your soul is more important than the survival of your body. Be the wise virgins of preparedness than the foolish

virgins who did not prepare."
Jesus said: "My people, you have voted Republicans into replace the overspending Democrats, and you were hoping that they could help balance the budget deficits. What most people do not see is how there are forces behind the scenes that desire America to fall, and they will fight against any serious cuts in spending. Any major changes still have to pass your Democrat controlled Senate and the President. This is why there will be little changed as America is continuing to spend itself into bankruptcy. The Federal Reserve is also buying your Treasury Notes more because fewer people and foreigners are buying them. These purchases add to the National Debt, as the Federal Reserve has a balance sheet that is made out of thin air. The more dollars that are put into credit circulation, the less the dollar will be worth, as its value is diluted. These manipulations are just postponing the inevitable demise of America's financial system which is based on the dollar. Be prepared, My people, for your debts cannot be sustained for very long. Once your dollar crashes and martial law is put in place, you will need to call on Me to have your guardian angel lead you to My nearest refuge. Trust in My protection and the food I will give you. People will be seeking food when their money cannot buy it because the dollar will be worthless. So get to My refuges before riots and chaos begin."

February 24, 2011
Wednesday, February 16, 2011:Jesus said: "My people, you have read of Noah and his ark, and how it protected his family and the animals during a world flood. Once the waters subsided, then the world had to be repopulated with people, animals, and plants. I made a covenant with Noah when I placed a rainbow in the sky that I would never bring a great flood over the earth again. Even today, as My faithful prepare My refuges, these places will be your arks of protection, as My angels will shield you from the evil ones throughout the tribulation. This will be a modern day Exodus as when Moses was enabled by Me to bring My people out of Egypt during the first Exodus. I also am promising you another covenant that I will always be with you in My Real Presence in every tabernacle of every refuge. If you do not have a priest for Mass, I will still have My angels bring you daily Communion so you will have a spiritual Manna of My very Self. Just as Noah had no fear, he braved all the criticisms of his

preparations in building the ark. So My people of today must brave similar criticisms of your preparations of food, bedding, and shelters. You will be vindicated when the famine comes, and when you will be protected at My refuges."
Jesus said: "My people, in the reading of Noah, the people had to go out and populate the earth again. In the Gospel reading Jesus sent the man, who was healed of his blindness, out to his home so he could share his new found faith. In the vision of a train and a car, these are the means of travel to go out and spread My message so you can evangelize souls to the faith. Do not keep your faith just for yourself, as under a bushel basket. But let your faith shine like a light on a lamp stand, where everyone can hear and see My Good News. By sharing your faith and reaching out to save souls by conversion, your reward will be great in heaven."
Jesus said: "My people, if you see a man drowning in the water, your first thought is to throw him a life saving ring with a rope attached in order to pull him to safety. You may be able to drive a boat out to pull him out of the water, or if necessary, you may even attempt to save him by swimming to him and pulling him to safety. A life is too precious to lose. In a similar manner you may also see someone drowning in their sins, and they could be lost to hell. This could be more difficult and not always as obvious to everyone. You may call on a priest to help counsel such a person, or if he is addicted in some way, he may require special help to rid his demons. Here again you may be the only person of faith that he may meet in this life, and you do not want anyone to be lost. Evangelizing souls to the faith may require a special teaching, or friendship to help that person to have a personal relationship with Me. Pray for the Holy Spirit to give you the right words to help any sinner. Bringing them to My sacraments is like bringing a soul to safety from falling into hell. It gives you a deep feeling of joy to bring the faith into anyone's life. I need My prayer warriors to reach out to lost souls and invite them to come to know Me. Once you can bring someone to the faith, then that person can help others in their family to receive the same gift."

February 24, 2011
Thursday, February 17, 2011: (Seven founders of the Order of Servites)Jesus

said: "My people, this vision of a light has many meanings both in the physical world and in the spiritual world. You have just read from Genesis in the last week how I put the sun and the stars in the heavens so you could have light during the day and the reflected light of the moon at night. When your scientists use prisms, they can refract the light into a rainbow of colors. It is true that this is a natural phenomenon. In Genesis I stated that I put a rainbow in the sky as a sign or covenant that I would never again send another flood upon the earth that would kill everyone. Many question whether there was rain and rainbows before the flood. My word to you is that this was the first rainbow because there is little evidence of how the earth was before the flood. Take this on faith that this sign was a new creation. Light can also be seen as spiritual when I talk of Myself as the Light of the world that disperses the darkness of sin. Even in your souls there is an association with darkness when it is full of sin. When I forgive you in Confession, I cast out the darkness of sin, and I renew you with My Light and grace so your soul is now white and spotless. In some of My miracles I healed some people from blindness, and they also came out of darkness into My Light of day because of their faith that I could heal them. When I healed people, I healed both their bodies and their souls. When you receive Me in Holy Communion in the state of grace, you are enlightened by My very Presence in you. It is My spiritual Manna that feeds you My grace and prepares you for eternal life with Me in heaven. Rejoice in My Light of day and My Light in your soul."

Prayer Group:Jesus said: "My people, you are in the end times and you see signs all around you that the Antichrist is about ready to come on the scene. When the Antichrist comes, there will be chaos in riots and a financially troubled world. He will come on the scene as a man of peace who will appear to solve the world's problems of wars and financial bankruptcies. But very quickly he will become a tyrannical dictator who will try and force the people to take his mark or chip in the hand so he can get people to worship him. My faithful will be at My refuges during this tribulation. Do not take his chip in the body, and trust that I will come soon to cast this evil lot into hell."

Jesus said: "My people, it is not by accident that all of these countries are supposedly desiring democratic control all at once. There are militant Muslims instigating these uprisings in many Arab countries. They are not interested in democracies, but they desire Islamic states wherever possible. Do not let your TV reporters mislead you because this is a coordinated world movement with an evil intent behind it."

Jesus said: "My people, each of your parties has proposed its current budget, and they cannot even agree on cuts of $61 billion of a $3.7 trillion budget. These cuts will not even touch the main problem which is out of control entitlements that are bankrupting America. You may have some cuts made after some compromises, but your debts are so staggering that your collapse is not far off. Be prepared to come to My refuges when your dollar crashes and food will be fought over."
Jesus said: "My people, many of your states are having budget problems also because of entitlements and unusually expensive pension and pay for government workers. Teachers, firemen, and the police are funded by the taxpayers, but mandates for pay and pensions are causing budget deficits. This is why various states are taking up measures to cut contracts that are not affordable. This is also why many union protests and even minority Democrats are not even allowing such a vote. These protests in the states also could be abused by instigator groups who are trying to cause a takeover even as they liken these protests to those in Egypt. Handing out money is accepted, but cutting back will be causing heated protests. The real protest will come from taxpayers who cannot handle any more tax increases."
Jesus said: "My people, many of your constitutional rights are being violated in the name of security against terrorists. You are seeing more cameras, invasive searching at airports, and broad surveillance of all of your communications. Your Congress people are perpetuating this removal of your rights by enacting further Patriot Act rulings. Many of your citizens will be liable to prison based on bureaucratic rules of what is proper behavior."
Jesus said: "My people, your military and other Homeland Security groups are preparing detention center death camps for millions of your citizens just because they are religious people or patriots. This is being controlled by the one world people who want to exterminate their opposition who stand in the way of their new world order. The evil ones will be allowed a brief reign of power, but My faithful will need to seek the safety of My refuges to avoid being killed in these death camps. Trust in My warning to leave your homes, or you could be captured and killed by the men in black who will try to force chips into the body on everyone. My people will be protected at My refuges throughout the entire time of the tribulation."
Jesus said: "My people, when you come to My refuges, be prepared to work hard because you will all be working to help each other survive independent of your comforts of today. Many people, who are preparing refuges, are working hard on

the things that people will need. Hundreds and even thousands of faithful will be coming to My refuges, so people will have to pitch in and use their talents for the benefit of your own refuge community. My people will have enough food to eat and survive, but you will have to endure a harder lifestyle with little or no electricity. Your spiritual life will be enhanced in a slower pace of a simple life. At the end I will come and cleanse the earth of evil, and I will bring you into My Era of Peace."

February 24, 2011
Friday, February 18, 2011:Jesus said: "My people, I have shown you the Antichrist to be a Muslim leader. This is not by accident, but it is by design of the evil ones. The Antichrist has advertised his coming in newspapers and speaking of his star images that have announced his coming. He will claim to be a leader for all religions. The history of some Muslim sects have predicted his coming in a time of strife, and some sects are actually encouraging his coming by starting uprisings in many Arab countries. The Book of Revelation speaks of a beast called the Antichrist who will reign for less than three and one-half years. This is a description of the tribulation that I have asked My people to prepare for in making My refuges. Many signs of a coming strife are appearing with world financial problems, more earthquakes than normal, and even a pestilence with man-made viruses. The devil and the demons have instigated wars and coming bankruptcies through the central bankers. A new world order is their goal, and you are seeing this come about in your daily events. Once martial law is declared, the declaration of the Antichrist's reign is not far behind. I will protect My faithful at My refuges until I will come and vanquish all of these evil ones. Have no fear when you call upon My protection and My angels."
Jesus said: "My people, this vision is showing you that more natural disasters are going to happen. By controlling the jet streams with the HAARP machine, the evil ones are trying to create more chaos for their takeover. By bringing jet streams closer to the earth, you can enhance high wind storms, blizzards in winter, and more violent tornadoes in the spring. It is hard to recover from recessions when you have to deal with damage to your homes and cars. While some will be experiencing floods from snow melting, others may have to deal with increasing intensities of earthquakes. You are in a time of uncertainty in

how events are going to happen, but one thing is sure that at My refuges you will not have to deal with life threatening disasters, evil ones trying to kill you, or even deadly pandemic viruses. My refuges are truly safe havens where all of My faithful will want to be when chaos and riots in the streets begin. Pray to be calm and trusting in My protection as the tribulation comes about."

Saturday, February 19, 2011

February 24, 2011

Saturday, February 19, 2011:Jesus said: "My people, you know that your news has been censored, but it is even worse than you suspected. Those, who are behind the scenes, see to it that they even manipulate the truth with lies, deceptions, and disinformation. Your inflation numbers and unemployment numbers are kept artificially low for political purposes. Your wages are decreasing, while the rich are benefitting from shipping your jobs overseas. Your budgets and interest rates are also artificially manipulated. If people knew the true financial story, you would know that your dollar is about ready to fall as your debts are bringing about your country's bankruptcy. When your country's financial system crashes, you will need to come to My refuges for food and protection. Pray for the souls of the people who are being misled by your media."

Jesus said: "My people, the wheels of time move slowly, but soon the end time events will be upon you. I have not given you so many messages on the refuges unless you will be needing this information. It may be well for you to reread My messages about the coming Warning and the need to be at My refuges during the tribulation. The Warning will come before the Antichrist and the events that will require you to leave for My refuges. The Antichrist will make it mandatory to have chips in the body. Refuse any chip in the body, and do not look at the Antichrist or listen to him. He will have demonic powers to get you to worship him if you look at his eyes or hear his voice. This is why after the Warning you are to remove your TVs, computers, and radios from your houses. I am more powerful than all of these evil ones. When you see a world famine, a division in My Church, martial law, and mandatory chips in the body, then call on Me to have your guardian angel lead you to My nearest refuge. At the refuges you will be protected, fed, and healed of any ailments. Those, who do not leave soon enough, could be captured and martyred. Trust in Me and I will come in a short

time to defeat the Antichrist and his minions, as they will all be cast into hell. Then I will bring My faithful into My Era of Peace."
Note on Conference questions in February: Jesus said: "My people, in previous messages I have given you that no one will know the exact day of My Warning experience that will be received by everyone on the earth at the same time. There will be a grace of My Divine Mercy at this coming Conference where some will experience their own Warning or a Warning preview. This will be given especially for My refuge builders who will need to help people when they come to My refuges. I will bless everyone at the Conference with My Divine Mercy, and there will be a strong desire for everyone to come to Confession. This is why some have been instructed to have a large number of priests present to hear Confessions. I have also advised you to come to Confession before this Conference so you will have less unforgiven sins to be reviewed in your life review for those who have the Warning experience. Many will also be looking for signs in the sky at this time."

Sunday, February 20, 2011

February 24, 2011
Sunday, February 20, 2011:Jesus said: "My people, I am showing you this pantry of extra food because you need to have some food on hand for the coming food shortage. I have given you messages before to have a year's supply of food stored, but this is not meant to cause you any financial hardship. As crops have been damaged by bad weather all over the world, this will put a strain on reserve supplies of food that are at an all time low in the world. Not only will you find it difficult in a short time to find food on the shelves, but you may have to have a chip in the body in order to buy it. Another concern in the short term is that food prices will be increasing because of these shortages. It will eventually reach a point that your dollar will so decrease in value that your money will not be enough to buy your food. You could buy a little bit of extra food each week to build up your own pantry. The year's supply of food will be needed from now until you have to leave for My refuges. You will not have to worry again about having to dispose of any more spoiled canned goods since the timing of your leaving is not far off."

Monday, February 21, 2011

February 24, 2011

Monday, February 21, 2011: (St. Peter Damian)Jesus said: "My people, some people have been so familiarized with evil all around them that they do not realize it because of its gradual increase. There are a lot more drugs and pornography available than ever before. Even many of your movies have more violence, swearing, and nudity than ever before. Abortions and euthanasia are readily available. The manipulation and destruction of the DNA of plants and animals is rampant. Wars and terrorism are move violent. Even man-made disasters and viruses also show today's extent of evil. Control through microchips, cameras, and surveillance are taking away your freedoms. Even worship of Me is frowned on in public places, and some countries openly kill Christians. The evil things of today and persecution are getting worse. Those, who have the eyes of faith, see these things as a sign of My coming. There are possessed people today as there were in My time. You need to pray for sinners and for conversions before it is too late for souls who could be lost to the Antichrist. During the tribulation, evil will be at its worst, so you will need My angel protection even more, as well as your daily prayers. Pray to Me to give you strength to endure the devil's temptations, especially for what you will face in the tribulation."

Jesus said: "My people, it is becoming increasingly obvious that Islamic militants are stirring up the unemployed youth to topple the old regimes of many Arab countries. Their goal is to put Islamic states into power, and this could be a threat to Israel, Europe, and even America through terrorism and the control of oil. In years past there were wars with Islamic peoples in Europe. But now you could see attacks coming even from within these countries mentioned. With control over oil, the militants could control or influence the economies of the world. If America faces food shortages and high gas prices, you could see much more violent riots than you have seen so far. These events overseas will definitely affect countries around the world. When you see desires for control of wealth and oil resources, you could even see major wars break out over them. This time of riots and chaos will lead up to the Antichrist's coming, and also the time for My faithful to come to My refuges. Trust in My protection because the evil ones will see Christians and patriots as their targets for extermination."

February 24, 2011
Tuesday, February 22, 2011: (Chair of St. Peter, Camille's Mass)Camille said: 'I am happy to see all of you again. Tell Lydia that I love her and I did not forget her. I love all of my children, grandchildren, and friends. I see that you are having a cold and snowy winter, and you cannot wait until spring comes. I am still praying for all of the family members who are not attending Sunday Mass. Please help me by praying for them, and give them a little nudge once in awhile. Do not forget to take care of my grave. Some spring flowers would be nice. I pray that Vic can change his ways now that he is back home. Keep praying for him and encouraging him. Thanks again for all of your Masses for me. I will not forget your kindnesses."
Jesus said: "My people, the one world people run your governments, the international corporations, and the resources of the world. They have planned the demise of America and other countries by spending deficits and forcing payments of interest until they cannot pay. Then these countries will default on their debts in bankruptcy. America is manufacturing a smaller amount of things while the corporations farm out your jobs to China and other countries. You do grow your own food, but it is being recycled through China into prepared foods. Most all countries rely on China for food and manufactured goods. You rely on OPEC countries now for your oil, even though there are large amounts of oil in America. This enables the one world people to control your food and gas prices. As the Arab countries are taken over, the oil prices will escalate and wars and riots will occur as people seek out food and fuel. It will be during this turmoil that the Antichrist will come to power. When the dollar collapses and looters will seek out food, My faithful will need to go to My refuges to protect their souls and their lives from those who will be trying to kill them. Trust in My victory in the end over all of these evil ones because My power is greater. The evil ones will be cast into hell, and I will bring My faithful into My Era of Peace as your reward."

End February 2011

March 2011

Wednesday, February 23, 2011

March 10, 2011
Wednesday, February 23, 2011: (St. Polycarp)Jesus said: "My people, there are many different sects of Christians that all profess to believe in Me, but they have different interpretations of the Bible. In the Gospel you heard Me say that everyone has to come through Me in order to get to My Father in heaven. I am the gateway to heaven, and people will know this in their Warning experience. I have established My Church and it exists today by My protection. It also is blessed with My sacraments of grace, and it gives the proper interpretation of My Word of Scripture. Look to My Pope son as the leader of My Church in the line back to St. Peter. Those, who teach and heal in My Name, are with you, but those, who teach by any other name, are not with you. Beware of the false christs and the Antichrist who will try and mislead the people. Trust in Me only, and you will be on the right road to heaven."
Jesus said: "My people, the one world people have been encouraging your leaders to run up trillions of dollars in deficits by wars and made up financial crises with banks, bad loans, and derivatives. This is why you have a National Debt and obligations to entitlements that you can no longer afford. Your Federal Reserve has also run up debts, as well as your nationalized house loan debts. Your debts have become so large that you will not be able to find enough buyers for your Treasury Notes in order to finance this debt. These one world people intend to crash your dollar in a few years, and then they plan to bring in their new world order in the North American Union. They plan a new currency and mandatory chips in the body. Soon it will be difficult to find and purchase gas and food which could create a depression with chaos in the streets. It is when this bankruptcy of America occurs that My faithful will need to come to My refuges for food and protection. The one world people will put the Antichrist into power, but My supernatural interference will upset all the evil ones' plans. With My Comet of Chastisement I will bring an end to this evil reign, and I will cast all of these evil ones into hell. I will renew the earth and bring My faithful into My Era of Peace. Remember that I am always in control, and I limit what the evil ones can do. Trust in Me that I will protect My faithful with My angels at My refuges. I will bring everyone before Me in judgment, and all will pay for their misdeeds. Come to Me for forgiveness in Confession, and you will be able to enter into heaven."

Thursday, February 24, 2011

March 10, 2011
Thursday, February 24, 2011:Jesus said: "My people, I have given you free will to do what you want in life, but all of your actions will have to face My judgment. In other words there are consequences that you may have to suffer for the decisions that you made in life. This vision of a bicycle riding down the road is a sign that you need to guard the direction of your life. You also need to be able to put on the brakes to your habitual sins in Confession. There are some people living together without marriage who are living in the occasion of fornication or adultery. Some also are committing sins of homosexual acts as well. These lifestyles with these unlawful actions need to stop, even if it means breaking up a personal relationship. A man and woman need to be living in a married state in order to have proper relations. It does not matter how many people are living in sin, since it does not change the fact that they are violating the Sixth Commandment with their sexual sins. Stopping these sins takes a grace of commitment to being obedient to My way of life. You always are welcome to come to Me for the forgiveness of your sins, but you should have a change of heart to get out of such environments that could lead you to repeating these sexual sins. Ask My help to perfect your spiritual lives by breaking your habitual sins that will take a strong desire to accomplish."
Prayer Group:Jesus said: "My people, you are seeing turmoil in the Arab oil countries where it is dangerous to be outside with all the killing going on. There were fewer deaths in some of the other Arab countries where the leaders stepped down, compared to Libya. Much of this strife is spreading to all the Arab countries, but when it strikes Saudi Arabia, oil prices could rise even higher. Be prepared for more uprisings and expensive gasoline prices. Pray for peace in these countries so there will be less killing."
Jesus said: "My people, I have mentioned many times that My people should be slowly building a year's supply of food because of the world situation with food shortages and financial problems. Now you are hearing this word openly from many sources. Food storage will be of more value than buying gold and silver. Some are buying silver because they are concerned that the dollar could crash. You need to eat and have water to survive, so such coins would only be used to buy food. Some think that these preparations are too much, but your economy is on the brink of failure."
Jesus said: "My people, today your stores have plenty of food and things to drink. There is only about three days supply of food in these stores. If there is an interruption in the trucks supplying the food, or many people rushing in to stock

up on food, you could see a serious problem at your neighborhood stores. Even a threat of a government shutdown has some worried if they will get their entitlement checks. There is reason to be concerned when you see commodity prices that are increasing and the dollar's value is going down. Continue to be ready to leave for My refuges when things get bad in the streets."

Jesus said: "My people, I have been reminding you in several messages how My refuges will be safe havens as arks of protection in Noah's time. At My refuges My angels will place a shield of invisibility around everyone to protect them from the evil ones who want to kill them. You will have daily Communion from My angels, and some could live on this alone. Water will be available at My refuges, and I will send deer into your camps for meat. So have no fear in coming to My refuges where I will provide for your needs."

Jesus said: "My people, I love the little children in their innocence. All children seven and under will have a miraculous protection of My angels watching over them, even in dangerous areas. Trust in My protection for all peoples, but you will need to leave your homes to be protected at My refuges. Even in your Warning experience, you will be told to be ready to leave for My refuges when you see the dollar crash, mandatory chips in the body, or martial law."

Jesus said: "My people, My Eucharistic adorers of My Blessed Sacrament know the comfort of My Real Presence. Some of you come every night to give Me worship, and I will not forget your faithful service. This joy of being in My Divine Presence will continue at My refuges where you will be adoring Me in perpetual Adoration around the clock. You will be concerned about caring for the body's survival, but feeding your soul with My Eucharist will be much more useful to you. Even as I protected the Israelites from their neighbors, I will also protect My faithful from the evil ones."

Jesus said: "My people, even as you are praying for good weather for your travel, you should continue praying for good weather at your Conference as well. This Conference of mercy is very important for souls to be healed. The evil one would like to create problems for your meeting, so let your novena prayers continue throughout this Conference for protection from heavy rain and protection from evil spirits. Your people should be open in your hearts as you are open to be slain in the Spirit. By being open to My blessings of My Divine Mercy, many will be open to receive Me in the sacrament of Penance. When you leave this Conference, you will desire to spread My Word in evangelizing souls. Pray for the Holy Spirit to inspire you to carry this joy of My love out to everyone whom you meet."

Saturday, February 26, 2011

March 10, 2011
Saturday, February 26, 2011:Jesus said: "My people, you are seeing many insurrections in the Arab countries right now, and this looking around the corner of time into the darkness, is a sign that these events will grow increasingly worse. What you are seeing now will be the one world people instigating chaos and bankruptcy among many nations all over the world. Once many of the oil producing countries have limited their crude oil production, there will be shortages at your gas pumps with increasing prices for fuel. This will not be just a temporary shortage, but it could be for a long time until other drilling in America could be brought to market. Without much fuel, it will be difficult for your businesses to operate and also a problem in delivering food to your stores. This will be a manipulated food and fuel shortage that could threaten the current financial operations all over the world. This again is why I have warned My faithful to store some food and have your backpacks ready to leave for My refuges. Chaos and riots will soon be in your streets as people will be searching for food and fuel. When you see the money system failing, and mandatory chips in the body, it will be time to leave your homes for My refuges. Have no fear because you can call on My protection and that of My angels. My angels will lead you to the safety of My refuges where you will find food, water, shelter, and healing from My miraculous luminous cross. This is a difficult message for this Conference, but it will be My mercy on all of you that I will provide for your protection and your needs. Give praise and thanks to Me for all the ways that I am leading you to safety in your soul and in your body."
Jesus said: "My people, this Conference has been focused on My Divine Mercy devotions, as I have given you My greatest gift of My life for all of your sins. I have also given you a great mercy of My gift of Myself in My Holy Eucharist. This Adoration of My Blessed Sacrament in this procession is proper worship of Me in My consecrated Host. My people come to Me at Mass and Adoration, as I am the center of your life. I have told you in St. John's Gospel how those, who eat My Body and drink My Blood, will have eternal life. When you keep close to Me in My Eucharist, I will give you the grace and strength to endure all of your life's trials. You are tested in this life as part of your purification in seeing how much you love Me and trust in Me. You are again here at My refuge. Those, who

come here, will have Me with you always by the priest at Mass, or during the tribulation My angels will bring you daily Communion. Water and food will be provided here miraculously, and shelters also will be provided by My angels. Trust in My protection of both your soul and body at all of My refuges. My protection is another mercy that I am pouring out on all of My faithful. Give praise and thanks to Me for all that I am doing for you."

Sunday, February 27, 2011

March 10, 2011
Sunday, February 27, 2011:Jesus said: "My people, you have had a deep revelation in your spirit how you and others will need to become more childlike in your faith. What this means is that you need to separate yourself from worldly pleasures as much as you are able. The reason for this is that the more you can divest yourself of worldly pleasures, the less purification you will need in purgatory. In order to cross this bridge of the vision into heaven you will need to cleanse yourself of all earthly things so you become totally fixed on holy things and on Me. The closer you are to Me, and the more you fulfill My mission, the more graces you will receive to fight off the devil's temptations. As you start refusing to desire the earthly things that please you, the devil will have a harder time to entice you into your old sins or your habitual sins. Ask Me to send angels around you for your protection from the evil ones. Prepare your soul to receive Me at your death. You will need My help to become more holy. My story is one of love, and I call you to love Me, and everyone else, even your enemies. When you have a love relationship with Me, it will not be complete unless you love your neighbor unconditionally, as I love. With My help and true love of Me and holy things, you could be brought to the higher places in heaven. Seeking Me in My Eucharist is your taste of heaven on earth. This is why I draw you to daily Mass, prayers, and Adoration so you can be close to Me and drink in the love of My Divine Mercy for your soul."
Jesus said: "My people, I want you to analyze your spiritual life to see if you are improving in your perfection, or whether you are falling backwards into your old sins. Do not be satisfied with the status quo of no improvement. I have asked you to be holy as My heavenly Father is holy, and to be perfect as My heavenly Father is perfect. In order to enter heaven you need to be cleansed of all of your sins and earthly desires. You need to be improving on your road to perfection.

You cannot stand still or become lukewarm in your faith, or Satan will sift you like sand. Ask My help through prayer and worship of My Blessed Sacrament, and you can grow in your holiness. Keep moving up these steps toward heaven, and one day I will welcome you into My wedding banquet in heaven."

Monday, February 28, 2011

March 10, 2011
Monday, February 28, 2011:Jesus said: "My people, I want you to remember why you have been placed on this earth, and that is to know, love, and serve Me. There are worldly people who seek fame, wealth, and power in this world, but they seek these things out of a selfish spirit, and some even make these things idols in themselves. I call you to keep Me at the center of your life. Out of love I desire you to give Me your free will and your heart, so I can use you as My instrument in carrying out the unique mission that I have for only you. Each person is unique and has his or her own talents that I have given you. Everything that you have comes from Me, so this is why you need to give Me all the glory for your good works and accomplishments in this life. Most of all, you must have love of Me deep in your heart and also a real love for your neighbor as yourself. If you pray and attend Mass, It will help you come close to Me, but if you do not have love, St. Paul says you are nothing more than a clanging gong. I am love and all of My disciples share in My love, even as they must share that love with everyone. Seek first the Kingdom of God, and everything that you need will be granted to you. Even in your dark moments of despair and financial need, trust in Me for everything, and you will not be disappointed. Seek to live in My Divine Will, and I will walk with you in life in guiding you to heaven. Reach out to share your wealth, your time, and your faith with your neighbors so with My help you can evangelize souls for My Kingdom and save them from hell."
Jesus said: "My people, many of you are listening to My Blessed Mother's request for a complete rosary, which means praying the full fifteen decades and Mysteries. I know that you have the Luminous Mysteries, but the original rosary was based on the 150 psalms. As you prayed the Joyful, Sorrowful, and Glorious Mysteries, you were recalling for the people the places where you visited in Jerusalem. This inspiration of the Holy Spirit is an excellent way to keep focused on the meaning of each Mystery while you are praying the Hail Mary prayers. If

you have not been to Jerusalem, you could obtain some books with pictures of the places for each Mystery, so you could have the same thoughts as if you were actually there. You were concerned during the Conference that you did not have enough time to pray your rosaries for the day. I understand that you were giving your talks and having fellowship with the people in your explanations and praying over people. Still I want you to make up any missed rosaries. You may think it is hard to find time to pray so many rosaries each day, but it is all about how you prioritize your time. I know you feel drawn to have conversations with your friends, but you also need to beg leave of them so you can make some time for Me in your prayer life. If you keep too busy with too many events that crowd out your prayer time, then you should cut back your schedule to leave time for Me. Guard your prayer lives because when you pray, you are showing Me how much you love Me. Once you are filled with My love, then you will be led to share your love and your faith with your neighbors. I thank all of My prayer warriors for all of your prayers and good works. Call on Me to even double your prayers so you can better offset the sins of the world."

March 10, 2011
Tuesday, March 1, 2011:Jesus said: "My people, you have just shared in an uplifting Conference of My love and mercy. Many people were touched in their hearts and souls. Some even had deep inner experiences of new commitments. My Blessed Mother and I blessed you all, and I even gave a special blessing to all of the leaders who are preparing My refuges. On Monday you did see a sign of the confrontation of good and evil that was manifested in the sky. On one hand there was a crossing of the chemtrails, and on the other side there was a beautiful rainbow around the sun. You may have had more expectations of what would happen at this Conference, but trust in Me that there were great spiritual healings without a physical manifestation. Do not be disappointed that your own expectations were not carried out, but trust that I am working My plan through world events."

March 10, 2011
Wednesday, March 2, 2011:Jesus said: "My people, this sinking ship in the vision is another sign of how America is sinking both from its poor finances physically, and its sins of abortion and sexual sins spiritually. You have seen in recent years how your National Debt has grown out of control with your repeated deficits every year. Since you are operating on paper money without any backing, your businesses and government have been overspending for years with no one concerned about interest on the debt or how these debts would be repaid. The one world people, who are running your government, have purposely spent money into so much debt in order to bankrupt your country. Now that China and other sources of money are not buying your debt in the Treasury Notes, the Federal Reserve is your buyer of last resort. The Federal Reserve is simply making money out of thin air to dilute your money supply, and they are adding to your National Debt with their quantitative easing. These purchases are just postponing your day of reckoning because you have little chance of affording the interest, let alone the principal. Your abortions, sexual sins, killings, and other sins have so shifted the balance of prayer and good works that you have become bankrupt spiritually as well. Just as Israel was exiled for worshiping other gods, so America will suffer a punishment in being taken over. This collapse is coming soon, and this is why I am representing your country as a sinking ship. Pray for the souls, who are in need of conversion, but you will soon have to leave for My refuges before you see riots and destruction all over America."
Jesus said: "My people, I am showing you how your scientists are experimenting with a new mobile EMP (Electromagnetic Pulse) machine that could be directed at cities and carried in an airplane. If it was used, it could put out all the computers, microchips, and vehicles, as well as electricity in an area of the size of a city. Such a weapon could cause death to people if it was put up to its highest intensity and highest frequency. This is equivalent to a small nuclear device without the blast damage and similar to a neutron bomb without the radioactivity. These weapons are in several countries and they could be a new form of a weapon of mass destruction. Many of your microchips are vulnerable to such EMP releases. This could bring a city to a standstill and inactivate your business functions. Such weapons have characteristic signatures when used, but they could be hidden in many places. These weapons can be tuned to just inactivate chips without killing people. Beware of these weapons in the wrong hands. You may want to do some research on EMP machines, who makes them,

and the extent of damage that they can cause. This is one more case of man using weapons to control people or even kill people. Pray that you can have these weapons controlled. They will not be effective on My refuges."

March 10, 2011
Thursday, March 3, 2011: (St. Katharine Drexel)Jesus said: "My people, in today's Gospel I healed a blind man who had great faith that I could heal him. Until you see a handicapped person, you realize more how fortunate you are to have all five of your senses in sight, hearing, taste, touch, and smell. It is when you have lost one of these senses that your body adjusts to enhancing other senses to make up for that loss. Give thanks to Me that you are able to use your given senses, and have compassion and help those who are less fortunate. In addition to the possibility of physical darkness in being blind, there are some people who are blind spiritually who are living in the darkness of their sins. There are some people who purposely refuse to accept Me as atheists do, but there are also some people who ignore My Presence or are lukewarm to going to church on Sunday. My faithful also should give Me thanks that they are living in the Light of faith. This gift of faith is not to be kept under a bushel basket, but faith should be like a bright Light that you put on a lamp stand for all to see and appreciate. My love reaches out to everyone, and I depend on My faithful to evangelize souls and invite them to come and know Me in a love relationship. By spreading My Word of love in conversions, you will receive a reward in heaven for saving souls from hell."
Prayer Group:Jesus said: "My people, I have allowed you to see this life form of a body in purgatory that was thanking you for your prayers. The soul that you heard on the camcorder is that soul. Many times you pray for the souls in purgatory and you do not always have any information of how you are helping these souls. When you pray with the persons's name, as Eugene in this case, your prayers are even more effective in moving this person closer to getting out of purgatory. Keep praying for these souls as they will pray for you."
Jesus said: "My people, as you look at land from far off in this vision, it does not take long until you are entering a cave for a refuge. This scene is an indication that the time for coming to My refuges is not that far off. The one world people are behind stirring up your recent world events that could have implications on

your future oil supplies. When you see a coming world famine, mandatory chips in the body, and martial law, it will be the time to call on Me to have your guardian angel lead you to My nearest refuge."
Jesus said: "My people, your state governments are mandated to have balanced budgets. One of the expanding expenses are pensions and benefits that are very expensive and unaffordable, even compared to the private sector. Public employees will be asked to take some benefit cuts or many employees will have to be laid off. Welfare and Medicare will also have to face cuts to balance the budgets. Pray for the people that they can get by with these cuts."
Jesus said: "My people, your Republican and Democrat lawmakers are pushing harder decisions down the road, but within two weeks they will have to agree on a budget up to October. There also will be another vote on extension of the ceiling of the current National Debt. The sooner that your Congress people can agree to cutting some of your spending and increasing some taxes, the less deficit that will be added to your debt. It is your interest bill and entitlement obligations that are slowly moving you to insolvency. You only have a few years to turn this around before you will be bankrupt."
Jesus said: "My people, many of your people had higher expectations than what actually happened. There were many spiritual healings during the Conference, but they were not obviously seen by everyone. It is only after some calls have come in that you are now hearing of people's personal experiences. Even those, who did not have unusual experiences, were uplifted by the speakers and what they had to say. Listening to these talks could help more souls, as the fruit of this Conference is still being harvested. Give glory and thanks to Me and thanks for the people at Gospa who made this possible."
Jesus said: "My people, I usually advise you to start planning what you intend to do for this upcoming Lenten Season. You may choose a particular penance by giving up something that you enjoy. You may want to attend daily Mass, read the Liturgy of the Hours, or read some lives of the saints. Lent is a time to work on improving your spiritual life, and it is a good time to examine what sins in your life need to be rooted out. Such an examination is the first part, but actually suffering through this process is the hard part. Even harder is to keep your resolve to improve throughout the whole Lenten Season. Pray for My help because any improvement will bring you closer to heaven."
Jesus said: "My people, I am reminding you of some of the suggestions in the messages at the Conference that you were asked to bring home in your experiences and share them with your friends. You may have received some

insights that you may wish to witness so others could be comforted in your experiences. Everyone is at a different level in his or her spiritual progress, so what may seem possible for one, may be too difficult for another. Remember with Me, all things are possible. So when you ask My graces to help you, you may indeed be able to achieve more than you thought you could do."

March 10, 2011
Friday, March 4, 2011: (St. Casimir)Jesus said: "My people, just as I have asked My apostles to follow Me, so I ask all of you to follow Me in faith. I will truly provide for all of your needs when you ask Me. This vision of a railroad track is a sign of how you are to follow Me. Wait until I lead you, so you do not go off on your own in another direction. When you give your whole life over to Me, I will allow you to discern where I am leading you. If you are following My path and that of your guardian angel, you will not be led down the broad road to hell, but it will be down the narrow road to heaven. When you walk with Me, you are walking a life of faith every day. I am putting you on the right track in this vision, so follow Me in everything that I ask you to do in serving Me."
Jesus said: "My people, I am called the Lamb of God because I am the living sacrifice offered up for your sins. I am still on the cross because I will continue suffering until the last sin is committed. This is why you can offer up all of your own sufferings in union with My suffering on the cross. This gift of My life is true atonement to My Father for all the sins of mankind. When you receive Me worthily in Holy Communion, you are sharing My Real Presence in your souls as you eat My Body and drink My Blood. Give thanks to Me for this gift of Myself in My Blessed Sacrament. Those, who come to adore Me and give Me worship, will receive many graces for their belief in My Real Presence. You can grow close to Me in prayers, Mass and Communion, and Adoration of My Blessed Sacrament. Stay close to Me so you will be with Me in heaven one day."

Saturday, March 5, 2011

March 10, 2011
Saturday, March 5, 2011:Jesus said: "My people, how I desire all of My people

to be pure of heart with souls cleansed of any sin. I also desire that your hearts be open to receive My Blessed Mother and Me. Of your own free will, you should be willing to say 'yes' to all that I want you to do in your lives. You start every day with your Morning Offering to Me, and your daily rosaries are your way of sharing your love with Me. In the morning also I feed you with My heavenly Manna at the Mass in Holy Communion. Stay close to Me throughout the day, and I will be guarding your actions in fulfilling your mission on earth. All, that you are doing here, is a preparation to be with Me one day in heaven. Every soul needs to be purified, whether on earth or in purgatory. You can only enter heaven with a pure and unblemished soul. Give praise and glory to Me for all that I am doing in your lives in order to lead you to heaven."
Jesus said: "My people, these luminous crosses in the bathroom windows are a special blessing for people to see. They came about as the woman of the house was praying to the Holy Spirit. The Holy Spirit is the life Light that illumines your soul, as you are Temples of the Holy Spirit. The Holy Spirit came down on the apostles and My Blessed Mother as tongues of fire. These luminous crosses that will be in the sky over the refuges will have healing properties. Even where these crosses are found, there are healing miracles when people are prayed over. Where luminous crosses are found, I will offer the opportunity for these residents to have refuges if they so choose. Give praise and glory to Me and the Holy Spirit for all of these gifts of My luminous crosses."

March 10, 2011
Sunday, March 6, 2011:Jesus said: "My people, you know that you are living in the end times, and you will soon start seeing the public persecution. There will first be a division in My Church from within, but then you will start seeing a persecution of Christians from your government authorities. Terrorists will first be used against My churches as some churches have already been burned. Then gradually, it will be openly against the law to have public Masses. My faithful will need to go underground in secret home Masses. Eventually, you will have an evil persecution of Christians when you will have to seek out My refuges for protection. This vision is an attack on the Vatican authorities by communist and masonic authorities. This open attack on Christianity will become more and more obvious as the coming Christian persecution becomes more violent. When

you see such attacks on the Chair of St. Peter, you will know the Antichrist will soon come into power. Pray for your spiritual strength to endure the coming tribulation and trust that I will protect you from the evil ones."

Monday, March 7, 2011

March 10, 2011

Monday, March 7, 2011: (St. Perpetua and St. Felicity)Jesus said: "My people, in today's Gospel I gave a parable of some evil tenants who did not want to share their produce of the vineyard with the owner. They were so evil that they killed the master's servants who came for his portion of the produce. They killed even the master's son. The Pharisees and Sadducees realized that the judgment on the tenants was the same for them, and they wanted to kill the Son of God. I have told you that there will be a division in My Church, and this division will be led by the Masons who have infiltrated My Church in high places. These evil ones are the modern day Pharisees and Sadducees who want to even kill Me in the truth of My Gospel. The schismatic church will teach New Age and heresies. Some of these Masons are behind closing the churches and schools, and they are encouraging wrong teachings in the seminaries. My people need to discern what your leaders are teaching, because if they are teaching heresies, you do not have to follow those teachings, no matter what authority they have. Have no fear because I will expose these traitors in My Church and reveal their evil leanings. Trust in My faithful remnant because My faithful laity will save My Church." Jesus said: "My people, your health care costs are going up for all the abuses going on in your hospital emergency rooms. The thirty million people without insurance and the illegal immigrants are coming to your hospital emergency rooms with no intention of ever paying for the care they receive. Your new health care law, if it is funded, will add trillions of dollars to your National Debt. It also will ration care, excluding those over sixty. There will be a chip in the body as a national ID, once this law is fully enacted. Refuse to take any chip in the body, even if it means that you will not have any health care. My care will heal you at My refuges, so have no fear. This health care plan will get worse because thirty million new patients will have a hard time finding a doctor. Even some doctors may leave when their pay will dramatically decrease. Every time that you have government run a business, the bureaucracy and costs will be much more expensive than private practice. Pray for a fair and practical health

plan to be implemented in place of your new health law."

Tuesday, March 8, 2011

March 10, 2011
Tuesday, March 8, 2011: (St. John of God)Jesus said: "My people, in this vision you are seeing how the Jews kept their scrolls of Scripture wrapped up in a safe place, as they all had to be hand written before your printing presses came into being. You do not realize how fortunate you are to have the Old and New Testament available in your Bible, and yet you should read it more often than most people who do not read it. The Scribes, Pharisees, and the Herodians were always trying to trap Me in their tricks of speech. When I told them: 'Give to Caesar what is Caesar's, and to God what is God's, they were dumbfounded with confusion. In another reading a short time ago, they asked Me by what authority did I speak and heal. Then I proposed a question to them to answer, and I would tell them where My authority came from. I said: 'Was John the Baptist's preaching of divine or earthly origin?' They were afraid to answer, so I did not answer their question either. This is just a subtle sign of My power in how I could confuse My persecutors in their own speech. This is why it is better to follow the spirit of love in My laws than to be so critical of people to the letter of the law. My laws were given as a guideline for life, and I came to fulfill the law and not to do away with it. I ask you to be obedient out of love for Me. Do not offend Me by your sins, and you will be on the right path to heaven."
Jesus said: "My people, some people have questioned you about why I have given you messages about refuges and storing food. These refuges will be your source of protection during the tribulation. My angels will make you invisible at My refuges and on the way to My refuges. Many people are being called by Me to set up refuges, even independent of My messages to you. It is difficult for some to accept these messages because it means most people will need to leave their comfortable homes and never return. At the refuges it will be a more rustic lifestyle without electricity. If people stay in their homes after My warning to leave, they could be captured and martyred in the detention death camps across America for not taking the chip in the body. On the subject of food storage for a year, this food will be shared and not hoarded. Food will be needed most to survive when your finances will collapse and there will be a world famine. Food is more important than your money, gold, or property. Just as you will see your

fuel become expensive and scarce, so also your food will be in short supply, and more expensive to buy. You may require chips in the body to buy food, your money will become worthless to buy food, or you may not find any more food on your grocery store shelves. All of these things I am telling My faithful to get ready for the coming persecution. For those, who do not want to believe, they will be like the foolish virgins who were unprepared. You have planted My seeds of knowledge so people will know what to do when the persecution gets severe. Trust in My words as I will be protecting and feeding My faithful during the tribulation."

Wednesday, March 9, 2011

March 24, 2011
Wednesday, March 9, 2011: (Ash Wednesday of Lent)Jesus said: "My people, you are entering the Lenten Season which involves fasting, prayers, penances, and almsgiving. You will be fasting between meals with no meat today and on Fridays as an observance of your Lenten devotions. You may have usual penances as fasting from sweets and desserts, but you may chose a new penance in addition to your other ones. Curbing your earthly desires is a way of purifying the body so the soul can be in control of your bodily actions. Perfecting your spiritual life should be the goal of your Lenten observances. Making some extra charity donations could be another way to help those in need. You may also want to spend your TV watching time on spiritual reading as the lives of the saints. Everything extra that you are doing should be offered up to Me in secret as much as possible, so your treasure will be stored in heaven instead of on earth. Keep focused on Me every day of Lent, even as you should on every day."
Jesus said: "My people, you have had steady snow storms more than usual, and now you will see steady rain storms as the temperatures warm up. Melting snow with heavy rain can cause flooding, as flood plains may even have to be evacuated because deep moving water can be deadly if you are caught in the flow. Such flooding and heavy rains could hurt winter wheat and the planting of crops. Food is becoming more expensive because crop yields are down all over the world. It is also becoming more expensive for seed and fertilizer. Fuel to run tractors is also raising costs for farmers. Many foods and manufactured goods are increasing in price because farmers and factories have to pass on their increased costs of raw materials. As the value of the dollar decreases because of

your debts, everything that you buy will be increasing in price. Having some extra food in your pantry may be needed when famines could cause food shortages all over the world. Be prepared to evacuate from floods, and eventually you may have to go to My refuges when people start fighting over food supplies."

Thursday, March 10, 2011

March 24, 2011

Thursday, March 10, 2011:Jesus said: "My people, marriage is a covenant between a man and a woman, and their bond is a pledge of faithfulness to each other for life. The tent in the vision also represents the time of Moses when he talked to Me when the cloud was over the tent. In the first reading Moses offers the people a choice between a blessing or a curse. He offers them to choose life by following My Commandments, and they will live in prosperity. But if they worship other gods, they are calling on My justice which was the case when the Israelites were exiled into Babylon. Also, in the Gospel I told the people: 'What does it profit a man to gain the whole world if he loses his soul in the end?' You all have to make choices in life in every action of every day. At the end of your life, you will have to face an accounting for your actions at your judgment. So it is better to choose to give your will over to Me, so you can be deserving of being saved by accepting Me as your Savior, and seeking My forgiveness of your sins. Keep choosing the narrow road of following My Commandments, and your reward will be staying with Me in heaven for all eternity."

Prayer Group:Jesus said: "My people, you are just starting your Lenten Season and the beginning fasting and prayer are a little shocking to your normal routine. As you fast from watching so much TV, you could spend your time more in spiritual reading. By reading the lives of the saints, you can see how living a simple, humble life can purify your spiritual life. By avoiding worldly interests, you can focus more on Me in your lives. This Lenten time is a great opportunity to work on your difficult sins and grow in your faith."

Jesus said: "My people, you are seeing the stubbornness of Libya's leader in not wanting to leave his oil empire. Planes, tanks, and the army are retaking some cities. America is already involved in two wars, and your people and Europe are tired of fighting no-win wars and having their troops killed. Pray for peace in the Middle East where it is uncertain how these latest uprisings will be resolved."

Jesus said: "My people, as gas prices and food prices rise, there is an air of uncertainty in your economy. If gas prices climb too much, it could endanger the stability of your fragile economy with still high unemployment numbers. Many battles over State and Federal spending could also trigger some division between those receiving entitlements and those paying for them. Pray that your people can endure living with less on a lower standard of living."

Jesus said: "My people, you are going to see more cutbacks in government spending that could have a ripple effect that could cut your services and possibly raise your local taxes. It may become more difficult to afford health care, welfare, and Social Security. All attempts to reduce entitlement spending is only talking of future benefits that will be cut. Even now most of these programs are increasing your deficits even at current levels of payments. The hard choices to reduce your deficits have not been made because it is not politically desirable. As payments are reduced, many people will be stressed to have food, shelter, and medicines. Again, those who are better off may have to start helping their family and friends."

Jesus said: "My people, this vision of a dove is a sign of peace and a sign of the Holy Spirit's presence. Peace in your heart and soul is another sign of a pure soul that needs to be guarded from sin. Many times I have asked you to not let anything take away your peace. The attraction of worldly pleasures and the stress of everyday life can pull you in many different directions. Do not let any addictions or worldly desires control you in any way. By staying fixed on Me in your Lenten devotions, you can better guard your peace that only I and the Holy Spirit can give you."

Jesus said: "My people, Lent leads you up to My Crucifixion in Holy Week and finally to My Resurrection. One of your Lenten devotions is to remember to recite the Stations of the Cross on Friday. Lenten Fridays are special in fasting and not eating meat on those days. When you walk with Me at these Stations, unite all of your pain and suffering with Me as you offer it up as a sacrifice. I ask all of My faithful to pick up your own daily cross as you carry it through life. This life is a valley of tears where comforts are fleeting and trials are all around you. Ask My help in carrying your cross, even as Simon helped Me to carry My cross."

Jesus said: "My people, some of you have enough money to contribute to your favorite charities. You are hemmed in by the restrictions of less pay, and more expenses in paying for food and gas. Even though your spending money is limited, there are some who can afford to tithe ten per cent to charity. Make a

point this Lent to give a donation to some charities above what you normally give. The more you share with others, the more treasure you will be storing in heaven."

Friday, March 11, 2011

March 24, 2011
Friday, March 11, 2011:Jesus said: "My people, during Lent you need to be praying more and making good Confessions at least once a month. Before you go into the confessional, you should make a good examination of conscience to recollect your sins, especially any serious sins. You may carry a book or a sheet of things to remind you of any offenses that you may have forgotten. Remember also to pray your penance from the priest, and to be sorry for having offended Me in your sins. I have given you My sacrament of Reconciliation, so you have no excuse not to take advantage of the forgiveness that I am waiting to give you. Do not be lazy and put off going to Confession when you know it is what you need for your soul. Do not receive Me in Holy Communion if you are living in mortal sin. If you are in mortal sin, then get to Confession as soon as possible. You do not want to face Me in your judgment if you are dying in mortal sin. I am looking for any sign of remorse, and I will forgive you to your last dying breath. By going to frequent Confession, you can keep your soul pure and always ready to meet Me at your death. You could die suddenly any time, so have your soul as pure as possible all the time. You do not want to see any soul lost to hell, so even encourage your family and friends to go to frequent Confession."
Jesus said: "My people, you have seen that high intensity earthquakes under the ocean can cause tsunami waves that ripple out in all directions. The closer land is to the epicenter, the taller the tsunami waves are. You have done some research to connect the HAARP machine being used in Haiti, Chile, and China as people were seeing aurora borealis colors right before the earthquake occurred. Now you have done further research to show the HAARP machine was turned on right before the massive 9.0 earthquake in Japan. There were no signs of earthquakes in this region several days before the HAARP machine was turned on. (Note: It was turned on 3-9-11 and the first 7.2 earthquake appeared.) I am confirming that these large earthquakes mentioned have been connected with HAARP machine activity. This is why I have encouraged people to understand that this microwave antennae array is a very dangerous weapon and

can be used to create man-made disasters. The one world people are using this machine and the turmoil in the Middle East to reduce the population and to disrupt the world economies. Then these countries will be ripe for a one world government takeover which will be given over to the Antichrist. You are seeing these signs of the end times that are leading up to the great tribulation. Be prepared to leave for My refuges when the major events occur. I will warn My faithful when to leave, but this time is approaching soon. Trust in My protection because I am more powerful than any machines or demon led people. Once the Antichrist reaches his height of power, I will bring him down with My Comet of Chastisement. The evil ones will be cleansed from the earth into hell, and I will bring My faithful into My Era of Peace."

Saturday, March 12, 2011

March 24, 2011

Saturday, March 12, 2011:Jesus said: "My people, in the Gospel I called Levi, a tax collector, to follow Me, and his name was changed to Matthew. I came to his house for dinner with other tax collectors, but the Pharisees criticized Me for eating with sinners. This is when I told them that people, who are well, do not need a physician, but sick people do. For I have come to call sinners, not the just. (Matt. 9:12-13) At times pride can blind people to think that they are not sinners. By Adam's fall into sin, all people have inherited this weakness to sin. Even St. John in his writings declares that those, who claim not to be sinners, are in fact liars. (1 John 1:10) My faithful need to be careful that they do not criticize someone when they commit the same sins. Do not be hypocrites in your speech about My Commandments, when your actions betray you. Be aware to remove the plank from your own eye before you try to remove a sliver from your brothers' eye. (Matt. 7:5) Be thankful that I came on the earth to redeem all sinners from their sins by My death on the cross. My love reaches out to everyone, even to those who reject Me. Come to Me so I can forgive you your sins because your faith has saved you."

Jesus said: "My people, it can be distressing to watch all the events going on all over the world. Your heart goes out to all those who are trying to survive in Japan without heat, power, and water. Many homes were either destroyed by the earthquake or the tsunami. Estimates of thousands missing or dead have made it difficult for loved ones to know the whereabouts of their families. In other places

you are seeing fires in the West and floods in the Northeast. Fighting is going on in Libya, Afghanistan, and elsewhere. In addition, the financial problems continue in many countries. Even knowing of these troubles, My people still need to trust in Me and keep peace in their souls. You have seen these events before, but they are happening with an increasing frequency. You may want only to watch TV for no more than an hour so these events do not further upset you. When your killings and persecutions escalate, then it will be time to leave for My refuges. Trust that I will protect you from the evil ones who will try and kill you. This turmoil will last but a short time, and I will bring My Era of Peace over the earth."

Sunday, March 13, 2011

March 24, 2011
Sunday, March 13, 2011:Jesus said: "My people, I have told you in previous messages that you will be seeing an increasing amount of natural disasters and insurrections. These are the end time signs that are leading up to the coming tribulation of the Antichrist. Just as you read of the devil tempting Me three times in the desert, so you will see a desert of evil that will force you to leave for My refuges of protection. You know of your daily attacks from the evil one, but during the tribulation you will be seeing an evil that you have never seen before. My refuges will not only protect your bodies, but they will also protect your souls from the power of the Antichrist and the demons unleashed from hell. So you should be preparing not only for your body's survival, but the protection of your soul with your prayers, Mass, and Confession. Call on My help and have trust that I will protect you during the tribulation."

Monday, March 14, 2011

March 24, 2011
Monday, March 14, 2011: (Jim White's Mass)Jesus said: "My people, you are seeing a flower open as you will soon see when spring arrives and the weather warms up. Many of you have grown weary of this snow on the ground, and you would like to work in your garden. This is a nice comparison to a pure soul that has the odor of sanctity and is beaming with a bright light of grace. My faithful

need to keep their souls cleansed so they can be My beacons of faith, and people can be converted and share in My love. You also want to help your neighbors in their needs because you are helping Me in them. You do not want to meet Me at your judgment, and I find that you did not help My little ones. I will separate the lambs on the right into heaven, but the goats on the left will be cast into hell. Do what you can every day to share your love with Me in prayer and with your neighbor in good deeds. Then when I meet you at your death, you will eventually be welcomed into your eternal resting place with Me in heaven."Note: I saw a younger Jim White in heaven as a result of all the Masses that were offered up for him.
Jesus said: "My people, this HAARP machine can be used as a weapon to attack any place that the one world people desire to cause harmful floods, droughts, or earthquakes. They could even blackmail nations who do not go along with their plans. The next targets for making earthquakes will be the New Madrid fault and the San Andreas fault in California. I have shown you several visions earlier of earthquakes in these areas. An earthquake on the New Madrid fault would be catastrophic because all the energy would be felt through the rock splitting apart. Earthquakes underwater or on a coastline would have the energy go into the water. Remember when you see an aurora borealis of colors, look out after for a major earthquake. I also told you that when the San Andreas fault has an earthquake, it could trigger off the Yellowstone super volcano. When all of these events happen, America will be so damaged that martial law will guarantee an imminent takeover. If the HAARP machine could be inactivated, much of this destruction could be prevented. You will not hear over your censored news channels any word of the threat of the HAARP machine. It is a carefully guarded secret. Yet there is information available for the people to learn of HAARP's capabilities. I will one day bring My Comet of Chastisement to end all of these evil deeds and cast these evil ones into hell. Trust in My protection at My refuges where no harm will befall My faithful,even during the tribulation."

March 24, 2011
Tuesday, March 15, 2011:Jesus said: "My people, after a similar size earthquake in Indonesia at 9.0, there were many old volcanoes stirred to life. The Pacific Ring of Fire is connected not only with earthquakes, but also with many

associated volcanoes. Where these plates of the earth meet, there is much activity. This vision of lava coming out of volcanoes is another repercussion of this mammoth earthquake in Japan. Several volcanoes along this fault line have become active again, and more could be added to the list. Also, many are concerned with the spreading radiation from some nuclear plants that are beginning to see melting fuel rods. There are many problems being caused as a result of this earthquake and the tsunami. Pray for these people and help them in ways that you can so they can get back on their feet."
Jesus said: "My people, before you need to go to My refuges, and before the Antichrist declares himself, I will bring My Warning experience on everyone all at the same time. This vision of traveling through a tunnel will occur as you are drawn out of your body outside of time. You will meet Me as a bright Light at the end of the tunnel. Once you come in front of Me, I will show you a review of all of your life's events with an emphasis on your unforgiven sins. Some people at your Conference had a preview of what this would be like. At the end of your life review, you will have a mini-judgment where you may experience hell, purgatory, or heaven. This will show you that if you continue down your current life's path, this judgment is where you will end up. Many people will be shaken to see that only through Me will you be able to come to heaven. You will know how much your sins offend Me, and you will desire Confession and a chance to change your life's direction. You will be told to avoid taking any chip in the body and to refuse to worship the Antichrist. Going to one of My refuges will be your only safe haven. Then you will be placed back into your body, but you will be held more responsible for your sins because you will know what I expect from you. You will desire a deep sorrowful Confession with a strong desire to avoid worldly comforts. You will have a stronger desire to fast and pray more than you did before. You may also desire to be closer to Me at Adoration. You will have a stronger desire to evangelize souls as well, especially those in your family. Everyone will have a second chance to make their life better, or else they will meet the fate of their mini-judgment."

March 24, 2011

Wednesday, March 16, 2011:Jesus said: "My people, you are constantly under attack every day from the devil's temptations. The only sign that I gave to the people is the sign of Jonah. That sign is for prayer and fasting that saved the people of Nineveh when they wore sackcloth and ashes and repented. Even some churches in Lent place purple cloths over the statues to honor this form of repentance. Then I told the people that there is something greater than Jonah here, referring to My mission on earth. Later, it was revealed that My death on the cross brought salvation to all of mankind. By accepting Me as the Master of your life and seeking My forgiveness, you can enter into heaven since I have paid the ransom for your soul. I have left you the greatest sign that I could give, and that is My Real Presence in My consecrated Host. This is how I can say that I will be with you in My Blessed Sacrament until the end of this age when I will return. So come to Me in Confession to cleanse the sins from your soul, and receive Me worthily in Holy Communion which heals the damage caused by your sins."
(St. Joseph Mass) Jesus said: "My people, this celebration of the Mass in honor of St. Joseph is a tribute to My foster father and his beautiful life. The Gospel reading (Matt. 1:18-24) tells of how St. Joseph was going to divorce Mary quietly when she was found with child. Later, an angel came to St. Joseph in a dream to tell him that she conceived a child by the power of the Holy Spirit, and the child was to be called Jesus. Then St. Joseph followed the angel's words and accepted Mary into his house. St. Joseph was a good guardian in registering in Bethlehem for the census, and also in the warned trip to Egypt and back to avoid Herod trying to kill Me. He plied his carpenter trade to provide for the Holy Family and he taught Me his carpenter trade as well. Even though St. Joseph is not quoted in the Bible, his actions and his unrecorded words were consoling to My Blessed Mother and Me. He was a very caring parent, and he is a model for all fathers. Many people pray to St. Joseph for their petitions and honor him at this St. Joseph's table."
Jesus said: "My people, you have been watching this earthquake saga in Japan play out, but you do not realize how long the affected areas could be without electricity and other utilities as tap water. Millions of people are without electricity which is why it is hard to fix their nuclear reactors in near darkness, except for flashlights or fuel driven generators. When America will be faced with earthquakes on the West coast and on the New Madrid fault, the damage will kill many people, and more will be without electricity as well. Major earthquakes could also be a problem with your own nuclear reactors. I have

asked My people to store a year's supply of food with water because you may be faced with power outages and food shortages. These power outages could be for a long time, if power stations have to be rebuilt. You also should have extra fuel and heating capabilities along with propane for cooking and oil for lamps to give light. The one world people will turn off your power anyway when they want to declare martial law. These preparations may sound dramatic now, but when disasters strike, these preparations may provide for your survival. I will warn My people when it is time to leave for My refuges before martial law comes. But these things could happen very quickly, so you will need everything ready to leave in a short notice. Do not be distressed or worried over these world events because you can trust in Me to protect you from the evil ones. When these events come, your life will change dramatically, but you will be praying more then."

March 24, 2011

Thursday, March 17, 2011: (St. Patrick's Day)Jesus said: "My people, you still honor some earthly kings and queens today, but not as much as in past years. When I came on the earth, some people thought the Messiah would set up an earthly kingdom. Instead, I established the Kingdom of God on earth which is a spiritual Kingdom without the earthly signs of forced control. I came to serve everyone and not to be served. I do not force Myself on anyone, but I do warn people of the consequences of disobeying My Commandments of love. I love everyone unconditionally, and I desire all souls to establish a love relationship with Me. I truly am your King over this earth and the whole universe. Your view of Me in heaven is on My throne wearing a crown. My kingdom is always among you in My Real Presence in My consecrated Host, and all of you are Temples of the Holy Spirit. Where two or more are gathered in prayer, I am there in your midst. Even though the devil is being allowed to control some things, My angels and I still protect My souls from harm. Call on your King at any time, and I will be there to answer your prayer requests."

Prayer Group:Jesus said: "My people for a while you have been living in the time of the red horse which signifies war as in Iraq and Afghanistan. Now you will be living in the time of the black horse of famine and the pale green horse of death from natural and man-made disasters. With each major earthquake you are seeing significant loss of life. These events will continue causing even more

deaths. The evil ones are carrying out their threat to reduce the world's population. As events unfold, you will soon be approaching the time to leave for My refuges."

Jesus said: "My people, you have seen Libya's leader taking back many of the cities from the rebels. Because of the killing of his people, the United Nations has passed a no-fly zone, but without foreign troop occupation. Now a decision will be made as to what nations will be involved in enforcing this no-fly zone. This could be another deception to draw America into another conflict when your forces are strained already in two other countries. Pray for peace so another major war can be averted."

Jesus said: "My people, many are concerned that the nuclear reactors in Japan are close to a Chernobyl event. The Japanese leaders may even be reaching out to America to help cool down these reactors. In Chernobyl they had to seal the meltdown reactor with cement to prevent further radiation from escaping into the air. Many are unaware that there was a poor design in storing forty years of spent fuel rods in pools right next to these reactors. You will be fortunate to see a prevention of a major radiation leak. Pray that the workers can control the radiation leaks so more people do not die from excessive radiation."

Jesus said: "My people, I hear your petitions to stop any serious earthquakes in America. You are reacting like the people of Nineveh who repented and changed their ways. Your prayers and Masses should be directed to change the lives of your people as well. I also heard your petition to save the souls of those who may die in a California earthquake when you visited the 21 Missions. Some punishment is coming to America, but your prayers and Masses will mitigate the severity of any disasters. Do not stop praying and offering Masses for this cause because the evil ones' plans for destruction are near."

Jesus said: "My people, the one world people are planning your dollar's demise as quickly as possible. If America does not seriously cut its spending, then the rating of your Treasury Notes will continue to get close to junk bond status. This means you cannot afford the wars and entitlement payments to Social Security, Medicare, Medicaid, and welfare that you have today. Your country's existence as a free nation weighs in the balance. Pray that your leaders make the right decisions before it is too late."

Jesus said: "My people, some people have good intentions when they start Lent, but over the weeks they weaken and fall back into their old sins. I am giving you all a reminder to stay strong in your religious fervor and stick by your initial Lenten penances. You need some spiritual stamina to endure your Lenten

sacrifices. Think of how much you could improve your spiritual lives if you stay the course on your Lenten promises. Pray for your strength to endure and make some spiritual gains this Lent."
Jesus said: "My people, I know you are going through some major struggles in the life that you are enduring. Unfortunately, your trials are going to get worse before things gets better. The coming tribulation will try your souls, but with faith and trust in Me, you will be protected at My refuges. Your prayer lives will improve under these trials, but remember that by following My Will, you will be rewarded in a world without evil in My Era of Peace. Be patient for a while, and you will thank Me for being faithful to My laws."

March 24, 2011
Friday, March 18, 2011: (St. Cyril of Jerusalem)Jesus said: "My people, you know how traumatic it is to lose your home to a natural disaster. Since you are praying more during Lent, you could focus your attention on praying for people who have lost their homes and even for the souls who were killed suddenly in these same disasters. Your intentions could also be that the survivors are able to get adequate food and one day be restored to another home. In this you may be able to send some disaster aid to your charity of choice to help the homeless. You could even continue your prayers of thanksgiving that you have not been tested in this way. Pray each day also for America if and when you may be tested with severe earthquakes or other disasters. All of your prayers, fasting, and almsgiving could be offered up to Me for these intentions."
Jesus said: "My people, in the spring changeover from winter, the United States usually experiences a good portion of your tornadoes for the year. This vision of a metal container with a tornado inside represents how the HAARP machine will now be used to enhance the violence of your tornadoes. Weather modification is another tool that can be used by the one world people to create damage and chaos all across America for their eventual takeover. Do not fear the evil ones who manipulate earthquakes and weather for their own evil plans. I will lead My people to My refuges when they threaten your lives with persecution. At My refuges the evil ones will not be able to harm you in any way from earthquakes, bad weather, viruses, or any other means of control. Trust in Me because the tribulation time will be shortened for the sake of My elect."

March 24, 2011

Saturday, March 19, 2011: (St. Joseph)Jesus said: "My people, today you celebrate the feast of St. Joseph, husband of My Blessed Mother, Mary. Both My parents were in the line of King David as you saw him in the vision. His kingdom was promised to be forever because as the Son of David, I will reign forever. In this line of kings I am recognized as a king also, as My star announced it to the Magi in the skies. They came to Bethlehem because My parents had to register in the house of their ancestor, King David. The Magi brought Me kingly gifts of gold, frankincense, and myrrh. Bethlehem is the place in the Scriptures where the Messiah would come, and it means the House of Bread. This is fitting since My people can be with Me always in the holy Bread of Holy Communion. Give honor to My foster father, St. Joseph, as he protected and provided for the Holy Family."

Jesus said: "My people, your countries are seeing bad growing conditions that have resulted in reduced crop yields. Your food prices are already rising due to these shortages and the lost value of your dollar. Even your government is buying billions of dollars of food to store in their underground cites for your leaders and important people. There will come a world famine when food will be scarce. I have warned My people many times to have one year's supply of food stored for the coming famine. Then you will not find food on your grocery shelves, or have enough value in your money to buy it. Yet at My final and interim refuges the refuge leaders have also been warned to store food. At My refuges you will have daily Communion from My angels, and meat from the deer who will drop dead in your camps. When needed, I will multiply your food and water. The food that you are storing at your homes is for the time from now until you will have to leave for My refuges. This food will be shared with your neighbors and not hoarded. I will even multiply the food for all of you to have what is needed. I have told you that storing food will be more valuable than gold or silver, which you cannot eat. Have no fear of having your necessities because I know what you need to survive in this coming famine and tribulation. Have no fear either of the evil ones who will try to kill you because I will make you invisible to them and the Antichrist. After a short reign of evil, I will bring My Comet of Chastisement, and all the evil ones will be cast into hell. Then I will

renew the earth and bring all of My faithful into My Era of Peace. You will then rejoice in My victory in a world without evil."

Sunday, March 20, 2011

March 24, 2011
Sunday, March 20, 2011: (Gospel of Transfiguration)God the Father said: 'I AM WHO AM. You just watched the Ten Commandments, and this phrase is how I described Myself to Moses. I also told Moses to remove his sandals because he was standing on holy ground. When you honor the Blessed Sacrament, you are honoring the Blessed Trinity because wherever Jesus is, all Three of Us are present as One God in Three Persons. Even St. Patrick taught about the Blessed Trinity in the three leaf shamrock. Whenever you pray the 'Our Father' or the 'Glory Be', remember Me in your prayers. On this beautiful day with the sun shining and blue skies, you have a true appreciation of My creation. I want you to love one another, and stop your constant wars that offend Me greatly. All killing in abortion or the evil deeds of men and women that result in deaths need to be stopped. Pray and treat life with respect and dignity. Thank you for honoring Me in your Eternal Father prayer group, and My protection will always be with you. Trust that all people will answer to Me for their deeds in their judgment."

Monday, March 21, 2011

March 24, 2011
Monday, March 21, 2011:Jesus said: "My people, in the Gospel there were many parallels of your behavior to My response. As you love Me and others, I will love you. When you pardon someone, I will pardon you. When you help someone, I will help you. Whatever measure you use to deal with people, that measure will be used for you, only I will go an extra mile with My mercy. You have a golden rule of do unto others how you would want them to do to you. I ask My faithful to go even further in loving your enemies, and going beyond what others expect of you, even when you volunteer without being asked. For everything that you do beyond what is expected, you will gain graces in heaven. This Mass was joined with many other Masses in reparation for the sins of

America. I have given you messages of how America will suffer from natural disasters as a punishment for your many abortions. By the grace of these Masses, I will mitigate the damage of the severe earthquakes that will be coming, and minimize the number of fatalities. You have prayed before for the salvation of the souls that will die suddenly in these earthquakes, both in California and on the New Madrid fault. Keep praying for this intention and for the stoppage of abortions in America."
(Fr. Donald McCarthy's Funeral Mass) Fr. Donald said: 'Hello, John, this is the last time that you will have to sign in my book. I enjoyed the many years that you shared Jesus' messages with me. I also enjoyed your many pictures and gifts that you shared with me. I missed you a bit toward the end, but now I am freed from this disease of the mind. I am in no pain or discomfort, and I am sharing the joy of being in the Presence of my Savior. I give my love to all of My brother priests, and especially those in my Basilian Order. Thank Fr. Travato for an excellent homily. I also am happy to see Bishop Matthew who offered up the Mass of my funeral. I give thanks for all of my friends who came to show me their love, as I love all of you as well. I will be praying for all of you."

Tuesday, March 22, 2011

March 24, 2011
Tuesday, March 22, 2011:Jesus said: "My people, today's Gospel speaks of pride and humility in your behavior. The Scribes and Pharisees always sought places of honor at banquets, and they put heavy burdens on people. I told My people to observe what they preached, but do not imitate their actions because they were hypocrites. I told My apostles that they cannot act like that, but that those, who wish to lead, must serve the rest. The last line is My point: 'Those, who exalt themselves, will be humbled, but those, who humble themselves, will be exalted.' (Matt. 23:1-12) Living a humble life means letting Me lead you, and being obedient to My Commandments. As you go through Lent, be observant of your fasting and extra prayers. In the vision you see how mankind has not only polluted his physical environment, but also his spiritual environment with things that cause your souls to be black with sin. You see a society that encourages abortion and euthanasia. You also see homosexual marriages encouraged, and your internet and streets advertize for pornography, drugs, and prostitution. All of these addictions to lust, gambling, computers, and overeating, are rampant in

your society. You need to cleanse these demons of addiction from your life so that you live your faith, and you are not hypocrites in what you are teaching by your actions. Give good example to your family and others, and work to perfect your imperfections."
Jesus said: "My people, you have seen ripples in the clouds as frequency patterns in Indiana. You have also seen dead birds in the area around the New Madrid fault. These are signs that the HAARP machine of one billion watt microwaves is going to be used to cause a greater than 8.0 earthquake that will split America in two. In the vision you are seeing at least one skyscraper collapsing from this coming quake. There will also be a great flow of water coming down the Mississippi River that will widen its size. There will be a fair number of people killed, but this number will be lessened because of your Mass intentions. The damage to homes and buildings will be worse than the Japanese earthquake and tsunami. When this event happens, you will see a martial law declared that could be used for a takeover of America. I will warn My people when it will be time to go to My refuges. This earthquake on the New Madrid fault will be followed by another earthquake on the San Andreas fault. Be prepared to leave, and go to Confession."
On Trinidad: Jesus said: "My people of Trinidad, a time of famine and financial collapse is coming all over the world. A tribulation will start with the declaration of the Antichrist coming into power. This is why I am leading people to set up refuges where My angels will protect you, and you will have all of your needs provided for. My refuges will be places of My Blessed Mother's apparitions, places of holy ground where Adoration has been for a while or monasteries, as well as caves. People will be told in their Warning experience that they will need to leave their homes, and they will be guided to My refuges by their guardian angels."

Wednesday, March 23, 2011

March 24, 2011
Wednesday, March 23, 2011:Jesus said: "My people, I have mentioned before that while some countries manage their fishing banks properly, other countries go into areas beyond their own country, and over fish out of greed. When these rogue countries take more fish than normal, they ruin the balance of the fish population to renew itself. This is something that is hard to police or control, but

then the fish catches start dwindling while the demand for fish is constantly increasing. Other problems involve oil disasters as in the Gulf of Mexico which set back the fishing industry there for a while. Food sources are having more difficulty in crops and meat production. So when the fishing industry has problems because of over fishing, this becomes one more reduction in the food supply. Your pollution of insecticides and mercury compounds is also affecting the larger fish that you have to eat in moderation, or you will have mercury poisoning. Your people need to manage your environment better to not over fish your oceans, and avoid contaminating it with heavy metals."
Jesus said: "My son, you have witnessed some glimpses of the many events in your life at various ages. This is just a partial view of what you will see in your life review at your Warning experience and at the end of your life. In your flashbacks you were not held accountable for your actions. In your life review you will be out of your body and outside of time so you can view every action that you did with My assessment of whether each action was good or bad. Many of your sins have already been forgiven, so you will glide past these events, but your unforgiven sins will be pointed out to you. I will show you how to change your life for the better, and you will be placed back into your body. Learn from this experience of My Warning so you can avoid your past sins and live with more love in your interactions with people. Many people after their life review will have a new outlook on life, and a desire for Confession so they can confess their sins which I will help everyone to remember. This Warning will b a spiritual wake-up call and a preparation for souls to be able to withstand the coming tribulation of the Antichrist. I will call My faithful to come to My refuges, and you will live a simpler and holier life under the protection of My angels. As you look on My luminous cross, you will be healed both in body and soul. You will be working with other faithful, and your life will be more rewarding as you will enter My Era of Peace when the evil ones will be cleansed from the earth. Be patient now and ask for My help so you can endure your coming trials."

Thursday, March 24, 2011

March 24, 2011
Thursday, March 24, 2011:Jesus said: "My people, in this Gospel story (Luke 16:19-31) of the rich man and Lazarus you can see how those, who suffer on

earth and are faithful to Me, will be promised a place in heaven. But those, who are rich for themselves and do not care for those in need, could find themselves in eternal punishment in the flames of hell. Your body dies, but your soul lives on for all eternity, and it is every person's choice by his or her deeds that determines where that person will be. Heaven, hell, and purgatory do exist, and these are your only destinations possible. If you choose to follow Me in loving Me, obeying My Commandments, and serving Me and your neighbor, then you may suffer some time in purgatory, but you will one day be with Me in heaven. Those, who reject Me and fail to follow My Commandments, nor help their neighbor, are choosing the broad road to hell. In hell souls suffer an eternal burning feeling of flames, but they are not consumed by the flames. The soul is a spirit, but you will suffer the torments of the demons, and you will never see Me again. Those souls in hell are totally hopeless and they hate Me, but it is the soul's choice to be in hell. I give every soul on earth a chance to be saved, even to your dying breath. Seeing souls in hell and how they suffer, should be an inspiration to My faithful to reach out and save as many souls as you can from going to hell. Learn from this Gospel that your best choice is to be with the One who loves you in heaven, rather than be with the devil who hates you in hell." Jesus said: "My people, you have many intentions that you pray for of your own choosing. At this time I wanted to give you a special intention to pray for the people on the plane, and even for all the souls in Trinidad. Ask the Holy Spirit to give you the words that will touch the people's hearts to grow closer to Me in their lives. Every country has its own particular problems, but the sins of every country are calling for reparation for the sins of its own people. This is especially true in your mission to Trinidad. Every person that you meet is another soul that needs prayers. Offer up all of your prayers and sufferings for the people on your plane and for all the people of Trinidad as well."

End March 2011

April 2011

Friday, March 25, 2011:

April 7, 2011
Friday, March 25, 2011: (Annunciation)Mary said: My dear children, I am happy that all of you could come to share in my feast day with my Son in the Mass. In

every way I bring you to my Son through my intercession. Our two hearts are always united, and we want to be united with your hearts as well. When the Angel Gabriel came to ask me to accept being the Mother of God, I knew that I was prepared for that moment. I was happy to say 'Yes' and give my fiat answer to follow God's Will in everything. You know that I lived a life without sin, but it was only by the power of God and by uniting my will with His Will. I love all of my children and I put my mantle of protection over all of you. Call on me in your petitions and I will give them to my Son. I told the servants in Cana to do whatever He tells you. I never forced my Son to do anything, but I always gave Him the needs of the people. Even as I have given my will over to God's Divine Will, I give this as an example to my children. When you give your will over to God's Will, you are accepting His mission for you, even if He tests you beyond your comfort zone. Do not worry because my Son will never test you beyond your endurance, and He will give you the grace needed to carry out your mission. So say 'Yes' to Jesus in everything that He asks you to do."
Jesus said: "My people of this church, I am grateful for your many Lenten devotions and honoring My Blessed Mother. Your Stations of the Cross were very heart-felt, as were your rosaries in your candlelight procession. When I am in your presence in My Blessed Sacrament during Adoration, I can look into each heart as I hear your individual intentions. All of your prayers are heard, and I will answer them in due time. When you are formulating your intentions, focus your prayers on intentions that will best help souls. The things of this world are passing away, but your souls will live on forever. I hear your prayers for souls that are in most danger of being lost because saving souls should be your most important concern as well. Keep close to Me in your daily prayers, and you will be on the narrow road to heaven."

Saturday, March 26, 2011

April 7, 2011
Saturday, March 26, 2011:Jesus said: My people, every day I send you the trials and joys of life, but you must look on everything that I send you as the gifts of today. Even problems and trials are gifts to you because they are meant to test you and purify you as silver and gold are purified with fire. You may endure some stress or pain in your lives, but you can offer these things up to Me as your share with My pain on the cross. Every day you must be willing to pick up your

daily cross for My sake, and let these trials be your means of your salvation through Me. I love you, My people, but you even need to train your children to deal with survival in this valley of tears. As you train your children to know their faith, so each day's events are used to train you in My ways which are different from man's ways. When you help each other in your daily needs, they are the good works that I am calling you to perform in order to help your neighbor. You will see that helping people are your joys in life, and thank Me for every opportunity that I give you for the benefit of your neighbor. Pray to Me in the morning and make a recollection of your day at night. Learn from your mistakes and by meditating on them, I will show you how to improve in both your physical and spiritual life. Learn to offer up everything to Me, both the joys and the trials, and you will again understand how everything that I send to you are truly gifts of My love."

St. Therese said: "My dear son, I want to thank all of Jesus' sisters and friends for all the beautiful work that they are doing for the Lord. Jesus was always the center of my life, and you have seen me portrayed carrying a small cross with roses. I spoke many times of my Little Way which is focused on doing every little task with love for Jesus. When you follow Our Lord, you are offering all of your work up to Jesus. I have always thought of myself as a child of Jesus, and Our Lord has told us that we must have a child like faith in order to enter heaven. In today's Gospel of the Prodigal Son, this is a lesson in humility in accepting that everyone is a sinner. You all need to be close to my Jesus in frequent Confession so you do not let sin keep you distant from Him. I have given you messages personally to help you in your spiritual life, especially in making the best use of your time in this life. You have recently been praying novenas to me in helping you to make your DVD and in praying for your country's trials. I also want you to make time every day to have some quiet time so you can be listening to Jesus when He talks to your heart. If you are open to my Jesus, He will direct you in how to follow the mission that He has for your life. Every time that you pray to Jesus, you are sharing your love for Him, and He loves you so much."

Jesus said: "My people, this ram goat that was in the vision has very powerful eyes of seduction, and this is how the Antichrist will use his demonic powers to mislead many souls into evil. He will come in My Name trying to imitate the Lamb of God, but he will be the evil wolf in sheep's clothing. Beware of this false Christ because he will try and deceive you, but My faithful will recognize this evil imposter who will try to steal souls away from Me. This evil one will

control all the media. After My Warning experience, I want My faithful to remove all televisions and computers from your homes. Do not look at the Antichrist's eyes, or listen to his words. He will have the power of suggestion to mislead even My elect. Trust in the power of My protection at My refuges where My angels will protect you from any demons or evil people. At My refuges they will not be able to harm your body or your soul. This evil one will come during the tribulation, so avoid his mark and his image, or he could try and get you to worship him. All of these warnings are written in the Book of Revelation, but these events are before you in today's happenings that are leading up to the declaration of the Antichrist. I am always with you in love. Have no fear of the evil ones, for I will be victorious in the end."

April 7, 2011
Sunday, March 27, 2011:Jesus said: "My people, the slide in the vision was black and this represents evil. The serpentine shape represents a slithering snake as the devil. This black serpentine slide at an amusement park is how the devil can use pleasure to bring souls into sin. The Carnival time in many Latin American countries can be a near occasion of sin for unsuspecting people. Many are searching for a good time with music and dancing. Unfortunately, some people can abuse this joyous time by drinking too much alcohol, or becoming involved with fornication or people wearing revealing clothes to tempt men. If people are led into sinful temptations by these Carnival activities, it may be wise for these souls to avoid these areas of sin. Just because this is a time of celebration, it does not change My Commandments against bodily abuse or sexual sins. This is not a criticism of the Carnival time, but only of the sinful abuses that are often found between men and women. Pray for the souls who are tempted to sin in this time of celebration."
(Gospel of Samaritan women at the well) Jesus said: "My people, the Samaritan woman did not understand who I was, but she desired to receive My living water so she would not thirst again. When I told her that I was the Christ, she ran to bring her friends to see Me. Some may ask, what is this living water? I give you My living Word in My Scriptures to follow, but what is most important is that I give you My Body to eat and My Blood to drink. When you receive Me worthily in Holy Communion, you are fed by My spiritual food of My very Self because I

am truly present in the consecrated Bread and Wine. I have told you many times, whoever eats My Body and drinks My Blood, will have eternal life with Me in heaven. When you receive Me in My sacraments, you also receive the Holy Spirit of Life and God the Father. Where you have Me, you have the Blessed Trinity because We are Three Persons in One God, and indivisible. When I spoke to the Samaritan woman at the well, I was breaking with many traditions of Jews not speaking to Samaritans, and men not speaking to women in that time. By offering My living water to her, I was telling everyone that I treat all of you equally, no matter who you are in this life. Be grateful that I am open to all sinners, because I love all of My creatures, even those who do not accept Me. Many of My faithful have a thirst to be with Me in prayer, Holy Communion, and at Adoration of My Blessed Sacrament. I call My evangelists to help Me in bringing converts to the faith. I will protect you from the evil ones, so trust in Me for all of your physical and spiritual needs."

April 7, 2011
Monday, March 28, 2011:Jesus said: "My people, you heard the account of Naaman the Syrian how he was cleansed of his leprosy by the prophet Elisha. He was advised by his Jewish servant to go to Israel to be healed by the prophet, but when Elisha told him to wash seven times in the Jordan, Naaman refused to do it. The servants had more faith and encouraged him to do what the prophet told him. Naaman washed seven times in the Jordan and he was cleansed of his leprosy. Take a lesson from this healing because you need to have faith that I can heal you of your earthly afflictions. In Confession I cleanse you of your sins. This cleansing of sins is a Lenten lesson that all of My people can follow. In the Gospel I told the people of Nazareth that the Christ was among them. They were joyous at first, but when I told them that a prophet is not accepted in his native place, then they wanted to kill Me by throwing Me off the cliff. I walked through their midst because it was not My hour to die then. My prophets throughout history had to suffer persecution for proclaiming My Word of love which is hard for mankind to accept. You may risk death and persecution, but I trust that My prophets will have faith in Me to still carry out the mission that I have given them. You, My son, have been called to prepare the people for the end times of the Antichrist. Many do not want to leave their comfortable homes or their sins

of pleasure in order to come to My refuges of protection. Your mission is sent by Me, so do not be discouraged or afraid, but continue your evangelization efforts to save souls because this is more important than any other thing that you could do."

April 7, 2011
Tuesday, March 29, 2011:Jesus said: "My people, in the vision this large wall represents the way some people separate themselves from Me because of the guilt of their sins. You see Me knocking on the door in the vision. You could open the door to Me so I may enter your heart and soul. I do not force Myself on any soul, and I cannot enter to share My love and forgiveness unless the door is opened from the inside. Knock and I will answer you, ask and you shall receive. Even as I respond to your petition requests, hopefully you will respond in love to My requests as well. Today's Gospel is about forgiving people, even seventy times seven times for any harm or insult done to you. I gave you the four kinds of forgiveness associated with My sacrament of Penance. The first is to seek My forgiveness of your sins when you are absolved in Confession. The second is when you are called to ask the forgiveness from others for any physical harm or for harm done to their reputation. The third kind is being able to forgive others who may have harmed you in any way. This also means not holding any grudges against people. The fourth kind of forgiveness is being able to forgive yourself. After absolution of your sins, put all of these things behind you and let them go. If you retain any guilt, you could cause some mental sicknesses, or allow the devil to throw your faults at you to make you have a poor opinion of yourself. If you allow this, you could grow into depression or turn to drugs and alcohol. Let your sins go and come to Me in Communion to heal the wounds of your sins by My grace and love."
Jesus said: "My people, you are obligated by My 'Our Father' prayer to forgive one another as I forgive you. This was made even more accountable with the Gospel of the Master and the debtor who was not forgiving of his fellow servant. It is very difficult to be able to forgive someone who has mistreated you because of man's justice. This vision recalls a woman whom you knew who went to her grave from cancer, but she could not forgive her relatives for only coming to see her to try and get money from her will. In man's eyes she may have been

justified, but in My eyes you still need to forgive your neighbor. She gave you a message that she had to suffer in purgatory for this sin of not being able to forgive her relatives when she died. Take this as a lesson that you need to love everyone, and do not go to your grave with grudges or hate for anyone on your soul. Remember how I told the people to go and make amends with their neighbor, and then bring their gift to the altar at Mass. By forgiving your neighbor all of the time for any faults, you will suffer less in purgatory."

April 7, 2011
Wednesday, March 30, 2011:Jesus said: "My people, I set before you the Two Great Commandments. You must love the Lord your God with your whole mind, heart, and soul, and you must love your neighbor as yourself. These are the laws of love that I have brought to fulfilment. I love all peoples so much that I brought the Kingdom of God to the earth by My Presence. I have offered up My life as a supreme sacrifice for the ransom of all the souls of humanity. I am with you all days in My Blessed Sacrament until the end of time. In this vision you see how the Old and New Testament are joined as one. I want My people to love everyone, even your enemies who persecute you because every person is made to My image and likeness. When you come to Me in judgment, I will ask you if your loved Me because I am present through the Holy Spirit in every person. If you fed, clothed, and housed the least of My people, then you did this for Me in them. But if you refused to help the least of My little ones, then you refused to help Me in them. I will judge you by your actions of love for Me and your love for your neighbor."
Mary said: "My dear children, you have heard my Son say to you to ask the harvest master to send more workers into the vineyard. Both the priests and the nuns are in need of new entries into their orders. It is important to provide fertile ground for new vocations to this Carmelite Order. There indeed are many distractions to draw people away from the religious life. You need prayer and fasting for these intentions. You also need a means to invite people to see what this life is all about so they can have the time to see if this life is their calling. Adoration of the Blessed Sacrament is the best environment for vocations, but even this requires faithful people to support. Passing out literature at the churches may also help the people to think more of religious vocations. Do not

be discouraged in seeking vocations, but trust in heaven's help from my Son to help you."

April 7, 2011
Thursday, March 31, 2011:Prayer Group:Jesus said: "My people, you have seen some statues that have been vandalized in people's front yards. I am talking about statues of My Blessed Mother and Me. Some of the people who had this destruction have had prayer groups or Masses in the outdoors when the weather was warm. This desecration of holy statues is the first step in a series of events that will show you how much the evil ones will be persecuting My people. Pray for My angel protection when you are led to My refuges for safety."
Jesus said: "My people, there were some people with money and education, and some people that led very poor lives in Trinidad, despite the oil wealth in this nation. Even the poor were joyous in singing their hymns to God. There is a strong faithful remnant that makes up the core of the prayer warriors. There are also many who desire Adoration, and they pray reverently in front of My Blessed Sacrament."
Jesus said: "My people, at night some people are seeking any kind of entertainment, and this is where excessive drinking and lewd dancing occurs. My faithful need to live chaste and humble lives in order to give good example to their children. Teaching children about their faith is one of the best ways to involve the youth in prayer groups so the faith can be carried on."
Jesus said: "My people, it is the faithful members who are working hard in praying for priests and nuns so the Church will be sustained for Masses and teaching. The religious life requires quiet time for prayer in order to keep Jesus alive in their lives. Pray for new vocations and that the current priests and nuns will stay strong and not abandon their ministries."
Jesus said: "My people, seminaries and religious teaching are required for teaching new priests and nuns. Bishops usually solicit funds to keep these places of learning open and running. It is also important to have good directors to choose candidates who could make good priests and nuns. These new candidates need much prayer to be found, and to have strong faith in completing their training."
Jesus said: "My people, there are many people who are weak or lukewarm in

their faith. It is the children and some adults that need proper training in the faith, or they could be lost in worldly distractions. This is why My strong faithful need to take the opportunity to give a strong witness in teaching religion to the children, or training adults to enter the Catholic Church. If the children are not fully grounded in their faith, then they could grow weak in their faith and be lost. The people of the parish also need updates in their faith in retreats, missions, or Bible study. In order to gain in your perfection, My faithful need to grow in their understanding of the faith. Keep strong in your love for Me and love for helping your neighbor."
Jesus said: "My people, this time of Lent helps build spiritual character, and it can be an opportunity for spiritual growth. One of the best ways to seek My help is to rely on persistent prayer. Do not give up easily, but let your heart see the need for prayer, suffering, and fasting because some souls have a high price. Remember your extra prayers, your Stations of the Cross on Friday, fasting between meals, and the special penances that you promised to do for all of Lent. By renouncing your worldly comforts and restraining your body's desires, you can allow your soul to have more control over your body. Have trust and hope in Me, and I will lead you down the narrow road to heaven."

April 7, 2011
Friday, April 1, 2011:Jesus said: "My people, in this vision I am showing you how some people worship the things of this world as sports, gold, and famous people as their 'gods' instead of Me. When you make anything else more important than Me, then you have made that thing your 'god' and you are sinning by idol worship. If you spend all or most of your time on things and concerns of the world, then you are not giving Me enough time in prayer to acknowledge your love for Me. I do not force My love on you, but those, who refuse to accept Me into their lives, could face the consequences of being judged to hell for their rejection of Me, or ignoring Me. I love all of you so much that I died for you. Loving your Creator and giving your thanks to Me for all that I have given you, should be your least response. Those, who truly love Me, can show it in their actions as in prayer and good works for their neighbor. Your priest made a good suggestion to even remember to love yourself because you are made in My image and likeness. You love Me the most, but without knowing how to love

yourself, it is true that it will be difficult to love your neighbor. You love yourself not out of pride, but because you are one of My creations and worthy of love. Just as you love your body and soul despite your imperfections, so you should love everyone else in the same way despite their imperfections. By loving your neighbor as you love yourself, then you will be obeying the second part of My great commandment."
Jesus said: "My people, when you take time to adore My Blessed Sacrament, you give honor and glory to your Lord. It is My great gift to you that I have left Myself present to you in all the tabernacles of the world. You may have some churches that are open most of the time, so you can come and visit Me in quiet contemplation. Remember to leave five to ten minutes for contemplative prayer so I can speak to the quiet of your heart and soul. By listening for My Word, I can give you proper direction and discernment for the many choices that you make every day. Let Me lead you down the right path toward heaven, and be open in your heart to do what I ask of you in your mission. Sometimes I call you to do things that you may not be comfortable with, but many times this leap of faith will bring you more graces than your own plans. Be ready to share your faith with everyone."

April 7, 2011
Saturday, April 2, 2011:Jesus said: "My people, fresh water is necessary for all of mankind to survive, whether at your current homes or at My refuges. When you come to My refuges, I have mentioned how an independent source of water will be necessary for all the people who will come. When the tribulation comes, you will not have a store to buy water. It would be best to have a river, a lake, or a pond for a large source of water beyond drinking. Otherwise, you may need to have a water well dug with options for a mechanical pump that does not require electricity. Many refuges will not have solar power, so pumping water will be necessary. If there is no source of water, then you will need a miraculous spring as in Lourdes, France. This is similar to Moses who struck the rock for miraculous water in the desert. Trust in Me to provide enough water for the people to survive at My refuges. At the time to go to My refuges, you will only need the bare necessities of water, food, and a shelter which will be provided, along with My angel protection from the evil ones. You will be living in full trust

and faith in Me during this short reign of the Antichrist. Have patience, My people, and you will see My victory over evil, and then you will be rewarded in My Era of Peace."
Jesus said: "My people, coal still provides a large source for your energy production. There are still needs for coal in generating electricity and some is used in making steel. It is the coal mining underground that needs to be done in order to obtain the coal which is dangerous for the workers' health. You have heard stories of coal miners dying from explosions or toxic gases. Methane gas or coal dust can mix with oxygen and an ignition source to cause an explosion. You have seen these mishaps in America, China, and Chile. It is a dangerous job also from inhaling the coal dust which can cause black lung. Mining coal does provide jobs, but the insurance is higher because of the dangers involved. Your country needs all of your energy sources in order to minimize the oil that is imported, especially from the Middle Eastern oil countries. Coal is worse on pollution, and it produces carbon dioxide as other fuels do. Your appetite for electricity and fuels for your transportation has grown too much, and soon conservation of electricity and more fuel efficient cars will help cut back your fuel needs. America consumes 25% of all of the earth's fuels, so your standard of living will go down with rising fuel prices. Pray that America can reduce its foreign dependency on oil so you are not restricted by wars and uprisings in these oil countries."

April 7, 2011
Sunday, April 3, 2011: (Laetare Sunday)Jesus said: "My people, the vestments today are rose colored to represent rejoicing at the middle of Lent on Laetare Sunday. Today's reading is associated with My bringing light to disperse the darkness, as I made the blind man see. The Pharisees did not want to believe in My miracle of bringing sight to the blind man because I cured him on the Sabbath. In the vision also you are seeing someone at a refuge come out of the darkness into the light. This represents My protection during the darkness of the Antichrist's reign in the tribulation time. The other miracle is My multiplication of the food at My refuges so everyone will have something to eat. At My refuges you will have daily Communion from My angels for bread, and the deer who will come into your camps for meat. Any other food that is grown or stored will

be multiplied as needed for the people. I have also talked of the need for some food before you come to My refuges because of the coming world famine. I have given an example to store about a year's supply of food. This was not meant to be a financial hardship on My faithful, or a problem for storing so much food and a source of water. For those, who have limited funds or limited space for the food, I would multiply what is needed. For those, who have the money and space to store this supply of food, then you could purchase the food over some weeks without buying it all at once. This food is to be shared with those people who I will send to you, it is not meant to be hoarded. Once there are riots and chaos in the streets because people are being violent in pillaging for food, then it will be time to call on Me and My angels will lead you to My refuges. You will not need guns for protection because My angels will make you invisible when it is time to leave for My refuges. Trust in My protection and My providing for your needs, and you will have peace in your soul."
Jesus said: "My people, I have been calling people to set up both interim and final refuges. I told you that those people who desire to have a refuge in their hearts, can build one. Each refuge should have the land consecrated to Me, and have an independent source of water, especially for final refuges. At each refuge there should be a storage pantry of food that could have the food multiplied for those who come. This means that each leader needs to plan for some food storage that will keep for about four years. At each refuge there should be a place to sleep for some people with bedding and sheets. This building with beds will also be multiplied as more people come, so everyone will have a place to sleep. Towels, makeshift showers, soap, and toothbrushes will also be needed. Some provision for a latrine should be prepared. Think of living independently from stores and you will see what you will need at your refuges. My angels will protect you, but My people will need to take care of your meals, bathing, and washing clothes. Be prepared to use your talents in helping each other by bringing the tools of your trade to the refuges. Trust in Me that this short suffering will be making you saints in order to get you through this coming tribulation."

April 7, 2011
Monday, April 4, 2011: (St. Isidore)Jesus said: "My people, when you go to

school to learn your courses, you are getting the knowledge from books and your teachers. The other kind of knowledge that you acquire is from practical living experience when you try to apply what you have been taught. You have common sense learning and on the job training. Eventually, it is your job experience that can become more valuable than your book learning. In the same way in your spiritual life, you have My Word in the Scriptures and Church Law that teaches you how to live a proper life according to My laws. The challenge is to live your faith and not just be a Catholic in name only. You know how you should be living, but until you apply what you know to your daily actions, then you may not truly take My Word to heart. Living a good Christian life is not easy because the body is always in conflict with the desires of the soul. If you truly want to come to heaven, then you will need to keep your body in check from sin so you can give good example by your actions. You may know what is right, and even preach the Catholic faith, but it is your proper actions that witness to your true beliefs. When you live your life according to My ways, then you will find your reward in heaven at your judgment."
Jesus said: "My people, I have given you messages before about comets and asteroids coming close to the earth. You have near misses from time to time, but the larger the object, the more there is concern if it could hit the earth or come close enough to cause some effects. Many events are getting close in respect to chips in the body, and a possible failure of the dollar. The Warning is a preparation to go to My refuges, so this Warning will happen first. Be prepared to see some major event in the sky on the day of the Warning. Review your previous messages on this event, and again do some research on any objects coming close to the earth. Do not be fearful of the Warning because it will be a great help to sinners from My Divine Mercy."

April 7, 2011
Tuesday, April 5, 2011:Jesus said: "My people, you are in a rainy season as winter has changed over to spring. This umbrella in the vision is a sign of protection that I give My people in Confession to wash away your sins. You can come to Me at anytime in My priests in the confessional, especially during Lent. You have no excuse to not have a clean soul with My oasis of graces always waiting for you to come for My forgiveness. You are seeing this umbrella

spinning as well which is another sign that the day of My Warning is not far off. In your Warning experience you will be told about the need for seeking a safe haven at one of My refuges. This means that I will send My Warning before you need to leave for My refuges, and before the Antichrist declares himself. Fear not this time because My angels will be protecting you with a shield of invisibility. Have faith to call on Me and your guardian angel when it is time to be led to My refuges."
(Nadezda Matunow funeral) Jesus said: "My people, not everyone attended Nadezda's funeral Mass, but you were all united with the Ukrainian Orthodox priest in this service at the grave. All of your prayers and Masses will help usher her into heaven. She had a full life in her years, and she will be missed dearly by her family and friends. Be grateful for the time that you had to share your life with her. She is resting with Me without any more pain. Give praise and glory to Me for this gift of her life."
Jesus said: "My people, many people are concerned that this nuclear plant in Japan is out of control and that major amounts of radioactive water are being poured into the ocean. Much of the radioactivity will eventually dissipate, but there could be much damage to the marine life before that happens, meaning the fishing industry could be affected. The fact that Japan is seeking help from other countries is a sign that they are desperate for help. Cooling down the spent rods and the devastated four reactors has taken large amounts of seawater that is corroding these reactors. The radioactive pollution has reached such a high level, that it is almost suicide to work at this plant. It will be months before these rods could even be cool enough to try and remove them. The spreading radiation will begin to cause major radiation poisoning over a large area. This will affect Japan's economy and the selling of any goods that pick up this radiation. This problem could give nuclear energy such a bad reputation that many countries will want to shut down their active plants. This will present a major energy shortage and will cause another major recession or depression. Pray that some means can be provided to be able to shut down these four reactors before any more explosions could send more radiation into the air."

April 23, 2011
Wednesday, April 6, 2011:Jesus said: "My people, you have tainted your food

with many toxic preservatives, and you have genetically modified many of your crops along with making hybrids. Because of these changes in your food and the polluting of your air and water, you are now seeing a proliferation of many kinds of cancers and other chronic diseases. It is sad to see many people suffering with terminal diseases, and chronic conditions as diabetes, high blood pressure, arthritis, and other ailments of pain. My faithful need to pray for these people to have the grace to endure their suffering. Sometimes you may have to be a caretaker for such members of your own family. Do what you can to make them comfortable, and visit the sick to show your concern for their health. This is all the more reason to adjust your diets to eat healthy so you can fulfill your mission."

(Camille Remacle's Mass)Camille said: 'Hello everyone, every spring I am reminded how much I liked to get out into my garden. I feel sorry for poor Amanda with another broken leg. I will be praying for a successful operation tomorrow. I thank all of you for coming to my Mass intention. Say a special hello to Larisa and John. I am sorry for the loss of her mother. I see a lot of souls moving up and down as some are born, while others leave their bodies in death. Tell Lydia how much I love her, and I thank all of you for helping your mother get around. I still make a couple of visits to encourage people to attend Mass. You can make my work easier if you could encourage those who do not go to Mass to make the extra effort to go. Again, thanks for all the prayers and Masses for me."

Jesus said: "My people, you currently have a struggle between the cuts of the Republican House and the Democratic Senate. The House passed only a $61 Billion cut out of a $1.3 Trillion deficit, and still the Democrats did not pass it. Two short term resolutions were passed with only $10 Billion in cuts. Now there is talk of another short term bill, but there is still an impasse in the Senate that threatens a government shutdown. Some last minute meetings are taking place, but it may be difficult to get something passed in time to stop a shutdown. This is just the first battle since the next battle will be over Trillions of dollars of cuts for the 2012 budget plan. Another battle will be over raising the National Debt limit. If America cannot get its debt payments under control, then there may be a threat to the dollar or even possible bankruptcy of your financial system. Your major deficits have been caused by wars, this latest bank crisis, and excessive entitlement payments. Without some control over your interest payments, your deficits will become larger than your economy's production. Pray that your lawmakers can come to a compromise and straighten out your debt payments

without a shutdown."

April 23, 2011

Thursday, April 7, 2011: (St. John Baptist de la Salle)Jesus said: "My people, in today's Gospel I was telling the people how My testimony was greater than that of St. John the Baptist. His testimony pointed to Me as the coming Messiah, and he called people to repent and be baptized. His message is much like you are doing in Lent by prayer, fasting, and almsgiving. St. John the apostle writes a Gospel with an emphasis on My Divinity. I am truly Divine and human at the same time. My testimony is that I bring eternal life through Myself when you share in worthily receiving My Body and Blood in Holy Communion. I bring everyone salvation through My death on the cross. My testimony is verified in My miracles, and the witness of My heavenly Father as He spoke at My Baptism and Transfiguration. I told the people that the Father and I are One, and that I was sent to the earth by My Father. The people thought I was a blasphemer to claim equality with God, and that is why they killed Me. They thought that they knew My origins, and they could not believe that I was a God-man or the Messiah. This whole question of My Divinity was hard for the Jews to accept which is why Holy Week is focused on this dispute. Evil had its hour in My Crucifixion, but then I conquered death and sin by My Resurrection from the dead. It was then that all worthy souls were allowed entry into heaven. Give praise and thanks to Me and to St. John the apostle for explaining My Divinity to you."

Prayer Group:Jesus said: "My people, you have information that the HAARP machine can be used to make earthquakes with low 5 Hz frequencies, and it can be used to alter the jet streams to create violent weather. Seeing this beam active means the HAARP machine has been turned on to cause earthquakes and bad weather. You can do some more research for its latest activities."

Jesus said: "My people, one severe crack has been sealed to restrict high radioactive water from escaping. The normal cooling pumps are not working and adding seawater is creating a corrosive problem to the working problem of cooling the hot rods. Even nitrogen has been introduced to reduce any further explosions of the hydrogen by smothering any oxygen with this inert gas. Without some way of cooling better, more radioactive water will be poured into the ocean. Pray that this radiation can be minimized and controlled."

Jesus said: "My people, when you analyze who is behind these uprisings, there

are terrorist elements connected to Iran and Hamas. Many older leaders are being forced out of power, and it is leaving a vacuum for the Brotherhood to take over. Libya has been slow to change because of Gaddafi's resistance. During these takeovers, you are seeing oil, gold, and silver prices reaching high levels in dollars. These same terrorists will eventually find their way into Saudi Arabia. When this happens, you could see $300 a barrel oil prices which could send many nations into recession or depression. Pray that this insurrection can be lessened or your world economy could fail."

Jesus said: "My people, as oil prices continue to rise because of possible supply disruptions in the Middle East, there will be an increasing demand to drill for oil in America. These wells could be started, but by the time they are providing fuel, your country could go bankrupt without cheap fuels for heating and transportation. This is another reason why an independent energy plan should have already been put in place. A disruption in oil deliveries will create a drastic shortage in fuel supplies which will be hard to replace causing many businesses to shut down and could create a chaotic depression. Pray again for an energy transition with less dependence on foreign oil."

Jesus said: "My people, you see many physical means to purify water for drinking and isolating pure metals for industrial uses. Many people are so busy in the workplace and raising their families that they do not take enough time to see how much they need to purify their sinful souls. Unless you slow down to look at how you can improve your spiritual life, it will be hard to make any progress in seeking your spiritual perfection. Daily prayer and frequent Confession would be a good start to draw close to Me. Instead of letting money, jobs, or entertainment control your lives, you should set Me in the center of your life, and do everything for Me, instead of your own selfish interests. When you let Me run your life, you will have whatever you need and peace in your soul as well. Use this Lenten time to grow in your faith and follow Me."

Jesus said: "My people, Holy Week is your most important time of spirituality of the whole year. You need to have all of your Lenten devotions prepare you for this holy time of the year. As you realize how much I suffered for your souls, you should give Me praise and thanks that I have brought salvation to everyone who reaches out to ask for My forgiveness. I have opened the gates to heaven, but you are to love Me and your neighbor in order to be worthy to enter. Your whole life is a journey toward heaven, and you need to keep your focus on Me every day. Call on Me to help you on your way to spiritual perfection, and you will one day see your reward in heaven."

April 23, 2011

Friday, April 8, 2011:Jesus said: "My people, this vision of these three young children is a message to you of how I want you to act in your Christian life. A young child is always trusting in his or her parents without any fear or worry. In this same way I want My faithful to live their faith as this little child with complete trust in Me as your heavenly Parent. Some people as the priest said, do not want to be showed up by others as being better than themselves. When you see the innocence and trust of a young child, you see how much more you need to improve. You all were innocent children at one time, but the world and the evil one have taken away your childhood innocence. Remember that in order to enter heaven, you must have the trust, love, and innocence of a little child. When you ask Me for this gift of living as a little child, I will answer your prayer and bring you close to Me because I love all of you so much. Make Me the center of your life, and I will guide you on your journey through life so you can rest with Me in heaven for all eternity."

Jesus said: "My people, I want to thank all the people who are making this refuge possible which includes the prayer warriors, the financial sponsors, and all those doing the construction. I have mentioned before that at every refuge I will use all of the talents of the people that come to your refuge. You will all be living a community life under My protection and that of My angels. This is another confirmation for Karen to carry on with her work on this refuge and her work to promote Adoration of My Blessed Sacrament. When I am the center of your life, you can listen to My words of calling and discernment in the quiet time before My Real Presence in the consecrated Host. Call on My help to ease any worries or anxieties that may be attacking you. When you ask in My Name, Jesus, I will bring you any healing grace that you need."

Jesus said: "My people, this clock that is ticking down to 12 o'clock represents a deadline for the one world people when the major events are going to start happening. The signs for this is how these evil ones are putting millions of meals into their secret underground cities so they will have food and a safe place to go. You are seeing the perpetrated unrest brought about in the Arab oil countries, so the oil and food prices would rise beyond what people could afford. This is part of the evil one's plan to bring down the euro and the dollar. The HAARP machine will be used to cause earthquakes on the New Madrid fault and the fault in California. Your Masses will reduce the deaths and damage that will result.

These major events will contribute to martial law and a world famine. I will warn people when it is the proper time to leave for My refuges. Once it is time, My angels will put shields of invisibility around My faithful to protect them from the evil ones who are trying to kill them. My angels are marking My faithful with crosses on the forehead as 'the mark of the faithful'. During this tribulation time My angels will lead those with this mark on the forehead to My refuges. Those without this mark, will not be allowed to enter My refuges. Fear not the evil ones with guns because My angels will make you invisible and the evil ones will not see you or be able to kill you. Rejoice in the protection of My faithful, but woe to those who reject Me and could be lost. I love all peoples, but it is how people exercise their free will, that will determine their judgement."

April 23, 2011

Saturday, April 9, 2011:Jesus said: "My people, you have read about Jeremiah, the prophet, and how he and the prophets suffered persecution for proclaiming My Word. Many of My prophets have suffered martyrdom for their faith in Me. In the Gospel I even described to you what is expected of My prophets. When I call My prophets, they are being graced with the opportunity to share My Word for that time. They should be willing to say 'yes' to My mission and not look back, but to follow My lead. They also need to call on My grace to have courage to go where I call them to share My message. My Word is a spiritual message and it is not always to the liking of the body, but it is for the betterment of souls. Some may want to reject My message, and as a consequence may even want to reject My prophets. My prophets are called to endure any rejection and even to be willing to die for spreading My Word. My son, I have called you to this mission of preparing the people for the end times. You are not to mellow the message for a better hearing, and I even asked you to carry on until you could no longer move. You have been faithful to Me for these many years and I am grateful for your efforts. Now, you will be entering the beginnings of the coming tribulation. You know that the evil ones will be coming more into power and this will pose a threat to My prophets and My faithful. You are to be steadfast with My message, even if it may endanger your life. Your reward awaits you in heaven. I call all of My faithful to be priests, prophets, and kings by virtue of your Baptism. So you all are called to evangelize souls to the faith and help them

to avoid hell. Give praise and glory to Me for sending My prophets with My warnings for this time."
Jesus said: "My people, this vision about a prison is about two prisoners. The first prisoner is Myself in all the tabernacles all over the world. Where there is perpetual Adoration, it is a joy for Me to give graces to those who make their assigned hour to give Me praise and honor. Your holy Savior waits to greet everyone who comes to visit Me, even if for only ten minutes. It is sad when I am alone night after night and no one comes to see Me. It is at those times that I feel like an ignored prisoner. The second prisoner is your soul that is trapped in this physical body that I have given you. The soul can be constantly tormented by the desires of the body and the many temptations of the evil one. The soul is all love, but at times it is hard for the soul to have control over the body. The best means for the soul to control the body is through prayer and fasting. It is when the body is in control through sin that the soul feels like a prisoner without being able to express itself. The soul needs to direct the body on the path to heaven without allowing the things of the world to control the body as with addictions. By keeping Me as the center of your life, then you can keep the whole person on the right path to heaven."

April 23, 2011
Sunday, April 10, 2011: (Lazarus, I am the Resurrection & the Life)Jesus said: "My people, you have been preparing throughout Lent with your prayers, fasting, and Confession in order to greet Me on Easter cleansed of your sins. When you think of Lazarus in the tomb and bound in strips, you understand how you are bound in your sins of the world as well. I call you to change your lifestyle of any addictions that may be controlling you. You need to free yourself so you can have My true peace in your soul. Guard that grace and peace from any of the world's distractions and any temptations of the evil one. I told Martha that 'I AM the Resurrection and the Life', and you cannot enter heaven unless you come through Me. By cleaning up your spiritual life during Lent, then you will be ready to leave your tomb of worldliness so you can come out into My Light when I call you to come forth. Cleansing your sins in Confession is your best chance to seek My forgiveness of your sins. Every time that you leave My confessional, you are given new life in My grace, and you feel like a new person.

This is why I have given you this vision of Lazarus coming out of a confessional, so when I call you to repentance, you can say 'yes' to Me and I will cleanse your sins. Now you truly are pure in your soul and ready to walk in My Light of life and love."

April 23, 2011
Monday, April 11, 2011: (Susanna story, Daniel 13:1-64)Jesus said: "My people, you have read how the two elders tried to have Susanna killed because she would not lie with them in sin. She chose not to sin and took her chance to fight them. Fortunately, Daniel questioned their testimony and the two elders lied about which tree they found her under. The law said that the false accusers should face the punishment that they were trying to force on Susanna, which meant that they were to be killed. This sense of injustice can even be found in America's court rooms. If you have many high priced lawyers on your side, you may be able to win almost any case. The judge and lawyers make backroom settlements for money or pleading guilty to lesser charges for less time in prison. There are many injustices done to people, especially in the abuses of American courts. Many women are taken advantage of in divorces because they do not have enough money to hire a lawyer to plead their case. Pray that these injustices can be resolved as Daniel was able to settle this case of adultery."
Jesus said: "My people, this vision of destruction of the buildings in a city, represents earthquake damage coming to a Japanese city. Currently, you are seeing 6.0 and 7.0 earthquakes occurring almost daily in Japan as this whole island is more vulnerable to earthquakes than most places. The Pacific Rim of earthquakes and volcanoes is most active in Japan right now, and these quakes could cause further damage to their cities. Pray for these people who have lost homes, loved ones, and are now facing nuclear pollution."

April 23, 2011
Tuesday, April 12, 2011:Jesus said: "My people, in many instances I talked with authority to the religious leaders and to the demons that I cast out of those who I

healed. In today's Gospel I referred to Myself as 'I AM' which the Jews knew from Moses were the words of God the Father's Name. I said this so that the people would know that the Father and I are One. Because I spoke with authority, the people came to believe in Me. When they witnessed My miracles of healing and even raising Lazarus from the dead, they began to believe more that I was the Son of Man. My apostles also through the power of the Holy Spirit came to know that I am truly the Son of God, the Second Person of the Blessed Trinity. When the people believed that I was the Messiah, then the Pharisees became threatened, and they wanted to kill Me for being a blasphemer in their eyes. As you approach Holy Week, you will be reading stronger accounts of how they were going to kill Me."
Jesus said: "My people, this vision of the sheiks in Saudi Arabia is a sign that they are the next target for regime change. There were some disturbances earlier, but order was restored. The Brotherhood and Hamas are determined to cause enough havoc in Saudi Arabia so the fear of lost deliveries of oil could drive oil prices much higher. If these terrorists cannot gather enough support for a successful uprising from the people, then they may resort to sabotage at the oil wells or the refineries. It is part of the one world people's plan to bring down America to threaten an oil shortage that could affect many nations. This is one more step toward a one world government led by the Antichrist. Control of the oil supplies is crucial to controlling the countries of the world. America depends on foreign oil for much of your energy, so any threat to these oil supplies could threaten your economy. Pray that these plans to disrupt Saudi Arabian oil deliveries will be nullified as long as possible. This is another reason for America to quickly reduce its foreign oil dependency so your involvement in wars could lessen."

April 23, 2011
Wednesday, April 13, 2011: (St. Martin I)Jesus said: "My people, throughout history all the civilizations that purposely worshiped other gods instead of Me were brought down in shambles. In the vision the people who built this tower were brought into confusion by many languages. The Jewish people who worshiped the gods of their neighbors were brought down and exiled to Babylon. Even this Great Babylonian Empire was brought down when they mocked Me

and they were defeated by the Medes and Persians. There is even a message for America in that you are worshiping money, the stock market, and your possessions more than Me. Your abortions and sexual sins are calling out for your punishment. America is the Babylon of Revelation that will also be taken over because of your worship of false gods. I am the only One true God and I will not have any strange gods before Me. This is My First Commandment that you love Me with your whole mind, soul, and heart. Those who sin by idol worship against Me, will receive My just punishment for their disobedience."
Jesus said: "My people, this Passover meal that you celebrated tonight gave you a small feeling of what it was like at the Last Supper. It was the bread and wine that I consecrated which became My Body and Blood because the next day I died on the cross. This vision of a flame that was snuffed out represents how the world rejected My Light and set out to crucify Me unjustly if they knew that I truly AM God. I also showed you how I suffered the scourging, the crown of thorns, the carrying of My cross, and the nails in My hands and feet. After I died, they even speared Me in the side where blood and water came forth. All this suffering I did on one day, but on the third day I resurrected from the dead to prove to My apostles and the world that I truly had risen and I was God's Son. As Holy Week approaches you can go through another enactment of the first Mass on Holy Thursday, the veneration of My cross on Good Friday, and the celebration of My Resurrection on Easter Sunday."
Jesus said: "My people, at My refuges I am going to prepare a place for everyone to stay in your own dwelling. Some people do not want to think of how hard it will be to leave your comfortable homes and come to an unknown place at My refuge. Do not worry or have any fear of where you will stay because My angels will feed you daily Communion, provide food and water, protect you, and provide a place to stay. As more people come to My refuges, I will have My angels replicate any buildings on the grounds so everyone will be accommodated. Be grateful for My angel protection from the evil ones, and My healing of your ailments by My luminous cross and My miraculous spring water. This tribulation time will test your faith, but those, who read My words in My Scripture and My messages, will see the glory of My defeat of the Antichrist. Rejoice that you are living in this time when you will soon receive your reward in My Era of Peace."

April 23, 2011

Thursday, April 14, 2011:Jesus said: "My people, you are familiar with how to send packages to a destination, and that extra charges are made for a faster delivery. Traveling by airplane should arrive sooner than by ground transportation. In the spiritual life there are also means to speed up the delivery of your soul to heaven. After you die, your soul meets Me for your particular judgment for your sins. The purer your soul is, and the less remission for sin that you have, the less purgatory time you will need to enter heaven. You can even follow the Divine Mercy Novena promises to have all remission for sin forgiven. You may also place Masses for yourself in your will, or have people offer Mass intentions for your soul. Prayers and Masses can also speed the delivery of your soul to heaven. I desire all souls to be with Me forever in heaven, but My justice also needs to be satisfied in purging any punishment due for sin or worldly desires from your soul in purgatory. I am showing you the way for yourselves and others to arrive more quickly into heaven from purgatory. Please remember to have Masses and prayers said for the dead in purgatory because everyone does not go automatically to heaven after one dies."

Prayer Group:Jesus said: "My people, you have been over in Europe to see that very few people in general are attending Sunday Mass in huge beautiful churches. Many churches are closing and becoming museums. In America you also are seeing churches closed, but you still have a reasonable number attending Sunday Mass. Pray that young families will keep your churches vibrant with new members."

Jesus said: "My people, America consumes 25% of all available fuel sources all over the world. Since you are the biggest consumer, America needs a serious energy plan, especially now that the Middle East oil is more in jeopardy. You have many places to drill, but the one world people have purposely restrained more drilling so they could threaten your foreign suppliers. America needs more conservation, more drilling, and more fuel efficient cars. Pray for a change in policy before your gas prices will ruin your economy."

Jesus said: "My people, your President wants Gaddafi to leave, but he is not really meaning to use American air power to bring his words about. America is already stretched thin by being involved with three battlefields. America cannot afford spending so much on these wars that have no exit and no winning. Pray more for peace in these areas with less involvement in continuous wars that are

destroying your military."
Jesus said: "My people, there are some who are advocating a balanced budget amendment, but when it comes to reducing the spending or increasing taxes, there is little light for agreement on the basic problems. Wars and unaffordable entitlement programs are bankrupting your country. The $4 trillion in cuts in the budget even over ten years only represents $400 billion in cuts a year with a growing $3.5 trillion budget. Such severe cuts may not even get voted with all the interest groups against such cuts. You need to stop your deficit budgets before you cannot find anyone to buy this extra debt. Pray that a compromise can be found quickly before no one will want your dollar."
Jesus said: "My people, you have been to various countries as Trinidad and Venezuela where oil is being produced and their gas prices are .50 to $1.00/gallon. America could produce more fuels that would drive down these prices. Many of the food and commodity prices are going up because the value of the dollar is dropping. The Federal Reserve easing policy is flooding the world with dollars which is making your currency less valuable. This is counter productive to lowering prices. Your economists are also minimizing the real inflation rate with their manipulated figures. Pray that your leaders would support your currency instead of debasing it."
Jesus said: "My people, Holy Week is next week, and it would be a good meditation to see if your spiritual life has profited from your Lenten devotions. Lent is a good time to work on any problem sins, and to improve your prayer life. If you have not made any improvements, there is still a short time to be serious about controlling your worldly desires and doing what you can to get closer to Me. See all of My suffering on Passion Sunday as the price I had to pay for your sins. When you see how much sin offends Me, then you need to restrain your sins and come to Confession at least once a month."
Jesus said: "My people, you have seen in the past that troubles with cars, houses, and computers are constantly occurring, and they test your peace in having to fix them. You need to try and control your emotions without letting your anger control you. It is when you get upset that you do things that you normally would not do. This is the area where sin enters your life when you have difficulty with your daily trials. Pray to Me to be stronger in your resistance to sin under pressure, and you will be better able to avoid your sins."

May 7, 2011
Wednesday, April 20, 2011: (Camille Remacle Mass intention)Camille said: 'Hello, John, wish everyone a Happy Easter for me as I miss being with all of you at dinner. Carol and the girls always had good things to eat for the Holy Day celebration. The deacon is not the first person who thought my name was a girl's name, but at least he was corrected politely. I feel sorry for all of you who are having a cold spring where even the flowers are not flourishing well. I am praying for all of your souls as I love all of you so much. Give my love to Lydia who is still struggling with pain in her knees. Happy Easter to all of you and wish me one also."
Jesus said: "My people, to have a near death experience is a warning in your life review, but it is even more revealing if you saw yourself condemned to hell in your mini-judgment. When you go through your life review, I will point out to you all of your sinful mistakes and even your habitual sins. This will be a time of remorse and sorrow for your sins that have offended Me. Whatever judgment that I give you, it will be a fair and just judgment that you will accept as true. When I allow you to return to your body, I will be giving you a second chance to change your life for the better. My people need to be ready to die every day because I will chose a day that you least suspect. When I take souls to their death, I am like a thief in the night. Keep your soul ready with at least monthly Confession. Then with a pure soul, you will be ready to meet Me at your judgment on any day that I choose. Daily prayer, daily Mass, frequent Confession, and frequent Adoration visits will be your best preparation for your death. When you follow My Commandments of love and live your life according to My Will, I will prepare a place for you in heaven. When you trust in My Word, I will see to your eternal happiness in heaven."

Thursday, April 21, 2011

May 7, 2011
Thursday, April 21, 2011: (Holy Thursday)Jesus said: "My people, you can

remember when two women washed My feet. The first was a sinner whom I healed with My forgiveness of her sins. She was more caring of Me than even the host of the house that I was in. The second washing was by Mary, the sister of Lazarus. She wiped My feet with an expensive ointment, but this was to be for My burial. After the Last Supper or Seder Supper, I unexpectedly washed the feet of My apostles to show them that those who desired to be first, must be the servant of the rest. This was the example that I gave to My apostles of not only helping people physically, but they were to be fishers of men by converting souls to My teachings of love. At first the apostles were hesitant, but once I gave them the grace of the Holy Spirit, they went forth as I asked them. I call all of My faithful to share their healing gifts of physical help and the conversion of sinners. Do not be afraid, but call on the gifts of the Holy Spirit, and He will give you what to say to save souls."

Friday, April 22, 2011

May 7, 2011
Friday, April 22, 2011: (Good Friday)Jesus said: "My people, this day that you honor is the culmination of My redemption of all mankind. I took on a human nature so I could suffer everything that you suffer in this life, and ultimately out of love, I gave up My life to ransom your souls from your sins. This is why it is so important to have a large crucifix in the center of the altar, so you can remember how much I love all of you. Many have come to believe in Me, and these feast days honoring My death and Resurrection, are the most solemn of holy days. Give praise and thanks to Me for dying for your sins. You can show your love for Me by following My Commandments so you can keep your soul pure and united with Me. Even if you should fall into sin, I will forgive you in Confession. Now, you will wait until the third day for My Resurrection, even as I foretold this to My apostles. It is My Resurrection that gives hope to every person for everyone's opportunity to be resurrected one day."

Saturday, April 23, 2011

May 7, 2011
Saturday, April 23, 2011: (Easter Vigil)Jesus said: "My people, you are

celebrating My Resurrection as you are singing Alleluia for the first time since Lent began. Just as I resurrected in My glorified Body, so all souls that are worthy of heaven, will be reunited with their glorified bodies after the final judgment. This is the reason for showing you this vision of angels dressed in gold because you will all be like angels in heaven. You will sing praises to Me, and your love will always be focused on Me. Rejoice in this Easter Season because I have given you an example both in My suffering and in My Resurrection. Every time you are suffering, you can unite your suffering with Mine on the cross. When I appeared to My apostles, they rejoiced to see My power even extended over death and sin. I take many bad situations, and I turn them into good results. So see My victory over Satan as a hope that with My help, you can overcome your imperfections as well."

Sunday, April 24, 2011

May 7, 2011
Sunday, April 24, 2011: (Easter Sunday)Jesus said: "My people, you have just recited your Creed of faith in Me, and you heard that I went to a place of the dead. On the third day I rose from the dead, and I welcomed many worthy souls into heaven as I opened the gates of heaven. You were seeing thousands of souls going up into heaven. Even on such holy days as today, many souls are released from purgatory. Give praise and thanks to Me for My death on the cross that has brought salvation to all of mankind. It is by My sacrifice that you have been washed in the Blood of your Savior and freed from your sins. You are all promised heaven for those who obey My laws and accept Me as Master of their lives. Rejoice and enjoy this Easter Celebration."

Monday, April 25, 2011

May 7, 2011
Monday, April 25, 2011:Jesus said: "My people, during My ministry I raised Lazarus and a little girl from the dead, but most people did not even understand what rising from the dead meant. Even though I brought some people back to life, no one had ever raised themselves from the dead. This was hard for most people to accept. Yet, I appeared to My apostles and the women to show them

My wounds and that I could eat and drink as a live living Person. My Resurrection gave hope to My apostles and to all sinners that there is a life after death. It is this hope and faith in Me that allows you to carry on in this life because you are doing everything to follow Me to heaven. Rejoice also in sharing My gift of faith in My death and Resurrection with everyone."
Jesus said: "My people, this vision of a damaged plane at an airport is a very real possibility as you saw damage to a St. Louis airport. Your bad weather problems have been following a track from Texas to the Northeast as fronts move across your country picking up moisture from the Gulf of Mexico. Because these patterns are being repeated, you have seen twice as many tornadoes than normal in April. Tornadoes could continue at this high level through May, since May on average has more tornadoes than April. The amount of rainwater has also been excessive where many areas have received twice their normal rainfall. More tornadoes are destroying homes and workplaces, and floods of overflowing rivers could add to this damage. It is known that the HAARP machine can make weather more violent, and can cause flooding from continuous rainstorms. The one world people are using this machine to cause damaging weather and damaging earthquakes. This is part of Satan's plan to reduce the population and ruin national economies in order to set up a one world government. Created banking crises and deficit spending are other means to bankrupt your country. Disruption in the Middle East countries with continuous wars in the oil countries is another means to cause high gas prices to bring down world economies. When you realize that most of these problems were created on purpose, then you can realize how close you are to the tribulation under the coming Antichrist's power. Satan and the one world people are bringing these conditions about very quickly. Be prepared to leave for My refuges when I warn you that it is time to go."

Tuesday, April 26, 2011

May 7, 2011
Tuesday, April 26, 2011:Jesus said: "My people, I truly did have compassion on Mary Magdalene because she seemed so confused by My disappearance. Not only My apostles, but almost everyone did not fully appreciate what 'rise from the dead' meant. St. Peter remembered My promise after the third day, and the empty tomb had confirmed the story that the women told. Still when the apostles heard the testimony of the women seeing an angel, and Mary telling them that

she had seen the Lord, they did not want to believe them. When the two disciples met Me on the road to Emmaus, they gave witness to seeing Me when I broke the bread before them. The apostles still refused to totally believe in My Resurrection, even with this testimony. It took My appearance to them in the upper room to have them fully believe that I had resurrected. So when My faithful try to evangelize souls and tell them of My Resurrection, do not be surprised that converts may take some time to understand fully this belief in My rising from the dead. Even My apostles required the grace of the Holy Spirit to understand My rising from the dead, and the significance of My salvation history. Be grateful that My faithful have received My gift of faith so you can believe in My Resurrection, even without seeing My resurrected Body. I told My apostles that they believed because they saw My resurrected Body, but blessed are they who have believed without seeing Me."
Jesus said: "My people, America needs to cut its yearly deficit by some mix of taxes and spending cuts. Your deficit this year is $1.6 trillion, and even if $4 trillion was cut over ten years, you still would see your National Debt rising $1.2 trillion/year. Some politicians are talking big reductions in spending, but there are very few details of where these cuts will be made. If some serious cuts are not made, then your Treasury Bonds will have a lower rating than AAA. Countries as Greece and Portugal are paying more interest on their loans because of their lower bond rating. To get this money they had to make austerity budgets that have caused riots in their countries. This is the same future that America will face if lower deficits are not put in place. Austerity budgets would be even worse than the cuts that you need to make now. By not having a reasonable compromise on deficit spending, America will be faced with bankruptcy. Time is running out to make the right changes, regardless if some people have to take less payments in their entitlements. The tax income cannot support your future obligations, so there is no other choice than to reduce these payments, and have less paid for wars that you cannot afford. Pray that these issues are truthfully addressed without further mortgaging your children's future."

Wednesday, April 27, 2011

May 7, 2011
Wednesday, April 27, 2011: (Road to Emmaus)Jesus said: "My people, it is a joyous time to read the first accounts of how I appeared to people to prove to

them that I truly arose from the dead. This account of explaining the Scriptures to two of My disciples on the road to Emmaus is especially touching. They were downcast at first, but they were amazed at the stories of the women who saw angels and even one saw Me alive at the tomb. After talking to My disciples about the Scriptures on the way to Emmaus, then they recognized Me in the breaking of the bread. They said: (Luke 24:32) 'Were not our hearts burning within us while He was speaking on the road and explaining the Scriptures to us?' This joy in their hearts was overwhelming them to see Me alive again in the flesh. Those, who read this passage, are also touched with My loving care for My disciples, by enlightening them to My salvation history. Once My disciples saw the whole picture of My mission, they realized how blessed they were to see everyone's sin atoned for by My death on the cross. All souls were now able to be forgiven and allowed into heaven. This joy so consumed them that this is why their hearts were burning for love of Me."
Jesus said: "My people, after seeing the daily tornado damage and the lives lost, your heart goes out to all these people that have had their lives ruined. When you look back on the track and violence of these storms, they appear to be striking the same general area almost every day. When you see this cycle repeated so many times, you ask yourself what could be causing more tornadoes than normal. You know that this pattern fits the type of effects that can be caused by the HAARP machine, but it is difficult to show a real link. This may require some more research into how this machine is being used. Tornadoes occur during this time of year, but you need to compare this year with previous years for the numbers and amount of deaths. Pray for all the people who are losing their homes and loved ones."

Thursday, April 28, 2011

May 7, 2011
Thursday, April 28, 2011:Jesus said: "My people, your personal morning preparations may vary from person to person as some people are more particular about their physical appearance than others. I pray that My people should be as particular about their spiritual appearance in front of Me. When you awake in the morning, you should think to say your morning offering prayers first. I have to look at many souls which are darkened by much sin. You spend some time before a mirror in preparing your physical appearance. I wish everyone had a

spiritual mirror to look at the spiritual appearance of one's soul. This takes some meditation time to review your past sins. Make more of an effort to see the need for frequent Confession at least monthly. Once you take time to have your sins cleansed, then you will have a nice pure soul that is more pleasing for Me to look at. If you had to look at all the sinful souls that I see every day, you would understand why your spiritual appearance needs a lot more attention than your physical appearance."

Prayer Group:Jesus said: "My people, just as I had to suffer and die on the cross, so all of My faithful have to suffer their Good Friday before they can be resurrected. Everyone has to suffer the trials of this life with sickness, the stress of working, and eventually you are called to die. You will be separated from your body, but your soul lives on forever. It is your goal to follow My Will and My mission for you on earth. By doing so out of love for Me, you will have My promise of being united with your body in heaven after the final judgment."

Jesus said: "My people, you have had some cold weather that has delayed your spring flowers. When you see all the beautiful flowers on the altar, it lifts your spirit as you are celebrating the Easter Season. These flowers are a sign to you of new life, which is also a blessing to celebrate any spiritual renewal that you had from your Lenten devotions and fasting. Some self-denial of the body is good for the soul in controlling the desires of the body. Continue to work on any sinful habits that need rooting out of your life."

Jesus said: "My people, you have read accounts of many of My miracles that were signs of My Divinity. The most significant miracle is when I arose from the dead and I was victorious over sin and death. My apostles witnessed many miracles of My appearances, and they realized that I had a real body with My wounds. This gift of healing miracles was also granted to My apostles who healed the lame man and others. Even today there are faithful who are granted healing gifts. The most important thing to remember in healing people is that all healing comes through My Name."

Jesus said: "My people, believing in My death and Resurrection is one of your basic beliefs in Me, and this makes you a part of My Easter people. With the joy of My Presence with you in My Blessed Sacrament, you are enabled with My grace to share your faith in evangelizing souls. Not only are you called to assist people with their earthly needs, but also you need to be concerned for their spiritual needs as well. Saving souls from hell should be your most important task."

Jesus said: "My people, you could see the destructive tornadoes destroying

everything in their path. It is unfortunate that so many died from these storms, in addition to the homes that were ruined. Many aid groups and financial aid will be needed to clean up the debris and rebuild the homes for people to live in. Some can send donations, water, and food for immediate aid. Pray for these survivors so they can get back to where they were."
Jesus said: "My people, even when you are tested with these natural disasters, you see many neighbors reaching out to help each other. It is the charity in your hearts that comes forth to do what you can to assist the many homeless people. It is this love of neighbor that will be needed for these people to be enabled to move forward with the rest of their lives. You all have basic needs, so you realize what these people need right away. By showing your charity to help your neighbors, you will receive My graces as your reward. When you help your neighbor, you are helping Me in them out of love."
Jesus said: "My people, the graces received on Divine Mercy Sunday are meant to remove all reparation due for your sins. There are Divine Mercy prayers and Confession that are required for this grace. Take advantage of My Divine Mercy that St. Faustina has taught you about My image. Remember your three o'clock prayers throughout the year as well. Call on My mercy to help you in confessing your sins, and to help other souls in their conversions."

May 7, 2011
Friday, April 29, 2011:Jesus said: "My people, in today's Gospel you are seeing My third appearance to My disciples after My Resurrection. My apostles went fishing in Galilee as their old profession, but they did not catch anything. This is a lesson for many people who are searching for a direction in their lives. At times your mission is not clear what I want you to do. It is in your need that you can call on Me, and I will show you the way, as I showed My disciples where the catch of fish was to be found. With My help they always were successful in their fishing attempts. They were always amazed as well at the enormous generosity of My help. This is why you need to pray for My help in all of your work that you need to live by. At the same time I also help clarify your mission, and I give you the grace to accomplish it. Until you give your will over to Me, it is hard for Me to use your skills. So seek what I want you to do in this life, instead of going off on your own. Let Me be the center of your life, and you will be amazed as

My disciples in what you can accomplish."
Jesus said: "My people, America is going to be cracking up from many severe natural disasters. You are just beginning to see the magnitude of the scientific weapons at the disposal of the one world people. These evil ones can cause 9.0 earthquakes wherever they please. They can manipulate weather to cause killer tornadoes, droughts, or floods. If they desire, they can bring down any country to its knees. These same evil ones also control the world's money through national central bankers. America is on the brink of a financial collapse that these evil ones control in your debts and deficits. These same one world people are also proposing to make it mandatory that chips are to be placed into everyone so they can control your minds. Ultimately, they want to make America a part of the North American Union which will then be a short step away from total control under the Antichrist's reign. Once you see massive earthquakes that could trigger martial law, the fall of the dollar, and mandatory chips in the body, then it will be time to call on Me to have your guardian angels lead you to My nearest refuge of protection. The evil ones will have a brief reign of power until I will bring My Comet of Chastisement to vanquish all of them into hell, and bring My faithful into My Era of Peace."

Saturday, April 30, 2011:Jesus said: "My people, I am showing you My Heart with flames that represents My constant love for all of you. You heard of My disciples on the road to Emmaus and how there hearts were burning with love for Me. Today, My flames of love go out to all here present so your hearts will burn with My love. Think of My love as an eternal flame. As you received Me in Holy Communion, so My graces are also being showered over your souls. This mixture of grace and love is preparing you for receiving My mercy on your souls tomorrow on Mercy Sunday. Give praise and thanks to Me for all the beautiful gifts that I share with you in love. This beautiful weather is truly another blessing and a sign of how much creation gives honor to Me."

Sunday, May 1, 2011: (Divine Mercy Sunday)Jesus said: "My people, you have recently seen some considerable damage from tornadoes in your Southern states. This vision is about a future natural disaster that will be caused by a major earthquake in California. In the vision there is wreckage all around and many people are fleeing over a damaged bridge to avoid more damage from any after shocks. I have warned you that a large earthquake is coming in the San Francisco area in several messages. This is one more warning that this event is getting close. I have shown you some dramatic geographical changes that will be coming to the California coastline, and many people will be fleeing to get away from the ocean. Parts of San Francisco are going to be falling into the ocean. It is better to relocate away from where these fault lines are known to be active. Pray for the souls that could die unexpectedly in this coming earthquake."

Jesus said: "My people, you have just witnessed a royal wedding in England, but today's vision is about being invited to My Wedding Banquet in heaven where I am the Groom and My Church is My Bride. In order to come into My feast, you all need to have the proper wedding garment which is that of a pure soul. You are celebrating My Divine Mercy on this Sunday within the Octave of Easter. When you pray your Novena prayers, and confess your sins in Confession, you receive a special grace that takes away all remission due for your sins. It is this purity of soul that will be the required wedding garment that will allow you into heaven to share in My Wedding Feast. You have seen how proper this royal wedding was in earthly terms, but in heaven you will be giving thanks and praise to Me all the time, and you will hear My angels singing beautiful hymns constantly. Many of you may have to be purified in purgatory, but all of My faithful will rejoice when you will see the risen Lord in My beatific vision in heaven. Be patient now, and call on My help to keep you on the right path to My Wedding Banquet."

May 7, 2011

Monday, May 2, 2011: (St. Athanasius)Jesus said: "My people, in today's reading with Nicodemus I told My disciples that they had to be born of the Spirit. This did not mean to be born again of the flesh. (John 3:5,6) 'Jesus

answered: 'Amen, amen I say to thee, unless a man be born again of water and the Spirit, he cannot enter into the Kingdom of God. This which is born of the flesh is flesh; and that which is born of the Spirit is spirit.' When you are baptized and confirmed, you receive the indwelling of the Holy Spirit. It is by the power of the Holy Spirit that you can evangelize souls. When I met My disciples after My Resurrection, I breathed the Holy Spirit upon them. (John 20:22,23) 'When He had said this, He breathed upon them, and said to them 'Receive the Holy Spirit; and whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained." After I ascended into heaven I sent the Holy Spirit upon My disciples from a large wind. (Acts 2:3,4) 'And there appeared to them parted tongues as of fire, which settled upon each of them. And they were all filled with the Holy Spirit and began to speak in foreign tongues, even as the Holy Spirit prompted them to speak.' So it is with My disciples of today. You can call on Me and the Holy Spirit will give you the words to evangelize souls. Rejoice in the Spirit who will lead you to heaven." Jesus said: "My people, with this vision you have a feeling of how evil has pervaded many people and things, which is why you are seeing so many black objects. Yet, when you see My Light, I take away any fear, as you know My power is greater than all the evil ones combined. There are still a lot of good people in the world, but some have allowed themselves to get lazy in dealing with their spiritual lives. People need to realize that you are in a daily battle with the demons, and you cannot go on vacation, or let up in fighting the devil, or you will be consumed by evil. In order to fight the evil ones, you need to guard yourself against every temptation, and be true to your daily prayer life. By staying close to Me with your sacramentals and prayer devotions, you can keep these evil ones from influencing you, and I will send My angels to protect you. Trust in My daily protection, and work to witness your faith in converting souls to follow Me. When you pray together, you are building up your spiritual strength with My help. Give praise and thanks for My being a part of your life, and for having a loving relationship with Me."

May 7, 2011

Tuesday, May 3, 2011: (St. Phillip & St. James)Jesus said: "My people, in order for Me to come into your hearts, you need to unlock your heart with your free

will as the key so you will be open to receive Me. Many people want to be in total control, and they are afraid to accept Me as Master of their lives. They know if they have to change their lives, it will mean giving up the pleasures of this life which they have made their god. In order to desire opening their hearts, they need to want to improve their spiritual life on their own, or they may need to have people pray for their conversion. Once people can unlock their hearts to Me of their own free will, then I can enter and forgive their sins, and grant them the graces to come to know and love Me. It is this love relationship with Me that is necessary for all souls to come to heaven. St. Thomas asked Me where I was going, so I responded: (St. John 14:6) 'I am the way, and the truth, and the life. No one comes to the Father but through Me.' I am sent by My Father to bring all souls to heaven, which is why I came to die for all of mankind's sins. So by opening your hearts to Me, I will give you the grace to be purified enough to enter heaven. It is this humble way of letting Me be the Master of your life and seeking My forgiveness that will bring you into heaven."

May 25, 2011

Wednesday, May 4, 2011:Jesus said: "My people, several times St. Peter and St. John were arrested when they cured a lame beggar, and when they preached My Name in the temple. In today's reading an angel let them out of prison from locked doors, and they walked past the guards. Once they were arrested again, a Pharisee, named Gamaliel, spoke up and told the Sanhedrin to not have anything to do with the apostles. He said: (Acts 5:38,39) 'So now I say to you, keep away from these men and let them alone. For if this plan or work is of men, it will be overthrown; but if it is of God, you will not be able to overthrow it. Else perhaps you may find yourselves fighting even against God.' They scourged the apostles, but the apostles were rejoicing to be counted worthy of suffering to defend their teaching in My Name. Even your own mission of preparing the people for the coming tribulation has been allowed to be distributed, even despite some criticism and persecution thrown in your path."

Jesus said: "My people, ask yourself why you desire to be rich in this world's goods. Some people desire riches so they will have all that they want and need in this life without depending on anyone. Whenever you depend on yourself for everything, you come up short of all that you need. When you realize that you

are dependent on Me for everything, you become rich in a spiritual way. Many of My saints purposely gave up all of their family wealth so they could be totally dependent on Me. When you are rich in the world, you do not gain by the purification of unknown trials in your life. It is dealing with your trials that can improve your spiritual life. Not only do you depend on Me for everything, but you put your trust in Me that I will protect you from any evil influence. When you do battle with the demons, you need to call on My Name for all the good angels that give you support in your need. So do not be fearful or anxious where your next meal is coming from, or how you will be dressed, or where you will stay for shelter. I know all of your needs before you do, so I will grant you your necessities every day. Give Me thanks and praise for all of My gifts to you because I shower you with My abundant graces every day."

May 25, 2011

Thursday, May 5, 2011: (Mass for Nadia Matunow)Jesus said: "My people, My apostles St. Peter and St. John in the reading were like the loudspeakers in the vision continually proclaiming My death and Resurrection, even though they were in danger of being killed. The Word of the joy of My Resurrection is even trumpeted by the Easter lilies in nature, as well as all the spring flowers that are announcing My revelation of new life. On sunny days you can fully appreciate all the beautiful colors in the flowers of My creation. I announced this faith in new life when I raised Lazarus back to life. (St. John 11:25, 26) 'I am the Resurrection and the Life; he who believes in Me, even if he dies, shall live; and whoever lives and believes in Me, shall never die.' In the same way Nadia believed in Me, so she also will have her soul live with Me for all eternity. Then on the last day of judgment, all faithful souls will be resurrected with their glorified bodies. My death and Resurrection is not only a victory over sin and death, but it is My promise of Resurrection for all souls who believe in Me. Rejoice in the full meaning of this glorious Easter Season."

Prayer Group:Jesus said: "My people, you are seeing one natural disaster occurring after the other. You are picking up after some extensive damage from some severe tornadoes. This event came right after the major 9.0 earthquake in Japan. Now, you are seeing continuous brush fires in Texas because they are experiencing the worst droughts that they have seen in many years. Because of

considerable rainstorms in the middle of America, you are now seeing some severe flooding along the Mississippi River where they had to open some levees to divert more flooding from down the river. Pray that these disasters will stop so the farmers can plant their crops."
Jesus said: "My people, one miracle has come forth to help Bl. John Paul II in his beatification that was just recently carried out by Pope Benedict XVI. If more miracles can be verified, he will be pushed along on his way to sainthood. The Church takes its time to verify any such miracles. Many people pray to Bl. John Paul II for help and he is loved by many."
Jesus said: "My people, the political campaign for your next Presidential election is already starting for both Democrats and Republicans. Many are making criticisms of some candidates over where they were born. This issue of birth certificates and the reported killing of Osauma Bin Laden has filled your media reports with many stories. It is hard to determine the truth of these events because your media is censored and full of much disinformation. The one world people will use whatever is available to further their goal of a one world government. Worldly politics will continue to be controlled, so pray for discernment in finding the truth behind the daily reporting."
Jesus said: "My people, I have told you in several messages how My Church will again face a division between a schismatic church and My faithful remnant. I will always protect My Church from the gates of hell. The schismatic church will be teaching New Age principles which are really a pagan worship of earthly things. Guard your souls by praying for discernment if your own local church is following New Age ways. If you find such New Age infiltration, try to get rid of it or leave for a faithful church."
Jesus said: "My people, many have falsely believed that everyone who dies will go to heaven. This is reserved for true saints or those who have suffered their purgatory on earth. Of those who do not go to hell, many require some amount of purification in purgatory. This is why it is very important to have Masses and prayers offered up for the deceased in order to help their release from purgatory. Masses and prayers for the deceased are the most valuable thing that you could do for these souls, and not just a donation to some charity."
Jesus said: "My people, it would be valuable for every soul alive today to learn more about how the forces of good are battling the forces of evil. If you do not recognize evil in abortions, pornography, and many New Age occult practices, then it will be difficult to root them out of your lives and your churches. Reiki, Yoga, and other means of transcendental meditation are bringing curious souls

into occult practices. Ouija boards, tarot cards, psychic readings, and Harry Potter movies and books are more subtle means of misleading people into evil practices. Use holy water, blessed salt, rosaries, scapulars, and blessed medals and Benedictine Crosses to protect yourself from demonic activity. Call on My Name if you are attacked by evil, and keep close to Me in My sacraments."
Jesus said: "My people, during Lent you did some self-denial and fasting to help improve your spiritual lives. Now that you are in the Easter Season, do not let your guard down when it comes to your prayer life. You need to pray and fast throughout the year in order to restrain your body from sin, and keep your soul strong against the devil's temptations."

May 25, 2011
Friday, May 6, 2011:Jesus said: 'My people, I want to emphasize in today's reading about the multiplication of the bread and fish in how generous I am in both My physical gifts and My spiritual gifts. In this feeding of the 5,000 men, you read of how they collected twelve baskets of fragments that were left over. Not only was this a lesson in not wasting food, but it also shows you how generous I am when I provide for your necessities. This was the physical food to sustain the crowd from starving in a deserted place. This story of the bread is also a representation of how I feed My faithful with the consecrated bread and wine which are My Body and Blood in Holy Communion. In the Mass I feed My people spiritually as well with the abundant graces of My Blessed Sacrament. I only ask that My faithful receive Me worthily with a clean soul. You can cleanse your souls in Confession where I forgive your sins through the priest's absolution. Then with a pure soul, you can worthily receive My graces in Communion. My sacraments of grace are always available to you, so take advantage of this opportunity to be blessed every time that you come to Mass. Do not be lazy by not coming to frequent Confession, but be strong in your faith by coming to Confession at least once a month. By keeping close to Me in My abundant graces, you will have the spiritual strength to fight off the evil one's temptations."
Jesus said: "My people, I am grateful for all of your prayers tonight while you spend time with Me in Adoration. Celebrating an hour for Divine Mercy is also rewarding to you as you receive My mercy for praying My Chaplet of Divine

Mercy. You know that I am always with you, and this miraculous picture in your possession shows My foot and even some of My robes. This is a witness to you of My constant Presence with you, and also a sign of how important My Divine Mercy devotions should be for everyone. St. Faustina has shown you the way to My mercy, and especially My graces are given to you when you pray in front of My Divine Mercy image."

May 25, 2011

Saturday, May 7, 2011:Jesus said: "My people, this vision of driving a car has some similarities to how you guide your soul in your spiritual life. You try to keep your car in the right lane on the main highway to avoid any bumps or accidents. So in your spiritual life you need to follow the narrow road to heaven instead of the broad road to hell. When possible, you need to avoid any detours that could lead you into addictions of sin. You also need to maintain your car with gas and good brakes, or your car may not run. In the soul you need to cleanse it with Confession, and feed it with the bread of Communion. In the car you need to obey the rules of the road in your speed and not running red lights. In your soul you need to obey My Commandments and My Church laws for keeping your soul pure. Using this analogy of your car and your soul is just one example that you can use to improve your spiritual life."

Jesus said: "My people, in older days before electricity, life was much different than today with all of your electronic gadgets. Back then, they used lamp oil or kerosene for lights. They had outhouses and true iceboxes, as well as wood stoves for heating and cooking. I am showing you this older lifestyle because most of your refuges will not have electricity, so you will need to get used to living without many of your modern day conveniences. You will be living in refuge communities where you will help each other to survive. I will multiply food and water, but you will still have to prepare things to eat. My angels will give you daily Communion, and you will have more time to pray without TV and reading material. You will have your Bible, and holy books, as well as your rosaries. This slower paced living is more of a lifestyle that will allow you to lead holier lives. Be grateful that most of your earthly distractions of money, possessions, and fame will be taken away. This will be your living purgatory on earth during the tribulation, but I will protect you and provide for your needs."

May 25, 2011

Sunday, May 8, 2011: (Mother's Day)Our Blessed Mother said: "My dear children, I am your Blessed Mother, and I treasure all souls as my children. I put my mantle of protection around all of you, and I especially love those who wear my brown scapular and pray my daily rosary. You all are thinking of your earthly mothers today, even those who have visited your mother's grave at the cemetery. Remember all mothers and pray for them, especially mothers that are deciding about abortions. Keep praying for these mothers to have their children, and have them appreciate how precious each life is. As you see these beautiful children who are receiving their First Holy Communion, remember that you need to have pure innocent souls in order to enter into heaven. Whatever it takes to change your life to a child-like soul, you need to give up any lifestyles that may be holding you back from my Son. You need a life of daily prayer, frequent Confession, and Mass and Communion as often as you can. In this way my Son's graces can keep you on the right road to heaven, and loving our two hearts."

Monday, May 9, 2011

May 25, 2011

Monday, May 9, 2011:Jesus said: "My people, this vision of people taking free bread rolls from the back of a truck, reminds you of the people in My time who were seeking more free bread and fish from My multiplication of these things. You have such programs for the poor in welfare situations which were intended for the old, the infirm, or handicapped that could not physically work. Instead, now there are even young people who can physically work, but they are looking for free handouts out of laziness. Even in the Scriptures of My early Church, some talked of no supper for those who did not work. People should at least seek what employment is available before asking for free handouts. It is better to help people to find work so they can support themselves, than to ruin a person's self-worth with handouts for no work. I multiplied the food because I took pity on the people for being with Me for days in a deserted place. My real message was more for their spiritual lives with My Eucharistic bread to feed their souls. This

is why these miracles of multiplying the bread are to draw attention to how I share My Body and Blood in Holy Communion. I freely give My sacraments of grace to My people because you need to come to Me for graces in your souls."
Jesus said: "My people, right after the Japanese earthquake and tsunami, the Japanese reactor lost power for its cooling, and a considerable amount of radiation was released. This caused a large evacuation of twenty miles, and this was headline news for several months. Now that this reactor is no longer making headlines, there are still questions over how much radiation is still leaking, and how long until people can return to their homes. This even was rated as bad as Chernobyl by the total amount of radiation given off. Some research might be in order to see if any more information is available, and who is monitoring any ongoing radiation leaks. These reactors may be hot for some time, and they may have to be sealed in concrete like Chernobyl. See what the long term plans are for this radioactive site."

Tuesday, May 10, 2011

May 25, 2011
Tuesday, May 10, 2011:Jesus said: "My people, in today's Gospel you have a parallel of the manna of the Exodus in the Old Testament with Moses, and the Bread of the Eucharist that I feed you in the New Testament. In the Exodus this manna was meant for physical survival, but in My Blessed Sacrament, you have the spiritual Bread for your soul. There is also a further parallel in the coming tribulation time when you will be experiencing a modern day Exodus as you seek My refuges of protection. At My refuges My angels will feed you My daily Communion so you will be fed both physically and spiritually. Even some of My saints have survived on receiving only My Holy Communion. Rejoice when you receive Me as the Bread of life, for whoever eats My Body and drinks My Blood, will have eternal life."
Jesus said: "My people, during the course of your life I will give you many opportunities to help people in need. You may be asked to help feed those who are hungry, or help others find a place to stay for shelter. Sometimes you may be called on to visit the sick, the elderly, or those in prison. Other times you may be asked to help those who are shunned by society. You always have a choice to do something, or reject My call, but those who go out of their comfort zone to help

others, will be storing up graces in heaven. There are sins of omission where you could have helped someone and you refused. Be observant when you have these opportunities, and take advantage of a chance to help someone. You may need someone's help later on, and you will appreciate a helping hand. Do not refuse someone some help just because society does not want to help them. Be open to share your time, and physical, or financial help as well."

Wednesday, May 11, 2011

May 25, 2011

Wednesday, May 11, 2011: (Roger Poisson Mass)Jesus said: "My people, in the Acts of the Apostles you have read how Stephen was stoned to death because of his preaching of My Word, and the Jews could not debate him. The early Christians had to endure persecution by the Jews, even as I had to suffer. This persecution has been ongoing even in your time, but it will get much worse in the coming tribulation. The other apostles and the deacon Philip also were given power by the Holy Spirit to cast out demons and to heal paralytics and cripples. It was these outward signs of healing that gave witness to the truth of My power in My disciples. The people recognized this power and many were converted to the faith. There was great joy in the city of Sumaria as a result."

Jesus said: "My people, you have had a Democrat controlled White House and Congress for the last three years. In that time frame legislation has occurred favoring abortion and a health plan that was intended to mandate chips in the body. This government has also turned more socialist and is running up major deficits because of the recession, unemployment at high levels, and ongoing wars. Since the last Congressional election, this agenda has slowed down, but the deficit spending is still continuing. If America does not change its deficit spending with the next crisis over raising the debt ceiling, then the credit worthiness of the dollar will be in jeopardy. There are continuing debt problems in Greece and other countries which are a warning to America to get its financial house in order. As you see these other countries getting close to bankruptcy, you can see the same threat coming to America. Pray that your leaders will understand the immediate need to change your spending ways before it is too late."

Thursday, May 12, 2011

May 25, 2011

Thursday, May 12, 2011:Jesus said: "My people, today's reading about Philip teaching the Ethiopian eunuch about Me in the Scriptures is a good example of how evangelists can bring people to conversion. Not only did Philip explain the prophesy of Isaiah as referring to My ministry and fulfillment of Scripture, but he also baptized the eunuch into the faith. This is the same ministry for all of My faithful to bring people the knowledge of the faith, and to lead people to the sacraments through the RCIA teaching for converts. I have mentioned before that saving souls is your most important work. In the Gospel of John I continually tell people that they can only have eternal life in heaven through Me. Your own mission not only brings My Word to the people, but you are also led to prepare the people for the coming tribulation. My refuges of protection will be the safe havens for My faithful to stay during the tribulation of the Antichrist. Rejoice that you will see My victory soon over the evil ones, as I will bring you into My Era of Peace."

Prayer Group:Jesus said: "My people, part of the reason for your high unemployment rate is that your corporations have sent many of your good paying jobs overseas. Many of your corporations cannot compete with cheap foreign labor because many foreign nations do not play with fair rules. China uses slave labor with little or no benefits, and they manipulate their currency to their advantage. Japan sells and manufactures things in other countries, but they do not allow other nations to make products there. Without a strong manufacturing base, America is slowly becoming a third world country. The one world people are slowly destroying America with unnecessary wars, false banking crises, and many other means to destroy your economy. Be prepared to go to your refuges when martial law comes."

Jesus said: "My people, your natural disasters as tornadoes and excessive rainfall have caused extensive damage and floods all along the Mississippi River. The heavy rains are also keeping farmers from planting their crops. Many crop forecasts are already losing for this year, which puts a strain on available food supplies. Pray that your crops can recover so your economy does not get worse."

Jesus said: "My people, many of your raw materials and transportation are increasing in cost, and now your stores will be forced to pass on this increase. Your economy is improving and there is some room to pay for these increases. Your government has been adding money into circulation which devalues your

dollar. Salary increases are not keeping up with expenses, and Social Security has also been stagnant. This pinch on the average person will reduce any family spending beyond necessities. Pray for your people who are having hard times, especially the unemployed."

Jesus said: "My people, you have many demands placed on you just to survive and help your family members in need. With faith and joy in doing everything for Me, you have a much better attitude in how to deal with life's trials. Those, who do not rely on Me or on prayer, are carrying twice the burden. When you are stressed, take time to be quiet with Me in prayer and call on My help to deal with your problems. Each family needs to help each other out of love to give support with financial problems. You also need to encourage your family members to come to Sunday Mass and rely on Me in their daily prayer life. Keep close to Me and I will help you in all of your needs."

Jesus said: "My people, after a long cold winter, it is a joy to see all of the spring flowers dress up your yards and parks. Some may suffer from pollen allergies, but the beauty of My creation will lift up your spirits, much as the Easter Season lifts up your souls. As other people see you every day, it is a smile on your face that can give joy to those around you. By being loving of each other and Me, you can share your love with strangers to uplift their lives. When you complain and are sad, you have a negative effect on others. Try to be uplifting in all that you do so you are adding joy and love to the world instead of adding to life's problems."

Jesus said: "My people, every Easter you see many new converts who are brought into the Church. My faithful need to do their part in inviting new people into the Church. Even work on your own family members to try and bring back lukewarm Catholics who are not attending Sunday Mass and are not coming to Confession. Keep praying for these souls who have fallen away, and be a good example to them of how a good Christian should live. This is why it is so important to live your faith to keep spiritually strong and show others that your belief in Me is what should be directing your lives."

Jesus said: "My people, many times I have told you that you need to slow down the pace of your life so you have time to listen to Me in prayer. If you spend all of your time with noise and excess activities, you leave no room in your life for Me. This is why it is also better to live a simple life without such an emphasis on buying things and trying to do too much each day. By changing your lifestyle to include more prayer time and spiritual reading, you will not have as many fears and anxieties that can control your life. Follow My way of life and I will lead

you to eternal life in heaven."

May 25, 2011
Friday, May 13, 2011: (Our Lady of Fatima)Jesus said: "My people, in today's first reading you heard the miraculous conversion of Saul into Paul. He was thrown off of his horse and I asked him why he was persecuting Me. Saul was blind for a few days, until he was later healed and became Paul and a great evangelist of the Gentiles. This incident shows you that I am still being persecuted on the cross by your daily sins. Your own calling to spread My Word came after a healing of your computer addiction. Learn from these experiences not to be controlled, but be free to do My work. In the Gospel some of My disciples could not understand, nor accept that they had to eat My Flesh and drink My Blood. This is My Real Presence in the consecrated bread and wine. My faithful believe in My Real Presence and they believe that I died for their sins, but understanding this transubstantiation and My becoming a God-man, these are mysteries for man. Your belief in My Word and My sacraments of grace are all that is needed, along with seeking the forgiveness of your sins."

May 25, 2011
Saturday, May 14, 2011: (Jack Weber's Funeral, Pat Weber)Jesus said: "My people, I know all of you are grieving Jack's death, but he is with Me now after all of his suffering. Jack sends his love to his dear wife, Pat, and all the rest of the family. He was very grateful to all of his care givers in his last years. He was sorry that his family had to bear his memory problems. He also asked the forgiveness of anyone whom he may have offended in any way. He is now in a better place without any more of his health problems, and he will be praying for all of you."
Jesus said: "My people, I have given you messages before how the HAARP machine can be used to cause violent rainstorms that keep going over the same area. In addition to the violent tornadoes, this heavy rain has been directed over the Mississippi River area for an extended period of time. This is why they are

experiencing record floods in this area. If continual rain is directed over this area, it could remain flooded into the summer. This flooding is already causing economic hardship to farmlands and restricted use of barge traffic. In addition to an extended flood, the water over the New Madrid fault could also allow a greasing of a major earthquake. You will continue to see these natural disasters bring America to its knees. Many of these events are also a means of bringing punishment on America for its many abortions and sexual sins. Pray for America that your people see the need for prayer, and a spiritual improvement in your lifestyles."

May 25, 2011
Sunday, May 15, 2011:Jesus said: "My people, all the readings and songs are focused on Me as the 'Good Shepherd'. It is true that you have to depend on Me for everything, even though some do not understand this truth. I know your needs, and I help you through them. There are other shepherd images in your life as well. Your pastor shepherds his flock as well as your bishop, and My Pope son at various levels of the hierarchy in My Church. Even the fathers in the family are usually heads of the household that defend the family financially, and against any other threats. Shepherds have a hard time protecting the sheep from wolves and other predators, and there are no vacations. It is a hard life and not one of high status. Yet, the sheep know the voice of the shepherd, and they follow him. In the same way My faithful sheep follow Me as their Shepherd because I am always watching over you, and I hear your prayers. Trust in Me for all of your needs."
Jesus said: "My people, some of My faithful have been asked to build large refuges, while others are making smaller ones. This vision shows a hard plastic insulated cave dug out of a hill with a camouflaged door. The door had screens for air, with some vents for a wood burner in the ceiling. The plastic would keep it warm and free of moisture and ants. This is similar to having a plastic tent in a cave. There is a need for air in the vents and screens, and water would be needed from a well or nearby stream. These dwellings would be good protection from the weather and cold in the winter. You still may need some warm clothes for places in the ground. Call on Me and My angels to protect you from the evil ones, and to provide you with food and water in this coming time of tribulation."

Monday, May 16, 2011

May 25, 2011

Monday, May 16, 2011:Jesus said: "My people, in the first reading you heard how St. Peter had several visions that confirmed to him that the eating of some meats was not profane. He also was led to Gentile homes so he could lay hands on them. St. Peter answered a call from a centurion to come and bless his household with the Baptism of the Holy Spirit. The faithful with St. Peter also saw the Gentiles visited by the grace of the Holy Spirit. This was the first time that Gentiles were baptized and brought into the Church. St. Paul also was a missionary among the Gentiles. In these readings I want My people to learn that I died for everyone and all are welcome to be baptized into My Church. Even today you should not discriminate other people because those, who accept Me and seek My forgiveness, can be saved. Give praise and glory to Me because I call Gentiles and non-Catholics to come and be saved through Me."

Jesus said: "My people, you need to be aware of the Satan led elite of the rich who run all governments from behind the scenes. These evil ones are planning a new world order through the European Union, the North American Union, and all future such unions. Once they are formed, they will be given over to the Antichrist who will reign for less than three and one-half years. The first plan is the destruction and takeover of the United States. America is well on its way to bankruptcy and martial law. Through your corporations, your jobs were purposely exported to foreign countries under the pretense of cheap labor. This was done deliberately to eliminate your manufacturing base. Your military is being ruined by causing many constant wars to cause your debt to increase. Your currency was debased by the formation of the Federal Reserve and taking the dollar off gold and silver backing. Taking God out of public places, harassing churches with tax preferences in exchange for no political support, encouraging drugs, abortion, and pornography are all part of the culture of death plans. Causing a false mortgage crisis with unsecured loans and derivatives were planned to destroy the money system. Even the HAARP machine and chemtrails are used to cause natural disasters and flu outbreaks. All of these plans have been the means by which the one world people want to bankrupt America and bring it into the North American Union by a created martial law. Be prepared to leave your home with your things when you come to My refuges. You will see

martial law caused by bankruptcy, pandemic viruses, and false terrorism, as well as mandatory chips in the body for health care. Call on My help and My angels to defend you from these evil ones. I will come with My Comet of Chastisement to place all of these evil ones in hell, and to bring My faithful into My Era of Peace."

Tuesday, May 17, 2011

May 25, 2011

Tuesday, May 17, 2011:Jesus said: "My people, today's first reading mentions how the new converts were being called 'Christians' for the first time. Those, who follow Me and obey My laws, should be proud to be called Christians because they are trying to imitate My way of life. Your actions though are the best teacher. If people cannot recognize you as living like a Christian, then you need to live more what you believe. You need to be giving good example to others by being on your good behavior. Think of how others are watching you, so you need to be more conscious of what you are doing in your daily actions. If you love Me and your neighbor, then you need to be more loving and help people in their needs. It is this generous spirit that you need to be able to share in your donations of money, your time, and your talent."

Jesus said: "My people, many protesters have been killed in Syria which is run with a hard hand, much like in Libya. It appears that the Muslim Brotherhood is being used to stir up trouble in many of the Arab countries with oil. The one world people are behind these so-called uprisings for the purpose of shutting down the oil wells in the Middle East in order to raise the price of oil. There is no shortage of oil, but when Saudi Arabia is attacked, the oil price will nearly double. There is plenty of oil in America to be tapped, and even the House of Representatives passed a bill to try and bypass your President's drilling moratorium. (H.R. 1229 passed 263-163) This still will not pass the Senate and the President until the one world people can get a very high price for the oil. In the interim there could be a purposely caused shortage of oil and gasoline that could even cause a depression. The world economies run on cheap oil, and any threat to this supply, could give the one world people an opportunity for a takeover of America. I warned My people to have bicycles to get to My refuges in case your fuel supplies are cut off. Have your backpacks and transportation ready to leave for My refuges when the evil ones bring about martial law. Call

on My help and My angels will make you invisible on your way to My refuges. Be patient at My refuges of protection until I will come and conquer these evil ones."

May 25, 2011
Wednesday, May 18, 2011: (Emmet Farnand's Funeral Mass)Emmet said: 'I am happy to see all of my family present at my Mass. I love all of your happy faces. I am sorry that I had to leave Claire behind in my passing, but I love her so and I will be watching over her. I thank Father for the Mass and Barbara for her kind words. I thank all of my care givers in my illness for all that they did for me. I enjoyed being a member of your prayer group for so many years, John. Thank you for the rosary last night. I will be praying for all of you, as Jesus confirmed for you that I am in heaven."
Jesus said: "My people, the persecution of Christians is about to get worse. It has been hard to find churches with large crucifixes on the altar. There is going to be an increasing movement to remove all crucifixes from My churches. This will be followed by another movement to remove all tabernacles from My churches. This is the beginning of the coming division in My Church that will separate the schismatic church from My faithful remnant. This schismatic church will preach New Age teachings which is why they do not want My crucifix nor My tabernacles to be present. When this division comes, you may have to have Mass in the homes. Keep faithful to My Word and defend it against all heresies, because soon your life will be threatened to speak out against this schismatic church. Pray for My help and that of the Holy Spirit to speak the words that will give witness to all of your true beliefs."

Thursday, May 19, 2011

May 25, 2011
Thursday, May 19, 2011: (Mark's Funeral Mass)Jesus said: "My people, this Mass for Mark was well attended to support the family and his loss. It was good to have his picture on the altar because there were no calling hours. This vision of new life is a sign of how Mark is at a peaceful place. He is in upper purgatory

and he needs some prayers and Masses before he can come to heaven. He thanks those who were praying for him and having Masses said for him. He loves all of his family, and he is adjusting to his new environment for his soul. Give thanks to Me for allowing the family to share a long life with Mark."
Prayer Group:Jesus said: "My people, you know how My angels kneel and sing My praises constantly in heaven. Even on earth where Adoration of My Blessed Sacrament is exposed, My angels are always present and giving Me constant praise. My angels are also present during the Mass from the Consecration on. This is why I had you place the three archangel statues on the altar in St. Michael, St. Raphael, and St. Gabriel. Give Me thanks that I have left you My very Presence in My consecrated Host."
Jesus said: "My people, every time that I have shown you this merry-go-round, it is a sign of the coming Warning experience. This circling also represents a kaleidoscope where you see images moving or the very actions that you perform every day that will be played back to you in your life review. The best that you can prepare is to pray your daily prayers, possibly daily Mass, and frequent Confession. By keeping your soul pure, you will have less sins to review."
Jesus said: "My people, you are going to be tested by a continuous string of natural disasters and plenty of insurrections by man. All the killing and wars in the Arab countries are creating constant turmoil in your financial markets. This violence and killing in your tornadoes is a reflection of the violence of man. Pray for peace in this world and then you may see less violence in your weather."
Jesus said: "My people, in Texas you are experiencing severe dryness and little rain which has resulted in droughts that have caused many brush fires. In other areas where you have seen record rainfalls, the water has collected to cause record flood levels along the Mississippi River. Many have lost their homes and farms from the tornadoes and the flooding. Be thankful if your home is still intact, but pray for those who lost their homes and have to rebuild them."
Jesus said: "My people, in America and many other countries the crop yields are decreasing due to bad weather events. Pray that your fields will dry out so the farmers can plant their crops. Pray also for adequate heat and some rain so the crops can grow properly. Many work hard on the farms, but their efforts are dependent on the right mix of sun and rain. Without good crops, you could have the beginning of a world wide famine and food shortages. Be assured that I will find a way to provide you with the food and water that you need."
Jesus said: "My people, you have seen many people preparing refuges in rural areas away from the cities. Even some refuges have been directed to have some

animals as on a farm. Some have eggs provided from chickens. Some have rabbits, or goats, or cattle. The feed for the animals could be provided by growing corn or wheat. Whatever food that you have from farm animals or deer, I will multiply what is needed for those who come to My refuges. Doing this farm work may be hard, but by working as a community, you can use your talents to help each other to survive. I will have My angels protect My faithful with a shield of invisibility from the evil ones who will try to kill you."
Jesus said: "My people, Barbara Roccanti suffered through her cancer in true faith without trying to fight it. She was a beautiful woman of prayer her whole life, always giving support to her husband, Ferdinand. She is with Me in heaven now, and praying for her family who she loves very much. Be thankful to know this loving woman whom you all thought acted very saintly."

Friday, May 20, 2011

May 25, 2011
Friday, May 20, 2011: (St. Bernardine of Siena)Jesus said: "My people, today's Gospel reading is very familiar, since you have heard this at many recent funerals. My promises are not just for a few people, but they are given to everyone as an invitation to heaven. I go to prepare a place in heaven for every person who is faithful to Me in accepting Me as Master and Savior, as well as every person who asks My forgiveness. When you die, not everyone comes directly to heaven. Only those, who live saintly lives or suffer their purgatory on earth, can come directly to heaven. Those, who refuse to accept Me, are on the road to hell, but those, who love Me a little, will need to be purified in purgatory. All of these places do exist, and if someone doubts this truth, he or she will find out too late at death. My promise of being resurrected one day with your body, will also be fulfilled after the final judgment. These many places include seven levels of heaven based on your capacity to love Me and your neighbor. This is why many of My faithful look forward to when I will call them home to heaven because they know that I will keep My promise to those who love Me."
Jesus said: "My people, when things wear out, or you need a change, it is relatively easy to buy a new home, a new car, or a new computer. When your body starts to stop working in your bad bones, or chronic aches and pains, you cannot buy a new body, although some replace hips and knee joints. Your body

is mortal and it will die one day, but your soul lives on forever. Facing up to the fact that you are not going to be living here much longer, is a sobering fact of life. Since your soul is immortal, you want to plan your best resting place. You have two basic choices either in hell or eventually in heaven. Since being with the One who loves you in heaven is far better than being in the flames of hell with the devil who hates you, it is time now to see how you can make it to heaven. You need to come through Me to get into heaven, so loving Me is your first step. I have told My people that you have to be child-like to get into heaven. Living a simple and humble life is your second step. Those, who eat My Body and drink My Blood worthily, will have eternal life. This is why I ask My faithful to confess their sins frequently, and receive Me in Holy Communion as often as they can. By staying close to Me in My sacraments of grace, this will be your third step. By knowing what I have promised you in this life, you can come to Me and you will have no fear at your death that you will be with Me in heaven for your eternal life."

End May 2011

June 2011

Saturday, May 21, 2011

June 16, 2011
Saturday, May 21, 2011:Jesus said: "My people, I had St. Paul and My disciples preach My Word to the Jews first. In Antioch St. Paul and Barnabas tried to teach the Jews about Me, but they refused My Word about eternal life in heaven. St. Paul then started to preach My Word to the Gentiles, and they were delighted to be converted. The Jews then persecuted St. Paul and Barnabas, and forced them to leave their town. This is why they shook the dust from their feet in testimony to the rejection of My Word in that town. There is a lesson here in spiritual pride, that everyone is welcome to come into My Church. In the Gospel reading I emphasized My Divine nature to My apostles. I had just told them that they could only come to the Father through Me. When Philip asked Me to show him the Father, I told him: 'I am in the Father and the Father is in Me.' I have a

human nature and a Divine nature as well. I am still the Second Person of the Blessed Trinity. This is a reminder even to My faithful of today. When you receive Me in Holy Communion, you also see the Father and the Holy Spirit. You receive all of Us at once because We are inseparable as Three Persons in one God."
Jesus said: "My people, you know that the one world people are planning to bankrupt your money system and bring down the dollar. Many of their plans for martial law are very close to being implemented. You know this is close because even the one world people are planning their own places of protection in their underground cities. They have been stocking these places with food and water for many months. They know that there will be rioting and pillaging for food. So they will be seeking protection in their well stocked underground cities. As you see these preparations being made, you know that it is also time to come to My refuges where My faithful will seek My protection. I have told you to store one year's supply of food and water until you need to leave for My refuges. Even the one world people are warning you to have six months of food and water stored. The dollar will become worthless soon, so having gold, silver and food may be your source of barter until I come. Trust in Me to protect you, and have no fear of the evil ones because they will not harm your soul."

Sunday, May 22, 2011

June 16, 2011
Sunday, May 22, 2011:Jesus said: "My people, I taught My apostles many things, but they still had trouble understanding who I was. They needed the power of the Holy Spirit's inspiration to help them focus on the mission of My life. After St. Philip asked Me about where I was going, I told the apostles: (John 14:6) 'I am the Way, the Truth, and the Life.' When I mentioned the Way, I want everyone to follow the narrow road to heaven. When I mentioned the Life, I want everyone to live a Christ-like life that imitates My Way of love of God and neighbor. When I mentioned the Truth, I want everyone to give their will over to My Divine Will. When you accept Me as Master of your life, then you need to live a life led by My Spirit and not by your body. The body desires to lead itself in pride, but the soul desires to follow Me according to My Commandments. It is not easy to give your will over to Me, but by following Me, I have the words of eternal life in heaven. Your goal should be to live with Me forever in heaven. To

get to heaven that is why you need to follow Me, because you can only come to heaven through Me."

Monday, May 23, 2011

June 16, 2011
Monday, May 23, 2011:Jesus said: "My people, just as you sail in a boat across the sea, I guide you through life and its trials. In a boat you suffer through calm without wind for sailing, and at times you suffer through storms of large waves. In life you may also suffer calms of depression or troubles of unemployment or damage to your homes. Call on My help in all of your needs, whether they are serious or minor. Trust in Me to lead you through life until you can reach My harbor of grace in heaven. This port of desire is to be with the One who loves you forever in heaven. Keep seeking Me by following My Commandments and praying your daily prayers. My daily Mass and Communion feeds you spiritually, and My Presence in your soul is your greatest joy of the day."
Jesus said: "My people, in the first reading you heard of how St. Paul healed the crippled man, but the people wanted to give sacrifice to him as a god. Many of the people of St. Paul's time believed in Greek and Roman gods. Once they understood St. Paul's testimony, they were converted to believe in the one True God of Three Persons in the Father, the Son, and the Holy Spirit. Many of My disciples and the apostles were enabled by the Holy Spirit to heal people from their ailments. When I performed miracles of healing, many people came to believe in Me. Healing gifts are still available and are given to My faithful. Not all people have this gift, but only those to who the Holy Spirit wishes to grant it. As with all holy gifts, you need to nourish your soul with My sacraments and daily prayer to maintain these gifts. Give praise and thanks to Me for all the graces and gifts that I have bestowed upon you."

Tuesday, May 24, 2011

June 16, 2011
Tuesday, May 24, 2011:Jesus said: "My people, when I talk of peace, I am speaking of the grace of My sacraments that I place in your souls. There is also a peace of My love that I place in your hearts. In the Gospel of St. John (14:27-31)

I spoke: 'Peace I leave with you; My peace I give to you.' This peace of faith in Me can be seen in a little child as in the vision. This peace should be guarded from all temptations and trials of the world. This peace can only be found in Me. You cannot find this peace in the world. Many people wander through this life with their soul thirsting for Me. Many try to find peace in possessions, human love, and things of the world, but they are restless and never really are satisfied. You can only find real peace and rest with Me, so trust in Me to lead you and satisfy you in My love relationship with you."

Wednesday, May 25, 2011

June 16, 2011
Wednesday, May 25, 2011:Jesus said: "My people, you truly are seeing a lot more vegetation from your excess rainfall. It is very difficult for your people in the Midwest where there has been a lot of damage and loss of life from the recent tornadoes. This tornado season has been very deadly and unusual with the violence of your weather. This should be a spiritual sign to improve your spiritual lives without so much anger and violence in killings from drugs, abortions, and wars. Without conforming to My laws, how can you have calm and joy in your lives? Live your faith with humility and slower paced living. By a simpler way of life, you will have more time for Me in your prayer life."
Jesus said: "My people, you are seeing just the beginning in the number of people killed in your tornadoes. These tornadoes, hailstorms, high winds, hurricanes, and earthquakes are going to take their toll in an unusual amount of violent weather. Even to date you have not seen so many deaths from tornadoes since many years ago. There are many unsuspecting souls who are coming to Me in judgment, and many of them were unprepared to die. This means that there are many souls in the deep parts of purgatory that are in great need of prayers. These souls and the souls of many more, who are about to lose their bodily lives, are calling out for prayers. Make an effort to include their intentions in your rosaries every day."

Thursday, May 26, 2011

June 16, 2011

Thursday, May 26, 2011: (St. Philip Neri)Jesus said: "My people, in your earthly world you need lights at night on your car to see the road, and lights to read by in your homes. This need becomes even more apparent when you lose electricity at night. This is why you have lamp oil for your lamps, and even flashlights for a short time. This same concept of seeing in the dark can also be seen in your spiritual life, as I am the Light of the world that disperses the darkness of evil. I have allowed the demons to roam the earth, but I have also given each of you a guardian angel to protect you. You are protected from harm, but you still have to endure the devil's temptations every day. I shine My Light on the narrow road to heaven so you can see the way to travel throughout your life. When you are tested, you are being purified as silver is refined by fire. Look to Me for direction in your life as I help you to fulfill your life's mission."
Prayer Group:Jesus said: "My people, the evil ones are planning some major events to precipitate martial law in America. There are many signs that the one world people are in position to cause the collapse of your money system as one more means to cause martial law. Before these events are brought about, I will bring My Warning experience to every soul as a preparation for the coming tribulation. The Warning will be an out of body experience that will review your life of any unforgiven sins. You will see My mini-judgment and some will be converted from their life of sin. This event will occur before the Antichrist comes into power when he declares himself."
Jesus said: "My people, you were hearing on the news how some scientists want to be able to manipulate the weather for their own uses. They even mentioned the possible use of microwaves in bringing this about. Some experiments have used silver iodide particles to seed the clouds. They did not mention the HAARP machine, but it is known to enhance weather, and it could easily cause these violent tornadoes that you are seeing. Some people are associating cloud formations and colors when the HAARP machine is running."
Jesus said: "My people, you may have bought backpacks and the materials to take with you to the refuge. Now is the time to pack your needs into your backpacks and have all of your needs ready in one place, so you can grab them and leave as soon as possible for My refuges. You have practiced living in tents and living without electricity, so you know what is needed. Have your preparations ready because the time to leave is not far off."
Jesus said: "My people, Japan has finally admitted that three of their nuclear reactors went through a meltdown where the fuel fell out of the rods to the bottom of the containment buildings. A minimum amount of radiation is still

present when the radioactive water is poured into the ocean. This has been a lesson for all countries who are using nuclear power for energy needs. Pray that there are no more such incidents."
Jesus said: "My people, peace is nearly impossible in Israel because the Arabs do not want to recognize this Jewish state. This promised land of Israel has been the long standing heritage for the Jewish people. Outside countries, even as the United States, cannot tell Israel what land that they can occupy. This fight over land will eventually lead up to the Battle of Armageddon between the good and evil of the world. When this battle comes, it will be close to My time of return."
Jesus said: "My people, many of your 'Patriot' laws are expiring and they are being renewed by your Congress. Many are taking issue with the invasion of personal privacy with this general listening to all communications for watching terrorists. Normal use of such surveillance should be granted by a judge for probable cause. This open listening is a violation of your Fourth Amendment rights. Many are giving up their rights for the possible help in finding terrorists. This is one more control over everyone that the one world people are forcing on you."
Jesus said: "My people, you have seen Me taking many souls home to Me that were great prayer warriors on earth. Many saints and holy people have revealed to you that they can do more from heaven than when they were on earth. These people are praying for both the souls on earth and for the souls in purgatory. Even your wife's father is still working on members of your family to get them back to Sunday Mass. Heaven is using every available means to save souls because the saints and angels all realize how little time is left for these souls to be saved. Continue, yourselves, to pray for sinners and the souls in purgatory with your rosaries and good example."

Friday, May 27, 2011

June 16, 2011
Friday, May 27, 2011: (Mary's funeral Mass)Jesus said: "My people, everyone has his or her own personal cross to bear in life. I ask everyone to pick up his or her cross and follow Me. Those, who follow and believe in Me, will have a lighter cross to bear because I will be helping you to bear it. Some people are tested more with illnesses or terminal diseases. These are heavier crosses than the rest of the people. I only test you with what you can handle, because I never

test you beyond your endurance. Living through life's trials and difficulties is part of everyone's human existence. There are joys and sorrows in life, so be gracious when you do not have to suffer problems. While you have good health, you could make the most of your time by helping others along with your own needs. Life is a blessing to share with each other, and I have asked you to love Me and your neighbor."
Jesus said: "My people, in the 37th chapter of the Book of Ezekiel there is a vision of dry bones from which I raised up a whole army. I breathed the life of the Spirit into these bodies. This is a story of the restoration of Israel to its former kingdom. This reading of how the Jews would be brought back into one nation, was fulfilled in 1948 when Israel was declared a Jewish state. This is a fulfillment of one of the end time signs. It is also significant that the Battle of Armageddon will be one of the last signs before I return to the earth in victory over evil. Be patient and be ready to leave for My refuges of protection when the evil ones are about to declare martial law. I will protect My faithful as I will shield them with being invisible by My angels."

Saturday, May 28, 2011

June 16, 2011
Saturday, May 28, 2011:Jesus said: "My people, I call everyone to come into My Church, no matter how you are. In some Scriptures there is a need to be properly dressed to give respect to My Presence. In the vision you are seeing even a crippled person in a wheelchair coming into My Church. In some instances by My grace these crippled people have been healed to walk again. In the spiritual world there are people who are crippled in their sins and the desires of the world. In today's Gospel I am calling My faithful out of this world so you can be with Me by following My Commandments. If you believe in Me and follow My laws, the world will hate you as it hates Me. Yes, you will be persecuted for living a holy life, because the worldly people hold on to their sinful pleasures. Those, who are against abortion, pornography, adultery, and homosexual behavior, will be persecuted by the worldly people. Be thankful that you are close to Me because My faithful will receive their reward in heaven."
Jesus said: "My people, it is sad that a few complaints from some atheists and the ACLU has allowed them to strip all of your public buildings from any display of My Ten Commandments. These Commandments were given to Moses

and the Israelites, but even some of these people rejected them. These laws are a guide to live a holy life, but the people do not want to obey them since they would have to change their lives of sin. When people disobey My Commandments of love, they are committing sins against Me. This is why I have given you My sacrament of Reconciliation, where you can ask for My forgiveness and My priests will absolve you of your sins. Once you are forgiven, I restore sanctifying grace to your souls, and you are now worthy to receive Me in Holy Communion. Many preparations for Confession use the Ten Commandments as a basis for making a good Confession. It is important to have a properly formed conscience so you know what is right from wrong without rationalizing your actions. It is also important to obey My Commandments out of love, so you can lead a life worthy of coming to heaven at your judgment."

June 16, 2011
Sunday, May 29, 2011:Mary said: "My dear children, I came to the three children at Fatima, Portugal and there were promises given to them. I encouraged the children to pray the fifteen decade rosary and to wear the brown scapular. You remember vividly the picture of St. Michael placing the Host on the tongues of the children. This will be performed again for all of my children at my Son's refuges. I am the refuge of sinners as I bring your petitions to my Son. I gave you the four intentions to pray for on your rosaries: pray for the poor souls in purgatory, for peace in your world from wars, for the stoppage of abortion, and pray for poor sinners. If my children do not pray enough, you could see nations annihilated. Even Russia has spread her errors of atheism and the persecution of My Church. You are truly living in an evil age, but my Son's power is greater, and we will protect you at His refuges during the coming tribulation. Have no fear because after my Son's victory, you will witness the Era of Peace that was promised."

Monday, May 30, 2011: (Memorial Day, George Green's Funeral Mass)Jesus

said: "My people, George was one of My dedicated pro-lifers who worked many years in fighting abortion. For this he is in My spiritual hall of fame for fighting for the souls of the unborn. You are celebrating a Memorial for all of your soldiers who died to defend America. You should also pray for your mothers not to have any more abortions. George was a soldier for life as he tried to defend the lives of the unborn. All of My faithful, who fight to preserve life, need to be remembered as well. George loves his wife, Mary Lou, and the family very much, and he is sorry that he had to leave them. He is in the upper part of purgatory and he needs a few more Masses and prayers to come to heaven. Masses are very important to help the souls in purgatory to be purified for heaven."
Jesus said: "My people, one of the latest attacks of the devil on My Church is to find reasons to close My churches. These flames in the vision represent the persistence of My faithful to keep their churches open. It is true that you have seen problems with a decreasing number of priests, and fewer people are coming to Sunday Mass. Without the people supporting their pastor both physically in finances, and spiritually in prayers for their priest, you will continue to see more churches closed. My people need to fight and convince your bishops to keep your churches open. By prayer and public witness against the devil's plans to close churches, you can be instrumental in keeping your church open with a priest. Pray every day for your priests, and pray that those who have fallen away from Me, will be reconverted."

June 16, 2011
Tuesday, May 31, 2011: (Visitation)Jesus said: "My people, as My Blessed Mother greeted St. Elizabeth, the babe in her womb acknowledged My Presence. This feast day is also a celebration of the unborn infants because you have St. John the Baptist in St. Elizabeth, and Myself in My Blessed Mother. At the Annunciation St. Gabriel told Mary that her cousin was in her sixth month because nothing is impossible for God, even beyond normal child bearing years. This is why My Blessed Mother went to help her cousin because of her cousin's old age. My Blessed Mother announced her Magnificat which you read daily in the evening prayers of the Liturgy of the Hours. At the birth of St. John the Baptist, Zachary pronounced his canticle as his mouth could speak again. This

canticle of Zachary is read in the morning prayers of this same Liturgy of the Hours. These beautiful words of both canticles give hope and joy to all who read them."
Jesus said: "My people, when you clean your house, you use a broom or a vacuum cleaner. When you want to clean your soul from sin, you come to the priest in Confession and ask forgiveness for your sins, and he gives you absolution. Being cleansed of your sins is far more important than having a clean house. The soul lives on forever, but your house could be gone tomorrow because it is temporary. Continue to come to frequent Confession so you can keep a pure soul for the day that I will call you home. In order to make a good Confession, you can write down at night any sins of the day that you could remember. By summing up your nightly recollections of your sins, this will help you to remember them in your Confession. Forming a right conscience to know right from wrong, will also help you focus on how you are disobeying My Commandments. Learn from your sinful mistakes so you can avoid them in the future."

June 16, 2011
Wednesday, June 1, 2011: (St. Justin)Jesus said: "My people, in heaven My angels and saints are constantly singing My praises. In this vision My people are also singing My praises in your songs at Mass. When you pray each day, you are also telling Me how much you love Me. Even though you are dependent on Me for everything, your understanding of who I am is difficult to know. Human knowledge of Me is weak at best, because My Blessed Trinity of Three Persons in One God is a mystery for man. You love Me and pray petitions to Me, and this is enough for you to know. I love all of My creations, even those who refuse to love Me. I even love you unconditionally because I know how weak you are to sin. I have given you free will, and I am always waiting for you to come to Me for the forgiveness of your sins. You know how much I love you because I became a man and died for your sins. This is why I am also waiting for you to love Me and allow Me to be the Master of your life. So be content as My saints and angels are in praising Me."
Jesus said: "My people, you know how dangerous sharks are to killing people. You also are aware of money sharks who loan money at high rates. You need to

be aware of the money sharks in the Federal Reserve and central bankers who are about to inflate your money until it is nearly worthless. Once your paper money has no gold or silver backing, you have allowed the central bankers to print as much fiat money as they want. All of your Federal Treasury bonds are being made out of thin air to inflate the dollars already in circulation. With so many dollars seeking out the same number of items for sale, then inflation will occur when you need more dollars to buy something. This is exactly what the Federal Reserve has done by buying your own National Debt instruments with the $600 billion of Quantitative Easing purchases. The Federal Reserve has become the buyer of last resort since very few investors want to buy risky bonds with such a low interest rate. You are seeing Greece's bonds getting lowered to junk bond status. Moody's is the same bond rating agency that has also been threatening to lower America's bond rating because of your excessive spending and your deficits in your expanded National Debt. You can go the way of Greece, or struggle to reduce your deficits before they get out of control. Pray that your government will change its course to stop the red ink."

June 16, 2011

Thursday, June 2, 2011: (Ascension Thursday)Jesus said: "My people, this feast day commemorates when I left My apostles as I ascended into heaven. I will return again in My glorified Body at the end of the age. I encouraged My apostles to wait until they received the Holy Spirit whom I would send in a short time. In ten more days you will celebrate this event on Pentecost. I commissioned My apostles in Matt. (28:19): 'Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you.' This was the beginning of My Church as you have been reading in the Acts of the Apostles. It was not easy to evangelize souls to the faith because Christians faced martyrdom for the first three hundred years. Even today, My faithful have their Baptism and Confirmation sacraments to empower them to go out and preach My Word to all the nations. Evangelizing souls to the faith is your most important work."

Prayer Group:Jesus said: "My people, I have warned you in previous messages that you will continue to see ongoing natural disasters. Many people have

remarked that they have never seen tornadoes in Massachusetts where they have just occurred. You have seen record numbers of deaths from tornadoes this year, and they are even continuing in areas that do not normally have them. This unusual violence is the signature of the HAARP machine that can enhance storms into more violent weather. The damage and injuries have also caused many people to have their lives disrupted. Pray that there will not be any more deaths due to these storms."

Jesus said: "My people, it is obvious by the data put forth that the amount of taxes collected from each person for Medicare does not come close to how much is being spent on that same senior person. This is also the same problem for Social Security and the rest of your entitlement programs. There is some agreement that changes need to be made, and that cuts in the deficits need to be tied to your debt ceiling. Those, who do not want to face up to entitlements running out of money, are not facing the reality of how they can be paid. Some changes in these benefits need more tax money and a combination of less payments to even come close to a solution. Since many do not want more taxes or less payments, it becomes very difficult for your politicians to make any changes. Your deficits cannot continue, or America will be bankrupted."

Jesus said: "My people, your spending is going beyond your current debt ceiling, but your Congress people are still reluctant to reduce any entitlements or other budget items. Attempts to date have only changed $30 billion when your deficit is $1.6 trillion this year. This facing up to your excessive deficits requires immediate action, or America will fall. This actually is the plan of the one world people so they can takeover America. Pray that your Congress and President will be more responsive to the debt control that is needed."

Jesus said: "My people, your unemployment numbers are not improving enough for the man in the street to have a job to support his family. Wages are not keeping up with the increasing cost of your daily necessities. With interest rates held so low, many savers cannot live off of this income as seniors need. Many companies are not making enough jobs in America, even though they have the money and are still sending jobs overseas. This plan to ruin your economy by eliminating manufacturing in America is becoming more obvious why your unemployment rate is not going down. Indeed, the average person is getting poorer while the rich are getting most of the benefits of any recovery. These evil ones of greed will receive My punishment when I return."

Jesus said: "My people, there are ten days before your coming Pentecost Sunday. This is another time for a novena to the Holy Spirit. Do some research to find

this novena, and make your preparations for this coming feast day of Pentecost. Many of your major feast days have novena preparations for them. By praying these novenas, you can better understand the significance of each of these special feasts in My early Church and in My Church of today."
Jesus said: "My people, it is at this time of the Church Year that your attention is being focused on the Holy Spirit who is the Third Person of the Blessed Trinity. You are all temples of the Holy Spirit from your Baptism. It is this power of the Holy Spirit that enabled My apostles to have the gifts of the Spirit to help them in their mission of evangelization. Call on the Holy Spirit to give you the words needed to convert sinners to the faith."
Jesus said: "My people, My apostles were downcast at first when they saw Me ascend into heaven. The gift of My Eucharist is the gift of My Real Presence among you. I did not leave My people orphans when I ascended into heaven. My Blessed Sacrament is available at every Mass and in My tabernacles so you can receive Me into your souls. Call on the grace of My sacraments to strengthen you in living out your lives on earth. Be grateful that I am truly present to you, even though you cannot see My physical Body."

Friday, June 3, 2011

June 16, 2011
Friday, June 3, 2011: (Patricia Conheady's Funeral Mass)Jesus said: "My people, Patricia was blessed with a large family and many grandchildren. Some people remarked how she was frugal and a very good storyteller. She suffered in her health in her later years, and she has now received her reward with Me. Many people, who have died and have given you messages, want you to have their pictures placed in full sight so you can remember their life with you. This is Patricia's wish that everyone remember her love by your pictures. She is a true caring mother who will be praying for all of her children and her grandchildren. She has given her family a good example in how to share and care for each other. She gives all of her family her love, and she remembers everyone who came into her life with love."
Jesus said: "My people, I have given messages to St. Faustina about My Divine Mercy image and how it should be venerated. (47 & 48) 'Paint an image according to the pattern you see, with the signature: Jesus, I trust in you. I desire that this image be venerated, first in your chapel, and throughout the world. I

promise that the soul that will venerate this image will not perish. I also promise victory over enemies already here on earth, especially at the hour of death. I Myself will defend it as My own glory.' This is why I also have you pray in your room with this image before you as well. My Divine Mercy is a blessing for all people to accept as My gift to your souls. Call on My mercy in your trials and for helping souls, especially at their death. Remember to pray the Divine Mercy Chaplet prayers at the 3:00 p.m. hour, when I died."

Saturday, June 4, 2011

June 16, 2011
Saturday, June 4, 2011:Jesus said: "My people, this shadow of Myself in the vision means that you will no longer see Me in human flesh. I am still with you in My Blessed Sacrament, which is why I will still answer any of your requests in My Name. This is why it is good to have crucifixes, statues, and the Divine Mercy image, so they will remind you of My love for all of mankind. Remember Me also in your daily prayers with your rosaries and your novena to the Holy Spirit. Because you do not see Me, it takes faith to believe. I even told My apostles that they believed in Me because they could see My wounds, but blessed are those who have not seen Me, and they still believe. Trust in Me that I will help each of you to have the necessities of life in food, water, and a place to live."
Jesus said: "My people, My Warning experience for all souls will be a last chance for sinners to wake up and be prepared for the coming tribulation. You are seeing this soul having all his sins shown to him with a mini-judgment given at the end. This sinner did not realize that he would have to pay for his sins, and that he needs to seek the forgiveness of God in order to get to heaven. Some people may know that they committed sin, but they may not know how to make reparation for them. I will have mercy on sinners, but they must face My justice as they are held accountable for their actions. Some will see a judgment to hell or purgatory. These sinners will be placed back into their bodies, and they will have a second chance to seek My forgiveness and change their lifestyles. After the Warning all the people will be held more responsible for their actions because they now know what they did wrong. I will also warn everyone not to take any chips in the body, and not to worship the Antichrist. You will be warned also to remove your TVs and computers out of your houses to avoid seeing or

hearing the Antichrist. My faithful will be warned to be ready to leave for My refuges when their lives are threatened by the evil ones. Use this opportunity of My mercy to better your spiritual lives, or you will see the mini-judgment come about if there is no change in your life."

Sunday, June 5, 2011

June 16, 2011

Sunday, June 5, 2011:Jesus said: "My people, this ornate wooden triangle in the vision represents the Blessed Trinity. In the Gospel reading I was telling My apostles how I was about to return to My Father in heaven. I have told them many times that the Father and I are One. Even when Philip asked Me to show him the Father, I again stated that when you see Me, you see the Father. You are still praying your novena to the Holy Spirit in preparation for Pentecost. Again, you are temples of the Holy Spirit because without the Spirit of life in your soul and body, you would cease to exist. You believe by faith that there are Three Persons in one God. You have God the Father, the Son, and the Holy Spirit in the Blessed Trinity. This understanding is a mystery to man. So when you pray to the Father, receive Me in Holy Communion, or speak of the Holy Spirit, you have all Three of Us present because We are inseparable as one God. Give honor and praise to the Blessed Trinity when you make the Sign of the Cross, or pray the 'Glory be' prayer."

Monday, June 6, 2011

June 16, 2011

Monday, June 6, 2011: (St. Norbert)Jesus said: "My people, I told My apostles in the Gospel that I have conquered the world, which I have done in conquering sin and death. I was supporting them for when I had to return to My Father. In the first reading St. Paul laid hands on the people and the Holy Spirit came down on them as they began to prophesy and evangelize. St. Paul baptized with the Holy Spirit in My Name, while the people he prayed over, were baptized previously by St. John the Baptist. The power of the Holy Spirit is also present in the people of today who have the gifts of prophesy and healing. With the power of your Baptism and Confirmation, My people are enabled by grace to evangelize

converts to the faith. You are called to share your gifts with your neighbor, and this includes your gift of faith as well as your time and money."
Jesus said: "My people, you have seen several U.S. Congressmen and State office holders have to resign and leave their jobs because of lewd pictures that were sent on the internet or dealings with prostitutes. People in these positions are held to a higher responsibility in their public and private lives. These sexual sins show how moral corruption is bringing down your nation. This is in addition to the millions of abortions that are making doctors rich on blood money. Your country is about to be punished for all of its crimes, and your justice will happen through the hands of the one world people. Just as Israel was exiled for worshiping other gods, so America will be taken over as well for its sins. The central bankers will bankrupt your country through your wars, made up bank crises, and deliberate misuse of loans and derivatives. There is no possible way to pay the interest on your debts, and for all the entitlements for Social Security, Medicare, and pensions. Your deficits and obligations have grown out of control, and your politicians do not want to give up these entitlements. If there is not a compromise in taxes and reduced benefits, then your money system will fail. This plays into the hands of the one world people who are purposely planning your demise. Your country will self-destruct when you cannot find enough buyers for your Treasury Notes. Prepare to leave for My refuges of protection before riots in the street will precipitate martial law."

Tuesday, June 7, 2011

June 16, 2011
Tuesday, June 7, 2011:Jesus said: "My people, in the vision you are seeing how the demons try to manipulate people with their own words. Turning your world upside down means the evil ones want you to think that bad is good, and that good is bad. What people establish as politically correct are only worldly feelings that insult Me. If you are against abortion, you are persecuted. If you are against homosexual marriage, you are against someone's rights. If you are against a man and a woman living together without marriage, you are criticized as old-fashioned. If you come to daily Mass or pray the rosary in public, you are considered a religious fanatic. My Commandments are unchangeable, and they are never old-fashioned. It is man in his love of sin that is out of step with reality. Do not try to rationalize teaching My Word for a better hearing. What you are

facing is a battle between the desires of the body with the desires of the soul. If some people tell you it is all right to sin, do not believe them, for the worldly people are walking on the broad road to hell, but My faithful need to enter heaven by the narrow road. Do not follow the crowd into sin, but follow Me into eternal life in heaven."
Jesus said: "My people, this vision of a manufactured gear getting buried in the ground is a sign that the one world people are intentionally moving most all of your manufacturing jobs out of your country. It is true that the American worker at $15/hr. has a hard time competing with slave labor in China at $1/hr. without any benefits. The plan of the new world order is total control which starts with doing away with the middle class in America. With jobs leaving America, this is why your unemployment rate is so high. Average household income has been declining over the last five years, while inflation is truly increasing, despite your government's disinformation. Only the top 5-10% of your population have seen any income gains. It is just a matter of time until America's finances collapse, and the one world people will take over. When this happens, My faithful need to call on Me so your guardian angels can lead you to My refuges of protection."

Wednesday, June 8, 2011

June 16, 2011
Wednesday, June 8, 2011:Jesus said: "My people, this large arch of a cloud in the vision is similar to the arch in St. Louis, Mo. which is also close to the New Madrid fault line. This arched cloud represents a gateway to more serious natural disasters that evil people are going to cause by using the HAARP machine. This could involve possible earthquakes, high wind storms, flooding, and even severe hurricanes. This area has already seen tornadoes and flooding where many have died, and others have lost their homes. These continuing disasters will affect your economy, and they will contribute to a coming martial law that could result. When your finances and your government are about to fail, My faithful will then need to seek out My refuges for your protection."
Jesus said: "My people, in this vision you are seeing a humble cave for shelter on one side, and comfortable living accommodations on a large cabin cruiser on the other side. When I call My faithful to come to My refuges, your place to stay may be very rustic with only the bare necessities. This is in contrast with your comfortable homes and cars with all of your modern conveniences. Living at a

refuge without electricity may be difficult, but it will give you a more peaceful life. You will have food, water, and shelter, but you will be more involved in a struggle for survival. Trust in Me that My angels will provide a shield of invisibility, and you can look on My luminous cross in the sky to heal any of your infirmities. My refuges will be your safe havens to protect you from the Antichrist and the evil ones who will be trying to kill you in the tribulation. Give thanks and praise to Me for providing you daily Communion for your soul. I have told you that I would prepare a place for you in heaven, but now I am even having people prepare refuges for this time of trial that will be like a purgatory on earth."

Thursday, June 9, 2011

June 16, 2011

Thursday, June 9, 2011: (St. Ephrem)Jesus said: "My people, your farmers take a risk to grow their crops every year. Many farmers got a late start to getting their crops planted because of a cool, wet spring. Now they will need optimal sun and rain to even obtain a marginal crop. If some places have very hot drought conditions or too much rain, then your crops will be reduced further in yield. I have told you to expect continued natural disasters which could even affect more of your crops. Now, you are seeing a considerable amount of fires in the drought areas. If your food becomes scarce, you will see again why it is prudent to have a year's supply of food for any possible disruptions in your food supply. Pray that people will have enough to eat because some countries already have people dying of starvation."

Prayer Group:Jesus said: "My people, this vision of a flame in the middle of a bird cage represents how your souls are prisoners of the worldly distractions around you. The flame represents the grace of the Holy Spirit which you can call on to release your soul so you will be free of the controls of the world. You have the feast of Pentecost coming on Sunday, so call on the Holy Spirit to give you the gifts that you need to carry out your appointed mission in this life."

Jesus said: "My people, this special water that you see in the vision represents the Baptism of the Holy Spirit that I poured over My apostles. This is how they experienced the tongues of fire over them in the Upper Room. St. John baptized with water, but I baptized with the Holy Spirit in the image of these tongues of fire. My faithful receive this same Baptism when you receive the Holy Spirit in

your Confirmation. So as you are baptized and confirmed, My faithful are called to evangelize souls to Me."
Jesus said: "My people, this experience of being slain in the Spirit does not cause everyone to fall to the ground. When you do not fall down, you are blessed in the Spirit just the same. Those, who do fall down, are graced with souls and hearts that are more open to receive the gifts of the Holy Spirit. These souls, who are slain, are given a grace that gives them peace and rest in the Spirit."
Jesus said: "My people, you have accepted the symbol of a white dove to represent the peace of the Holy Spirit. This vision of a dove resting on a branch for five hours was your real life experience at this shrine in Betania, Venezuela. This was a special blessing for your pilgrimage to have the grace of the Holy Spirit among you. The Holy Spirit is the Third Person of the Blessed Trinity, and the Three of Us are one God. Continue your novena to the Holy Spirit as you prepare for the great feast of Pentecost."
Jesus said: "My people, you have been blessed to have the Word of God available to you whenever you read the Bible. It is by the power of the Holy Spirit that the authors of these books were able to write the Word of God down without any interference of the evil one. This is why you can trust the words of Scripture as true, and from God. If you follow the words of Scripture, you have sufficient revelation to be saved in heaven. You have seen various people who have prophetic gifts. These are gifts of the Holy Spirit. You, yourself, know that you are able to write My messages by the power of the Holy Spirit helping you. The Holy Spirit also directs the words of your talks as you pray for His help. All My faithful can call on the Holy Spirit to give them the gifts that they need to accomplish their mission."
Jesus said: "My son, you and others have been given the gift of some communication with deceased souls. This gift is not something that should be sought for any gain, but it comes freely by the souls who desire to communicate. The words that you receive from such souls are enabled by the Holy Spirit as He helps you to write them down. This is a gift that cannot be demanded by other living people, but they should accept what comes without trying to predispose you. Be thankful to the Holy Spirit for all the gifts and charisms that He bestows on people."
Jesus said: "My people, I have formed My Church and I have set St. Peter as a rock to be the first Pope. All throughout history the Holy Spirit has guided these leaders in their words and their proclamations. This is another grace and force that has enabled My Church to survive through the years, despite the evil one's

temptations. Continue to pray to the Holy Spirit to inspire My Church's leaders to proclaim the truth without any heresies."

Friday, June 10, 2011

June 16, 2011
Friday, June 10, 2011:Jesus said: "My people, in today's Gospel I asked St. Peter three times if he loved Me, and then I said to him: 'Feed My sheep.' These three times were in response to the three times that he denied Me. In the Greek account there are different words that are used for love. The first two times I asked him if he loved Me as a friend. The third time I asked him if he loved Me with an agape love as you love God. Since St. Peter was chosen by Me to lead My Church, these professions of faith were to insure his leadership in tending My sheep and feeding My lambs. My people of today can also answer these questions so I know that you are sincere in your love for Me. This is not just a friendship love that I desire, but a personal love of God from deep in your heart. This means that you are ready to give your will over to Me so I can be Master of your life. It also means that you are willing to seek out My forgiveness of your sins in order to gain heaven. I want you to love Me so much that you will do everything for love of Me."
Jesus said: "My people, you know how much I love you, and how I created mankind to share My love. You are all made in My Image, and you were given free will to love Me by your own choice and not forced by Me. These beautiful flowers in the vision are an example of the beauty of My creation that I also share with you. Adam and Eve fell into sin, and all of mankind has suffered the consequences of sin by death and a weakness to sin. It was to save humanity from their sins that I came to the earth and suffered death by crucifixion. These thorns from the crown of thorns were another form of torment that I had to suffer. When you understand how I freely gave My life to ransom all souls from their sins, then you begin to understand how much I love each of you. My love is unconditional since I love everyone, even those who do not accept Me. Those, who do accept Me as Master, and seek My forgiveness, will receive everlasting life with Me in heaven. Those, who refuse to love Me and refuse to ask My forgiveness of their sins, are on the broad road to hell. I am full love in everything that I do, and My faithful, who have a love relationship with Me, can

understand the joy and satisfaction that I give every soul in peace. Keep close to Me, and I will reward you for your prayers and good works."

June 16, 2011
Saturday, June 11, 2011: (St. Barnabas)Jesus said: "My people, in St. Paul and St. Barnabas' day it was difficult to provide food, water, and lodging, but My missionaries had the gifts of laying on hands to support the people. Many also came to believe in Me because of the healings that were performed on the sick and the lame. The spreading of My Church was difficult in these early days because Christians were persecuted and even martyred for their faith. The joy of My love that you experienced this morning is the joy that was in the hearts of these new converts. These early accounts in the Acts of the Apostles are beautiful examples how I still call on My deacons and priests to make converts to the faith. My laity also are called to share their faith with others so all peoples can experience the joy of My love. Give praise and glory to Me for all that I do to encourage My evangelists to save souls."

Sunday, June 12, 2011

June 16, 2011
Sunday, June 12, 2011: (Pentecost)The Holy Spirit said: 'I am God the Holy Spirit, and all Three of Us are one God. Today, you celebrate My feast day, and I am happy to celebrate My seven gifts with you. Many people do not know much about Me, but when the evangelists speak of the Spirit of God, they are referring to Me. I gave life to Jesus' Body at His conception as a Spouse of Mary. I also returned life to His glorified Body on His Resurrection. Wherever you see life present, I am the force animating that form of life. You all have a soul and a body which I allow to exist. When you see the people glowing with life, you know that I am present there enabling them. The love that you have for each other and for Us comes from Me as well. Give praise and glory to all Three Persons of God who have created you and sustain your life."
Jesus said: "My people, this thermometer in the vision is showing extremely hot temperatures are coming in America during the summer. This swinging of hot

and cold extremes in the summer and winter, appear to be a general trend. This extra heat could warm the Gulf of Mexico area and could provide more energy for severe hurricanes. America was fortunate that most of last year's storms did not hit your country. You will see more land falling storms unless the jet stream currents are altered by man. With warmer temperatures you could see some areas where droughts could continue the fires that have been occurring. With too little rain in some areas and too much rain in other areas, it will be difficult to have good crop yields this year. With enough bad crop yields worldwide, you could see a severe strain on your world food reserves that could cause the beginnings of a world famine."

June 16, 2011

Monday, June 13, 2011: (St. Anthony of Padua)St. Anthony said: "My dear little ones, I am grateful for all of you who are commemorating my feast day. I was a Franciscan and I brought many souls to the Church through my evangelization ministry. Many were touched by my words, and by the grace of God, they came to know and love Jesus in His Blessed Sacrament. The priest gave you a good account of my life, but he did not mention how many people pray to me to find lost articles. For some people, as yourself, you have seen how I have answered your requests. If you want a prayer answered though, you need to voice your request, and I will help you. It also helps to know that I am the saint people pray to for lost things to be found. Thank you again for your devotional prayers, and do not be afraid to witness Jesus by wearing your cross outside for people to see."

Jesus said: "My people, you need to have your soul ready for My judgment every day because you do not know the day that I will take you home. You must realize that when your body dies, your soul will live on forever. You cannot take your gold or possessions with you because it will have no use for your soul. This is why those, who hoard and save money for themselves, do not know to whom their money will go. So do not concern yourself with saving more money than you need. Life is truly short, and you wonder how the many years of your life have passed you by. The best that you can do is to make the most of your time with prayers and good deeds for your neighbor. When you come before Me in judgment, all that you will have will be your sins, and all the good things that

you have been rewarded for. Better to have spiritual treasure stored up in heaven that will last, instead of earthly treasure that will dissipate and be stolen. Keep your soul pure at all times with frequent Confession, and you will not be anxious of where you will be judged."

June 16, 2011
Tuesday, June 14, 2011:Jesus said: "My son, this tabernacle in the small chapel is your home with Me throughout your life. You know that you are dependent on Me for everything, and you come to My oasis of graces to be refreshed every day. With Me next to your side, you are able to bear any trial that you may face in life. Whenever you start out on any project, no matter how little or difficult, call on My help, and I will have My angels assist you. Pray for My help even in getting you from place to place while you are driving. Remember your prayers every day and I love to see you at night when you come to visit Me in My Blessed Sacrament. You receive Me in Holy Communion in the morning, pray to Me during the day, and visit Me at night. I am always with you when you are so close to Me every day. I thank you for your obedience, but be careful not to let worldly things disturb your peace. Unusual things and disappointments will happen, so do not be upset by any inconveniences. Reach out to help people whenever you can, and you will be helping Me in them. Love of Me and love of neighbor are your focal points in this life."
Jesus said: "My people, this vision reminds you of your Nativity Scene that you have placed in your prayer room to remind you of My Christmas message of peace all year long. I have told you that I am the only One to satisfy your soul and give you My peace. My peace cannot be found in worldly things. Many people are searching for peace in their lives, but without Me they will not find true peace. You have My peace every time that you receive Me in Holy Communion, and come to Me in My tabernacle. Even as students are graduating from high school, My faithful should also be ready to graduate into the next life when you die. In this life you are weak to sin, so you are faced with many times that you have fallen into sin. I have given you Confession to cleanse your sins and make your soul white again with My graces. Your desire to be with Me forever is very strong, so stay close to Me in My sacraments."

June 30, 2011

Wednesday, June 15, 2011:Jesus said: "My people, some people try to interpret My mission on earth, but they do not know My Mind or the many intentions that I had when I was on the earth. You are fortunate that My evangelists were empowered by the Holy Spirit to write down all that I told them. This is why the Scriptures that you read at every Mass have meaning that can be used by My people every day. My main purpose in coming to earth is to give every soul the opportunity for salvation of their soul in heaven. My death and resurrection have ransomed all souls from their sins. The gates of heaven have been opened, and I have given you My sacraments for all your needed graces. By Confession you can ask My forgiveness of your sins, and by Communion you can receive My Real Presence into your souls. Baptism and Confirmation give My faithful the grace of the Holy Spirit to evangelize others. The formation of My Church through My apostles gave you the priests and bishops that can dispense these sacraments, and the Church is the guide to interpreting My words in Scripture. I sought out people to believe in My Word, and to establish love relationships with Me and their neighbors. Many came to believe in Me through My healing miracles. As you view all that I did on earth, you can see that truly I fulfilled the many intentions that My Father requested."

Jesus said: "My people, you should not criticize other people for their actions because you should not be passing judgment on them. I am the only One to make judgments on people. There are some people who even criticize others for doing what they do. If you are going to preach My Word, you need to get your own spiritual house in order. If you teach one thing, but you are committing the same sin, then you lose your credibility by being a hypocrite. This is why you need to give good example in your actions so you are practicing what you preach. I told you about the Pharisees to follow what they teach, but do not follow their actions."Jesus said: "My people, in older days the average worker had a good work ethic, and workers took pride in their work. Today, there is a large part of the work force that wants to do just the bare minimum to earn their wage. There are some over achievers who want to improve their work by coming up with new ideas to get the same product for less money. In many companies it is the good workers who carry the rest who are not putting out as much effort. There are new problems in today's work force that starts with outsourcing cheap labor. An American worker now has to compete with cheap labor in poor third world

countries. Unless that worker is in a technical field, it may be difficult to compete. The basic problem is that there are fewer good paying jobs that are available. With such a high unemployment rate, many are satisfied to get unemployment checks for two years, or get government aid from welfare or disability. You have read data that said 46% of the people are working to support the rest. Even in the Early Church, you did not get supper unless you worked for it. When fewer work for a living, it puts a harder burden on the workers because they are taxed higher to support the welfare state. As deficits and taxes go up, there will come a time when the workers will go on strike for a fairer part of their salary. Pray for your workers, as those getting entitlements may have to take cuts in their payments."

June 30, 2011
Thursday, June 16, 2011:Jesus said: "My people, in all of your lives you are going to have some smooth days with plenty of sun. You are also going to have cloudy days without much light, and even rainy days that could try your patience. These are the ups and downs of life that test your faith. Today, you have My 'Our Father' prayer which is about depending on Me for your daily necessities, but also how to handle forgiveness of your faults and the faults of others. At the end of the reading there is an emphasis on not holding any grudges on anyone for their misdeeds. These guidelines are what I want My faithful to follow, but in life it can be difficult to carry out these things in your actions. Because you have a weakness to sin, you are going to have occasions when you fail to live up to My laws. I have given you My sacrament of Reconciliation where your sins can be forgiven, and My love is restored in your heart and soul. I look out for you in all of your daily needs, so trust in Me by asking for what you need with the assurance that your prayers will be answered. Make your daily prayers so much a part of your life that you cannot go on without them. You show your love for Me when you pray. Remember also how I asked you to make up any prayers that you may have missed on the previous day."
Prayer Group:Jesus said: "My people, you have seen a few pictures where you could feel a beating heart. This picture of My Divine Mercy is a special blessing for those who pray before this image. My heart is burning with love for My people, and this vision of a beating heart in this picture shows you vividly how

much I care for all of you. Continue to pray your Divine Mercy chaplet in front of this image that is holy."
Jesus said: "My people, this vision is one of My miracles of the Eucharist in Venezuela. This bleeding Host is another example of how I am constantly suffering for the sins of mankind. It pains Me also that there are many Catholics who do not believe in My Real Presence in My Blessed Sacrament. When you receive Me in the consecrated Host and consecrated Wine, you are truly eating My Body and drinking My Blood. These miracles of My Eucharistic Hosts are given for the unbelievers to believe in My Real Presence."
Jesus said: "My people, the relics of the saints and of My True Cross should be revered and used in your healing ministries. These relics will help you in fighting off demons, and they are instrumental in healing. Call on My Name when you are blessing people, and call on My Most Precious Blood for physical healing and spiritual healing. I have an abundance of graces, and you can ask for My graces through My instruments of healing gifts and relics."
Jesus said: "My people, there are some saints whose bodies have remained incorrupt. This again is a special grace to show you these miracles, and it is a sign that one day your bodies will be resurrected with your souls. Some people have difficulty in believing things that they cannot see. These physical miracles are given to help those who are weak in their faith. Give praise and glory to Me for allowing these miracles to strengthen your faith."
Jesus said: "My people, some of you have witnessed further miracles in blood liquefying, statues or pictures weeping oil or blood, and a holy scent of roses in holy places. These are miracles to show that heaven is sad over the many sins and injustices being performed by man. You have witnessed this holy scent of roses at the place of My Crucifixion and with certain visionaries. All of these signs are again meant to witness the truth of My Word and to accentuate holy places."
Jesus said: "My people, you have heard many testimonies of near death experiences where some have seen heaven or hell. The life review that is experienced, wakes up many souls to the seriousness of their sins and how they offend Me. Some may see their place of judgment, but they are given a special grace to return to their bodies for a second chance to improve their lives. Most souls see the need to get closer to Me, but some will suffer more in purgatory for not changing their lives. Learn from these people why it is necessary to lead a holy life to gain heaven."
Jesus said: "My people, the souls in purgatory are truly suffering, but they are all

promised to be with Me one day in heaven. These are saved souls, but they need purification to make them worthy to enter heaven. These souls may be allowed at times to seek prayers from the living souls who may sense their need for prayers. I have asked you to have Masses and prayers said for the deceased, especially those in your family and your friends. You have witnessed many stories of how these souls in purgatory are requesting prayers. Remember to pray for the souls in purgatory, especially for those souls that no one is praying for."

June 30, 2011
Friday, June 17, 2011:Jesus said: "My people, in today's Gospel you have a kernel of life in My Words: 'Where your treasure lies, so lies your heart.' What is meant here is you either hold Me close to your heart or your money. Those, who are selfish, buy everything for themselves without regard for others. In this case their treasure is money, and this is where their heart is. For the Christian, you should share your wealth with the poor, the Church, and your family. If you are leaving out the poor, then you need to spend less on your family. When people are strapped with lower incomes and higher inflated expenses, then donations have to be cut back to balance the budget. Still make an effort to give something to your food shelves, the poor, or victims of natural disasters. Remember that I love a cheerful giver who does not hold back even a little for the poor."

June 30, 2011
Saturday, June 18, 2011:Jesus said: "My people, every day that is given to you is another opportunity to serve Me the best that you can. Your frail bodies are faced with your human needs for food, water, clothing, and shelter. But do not worry or be anxious over these needs because I know what you need, and I will help you to obtain them. Be prudent to do what is necessary, but do not spend more effort on that which is unnecessary. Be thankful that you have a job or an income to pay your bills. You can even provide help for those who are unemployed and in need of their necessities. (Matt. 6:33) 'But seek first the Kingdom of God, and all these things shall be given you besides.' Trust in My help every day and you

will not be anxious about today or tomorrow. The fire in the vision is how you are being purified as you are tested by evil temptations and the problems that come up. You may have to deal with health problems or repairs to your house or car. Whatever you have to face, keep a good disposition without letting things disturb your peace. Everyone has to face the same life situations that you are dealing with. It is how you deal with adversity that will test your true trust in Me."
Jesus said: "My people, this latest volcanic eruption in Chile is very much like the one in Iceland that disrupted many airplane routes because planes cannot fly through the ash. You are seeing another natural disaster that is causing large evacuations. I have warned you to have masks as a protection for the ash of volcanoes or deadly viruses. Some of this ash has already circled around the globe and is returning to the original site. If enough ash stays suspended in the upper atmosphere to block the sun, you could see a cooling effect and possibly a change in the weather. Chile has had some severe earthquakes and these events can trigger old volcanoes along the Pacific Rim. Pray for the people in this area to help them avoid any deaths by following their evacuation orders." (Cordon Caulle volcano)

June 30, 2011
Sunday, June 19, 2011: (Trinity Sunday, Father's Day)God the Father said: 'I AM is giving you this message as you celebrate one of My feast days along with your human fathers. My Son in recent days has given you My prayer in the 'Our Father'. You pray to Me in your rosaries and I love all of you dearly for remembering Me in your day. The first reading refers to Moses and the Ten Commandments that I have given to all of you as a means to live a holy life. You also are celebrating the Blessed Trinity as I had My only Begotten Son, Jesus, come and redeem you. The Holy Spirit brings life into your souls as you are conceived. The Holy Spirit is the love in the Spirit that unites Myself and My Son. Even as you are celebrating these feasts, I have given you a beautiful sunny day to share in My creation. You take for granted My many gifts that you should be thanking Me for in your prayers. Give praise and glory to all Three Persons of the Blessed Trinity."
Jesus said: "My people, what you are seeing in this vision is the current high

radioactivity still coming forth from these Japanese reactors. If you had a special viewer that could see radioactivity, you could see a green glow around the three reactors that suffered meltdowns. Even your latest news said that the water was too radioactive for people or robots to work on any repairs. As the water needs to be replaced to cool down the nuclear fuel, much of this radioactive water is being dumped into the ocean. After several weeks the radioactive iodine will dissipate. There still could be a bad effect on the marine life in this area. These reactors still need to be contained in some way as at Chernobyl. Until this heat can be controlled, you will continue to see this problem with radioactive water. Many countries are taking a new look at starting new nuclear reactors and even some are stopping existing plants. It will be difficult to take these nuclear reactors off line without some backup energy source. In addition to looking at nuclear plants, these same countries are searching for viable energy sources that are safe and can provide enough power to fulfill each country's needs. Pray for solutions to the energy needs that people are demanding from their power plants."

June 30, 2011
Monday, June 20, 2011:Jesus said: "My people, some people may question this talk of having a wooden plank in someone's eye. In the language of My day people used hyperboles or exaggerations of speech to make a point clear and obvious. Man has a tendency to want to correct other people's faults without thinking that his own faults may be just as bad. The message here is for everyone to work on his or her own faults and improve his or her spiritually before you can try to give advice to others about their faults. Do not be hypocrites in criticizing others for something that you are doing in your own actions. Allow Me to be the judge of people's actions because you each have enough to answer for in your own actions. Rather than criticize people, your best approach should be a good example of your own actions when you perform good works for others. Your actions speak much louder than your words, so be attentive to how you are witnessing your faith to others."
Jesus said: "My people, this incense cloud over My Real Presence in My Host is what you are seeing today. In the Old Testament there was a cloud of God the

Father over the tent of Moses. This love of God the Father and Myself radiates out from this cloud of power. My love goes out to all people who need both physical and spiritual healing. My power went out from the prophet to heal Naaman from his leprosy. That same power went out from My hands to heal the ten lepers. Even today, My healing goes out from My healing ministers to touch many with physical and spiritual healing. Give thanks to Me for all the gifts of healing that people are still experiencing."

Tuesday, June 21, 2011

June 30, 2011
Tuesday, June 21, 2011: (St. Aloysius Gonzaga)Jesus said: "My people, this account of Abram shows you his generosity in settling a potential problem over who should have which land. Lot chose the well watered land near Sodom and Gomorrah, and Abram was rewarded with a promise of many descendants on his choice of land. It is better to make peaceful compromises than to have constant wars that have occurred throughout history over land and money. This example of Abram could be an answer for the many wars that you are seeing in the Arab countries and in Iraq and Afghanistan. Some of these wars are instigated by the one world people for gain in money in selling weapons or for the oil on the land. The latest conflicts in the Arab countries are changing old regimes with a goal to raise oil prices by threatening the oil supplies. These powerful men behind the scenes are not seeking compromises, but they have a desire for control in money and power. Just as Sodom and Gomorrah were destroyed for their sins, so America is going to suffer its own demise because of its sins. Because man cannot learn from history, your people are doomed to repeat it with your own fall. Be prepared to leave for My refuges when the coming persecution will attack you."
Jesus said: "My people, there are some people who accumulate wealth for its own sake. I know what you need, and I will see to it that you have your necessities. Sometimes people have more trust in their money than they have trust in My help. Having too much wealth can corrupt people, and they may feel that they do not have to depend on Me. You would much rather store your spiritual treasure in heaven than be concerned about accumulating any money or gold on earth. Remember the Gospel reading recently that said: 'Where your treasure lies, so lies your heart.' If you have excess wealth, you could share it

with the poor or those in need in your family. Today's Gospel speaks of the golden rule which says to do unto others what you would want them to do to you. Following My ways of life will lead you to heaven through the narrow gate. Give praise and thanks to Me for all the gifts that I give you. Remember that you are dependent on Me for everything, even for those who do not realize or accept this truth."

Wednesday, June 22, 2011

June 30, 2011
Wednesday, June 22, 2011: (St. John Fisher)Jesus said: "My people, in today's Gospel I am warning you to beware of false prophets. The Antichrist, who is already announcing himself, will be claiming himself to be Me and the expected one of all religions. He will claim to be a man of peace, but he is a wolf in sheep's clothing. Do not believe in or worship this man, and do not take his mark or chip in the body. He will be truly possessed by a demon and he will have demonic powers to try and get you to worship him. After the Warning I told you to remove your TVs and computers out of your houses so you can avoid looking at his face and avoid listening to his voice. When he declares himself, it will begin the tribulation when I warned you to leave for My refuges of protection. Just as the early Christians were martyred for their faith, so these evil ones will be seeking to kill all Christians and patriots. This will be a time of persecution and evil that you have yet to see. This time will be occurring in your life time in the not too distant future. My Warning experience will occur first to prepare all souls for this time of evil. By the Antichrist's fruits of evil you will know who he is."
Jesus said: "My people, you are soon going to see a time of increasing persecution of Christians all over the world. It will be at that time when My faithful will need to seek out My refuges of protection. You will be led by your guardian angels to places of My Blessed Mother's apparitions; places of holy ground that have adored My Blessed Sacrament, or at monasteries; also at places of caves. I have asked you to have tents, sleeping blankets, and backpacks loaded with your physical and spiritual needs. You may need some food, water, clothes, flashlights and masks for several days of travel to the nearest refuge. If you have fuel, you can use your car, but have some bicycles in case you cannot find fuel. Call on Me to protect you from the evil ones who will be trying to kill

you. Living at My refuges may be difficult, but the tribulation will be shortened for the sake of My elect. During this trial you will be totally dependent on Me for providing you food, water, and a shelter. Pray daily for the strength to get through this test, but I will send you My Host every day for your spiritual food. Trust in Me that I will care for you, but you will be praying more for sinners than you are now. Give thanks and praise to Me for looking after My faithful in this evil age."

Thursday, June 23, 2011

June 30, 2011
Thursday, June 23, 2011:Jesus said: "My people, this story of Ishmael, the son of Haggar, represents the offspring of Abram from Sarah's maid. This was Abram's only heir until later when Sarah had Isaac. These two children of Abram were the beginnings of the Jews in Isaac and the Arabs from Ishmael. As you see the Middle East today, it is prophetic that these two peoples are still contesting for the land in Israel. I started My Church among the Jews and Christianity has spread throughout the world. Now in these end days you are seeing also a conflict between the Muslims and the Christians. As you approach the time of tribulation, you will see the Antichrist leading the Muslims against My believers who will be protected at My refuges. This history from Genesis shows you the roots of today's problems where these descendants are still fighting over the same land. Be grateful that I am giving My faithful the instructions for making refuges, and eventually directing My faithful to where they are located. My refuges will be My havens of protection until I return to defeat all of these evil ones."
Prayer Group:Jesus said: "My people, you know how much I desire peace and love all over the world, but the devil has stirred up wars and has encouraged hate among different nations. As individuals it is hard to stop the fighting, but My people can pray for peace and an end to hostilities. Wars result in death and destruction which is why wars do not have any good results. Work and pray to inspire My love among all peoples so you can live in harmony."
Jesus said: "My people, in several countries in Europe there have been financial threats of near bankruptcy. These countries, including Greece, have had to rely on the IMF(International Monetary Fund) and the European Union for funds to protect them from going into bankruptcy. As a means of securing needed loans,

Greece has been forced to set up austerity budgets which have put people out of work, and have allowed less money for entitlements. As a result of these austerity measures, the people have demonstrated in the streets against the government. Greece should be an example to America how your Treasury Bonds can also be downgraded because of your deficits and your increasing National Debt."

Jesus said: "My people, you know how much you are happy to be in your comfortable homes. Imagine if you lost your home to a natural disaster, and how lost you would feel. Pray for these homeless people, and help them in any way that you could donate your money or time to help them with their daily necessities. Some aid groups are giving some immediate help, but pray that they can get their jobs back and get back on their way to recovery. Clearing the debris and rebuilding homes takes a lot of money and effort by neighbors helping each other."

Jesus said: "My people, your country is having a period of high unemployment as a result of your recession and banking crisis. It is important for your children to get the best education that they can get because there are many people competing for every available job. Pray for your graduates that they could continue into college or find a good job for their livelihood. It is a nice celebration for their scholastic accomplishment, but they also need to be prepared to enter the work force."

Jesus said: "My people, you know how much I love all of you, but you also know that I think homosexual acts are an abomination. When Adam and Eve were the first people married, it was intended to procreate children in a natural setting of love. Throughout the years marriage between a man and a woman has been attacked by divorce, living together in sin without marriage, separation, and now homosexual marriage. Because your society is broken, it does not change My Commandments concerning the sexual sins. Any acts outside of the marriage bond are mortal sins and require Confession to be forgiven. This is why it is important to encourage your legislators to stand up for marriage of a man and a woman in voting against homosexual marriages."

Jesus said: "My people, world events are showing you how your financial system is approaching bankruptcy. With signs of problems in the oil countries, you are seeing potential fuel shortages and a coming world famine. You can also see that the one world people are about to introduce their new world order with the Antichrist as their leader. Because of all of these prophesies of evil coming, I have inspired certain faithful to set up refuges where the rest of My faithful may

come for protection. Pray for those who are building refuges and support them with your prayers and your finances."
Jesus said: "My people, you are seeing an increase in evil entering into power in the world. There are forces of good and angels on one side, and those in the occult with demons on the other side. I need My faithful to pray for My help in supporting you against the coming evil forces that you will be facing. The Battle of Armageddon is getting closer as you see the various nations lining up against each other. Prepare to go to My refuges, as some will be in this last battle fighting with Me."

June 30, 2011
Friday, June 24, 2011: (Nativity of St. John the Baptist)Jesus said: "My people, today's feast is one of the beginning steps of the coming of the Kingdom of God to mankind. Just as in the vision you see man building things, so you are seeing the beginning of how I built My Church. St. John the Baptist even heralded My coming as he stirred in the womb of his mother on My arrival in the womb of My Blessed Mother. Later, St. John baptized Me and My public ministry began as I taught the people for three years. My apostles spread My Christian faith to all the nations as My Church spread and grew to what it is today. As you look on the plan of My salvation, you are blessed with how My Church has guided souls through the years with My help. I have promised you that the gates of hell will not prevail over My Church."

June 30, 2011
Saturday, June 25, 2011:Jesus said: "My people, I prayed over many for healing when I was on the earth. Those, who had faith that I could heal them, were healed even when they only touched My garment. Some people, as in today's Gospel, saw healings even when I was a distance away. Even today, you can still see My healing of people when they pray and have faith in My healing power. I have also told you that during the tribulation, you will see luminous crosses in the sky over My refuges. Those, who believe, will receive instant healing when

they look on My cross. This is just how the people in the Exodus had their snake bites healed when they looked on the bronze serpent that Moses lifted up into the air. This same trust that healed the centurion's servant, will also heal all of My faithful who look on My luminous cross or drink the healing spring water at My refuges. It will be hard to find doctors and hospitals at My refuges, so you will have My healing power any time that you need it. Rejoice that those, who receive physical healing at My refuges, will also receive spiritual healing as well because I heal the whole person, both body and soul."
(Corpus Christi vigil) Jesus said: "My people, this feast is My most precious gift to all of you which is a gift of Myself. Under the appearances of bread and wine you receive My Body and Blood. In My Blessed Sacrament My true believers receive My Real Presence in Communion. As the priest mentioned, some people come to Mass out of obligation, but others come to be close to Me in My Blessed Sacrament. My true believers talk to Me in prayer in their morning offering, during the day, and in evening prayer. Those, who come to Mass every day, are coming because they want to, and not just out of obligation. Those, who visit Me in Adoration every day, are even in more love with Me. The consecrated Host is not just a piece of bread, but it is truly My very Body and Blood. Rejoice, that you have this gift of Myself that I have left with you on earth. Even during the coming tribulation, I will bless My faithful at My refuges when My angels will give you My daily Communion."

Sunday, June 26, 2011

June 30, 2011
Sunday, June 26, 2011: (Body and Blood of Jesus)Jesus said: "My people, you have been celebrating some graduations, but the people in North Dakota are losing their homes, their jobs, and their schools to floods. You may have a little inconvenience without power, but these people have also lost power and even a home to use the power. In the Southern states that have endured months of droughts, now many of them are dealing with fires that are burning thousands of acres. They continue to have scorching hot days without any rain. The vision of the gold bars is an example to show you that soon your paper money will be worth next to nothing because it has no intrinsic value. You cannot keep spending more money than you take in with taxes, and not have some consequences. Many of the disasters, money problems, and job losses are

coming as a punishment for all the killing of babies in abortion, killing in euthanasia, and your sexual sins. Now in your state and others, you have just accepted a law in your Legislature that allows homosexual marriages to be legal. You are insulting My laws against killing, and My laws against adultery, fornication, and homosexual acts which are all mortal sins. I destroyed Sodom and Gomorrah for less. You will have your wish for My coming to demand My justice against your sins and insults."1

Monday, June 27, 2011

June 30, 2011
Monday, June 27, 2011: (St. Cyril of Alexandria)Jesus said: "My people, Abraham found out that the Lord was going to destroy Sodom and Gomorrah, so he tried to bargain with God to save these people. He started with fifty just men and then came down to ten just men that if they were found, the Lord would not destroy these towns. Only Lot and his family of eight were found just, but not ten, so these towns were destroyed with fire and brimstone. Tradition in history has put this place near the Dead Sea where it is barren with traces of sulfur. These people were destroyed by the justice of God because of the evil of their sins that cried out for punishment. I have mentioned before how the same fate of My justice is being called for on America because of the cries of your abortions, killings in euthanasia and wars, and your sexual sins. Many of your natural disasters are a punishment for these sins. Pray for sinners in your country and for a stoppage of your abortions."
Jesus said: "My people, you have been hearing a lot about legalizing homosexual marriage between two men or two women. These unions are very unnatural, as I only intended marriage between a man and a woman in order to procreate the human race. All sexual acts outside of the marriage bond are mortal sins. They include adultery, fornication, masturbation, and homosexual acts. Even among married partners, they are to avoid birth control devices because every act should be open to procreation. These sexual urges and pleasures were meant for carrying on the human race, but they require a control of the passions. Remember to obey My Sixth Commandment and do not have impure thoughts about others outside of the married partners. There are many abuses of the sexual sins, and many go to hell because of them. Guard your eyes and thoughts so you do not let the devil lead you into sin. Ask for My grace to help you when you are

being tempted. By your prayers and controlling yourself, you can remain pure and chaste. If you do sin, you should go to Confession quickly because these are usually serious sins, and you do not want to risk dying in mortal sin."

June 30, 2011

Tuesday, June 28, 2011: (St. Irenaeus)Jesus said: "My people, this punishment of Lot's wife of being turned into a pillar salt is an example of how important it is to follow My Word, or you will face the consequences. In three or more instances the Bible records My justice of many being killed by My hand. One incident was in the Great Flood when I saved Noah. Another was the evil ones killed in Sodom and Gomorrah where I saved Lot and his family. Still one more was when I killed Pharaoh's army to save the Hebrews with Moses. These are all examples of My justice in punishing the evil people, but you also see My mercy in protecting My righteous people. You are all obliged to follow My Commandments out of love, and everyone will have an accounting for their actions. Be thankful that you can seek My forgiveness of your sins, instead of being punished with a violent death from My hand."

Jesus said: "My people, those, who live in the North or the middle of America, have been getting adequate rain levels and even a little excess. As soon as the rains become less frequent, then your people start watering their plants and yards more. It is more difficult for farmers to continually irrigate their farms because you need equipment and a large source of water. Any farmers in the deep South are having much less than normal rainfall, and it is almost impossible to have enough fresh water for irrigation. They need prayers for rain, but it is already getting late to have a good crop there. Pray that the rest of your country is more successful with their crops, or there could be some food shortages. Even other countries are seeing floods and bad weather for crops. If natural disasters continue at a high level, you could see the beginnings of a world famine. As the world's population increases, this also will put an extra demand on food and a place to live. Give praise and thanks to Me if you have enough food to eat and water for your needs. Fresh water is becoming a scarce commodity and a good share comes from rainfall. Some drier areas will need to look at membrane technology to desalinate ocean water to help provide enough fresh water for their needs."

June 30, 2011

Wednesday, June 29, 2011: (St. Peter & St. Paul)Jesus said: "My people, St. Peter was the first Pope who said to Me: 'Thou are the Christ, the Son of the living God.' I gave him the keys to the Kingdom of God as I would build My Church on him. The gates of hell will not prevail over My Church which I have protected over these many years. St. Paul was My missionary to the Gentiles, and many were converted to the faith because of him. You also were given his many epistles which have helped the faithful in directing their lives to Me. These two pillars and most of My apostles were martyred for their faith. The blood of the martyrs have become the seeds of many converts. Many Christians were killed by the Romans in an attempt to purge Christianity, but this did not stop the faith from spreading. You will see another physical persecution coming again, but I will be protecting My faithful at My refuges with My angels. Even St. Peter was released from prison by an angel."

Jesus said: "My people, if I asked My faithful who I am, you have been given the grace to say that I am the Second Person of the Blessed Trinity. Most important is that I am truly Present in the consecrated Hosts in every tabernacle. The red sanctuary lamp, that is kept burning, is a sign to you of My Real Presence. It is My very Presence in the tabernacle that makes all of My churches holier than any other religion. This is why when you come into My churches, you need to genuflect out of reverence for My Presence. Those, who receive Me worthily in Holy Communion, receive My graces to heal the wounds of their sins. Those, who visit Me in Adoration of My Blessed Sacrament, also receive extra graces for showing your love for your Lord and Master. My tabernacle is your oasis of graces for your soul. So when you come into My church, you can feel at home in the comfort of My Presence."

Jesus said: "My people, in areas that are too dry or areas with extreme hot or cold, you could grow your crops in biospheres or greenhouses. In such controlled environments you do not need as much fresh water to grow crops. You can control the humidity and temperature so the crops do not dry out or suffer from too much rainfall. This may be more expensive to operate, but you could take more of the risk out of losing any crops. On average a farmer expects some bad growing years, but the better harvest years make up for some of the

losses. If you can cut your losses, you could have money to pay for this extra equipment. Once you have invested money into such an operation, then you only need to maintain it with a little running expense. Controlling a proper environment for your crops will give you options on which crops you could get the most yield from. By having greenhouse production on a large scale, you could produce more crops around the year to satisfy the increasing need for food."

July 14, 2011
Thursday, June 30, 2011: (First Holy Martyrs of Roman Church)Jesus said: "My people, there are two accounts of today's healing of the paralytic at Capharnaum. The one account that was read at Mass was in Matthew(9:1-8). The second account is in Mark(2:1-12) and it explained more how the friends of the paralytic had to bring him through the roof of the house to get through the crowd. When I said: 'Take courage son, thy sins are forgiven you.' the Scribes thought I was blaspheming because only God in their eyes can forgive sins. I explained to them that the Son of Man has power on earth to forgive sins, and then I healed the paralytic. Many of the Scribes and Pharisees did not want to believe that I was God Incarnate, or they would have understood where My authority came from in forgiving sins and healing people. In most of My healing miracles, I healed both the body and the soul, and that is why I forgave the man's sins first. The first reading about Abraham is also powerful in that he was willing to offer his only son to God as a sacrifice that I had requested. His hand was held back, and he offered a ram instead. This is similar to how I also was God the Father's only Son, and I was given up as a sacrifice for all of mankind's sins. Another similarity is how Isaac carried the wood on his back up to the altar. I also carried the wood of My cross up to the hill of Calvary, and I was sacrificed on the cross."
Prayer Group:Jesus said: "My people, this sign is truly one of My coming

Warning that is getting closer every day. You are seeing many natural disasters occurring, but still your people have not changed their sinful lives that are even getting worse. You have been reading of Sodom and Gomorrah, and America is also crying out for My justice. The people need My Warning experience to wake them up spiritually to see how they need to change their lives of sin. When you come before Me in your life review, you will see where you are headed. This experience will change many lives, and create a strong desire for Confession. Have your soul constantly purified to be prepared for this spiritual cleansing."

Jesus said: "My people, all of you have a set number of days on this earth. This is why it is important to use your precious time wisely in letting Me lead you to accomplish the mission I have given you. Many are concerned with focusing on their own activities without allowing Me into their lives. Call on Me for your daily agenda so you can spend your time working for Me, more than for yourselves. I love all of you and I want you to love Me and your neighbor. When you do acts of charity out of love, you accomplish more than doing things just out of obligation. Allow Me to walk with you in all of your activities, and I will guide you on the right path to heaven."

Jesus said: "My people, at times My people make their own projects, and they start out without praying first. You have seen how you have more difficulties in doing things on your own. I have asked you many times to consult with Me in prayer first when you are discerning your work projects. Pray for My help before you start, and you will see how much more you can accomplish with Me helping you. After any successful conclusion to your work, remember to thank Me for helping you. You cannot do anything without Me, so recognize this in everything that you do."

Jesus said: "My people, you honor many of the saints' feast days, but you also should try to follow the good example of their lives by imitating their work. The saints should be your models to follow, which is why reading their saintly lives would be educational for your spiritual lives. It is not impossible to live a holy and saintly life, but it requires hard work and My help to avoid temptations and follow My directions. Even imitating My life of love would be another good example to follow. Do not be satisfied to just make it into purgatory, but strive to be in the higher levels of heaven."

Jesus said: "My people, you think of rest usually in terms of resting the body in sleep. There is also a spiritual rest that only I can satisfy. Many find this rest in the spirit when you receive Me in Holy Communion, when you are before My Blessed Sacrament in Adoration, or when you pray your rosary or are in

contemplative prayer. Just as you rest your body at night to renew your bodily strength, so you also need My spiritual rest so you can renew your strength to fight the devil's temptations. Any time, that you spend with Me, will be much more fruitful than the time that you spend on worldly concerns."
Jesus said: "My people, in the morning you offer up your good works to Me, and at night you should take some moments to contemplate your actions of the day. Any faults that you committed can be forgiven, and you need to learn from your mistakes. From time to time you need to confess your sins at least monthly, and even sooner if you have any mortal sins. If you do not make time for this nightly recollection, then you are missing an opportunity to improve your spiritual lives. Also, if some people give you some good advice on how to change your life, do not dismiss it, but learn from how people view your actions. The closer you come to Me in letting Me lead your life, the more I can give you the grace to be holy."
Jesus said: "My people, there are some people who are constantly seeking greener pastures to enrich themselves in this world's possessions. You do not need the latest gadgets, new cars, or new homes. It is sufficient to live a simple, holy life with only the necessities to live. This life is too short to spend most of your time seeking out earthly possessions. Be satisfied with your daily lot without seeking more than you need. Focus more on helping others and sharing your wealth, time, and talent. By having the right priorities in life centered around Me, you will be rich spiritually which is more valuable than earthly wealth."

July 14, 2011
Friday, July 1, 2011: (Sacred Heart of Jesus)Jesus said: "My people, I am showing you how you will be passing through the darkness of a tunnel which represents the time you will spend during the tribulation. At the end of the tribulation you will also see the three days of darkness when I will conquer the evil ones and renew the earth. There will be trials while you are at My refuges, but do not be afraid because My angel will protect you, as you will be made invisible. When you see the corners in this tunnel, it means that these events will be just around the corner in your time. Before these events occur, I will be sending you My Warning experience to prepare everyone for the trials that are

about to take place. You will be warned not to take any chip in the body and not to worship the Antichrist. You also will be warned after the Warning to remove your TVs and computers from your homes so you do not see or hear the Antichrist. You will have a life review outside of your body and time, so you will know how your sins offend Me. You will be put back into your body and given a second chance to change your life starting with a good Confession. When you see the world famine, the division in My Church, martial law, and chips in the body become mandatory, then you will know it is time to seek out My refuges for protection. Follow My directions, or your soul could be lost to the Antichrist."
Jesus said: "My people, this Mass is honoring My Heart of love which loves every soul that was ever created. This burning flame in My Heart on the picture is how My love is ever burning for all of you. I want My faithful to love Me as well with all of your mind, heart, and soul. My love for all of you is unconditional, even when you offend Me in sin, or when some people do not accept Me. I wait for all of you to seek My forgiveness of your sins, just as the father waited for his prodigal son to return. I thank all of My faithful souls who honor the love of My Sacred Heart and My Blessed Mother's Immaculate Heart. Coming to both Masses at 11:00 p.m. and 12:00 a.m. is an extra effort that will give all of those here present My abundant graces for your devotion."

July 14, 2011
Saturday, July 2, 2011: (Immaculate Heart of Mary)Mary said: "My dear children, the devotion of loving our two hearts is a powerful way to gain graces for your soul. My Immaculate Heart and my Son's Sacred Heart are a beautiful picture to have in your room. This picture gives witness to others of how much you love us, and how much we love you. As a loving mother, I put my mantle of protection around all of my children. I am always working to bring you to my Son, Jesus. In today's Gospel St. Joseph and I were deeply concerned where Jesus had gone. I did not always understand why my Son did things as this instance in the Temple. Jesus then returned with us to Nazareth, and He was obedient to our guidance. My children also need to be obedient to my Son's laws out of love for Him. By allowing my Son to be Master of your lives, you will be on the right path to heaven. Our two hearts love all of you, and we want all of

you to be with us in heaven for all eternity."
Jesus said: "My people, the Jews were expecting a Messiah to be their king and victor over the Romans. Instead, I came as a babe in a manger, and I was a son of a carpenter. I was truly the Messiah that was foretold in the Old Testament, but I was a humble servant and not an earthly king. I was humble, but I taught with authority. I healed many, and I performed many miracles that only God could do. I did not come to conquer armies, but I encouraged people to be loving, even of their enemies. I came more as a spiritual ruler, and My Kingdom is in heaven. I did bring the Kingdom of God on earth, but it was not a military kingdom. The Scribes and Pharisees saw the miracles that I performed, but they did not want to believe that I was God Incarnate. I came as a suffering servant to die for mankind's sins. I did not seek out fame for Myself, but by My death on the cross, I conquered sin and death. My Resurrection is the greatest miracle that these leaders could not believe. Give thanks and praise to your Savior who has brought salvation to all souls who desire to accept Me and love Me."

Sunday, July 3, 2011: (46th Wedding Anniversary)Mark said: 'I am Mark, and I stand before God. I want to congratulate you and your wife on your 46th Wedding Anniversary. I am carrying your coat of arms as a protection for all of those in your family. You have three beautiful children and eight grandchildren to be thankful for. When you see only 30% of your country's households with a mother and a father, you realize how rare it is to find people married 46 years to the same original partners. Of those who are married, only 5% remain married this long. Your country's morals have been corrupted, and it started with the breakdown of your families. Almost half of your marriages end in divorce. Then you have some that live together without marriage. Now, even a few percentage of couples are homosexual marriages. Do some research to compare the current with older statistics on marriage."

July 14, 2011

Monday, July 4, 2011: (Independence Day)Jesus said: "My people of America, I commend your people for having 'under God' in your pledge of allegiance to your flag. You also have 'God' in your Declaration of Independence. While you have given Me honor in your documents, your country has prospered. Now though, you are removing My Ten Commandments from your public buildings, and prayer has been taken out of your schools. Do not let the atheists dictate their 'no religion' ways to you in your so-called political correctness. While you have freedom of speech and freedom of religion, you need to voice your praise of Me while you can. Your leaders and some of your people have turned their backs on Me because their true colors of unbelief are showing through. Once your country ignores Me, you will remove what has made your country great. Your biggest threat to freedom comes from the one world people and the central bankers, and not foreigners or terrorists. They are working towards total control of all of your rights, and their puppets control your government and your money. These evil ones are bringing your country to bankruptcy by your over spending and your extensive deficits. Pray for My help, but unless your people change their worship of money and possessions, America is headed for its demise." Jesus said: "My people, your government is being collapsed from within by the votes of your Congress and your President. That is why the top of the Capitol Building in the vision has collapsed. These representatives supposedly are elected by the people to serve the people, but they are only serving their one world masters. It is the plan of the central bankers to bankrupt your country so they can take it over with martial law. They want total control with no independence. They want to control everyone and make them dependent on their new world order. This is why you are seeing the Capitol Building rebuilt in a different shape. These evil ones want to takeaway your money and your sovereignty rights so they can make America a part of their North American Union. Once they take over, you will have no rights, and they will be like dictators over everything. This is why Americans need to pray, and take back control of their government before it is too late. It is not too late to vote out the socialists who are leading you to ruin with their unsustainable spending. If your deficits and debts are not brought under control, then your money will become worthless. Stand up and struggle for your rights before they are taken away."

Tuesday, July 5, 2011

July 14, 2011
Tuesday, July 5, 2011: (St. Anthony Zaccaria)Jesus said: "My people, in this account of Jacob wrestling with a man from God, Jacob had his hip socket wrenched. He was also given a new name, Israel. This name is the name of this Jewish state even till today. The twelve sons of Jacob divided the land with each area named after one of the sons. These accounts in Genesis were the early beginnings of Jewish history. This is the chosen people to whom I would come through the line of King David. Many of the prophesies in the Old Testament were fulfilled in My few years on the earth as a man. God took the form of a man in this account with Jacob, and later I took the form of a man also so I could die for mankind's sins. There are many parallels in Scripture with the Old and New Testaments. Even in the coming tribulation, you will see a modern day Exodus to your refuges, much like God helped His people in the early Exodus." Jesus said: "My people, America has become a throw away society for many of your necessities. This vision of the short life time of a battery is one example of how many expended batteries are winding up in your garbage cans and landfills. Rechargeable batteries have a lot longer use and they should be a better use of your materials. Water bottles instead of filtered water is another example of your waste of things. Minimizing this urge for so many disposables in favor of recycling is a much better way to preserve your environment and My creation. My people need to consider how you are going to pass on your land to your children. You have left many scars on the land with your mining for things, and your many landfills will have future homes on them. Even as you work to minimize your disposals and waste streams, you also need to think of how you can clean up your spiritual lives as well. Your souls are not disposable because they live on forever. All of your actions have consequences, and you will have an accounting for them at your judgment. You do have a way of recharging your soul's lost graces by coming to Me in Confession to have your sins cleansed and My graces put back into your soul by this sacrament. By frequent Confession you can keep your soul pure so you are always ready to meet Me at your judgment. Keep working to keep your environment clean as well as your soul."

Wednesday, July 6, 2011

July 14, 2011
Wednesday, July 6, 2011: (St. Maria Goretti)Jesus said: "My people, today's

Mass intention was for the poor souls in purgatory. This is why you are seeing the souls suffering in the flames of lower purgatory. The souls in purgatory have to rely on Masses and prayers from their relatives in order to help them move through the levels of purgatory up to heaven. You experienced movement through the flames, but it was very slow and not always in an upward direction. If you personally experienced the life of a soul in purgatory, you would understand more their struggle with the burning sensation of the flames, and their being deprived of any presence of Myself to them in their condition. Some people think that all souls go to heaven after their death, but this is granted to very few souls at death. This is why the soul's relatives do not realize what the soul is going through. Masses and prayers are very important to these souls, and My people should not forget to pray for your deceased members of your family who could still be suffering in purgatory. Do not be lazy because they are in deep need of your help. In your daily prayers keep remembering to pray for the souls in purgatory, especially those in your own family. Remember to have Masses said for the deceased at their funerals. Know that most souls who do not go to hell, are in some need of purification in purgatory before they are worthy of entering heaven."

Jesus said: "My people, many reports on the news are focused on raising the debt ceiling that is being linked to some difficult $4 trillion in cuts for spending over ten years. Entitlement projections for just Medicare and Social Security are adding trillions of dollars beyond your income that will soon be out of money. America cannot afford $1.6 trillion yearly deficits. These deficits have to be financed by entities buying your Treasury Notes. China has a huge trade imbalance between your country, and they were buying your Treasury Notes up until now. They now want to buy your land and industries instead, meaning it will be hard to find large investors to buy your bonds. If your bonds cannot be sold, even with large interest rates, then your country will default on its debt obligations, and your dollar will become worthless. This crash of your economic system will go bankrupt even if your Congress passes some budget cuts. These concerns about financing even your current debt could create a world depression and a martial law takeover when you will see riots in the streets. The one world people are behind your coming financial collapse, and they are waiting to place America into the North American Union with a new currency. When this collapse comes, My people will need to flee to My refuges for your protection from these evil ones who want to kill you. Trust in My protection during this coming tribulation, and I will provide for your needs."

Thursday, July 7, 2011

July 14, 2011
Thursday, July 7, 2011:Jesus said: "My people, you have been spoiled most of your lives in America with always having plenty of meat, bread, and vegetables available for your meals. Treasure the food that you have today because when the famine comes, it will be difficult to find food. I have been warning you in My messages to have a year's supply of food on hand when financial hard times will come to America. This food will be needed before you will need to go to My refuges for safety. Once bankruptcy, martial law, and mandatory chips in the body come, it will be necessary to go to My refuges because of riots in the streets for those looking for food. I know what each of you need, and I have helped you to get by in this bad economy. During the coming tribulation, it will be difficult to avoid the evil people who are working with the Antichrist. This is why I have had some people set up refuges where My angels will protect you by making you invisible. All of the preparations of backpacks, tents, blankets, and some food and water will be needed on your way to My refuges. Give praise and thanks to Me for preparing you both physically and spiritually for this evil trial."
Prayer Group:Jesus said: "My people, America has had many scientific accomplishments with its Space Shuttle program. It has helped in constructing the International Space Station. Other programs are being planned, but the financing is being reduced, as are other needs. It is still sad that man can make great accomplishments in space, but he is still having continuous wars with different factions. Pray for peace between nations, and pray for an end to your hostilities."
Jesus said: "My people, you have seen a very deadly tornado season where 537 people have died from tornadoes, and many billions of dollars of damage has occurred. This is the most deadly year in your recorded history. Add the destruction to flood damage and fire damage, and you can see how natural disasters are making serious problems for your weak economy. Pray that your disasters will be minimized for the rest of the year."
Jesus said: "My people, some people are concerned that if the debt limit is not raised, there could be some serious problems in allowing government spending to continue. Some Congress members are trying to cut the deficits as a condition for raising the debt limit. A true compromise could involve cuts to entitlements,

and some reduced tax deductions for those considered to be in the high income level. Even the proposed cuts are only a down payment on what is needed to come even close to a balanced budget. If your Treasury Department has a difficulty in selling its bonds, you could see the Federal Reserve start QE3 in order to bail out your deficits. Even these solutions cannot head off your eventual bankruptcy which will be a great distress on those depending on government entitlements. Be prepared for this coming failure of your banking system which will also be a time to come to My refuges."
Jesus said: "My people, in many parts of your country you are seeing serious drought conditions that will also be bringing water restrictions as well. Farmers are seeing very little rainfall in the summer, and this poses problems in growing their crops. People, who live around the Great Lakes have a great treasure in this large amount of fresh water. Other areas rely on aquifers or well water which is being strained as the water levels go down. Pray that people have sufficient water for your daily needs."
Jesus said: "My people, you have abortions in all of your states, and some states are allowing homosexual marriages, and even euthanasia. Your laws are being corrupted as well as your morals. America is being destroyed from within by your poor choices in allowing your laws to defy My laws. Just as the Roman Empire fell from within, so America is going down the same road to your ruin."
Jesus said: "My people, you have seen a slight decrease in your gas prices, but now the oil prices are increasing, which could raise gas prices in the future. You can observe the value of the dollar slide as your commodities in gold and silver will be increasing. Your dollars are not backed by anything of value, that is why the intrinsic value of oil and metals will become higher as measured in dollars. Read these signs of the coming failure of your money system as this will bring on a time to leave for your refuges."
Jesus said: "My people, your precious time is like the sand just about to empty from the upper bulb. Satan has been given a set time to tempt man and a limited tribulation time. This time is running out, and you will soon see My Warning come to prepare sinners for the coming tribulation. I will give sinners a chance to have their sins forgiven and a chance to convert their lives from sin. After the Warning you will see many things quickly bring the Antichrist into power. Be prepared to go to My refuges for protection during the tribulation."

Friday, July 8, 2011

July 14, 2011
Friday, July 8, 2011:Jesus said: "My people, for many years I have provided a home and food for you to survive in this world. Even during the coming tribulation I will be taking care of your needs. In the Old Testament Jacob and his family had to leave their home and travel to Egypt where Joseph had rations of grain for those suffering in the famine. In the Gospel I spoke of how My faithful and My apostles would face persecution for their belief in Me. All of these events will be happening to My faithful of today. The persecution of Christians will be getting worse as the Antichrist will come to power. Fortunately, I am preparing refuges for My people to come to where My angels will protect you. You will also have to leave your homes so I can shield you from those who will try to persecute you. You will be living a modern day Exodus at My refuges where I will provide for your food, water, and shelter. Trust in Me to provide for all of your needs."
Jesus said: "My people, this clock in the vision represents how things change with time. Those things that change are mortal and temporary, but those things that do not change are immortal and last for all eternity. Think of things that change or grow old. Your bodies grow old and return to dust, making your bodies mortal. Your cars rust out, and your homes could fall apart over time. There are also things that do not change. The Blessed Trinity has always existed and We are continuing to rule. Your soul will live forever, so it is immortal. My Words also will last forever, as My laws never change. By seeing what is temporary and what will last forever, you have a true sense of what is more precious. Your soul will live beyond this life, so you need to do everything so your soul can be saved with Me in heaven. Do everything that you can to show your love for Me and your love for your neighbor, and I will see to your reward in heaven."

Saturday, July 9, 2011

July 14, 2011
Saturday, July 9, 2011:Jesus said: "My people, some people would be amazed how loving and kind Joseph was to his brothers, who sold him into slavery in Egypt. But Joseph realized that I took something evil, and I turned it into something good. Joseph used his gift of interpreting the Pharaoh's dream to determine how to protect many people. He saw seven fat cows as seven years of

plenty to store the grain, but then he saw seven skinny cows representing seven years of famine. By preparing for the famine, Joseph was able to have grain for many neighboring peoples, including his own family. Do not lie as the brothers did in order to save their lives. Instead, see how I can change many bad situations into good results, because I can do the impossible. This is why you need to trust in My ways to provide for My people. Just as Joseph was able to prophesy the coming famine, so I have been giving you messages to prepare for a coming world famine. I have advised My people to have a year's supply of food as Joseph saved the food for his famine. This will be needed before you will have to go to My refuges. All of the people, who are making refuges, were also advised to store food and have an independent supply of water. My angels will make you invisible, and I will have deer come into your camps for meat. My angels will give you daily Communion as your spiritual Manna. Be thankful that I am preparing refuges of protection for My faithful to protect them from the Antichrist of the coming tribulation. I am taking an evil time, and I will be using it to help My faithful lead saintly lives. By stripping your worldly possessions, you will lead simple, holy lives of prayer."

Sunday, July 10, 2011

July 14, 2011

Sunday, July 10, 2011:Jesus said: "My people, today's Gospel was long because I gave the parable of the Sower of seed which I explained to My apostles that the seed is My Word. My Word of Scripture is available to everyone, but not everyone takes the time to read My Word in the Bible to understand My love for man. In days before I came to the earth many wanted to see Me, but they could not, and many wanted to hear My Word, and they could not hear it. So My people are fortunate to see Me in the consecrated Host and receive Me in Holy Communion. You also can read or hear My Word and meditate on understanding My explanations. Give praise and thanks for all of My faithful who were graced to be planted in good soil where they have produced a hundred, sixty, and thirty fold. Pray also for all the lukewarm who are not strong enough to come to Me on their own."

For France: Jesus said: "My people of France, you have been blessed by My Blessed Mother who is watching over your country. The rain in the vision represents how My Blessed Mother rains down My Word on you as she brings

Me to you. She is protecting you with her mantle of protection and there will be several places of refuge that will be spared any destruction. Notre Dame will be one of these places that will be a refuge during the tribulation." Note: Marie Anne was actually married in Notre Dame Cathedral on December 8, 1972. Jesus said: "My people, some refuges may be on farms where it is difficult to farm grain crops to feed cows or other animals. The manure can be composted for fertilizer for the crops. Getting seed to grow grain crops may require heirloom seeds so some seed can be harvested every year for the next year's crop. The milk can be used to make butter and cheese. With a pond for a source of water, this could meet the needs for drinking and washing. Harvesting the grain usually requires machinery that runs on gasoline. At such refuge farms I will multiply the gasoline in the holding tanks. If some woods are available, you could use wood to heat your home during the winter. If you only have propane or natural gas out of the ground, I could multiply your fuel for heating. In order to survive on your refuges, you need to harvest some food for both your animals and the people at the refuge. You need a good source of water and a means to heat in the winter. I will supply deer for meat and My angels will give you daily Communion. Trust in My angels to shield you and My luminous cross to heal your ailments. My angels will also multiply your bedding and buildings to provide places to sleep. At My refuges of protection you can trust in Me to supply all of your needs. So do not worry what you are to eat, drink, or what you will wear. My people will have much work to perform, and more time for praying. Give thanks to Me that I will protect you from the Antichrist and his evil people."

July 14, 2011

Monday, July 11, 2011: (St. Benedict)Jesus said: "My people, you have been in a monastery to see how the monks sing, pray, and do their chores. Even some monasteries have retreats, or have bakeries to sell bread. The monastic life can be a difficult life for those who are more worldly, but the dedication to prayer and good works is very good for the soul. Even people, who live in the world, should find time for Me in your prayer life. Giving Me a part of your day is how you can keep connected in your love relationship with Me. Your daily Mass, prayers, and Adoration may be more than most people do, but it is still beautiful

to Me how you can keep faithful to Me. Even at your Adoration time, I asked you to spend five or ten minutes in silent contemplative prayer of listening to Me talk to your soul. When you live with the noise of the world every day, it is hard to focus on your discernment of carrying out My mission in your life. You are constantly petitioning Me with your prayer requests, but you need to be quiet at times so I can talk to your heart. I ask you also to allow Me to be Master of your lives, so you can keep your focus on Me and let Me be the center of your lives. When you let Me help you in carrying your daily cross, truly your burden will be lighter, and you will have My peace in your soul."
Jesus said: "My people, many people are curious how you could go up to heaven and where heaven is. My apostles watched Me ascend into the clouds as I returned to heaven. Moses also was drawn up into heaven without anyone seeing him. Elijah was drawn up into heaven by a fiery chariot. (4 Kings 2:11-12) This is why Moses and Elijah appeared with Me at My Transfiguration on Mount Tabor. Jacob's Ladder (Gen. 28:10-19) was also a mystical way portrayed in the Bible to show how you could keep rising on each step with one of your good deeds. By striving to lead a good life by one step at a time, My people can also climb their spiritual ladders to greet Me in heaven for their judgment."
On the Warning: Jesus said: "My son, you have asked for a confirmation of how long a time it will be that people will be allowed for conversions after the Warning occurs. I have told you in previous messages that there will be a short time after the Warning for My faithful to help bring the fallen away Christians back to the sacraments. This time would not be very long because the Warning will come right before the major events that would lead up to the declaration of the Antichrist. This will also not be too short a time in order to give people a chance to learn the faith or be reconverted. The six weeks that I have mentioned to you is about the right length of time to accommodate the evangelization of souls. Once you see the Warning occur, you could have your family come to the same refuge. Once souls have time for conversions, then you will see the events lead up to the declaration of the Antichrist and the beginning of the tribulation."

July 14, 2011
Tuesday, July 12, 2011:Jesus said: "My people, at times you make sharp criticisms of people, or rash judgments of their actions. As you see Me passing

judgment over Sodom and Gomorrah, as well as the towns of Israel, you should understand that all judgments should be made by Me. It is not your place to make judgments on others, because it is My appointed task, and because you do not always know all the relevant facts. You all have enough faults of your own that require your improvement without concerning yourself with making judgments of others. One situation does require correction, and that is when you see people giving bad example in moral cases. If someone is teaching heretical facts against the faith, or they may be living in sinful relationships, you should go to them and warn them of their errors, because they could be leading souls to hell. If they refuse to listen, then you should go to a higher authority. You need to give good example to those around you, and do not be hypocrites in your actions."

Jesus said: "My people, I have given you a message on how hot it is going to be during the summer. (6-12-11) You are already seeing people dying from heat strokes, as record high temperatures are being recorded. You have two problems. The one is the ongoing droughts that are causing many fires. The other problem is finding sources of fresh water, especially in hot weather. In the West and the South people rely on snow melt water and well water. It is hard to disperse river water between cities and farm use. The well water for irrigating farms is getting harder to obtain because well water and aquifers are going deeper, so it is difficult to drill that far down. If the jet streams continue to carry rain away from these drought stricken states, then farmers will lose their crops and lawns will dry out. Water will have to be restricted to drinking and minimal personal showers. If reservoirs get very low with no rain in sight, even more restrictions may be applied. If the water runs out, then salt water from the ocean may need to be converted to fresh water just for drinking alone. If these high temperatures persist over the coming years, then other supplies of water may need to be found. Pray for your people who are suffering with such water shortages."

July 28, 2011

Wednesday, July 13, 2011: (St. Henry)Jesus said: "My people, you are familiar with how a signal light works. When the light is red, you are to stop, and when it is green, you can go. When you look at My Ten Commandments and My Church laws, these are My guides to leading a holy life. Some laws are to do things out

of love as in loving Me and your neighbor as yourself. You are asked to come to Mass on Sunday, honor your parents, and to help support your local church. The other laws deal with things that you should not do as no swearing, no killing, no lies, no stealing, and not coveting or being envious of your neighbor's goods or his wife. These dos and don'ts are similar to the signal's green and red lights. It is one thing to follow My laws out of obedience, but it is even better to follow them out of love for Me, and your desire not to offend Me in your actions. I asked My disciples and My people to follow Me and imitate My life as a model for their behavior. Many of your choices involve a desire to let Me lead your life, instead of wanting to do everything according to your own ways. It is this conflict between My ways and man's ways that test your soul every day. If you follow Me in all that I ask you to do, then you will be assured of your reward in heaven."

Jesus said: "My people, in the last hundred years or so there have been many people who received visions and messages from My Blessed Mother. There have been many faithful believers that think heaven is sharing messages with visionaries. You have seen many sites in the mountains where My Blessed Mother has appeared. Not all of these places have been approved by My Church leaders. My people need to test the words given, and any good fruits that are coming from these places. Some people have seen miraculous healings both in physical bodies and spiritual healings. Some have seen the spinning sun in various colors, or even rosaries changing colors. The most important fruit is that many souls have had their spiritual lives healed and enhanced by coming to places of Marian apparitions. You, yourself, had a healing of a computer addiction, and you were given a mission to prepare people for the tribulation time. These conversion stories are signs of the good fruits that are coming from these places of apparition. One of the other important uses of these sites, is that they will serve as places of refuge to protect My people from the evil ones. In addition to these sites, there are many holy ground places that have adored My Blessed Sacrament, along with some monasteries. Even caves will provide safe havens for My people. Give thanks and praise to God for enabling these refuges to be provided for your protection. Listen to the words of the messages given, and you can discern the true refuges where My Blessed Mother has appeared."

July 28, 2011
Thursday, July 14, 2011: (Blessed Kateri Tekakwitha)Jesus said: "My people, when Moses asked God the Father what His name is, the reply was: 'I AM who AM.' (Exodus 4:14) This name was to signify that God has always existed, even before creation. It is spoken in the present tense also to mean that God's existence will always exist. It is difficult for man to describe or know God fully, so this description in a name gave people a small sense of who He is. Moses told the people this name, and he went on to lead his people out of Egypt to the promised land. I used this same expression when the Jews questioned who I am. I told them that Abraham rejoiced to see My day, and they could not believe that I could have seen Abraham. Then I said to them: (John 8:58) 'Amen, amen, I say to you, before Abraham came to be, I AM.' This was the same name that God the Father used, but We are both persons of the Blessed Trinity, so I spoke the truth. The people then tried to stone Me to death thinking that I blasphemed. I am truly a God-man, but the people of My time could not accept that I was the Messiah and God at the same time. Today, My people accept Me as a God-man by faith, as you know that I am the Second Person of the Blessed Trinity."
Prayer Group:Jesus said: "My people, your bureaucracy in Washington, D.C. is over regulating your businesses to the point that small businesses are struggling to survive. Your Federal Drug Administration (FDA) is now about to attack your vitamin and herbal supplement businesses by demanding so much regulation to approve their products. It is their intent to ruin this source of alternative medicines and supplements as this will indirectly help your large drug companies. Many natural products can prevent diseases, but the FDA is determined to allow only doctor approved regimens. I have warned people to stock up on their supplements before they may not be available."
Jesus said: "My people, for a long time it has been the American dream to have a new home. Your housing market has been under duress ever since the housing bubble broke. Many homes have lost value to much less than the original mortgage. Because of lost jobs and bad loans to people who could not afford them, you are still seeing many foreclosures. It has become difficult to get housing loans as banks are more reluctant to loan money. Until the supply of available homes can be reduced, this industry will drag down your economy. Pray for all those people who are having difficulty in securing some kind of a shelter."
Jesus said: "My people, there have been many debt limit meetings between the President and your Congress, but little substance of an agreement has been

reached. One side does not want any new taxes and the other side does not want any changes made to the entitlements as Social Security and Medicare. The Federal Reserve, the Treasury Department, and even the bond rating agencies have voiced their fears if the debt limit is not raised, and some deficits reduced. Even some are suggesting a possible stoppage in delivering Social Security checks. The inability to reach a compromise has now endangered America's credit rating. Unless some changes are made soon, there is a risk of a default on your National Debt. Pray that a compromise can keep your country from going into default."

Jesus said: "My people, America's creditors are knocking on your door to demand your country start controlling its deficits without creating more bonds made from thin air. They are telling your Government that your interest rates will be raised when your credit rating is reduced. Greece and other nations are now paying more interest for their junk bond status. America's Government better heed these warnings, or bad things will happen such as painful austerity budgets. Your budgets are out of control, so pray that your lawmakers can make some needed corrections."

Jesus said: "My people, in the spring you had many areas that were getting more rain than usual. Now, with droughts and little rainfall in the last two months, your crops are being threatened. I keep warning people to stock up on at least one year's supply of food in case world food reserves decrease to a dangerous low. Water will also need to be stored. Pray that more rain may come to your parched lands before many crops could be lost."

Jesus said: "My people, there is a growing concern over your current 9.2% unemployment rate because unemployment checks are ending and these unemployed workers are losing their skills without working. Your government stimulus programs have not supplied many jobs because generating jobs needs to come from the private sector. With cutbacks in government programs, your federal and state governments are actually laying off people. Pray that your uncertainties can be removed so your companies can hire more workers."

Jesus said: "My people, you are all dependent on Me for all of your needs, whether it be your employment, your food, or paying your bills. More people are coming to Me with their prayer petitions which is a sign of how many families are dealing with financial problems just to survive and make ends meet. Some are working multiple part-time jobs because full time jobs are not always available. Keep working the best that you can because this life is going to change to My Era of Peace. Pray for My protection as you will be safe at My

refuges."

Friday, July 15, 2011: (St. Bonaventure)Jesus said: "My people, I have given My faithful many messages about preparing refuges and taking things to My refuges. Those, who do not go to My refuges after I warn you, will be picked up by the UN troops dressed in black and brought to the prisons at your detention centers. Those, who refuse to take the chip in the body, will be gassed and cremated as the Jews were in Germany. The one world people will kill all those who do not want to support their new world order. The Christians and patriots will be their targets. Just as in the Gospel, there were Jewish leaders who harassed the people for not following the least letter of their laws, which were sometimes mere human precepts. My people need to follow the spirit of the law out of love for Me. Even today various governments are harassing their people with rules and regulations that are nearly impossible to follow. This is the way your leaders and czars are holding authority over you. When your laws are too complicated to live by, they will be hard to enforce. But these controls over you will become so stifling that they will control you like robots. When these evil ones try to demand mandatory chips in the body, it will be time to refuse such chips, even under threat of death. If you do not, these chips will control your free will. Leave this society to go underground at My refuges where I will provide for your needs and your protection. This time of persecution will last less than 3 Â½ years when I will bring My victory, and these evil ones will be cast into hell."

Jesus said: "My people, microwaves are very powerful electromagnetic radiation that can be dangerous to humans, animals, and even insects. These towers in the vision are transmitting powerful signals to both satellites and cell phones. You use microwaves to heat things in a short time, but they can be harmful to your bodies as well. Holding cell phones to your head could possibly cause brain cancer over time like cigarettes affect your lungs. It is better to use ear pieces to avoid being close to the microwave source. You have been sending out microwave signals for your TV transmissions for many years. But now you are placing cell towers all over the world so you can have a wireless signal. This is an added pollution of microwaves to all of your environment. This could affect insect and animal orientation for direction. The cell towers were set up to send phone and data messages. They can also be used to track people's whereabouts through your cell phone, even when it is turned off. In order to avoid being tracked, you can store it in aluminum or remove the batteries. This hiding with aluminum can also be used with any chips in your driver's license or chips in your passport. Your electronic technology is very helpful, but it can be used against you for surveillance. By leading a simple life without cell phones or chipped devices, you can avoid being tracked and controlled by these microwave devices."

Saturday, July 16, 2011: (Our Lady of Mt. Carmel)St. Therese said: "My son, you have not heard from me in a while, but I wanted you to make an extra effort to get a chain or leather piece so you can display your relic of the true cross of Jesus at your talks. Even several saints have asked you to display it on the outside of your clothing. Today is a great celebration for Carmelites, and you

have been faithful in wearing the Blessed Mother's brown scapular. You also should remember to keep bringing scapulars to your meetings for the people. You are following Our Lord's request to spread His messages in your books, the internet, and when you go out speaking. Remember also to add a little more fervor to your prayers without allowing so many interruptions in your prayer time. Even kneeling could help you keep focused on praying to Jesus. Thank you also for being faithful to your prayer time. It is important to keep close to Jesus so your gifts can be used and protected."
Jesus said: "My people, when you come into My Presence at My places of Adoration, this is how I want to greet all of you: (Matt.11:28-30) 'Come to Me, all you who labor and are burdened and I will give you rest. Take My yoke upon you, and learn from Me, for I am meek and humble of heart; and you will find rest for your souls. For My yoke is easy, and My burden light.' I truly give you rest in your souls, and I give you My abundant graces to strengthen you in your mission. I call you to be evangelists to save souls by bringing them to Me in faith. My burden is light in your daily cross that I ask you to carry. I will give you what to speak to souls by the power of the Holy Spirit. The more souls that you can bring to Me, the fewer souls that could be lost to hell. I thank you for coming to Me in My Eucharist, and you will be rewarded for your work of love."

July 28, 2011
Sunday, July 17, 2011: (Missionary priest from India)Jesus said: "My people, this Vincentian order of Priests in India are doing a great missionary work for Me. In the Gospel you are seeing life as it is in this field that had wheat and weeds. The evil people are represented in the weeds, and the good people are represented in the wheat. They are allowed to live together, and some evil people may be converted by the good people. At the harvest there is the judgment when the weeds are thrown into the fire, and the wheat is gathered into My barn. This parable represents the evil ones who are cast into hell, while the faithful are welcomed into heaven at My Wedding Feast. This is why missionaries are needed to bring souls to heaven. This is represented in the vision where people are being led up to heaven on the stairs going up. Today, you are contributing money to help the seminarians and their work. Pray for their work so that the evil one will not mislead these priests."

July 28, 2011

Monday, July 18, 2011:Jesus said: "My people, your land is being refreshed with life-giving rain. Many are joyous to see rain in the midst of a drought. Much of your vegetation has dried out into a dormant state, so it requires longer rain days to revive it. Be thankful for every rainfall, even if it is just a little. In the first reading the Egyptians are trying to get revenge for losing their first born, but this army later gets drowned. Moses was faithful in leading the people through the Red Sea and eventually to the promised land. My people also need to be faithful, and know that I will protect you as I did with the Jews in the desert. Just as the Egyptian army was defeated, so in this coming modern day Exodus I will defeat your enemies, and bring you into My Era of Peace which will be your new promised land."

Jesus said: "My people, the Scribes and Pharisees wanted to see a sign from Me, but I told them that the only sign I would give is that of Jonah, the prophet. As Jonah was in the belly of a fish for three days and three nights, so the Son of Man would lie in the tomb for the same time. These people did not realize that I was telling them My Resurrection from the dead would be the most important sign for all of mankind. It was My suffering and death on the cross that gave salvation to all those who accept Me and seek the forgiveness of their sins. The Scribes and Pharisees eventually would crucify Me, but they did not want to believe in My Resurrection. They did everything to cover it up by bribing the soldiers. I spoke to them of the greatness of Jonah and Solomon, but I told them that they had someone greater than these people by referring to My own greatness as God. In the Gospels My people have the grace of seeing all that I had accomplished on earth, and you now believe in Me even though you cannot see Me. Those, who believe in Me, will receive a prophet's reward."

Tuesday, July 19, 2011

July 28, 2011

Tuesday, July 19, 2011:Jesus said: "My people, the Jews were frightened by the charging chariots of the Egyptians, but Moses said that they would see them no

more. At first the large flame kept the Egyptians from attacking, while Moses put his staff over the Red Sea to divide it. Once the Jews traveled across on dry land, the Egyptians were released to go into the divided sea. Then the sea closed upon them and the soldiers were drowned. This same faith in Me is needed to protect you from the evil ones of this age. During the tribulation, I will be fighting for My people, and My angels will protect you at My refuges. Just as the Egyptians were drowned, so I will send My Comet of Chastisement and My plagues to kill all the evil ones and cast them into hell. So have faith in My protection when I call you to come to My refuges."
I could see a bright orange and yellow flashing sign that said 'GET FOOD'. Jesus said: "My people, food and water are your basic necessities, but people do not realize how hard it will be to find them during a world famine. I have asked My people to store one year's supply of food per person when it is possible. Many people are going to bed hungry already as droughts and disasters are causing food shortages. Food insurance is even more important than having gold or silver because you cannot eat these coins. This food is not for hoarding, but to be shared. You may need this food because of the coming world famine, and you do not want to take a chip in the body to buy it. Many people do not envision the coming problems when gangs will be searching for food once your money system collapses. At one point when you will be threatened by the evil ones, you will need to come to My refuges. Before it is time to leave, having a food storage may be necessary for your survival. The vision emphasized this need to have some supply as soon as possible."

Wednesday, July 20, 2011

July 28, 2011
Wednesday, July 20, 2011:Jesus said: "My people, today's first reading talks about how the people received the manna in the morning and the quail at night. This Exodus story is a flashback to the unleavened bread that the Jews had at their Passover Meal when they ate this as a food eaten in haste without yeast. The vision of the blood on the lintel and doorposts was the saving blood for the Jews so the angel of death passed over their houses. This connection of the saving blood is a prefigure of My own sacrifice of blood on the cross that has brought salvation to all of mankind. This bread and wine of the Passover Meal is

the basis for the Mass and My Eucharist. This manna of the Exodus has now become My very Body and Blood in the Mass at the Consecration. The bread and wine are consecrated into My Body and Blood of My Real Presence. Rejoice that I am feeding My people with My Eucharist at every Mass. Even during the coming tribulation, My angels will be feeding you My heavenly manna every day at all of My refuges."

Jesus said: "My people, on that night when I agonized about the cup that I was about to drink, I even shed drops of blood in My sweat. My human side was testing Me, but in the end I submitted My life to the Will of My Father. It was difficult as a man to give up My life, but I had a world to save, and I had to fulfill the Scriptures that prophesied My suffering and death. I am giving you this insight because My people are tested many times by the same conflict between doing things according to man's ways, or according to My Will. When you accept Me as being Master of your life, this means that you should be obedient to My ways and My laws as you give your will over to Me. Giving up your will so you can allow Me to lead you, takes grace that I am willing to give to everyone. It is only by My help and grace that you can overcome your worldly desires. Be strong as I was strong in accepting My Father's Will on earth, and you will receive your reward in heaven."

Jesus said: "My people, remember when I told you that you should not let anything control you or your time. Many people are sports enthusiasts, whether as a player or as a spectator. Sports are good exercise for the body, and watching sports can be a part of your entertainment. The problem comes when it becomes too much of an obsession, and it takes up a lot of your time when you could be praying to Me instead. Even gambling on sports events can cause problems in your family's finances. Sports in moderation is acceptable, but do not let it become an idol for you that takes away your prayer time. Some sports organizations have their events on Sunday morning and Saturday night which makes it difficult to even get to Sunday Mass. If you cannot schedule your activities around Mass times, then maybe you are involved in too many sports events for their own sake. If this involves children, then it could even prevent them from getting to Mass also. The Third Commandment asks you to honor Me on Sunday by your worship of Me. At one point you need to decide whether you are going to worship Me, or are you going to worship your sports. Those, who worship sports and are indifferent to Me, are risking the fires of hell."

July 28, 2011

Thursday, July 21, 2011: (St. Lawrence of Brindisi)Jesus said: "My people, you remember when the people in the desert complained about the manna that they received without any meat. (Numbers 21:4-9) They were sent seraph serpents as a punishment for grumbling against God's gift of bread. They then asked Moses to take away the serpents. He was instructed to make a pole with a bronze serpent and he held it up in front of the people. All those, who were bitten by the serpents, had to look on the bronze serpent, and they were healed. This is another prefigure of Me in the Exodus because I am the greatest Healer, better than all of your modern science. When I was on the earth, I healed the sick, cured the blind, and even raised some people from the dead as Lazarus. This putting a bronze serpent up on a pole is symbolic of how I was held up on a cross as a sacrifice for all of your sins. This healing of souls is even more important than just healing the body. My healing of people reached out to heal the whole person, both body and soul. I also have been preparing My people to come to My refuges of protection during the tribulation. I will place My luminous cross in the sky over all of My refuges, and when My faithful look upon My cross, they will be healed of all of their health problems. This will be a much better treatment than any of your doctors could perform. Give praise and glory to Me for taking care of you at all times."

Prayer Group:Jesus said: "My people, this vision of men walking as soldiers and carrying candles represents My faithful who are My 'Soldiers of Christ'. When you received the Holy Spirit in your Confirmation, you were graced with His gifts to inspire you to be evangelists of My Word. My faithful can live holy lives and give example to others how to live a good Christian life. There are many distractions and evils in this world, and you need My help and the power of the Spirit to overcome them. Keep faithful to loving Me and loving your neighbor as yourself."

Jesus said: "My people, you have seen wars in the Middle East before, but these current uprisings of the Muslim Brotherhood seem directed at removing all the heads of state in the Muslim countries. This uprising has been funded by the one world people who are secretly conducting these war plans with the intention of disrupting world oil supplies. If this plan is carried out in Saudi Arabia, there could be a created world oil shortage that could raise the price of oil to twice today's price. Pray that these hostilities could be brought to an end so there could

be peace in this area."
Jesus said: "My people, many of the one world people worship the devil and they take their orders from him for all the evil being brought on this world. Much of the occult influence is led by the devil and people worship Satan in their black masses and even various gods are worshiped at Bohemian Grove. Money to sponsor the culture of death helps support abortion, euthanasia, viruses, and even wars. I am more powerful than all of these evil ones and their plans. Call on My help to support those who struggle to protect life."
Jesus said: "My people, your Congress and your President have had many months to come to a compromise agreement on cutting your deficits and raising your debt limit to pay for your bills. All that you have seen is nothing but grandstanding each side's positions, but with no substance of an agreement in sight. Even with various deadlines of risking defaults or a downgrading of your Treasury Bonds are not changing Congress' actions. Many in Congress are playing with a dangerous destruction of your economy. Pray that the necessary decisions are made to keep your country from falling into default."
Jesus said: "My people, this new national health plan will cost billions of dollars to implement and it could take away care from some elderly that some committees could even ration who could live and who should die. Implementing chips in the body was in the initial bill, and I have warned My people not to take any chips in the body where people could control your mind. Once these authorities try to implement mandatory chips in the body, it will be time to call on Me to have your angels lead you to the protection of My refuges."
Jesus said: "My people, your novena prayers to St. Anne are being heard as you pray for your petitions. Your trip to the Shrine of St. Anne is very fitting to the end of your novena. Many graces will be poured out on all those who are making this pilgrimage. Pray for a safe trip as I will send My angels to protect you from any harm."
Jesus said: "My son, today is the 18th anniversary of the beginning of your messages. I have enabled you to receive My messages in your locutions after Communion and at Adoration of My Eucharist. I have also helped you in distributing My messages in your books, on the internet, and at your speaking engagements. You have been faithful to Me over these years, and you have traveled many places to preach My message and bring souls to conversion. Remember to guard your peace and keep faithful to your prayer life."

July 28, 2011

Friday, July 22, 2011: (St. Mary Magdalene)Jesus said: "My people, when My apostles came to see My empty tomb after I resurrected, it was hard for them to understand how I could rise from the dead. So I left many personal encounters behind to prove that My Body had truly returned with My wounds from My crucifixion. I appeared to St. Mary Magdalene when she came to the tomb so she could tell My apostles that I truly had risen. She at first did not recognize Me in My glorified Body until I called her by name. It was this personal encounter that was a gift to her for her faithfulness even to come to My cross. I also visited My disciples on the road to Emmaus and they did not recognize Me either until the breaking of the bread at supper. Then I appeared to My apostles twice in the upper room, and in Galilee. These appearances showed Me eating with My apostles in My human body so they could fully believe in My Resurrection, and be able to spread this teaching of their experience. I told you before that My Resurrection is the greatest sign that I could give to My faithful. Another gift of My Eucharist is how I will be with you until I will return on the clouds."

Jesus said: "My people, I am warning you that the devil can appear to you as an angel of light, and he can take many other forms as well to entice you into his evil ways. There will be false prophets as the Antichrist to try and make you believe that they are Me returning to the earth. Do not be fooled or deceived by these evil ones who can perform seeming miracles, but they are using the power from the dark side. My true prophets will speak only in My Name and call on Me alone as any source of healing power. I will come on the clouds and there will be no doubt that it will be My miraculous Presence. Rejoice when I will come in victory over the evil ones who will be cast into hell."

Jesus said: "My people, man's pride is always leading him into some foolish competition. Some may seek to have the tallest building in the city, while others may seek to have the best stock on the stock market. It is amazing what people will do to make themselves seem to be the smartest, best looking, or richest person in the neighborhood. This pride is one of the seven capital sins, and it may be directing your life more than you think. You should be focusing on how best to serve Me in saving souls, instead of trying to gain fame and recognition by how much money you have accumulated. Do not seek to be recognized by others, but in a quiet manner strive to do good works for people, so you can store up treasure in heaven. As St. Paul said, it is better to boast about Me than to

boast about yourself. Ask My grace to overcome your pride, and seek only to do My Will."

July 28, 2011
Saturday, July 23, 2011:Jesus said: "My people, the Kingdom of God is like a precious pearl that a man sold all of his possessions to own that pearl. The Kingdom of God is like a beautiful piece of land that a farmer sold everything in order to buy it. In reality My Kingdom cannot be purchased by anything of this world. Instead, you must give up your free will to Me and seek My forgiveness of your sins. Offer up all of your good works to Me, and I will store them in your heavenly treasure box. I give everyone the opportunity for salvation, but you must take My love to heart and love everyone equally. By doing everything for My glory, I will welcome you into the Kingdom of heaven. The Kingdom of God is upon you in My Real Presence of My Blessed Sacrament. Rejoice that you can receive Me daily into your soul."
At St. Brother Andre's tomb: I felt the tingling sensation of the holiness of this saint. St. Brother Andre said: 'I thank you for honoring me here on your pilgrimage. I also will present the petitions of your candles to Jesus. Many people have been healed through my intercession. I am sending the healing graces of Jesus upon those that you are praying for. These people need to believe that Jesus can heal them, and they will be healed."

July 28, 2011
Sunday, July 24, 2011:Jesus said: "My people, I am showing you a brief vision of heaven where there is an organ playing beautiful heavenly music. Then there were large buckets of liquid gold that represented My Blood and graces that I pour out on My faithful abundantly. When you receive Me in Holy Communion, you are receiving a touch of heaven when I come into your soul. When you are worthy and open your heart to Me, you receive My abundant graces. Relish these few moments of My Real Presence with you. This is your real treasure, to have Me with you at all times. In the Gospels I have told you where your

treasure lies, so lies your heart. Some people's treasure is only of this world's things, but it is an empty treasure that will disappear tomorrow. Those, who seek only these things, are on the broad road to hell. But those, who seek to be with Me as your treasure and store your good works in heaven, will indeed be rewarded by being with Me in heaven. When you receive Me in Holy Communion, you become one with Me. But when you are cleansed to come into heaven, it will seem that you will be in the middle of Me, and you will be wrapped completely in My love and My peace. Then you will rejoice in My beatific vision."
Jesus said: "My people, I want to warn you against spiritual pride for yourself. I gave you a message before about not being prideful in physical things to gain fame or acknowledgment of your riches and possessions. This was so you are not prideful in things for yourself only. Spiritual pride is also a problem if you are doing things as prayers and Masses for your own pride for people to notice you. Do not allow the devil to slip into your groups to divide you with any pride or competition for any human glory. When you do things for Me, give Me all of the glory for your accomplishments. When people acknowledge your holiness or gifts, tell them it is by the grace of God that you do things for Me. St. Paul only boasted of his weaknesses, and he was thankful to God for his mission. He also boasted in Me. So, My people, you should love one another with no division. When anyone offends you, forgive them, and do not seek ways of revenge or getting even for any injustice. If you cannot love one another despite your imperfections, then how can you be My disciples? I am love, and I want you to love everyone without discrimination for any reason. I love everyone unconditionally, and I want My people to love in this way the best that you can. You must become like little children with complete trust in Me."

July 28, 2011
Monday, July 25, 2011: (End of Novena to St. Anne)Jesus said: "My people, the false Christ, the beast, the Antichrist will come before Me to try and impersonate Me. Do not be deceived by him and do not look at his eyes because he will be possessed by a demon, and he will declare himself which will start the tribulation time. This will be the time when you will be protected at My refuges. At the end of the tribulation you will see Me come in gold on the clouds. I will

bring My Comet of Chastisement which will kill two-thirds of humanity, and it will start the three days of darkness. The evil ones will suffer a living hell on earth with My plagues before they will be cast into hell. Then I will renew the face of the earth, and I will lead My faithful into My Era of Peace. Rejoice, My people, that you have been selected to live at this time of My victory."
For the priest who asked about how voices will come from the chip into people's hearing. Jesus said: "My son, I have given you many messages not to take the mark of the beast or a computer chip in the body, even under pain of death. This chip, during the tribulation, cannot be removed, and it truly will control your free will with voices controlling you as a robot. A signal will be sent by satellite or cell tower that will activate the chip in your body, and truly you will hear voices, and you will be controlled as one under hypnosis. Search these capabilities out on the internet to show people that this truly is possible as some have witnessed."
(Vigil of St. Anne) Jesus said: "My people, freedom and your rights are very special and respected. If you hold them dearly, you will do everything to fight to keep them, as many wars were fought to maintain your freedoms. Religious freedom is also important to maintain against the evils of the devil, and the evils of the one world people who want to steal your rights and force you into their new world order. These evil ones want to take away your sovereignty rights to bring the United States into their North American Union. They will destroy your dollar and replace it with the amero. Even in the spiritual world, you must follow My laws and Commandments. I am the Truth of all knowledge, and if you follow Me, the Truth will set you free. I have come to die for your sins, and My sacrifice has set you free from the bonds of your sins. If the Son of Man has freed you, you will truly be free. Rejoice in your freedoms while you still have them. Pray for My protection and give thanks and praise to your Lord who has died for your souls. My sacrifice has washed your sins from your souls."

July 28, 2011
Tuesday, July 26, 2011: (St. Anne's feast day)St. Anne said: "My dear children, I am so happy that you have been praying your novena intentions to Me as intercessor for you. Just as Jesus listens to his Mother Mary, He also listens to His grandmother. I have given your requests over to Jesus. I also want to thank

all of you for your long trip to visit My Shrine. I know such travel is long and difficult, but we in heaven have been guarding your safety. You have seen the vigil of pilgrims as they have walked these grounds at night with your candles. These are all beautiful tributes to my presence here. Your pictures of my relic should be shared with your friends back home because many miracles of healing have been received here. Our Lord has granted all of you many graces for your pilgrimage, and your reward will be stored in heaven. Go now in His grace as we will continue to watch over you in your daily works."
Jesus said: "My people, the antics being played out between your President and Congress has the appearance of children complaining that they want things their own way. The House Republicans do not want new taxes, but they will accept tax reform with cuts in the budget equal to increases in the debt ceiling. The Democrats do not want any cuts in entitlements, even though there is an unfunded $56 trillion liability that cannot continue. Cuts in spending have not even gone beyond $1 trillion when you have $1.6 trillion deficits projected every year. Neither side is willing to face the reality that your spending is out of control, regardless of the debt ceiling that needs to be raised. Pray that your politicians will come to their senses to resolve your short term problem, and work on long term spending cuts, or your country will be facing bankruptcy and a government takeover."

End July 2011

August 2011

Wednesday, July 27, 2011

August 15, 2011
Wednesday, July 27, 2011:Jesus said: "My people, just as you keep books of family pictures and words about families, so the Jewish people focused more on the events that the Lord did for them. You have been reading recently of how Moses led the people out of Egypt by the power of the Lord's plagues, and the protection from the Egyptian army at the Red Sea. Now, you are reading of how the Ten Commandments were given to Moses and the Jewish people. They kept these tablets in the Ark of the Covenant. Moses received many conversations

from God and he kept a veil over his radiant face except when he talked with God. I have given man free will to obey My Commandments, but there are consequences and punishments for those who disobey them. The Commandments are spiritual guidelines on how to live a holy life. Later, when I came as a fulfillment of this law of love, I also gave you My sacraments such as Reconciliation. By coming to Me in the priest at Confession, you can have your sins forgiven and grace restored to your soul. It is important that you confess your sins at least once a month so you can keep a clean soul, and keep humble by admitting the guilt of your sins. It is this salvation history that helps you to see how I am always interacting with each of your lives throughout your years." Jesus said: "My people, you may have to leave your house quickly when it comes time to leave for My refuges. You were to have your backpacks ready and full of your necessities for survival. You will need tents, sleeping bags, a little food and water, matches, warm clothing, warm snowshoes for winter, masks, a shovel, and your spiritual sacramentals. Your dried food is good for using before you go to your refuge. You may want to pack more meals-ready-to-eat (MRE) in your car because there is less work to prepare this food. Since some of your food is getting old, you may want to get some fresh dried food and fresh MREs if they are available. Your military and your government are buying up these supplies, so you need some fast purchases. Food will be more valuable than coins, and I will multiply your food when it is necessary. Having a supply of water will also be needed wherever you are. Fuel will be a concern during the winter months. I will protect you from the evil ones, but you will all need to develop your survival skills. Keep a space where you can store all of the things that you will be taking, so you can quickly load your things into your car or van. Trust in My help during the tribulation and you will have no worries."

Thursday, July 28, 2011

August 15, 2011
Thursday, July 28, 2011: (Anniversary of dedication of Holy Name)Jesus said: "My people, you have been reading how Moses erected a tent in the desert to house the Ark of the Covenant with the Ten Commandments. The people could see the cloud of God come down over the tent in the day and fire at night. Later, a temple was built in Jerusalem to hold the Holy of Holies. My people of today have a new tabernacle where now you house My very Presence in the Host. You

need to give reverence to Me by genuflecting to My tabernacle when you enter a Catholic church. It is My Presence that makes your churches holy. Every parish needs to strive to keep their churches open. This requires money to support the church and the diocese, so both can be viable. It also means that people need to support the activities of their own church. If the parish is closed, then a place of worshiping with Me is lost and the tabernacle is lost. In a time when people are falling away from their faith, it is even more important to struggle to keep your churches open."

Prayer Group:Jesus said: "My people, I am showing you this crossroads because your politicians need to make a decision on your debt limit before this coming deadline that could threaten your credit rating. I realize that there are many cuts that need to be made in your spending before certain programs will run out of money. Your politicians keep putting off the hard decisions because they are worried about being re-elected. Some serious consequences could happen without a compromise decision. Pray that the right decisions will be made in the best interest of your country."

Jesus said: "My people, there are some countries that are going into foreign fishing banks, and they are over fishing these places. The local fishermen know how to conserve their catches so the fish can reproduce for another year. With others upsetting this delicate balance, the fishing industry is being depleted and fish prices are rising. Fish ponds do not produce very healthy fish for the market. Pray that your fishermen can come to a compromise in controlling their fishing industry."

Jesus said: "My people, you have seen a hot summer with very little rain. Water comes from wells, aquifers, rivers, lakes, and mountain snow melt. The best source of water is rainwater, but this has been in short supply. Many have learned to pray for rain, and work on avoiding any pollution of your streams. Pray that these droughts will come to an end so rain can refresh your crops before they dry up."

Jesus said: "My people, your pilgrims were blessed for praying the novena to St. Anne and coming to the Basilica for their pilgrimage. You could see a beautiful procession with My Blessed Sacrament at night as pilgrims carried their lit candles on the hill of the Stations of the Cross. You had many good meetings in sharing your prayers and messages. My grandmother, St. Anne, was pleased with your petitions and your dedication in honoring the Holy Family."

Jesus said: "My people, there have been many miracles of healing through this huge relic of St. Anne. This was a special gift from Rome to share with Canada.

You were privileged to have a close look at this relic, and to place your sacramentals against it. Show your people a picture of this relic, as was requested of you when you return home. Give thanks to God and St. Anne for her role in salvation history."
Jesus said: "My people, whenever you start out on your pilgrimage, you pray to Me and St. Michael the Archangel for protection in your travel. Your trip up and back to St. Anne de Beaupre was safe and protected. The message on your safety was validated when the wheel came off a car, but nobody was hurt in this accident. It is proper to give thanks for a safe trip. Many of you were joyful in all the events and places that you visited. You also remained faithful to your daily prayers."
Jesus said: "My people, heaven was watching over you in finding your keys and in finding your way to your destinations. Even help was given to you in choosing your restaurants and times for Mass. Many of you were so touched by your pilgrimage that you are already planning to return next year. In the messages you were promised My abundant graces as a reward for your novena and for making this long trip to St. Anne de Beaupre Basilica in celebration of St. Anne's feast day."

Friday, July 29, 2011

August 15, 2011
Friday, July 29, 2011: (St. Martha)Jesus said: "My people, this vision of a new gleaming temple is described in Ezechiel (chap.40-48). The very demanding measurements are measured off with an angel's rod, and it has three gates in all four directions giving a total of twelve gates. This represents the twelve tribes of Israel and the twelve apostles. This is a mystical temple that will represent the New Jerusalem in the time of My Era of Peace. This new temple is one made by Me and not by man. Ezechiel's writings are very prophetic of the end times, and this radiant, gleaming temple will be where My faithful will be living during My reign of Peace. Rejoice, My faithful, for you are living in these end times, and you will be rewarded in My Era of Peace after enduring the coming tribulation."
Jesus said: "My people, the one world people want to keep the capabilities of the HAARP machine secret. This is why these articles on the HAARP machine are often taken off the internet. These evil ones can cause serious disasters with this secret weapon, and they can blame nature to keep from being blamed

themselves. HAARP is capable of using microwaves to cause earthquakes and enhance bad weather as severe tornadoes and hurricanes. They can direct the jet streams by heating the ionosphere, which allows this machine to cause droughts and floods. It is the one world people's plan to reduce the population through disasters and pandemic viruses. They are being led by Satan who hates man, and he wants to kill as many people as he can. I am on the side of life, and I am against the death culture movement. My followers should also be supporting life as well. Exposing the plans of the one world people is one way to try and break up their plans."

Saturday, July 30, 2011

August 15, 2011
Saturday, July 30, 2011: (St. Peter Chrysologus)Jesus said: "My people, beware of the evil spirits who are encouraging wars, anger, and hate. You would much rather seek out peace, love, and humility in front of Me. The evil ones want you to be wrapped up in constant noise and the fast moving pace of your society. When you are so taken up with worldly concerns, you cannot think of Me or make time for Me. This is why you need to take some quiet moments to remove yourself from the world of noise. Then you can recollect your lives, your sins, and the need for prayer and Confession. In the quiet of your soul I can speak to your heart. But if you are constantly busy in the world, you will not be able to listen to Me, and you will be more concerned about following your own plans instead of My plans. I have made you for a spiritual mission, and you cannot fulfill it unless you give your will over to Me. This earthly life is short and temporary, but your spiritual life lasts for all eternity. So keep focused on My plans for your life instead of being swept up on the worldly merry-go-round." Jesus said: "My people, you have a battle of good and evil going on today between one side that supports and preserves life of human beings, against the other side that supports the death culture. Those, who support the death culture, are in league with the devil because the devil has orchestrated the death culture through the one world people's help. These rich people support abortion, euthanasia, wars, and even deadly viruses for the express purpose of reducing the population. Those, who support life, are the people who are against abortion, euthanasia, wars and deadly viruses. Man is also abusing nature by manipulating genes and hybrids of animals and plants. It is this abuse of your food that is

causing many of your cancers. Pray for sinners and your country because these same evil people want to destroy your country and take it over. Continue to fight to preserve life which is too precious to kill."

Sunday, July 31, 2011

August 15, 2011
Sunday, July 31, 2011:Jesus said: "My people, you all have free will to live the life that you desire on the stage of life. It is My desire that you live a holy life for My sake. The vision on the stage is like you have seen in your grandchildren's high school graduations. There will come a time when you die, and you will have a graduation from this life into the next life. When you come across the stage to receive your diploma, you will be graded on how you loved Me and your neighbors. This will be your judgment time when you will receive your reward for being faithful to Me. Those, who receive a failing grade, have already chosen their punishment in hell. Those, who have done many good works, will be chosen for the various levels of heaven. Most souls may require some time in purgatory to purify their desires of earthly sins and make up for any remission due for their sins. All of heaven will be rejoicing over every graduation into heaven. Heaven also rejoices when any soul converts to My way of life with the help of My evangelists. Bringing souls to Me will be greatly rewarded in heaven. When My faithful reach this day of graduation into heaven, you will be joyous and happy to be over all the trials that you had to endure for My sake. You will then be ecstatic to behold My beatific vision."

Monday, August 1, 2011

August 15, 2011
Monday, August 1, 2011: (St. Alphonsus Liguori)Jesus said: "My people, My power was present to the Jews in the desert in many signs. This Shekhinah flame in the vision is how I restrained the Egyptian Army while Moses and the Jews traveled through the divided Red Sea. This cloud led the way during the day, and became fire at night to lead the people. This cloud also dwelled over the meeting tent and represented Our Presence to Moses. This same presence of a smaller flame will be the same way that My angels will lead My faithful to My refuges.

This modern day Exodus will be the means for protecting My faithful from the Antichrist and the evil ones who will try to kill you. My angels will make you invisible to these evil ones, even as you leave your homes for My refuges. I will be present to you in the spiritual Communion of the manna that My angels will feed you every day during the tribulation. I will provide you with food and water to survive in this evil time. Rejoice to endure a short reign of the Antichrist before I will bring you into the new promised land of My Era of Peace."
Jesus said: "My people, you are starting to see more active storms as you get closer to the peak hurricane season. You have seen much destruction from your winter storms and your tornadoes, as many have been killed. Now your farmers are trying to salvage a bad year for growing crops with many droughts. Many of your people are still suffering from fewer jobs and generally less income over the last five years. Without good incomes, it is hard to spend discretionary money, which is why your economy is weak and you have fewer taxes to support your oversized government. Pray for your families that are struggling to survive. Pray also for sinners who are spiritually struggling to have their souls saved by coming to Me. Working to save your soul is more important than your body's survival, which will die eventually."

Tuesday, August 2, 2011

August 15, 2011
Tuesday, August 2, 2011: (St. Eusebius of Vercelli)Jesus said: "My people, man has always been curious about the other planets in the solar system, which is why you are sending probes to investigate them. These attempts may expand your knowledge of such things, but your focus should be more on how to save your soul and to help your neighbors in their needs. There are some places where man's curiosity is taking him down the wrong paths. You have learned about the DNA and genetic make-up of plants and animals. It is unfortunate that you are using this knowledge to manipulate the DNA of plants and animals for your own uses that are upsetting My balance of nature. These modifications are causing many of your cancers and diseases, and they should never have been changed. It is the devil who is misleading you into thinking that you can make things better than My perfection. Stop carrying on these foolish mistakes, and leave My perfection as I created it. Man, by nature of Adam's fall, is now imperfect, so how can you improve on My perfection? Man's scientific pride is leading him

into dangerous mistakes that could threaten your survival. When I return, I will need to recreate My creation because you have torn it apart by your pride and curiosity."
Jesus said: "My people, the same one world people, who were behind the Great Depression of 1929, are the same kind of people that created your Great Recession of 2008. By controlling the money and the jobs, these same central bankers are causing slow growth where the average person is having a hard time just to make ends meet. They are about to cause another financial crisis that could lead to the end of the dollar as your currency. In several comments on the news there was one investor who was investing in gold, silver, and commodities of value. This is the same plan as the rich who use gold and silver as their currency, and they avoid paper denominated assets. While these metals will be good for some bartering, the best investment would be in food that keeps. Food is less expensive than silver or gold, and it would allow you to survive famine and the coming money crisis. Put your trust in Me and My instructions, and you will be protected at My refuges from the evil demons and evil people. Call on My help after the Warning and the events that will signal the time to come to My refuges."

Wednesday, August 3, 2011

August 15, 2011
Wednesday, August 3, 2011:Jesus said: "My people, the scouts that Moses sent into the promised land showed the fruits of this land of milk and honey. They also witnessed a people that looked like giants, and the scouts spread their fears among the people. Because these people did not want to follow Moses into the promised land, they were condemned by Me not to enter this land. By the forty days that they scouted the land, now this generation of Jews would remain in the desert for forty years because they did not have faith in the Lord's power. You know that all things are possible for Me, even to defeat more powerful enemies. This is a lesson for all My people that you need to trust Me in even impossible situations. I have been warning My people of today in My messages that the time of tribulation is drawing close when the Antichrist will declare himself for a brief reign. I have asked some people to prepare refuges and store some food and water for the coming famine. By trusting in Me, I will be providing your protection from the evil ones by the shield of My angels who will make you

invisible to your enemies. I will be fighting for you so you will not need weapons for killing. I will also multiply your food that you have put aside so everyone will have enough to eat. When I multiplied the bread and fish for the 5,000 and the 4,000, you saw how generous I was as they collected seven and twelve baskets of fragments. So trust in My power always which is greater than all of the evil ones combined."
Jesus said: "My people, many of you have painted your basement walls to avoid water seepage and mold formation. Your dehumidifiers allow you to have a moisture free basement. I am showing you this picture of a basement as an ideal storage place for your food. Some people have even built racks for this purpose. When you see signs of recession and currency weakness, some of your investors have sought out bonds or gold and silver for safe havens. The best haven is to have some food storage in a mix of dried food, MREs, and some recycled canned foods. If you are out of work or have little money, at least a modest food supply could keep you eating for some years with some rationing. Your biggest need will be for water, so some water storage for drinking and water from rain barrels for washing would be prudent. I have asked My refuge builders to have an independent water supply, some food to be multiplied, and some bedding places to be multiplied. You may need some food for the famine that will start before you come to My refuges. By being a wise virgin in being prepared, you will be ready when the end times get difficult. I thank all of My faithful for listening and responding to My advice. The most important preparation is that of your soul by frequent Confession. This is why you need My protection from the evil ones at My refuges where I will feed your body and your soul. Trust in Me and My angels to defend you."

Thursday, August 4, 2011

August 15, 2011
Thursday, August 4, 2011: (St. John Vianney)Jesus said: "My people, in these two readings there are human errors and Godly miracles in the use of wood. In the reading from Numbers, Moses was asked to strike the rock with his staff in order to provide water for his people in the desert. He struck the rock twice instead of once, and his error cost him traveling into the Promised Land. I still provided the miraculous water so the people and their herds had water to drink. In the Gospel I had just commended St. Peter for saying that I was the Christ, the

Son of the living God. I then made St. Peter the rock upon which I would build My Church. When I prophesied that I would die on the wood of the cross and rise on the third day, then St. Peter did not want this to happen. He became an obstacle to the salvation of all mankind, so I called him Satan in his human error. My apostles were thinking as man does, and not as God does. My miracle of salvation did occur despite many obstacles. Be grateful that My ways prevailed over man's ways."

Prayer Group:Jesus said: "My people, the master plan of the one world people is to control all nations and unions through their debts. Another part of their plan is to have all currencies devoid of any backing by silver or gold. This enables governments to print money out of thin air so they can be controlled by their debts. It is the fear of countries not paying their bond holders that has triggered your recent stock market sell off. It is just a matter of time until many of your countries will be forced into bankruptcy. This will begin a set of dominoes falling that will cause a world depression which will allow the evil ones to take over. Fear not at that time when I will protect My faithful at My refuges."

Jesus said: "My people of America, your divided government has now established a precedent for making budget cuts when the debt limit is raised. Your politicians are playing brinkmanship with your bond holders in threatening a default on your payments and shutting down your government. America needs to control its over generous entitlements before they either run out of money, or bankrupt your country. Without controlling your deficits, you will fall into the trap of the one world people."

Jesus said: "My people, your increased oil and gasoline prices have created a drain on the income of many families. Without cheap gasoline, your economy could be threatened by the high cost of transportation. This is why a good flow of fuel is necessary for the top few economies in the world. This is another cause of concern if the flow of Middle East oil is shut down by wars in these countries. America needs to develop more energy sources so you are not held hostage to your dependence on oil. Pray that your politicians will allow more development of your own energy sources so you can become less dependent on foreign oil. Such work could also provide more American jobs."

Jesus said: "My people, many of your politicians realize that your jobs are being taken overseas, especially in manufacturing. This is a part of the reason for your high unemployment rate. If you changed your laws to discourage companies from sending jobs overseas, then you would have more American factory jobs. You allow foreigners tax privileges to provide jobs in the U.S., but you do not

give the same breaks to your own companies. The one world people are trying to eliminate the middle class, and shipping good jobs out of the U.S. is part of their plan. These evil ones will pay for their crimes when I will return."
Jesus said: "My people, My heavenly Father is grateful for those who are honoring His feast by their novenas to Him. Whenever you pray to one Person of the Blessed Trinity, you are praying to all Three of Us. Keep your prayers coming because this is one way that you can communicate your needs and desires to Us. By praying to Us, you are showing your confidence that We will answer your prayers in the best way to help your souls."
Jesus said: "My people, St. Anne and the saints in heaven are pleased with your pilgrimages and prayer requests. With faith in My healing power, there are many healings granted to My faithful. When you come on pilgrimages, it shows your belief in My powers, and the intercession of many of My saints. You gain graces with every pilgrimage because you are offering up your time and money to make these efforts. Continue to send your prayer requests for sinners and your sick people."
Jesus said: "My people, as you read the lives of the saints, you see how they desired to live humble and quiet lives with a total focus on following My Will in their lives. That is why it is fruitful for your own spiritual lives to try and imitate their virtues and their example. You will see when you live your life to please Me, it will take away all of your pride and desire for earthly things and earthly pleasures."

August 15, 2011
Friday, August 5, 2011: (Dedication of the Basilica of St. Mary Major in Rome)Jesus said: "My people, you need to read about this Beast in the Book of Revelation (13:1). 'And I saw a beast coming up out of the sea, having seven heads and ten horns, and upon its horns ten diadems, and upon its heads blasphemous names.' This beast was spewing out its venom over the nations of Europe. This was affecting many of the economies of these countries, especially their currencies. Satan and the Antichrist are using the one world people to bring down the world's economy so they can place their unions of power over all the continents. Once the nations are taken over after the currency failures, then the one world people will give this power of the nations over to the Antichrist. Then

he will declare himself, and the tribulation will start. I have told My people not to fear since I will have your angels lead you to My refuges of protection. The evil time will be brief for less than 3 Â½ years. I will then bring My Comet of Chastisement to defeat these evil ones and cast them into hell. My faithful will be gathered into My Era of Peace where they will be rewarded for following My Will. So do not fear all of the power of the evil ones because I will protect My faithful at My refuges."
Jesus said: "My people, I have asked you to read in the Book of Revelation from Chapter 8 to 11 all about the account of St. John of his vision of the seven trumpets blown by the angels. The last message that I gave you a while ago spoke of the Four Horsemen. The Four Horsemen dealt with the seven seals where some people were killed. This vision of the seven trumpets takes up right after the seven seals were broken. The first trumpet starts with Chapter 8 of the Book of Revelation. This dealt with droughts where a third of the land was burnt up. The second trumpet allowed a burning mountain or comet that would kill one third of the creatures of the sea. The third trumpet had a star called wormwood and it made the sea bitter which killed some people. The fourth trumpet took away a third of the light from the sun, the moon, and the stars. The fifth trumpet opened the abyss so large scorpions could sting the evil ones for five months without killing them. The sixth trumpet allowed a third of humanity to be killed by fire, smoke, and sulphur. The seventh trumpet declared God as the victor over all the evil ones. The battle between My angels and the two beasts begins after this test of the trumpets. Each message on the end times shows you a little more clarity on how I will battle the Antichrist and his supporters. Trust in My ultimate victory which will eventually cast all the evil ones into hell."

August 15, 2011
Saturday, August 6, 2011:Jesus said: "My people, in this vision of the Gospel My apostles were awed by seeing Me walk on the water. St. Peter called out to Me that if it was really Me, he wanted Me to ask him to walk to Me on the water as well. At first St. Peter by faith began to walk on the water, but seeing the violence of the sea, his faith faltered and he began to sink. I then lifted him out of the sea into the boat, and I calmed the storm. My apostles had never seen anyone who could walk on water, let alone calm the storm. It was these miracles

and others that helped My apostles come to believe in My Divinity and My powers as a man. This lesson of having faith in My power to help My faithful is the point that I am making in bringing salvation to all mankind. You have seen Me die on the cross and then I rose on the third day. This was My personal sacrifice so My Blood sacrifice could be worthy to save all of you from your sins. If you believe in My power, then give your will over to Me so your faith can save you. Just as having faith in Me can heal your bodily sickness, so your faith in Me can also heal your soul."

August 15, 2011

Sunday, August 7, 2011:Jesus said: "My people, in the Garden of Eden there were two trees, the Tree of the Knowledge of Good and Evil, and the Tree of Life. The Tree of Life gave Adam and Eve the sustenance for a long life in their bodies. There is a parallel with Me as the Tree of Life on the cross of Calvary. With My death and resurrection I give all of you life for your souls. This salvation of sinners is a gift of My sacrificial Blood that offers everyone an opportunity for life in heaven. Each person needs to come to Me in Confession for the forgiveness of that person's sins. By allowing Me to be Master of your lives, then you can be saved. This life is temporary, but life in the spirit after this life is the most important. Even in My Era of Peace you will see this new life that I will give to My faithful. Give thanks and praise to God for the life you have both in the body and in the soul."

(God the Father feast day) God the Father said: 'I AM WHO AM is happy with your rosaries and your novenas. You have seen some droughts and famines in various places this summer. Some of you have even been praying for more rain. In this vision you are seeing flowing water and rain. Today, you also saw a few rain showers outside. Just as I answered the Jews with water in the desert when Moses struck the rock, so I will answer your prayers for rain in some areas that have been dried out. Whenever you receive any rain storms, no matter how small, give praise and glory to Me for all that you are receiving. I know your needs, so keep sending your prayer requests to Me, and I will act on them."

August 15, 2011

Monday, August 8, 2011: (St. Dominic)Jesus said: "My people, in the days when I was on the earth, the Jewish people had hand- written scrolls to pass on the Word of God in the Scriptures. It is only in relatively recent times that you can find a printed Bible. You have the Scriptures of both the New and Old Testaments to read at any time. The Holy Spirit inspired My prophets, My evangelists, and My missionaries to write down for you the lessons that you need to keep reviewing to improve your faith. It is a blessing to have My very words in the Gospels to live by. You remember how I read the Scriptures from Isaiah in Nazareth, and I told the people: 'Today, you have seen these Scriptures fulfilled in your hearing.' The people of My day could not believe in My Divinity because they thought they knew Me from My own home town. Even today, some people do not believe that I am both human and Divine. Take advantage of the opportunity to be able to read the Holy Scriptures every day."

Jesus said: "My people, I am giving you another reminder about having some food stored for the coming famine and time of tribulation. If you have room and money to buy one year's supply of food, this would be ideal. Whatever you can store and buy, I will multiply what you will need. Your dehydrated food will require hot water to reconstitute. This would require some water storage and some means of heating the water. You will need canned foods and maybe some meals-ready-to-eat (MRE) if you cannot heat things or you are low on water. As long as it is not dangerous to stay in your house, you can use your stored food when you see little food in the store or the need for mandatory chips in the body to buy food. I am also asking you to right now place your tents, blankets, backpacks, and some food in a small area together so you can quickly load them into your car or van to leave for My refuges when it is time. This is why I asked you to get some MREs so you could load them into your vehicle. Food is not always going to be available at your local stores. They only have three days of inventory, and if shipments stop, this will run out fast in the face of any disaster or power outage. By being prepared, you will be able to share some food with family and friends. I thank those who have listened to My warnings and have prepared themselves."

August 15, 2011
Tuesday, August 9, 2011: (St. Teresa Benedicta of the Cross)Jesus said: "My people, in the first reading you saw how I promised the Jews that I would help them to get their land across the Jordan by defeating their enemies. Moses blessed Joshua so he could lead the Jews into the promised land. I told the people not to fear because I would help them take their land which would be their heritage. In the vision I showed you where infants are baptized into the faith at the baptismal font. I am always looking out for the safety of My little ones. I have given each of you a guardian angel to watch over you. So trust in Me that I am looking out for your safety both in body and soul. I have told you that I want you to have the faith of a young child in order to enter heaven. By being humble and innocent, without putting on airs of pride, you will have the right preparation for a holy life that will put you on the narrow road to heaven. So do not fear what you will face in life, but trust in My love and care that I show to every soul."

August 25, 2011
Wednesday, August 10, 2011: (St. Lawrence)Jesus said: "My people, many of the Early Christians and Popes were martyred for their faith by the Roman emperors. St. Lawrence also was martyred on a gridiron and he was heard to say: 'Turn me over, I am done on this side.' He was martyred because he only presented the poor as the treasure of the Church, instead of real money. It was the martyrs who died that inspired many new converts to Christianity. I have always been with My Church protecting it from the gates of hell as I told St. Peter. Many churches were built over the tombs of the saints. In Israel there are many Crusader churches built over holy places as My birthplace and that of St. John the Baptist. Rejoice that many of these holy sites have been preserved for pilgrims to see even today."
Jesus said: "My people, you have seen very little land damage from tropical storms this year. This vision shows that there will be some wind damage from some coming storms. My people should be on alert to any forecasted storms that could hit land. When it is time to evacuate an area, people should not take any unnecessary risk to stay behind. Pray for My protection from any serious disasters from your tropical storms. You have been fortunate that many storms

have turned out to sea. There are many sins that are calling for My punishment. Keep praying for sinners in your country to be converted."

August 25, 2011

Thursday, August 11, 2011: (St. Claire)Jesus said: "My people, it is hard for My faithful to understand how some saints have the gifts to accomplish keeping their holiness in life. These saints were given grace to achieve their missions, but if they did not give their complete will over to My Will, then they would not have had such a spiritual success. I look at the heart for the desire to follow My mission. When souls cooperate with My Will, they can accomplish much for saving souls. In very few instances you have seen physical evidence of these saintly people as in some having My wounds of being stigmatists. Other evidence has been seen in incorrupt bodies of the saints. For those unbelievers or those needing some physical assurance, these signs give authenticity to My saints and their holy lives. Even My martyrs are signs of strong faith to encourage those who are lukewarm in their faith. Other signs have occurred with blood spots forming on My Hosts in miracles of My Eucharist to show My Real Presence in My Hosts. When I appeared to My apostles, I gave them physical proof of My wounds and My eating of food so they could understand that I truly had resurrected from the dead. So be not unbelieving, but believe in My Resurrection that some day all of My faithful will be resurrected in a glorified body as I am."

Prayer Group:Jesus said: "My people, when you place colorful flowers on the altar, you are honoring My Presence at the Mass and all the saints and angels in heaven. This is a sign of reverence and it is also a sign of life on the altar. You know the beauty of My creation, and you can see it in the lilies of the field. When you bring flowers from your own garden, it is adding a personal touch of your own generosity. As you celebrate Mass, My angels are always present around Me, so it is appropriate that you have statues of angels on My altar."

Jesus said: "My people, it is a blessing to have the relics of My saints before you as you have on your altar. Many of these saints were martyred for their faith in Me. I have enabled many healings through the intercession of these relics. Usually My Church requires three miracles for a person to be recognized as a saint. It is an honor to reverence these relics of the saints as they had exemplary

lives for My faithful to follow."
Jesus said: "My people, you are blessed to be able to travel to places where My incorrupt saints are encased in glass for your viewing. As you look on these bodies in awe, you know in your heart that it is a miracle for a human body not to decompose as normal. See this as a sign of authenticity for these saints to be preserved for your belief in your own coming resurrection."
Jesus said: "My people, this relic of My true cross is another blessing to reverence for healings and for protection from the demons. You have used this relic to pray over people for physical and spiritual healings. You have also seen it used to quiet the demons in a person that was shrieking for some time. This cross is the same symbol that I ask everyone to pick up as their own unique cross to carry through life. It is symbolic that you are wearing this relic as you carry on your mission that I have given you."
Jesus said: "My people, for many years people have grown grapes and have crushed them to extract the juice for making wine. Wine is one of the physical species that is used in the Consecration to be changed into My Most Precious Blood. Even though the wine still appears as wine, the consecrated wine is My Real Presence when you receive Me. In the Scriptures of the end times this is another symbol when there is a crushing of the grapes as the grapes of wrath are brought down on the evil ones who will be judged to hell. (Rev.14:18,19) 'Put forth thy sharp sickle and gather the clusters of the vine of the earth; for its grapes are fully ripe.' And the angel cast his sickle to the earth, and gathered the vintage of the earth, and cast it into the great wine press of the wrath of God.' Keep your souls pure with frequent Confession so you can avoid this punishment, and you will be with Me in heaven."
Jesus said: "My people, I have told you how I go to prepare a place for you at My Wedding Banquet. You are seeing how My banquet table is being prepared with these beautiful wine glasses. At the Last Supper I shared the bread and wine with My apostles as they experienced the first Mass. So when you share this wine of the vine at My heavenly Banquet, you will fully understand that I am the Vine and you are the branches. You cannot survive without Me."

August 25, 2011
Friday, August 12, 2011: (St. Jane Frances de Chantal)Jesus said: "My people, a

man and a woman, who come forward to get married, have a special calling to a vocation of love for each other. This is such a hallowed union that I have modeled My love for My Church after it. I am the Groom and the Church is My bride. This fruit in the vision represents the children that come forth which are the fruit of the love between the husband and wife. This commitment in marriage should be until death separates the two. It is the love of the spouses in the heart that joins this man and woman. This love can also be a means of salvation where each partner brings the other into a spiritual unity with Me. I am the third partner in a marriage, and My love will also be there to join their loves. Each partner needs to help the other and make compromises for the good of the marriage. There are many attacks on marriage from your society that are threatening this union as an institution, but the family should be the basic unit of your society. I bless all unions of a husband and wife, and this love environment should be the ideal place for the children to be brought up."

Jesus said: "My people, it is hard to know what you are going to face tomorrow, but you should have trust in Me that I am with you to help you every day. Some people have been concerned lately with the dramatic ups and downs in your stock market. There are one world rich people who can short your markets into a massive downturn which could steal the people's 401K funds for retirement. By artificially keeping interest rates low, they try to force people's money into stocks. Then they drive the market down to steal the money. They repeat this process by buying up the cheap stocks to raise the prices for the next kill. The one world people want the masses to be poor so they can control them. These evil ones are stealing your good jobs out of the country, taking your money away in the stock market, causing low interest on CDs, and lowering your home values. This is a plan for takeover as well as bankrupting your government with benefits that cannot be afforded. The current plan is not only to cause a financial crisis of fear, but to take over your dollar with other currencies. The rich own tangible assets as gold and land. So when dollar denominated assets crash, many people will lose most everything, but the rich will still have valuables. This evil plot is set to crash your markets and your government so the one world people can bring America into the North American Union with a new currency of the amero for America, Canada, and Mexico. Before this takeover happens, I will warn My faithful to leave for My refuges. Those, who do not take the mark of the beast, will be sought out to be tortured and killed. I will bring My Comet of Chastisement down on these evil ones, and cast them into hell. My faithful will be rewarded in My Era of Peace. So have no fear because My angels will protect

you."

August 25, 2011
Saturday, August 13, 2011: (St. Pontian & St. Hippolytus)Jesus said: "My people, in the first reading Joshua went through a long list of how the Lord defeated the Egyptians, and miraculously fought off all the peoples that occupied their promised land. As he was near death, Joshua made a promise to serve Me, and he placed a stone in the sanctuary to mark this covenant of the Lord with His people. (Joshua 24:15) 'As for me and my household, we will serve the Lord.' This personal commitment toserve Me is a challenge for every soul to accept in order to be able to come to heaven. At your Baptism as an infant, you had your godparents speak for you in your resolution to believe in Me. Later in life, when you can reason for yourself, you need to make your own personal commitment to serve Me. By asking forgiveness of your sins, and accepting Me as Master of your life, truly you will be on the narrow road to heaven."
Jesus said: "My people, as you get older, you wonder where the time went because time passed slowly when you were younger. When you see people at class reunions, it brings back old memories as you share your lives with each other. This idea of remembering your life's actions over the years will be made very clear to you in your Warning experience. The big difference is that you will also see your life through the eyes of those whom you lived with and through My eyes. I will alert you more to the unforgiven sins in your life that you still have to make reparation for. This Warning experience will give everyone a second chance to seek My forgiveness and change your life for the better. I will show you by a mini-judgment where your life is headed if you do not change it. You will be put back into your body, knowing how you should live. You will then be held more responsible because now you will know what is expected of you. You will also be needed to help evangelize souls that will be open to your word to bring them to Me in faith. Rejoice in this chance to change your life, and be prepared for the coming tribulation."

Sunday, August 14, 2011

August 25, 2011
Sunday, August 14, 2011:Jesus said: "My people, you have people today who are possessed by demons in your many addictions. The woman of today's Gospel was concerned to rid the demon from her daughter. She was a foreigner to the Jews, but she was persistent in her faith, even when at first I did not want to help her. I truly did want to help her daughter, but I tested her resolve. With her answer, I saw that she truly believed in My healing power, so I exorcized the demon from her daughter. This story is truly a lesson in faith when you are in need. It is persistence in prayer and belief in My healing powers that will gain your favor. This depth of faith is important if you are to endure this life's trials. It is like the parable of the Sower of My Word. Just calling out 'Lord, Lord' will not save you, but you need to be like the fertile ground where the seed has a depth of soil to grow and yield thirty, sixty, and a hundred fold. If your faith is like the seed that falls on rocky ground, it sprouts at first, but then it dies for lack of roots. If your faith is like the seed that falls among thorns, it dies also when it is choked by the pleasures and attractions of the world. Your heart needs to be open, in order to let Me into your life and let Me be your Master. Have a strong, persistent faith as the woman in the Gospel, and you will be on the right road to heaven."

August 25, 2011
Monday, August 15, 2011: (Assumption of Mary into heaven)Jesus said: "My people, you know how My Body was resurrected into heaven so there were no bones or body parts left in the tomb. My Blessed Mother died also, but I did not allow her body to suffer decomposition in the grave. Instead, I assumed her body and soul into heaven so My followers could not find the remains of her body in the tomb. My apostles realized that I had granted her this favor as a reward for accepting Me into her body. My Blessed Mother did not suffer the corruption of sin, and she also did not suffer the corruption of her body in the grave either. Again this is another sign to My faithful that one day you will be resurrected body and soul into heaven on the final day of judgment."
Mary said: "My dear children, I am coming today because this is one of my glorious feasts that gives glory to my Son. I was placed in the Dormition Abbey and by Jesus' Will I was assumed into heaven so my body would not suffer the

normal corruption of the body. I was taken up into heaven both body and soul as you have seen in the vision. In today's reading I recited my Magnificat when all people will call me Blessed. I received the gift of my Immaculate Conception free of original sin from Adam. During my life on earth I lived in the Divine Will of my Son as I was able to remain sinless in this life. It was because of my faithful service that Jesus allowed my Assumption into heaven. This is another sign for my children that one day you will all be resurrected to heaven. Rejoice in the glory of God for how He takes care of His children."

August 25, 2011

Tuesday, August 16, 2011: (St. Stephen of Hungary)Jesus said: "My people, when I came on the earth as a man I told you that the Kingdom of God is upon you. Soon by the vision of this clock, you will again see events lead up to My coming again. My power extends throughout all the universe and I am always present. Accepting Me into your life should be your goal because I am the only means by which you can enter heaven. It is this conversion in faith to believing in God that I request of every soul. (John 3:5-6) 'Amen, amen, I say to thee, unless a man be born again of water and the Spirit, he cannot enter into the Kingdom of God. That which is born of the flesh is flesh, and that which is born of the Spirit is spirit.' My Presence is among you in many ways, especially in My sacramental Real Presence in My Eucharist. I am with you in My Blessed Sacrament to the end of time, and you welcome Me into your pure heart when you receive Me worthily in Holy Communion. It is when you commit serious sin that your soul is separated from Me. This is why you need to come to Me in Confession through the priest so I can forgive your sins and restore My grace to your soul. By keeping your soul cleansed of sin by frequent Confession and accepting Me as Master of your life, you will receive your reward with Me in the Kingdom of heaven."

Jesus said: "My people, this vision of a bull against the stars represents how Wall Street has lost contact with reality. Your markets are so concentrated on greed, that they are not helping your country or its people when they only make money for the rich. Whenever these companies invest money in jobs, it is usually outside of your country. This process of exporting your jobs and wealth is why

there are few good manufacturing jobs available. So when your candidates and your President say they want to have more jobs in America, it becomes empty rhetoric when your corporations are not providing jobs in America. Unless there are taxes or tariffs on incoming goods, or penalties are placed on exporting jobs, there are no incentives for businesses to change how they work. There should be more studies on how many jobs have left your country to explain why you have such high unemployment rates. Your people need to face the reality that your jobs have left and you are now a prisoner to getting most of your goods from China. Your corporations are building up a communist nation by investing more in China than in your own country. The one world people are orchestrating this exporting of your wealth so you will become bankrupt, and they will take you over for a cheap price. It is almost too late to change your government, so prepare to go to My refuges where you will be protected and cared for."

September 8, 2011
Wednesday, August 24, 2011: (St. Bartholomew)Jesus said: "My people, you have just experienced some unusual earthquakes in places where they do not normally occur and on the same day. This vision that I have shown you is a man-made device that uses microwaves to induce earthquakes. There is a very strong relationship between this device and these earthquakes. You are familiar with the HAARP machine and how it has previously caused some serious earthquakes. This is another disaster to do some research on the effects of these earthquakes. Fortunately, there was not any serious damage."(Note: 5.3 earthquake in Colorado, 5.8 earthquake in Virginia, both are about equidistant from the New Madrid fault and on the same 40th parallel.)
Jesus said: "My people, this vision of harvesting the grapes represents the Scripture in Revelation where the grapes or souls are gathered for the last judgment. (Rev. 14:15-20) 'Another angel came out of the temple, crying out in a loud voice to the one sitting on a cloud, 'Use your sickle and reap the harvest, for the time to reap has come, because the earth's harvest is fully ripe.' So the one

sitting on the cloud swung His sickle over the earth, and the earth was harvested. Then another angel came from the altar who was in charge of the fire, and cried out in a loud voice to the one who had the sharp sickle, 'Use your sharp sickle and cut the clusters from the earth's vines, for its grapes are ripe.' So the angel swung his sickle over the earth and cut the earth's vintage. He threw it into the great wine press of God's fury. The wine press was trodden outside the city and blood poured out of the wine press to the height of a horse's bridle for two hundred miles.' This judgment of the earth's souls is all about the grapes of wrath where the evil ones are cast into hell, and My faithful are led into heaven. Many people do not realize how close this judgment of the living is at the end of the tribulation. For I am the one coming on the clouds, and I will cut the clusters of grapes for My harvest of souls. This is why I gave you the parable of the wise virgins, so you are prepared for My coming with a clean soul. By frequent Confession your soul will be ready for My judgment.

September 8, 2011
Thursday, August 25, 2011: (St. Louis of France)Jesus said: "My people, today's Gospel is warning My faithful to be on the watch for My coming, but keep working at your daily mission. Just as your people are preparing for the coming hurricane, so My people need to be prepared spiritually with a pure soul. By frequent Confession, you can keep a pure soul in readiness for My unexpected arrival. Those, who are ready in their heart and soul, will be welcomed into their place in heaven that I have prepared. But those, who are not prepared spiritually, may possibly face My wrath in hell. So do not be taken up with the world's cares and distractions, but remember that you are a spiritual being as you await your Master's return. Be a prepared wise virgin with your oil in your lamp."
Prayer Group:Jesus said: "My people, America over the last few years has been spared from any major hurricanes striking land. I told you that you could see some damaging hurricanes this year, and you are now seeing such a storm. The people need to prepare and evacuate any dangerous islands. Please pray for any souls that could die suddenly that are not spiritually prepared to meet Me at death. Also you may be called to help areas that could be damaged by this storm."
Jesus said: "My people, you have seen some minor earthquakes in Colorado and

Virginia on the same day. I have told you in previous messages that the next targeted earthquake would be the New Madrid fault by the same one world people that have caused earthquakes in Japan, Haiti, Chile, and China. The goal of these evil ones is to reduce the world's population, and they are using microwave machines to create earthquakes, tornadoes, and enhanced hurricanes as disasters that cannot be traced to them."

Jesus said: "My people, as you see various earthquakes, tornadoes, and hurricanes, many people are stocking up on food and water in case there are power outages and food shortages. It is curious to see these activities now because I have been giving you many messages on storing food and water for the coming tribulation. My faithful, who have heeded My warnings, already have their food and water to face any disasters. You will be seeing more disasters one after another, and you will be thankful that you are prepared for these trials. You will see that the government and others will now be competing for any food supplies that are available. Pray for My help to endure these trials, and call on My angels to put up their shields of protection to protect you from harm."

Jesus said: "My people, you are very dependent on your power plants for electricity that runs your communications, your heating and cooling, as well as your lights. This is why line telephones will be more valuable. You will need alternative heat sources during the cold months, and also oil lamps for light. You may need wood burners, kerosene burners, or gas burners for cooking and heat. Those, who have prepared for the loss of electricity, will not have to rely on stores that will quickly run out of these supplies. You will thank Me for warning you to get ready for these events that will be testing you. You will need to share your preparations with others."

Jesus said: "My people, preparing for physical disasters is one thing, but preparing for a spiritual battle with the Antichrist is another thing. This is why I am calling some of My faithful to set up refuges for protection from the demons, the Antichrist, and the evil one world people who want to kill My believers. My angels will protect you with invisible shields. My luminous crosses and miraculous springs will heal all of your ailments. Food, water, and shelters will be multiplied at My refuges to provide for your needs. Angels will feed you My daily Communion, and deer will come into your camps for meat. Just as I protected the Jews in the Exodus, so I will protect My faithful in their modern day Exodus."

Jesus said: "My people, worries, anxieties, and fears are all tools of the evil one to scare you, and the evil ones want to control you if you let them. My faithful

need to put their full trust in Me for their needs and do not worry that I can take care of you. You will see the evil ones try to control you through taking your money and trying to make it mandatory to put chips in your body. Refuse any chips in the body because they will control your free will. When you are threatened with these chips in the body and events are leading up to martial law, My faithful need to call on Me, and I will have your guardian angels lead you to My nearest refuge. These are places of My Blessed Mother's apparitions, holy ground places, monasteries, and caves. By trusting in Me, I will save your lives and your souls."
Jesus said: "My people, for those of you who are concerned about the coming tribulation and persecution, do not worry because the Bible shows you that I am the victor in the end. You may suffer your purgatory on earth during the tribulation, but have no fear because I am more powerful than all of the demons. My arms of protection are around My people, so you have My promise of salvation for all who believe in Me. Be more concerned about guarding your soul with Confession than worrying about the death of the body. My faithful will witness My victory, so always have trust in My Word."

September 8, 2011
Friday, August 26, 2011:Jesus said: "My people, today's Gospel about the wise and foolish virgins is the most obvious message about making proper preparations for the end times. I have warned My people about being ready both physically and spiritually for the coming tribulation time. You do not want to be faced with Me telling you I do not know you, for you know neither the day nor the hour of My coming. You need to be prudent in your preparations without fear, but trust in My protection. You have been warned to have some food for the coming famine, and to be ready to leave for My refuges when the evil ones want to kill you. The wise virgins bought oil for their lamps and they were ready when the Groom came, but the foolish virgins were unprepared and they were locked out of the feast when they went in search of oil for their lamps. My faithful have made their preparations and you are ready for whatever disasters may come. You also are prepared to go to My refuges. Those, who are not prepared, may go hungry without food, and may be killed in the detention center death camps for not leaving their homes for My refuges. Put your trust in Me by following My

warnings in making your preparations. You see the earthquakes and storms all around you, so read the signs of the end times, and be prepared."
Jesus said: "My people, this vision shows you a contrast between the Light and the darkness. In the spiritual realm this can be a contrast between good and evil. When I bring My Presence among you, I am the Light that disperses the darkness which represents evil. In certain areas of your country there are patches of evil as in New York City where they accept homosexual laws, and there is the greed of money on Wall Street. In San Francisco I have talked of the effects of homosexual behavior on your society. Various punishments will befall these centers of evil. Earthquakes will bring San Francisco down, and now this latest hurricane is headed for New York City. Just as the devil leads the one world people to do their evil deeds, so I am leading My faithful to pray for these evil people, and be a force for good in evangelizing souls. You will see this battle between good and evil come to a head during the tribulation. You will rejoice when I will intervene and declare My victory over evil."

September 8, 2011
Saturday, August 27, 2011: (St. Monica)Jesus said: "My people, today's parable is not about who could make the most money, but about not wasting your time and talents that I have given you. I have given all people a mission and the time and talent to carry it out. Whatever vocation that you have chosen with My help, you need to be a good religious, a good spouse, or a good single person. You should be working if possible, and making your physical contribution to society. You also need to be sharing your time, money, and talent with your neighbor in need. In your spiritual mission, you need to share your faith to encourage converts or others to be reconverted to the faith. Your daily prayers also help souls. The lazy servant, who buried his master's money, was dealt with harshly for squandering his time. So My people should not just lie around idle when you are capable of working. Even My Early Church did not give supper to those who would not work for the community. You also are responsible to make an effort to save souls on earth, and pray for the souls in purgatory. There are sins of omission where you had an opportunity to help someone in need, and you purposely refused for your own convenience. At the judgment you will all have to stand before Me, and justify how you used your time, money, and talents."

Jesus said: "My people, I have given you messages before about underground cities that are manned and dug by the military to shelter important people. In addition to these cities there are many long underground tunnels that are connecting these cities. There have been confirmations of these things on certain internet web sites. I have also told you that your government has been buying excessive amounts of food to store in these cities, and not just for disaster preparations. These important people will have food and shelter for any major disasters above ground. It is as if they know there are going to be riots and revolution when they crash your money. Even as the evil ones prepare tunnels, My faithful are preparing refuges with food and shelters that will be multiplied and protected by My angels' shields of invisibility. Those, who have tried to buy food for the coming famine, have seen it complicated by the government purchases of food. Trust in My help and protection during the coming tribulation."

September 8, 2011
Sunday, August 28, 2011:Jesus said: "My people, every time that you visit Me in Adoration of Me in My Host, you are overwhelmed with your awesome God. I am the almighty, yet I am present for you in all of My tabernacles. You are seeing a contrast of My power in My Host with My power in nature with this latest hurricane. Even though there was flooding and some destruction, there was little loss of life, and not as much damage as forecast. Truly this storm could be considered a wake-up call because man has turned complacent, and I am not seen in many people's lives that should be coming to church on Sunday. This is a Sunday message to wake up and see My power in your lives both physically and spiritually. I desire that souls come to Me in faith, and in conversion from all of the world's distractions and pleasures. This storm should get your attention because it is a bit of a punishment for all of your sexual sins and worship of money and possessions. Remember to be alert and prepared in your souls for when I will return."(Note: Hurricane Irene came through the Northeast this day.)

September 8, 2011
Monday, August 29, 2011: (The Martyrdom of St. John the Baptist)Jesus said: "My people, I have warned My faithful in many messages that you will be persecuted for My Name's sake in the coming tribulation of the Antichrist. You will be sought out to be killed by the evil ones working for Satan and the Antichrist. (Rev. 14:15) 'And it was permitted to give life to the image of the beast, that the image of the beast should both speak and cause that whoever should not worship the image of the beast should be killed.' Because these evil ones will be seeking to kill you, I have asked some of you to set up refuges of protection where My angels will place shields of invisibility over all of My refuges. Those people, who do not leave their homes for My refuges, will have the men in black try to force them to take the chip in the body and worship the beast. If they refuse, they will face martyrdom either by guillotine or in the gas chambers. Those, who doubt that guillotines will be used, can read the Book of Revelation (20:4): 'And I saw the souls of those who had been beheaded because of the witness to Jesus and because of the Word of God, and who did not worship the beast or his image, and did not accept his mark upon their foreheads or upon their hands.' Truly you have had people even witness guillotines being brought into your country at your many detention center death camps. Those, who want to avoid this martyrdom, can call on Me and I will have your guardian angels lead you to the nearest refuge."
Jesus said: "My people, this year you have seen billions of dollars in damage from snow storms, Mississippi River floods, tornadoes, droughts, and now hurricanes. Only a bare third of this destruction has been insured, and that will be paid slowly and not for full replacement. The state and Federal governments are already in deficit budgets, so little help can be afforded. This destruction of your infrastructure is a losing battle with no source but borrowed money to pay for it. Many of your entitlement programs and state pensions are at risk of not being able to meet their obligations. As long as these payments are paid out, your society thrives on the spending. But when the funds run out to support this welfare state, your whole financial system will collapse. Your inflation rate is much higher than you are being told. Your commodities, food, education, and health costs are going out of sight in terms of increased costs. You have been living on borrowed money from the oil countries and China. It is just a matter of time when you can no longer find people to buy your increasing debt bonds. When this happens, your interest rates will increase to junk bond status, and your dollar will collapse. This is when the one world people will take over, and force

you into a new world currency called the amero, and gradually into a chip in the body. When your money collapses, and martial law is called, you will need to go quickly to My refuges. I will provide for your needs and your protection, so have no fear. All the evil ones will later be cast into hell, while My faithful will have their reward in My Era of Peace."

Tuesday, August 30, 2011

September 8, 2011
Tuesday, August 30, 2011:Jesus said: "My people, in the Gospel you read of how I commanded the demon to leave that man. Many of the people of that town marveled at My authority to the demon to leave with My word alone. They did not realize that I was the Second Person of God, but the demons recognized who I was and I told them to be quiet. Some people do not recognize their own demons in their personal addictions. There are demons associated with drinking, smoking, gambling, drugs, computers, and overeating. It is the excessive use of these things that makes them sins because you are abusing your body, and making these things idols instead of following My ways. Make an examination of your own life to see if anything is controlling you. Once you realize any bad habits, then you could work to try and put them out of your life. If you know your addictions and do not do anything to correct them, then you are allowing these demons to control you. Call on My help to rid these demons as I cast the demon out of the person in the Gospel."
Jesus said: "My people, when I said this storm was a wake-up call, many did not fully comprehend the enormous amount of destruction that could come from wind and rain from such a large storm. As more and more details are discovered of the flooding, roads destroyed, and power outages, people are seeing how much damage was done to the infrastructures of so many states. It is comforting to see how many people reached out to help rescue those in danger. In disasters like this it is important that you help each other to restore roads and electricity. By neighbors helping each other, you can get back to normal means of living. While some jobs were lost, other jobs for repairs are available. Payment for repairs may be a long time coming, so some jobs may be for charity until funds are available. You can see help coming from other states just to provide the needed equipment. Food and water are being rushed to those people who are stranded and homeless. You may be called to donate money, or work to help the

people in disaster areas. When I ask you to love your neighbor, this is the best kind of opportunity to offer your services, even if it is done for no payment."

September 8, 2011
Wednesday, August 31, 2011:Jesus said: "My people, with unusual damage from your latest hurricane, many people lost electricity and phone lines when trees were knocked down. Now your utility line people are replacing these lines with the line on these large spindles in the vision. Once the roads are cleared of debris and rebuilt in some cases, then your people will have their power and phone lines working again. Communications for phone and even the internet will soon be restored. There is another kind of spiritual communication that is also important to keep Me connected to your souls. Prayer is your best form of spiritual connection because I listen to all of your prayers. When you skip your daily prayer and commit mortal sin, you are breaking your communication lines with Me. Fortunately, you can repair these lines with Confession and renewing your daily prayer. I love all of you and you love Me, but a true love relationship requires a two-way conversation. I always love you, so it is you who breaks that line by your bad actions. Make a habit of praying about the same time each day, and you can keep our love lines open."
Jesus said: "My people, just as the angels are constantly adoring Me at every Mass, so My faithful are like lamp stands that constantly give glory to My Real Presence. My faithful are lights that witness to My Light in the darkness of the world of sin. You are My ambassadors that invite people to come and be converted to faith in Me. When they accept you, they are accepting Me whom you believe in. My faithful have the gift of faith in Me, but you are sharing My love with them. When they come to accept My love, and they love Me, then they will thank you for such a gift to be shared. You are spiritual beings, and all of you are drawn to Me because I am the only One who can give you peace and rest in your souls. Rejoice that your soul is complete in My love and My gifts."
Jesus said: "My people, it is getting harder to find skilled jobs that require college degrees. Some companies are also having a hard time finding skilled people in the sciences. With jobs hard to find, college students are limited in their courses of choice in order to fit the jobs available. Intern jobs with school and work might make a better fit for what is needed. The cost of college is

growing much faster than inflation, so most students need to go to community colleges and state supported schools in order to afford their education. It is getting even harder to find students who can afford to be medical doctors. Even finding students to be priests is also becoming difficult. It is fortunate that you do not need a lot of training to learn your faith in Me, so ask My help in saving your soul. Being with Me in heaven is a better goal than any degrees that you may earn. If you have the ability to obtain college degrees, then you should use your skills to do so. This will help you more in fulfilling your mission. Keep focused on Me in your spiritual life, and I will help you to succeed in your secular life as well. When you put your trust in Me, you will be able to accomplish more than you thought possible."

September 8, 2011
Thursday, September 1, 2011:Jesus said: "My people, I mentioned in previous messages how My miracles helped My apostles to believe in My mission, and later they realized that I was the Messiah or the Christ. In today's Gospel from St. Luke, you saw St. Peter, St. John, and St. James leave their work as fishermen to follow Me after they witnessed the miraculous catch of many fish. They were acquainted with Me for awhile, but now My apostles have made their full commitment to be My disciples. In Mark's Gospel I called the same apostles while they were at shore mending their nets. As My disciples saw more and more of My miracles, this strengthened their faith in My mission. Even though My apostles heard My explanations of My parables and witnessed My miracles, they still did not fully understand My mission. When I told them that I must die and be resurrected on the third day, they were in disbelief. It was only after My Resurrection and My gift of the Holy Spirit that they understood My suffering was meant to save all of mankind from their sins. This is why faith is a gift, and it cannot be reasoned by only human knowledge. Only by My help and that of My Father and the Holy Spirit can My people believe that I am the Son of God to show everyone the way to heaven. I taught My apostles to be fishers of men and women, and I also give this same gift of evangelization to all of My faithful. I call all of you to go out to all the nations to bring souls to Me in conversion. Your reward will be great in heaven for following My words."
Prayer Group:Jesus said: "My people, many billions of dollars have been spent

on the wars in Afghanistan, Iraq, and now in the Middle East. Now America has been brought to its knees with over $39 billion of natural disaster destruction throughout the year. Money is now needed to repair roads and bridges from Hurricane Irene's damage. There is a cry of who is more deserving of aid from your Treasury. These questions may cause a change in who decides what priorities are more important. Wars are self-inflicted, but disasters need immediate repair without question."

Jesus said: "My people, you have seen people in New England suffering from major flooding that has stopped electricity to millions, and roads that were washed out. Many are offering their services to repair roads, bridges, and power lines, but it will take time and money that is scarce for disasters. Even food and water had to be brought in by helicopter in remote areas. Pray for these people and send donations where you can."

Jesus said: "My people, even when you see storms coming to areas that normally do not have them, people were still putting themselves at risk when they should have evacuated. Your people are now realizing that even category 1 or 2 hurricanes can still cause a lot of rain damage. This experience may help people to evacuate more quickly when others are threatened. The cumulative effect of one disaster after another is stressing your first responders and the money it takes for repairs. Pray not only for the victims of your disasters, but also pray for those who risk their lives to save others."

Jesus said: "My people, you have some distressed areas where tornadoes and floods have destroyed some schools. In these cases it may take longer to rebuild schools and find room for temporary school rooms. It is in these situations that the local people are pulling together to restore their towns to normal life. Give these areas credit for working to save their towns and their way of life. Some areas may need to call on others to help them. Even other states have been willing to send what help and aid that they can."

Jesus said: "My people, when you see record numbers of tornadoes and deaths from them, you think this is one isolated instance. Then you see earthquakes in unusual places, and hurricanes in unusual places, and now there seems to be a message in these events. Americans are still killing millions of unborn babies in abortion, killing old people with euthanasia, and are now encouraging homosexual marriages. These crimes against My laws are demanding My justice, and nature is even reacting to your increasing sinful behavior. The violence of your crimes is now being mirrored in the violence of these natural disasters. Pray for all of these sinners so My hand of punishment will be lifted

from you."
Jesus said: "My people, many of you are feeling frustrated with your stagnant economy and continuing high unemployment. Even with continuing time, there is little hope to see any improvement in your economy. Many of your poor decisions are causing the massive deficits in your government. If some needed changes are not made quickly, then truly you could see a crash of your financial system bring an end to America. Pray that your leaders can correct your bad spending habits in order to balance your budget."
Jesus said: "My people, your problems with evil are only going to get worse before I bring an end to the Antichrist's reign. This is why I have been preparing you for My refuges where you will be protected from the evil ones. You will be seeing an evil worse than you have ever seen before with much killing directed by Satan and the Antichrist. You are about to see a battle of good and evil that will end with My victory over evil. Trust in My help and protection as you will be enduring your purgatory on earth. For those, who are faithful to Me, they will see their reward in My Era of Peace and in heaven."

Friday, September 2, 2011

September 8, 2011
Friday, September 2, 2011:Jesus said: "My people, I broke the bread with My apostles at the Last Supper. Then My disciples on the road to Emmaus recognized Me when I broke bread with them after My Resurrection. At the Mass you see My consecrated Host broken before you. My Real Presence is with you at Communion and in My tabernacles. When you receive Me at Communion time, you have My joy and grace enter into your heart and soul. You are tested in this life with many trials, but you have My peace and hope of eternal life with you at all times to console you. So do not allow the worldly things to depress you, but keep your eyes always focused on Me so I can help you in your needs."
Jesus said: "My people, I warned the people of My day to listen to the words of the Pharisees and Sadducees, but not to follow their actions. They were very prideful in looking for places of honor at banquets, and always being recognized as important. It cannot be this way for My disciples. I call on you to be humble and live simple lives without seeking praise from others for your good works. For all of your accomplishments, give all the glory to Me, and you will be rewarded in heaven. When you seek heaven, you must become like little children

in their innocence and complete trust in Me. Even when you are blessed with an answer to your prayers, you should give glory and thanks to Me for listening to your prayers. Keep praying to Me for your daily needs and the needs of others."

Saturday, September 3, 2011

September 8, 2011
Saturday, September 3, 2011: (St. Gregory the Great)Jesus said: "My people, everyone has a physical heart that needs to keep beating for their survival, but you also have a spiritual heart to love Me and other people. Many of My faithful have a devotion to My Sacred Heart and My Blessed Mother's Immaculate Heart. You recognize My loving Heart just as you all have a loving heart to love Me and others. When a man and a woman fall in love, it is this love of the spiritual hearts that unites them. All of you have this capacity to love Me and to love other human beings. You may love animals or secular things, but this is at a lower level of importance. Love in the heart needs to be shared, and that is why a man and a woman crave to have a spouse, not only physically, but also a spiritual connection. The highest level of love is when you crave to be one with your Creator. This love in your heart can only be fulfilled when you are in union with My Sacred Heart. By joining Me in My Eucharist at Mass, conversing with Me through prayer, and adoring Me at Adoration, you are completely satisfied in your craving for My love in your heart."

Sunday, September 4, 2011

September 8, 2011
Sunday, September 4, 2011:Jesus said: "My people, this weekend you are celebrating your Labor Day holiday. As you see people working in the fields in the vision, work helps put bread on the table and pays your bills. The American worker has been suffering hard times when manufacturing jobs are being sent abroad. This is why your country will be returning to farm life and service jobs. Even as you think about physical labor, there is also a spiritual harvest of souls. When I called My apostles to serve Me, and today when you need more priests and evangelists, it is still an appropriate response to ask for more laborers to convert people. (Matt. 9:37,38) 'The harvest indeed is great, but the laborers are

few. Pray therefore the Lord of the harvest to send forth laborers into His harvest.' There is always a need for more vocations to the priesthood, so My people should be praying for this intention. Your priests need your support as well both financially and in your prayers. There are also evangelists and prophets who help bring people to conversion. Even miracles of healing have helped bring souls to Me. Rejoice in the blessing of having a job and also in working to save souls."
Jesus said: "My people, to those parents who have children and grandchildren, you should be thankful that I have invited you to be co-creators in bringing your children into this world. You have brought them physically into the world, but I have placed the soul of life into each of your children. When you see each child, as they are born, you are awed by the miracle of My creation. It is also miraculous how each person is unique with his or her own special talents, specific to each person's mission. You love your children so much, and you would do anything for them in helping them. Remember that as you are responsible to feed them and educate them, you are also responsible for their souls as well. This means that you need to teach them the faith, and watch over their souls, even after they leave your house. It is important to pass the faith on to your children so they can pass their faith down to their children. You should also look out for the faith of your grandchildren as well. Some times the parents are not always responsible in teaching the faith to their children. This is when the grandchildren could be taught the faith by their grandparents. Saving the souls of your family is most important. So pray for all of your children, grandchildren, and relatives both when they are alive, and even after their deaths."

Monday, September 5, 2011

September 8, 2011
Monday, September 5, 2011: (Labor Day)Jesus said: "My people, you have just listened to the last day of My creation in today's reading when I rested on the seventh day after all the work of creation was done. When you look back only about one hundred years, you see how you did not have cars or most of your electronic gadgets, and not even air-conditioners as in the vision. This increase of knowledge and all of man's inventions is another sign to you that you are living in the end days. You have televisions that could provide the image of the

beast, and you have chips in the body for buying and selling. Many of these technologies have come from the dark side to hasten the day of the Antichrist's declaration. Now that control over people's minds is possible, and the one world people are ready to give this electronic control over to the Antichrist, it is time for the tribulation to come about. Evil will be allowed a short reign to test humanity, but I will bring about My Warning to prepare souls for the coming trial. Take advantage of this time for preparation and be ready both physically and spiritually for this test of My faithful elect."
Jesus said: "My people, I have told you how America will be facing one disaster after another, partly as punishment for your sins. You have suffered from heavy snow storms, tornadoes, floods, earthquakes, fires, and now tropical storms. Each of these events have caused power outages, while some people have lost their homes and even their places of employment. In many cases people have lost all of their money, and have had to start over. It is difficult in such a bad economy to get new jobs, rent, or build another home. These are the hardships of many of your citizens, and there is not enough government money available to fix all the roads, bridges, and railroads that have been destroyed by your disasters. The worst part of this story is that these disasters are going to continue without anyone knowing how much money will be required for future repairs. My people need to pray for the sinners of your country, and pray for America in general to change your sinful ways, or these disasters will bring you to your knees."

Tuesday, September 6, 2011

September 8, 2011
Tuesday, September 6, 2011:Jesus said: "My people, I have called My twelve apostles to represent the twelve tribes of Israel. I also sent My apostles out to all the nations to teach My Word of faith. All but one of them were martyred for their attempts to spread Christianity. To St. Peter I gave the keys of My Kingdom to establish My Church on him as the rock. St. Peter was the first of many popes to lead My Church, as I told him that the gates of hell would not prevail over My Church. Christianity has been spread all over the world by My dedicated missionaries and priests who had hands laid on them to serve. As you read the four Gospels, you are blessed with My many teachings over the three years of My public ministry. Stay true to My Church leaders who are guiding you in the

morals of your day."
Jesus said: "My people, I am calling many souls in their hearts to set up refuges for the end times, and be persistent in their mission. There are some who did not have enough money or the desire to carry out this mission, and they have abandoned their refuge. If My faithful start a refuge mission, and they are sincere, I will help them in any trials that they may face. Even if the time to be at My refuges comes and certain refuges are not ready or fully built, I will have My angels finish the building and help with the food and water that is needed. I also told you that as more people come to My refuges, My angels will build more shelters to accommodate them with bedding, food and other needs. My faithful have to trust Me that I will protect them at My refuges with My angels' shield of invisibility. You will have heavenly Manna daily, plenty of water, and deer for your meat. All that you need will be multiplied so the people will have their necessities. Each member of your community will need to work for the survival of all of your people. Pray for My guidance and peace in your soul, so you will act calmly without any fear of the evil ones."

Wednesday, September 7, 2011

September 22, 2011
Wednesday, September 7, 2011:Jesus said: "My people, in St. Paul's letter to the Colossians (3:5) he calls on the people to strip away their immorality, lust, evil desire, and envy of worldly things. If they do not change, then they are calling down My justice upon them. Even today, I call on all sinners to put away their anger, wrath, malice, and foul language so they can live a proper Christian life that will witness their love for Me. St. Paul is calling you to remove your old life of sin, and put on a new life of mercy, kindness, humility, meekness, patience, and charity. By showing a good example to those around you, you can inspire good behavior in people as they imitate your good traits. When you do these things for My sake, you will receive your reward in heaven. This cleansing process in the vision reminds you of how you can cleanse your sins from your soul with Confession. When you see so much rain coming down on parts of America, it is as if nature is trying to cleanse your sins and evil lifestyles. Your sins are crimson red, and you need to come to Me for forgiveness, so I can restore grace and love in your hearts and souls."
Jesus said: "My people, you have been monitoring the National Debt and how it

is going over $14 trillion this year compared to $8 trillion before your President took office. The other measurement is how many billions of dollars in damage that you have witnessed in this year's disasters which are over $42 billion. You are setting records in just about every kind of disaster that could happen. In the Bible it speaks of many natural events occurring that would be a sign of My return in the end times. The one world people and the Antichrist will have a brief reign of 3 Â½ years, and then I will come on the clouds at the end of the tribulation. I will be victorious over all the evil ones as they will be cast into hell. Rejoice, that I will be the victor, and I will cleanse the earth of all evil. I will renew the earth and restore it so My faithful can live in My Era of Peace."

September 22, 2011
Thursday, September 8, 2011: (Nativity of Mary)Jesus said: "My people, this tunnel in the vision represents the lineage from Abraham down to St. Joseph in Matthew's Gospel (1:1-23). Mary also descended from the line of King David. This is why they had to register in Bethlehem because St. Joseph and Mary were both from the house of King David's line. As you see in the Bible, I had planned the origin of My parents even back to Adam in Luke's Gospel. This shows you the salvation history that preceded My birth, and how I planned to redeem all of mankind from their sins. This celebration of My Blessed Mother's birthday follows nine months after the feast of her Immaculate Conception on December 8th. Rejoice in My Blessed Mother's fiat yes to St. Gabriel's invitation to be My mother."
Prayer Group:Jesus said: "My people, it is a rare event for My priests to honor Me with Benediction. Every place that has Adoration of My Blessed Sacrament is an opportunity of grace for all of My faithful to share. My people need to show your support of these places of Adoration by your attendance and help in taking some hours to pray. This world needs a lot of prayer, and there are not enough people praying in front of My tabernacles."
Jesus said: "My people, you need to pray for your representatives to make the right decisions and legislation to help your economy get back on its feet. It is true that you have had disagreements on how to fix your problems, but if some compromise does not come soon, your country could sink into another recession."

Jesus said: "My people, you have heard the expression: 'The family that prays together, stays together.' Your family members may pray on their own, but there is more prayer power where two or more pray together. One rosary does not take that long, and you usually pray three rosaries every day. Try to make a point to pray one rosary with your spouse and children after supper. You each have your own plans, but you will find praying together as a family will help preserve many marriages."

Jesus said: "My people, you know the importance of having an available reservoir of fresh water for your community. Many countries do not have the convenience of running water from your tap. My people also need to see that My Blessed Sacrament is a reservoir of graces which you can visit any time when you visit My tabernacle or receive Me worthily in Holy Communion. I have an abundance of graces that you can request at any time. You can call on Me to send you angels to support you when you are being tested severely. I know your needs, so ask and your prayers will be answered."

Jesus said: "My people, you know how traumatic it is to lose your home when you have to live in a shelter or out of your vans. There are many organizations that you could donate to in order to help your citizens who are facing hard times from your disasters. Your people need to realize that many of your hardships of unemployment, and your latest disasters are in part a punishment for your sins and your lack of praying to Me. With more prayer and trust in Me, your people could accomplish great things. Your spiritual lives are more important than your physical possessions, so take care of your souls the most."

Jesus said: "My people, many of you have pride, and you want to be independent in helping your own household. At times disasters or job losses are beyond what you can accomplish on your own. When you see your neighbor in need to fix his house, be willing to reach out financially and with your labor to fill that need. You may even have to share food with those who have been wiped out financially, or their house is unlivable. The more you help your neighbor, the more graces you will store up in heaven."

Jesus said: "My people, you share many parties for birthdays in your family and among your relatives. My Blessed Mother loves you all dearly, and she watches out for your protection with her mantle. It would be appropriate to wish her a happy birthday, and thank her for all the intercessions that she provides for you. Imitate her life of love and humility, and heaven will be watching over you in your prayers."

September 22, 2011

Friday, September 9, 2011:Jesus said: "My people, I have given you this message several times before that My people need to understand the need to put your spiritual life in order by coming to confess your sins in My sacrament of Reconciliation. This scene of rain water flushing down your streets is a sign for the need of people to ask My forgiveness of their sins. These major storms are truly a wake-up call to get your attention to change your lives of sin and your sinful lifestyles. The vision of the cesspool is to emphasize how the stench of your sins is calling for My justice. I keep repeating this message because you see what is happening, but you are too comfortable in your sins to change. You talked of dieting where you may have to change your comfortable eating habits, and suffer for awhile to lose some weight. In your spiritual life it is also a suffering to give up your sinful habits, as living together without marriage. But the result of having a purified soul without any more addictions to sin, is well worth your efforts in controlling your human passions. It is one thing to come to Confession for your sins of lust, but it is even more important to remove yourself from the occasion of sin that causes you to sin. This may be difficult to leave a personal relationship for the body, but it is much more beneficial for your soul. Trust in Me to lead you on the right path to heaven, and focus more on My Will than following your own will."

September 22, 2011

Saturday, September 10, 2011:Jesus said: "My people, when this woman came to the well, I told her that she could ask Me for 'Living Water' that I would give her in the Holy Spirit. Every day My faithful need to come to Me with your morning offering, and receive Me in Holy Communion if you come to daily Mass. Just as the woman came every day for water to survive in the body, so you need to call on My graces every day as My daily Bread of Communion for your heavenly food. You are dependent on Me every day for all that you have, even for your very existence. Give praise and thanks to Me for everything that you receive, and not just when you are having problems and difficulties with life. When you are strong in your faith and act on My words, then you will show the good fruit

coming from your heart by your charity to your neighbor. Those, who have evil hearts, can only bring forth evil deeds. Work to convert these evil hearts by My grace so they can bring forth good fruit as well. My faithful, who have made a foundation of faith in Me, are strong against the evil one. They have built their faith on the rock of St. Peter in following My Pope and My Church. Those, who have no foundation in faith in Me, are like people who build their houses on sand. When the storms of the evil one's temptations come, they will fall to sin with no protection. So trust in Me and act on My words, and you will have eternal life in heaven."

September 22, 2011

Sunday, September 11, 2011:Jesus said: "My people, in today's Gospel I told My apostle to forgive his neighbor seventy times seven times. In other words My people need to be generous as I am generous in forgiving their sins. I love all of you unconditionally, and you should strive to love everyone and Me as you love yourself. This is My Great Commandment, but I know it is difficult to love your enemies and those who persecute you. You need to pray even harder for souls who do not believe in Me, and may be following the devil in earthly ways. In all cases you should strive to forgive your neighbor of any transgressions against you, and be able to seek your neighbor's forgiveness of any harm you may have done to him or her. All of you are sinners and in need of My forgiveness and My grace. I have given you My sacrament of Penance so you can come to Me in the priest to seek My forgiveness and absolution of your sins. You should confess your sins at least monthly or sooner if you are in mortal sin. Those, who are in mortal sin, are dead to Me with no grace in their souls. By confessing your sins, your soul is cleansed of all darkness, and you are now in My Light with sanctifying grace restored to your soul. Pray for your priests who receive you in Confession and give you Holy Communion. They have to endure the attacks of the devil just as you do. By keeping your soul pure along with your daily prayers, you can keep close to Me and open to carry out the mission that you have been given. I am all loving and I call My faithful to be all loving in imitation of Me."

Jesus said: "My people, you are seeing much sin in San Francisco and New York City. These sexual sins are calling on My punishment for homosexual acts and

fornication. The vision shows My severe punishment of San Francisco when it will be submerged into the ocean from an earthquake because of the homosexual sins. There is also coming more punishment for New York City from storms and other means of destruction. Recently, New York State has approved homosexual marriage. These sins are all abominations and these cities will not escape My punishment for their sins. I am warning My faithful to leave these cities just as I warned Lot to leave Sodom and Gomorrah. This is because in a short time these cities will suffer My wrath. I have put up with man's sins for too long, but now these cities are calling down My justice. Pray for the souls of the people of these cities because many may die suddenly without being ready to meet Me at their judgment."

September 22, 2011
Monday, September 12, 2011:Jesus said: "My people, in the Gospel I remarked how much faith that the centurion had in My ability to heal his servant. He also respected Me that I did not have to come into his home for his servant to be healed. It was forbidden for Jews to enter a Roman centurion's home. Even in the Mass around Communion time you are quoting the centurion's prayer: 'Lord, I am not worthy that you should enter under my roof, but only say the word and my soul will be healed.' When I was on the earth, I treated everyone equally both the rich and the poor. I love everyone equally with an unconditional love. I want all of My faithful to love everyone as well, even your enemies. In your society at times you tend to show favored treatment for the rich and important people. Some also seek fame and desire to be treated royally by increasing their status or their wealth. My faithful need to seek a simple and humble life without fame. You also should not discriminate between the rich and the poor because they all have a soul which I have created equally. Respect everyone because each person is a temple of the Holy Spirit with the spiritual life of a soul."

September 22, 2011
Tuesday, September 13, 2011: (St. John Chrysostom)Jesus said: "My people, in the Gospel when the widow's only son died, I was moved with compassion to raise him from the dead so she could be supported in her old age. Her son could then start a new life just as in the vision when now he will have a new slate when all of his past life was wiped away. When My faithful come to Confession for the forgiveness of their sins, they too, have their sins wiped away, and they can have a new start with a fresh clean slate. When you come out of the confessional, you feel new and refreshed with grace in your souls. Work to keep your souls pure and full of grace by frequent Confession of at least once a month. By being open to following My Will, you will be able to carry out the mission that I have given you."
Jesus said: "My people, in today's Gospel I raised the son of a widow from the dead, and the people were amazed at My Divine powers. There were many other miracles that were also amazing to the crowds and My apostles. I saved the most amazing miracle for the end when I resurrected from the dead. Even My people can witness the burning energy from My Body that burned the Shroud of My burial. This miracle of My death and Resurrection is how I brought salvation to all souls who want to come to Me for the forgiveness of their sins. Now that you have seen the power of My Divinity, you can understand the vision that portrays Me as your King on a throne. Because of My miracles, the people recognized that God is in their midst. It takes Divine power to raise someone from the dead. I am truly the giver and taker of life, so when people kill others, they are violating the mission that I had for those that were killed. Give praise and glory to your King who reigns in heaven with My angels and saints."

September 22, 2011
Wednesday, September 14, 2011: (Exaltation of the Cross)Jesus said: "My people, today's feast exults My crucifix which is lifted up in triumph over sin and death. In the Old Testament reading, Moses lifted up the bronze serpent on a pole so the people could look on it and be healed of their snake bites. Now, I am raised up on My cross so people can look on Me, and be converted from their sins, and healed in their souls. I have paid the price with the sacrifice of My human life so all of mankind could be saved. People can only be saved if they

seek My forgiveness and let Me be the Master of their lives. Every cross needs to have My corpus on it because otherwise there is no sign of suffering or sacrifice. My crucifix should also be a large one for all to see on the altar. Every Mass on the altar is a remembrance of My Body and Blood that was offered at My death on the cross. It is My Blood that washes away your sins on your soul and offers you salvation in heaven. In the coming tribulation My faithful will be called to My refuges of protection where My angels will shield you from the evil ones with an invisible shield. Over every refuge there will be a luminous cross that the people can look on to be healed of all of their ailments. Give praise, glory, and thanks to your Savior for dying on the cross to offer salvation to all of mankind."
Jesus said: "My people, many gambling casinos have controls on roulette tables and lever machines that favor winnings for the owners of the casino. This is called manipulated gambling. On Wall Street you have a similar manipulated market that favors the hedge funds and institutions that can control the buying and selling of large numbers of stock shares. This manipulation idea gets carried out even further in the workings of your government as the one world people start wars and purposely run up huge deficits to control America's polices. The manipulation of your interest rates, printing money, and authorizing Treasury Note auctions with no backing of the currency, is how the one world people control your money through the Federal Reserve. It is these central bankers who are setting up the North American Union for the eventual takeover of America. These unions will then be given over to the Antichrist to start his 3 Â½ year reign. Do not fear these evil ones in all of their controls because in the end they will be cast into hell, and My faithful will be safe at My refuges, and then in My Era of Peace. Be patient for a short time of tribulation, and then you will see My victory over evil."

September 22, 2011
Thursday, September 15, 2011: (Our Lady of Sorrows)Jesus said: "My people, this scene at My cross was one of My Blessed Mother's seven sorrows and one could feel the love of our two hearts as I was saying good-bye to her in My death. I gave her over to St. John to take care of her, but I was also announcing that My Blessed Mother would be the mother for everyone on earth. She indeed

treats you all as her children, and she places her mantle of protection over you. I died on the cross to redeem all of your souls, but this experience of My death was very traumatic for My Blessed Mother to lose her son. There were many other sorrows that she had to endure, but the human experience of life is always full of trials and life threatening events. Life is very fragile, and sickness and death are a part of every life. When you are suffering the trials of life, you can offer it up and pray to Me and My Blessed Mother because we sympathize with your problems as we both had to endure these same trials. Even though there are sorrowful moments in everyone's life, people still need to have hope and joy in My victory that will allow everyone to have the opportunity to come to heaven."
Prayer Group:Jesus said: "My people, I have told you how necessary it will be to have an independent source of water at every refuge for drinking, bathing, and cooking. Some refuges have man-made ponds, lakes, rivers, or wells. If there are no sources of water, I will enable springs to form as at Lourdes, France. I will be multiplying your food, and I will also multiply enough water to fulfill your needs. Water is necessary for your survival, and that is why a good water source is needed."
Jesus said: "My people, pictures are a unique freeze frame of people at a point in time. Since time passes rather quickly, it is good to save some pictures of various events in your life. Some save wedding pictures, graduations, First Holy Communions and baby pictures. If you have some younger pictures in your twenties or thirties, you may recognize such pictures if you were able to see a soul body at someone's funeral. Your soul body keeps the same age throughout your stay on earth. Looking back through your old pictures will give you a preview of your life review at your death or at the Warning."
Jesus said: "My people, these trumpets from heaven are announcing to the earth that the coming events of the end times are about to take place in the coming tribulation. Have your soul ready with frequent Confession so you are ready to meet Me at your Warning or your death. Many keep wondering and asking if the Warning is going to come. I assure you it will happen before the Antichrist comes to power. The more that you have your soul ready, the less that you will suffer in your Warning experience. Trust that I will bring My Warning so you can have converts in preparation for the tribulation."
Jesus said: "My people, at My refuges you may have some fruit trees that will have plenty of fruit. You also can plant vegetables with your heirloom seeds that I asked you to buy. By having various foods multiplied and the deer provided, you can have well balanced meals to keep you healthy during the tribulation. I

know your needs, and I have advised your refuge leaders what to stock up on for your survival. Everyone will be working in your refuge community so you can share your skills and trades to help keep people alive. There will be no people sitting around wasting their time. I will be multiplying your food so you can stay at your refuges."
Jesus said: "My people, the target of the evil ones during the tribulation, will be to kill all Christians and patriots. Those people, who are captured, will be killed with gas chambers and guillotines in the many detention centers located across America. I will warn My people to leave for My refuges before the men in black will come looking for you. Give thanks and praise to Me for protecting you at My refuges and preparing your souls for the end times."
Jesus said: "My people, you will need to have some tents and blankets ready to take to My refuges. When you first come to My refuges, it may be necessary to use your tents until the angels can provide your buildings to live in. I have told you before when people first come to My refuges, they may be anxious if there will be enough food and shelters. Once they see My miracles of food multiplying and buildings being multiplied, they will calm down. It is important to be quiet and trusting in Me for all of you to be able to live together."
Jesus said: "My people, I assure you that guns will not be necessary because My angels will be your protection with their shields of invisibility. If the evil ones cannot see you or track you, then they will not be able to kill you. Just as I blinded the people of Sodom and Gomorrah to protect Lot, so the evil ones will not see you as well. But you will be able to see each other. As for the meat that you will need, I will have deer come and drop dead in your camps so you do not have to shoot them. In the old Exodus I brought the quail into the camps and they dropped dead also. So trust in My protection because I do not want you killing people for your defense."

September 22, 2011
Friday, September 16, 2011: (St. Cornelius & St. Cyprian)Jesus said: "My people, one of the key phrases in the first reading is: 'Money is the root of all evil.' You can see this in your society with fast money schemes in the stock market, gambling casinos, lottery tickets, and even drug money. Where money is, there is usually crime seeking it. Some medium of exchange is needed for

buying your food and shelter, but money should not be sought out for its own sake just to be rich. Some seek money for what it can buy, and others seek it as a means of power and control. Avarice, or seeking money for its own sake, is actually a sin because it is making money an idol before Me. Those, who have excess wealth beyond their needs, should be sharing it with family, the poor, and support for My Church. I love a cheerful giver to charities, and not to begrudge giving some of your wealth away. In the Bible there is even mention of tithing or giving ten per cent of your income to charity. When you love your neighbor, donations are one way to show your generosity. Supporting My Church financially is part of your task in building up the faith. So do not seek to accumulate wealth only for yourself, but use your wealth in sharing it with your neighbor and not hoarding it."
Jesus said: "My people, I have shown you these forty foot wide tunnels before that connected the underground cities. It is true that the one world people are still making more tunnels around Denver, as you saw the construction going on. They have been storing large quantities of food in these cities for the one world people who plan to hide there for an upcoming event that they will stage. There is a honeycomb of these tunnels covering most of the Western states. There is also a further reason for having these tunnels made. When the planned martial law begins, it would show their plans if people saw troop carriers, tanks, and armored personnel vehicles traveling through your streets. By sending these armored UN troops through these tunnels, they can be pre-positioned in many areas, and ready to implement martial law instantly without anyone knowing where they came from. This sudden attack and control of the highways will catch all of your citizens by surprise. I know all the plans of these evil ones, and I will notify My faithful ahead of time to leave for My refuges, so you will be safe once the evil ones try to capture you. The evil ones have a secured network for communication, but My spiritual communication will reach every faithful person all at once in defiance of their plans. Trust in Me to take care of you, but you must be ready to move quickly once you are notified or sense danger."

Saturday, September 17, 2011

September 22, 2011
Saturday, September 17, 2011: (St. Robert Bellarmine)Jesus said: "My people, today's Gospel gave an explanation for the Parable of the Sower. The seed that

was spread is the Word of God. The seed that fell by the path represents those who have the Word stolen out of their hearts by the devil. The seed that fell on the rocks represents those who receive the Word with joy, but then fall with temptation because they have no roots. The seed that fell among thorns represents those who have the Word choked by the cares and pleasures of the world. But the seed that fell on good ground represents those who bore good fruit in patience. My faithful are called in the vision to carry their cross every day toward Calvary, as they bear the good fruit of good works. It is a daily suffering to withstand the devil's temptations and do good. You are to imitate My life in suffering the trials of each day. You share in My suffering as you are united with Me on My cross. This Calvary will be the time of the tribulation. Once you arrive at Calvary, you will not be crucified unless you stay at your home when I call you to My refuges. You will suffer your purgatory on earth during the tribulation. By bearing your cross in faith, you will receive your reward in My Era of Peace and then in heaven."
Jesus said: "My people, abortion of the unborn is another abominable sin because it takes the life of a defenseless baby. Any killing of a human being defies the plan that I had for that soul. Imagine if you were facing an abortion in your mother's womb. All the wonders of life that you have experienced would not have happened if you were aborted before you were born. Think of the millions of abortions that are performed each year, and these babies are being denied the life that you are living. Abortion should not be a means of birth control because many people have large families and they still survive. America's abortions are the worst sins that you could commit. So pray for your mothers to have their children according to My plan. Many punishments are befalling you because of your abortions."

Sunday, September 18, 2011

September 22, 2011
Sunday, September 18, 2011:Jesus said: "My people, I know this is an unusual vision, and I will be giving you more information later as the time of this event gets closer. The large burning fire is from a large refinery in America. This scene may be reported as an accident, but it is a terrorist incident to disrupt the flow of gasoline. There will be even more than one of these incidents as an attempt to cause fear and terror among your people. It is a part of the one world people's

plan for total control by disrupting your fuel for transportation. Your economy is based on cheap fuels, but if these fuels become scarce from these fires, the gasoline prices will rise and put more pressure on your government and your people. Pray for My help in getting you safely to My refuges when the time comes to go."

Monday, September 19, 2011

September 22, 2011
Monday, September 19, 2011: (St. Januarius)Jesus said: "My people, this light in the lamppost of the vision is symbolic of My Light of protection that disperses the darkness of sin. The rain represents the disasters that are going on all around you. There is also a sturdiness in the lamppost that is enduring the storm as I am your strength to get you through life's trials. Your stressed economy has put a hard burden on everyone just to make ends meet with the few jobs that are available. Many families need two or three jobs to afford their homes, cars, and bringing up their children. Getting loans has become difficult, and it is hard to even invest any extra money that can make a reasonable return. My faithful need to trust and depend on Me for their needs. You may have to endure a lower standard of living as your manufacturing jobs have been deliberately taken overseas because of cheap labor. You will not have long until you will be at My refuges during the tribulation. So be patient for a short time until you can be with Me in My Era of Peace."
Jesus said: "My people, you have seen fires before in the upper floors of a skyscraper. This fire in the vision is from an arson, and they found a way to even shut off the sprinkler system. Such a fire will burn out several floors before it can be brought under control. You have seen arson before, but this fire will be more professional with a purpose to cause the most damage. Buildings should secure their water and electrical systems so they can be protected from these kind of arsonists. Buildings that are important to your economy are the most desirable targets for arsonists who are using terrorist tactics. Pray for your firemen who are most vulnerable in these fires in skyscrapers."

Tuesday, September 20, 2011

September 22, 2011
Tuesday, September 20, 2011: (St. Andrew Kim, et.al.Korean martyrs)Jesus said: "My people, many times history repeats itself since many civilizations have risen and fallen. The prophets were sent to warn Israel not to worship idols and foreign gods, but the people of Israel would not listen to Me or My prophets who brought My messages. As a consequence, Israel was conquered and exiled in Babylon. Later, they were allowed to return to rebuild their Temple. So it is with America because you are also idolizing money, sports, fame, and gold. Because you are turning your back to Me with your abortions, homosexual marriages, divorces, fornication, and not worshiping Me on Sunday, you also will be exiled from your own land. My faithful will be making an exodus from their homes to My refuges. The Antichrist will kill, torture, or enslave those who do not come to My refuges. Even your many disasters in the weather are reflecting the violence of your sinful society. My faithful will be returned to a renewed land of My Era of Peace when all the evil ones will be separated and cast into hell." Jesus said: "My people, the progression of your lights started with torches, lanterns, candles, and now you have modern lights. You have used tungsten incandescent lighting even until now. You also have fluorescent lights and mercury vapor lights. Even though your mercury lights save energy, there is still a problem with disposing of a toxic material as mercury. This is why it is a little overpowering to have your government force everyone to use these toxic lights. Lights for Me are unnecessary, and even for some tribal people. Wherever I am, there is a glow of My Light. Even in My Era of Peace, there will be light all over the world. It is My spiritual power that is a source of constant light. Even your artists paint halos around the saints because of this glow of love and the spirit. Trust in My spiritual Light to understand My power and how My angels could either blind your enemies with their light, or make you invisible by altering the way light travels on earth. Be grateful that you can walk in the Light of faith and love."

End August 2011

September 2011

Wednesday, August 24, 2011

September 8, 2011
Wednesday, August 24, 2011: (St. Bartholomew)Jesus said: "My people, you have just experienced some unusual earthquakes in places where they do not normally occur and on the same day. This vision that I have shown you is a man-made device that uses microwaves to induce earthquakes. There is a very strong relationship between this device and these earthquakes. You are familiar with the HAARP machine and how it has previously caused some serious earthquakes. This is another disaster to do some research on the effects of these earthquakes. Fortunately, there was not any serious damage."(Note: 5.3 earthquake in Colorado, 5.8 earthquake in Virginia, both are about equidistant from the New Madrid fault and on the same 40th parallel.)
Jesus said: "My people, this vision of harvesting the grapes represents the Scripture in Revelation where the grapes or souls are gathered for the last judgment. (Rev. 14:15-20) 'Another angel came out of the temple, crying out in a loud voice to the one sitting on a cloud, 'Use your sickle and reap the harvest, for the time to reap has come, because the earth's harvest is fully ripe.' So the one sitting on the cloud swung His sickle over the earth, and the earth was harvested. Then another angel came from the altar who was in charge of the fire, and cried out in a loud voice to the one who had the sharp sickle, 'Use your sharp sickle and cut the clusters from the earth's vines, for its grapes are ripe.' So the angel swung his sickle over the earth and cut the earth's vintage. He threw it into the great wine press of God's fury. The wine press was trodden outside the city and blood poured out of the wine press to the height of a horse's bridle for two hundred miles.' This judgment of the earth's souls is all about the grapes of wrath where the evil ones are cast into hell, and My faithful are led into heaven. Many people do not realize how close this judgment of the living is at the end of the tribulation. For I am the one coming on the clouds, and I will cut the clusters of grapes for My harvest of souls. This is why I gave you the parable of the wise virgins, so you are prepared for My coming with a clean soul. By frequent Confession your soul will be ready for My judgment.

Thursday, August 25, 2011

September 8, 2011
Thursday, August 25, 2011: (St. Louis of France)Jesus said: "My people, today's Gospel is warning My faithful to be on the watch for My coming, but keep

working at your daily mission. Just as your people are preparing for the coming hurricane, so My people need to be prepared spiritually with a pure soul. By frequent Confession, you can keep a pure soul in readiness for My unexpected arrival. Those, who are ready in their heart and soul, will be welcomed into their place in heaven that I have prepared. But those, who are not prepared spiritually, may possibly face My wrath in hell. So do not be taken up with the world's cares and distractions, but remember that you are a spiritual being as you await your Master's return. Be a prepared wise virgin with your oil in your lamp."
Prayer Group:Jesus said: "My people, America over the last few years has been spared from any major hurricanes striking land. I told you that you could see some damaging hurricanes this year, and you are now seeing such a storm. The people need to prepare and evacuate any dangerous islands. Please pray for any souls that could die suddenly that are not spiritually prepared to meet Me at death. Also you may be called to help areas that could be damaged by this storm."
Jesus said: "My people, you have seen some minor earthquakes in Colorado and Virginia on the same day. I have told you in previous messages that the next targeted earthquake would be the New Madrid fault by the same one world people that have caused earthquakes in Japan, Haiti, Chile, and China. The goal of these evil ones is to reduce the world's population, and they are using microwave machines to create earthquakes, tornadoes, and enhanced hurricanes as disasters that cannot be traced to them."
Jesus said: "My people, as you see various earthquakes, tornadoes, and hurricanes, many people are stocking up on food and water in case there are power outages and food shortages. It is curious to see these activities now because I have been giving you many messages on storing food and water for the coming tribulation. My faithful, who have heeded My warnings, already have their food and water to face any disasters. You will be seeing more disasters one after another, and you will be thankful that you are prepared for these trials. You will see that the government and others will now be competing for any food supplies that are available. Pray for My help to endure these trials, and call on My angels to put up their shields of protection to protect you from harm."
Jesus said: "My people, you are very dependent on your power plants for electricity that runs your communications, your heating and cooling, as well as your lights. This is why line telephones will be more valuable. You will need alternative heat sources during the cold months, and also oil lamps for light. You may need wood burners, kerosene burners, or gas burners for cooking and heat.

Those, who have prepared for the loss of electricity, will not have to rely on stores that will quickly run out of these supplies. You will thank Me for warning you to get ready for these events that will be testing you. You will need to share your preparations with others."

Jesus said: "My people, preparing for physical disasters is one thing, but preparing for a spiritual battle with the Antichrist is another thing. This is why I am calling some of My faithful to set up refuges for protection from the demons, the Antichrist, and the evil one world people who want to kill My believers. My angels will protect you with invisible shields. My luminous crosses and miraculous springs will heal all of your ailments. Food, water, and shelters will be multiplied at My refuges to provide for your needs. Angels will feed you My daily Communion, and deer will come into your camps for meat. Just as I protected the Jews in the Exodus, so I will protect My faithful in their modern day Exodus."

Jesus said: "My people, worries, anxieties, and fears are all tools of the evil one to scare you, and the evil ones want to control you if you let them. My faithful need to put their full trust in Me for their needs and do not worry that I can take care of you. You will see the evil ones try to control you through taking your money and trying to make it mandatory to put chips in your body. Refuse any chips in the body because they will control your free will. When you are threatened with these chips in the body and events are leading up to martial law, My faithful need to call on Me, and I will have your guardian angels lead you to My nearest refuge. These are places of My Blessed Mother's apparitions, holy ground places, monasteries, and caves. By trusting in Me, I will save your lives and your souls."

Jesus said: "My people, for those of you who are concerned about the coming tribulation and persecution, do not worry because the Bible shows you that I am the victor in the end. You may suffer your purgatory on earth during the tribulation, but have no fear because I am more powerful than all of the demons. My arms of protection are around My people, so you have My promise of salvation for all who believe in Me. Be more concerned about guarding your soul with Confession than worrying about the death of the body. My faithful will witness My victory, so always have trust in My Word."

September 8, 2011
Friday, August 26, 2011:Jesus said: "My people, today's Gospel about the wise and foolish virgins is the most obvious message about making proper preparations for the end times. I have warned My people about being ready both physically and spiritually for the coming tribulation time. You do not want to be faced with Me telling you I do not know you, for you know neither the day nor the hour of My coming. You need to be prudent in your preparations without fear, but trust in My protection. You have been warned to have some food for the coming famine, and to be ready to leave for My refuges when the evil ones want to kill you. The wise virgins bought oil for their lamps and they were ready when the Groom came, but the foolish virgins were unprepared and they were locked out of the feast when they went in search of oil for their lamps. My faithful have made their preparations and you are ready for whatever disasters may come. You also are prepared to go to My refuges. Those, who are not prepared, may go hungry without food, and may be killed in the detention center death camps for not leaving their homes for My refuges. Put your trust in Me by following My warnings in making your preparations. You see the earthquakes and storms all around you, so read the signs of the end times, and be prepared."
Jesus said: "My people, this vision shows you a contrast between the Light and the darkness. In the spiritual realm this can be a contrast between good and evil. When I bring My Presence among you, I am the Light that disperses the darkness which represents evil. In certain areas of your country there are patches of evil as in New York City where they accept homosexual laws, and there is the greed of money on Wall Street. In San Francisco I have talked of the effects of homosexual behavior on your society. Various punishments will befall these centers of evil. Earthquakes will bring San Francisco down, and now this latest hurricane is headed for New York City. Just as the devil leads the one world people to do their evil deeds, so I am leading My faithful to pray for these evil people, and be a force for good in evangelizing souls. You will see this battle between good and evil come to a head during the tribulation. You will rejoice when I will intervene and declare My victory over evil."

September 8, 2011
Saturday, August 27, 2011: (St. Monica)Jesus said: "My people, today's parable

is not about who could make the most money, but about not wasting your time and talents that I have given you. I have given all people a mission and the time and talent to carry it out. Whatever vocation that you have chosen with My help, you need to be a good religious, a good spouse, or a good single person. You should be working if possible, and making your physical contribution to society. You also need to be sharing your time, money, and talent with your neighbor in need. In your spiritual mission, you need to share your faith to encourage converts or others to be reconverted to the faith. Your daily prayers also help souls. The lazy servant, who buried his master's money, was dealt with harshly for squandering his time. So My people should not just lie around idle when you are capable of working. Even My Early Church did not give supper to those who would not work for the community. You also are responsible to make an effort to save souls on earth, and pray for the souls in purgatory. There are sins of omission where you had an opportunity to help someone in need, and you purposely refused for your own convenience. At the judgment you will all have to stand before Me, and justify how you used your time, money, and talents."
Jesus said: "My people, I have given you messages before about underground cities that are manned and dug by the military to shelter important people. In addition to these cities there are many long underground tunnels that are connecting these cities. There have been confirmations of these things on certain internet web sites. I have also told you that your government has been buying excessive amounts of food to store in these cities, and not just for disaster preparations. These important people will have food and shelter for any major disasters above ground. It is as if they know there are going to be riots and revolution when they crash your money. Even as the evil ones prepare tunnels, My faithful are preparing refuges with food and shelters that will be multiplied and protected by My angels' shields of invisibility. Those, who have tried to buy food for the coming famine, have seen it complicated by the government purchases of food. Trust in My help and protection during the coming tribulation."

September 8, 2011
Sunday, August 28, 2011:Jesus said: "My people, every time that you visit Me in Adoration of Me in My Host, you are overwhelmed with your awesome God. I

am the almighty, yet I am present for you in all of My tabernacles. You are seeing a contrast of My power in My Host with My power in nature with this latest hurricane. Even though there was flooding and some destruction, there was little loss of life, and not as much damage as forecast. Truly this storm could be considered a wake-up call because man has turned complacent, and I am not seen in many people's lives that should be coming to church on Sunday. This is a Sunday message to wake up and see My power in your lives both physically and spiritually. I desire that souls come to Me in faith, and in conversion from all of the world's distractions and pleasures. This storm should get your attention because it is a bit of a punishment for all of your sexual sins and worship of money and possessions. Remember to be alert and prepared in your souls for when I will return."(Note: Hurricane Irene came through the Northeast this day.)

September 8, 2011
Monday, August 29, 2011: (The Martyrdom of St. John the Baptist)Jesus said: "My people, I have warned My faithful in many messages that you will be persecuted for My Name's sake in the coming tribulation of the Antichrist. You will be sought out to be killed by the evil ones working for Satan and the Antichrist. (Rev. 14:15) 'And it was permitted to give life to the image of the beast, that the image of the beast should both speak and cause that whoever should not worship the image of the beast should be killed.' Because these evil ones will be seeking to kill you, I have asked some of you to set up refuges of protection where My angels will place shields of invisibility over all of My refuges. Those people, who do not leave their homes for My refuges, will have the men in black try to force them to take the chip in the body and worship the beast. If they refuse, they will face martyrdom either by guillotine or in the gas chambers. Those, who doubt that guillotines will be used, can read the Book of Revelation (20:4): 'And I saw the souls of those who had been beheaded because of the witness to Jesus and because of the Word of God, and who did not worship the beast or his image, and did not accept his mark upon their foreheads or upon their hands.' Truly you have had people even witness guillotines being brought into your country at your many detention center death camps. Those, who want to avoid this martyrdom, can call on Me and I will have your guardian angels lead you to the nearest refuge."

Jesus said: "My people, this year you have seen billions of dollars in damage from snow storms, Mississippi River floods, tornadoes, droughts, and now hurricanes. Only a bare third of this destruction has been insured, and that will be paid slowly and not for full replacement. The state and Federal governments are already in deficit budgets, so little help can be afforded. This destruction of your infrastructure is a losing battle with no source but borrowed money to pay for it. Many of your entitlement programs and state pensions are at risk of not being able to meet their obligations. As long as these payments are paid out, your society thrives on the spending. But when the funds run out to support this welfare state, your whole financial system will collapse. Your inflation rate is much higher than you are being told. Your commodities, food, education, and health costs are going out of sight in terms of increased costs. You have been living on borrowed money from the oil countries and China. It is just a matter of time when you can no longer find people to buy your increasing debt bonds. When this happens, your interest rates will increase to junk bond status, and your dollar will collapse. This is when the one world people will take over, and force you into a new world currency called the amero, and gradually into a chip in the body. When your money collapses, and martial law is called, you will need to go quickly to My refuges. I will provide for your needs and your protection, so have no fear. All the evil ones will later be cast into hell, while My faithful will have their reward in My Era of Peace."

September 8, 2011
Tuesday, August 30, 2011:Jesus said: "My people, in the Gospel you read of how I commanded the demon to leave that man. Many of the people of that town marveled at My authority to the demon to leave with My word alone. They did not realize that I was the Second Person of God, but the demons recognized who I was and I told them to be quiet. Some people do not recognize their own demons in their personal addictions. There are demons associated with drinking, smoking, gambling, drugs, computers, and overeating. It is the excessive use of these things that makes them sins because you are abusing your body, and making these things idols instead of following My ways. Make an examination of your own life to see if anything is controlling you. Once you realize any bad habits, then you could work to try and put them out of your life. If you know

your addictions and do not do anything to correct them, then you are allowing these demons to control you. Call on My help to rid these demons as I cast the demon out of the person in the Gospel."
Jesus said: "My people, when I said this storm was a wake-up call, many did not fully comprehend the enormous amount of destruction that could come from wind and rain from such a large storm. As more and more details are discovered of the flooding, roads destroyed, and power outages, people are seeing how much damage was done to the infrastructures of so many states. It is comforting to see how many people reached out to help rescue those in danger. In disasters like this it is important that you help each other to restore roads and electricity. By neighbors helping each other, you can get back to normal means of living. While some jobs were lost, other jobs for repairs are available. Payment for repairs may be a long time coming, so some jobs may be for charity until funds are available. You can see help coming from other states just to provide the needed equipment. Food and water are being rushed to those people who are stranded and homeless. You may be called to donate money, or work to help the people in disaster areas. When I ask you to love your neighbor, this is the best kind of opportunity to offer your services, even if it is done for no payment."

September 8, 2011
Wednesday, August 31, 2011:Jesus said: "My people, with unusual damage from your latest hurricane, many people lost electricity and phone lines when trees were knocked down. Now your utility line people are replacing these lines with the line on these large spindles in the vision. Once the roads are cleared of debris and rebuilt in some cases, then your people will have their power and phone lines working again. Communications for phone and even the internet will soon be restored. There is another kind of spiritual communication that is also important to keep Me connected to your souls. Prayer is your best form of spiritual connection because I listen to all of your prayers. When you skip your daily prayer and commit mortal sin, you are breaking your communication lines with Me. Fortunately, you can repair these lines with Confession and renewing your daily prayer. I love all of you and you love Me, but a true love relationship requires a two-way conversation. I always love you, so it is you who breaks that line by your bad actions. Make a habit of praying about the same time each day,

and you can keep our love lines open."
Jesus said: "My people, just as the angels are constantly adoring Me at every Mass, so My faithful are like lamp stands that constantly give glory to My Real Presence. My faithful are lights that witness to My Light in the darkness of the world of sin. You are My ambassadors that invite people to come and be converted to faith in Me. When they accept you, they are accepting Me whom you believe in. My faithful have the gift of faith in Me, but you are sharing My love with them. When they come to accept My love, and they love Me, then they will thank you for such a gift to be shared. You are spiritual beings, and all of you are drawn to Me because I am the only One who can give you peace and rest in your souls. Rejoice that your soul is complete in My love and My gifts."
Jesus said: "My people, it is getting harder to find skilled jobs that require college degrees. Some companies are also having a hard time finding skilled people in the sciences. With jobs hard to find, college students are limited in their courses of choice in order to fit the jobs available. Intern jobs with school and work might make a better fit for what is needed. The cost of college is growing much faster than inflation, so most students need to go to community colleges and state supported schools in order to afford their education. It is getting even harder to find students who can afford to be medical doctors. Even finding students to be priests is also becoming difficult. It is fortunate that you do not need a lot of training to learn your faith in Me, so ask My help in saving your soul. Being with Me in heaven is a better goal than any degrees that you may earn. If you have the ability to obtain college degrees, then you should use your skills to do so. This will help you more in fulfilling your mission. Keep focused on Me in your spiritual life, and I will help you to succeed in your secular life as well. When you put your trust in Me, you will be able to accomplish more than you thought possible."

September 8, 2011
Thursday, September 1, 2011:Jesus said: "My people, I mentioned in previous messages how My miracles helped My apostles to believe in My mission, and later they realized that I was the Messiah or the Christ. In today's Gospel from St. Luke, you saw St. Peter, St. John, and St. James leave their work as fishermen to follow Me after they witnessed the miraculous catch of many fish.

They were acquainted with Me for awhile, but now My apostles have made their full commitment to be My disciples. In Mark's Gospel I called the same apostles while they were at shore mending their nets. As My disciples saw more and more of My miracles, this strengthened their faith in My mission. Even though My apostles heard My explanations of My parables and witnessed My miracles, they still did not fully understand My mission. When I told them that I must die and be resurrected on the third day, they were in disbelief. It was only after My Resurrection and My gift of the Holy Spirit that they understood My suffering was meant to save all of mankind from their sins. This is why faith is a gift, and it cannot be reasoned by only human knowledge. Only by My help and that of My Father and the Holy Spirit can My people believe that I am the Son of God to show everyone the way to heaven. I taught My apostles to be fishers of men and women, and I also give this same gift of evangelization to all of My faithful. I call all of you to go out to all the nations to bring souls to Me in conversion. Your reward will be great in heaven for following My words."

Prayer Group:Jesus said: "My people, many billions of dollars have been spent on the wars in Afghanistan, Iraq, and now in the Middle East. Now America has been brought to its knees with over $39 billion of natural disaster destruction throughout the year. Money is now needed to repair roads and bridges from Hurricane Irene's damage. There is a cry of who is more deserving of aid from your Treasury. These questions may cause a change in who decides what priorities are more important. Wars are self-inflicted, but disasters need immediate repair without question."

Jesus said: "My people, you have seen people in New England suffering from major flooding that has stopped electricity to millions, and roads that were washed out. Many are offering their services to repair roads, bridges, and power lines, but it will take time and money that is scarce for disasters. Even food and water had to be brought in by helicopter in remote areas. Pray for these people and send donations where you can."

Jesus said: "My people, even when you see storms coming to areas that normally do not have them, people were still putting themselves at risk when they should have evacuated. Your people are now realizing that even category 1 or 2 hurricanes can still cause a lot of rain damage. This experience may help people to evacuate more quickly when others are threatened. The cumulative effect of one disaster after another is stressing your first responders and the money it takes for repairs. Pray not only for the victims of your disasters, but also pray for those who risk their lives to save others."

Jesus said: "My people, you have some distressed areas where tornadoes and floods have destroyed some schools. In these cases it may take longer to rebuild schools and find room for temporary school rooms. It is in these situations that the local people are pulling together to restore their towns to normal life. Give these areas credit for working to save their towns and their way of life. Some areas may need to call on others to help them. Even other states have been willing to send what help and aid that they can."
Jesus said: "My people, when you see record numbers of tornadoes and deaths from them, you think this is one isolated instance. Then you see earthquakes in unusual places, and hurricanes in unusual places, and now there seems to be a message in these events. Americans are still killing millions of unborn babies in abortion, killing old people with euthanasia, and are now encouraging homosexual marriages. These crimes against My laws are demanding My justice, and nature is even reacting to your increasing sinful behavior. The violence of your crimes is now being mirrored in the violence of these natural disasters. Pray for all of these sinners so My hand of punishment will be lifted from you."
Jesus said: "My people, many of you are feeling frustrated with your stagnant economy and continuing high unemployment. Even with continuing time, there is little hope to see any improvement in your economy. Many of your poor decisions are causing the massive deficits in your government. If some needed changes are not made quickly, then truly you could see a crash of your financial system bring an end to America. Pray that your leaders can correct your bad spending habits in order to balance your budget."
Jesus said: "My people, your problems with evil are only going to get worse before I bring an end to the Antichrist's reign. This is why I have been preparing you for My refuges where you will be protected from the evil ones. You will be seeing an evil worse than you have ever seen before with much killing directed by Satan and the Antichrist. You are about to see a battle of good and evil that will end with My victory over evil. Trust in My help and protection as you will be enduring your purgatory on earth. For those, who are faithful to Me, they will see their reward in My Era of Peace and in heaven."

Friday, September 2, 2011

September 8, 2011

Friday, September 2, 2011:Jesus said: "My people, I broke the bread with My apostles at the Last Supper. Then My disciples on the road to Emmaus recognized Me when I broke bread with them after My Resurrection. At the Mass you see My consecrated Host broken before you. My Real Presence is with you at Communion and in My tabernacles. When you receive Me at Communion time, you have My joy and grace enter into your heart and soul. You are tested in this life with many trials, but you have My peace and hope of eternal life with you at all times to console you. So do not allow the worldly things to depress you, but keep your eyes always focused on Me so I can help you in your needs." Jesus said: "My people, I warned the people of My day to listen to the words of the Pharisees and Sadducees, but not to follow their actions. They were very prideful in looking for places of honor at banquets, and always being recognized as important. It cannot be this way for My disciples. I call on you to be humble and live simple lives without seeking praise from others for your good works. For all of your accomplishments, give all the glory to Me, and you will be rewarded in heaven. When you seek heaven, you must become like little children in their innocence and complete trust in Me. Even when you are blessed with an answer to your prayers, you should give glory and thanks to Me for listening to your prayers. Keep praying to Me for your daily needs and the needs of others."

Saturday, September 3, 2011

September 8, 2011

Saturday, September 3, 2011: (St. Gregory the Great)Jesus said: "My people, everyone has a physical heart that needs to keep beating for their survival, but you also have a spiritual heart to love Me and other people. Many of My faithful have a devotion to My Sacred Heart and My Blessed Mother's Immaculate Heart. You recognize My loving Heart just as you all have a loving heart to love Me and others. When a man and a woman fall in love, it is this love of the spiritual hearts that unites them. All of you have this capacity to love Me and to love other human beings. You may love animals or secular things, but this is at a lower level of importance. Love in the heart needs to be shared, and that is why a man and a woman crave to have a spouse, not only physically, but also a spiritual connection. The highest level of love is when you crave to be one with your Creator. This love in your heart can only be fulfilled when you are in union with My Sacred Heart. By joining Me in My Eucharist at Mass, conversing with

Me through prayer, and adoring Me at Adoration, you are completely satisfied in your craving for My love in your heart."

Sunday, September 4, 2011

September 8, 2011
Sunday, September 4, 2011:Jesus said: "My people, this weekend you are celebrating your Labor Day holiday. As you see people working in the fields in the vision, work helps put bread on the table and pays your bills. The American worker has been suffering hard times when manufacturing jobs are being sent abroad. This is why your country will be returning to farm life and service jobs. Even as you think about physical labor, there is also a spiritual harvest of souls. When I called My apostles to serve Me, and today when you need more priests and evangelists, it is still an appropriate response to ask for more laborers to convert people. (Matt. 9:37,38) 'The harvest indeed is great, but the laborers are few. Pray therefore the Lord of the harvest to send forth laborers into His harvest.' There is always a need for more vocations to the priesthood, so My people should be praying for this intention. Your priests need your support as well both financially and in your prayers. There are also evangelists and prophets who help bring people to conversion. Even miracles of healing have helped bring souls to Me. Rejoice in the blessing of having a job and also in working to save souls."
Jesus said: "My people, to those parents who have children and grandchildren, you should be thankful that I have invited you to be co-creators in bringing your children into this world. You have brought them physically into the world, but I have placed the soul of life into each of your children. When you see each child, as they are born, you are awed by the miracle of My creation. It is also miraculous how each person is unique with his or her own special talents, specific to each person's mission. You love your children so much, and you would do anything for them in helping them. Remember that as you are responsible to feed them and educate them, you are also responsible for their souls as well. This means that you need to teach them the faith, and watch over their souls, even after they leave your house. It is important to pass the faith on to your children so they can pass their faith down to their children. You should also look out for the faith of your grandchildren as well. Some times the parents are not always responsible in teaching the faith to their children. This is when

the grandchildren could be taught the faith by their grandparents. Saving the souls of your family is most important. So pray for all of your children, grandchildren, and relatives both when they are alive, and even after their deaths."

Monday, September 5, 2011

September 8, 2011
Monday, September 5, 2011: (Labor Day)Jesus said: "My people, you have just listened to the last day of My creation in today's reading when I rested on the seventh day after all the work of creation was done. When you look back only about one hundred years, you see how you did not have cars or most of your electronic gadgets, and not even air-conditioners as in the vision. This increase of knowledge and all of man's inventions is another sign to you that you are living in the end days. You have televisions that could provide the image of the beast, and you have chips in the body for buying and selling. Many of these technologies have come from the dark side to hasten the day of the Antichrist's declaration. Now that control over people's minds is possible, and the one world people are ready to give this electronic control over to the Antichrist, it is time for the tribulation to come about. Evil will be allowed a short reign to test humanity, but I will bring about My Warning to prepare souls for the coming trial. Take advantage of this time for preparation and be ready both physically and spiritually for this test of My faithful elect."
Jesus said: "My people, I have told you how America will be facing one disaster after another, partly as punishment for your sins. You have suffered from heavy snow storms, tornadoes, floods, earthquakes, fires, and now tropical storms. Each of these events have caused power outages, while some people have lost their homes and even their places of employment. In many cases people have lost all of their money, and have had to start over. It is difficult in such a bad economy to get new jobs, rent, or build another home. These are the hardships of many of your citizens, and there is not enough government money available to fix all the roads, bridges, and railroads that have been destroyed by your disasters. The worst part of this story is that these disasters are going to continue without anyone knowing how much money will be required for future repairs. My people need to pray for the sinners of your country, and pray for America in general to change your sinful ways, or these disasters will bring you to your

knees."

Tuesday, September 6, 2011

September 8, 2011
Tuesday, September 6, 2011:Jesus said: "My people, I have called My twelve apostles to represent the twelve tribes of Israel. I also sent My apostles out to all the nations to teach My Word of faith. All but one of them were martyred for their attempts to spread Christianity. To St. Peter I gave the keys of My Kingdom to establish My Church on him as the rock. St. Peter was the first of many popes to lead My Church, as I told him that the gates of hell would not prevail over My Church. Christianity has been spread all over the world by My dedicated missionaries and priests who had hands laid on them to serve. As you read the four Gospels, you are blessed with My many teachings over the three years of My public ministry. Stay true to My Church leaders who are guiding you in the morals of your day."
Jesus said: "My people, I am calling many souls in their hearts to set up refuges for the end times, and be persistent in their mission. There are some who did not have enough money or the desire to carry out this mission, and they have abandoned their refuge. If My faithful start a refuge mission, and they are sincere, I will help them in any trials that they may face. Even if the time to be at My refuges comes and certain refuges are not ready or fully built, I will have My angels finish the building and help with the food and water that is needed. I also told you that as more people come to My refuges, My angels will build more shelters to accommodate them with bedding, food and other needs. My faithful have to trust Me that I will protect them at My refuges with My angels' shield of invisibility. You will have heavenly Manna daily, plenty of water, and deer for your meat. All that you need will be multiplied so the people will have their necessities. Each member of your community will need to work for the survival of all of your people. Pray for My guidance and peace in your soul, so you will act calmly without any fear of the evil ones."

Wednesday, September 7, 2011

September 22, 2011

Wednesday, September 7, 2011:Jesus said: "My people, in St. Paul's letter to the Colossians (3:5) he calls on the people to strip away their immorality, lust, evil desire, and envy of worldly things. If they do not change, then they are calling down My justice upon them. Even today, I call on all sinners to put away their anger, wrath, malice, and foul language so they can live a proper Christian life that will witness their love for Me. St. Paul is calling you to remove your old life of sin, and put on a new life of mercy, kindness, humility, meekness, patience, and charity. By showing a good example to those around you, you can inspire good behavior in people as they imitate your good traits. When you do these things for My sake, you will receive your reward in heaven. This cleansing process in the vision reminds you of how you can cleanse your sins from your soul with Confession. When you see so much rain coming down on parts of America, it is as if nature is trying to cleanse your sins and evil lifestyles. Your sins are crimson red, and you need to come to Me for forgiveness, so I can restore grace and love in your hearts and souls."
Jesus said: "My people, you have been monitoring the National Debt and how it is going over $14 trillion this year compared to $8 trillion before your President took office. The other measurement is how many billions of dollars in damage that you have witnessed in this year's disasters which are over $42 billion. You are setting records in just about every kind of disaster that could happen. In the Bible it speaks of many natural events occurring that would be a sign of My return in the end times. The one world people and the Antichrist will have a brief reign of 3 Â½ years, and then I will come on the clouds at the end of the tribulation. I will be victorious over all the evil ones as they will be cast into hell. Rejoice, that I will be the victor, and I will cleanse the earth of all evil. I will renew the earth and restore it so My faithful can live in My Era of Peace."

Thursday, September 8, 2011

September 22, 2011
Thursday, September 8, 2011: (Nativity of Mary)Jesus said: "My people, this tunnel in the vision represents the lineage from Abraham down to St. Joseph in Matthew's Gospel (1:1-23). Mary also descended from the line of King David. This is why they had to register in Bethlehem because St. Joseph and Mary were both from the house of King David's line. As you see in the Bible, I had planned the origin of My parents even back to Adam in Luke's Gospel. This shows you

the salvation history that preceded My birth, and how I planned to redeem all of mankind from their sins. This celebration of My Blessed Mother's birthday follows nine months after the feast of her Immaculate Conception on December 8th. Rejoice in My Blessed Mother's fiat yes to St. Gabriel's invitation to be My mother."

Prayer Group:Jesus said: "My people, it is a rare event for My priests to honor Me with Benediction. Every place that has Adoration of My Blessed Sacrament is an opportunity of grace for all of My faithful to share. My people need to show your support of these places of Adoration by your attendance and help in taking some hours to pray. This world needs a lot of prayer, and there are not enough people praying in front of My tabernacles."

Jesus said: "My people, you need to pray for your representatives to make the right decisions and legislation to help your economy get back on its feet. It is true that you have had disagreements on how to fix your problems, but if some compromise does not come soon, your country could sink into another recession."

Jesus said: "My people, you have heard the expression: 'The family that prays together, stays together.' Your family members may pray on their own, but there is more prayer power where two or more pray together. One rosary does not take that long, and you usually pray three rosaries every day. Try to make a point to pray one rosary with your spouse and children after supper. You each have your own plans, but you will find praying together as a family will help preserve many marriages."

Jesus said: "My people, you know the importance of having an available reservoir of fresh water for your community. Many countries do not have the convenience of running water from your tap. My people also need to see that My Blessed Sacrament is a reservoir of graces which you can visit any time when you visit My tabernacle or receive Me worthily in Holy Communion. I have an abundance of graces that you can request at any time. You can call on Me to send you angels to support you when you are being tested severely. I know your needs, so ask and your prayers will be answered."

Jesus said: "My people, you know how traumatic it is to lose your home when you have to live in a shelter or out of your vans. There are many organizations that you could donate to in order to help your citizens who are facing hard times from your disasters. Your people need to realize that many of your hardships of unemployment, and your latest disasters are in part a punishment for your sins and your lack of praying to Me. With more prayer and trust in Me, your people

could accomplish great things. Your spiritual lives are more important than your physical possessions, so take care of your souls the most."
Jesus said: "My people, many of you have pride, and you want to be independent in helping your own household. At times disasters or job losses are beyond what you can accomplish on your own. When you see your neighbor in need to fix his house, be willing to reach out financially and with your labor to fill that need. You may even have to share food with those who have been wiped out financially, or their house is unlivable. The more you help your neighbor, the more graces you will store up in heaven."
Jesus said: "My people, you share many parties for birthdays in your family and among your relatives. My Blessed Mother loves you all dearly, and she watches out for your protection with her mantle. It would be appropriate to wish her a happy birthday, and thank her for all the intercessions that she provides for you. Imitate her life of love and humility, and heaven will be watching over you in your prayers."

September 22, 2011
Friday, September 9, 2011:Jesus said: "My people, I have given you this message several times before that My people need to understand the need to put your spiritual life in order by coming to confess your sins in My sacrament of Reconciliation. This scene of rain water flushing down your streets is a sign for the need of people to ask My forgiveness of their sins. These major storms are truly a wake-up call to get your attention to change your lives of sin and your sinful lifestyles. The vision of the cesspool is to emphasize how the stench of your sins is calling for My justice. I keep repeating this message because you see what is happening, but you are too comfortable in your sins to change. You talked of dieting where you may have to change your comfortable eating habits, and suffer for awhile to lose some weight. In your spiritual life it is also a suffering to give up your sinful habits, as living together without marriage. But the result of having a purified soul without any more addictions to sin, is well worth your efforts in controlling your human passions. It is one thing to come to Confession for your sins of lust, but it is even more important to remove yourself from the occasion of sin that causes you to sin. This may be difficult to leave a personal relationship for the body, but it is much more beneficial for your soul.

Trust in Me to lead you on the right path to heaven, and focus more on My Will than following your own will."

Saturday, September 10, 2011:Jesus said: "My people, when this woman came to the well, I told her that she could ask Me for 'Living Water' that I would give her in the Holy Spirit. Every day My faithful need to come to Me with your morning offering, and receive Me in Holy Communion if you come to daily Mass. Just as the woman came every day for water to survive in the body, so you need to call on My graces every day as My daily Bread of Communion for your heavenly food. You are dependent on Me every day for all that you have, even for your very existence. Give praise and thanks to Me for everything that you receive, and not just when you are having problems and difficulties with life. When you are strong in your faith and act on My words, then you will show the good fruit coming from your heart by your charity to your neighbor. Those, who have evil hearts, can only bring forth evil deeds. Work to convert these evil hearts by My grace so they can bring forth good fruit as well. My faithful, who have made a foundation of faith in Me, are strong against the evil one. They have built their faith on the rock of St. Peter in following My Pope and My Church. Those, who have no foundation in faith in Me, are like people who build their houses on sand. When the storms of the evil one's temptations come, they will fall to sin with no protection. So trust in Me and act on My words, and you will have eternal life in heaven."

September 22, 2011

Sunday, September 11, 2011:Jesus said: "My people, in today's Gospel I told My apostle to forgive his neighbor seventy times seven times. In other words My people need to be generous as I am generous in forgiving their sins. I love all of you unconditionally, and you should strive to love everyone and Me as you love yourself. This is My Great Commandment, but I know it is difficult to love your enemies and those who persecute you. You need to pray even harder for souls

who do not believe in Me, and may be following the devil in earthly ways. In all cases you should strive to forgive your neighbor of any transgressions against you, and be able to seek your neighbor's forgiveness of any harm you may have done to him or her. All of you are sinners and in need of My forgiveness and My grace. I have given you My sacrament of Penance so you can come to Me in the priest to seek My forgiveness and absolution of your sins. You should confess your sins at least monthly or sooner if you are in mortal sin. Those, who are in mortal sin, are dead to Me with no grace in their souls. By confessing your sins, your soul is cleansed of all darkness, and you are now in My Light with sanctifying grace restored to your soul. Pray for your priests who receive you in Confession and give you Holy Communion. They have to endure the attacks of the devil just as you do. By keeping your soul pure along with your daily prayers, you can keep close to Me and open to carry out the mission that you have been given. I am all loving and I call My faithful to be all loving in imitation of Me."
Jesus said: "My people, you are seeing much sin in San Francisco and New York City. These sexual sins are calling on My punishment for homosexual acts and fornication. The vision shows My severe punishment of San Francisco when it will be submerged into the ocean from an earthquake because of the homosexual sins. There is also coming more punishment for New York City from storms and other means of destruction. Recently, New York State has approved homosexual marriage. These sins are all abominations and these cities will not escape My punishment for their sins. I am warning My faithful to leave these cities just as I warned Lot to leave Sodom and Gomorrah. This is because in a short time these cities will suffer My wrath. I have put up with man's sins for too long, but now these cities are calling down My justice. Pray for the souls of the people of these cities because many may die suddenly without being ready to meet Me at their judgment."

September 22, 2011
Monday, September 12, 2011:Jesus said: "My people, in the Gospel I remarked how much faith that the centurion had in My ability to heal his servant. He also respected Me that I did not have to come into his home for his servant to be healed. It was forbidden for Jews to enter a Roman centurion's home. Even in the

Mass around Communion time you are quoting the centurion's prayer: 'Lord, I am not worthy that you should enter under my roof, but only say the word and my soul will be healed.' When I was on the earth, I treated everyone equally both the rich and the poor. I love everyone equally with an unconditional love. I want all of My faithful to love everyone as well, even your enemies. In your society at times you tend to show favored treatment for the rich and important people. Some also seek fame and desire to be treated royally by increasing their status or their wealth. My faithful need to seek a simple and humble life without fame. You also should not discriminate between the rich and the poor because they all have a soul which I have created equally. Respect everyone because each person is a temple of the Holy Spirit with the spiritual life of a soul."

September 22, 2011

Tuesday, September 13, 2011: (St. John Chrysostom)Jesus said: "My people, in the Gospel when the widow's only son died, I was moved with compassion to raise him from the dead so she could be supported in her old age. Her son could then start a new life just as in the vision when now he will have a new slate when all of his past life was wiped away. When My faithful come to Confession for the forgiveness of their sins, they too, have their sins wiped away, and they can have a new start with a fresh clean slate. When you come out of the confessional, you feel new and refreshed with grace in your souls. Work to keep your souls pure and full of grace by frequent Confession of at least once a month. By being open to following My Will, you will be able to carry out the mission that I have given you."

Jesus said: "My people, in today's Gospel I raised the son of a widow from the dead, and the people were amazed at My Divine powers. There were many other miracles that were also amazing to the crowds and My apostles. I saved the most amazing miracle for the end when I resurrected from the dead. Even My people can witness the burning energy from My Body that burned the Shroud of My burial. This miracle of My death and Resurrection is how I brought salvation to all souls who want to come to Me for the forgiveness of their sins. Now that you have seen the power of My Divinity, you can understand the vision that portrays

Me as your King on a throne. Because of My miracles, the people recognized that God is in their midst. It takes Divine power to raise someone from the dead. I am truly the giver and taker of life, so when people kill others, they are violating the mission that I had for those that were killed. Give praise and glory to your King who reigns in heaven with My angels and saints."

September 22, 2011

Wednesday, September 14, 2011: (Exaltation of the Cross)Jesus said: "My people, today's feast exults My crucifix which is lifted up in triumph over sin and death. In the Old Testament reading, Moses lifted up the bronze serpent on a pole so the people could look on it and be healed of their snake bites. Now, I am raised up on My cross so people can look on Me, and be converted from their sins, and healed in their souls. I have paid the price with the sacrifice of My human life so all of mankind could be saved. People can only be saved if they seek My forgiveness and let Me be the Master of their lives. Every cross needs to have My corpus on it because otherwise there is no sign of suffering or sacrifice. My crucifix should also be a large one for all to see on the altar. Every Mass on the altar is a remembrance of My Body and Blood that was offered at My death on the cross. It is My Blood that washes away your sins on your soul and offers you salvation in heaven. In the coming tribulation My faithful will be called to My refuges of protection where My angels will shield you from the evil ones with an invisible shield. Over every refuge there will be a luminous cross that the people can look on to be healed of all of their ailments. Give praise, glory, and thanks to your Savior for dying on the cross to offer salvation to all of mankind."

Jesus said: "My people, many gambling casinos have controls on roulette tables and lever machines that favor winnings for the owners of the casino. This is called manipulated gambling. On Wall Street you have a similar manipulated market that favors the hedge funds and institutions that can control the buying and selling of large numbers of stock shares. This manipulation idea gets carried out even further in the workings of your government as the one world people start wars and purposely run up huge deficits to control America's polices. The manipulation of your interest rates, printing money, and authorizing Treasury Note auctions with no backing of the currency, is how the one world people

control your money through the Federal Reserve. It is these central bankers who are setting up the North American Union for the eventual takeover of America. These unions will then be given over to the Antichrist to start his 3 Â½ year reign. Do not fear these evil ones in all of their controls because in the end they will be cast into hell, and My faithful will be safe at My refuges, and then in My Era of Peace. Be patient for a short time of tribulation, and then you will see My victory over evil."

September 22, 2011

Thursday, September 15, 2011: (Our Lady of Sorrows)Jesus said: "My people, this scene at My cross was one of My Blessed Mother's seven sorrows and one could feel the love of our two hearts as I was saying good-bye to her in My death. I gave her over to St. John to take care of her, but I was also announcing that My Blessed Mother would be the mother for everyone on earth. She indeed treats you all as her children, and she places her mantle of protection over you. I died on the cross to redeem all of your souls, but this experience of My death was very traumatic for My Blessed Mother to lose her son. There were many other sorrows that she had to endure, but the human experience of life is always full of trials and life threatening events. Life is very fragile, and sickness and death are a part of every life. When you are suffering the trials of life, you can offer it up and pray to Me and My Blessed Mother because we sympathize with your problems as we both had to endure these same trials. Even though there are sorrowful moments in everyone's life, people still need to have hope and joy in My victory that will allow everyone to have the opportunity to come to heaven."

Prayer Group:Jesus said: "My people, I have told you how necessary it will be to have an independent source of water at every refuge for drinking, bathing, and cooking. Some refuges have man-made ponds, lakes, rivers, or wells. If there are no sources of water, I will enable springs to form as at Lourdes, France. I will be multiplying your food, and I will also multiply enough water to fulfill your needs. Water is necessary for your survival, and that is why a good water source is needed."

Jesus said: "My people, pictures are a unique freeze frame of people at a point in time. Since time passes rather quickly, it is good to save some pictures of various events in your life. Some save wedding pictures, graduations, First Holy

Communions and baby pictures. If you have some younger pictures in your twenties or thirties, you may recognize such pictures if you were able to see a soul body at someone's funeral. Your soul body keeps the same age throughout your stay on earth. Looking back through your old pictures will give you a preview of your life review at your death or at the Warning."

Jesus said: "My people, these trumpets from heaven are announcing to the earth that the coming events of the end times are about to take place in the coming tribulation. Have your soul ready with frequent Confession so you are ready to meet Me at your Warning or your death. Many keep wondering and asking if the Warning is going to come. I assure you it will happen before the Antichrist comes to power. The more that you have your soul ready, the less that you will suffer in your Warning experience. Trust that I will bring My Warning so you can have converts in preparation for the tribulation."

Jesus said: "My people, at My refuges you may have some fruit trees that will have plenty of fruit. You also can plant vegetables with your heirloom seeds that I asked you to buy. By having various foods multiplied and the deer provided, you can have well balanced meals to keep you healthy during the tribulation. I know your needs, and I have advised your refuge leaders what to stock up on for your survival. Everyone will be working in your refuge community so you can share your skills and trades to help keep people alive. There will be no people sitting around wasting their time. I will be multiplying your food so you can stay at your refuges."

Jesus said: "My people, the target of the evil ones during the tribulation, will be to kill all Christians and patriots. Those people, who are captured, will be killed with gas chambers and guillotines in the many detention centers located across America. I will warn My people to leave for My refuges before the men in black will come looking for you. Give thanks and praise to Me for protecting you at My refuges and preparing your souls for the end times."

Jesus said: "My people, you will need to have some tents and blankets ready to take to My refuges. When you first come to My refuges, it may be necessary to use your tents until the angels can provide your buildings to live in. I have told you before when people first come to My refuges, they may be anxious if there will be enough food and shelters. Once they see My miracles of food multiplying and buildings being multiplied, they will calm down. It is important to be quiet and trusting in Me for all of you to be able to live together."

Jesus said: "My people, I assure you that guns will not be necessary because My angels will be your protection with their shields of invisibility. If the evil ones

cannot see you or track you, then they will not be able to kill you. Just as I blinded the people of Sodom and Gomorrah to protect Lot, so the evil ones will not see you as well. But you will be able to see each other. As for the meat that you will need, I will have deer come and drop dead in your camps so you do not have to shoot them. In the old Exodus I brought the quail into the camps and they dropped dead also. So trust in My protection because I do not want you killing people for your defense."

September 22, 2011
Friday, September 16, 2011: (St. Cornelius & St. Cyprian)Jesus said: "My people, one of the key phrases in the first reading is: 'Money is the root of all evil.' You can see this in your society with fast money schemes in the stock market, gambling casinos, lottery tickets, and even drug money. Where money is, there is usually crime seeking it. Some medium of exchange is needed for buying your food and shelter, but money should not be sought out for its own sake just to be rich. Some seek money for what it can buy, and others seek it as a means of power and control. Avarice, or seeking money for its own sake, is actually a sin because it is making money an idol before Me. Those, who have excess wealth beyond their needs, should be sharing it with family, the poor, and support for My Church. I love a cheerful giver to charities, and not to begrudge giving some of your wealth away. In the Bible there is even mention of tithing or giving ten per cent of your income to charity. When you love your neighbor, donations are one way to show your generosity. Supporting My Church financially is part of your task in building up the faith. So do not seek to accumulate wealth only for yourself, but use your wealth in sharing it with your neighbor and not hoarding it."
Jesus said: "My people, I have shown you these forty foot wide tunnels before that connected the underground cities. It is true that the one world people are still making more tunnels around Denver, as you saw the construction going on. They have been storing large quantities of food in these cities for the one world people who plan to hide there for an upcoming event that they will stage. There is a honeycomb of these tunnels covering most of the Western states. There is also a further reason for having these tunnels made. When the planned martial law begins, it would show their plans if people saw troop carriers, tanks, and

armored personnel vehicles traveling through your streets. By sending these armored UN troops through these tunnels, they can be pre-positioned in many areas, and ready to implement martial law instantly without anyone knowing where they came from. This sudden attack and control of the highways will catch all of your citizens by surprise. I know all the plans of these evil ones, and I will notify My faithful ahead of time to leave for My refuges, so you will be safe once the evil ones try to capture you. The evil ones have a secured network for communication, but My spiritual communication will reach every faithful person all at once in defiance of their plans. Trust in Me to take care of you, but you must be ready to move quickly once you are notified or sense danger."

Saturday, September 17, 2011

September 22, 2011

Saturday, September 17, 2011: (St. Robert Bellarmine)Jesus said: "My people, today's Gospel gave an explanation for the Parable of the Sower. The seed that was spread is the Word of God. The seed that fell by the path represents those who have the Word stolen out of their hearts by the devil. The seed that fell on the rocks represents those who receive the Word with joy, but then fall with temptation because they have no roots. The seed that fell among thorns represents those who have the Word choked by the cares and pleasures of the world. But the seed that fell on good ground represents those who bore good fruit in patience. My faithful are called in the vision to carry their cross every day toward Calvary, as they bear the good fruit of good works. It is a daily suffering to withstand the devil's temptations and do good. You are to imitate My life in suffering the trials of each day. You share in My suffering as you are united with Me on My cross. This Calvary will be the time of the tribulation. Once you arrive at Calvary, you will not be crucified unless you stay at your home when I call you to My refuges. You will suffer your purgatory on earth during the tribulation. By bearing your cross in faith, you will receive your reward in My Era of Peace and then in heaven."

Jesus said: "My people, abortion of the unborn is another abominable sin because it takes the life of a defenseless baby. Any killing of a human being defies the plan that I had for that soul. Imagine if you were facing an abortion in your mother's womb. All the wonders of life that you have experienced would not have happened if you were aborted before you were born. Think of the

millions of abortions that are performed each year, and these babies are being denied the life that you are living. Abortion should not be a means of birth control because many people have large families and they still survive. America's abortions are the worst sins that you could commit. So pray for your mothers to have their children according to My plan. Many punishments are befalling you because of your abortions."

Sunday, September 18, 2011

September 22, 2011
Sunday, September 18, 2011:Jesus said: "My people, I know this is an unusual vision, and I will be giving you more information later as the time of this event gets closer. The large burning fire is from a large refinery in America. This scene may be reported as an accident, but it is a terrorist incident to disrupt the flow of gasoline. There will be even more than one of these incidents as an attempt to cause fear and terror among your people. It is a part of the one world people's plan for total control by disrupting your fuel for transportation. Your economy is based on cheap fuels, but if these fuels become scarce from these fires, the gasoline prices will rise and put more pressure on your government and your people. Pray for My help in getting you safely to My refuges when the time comes to go."

Monday, September 19, 2011

September 22, 2011
Monday, September 19, 2011: (St. Januarius)Jesus said: "My people, this light in the lamppost of the vision is symbolic of My Light of protection that disperses the darkness of sin. The rain represents the disasters that are going on all around you. There is also a sturdiness in the lamppost that is enduring the storm as I am your strength to get you through life's trials. Your stressed economy has put a hard burden on everyone just to make ends meet with the few jobs that are available. Many families need two or three jobs to afford their homes, cars, and bringing up their children. Getting loans has become difficult, and it is hard to even invest any extra money that can make a reasonable return. My faithful need to trust and depend on Me for their needs. You may have to endure a lower

standard of living as your manufacturing jobs have been deliberately taken overseas because of cheap labor. You will not have long until you will be at My refuges during the tribulation. So be patient for a short time until you can be with Me in My Era of Peace."
Jesus said: "My people, you have seen fires before in the upper floors of a skyscraper. This fire in the vision is from an arson, and they found a way to even shut off the sprinkler system. Such a fire will burn out several floors before it can be brought under control. You have seen arson before, but this fire will be more professional with a purpose to cause the most damage. Buildings should secure their water and electrical systems so they can be protected from these kind of arsonists. Buildings that are important to your economy are the most desirable targets for arsonists who are using terrorist tactics. Pray for your firemen who are most vulnerable in these fires in skyscrapers."

Tuesday, September 20, 2011

September 22, 2011
Tuesday, September 20, 2011: (St. Andrew Kim, et.al.Korean martyrs)Jesus said: "My people, many times history repeats itself since many civilizations have risen and fallen. The prophets were sent to warn Israel not to worship idols and foreign gods, but the people of Israel would not listen to Me or My prophets who brought My messages. As a consequence, Israel was conquered and exiled in Babylon. Later, they were allowed to return to rebuild their Temple. So it is with America because you are also idolizing money, sports, fame, and gold. Because you are turning your back to Me with your abortions, homosexual marriages, divorces, fornication, and not worshiping Me on Sunday, you also will be exiled from your own land. My faithful will be making an exodus from their homes to My refuges. The Antichrist will kill, torture, or enslave those who do not come to My refuges. Even your many disasters in the weather are reflecting the violence of your sinful society. My faithful will be returned to a renewed land of My Era of Peace when all the evil ones will be separated and cast into hell."
Jesus said: "My people, the progression of your lights started with torches, lanterns, candles, and now you have modern lights. You have used tungsten incandescent lighting even until now. You also have fluorescent lights and mercury vapor lights. Even though your mercury lights save energy, there is still a problem with disposing of a toxic material as mercury. This is why it is a little

overpowering to have your government force everyone to use these toxic lights. Lights for Me are unnecessary, and even for some tribal people. Wherever I am, there is a glow of My Light. Even in My Era of Peace, there will be light all over the world. It is My spiritual power that is a source of constant light. Even your artists paint halos around the saints because of this glow of love and the spirit. Trust in My spiritual Light to understand My power and how My angels could either blind your enemies with their light, or make you invisible by altering the way light travels on earth. Be grateful that you can walk in the Light of faith and love."

End September 2011

October 2011

Wednesday, September 21, 2011

October 6, 2011
Wednesday, September 21, 2011: (St. Matthew)Jesus said: "My people, you are seeing in this vision a very thin wire that represents the delicate thread of life. I have given you a very complex body that has been created to give you the functions of life that you are familiar with. Your body is vulnerable to many accidents that could stop your heart or ruin your brain. Even many diseases, snake bites, or a number of problems could cause your death. You need to be prudent in protecting your body, and not abuse it with smoking, drugs, or overeating. By protecting your body and eating the proper foods, you can avoid cancer, and other diseases of the heart. In the first reading St. Paul mentioned many different gifts that are granted to My faithful. (Ephesians 4:11) 'And He Himself gave some men as apostles, and some as prophets, others again as evangelists, and others as pastors and teachers, in order to perfect the saints for a work of ministry, for building up the Body of Christ.' You, My son, have been given a mission to bring to My faithful My Word to warn people to prepare for the coming tribulation which is now at the door. You have worked many years, and you have been obedient to My mission. Even so, your work will get even more difficult as the evil ones will try to stifle your message against the Antichrist's new world order. My ways are not man's ways, and you are all

dependent on Me. In these end days I will provide My faithful with protection from the evil ones at My refuges. This is why you still need to proclaim My message of hope and love from the rooftops for all to see and follow My words."
Jesus said: "My people, this vision of seeing a gear going around is in reference to the Warning, and the ticking means that the time of the Warning is getting close even in your time. All the events of the weather, earthquakes, and near bankrupt governments are showing you that things are coming to a head when the Antichrist will take over. I have told you that the Warning would come before the Antichrist takes over. The Warning will frighten many people, and some may die in seeing things in the sky and their sinfulness. This experience will bring your soul body out of your physical body right before Me, and you will be outside of time. You will have an illumination of your conscience when I will show you your whole life with an emphasis on your unforgiven sins. You will see heaven, hell, or purgatory wherever you are judged. Then you will be returned to your body, and you will have a strong desire for Confession. My faithful will be evangelizing many souls at that time. This Warning is to prepare souls for the coming tribulation. So be prepared in your souls with frequent Confession."
Jesus said: "My people, space on a refuge farm will be difficult because some land will be needed for dormitories, and other land will be needed for crops and feed for cows and cattle. If the land is limited with less land to grow feed, then only a few large animals could be fed. If you call on My help I could multiply the animal feed as well as the food for the people at the refuge. You will also have deer come into your refuges for meat as well. Depending on how many people come to these refuges, there will be a need for some good planning on how to provide food, prepare the food, washing of clothes, sewing, bathing, fuel for the winter, providing water, and attending round the clock Adoration. Everyone will have a job to help fill the needs of the people. You will have your own shelters, but probably large cafeterias for eating. You will be protected by My angels as you will be living in your refuge communities for less than 3 Â½ years. Be patient with this new lifestyle and I will bring all of you into My Era of Peace, and then into heaven."

Thursday, September 22, 2011

October 6, 2011

Thursday, September 22, 2011:Jesus said: "My people, whenever you see the breaking of the bread, let it be a remembrance of when I broke bread for My apostles at the Last Supper. Even the vision shows you a table as at the Last Supper as well. At My refuges you may be making your own bread for your community. I told you that if you did not have a Mass, then My angels will bring you Holy Communion every day. Some saints have even lived on My heavenly Host alone. The angels will also bring you a Host for your ongoing Adoration when you will be adoring Me around the clock in perpetual Adoration. Be grateful that I will always be with you until the end of this age."
Prayer Group:Jesus said: "My people, what you are seeing in these two candles can represent two kinds of souls. A faithful soul believes in Me, and that soul burns brightly with a flame of My grace and carries out My mission. A lukewarm soul is joyful at first, but as time goes on, the flame of faith dies out, and that soul is more concerned with following that soul's own will instead of My Will. This is why I am calling on My faithful to pray and help the lukewarm come to believe in Me again. By renewing the lukewarm soul's faith in Me, the flame of My love will burn brightly again in that soul."
Jesus said: "My people, you have seen continuing riots in Greece and in Syria from what the people are viewing as repressive governments. In the case of Greece, the austerity budgets are threatening to reduce the average worker's pay or their subsidies. It becomes harder to cut back further on the people's standard of living. Many countries are seeing the percentage of poverty increasing which puts a strain on those in poverty to obtain food and shelter. Where it is possible, My people need to share what they can with the poor to lift up their spirits. Prayer and physical help are just as important as donations."
Jesus said: "My people, you have seen a lot of destroyed homes and roads as a result of Hurricane Irene. Even your churches are being asked to contribute what the faithful can contribute to those who need homes and food. You should give generously to help your fellow countrymen in their need. It is unfortunate that your Congress is still grid locked to pass some aid money for these poor victims. Pray that your Congress can find it in their hearts to put aside politics to help your people in serious need."
Jesus said: "My people, those, who are using hydrofracking to extract oil and gas, want to exploit this new source of fuel for their own profit. You have heard how they are using toxic chemicals and water to obtain this oil. When the process starts, they extract millions of gallons of toxic water and place it in ponds. Only some companies are lining these ponds so this toxic water does not

leach into the local well water. There is truly an environmental concern that the people will not be poisoned or sickened by this process. Pray that enough safety measures are taken so the drinking water is not contaminated."
Jesus said: "My people, there are serious problems with America's eating habits that is leading to higher percentages of obesity. In a society that is constantly rushing around, many people are eating the wrong kind of foods instead of healthy foods. There should be nutrition courses taught in your high schools, and even in adult education classes so people can learn how to eat a proper diet. Many of your diseases and sicknesses are a result of overeating of fattening foods. By keeping a proper weight, you are helping your body to stay healthy instead of abusing your body which can be sinful gluttony in extremes."
Jesus said: "My people, you have seen heavy deficit spending in many countries of the world. You have also seen an increase in the printing of currencies that do not have any gold or silver backing. In America you are becoming more dependent on foreign countries, as China, to keep buying your Treasury Notes of debt. As your debt increases, it will be harder to find buyers. This is why your Federal Reserve is buying more Treasury Notes themselves on their own balance sheet. When this money scheme collapses, your printing presses will flood your economy with too many dollars that will make the dollar near worthless. This will begin your bankruptcy, riots, and anarchy. It will be an opportunity for a one world people takeover of America with a new amero currency to replace the dollar. This will be the time to go to My refuges."
Jesus said: "My people, once you see your economy and food reserves tested, it will be time to leave for My refuges. People will be killing each other for food, and chaos will break out that will be dangerous for everyone. Let My angels defend you with their shield of invisibility. Leave when I tell you so you will not need guns to defend yourselves. The evil ones will be seeking Christians and patriots as their targets to kill so they can have their new world order. You will see quickly why refuges are necessary for your protection. So see that this is why I have directed some people to set up My refuges for this time."

October 6, 2011
Friday, September 23, 2011: (St. Padre Pio)Jesus said: "My people, the goal of My faithful is to be with Me at My Wedding Banquet in heaven, and that is the

meaning of the wedding flowers. The out of focus scene of the altar represents those souls who do not believe in My Real Presence in My consecrated Host. Some of your polls of Catholics have found that a majority of people do not have a strong enough faith to believe in My Real Presence. Part of this reason is that the people are not always taught this in their upbringing, or by the priests in the pulpit. It should be the responsibility of the priests and the parents to educate their children to this belief in My Church. My faithful should look into their faith more to learn what My Church teaches on this subject. My Real Presence in the Hosts of My tabernacle makes a Roman Catholic Church holier than any other denomination. Those, who believe in My Real Presence, come and adore Me at Adoration chapels. They should encourage the lukewarm to accept this teaching of My Church. I have given you this gift of Myself in My Eucharist, so it behooves all Catholics to believe in My Real Presence in My consecrated Hosts. This means also to give respect and reverence to My Blessed Sacrament by genuflecting to My tabernacles, and receiving Me on the tongue in Holy Communion after bowing or genuflecting."
Jesus said: "My people, the shrines to My Blessed Mother and Me are places of holy ground, so they would be protected refuges, even if people are not making preparations. My son, as you make preparations for leaving for your final refuge, there are some items to add to your list. Remember to take your monstrance, your relics, a Mass kit in case you have a priest, and some hosts and wine for Mass. Also, you could bring a few smaller statues for a new prayer room at your refuge. You may be able to stay at your home for a short time until it will be dangerous with people looking for you. Once you arrive at your refuge, you could set up a place of Adoration with your monstrance and consecrated Host from either a priest or My angels. Being able to adore Me at anytime will give the faithful people peace in their hearts and souls, even with all the evil things going on. It is this calming effect of My Real Presence that will put the members of your community at ease because they can put their trust in Me to help them."

October 6, 2011
Saturday, September 24, 2011:Jesus said: "My people, I have told you that My angels will be multiplying your refuge dwellings as more people arrive for protection. Even if some refuges have not been built or completed, you can see

in the vision how they will bring the materials and put them together for you. I know some people do not have the funds to build all that is needed, so call on Me and My angels for all of your needs. Being at My refuges will be your needed protection from the evil ones. My faithful will be living a more rustic lifestyle than what most of you are living now. It will be a refreshing change because you will have more time to pray and adore Me instead of all of your earthly concerns. You will still have to do some work together to help each other survive, but food, water, and your supplies will be multiplied. Give praise and thanks to Me for all the ways that I will protect you and provide for you."
Jesus said: "My people, you have seen My justice carried out in parts of the Bible, but you see even more accounts of My love and mercy. While I was on the earth, I drove the money changers out of the temple. At other times I cried when Lazarus died, and I called him back to life. I was moved with love and pity for the crowd, so I multiplied the bread and fish for them to eat. It is one thing to desire heaven to avoid the fires of hell, but it is even better to desire heaven out of love for Me. I am all loving, which means that I love everyone, even those who will be going to hell. It is man who chooses not to love Me that sends himself to hell. If you sincerely love Me with your whole heart, mind, and soul, you will be promised a place in My Kingdom. Remember it is mercy that I desire and not sacrifice of animals. Even St. Paul said to you that if you do all that is expected, but you do not have charity or love, you will be like a clanging cymbal. So you must love God and love your neighbor as yourself."

October 6, 2011
Sunday, September 25, 2011:Jesus said: "My people, this vision represents how I want My faithful to build up My Church by your good example and making converts to the faith. It is one thing to say that you believe in Me, but it is another to carry it out in your actions. Do not be a hypocrite when you say one thing, but you do another. If you truly love Me, you will show your love for Me in your daily prayer, in your coming to Sunday Mass, and in coming to frequent Confession. If you love Me, you must also show your love for your neighbor by helping them in their need. In order to keep your faith strong, you need to nurture it with retreats, missions, and Bible study. How can you improve in your perfection unless you work to make it better? You cannot just accept the status

quo, but you must move forward to enhance your faith."

October 6, 2011
Monday, September 26, 2011: (2nd anniversary of Camille's death)Jesus said: "My people, this vision of someone taking notes in class reminds you how you want to remember the important points on the subject being taken. Sometimes at talks, people take notes of the highlight ideas being spoken. Even if you do not take physical notes, sometimes you make mental notes of sermons or homilies being given to you. The same can be said when you are reading Scripture passages at Mass, reading from the Bible, or other holy books. Hopefully, My people take these spiritual notes to heart and make them a part of their daily living. If you are going to imitate My life, you need to put My words into the actions of your own life. By living your faith, others will see that you are not a hypocrite because you live out what you believe in faith. So make a point to store your spiritual points in memory so you can live by what you read and hear."
Camille Remacle (his Mass intention): 'Hello everyone, I thank you for the Mass again for my intention. Once someone is in heaven, the graces of the Mass are shared with our other deceased members of the family that are still in purgatory. You have a beautiful sunny day to share my anniversary of my death. I am not as active in my earthly signs because the people, that I am trying to get back to Sunday Mass, are not changing their ways. I am still praying for them, and I am still watching out for Lydia. I am grateful that you are taking care of her daily needs. I love all of you, and I pray for you. Keep remembering me by having my picture around you. I am still with you as I can see all of your activities. You all are on display for all of heaven, so be on your best behavior."
Jesus said: "My people, you can see the contrast between the things made by Me out of love, and the things of man made out of pride. Everything that I create is made perfectly, but everything made by man is imperfect. So when man thinks that he can improve on My perfection, it is only through his scientific pride that he tries. Imperfectly made things will never be perfect. This is why your medicines have side effects, and your manipulated DNA of plants and animals is destroying My balance of nature. Your food is becoming so adulterated by unnatural means that it is causing more diseases and cancer. This is why when I

bring about My Era of Peace, I will have to recreate the earth to rid it of all of your abominations with My perfect creation. The devil is behind this destruction of My creation, but in the end I will be victorious by recreating the earth as it was in the beginning."

October 6, 2011
Tuesday, September 27, 2011: (St. Vincent de Paul)Jesus said: "My son, you have heard your mission director's talk on many of the subjects that I have mentioned to you before in My messages to all of you. As he was talking about communication with your spouse in prayer together, you remember My message about: 'The family that prays together, stays together.' I also suggested praying the rosary together after supper. You each say your prayers separately, but you could pray some together. In your Adoration time I also suggested that you alternate between reading the Bible and your Liturgy of the Hours so you can meditate on My Word in the Scriptures. The other point that I needed to emphasize is the need for contemplative prayer or quiet time, so I can speak to your soul and have time to share your problems with Me and voice your love. Your situation is different because you are listening all the time for My messages. I thank you for your love and obedience in carrying out this mission that I have given you. But at the end of your writing and reading, I asked you to remain quiet for five or ten minutes so you could listen to My words of love and consolation for the things that you are facing. Father is right that you need to have a dialogue of talking and listening to Me in your prayer time. If people want to know My Will, they need to listen for Me in their hearts. By having a two-way conversation, you can enrich your love for Me since I love you all of the time. You need to use this same loving dialogue even with your spouse and those whom you meet."
Jesus said: "My people, many of you are very concerned about your outward appearance, and this is why you have so many mirrors in your house. Imagine if you had a mirror to see the sins of your soul. You would be very embarrassed if people could see your soul as I see you every day. If you are so concerned about your physical appearance, you should be even more concerned about your spiritual appearance and where you will go when you die. If you come to monthly Confession, you will have a pure soul, and be ready for when you will

meet Me at your judgment at your death. If you have had a long time since your last confession, or you are not coming at all, then you are risking your eternal destination in heaven. I am a loving and merciful God, and I will forgive any sinner who seeks My forgiveness. I only ask that you love Me, and let Me be the Master of your life. Recognize that you are all sinners and you are in need of purification. Reconcile with the One who loves you, and I promise you eternal salvation. Establish a good love relationship with Me now, so I will know you and welcome you into My Kingdom. You do not want Me to say that I do not know you at your judgment. Strive even for the higher levels of heaven by a strong love for Me."

October 6, 2011
Wednesday, September 28, 2011:Jesus said: "My people, this vision of a snake biting the people represents the attack of the devil on souls. All of your life you will have to endure the evil one with his temptations. By Adam's original sin, you all have inherited a weakness to sin. You all are sinners whether you want to believe it or not. Even in St. John's letters he mentions that those, who say they are not sinners, are liars. This is why I came into the world so I could offer the sacrifice of My life as an atonement for everyone's sins. I give everyone the opportunity to be saved, but people need to ask for the forgiveness of their sins, and accept Me as Master of their lives. For Roman Catholics this cleansing of sins from their souls is granted by absolution of the priest in Confession. This is a gift of sanctifying grace that brings spiritual life back to each soul that goes to Confession. Do not let the devil use your pride to prevent you from coming to Confession. Once you come out of the confessional, you feel relief from the guilt of your sins that are now cleansed. You also feel a faith exhilaration from the grace that you have received. So put aside all of your false fears, and come to Me in the priest in Confession, and you will feel refreshed both physically and spiritually."
(Magdalena McCart's Funeral Mass) Magdalena said: 'I am happy to see all of my children at my Mass. I love all of you: John, Thomas, Joseph, and Magdalena. I have been with my children so long, and I thank them for taking care of me over the years. I thank all of my friends and family for coming as well. I thank John, my son, for his beautiful words of love, and especially his

words about my strong love of Jesus in His Church. I am in heaven now, and I will be praying for all of my family to stay close to Jesus. I want my children to promise me that they would make an effort to pray every day, and come to Sunday Mass. I am responsible for your souls, and I do not want any one of you lost because you are lazy in your religious faith. Keep my picture around you so you can remember me. I love you so much and I will be waiting for you in heaven."
Jesus said: "My people, this burning fire in the fireplace of the living room gives you the feeling of keeping the home fires burning. Many people find a burning fire relaxing, and it can give you a spiritual peace by turning off the world's constant noise. Eating supper at the kitchen table is a beautiful time for the family to get together and enjoy each other's company. It may be the best opportunity to communicate with each other about the day's events and any problems that may need to get worked out in the future. Just as you make time for communication between your family members, you also need to make time for communicating with Me in a two-way conversation. I listen to many of your prayers and requests every day, but you need to give Me some quiet time so you can listen to My requests and directions for your life. Many people like to be in charge of their life most of the time, but if you are going to follow My Will, then you need to let Me lead you for a change. If you are so busy following your own agenda, you will not give Me any time to do the mission that I have given you. When you follow My Will, I will take care of your needs, and you will have peace in your heart and soul."

October 6, 2011
Thursday, September 29, 2011: (St.Michael,St.Gabriel,St.Raphael)Jesus said: "My people, you are seeing My grandmother, St. Anne, and My Blessed Mother in the vision. From the time of Adam and Eve's original sin I have promised mankind a redeemer when I would conquer Satan, sin, and death. I prepared My Blessed Mother even throughout all of the generations quoted by St. Luke so she would be the new Eve. St. Anne and St. Joachim had My Blessed Mother later in life, and she was consecrated at the Temple. You are celebrating the feast day of St. Gabriel and he brought the news of the Annunciation to My Blessed Mother. She accepted the angel's request and the Holy Spirit overshadowed her with My

conception. St. Anne and My Blessed Mother were instrumental in My salvation history as My Blessed Mother brought Me into the world. At the foot of the cross I gave My Blessed Mother over to all of mankind as their mother. By her mantle of protection she guards all of her children. Give praise and glory to God for the gift of My life that has given everyone an opportunity for salvation in heaven."
Prayer Group:St. Michael said: 'I am Michael, and I stand before God. We archangels are happy to see your statues of us as we always honor Jesus in His Blessed Sacrament. When you end your rosary or your Mass, it is appropriate to call on Me to help you fight off the demons when they tempt you by reciting my prayer. I am also happy to guide you and guard you against harm as you travel by car or by airplane. Continue to pray to Me for your needs, and call on us angels to strengthen you in your times of trial."
Jesus said: "My people, I have given several messages to warn you when it will be time to come to My refuges. First, you will have My Warning experience which will bring many souls back to Confession and prepare the people for the coming tribulation. After about six weeks of conversion, you will see a world famine, a division in My Church, martial law, and mandatory chips in the body. Once you see these things or even sooner, I will warn you that it is time to leave for My refuges. Then you will call on Me, and I will have your guardian angel lead you with a physical flame to My nearest refuge. Once you leave your homes, My angels will place a shield of invisibility around you to protect you from the evil ones."
Mark said: 'I, too, stand before God and I am watching over you as you have seen in the vision. You have seen several times how I have protected you from harm, even when the evil ones wanted to thwart your mission. Thank you for praying to Me every day, and also for loving me. Our Lord has sent me with a strong purpose to guide you and strengthen you in fighting off temptations. Your mission is important to share with as many people as possible. Call on my help and guidance when you are having difficulties and I will come to your aid."
Jesus said: "My people, there are many historical lands in this area of New York State that have significance to many tribes of Indians even today. It is good that certain people are called to support their causes, and even set up buildings to remember these sacred places. It is sad that some land developers do not even acknowledge tribal burial grounds. Pray for these Indian peoples who are looked down on by various parts of your society."
Jesus said: "My people, at times you need to look at the beautiful flowers of My

creation. I thank the people who grow these flowers for all of My people to see. I thank all of the people who bring flowers to adore My Blessed Sacrament of the altar. This is another way to give Me praise along with your beautiful rosaries. Remember that when your prayer group offers up your rosaries together, you multiply your prayers for the intentions that you mentioned."
Jesus said: "My people, I have shown you large, tall angels at My refuges to indicate the power of these good angels. Just as I assigned a guardian angel for each soul, so I am assigning special angels to protect each of My refuges. When you come to My refuge, My people will see a large angel there protecting you, and only allowing in the faithful who have a cross on their foreheads. Those, who are carrying the mark of the beast, will not be allowed in. At My refuges you will be healed of your ailments when you look upon My luminous cross or drink My miraculous spring water. As more pilgrims come, you will see other angels building any needed shelters to house everyone who comes. Have no fear when you have these heavenly warriors, since they will defend you without any need for guns."
Jesus said: "My people, I have called many people to set up refuges so My faithful will have a place of protection to come. It is not easy to establish a refuge with all that will be needed to support the faithful that will come. The refuges need a place of Adoration and Masses if priests are available. I also asked My faithful to help these refuges in their needs by making some donations to help them financially, and with your labor when you know where the refuges are. Once My people come, you will need to set up a community of workers that will all be assigned tasks to help everyone survive with their needs. Food, water, fuel, and shelters will be multiplied, but everyone will have to work for their supper and pray every day."

Friday, September 30, 2011

October 6, 2011
Friday, September 30, 2011: (St. Jerome)Jesus said: "My people, woe to America for you have turned your back on Me in mocking My Commandments and My day of worship on Sunday. Many of you have stopped praying, and fewer are coming to Mass on Sunday. You are more concerned about working and shopping on Sunday, as well as even having your sports games on Sunday mornings. My day of rest should be reverenced more with no servile work, as in

My Church laws. Because of your disregard for My laws, you will continue to see more disasters and some of them are man-made by the HAARP machine. This year is one of the worst for damage and loss of life. As these events get more violent, you are even seeing nature rebelling against you. Your corporations and the one world people are conspiring against you in sending your manufacturing jobs to China and other places abroad. Put the blame for your job losses where it should be on your large corporations, and not on smaller work places. It is those who control your government that are causing your debts by overspending the taxpayer's money. Pray for My protection from these evil one world people because soon you will be forced to seek My refuges from their persecution."

Jesus said: "My people, the gift of My Eucharist is the best gift that I could give you which is My very Self in My Real Presence of the consecrated Bread and Wine. When you receive My Eucharist, I come into your heart and soul, and for a while you can share all of your problems and requests with Me. I love you so much, and I desire that you love Me as much as you can. You can start by opening the door to your heart and desiring to give your free will over to My Divine Will. Be open to doing all that I request of you in helping your neighbor. You will encounter many trials and temptations in life, so call on My help so you do not get angry or fall into temptations. When you ask My help, I will send My angels to protect you from harm and protect your soul from the demons. You can show your love for Me also in your daily prayers, coming to Mass, or coming to visit Me in Adoration. Offer up all that you do and suffer all day for Me, and these things will gain you merits in heaven. You can also have your offering be used as a redemptive blessing for the souls that you are praying for. When you receive Me in My Eucharist, you are united in the Communion of Saints with souls on earth, the souls in purgatory, and with all the saints and angels in heaven. When you start to comprehend this gift of My Eucharist, you will be in awe of My glory and power that you are sharing with Me. Go out to all the nations to share My gift with those who will accept My invitation to conversion."

October 6, 2011

Saturday, October 1, 2011: (St. Therese of Lisieux)St. Therese said: "My son, I am happy to talk to you again, and you can invite me at any time to help you. In the vision I am pointing to Jesus in the tabernacle. As you come to Jesus through our Blessed Mother, I can also lead you to Jesus through my intercession. You have been using your prayer time very well as you see the need to be close to Jesus. You know my Little Way of doing things, so I am giving you some spiritual advice to help you deal with the trials of life. When you are communicating to your wife and others, try not to be so demanding or let difficulties upset you, as in getting your airplane tickets. You need to be an example of Jesus' love, so speak calmly and lovingly to everyone so you do not upset their day either. Look at everything you do as something to offer up to Jesus, and do not let anything upset your peace. You are doing a good mission for Jesus, but you could improve your perfection more by putting more love in all that you do. Be patient with everyone because they may be trying to be patient with you. Learn from your mistakes so you can grow in your faith. Thank you for loving me and thinking of me on my feast day. You can pray your novena prayers through me for all of your needs."
Jesus said: "My people, I have told you in past messages how My angels could lead you to caves for protection. They even could carve them out of dirt or rock, and they will have lighting and ventilation for air in the cave. Do not think that My caves will be second-rate refuges because they will still have food, water, and Communion every day. Luminous crosses will be seen overhead, and there will be springs of fresh water. You may need some warmer clothes, and your tents would be useful to keep you warm and dry. Remember that there are many accounts in the Bible that speak of caves for protection. Elijah was protected in a cave at Mt. Carmel, and I was born in a cave at Bethlehem. I also lived in a cave in Egypt while I was protected from Herod. You were able to visit these places to verify these accounts. So trust in Me that your angels will lead you to the nearest place of refuge during the tribulation."

October 6, 2011
Sunday, October 2, 2011: (Guardian Angel Day)Mark said: 'I am Mark, and I stand before God in obedience to Him. It is a joy to work with you because your gift from God keeps you linked with His words, and you are trying to be

obedient to Him also. We angels make only one choice to serve God and it is forever. You also have said 'yes' to serve God in your mission to share God's Word about preparing for the tribulation. I am reaffirming that when you feel nudges to pray, go to Mass, go to Adoration, and work for your neighbor, you are being urged on by me. I am also protecting you in your travel both in the car and in airplanes. The demons are doing everything to distract you with worldly pleasures, so call on me when you are being tested. Share your love with everyone and also share your faith where possible. Remember how the Lord told you not to mellow His words for a better hearing. So keep giving your messages even if some people do not want to hear you, or they are persecuting you. For being faithful, the Lord will give you graces and a great reward in heaven. Keep praying your morning prayers and your prayers to me in love. I love you so much, even as the Lord loves you."

October 6, 2011

Monday, October 3, 2011:Jesus said: "My people, the Bible has many lessons in leading a good Christian life, but unless you open it and read it, you will never appreciate the context of the readings at Mass. The first reading is the account of Jonah and how he was trying to run away from the mission that I called him to share. I asked Jonah to tell the people of Nineveh to change their evil ways, or in forty days I would destroy the city. Jonah tried to get away and he was thrown off a ship in a violent storm, swallowed up by a large fish, and spewed on the shore. It is better to accept My mission than to reject it, just to do your own will. The second reading is about the Good Samaritan, and it showed up the Jews for all of their human traditions that did not help their neighbor. The man who was beaten and left for dead was a scene that was crying out to people by looking at his condition. But the priest and the Levite did nothing to help him. I made the Samaritan foreigner the good neighbor who helped the man beaten by robbers. Even if you may be inconvenienced to help someone in immediate need, it is the proper thing to assist that person, especially if they are threatened with being close to death. Put aside your traditions to reach out of your comfort zone in order to help your neighbor in need."

Jesus said: "My people, I have told you many times that you are dealing with a battle between good and evil, and the prizes are souls. On the one side you have

My faithful helped by Me and the good angels. On the other side you have pro-death people who are being helped by Satan and the demons. You are always battling the evil one's temptations, but you must remain strong in My grace to follow My Commandments. My faithful must not be afraid to speak out in the defense of the unborn, defense against euthanasia, defense of proper marriage, and against the social injustices of the one world people who are trying to control you. As this evil gets worse, you will see more open persecution of those who believe in Me. Once this evil starts to threaten your life or your job, you need to call on My help because it will be close to the time to leave for My refuges. Once I give you the word to leave, do not hesitate or you could be risking martyrdom in a death camp. So trust in Me that I will be working with you in this battle. You are constantly in a battle between good and evil, even if you do not see it spiritually."

October 6, 2011

Tuesday, October 4, 2011: (St. Francis of Assisi)Jesus said: "My people, sometimes you see some empty seats at Mass in the church, and you complain where are the people who should be there? Some of your family members are not always coming to Sunday Mass, and they should be your responsibility to encourage them to attend or reconvert. I send all of My faithful out to evangelize souls to the faith. If you can bring some new people or your family to Sunday Mass, then you are building up My Church. Your numbers are falling because some people are lazy and their family is not inviting them to come. You cannot change people's free will, but you can still pray for them, and nudge them along without nagging them. Instead of concerning yourself with offending someone, think more that you are trying to save that soul if there is any comment of criticism."

Jesus said: "My people, Wall Street represents all the big corporations that run America's business machine. Unfortunately, it is manipulated by hedge funds, institutions, and day traders that can bring stocks up or down. Many of your created financial crises were designed to steal the savings from the small investor's 401K programs. These same one world people drive interest rates on CDs artificially low to try and force people into the stock market so they can steal the money of the investors. The rich are more concerned with keeping most

people poor so they can control them. The latest protesters in front of Wall Street are organized by the rich to try and cause chaos in your economy, as the organizers are trying to link themselves to the Moslem Brotherhood movement in the Arab countries. There is a true complaint against Wall Street for taking the manufacturing jobs overseas, but these true complaints are not being voiced. Certain parts of your government are trying to create a divide in America between the rich and the poor. This is new world order propaganda that is part of the plan of the rich to take over America by martial law. Be prepared for more violent protests and riots as a means to precipitate martial law. I will warn My people when it is time to leave for your refuges. Trust in My help and pray for the conversion of sinners."

October 20, 2011

Wednesday, October 5, 2011:Jesus said: "My people, this vision of guns being produced and delivered on a conveyor belt is a sign to you that the armaments business makes big money. It is not by accident that your Defense Budget is the single largest item in your annual budget. Many people profit from wars, and America's Industrial Defense Complex is one of the largest arms producers in the world. In order to justify such a large budget, the one world people cause a continuing flow of wars by design, even when Congress has only a lukewarm participation. You have an ongoing presence in Iraq, Afghanistan, and Libya where there is no real reason to be there so long. If you look at the cause of most of your National Debt, it is because of unfunded expenditures for your wars that are no real threat to your country. These wars are trumped up as an excuse for the rich to make money on arms, and the central bankers are collecting taxpayer dollars for the interest on these debts. The central bankers of your Federal Reserve are pocketing the third largest item in your budget to pay the interest on your debt. Not only are the rich making money on wars, but this is blood money for all the innocent people being killed in these wars. This is another reason why the devil is encouraging these wars in order to reduce the population. The one world people at the upper levels of their organizations worship Satan, and they are carrying out his orders. This is also why My faithful need to pray for peace, and refuse to support wars just to make the rich richer."

Jesus said: "My people, the evil one world people are planning a major event to

occur before the end of 2012. Some are saying there is a plan to crash the dollar and the euro before the end of 2012. Most of the upper 10% of the society in income are already paying 70% of the Federal taxes, so they are already paying their fair share. 46% of the people are paying no taxes, and only a small percentage of the rich pay no taxes. If it was not for the rich, the poor would not get any welfare, food stamps, or Medicaid. The President and his party are pushing for more taxes on the rich in a recession. By creating riots and protests against the rich, there is a hope that those in power will keep control, even if they need to cause a martial law takeover. You will see a struggle to stop a National Health law that plans to try and force mandatory chips in the body on everyone to have health insurance. Refuse to take any chip in the body and refuse any mandatory flu shots. These chips will control your mind and threaten your soul by taking away your free will. When you see martial law, bankruptcy, or mandatory chips in the body, it will be the time to leave for My refuges. Just as I mentioned before, you will be fortunate to continue your way of government past the end of 2012. Ask My help to protect you from the one world people who want to kill all Christians and patriots."

October 20, 2011

Thursday, October 6, 2011:Jesus said: "My people, in the Gospel reading I gave an example of someone needing some bread at night. It was the persistence of that person that prompted a neighbor to help that person even late at night. Even now in parts of the Northeast of America, there are people in need of housing or in need of repairs for their homes. Many washed out roads had to be rebuilt and the cost was helped by some FEMA funds. These people also had to rely on neighbors and family to get started again. So when people ask for aid to help them, you could have compassion for their needs. Helping the poor and needy should be part of your charity contributions, as well as praying for their situations to get better. This example of the person in need was also directed at being persistent in your prayers for My help. Many times I answer your prayers in ways that will best help souls. This may not be the exact answer to some prayers, but souls are more important to be saved than some personal gain. Be open in your prayers to pray for what is best for a soul's spiritual gain."

Prayer Group:Jesus said: "My people, I have given you messages to avoid taking

flu shots because they can cause diseases, and they can destroy your immune system. The plan of the one world people is to make you more susceptible to the coming pandemic virus by the yearly flu shots. Avoid taking any mandatory flu shots. Even some shots for younger children contain relatively high amounts of mercury preservatives that have caused some cases of autism. It is better to take the childhood shots one at a time instead of all at once to avoid too much mercury poisoning."

Jesus said: "My people, the one world people have been placing chemtrails in the sky since 1998 or sooner. These trails contain aluminum oxide, barium salts, polymeric fibers, and viruses that cause upper respiratory illnesses with flu symptoms. These chemtrails will be the vehicle that the evil ones will use to spread a pandemic virus that will kill many people like the Spanish Flu killed many people years ago. This virus is a biological weapon that will be used specifically to reduce the population. The one world people have a goal to reduce the population with vaccines, and they have stated their intentions openly. My faithful will be healed of all of these viruses and poisons when they come to My refuges and look on the luminous cross."

Jesus said: "My people, I have asked My faithful to store a one year's supply of food and water because of the coming planned world famine. Many government controls will soon ration food supplies to only those people who have a chip in the body. The other problem will occur when your dollar is so devalued that you will not be able to afford buying the food that will be available. Because My faithful will have enough food, you will not need chips in the body to buy it, and you will not be affected by a crashed dollar. This is why it is better to buy food than gold or silver. Follow My instructions, and you will have enough food to share for your survival."

Jesus said: "My people, your dollar is being devalued every time the Federal Reserve pumps more money into circulation with its 'quantitative easing'. Every stimulus measure carried out has not helped jobs, but these measures have added to the trillions of dollars of debt. The more deficits that you add to your debt, the more Treasury Notes you need to find buyers for it in order to finance this debt. Once bond rates increase, it will be more expensive to service a large debt. A bankruptcy is coming because you have over $60 trillion of unfunded liabilities for pensions, welfare, Social Security, and home mortgages. This will be another reason to go to My refuges."

Jesus said: "My people, there are instigators in these latest protests against Wall Street who are trying to cause more damage to your economy than help. Many of

these organizations are trying to exploit the people's frustration with the bad economy and use them for their own political agenda. This uprising is trying to simulate the same uprisings occurring in the Arab countries. This movement was also started to thwart the Tea Party movement by putting leftists against conservatives. My people need to avoid riots and chaos that will only serve the one world people's agenda for a national takeover by martial law."
Jesus said: "My people, the one world people are working with Satan and the Antichrist for a world takeover. Their targets are the removal of Christians and patriots who could block their new world order. There are already hundreds of detention center death camps all over America which are under FEMA's jurisdiction. These evil ones want to kill all Christians and patriots by using these death camps for that purpose. Some they want to kill before martial law who are on a red list. Others they want to kill after martial law who are on a blue list. It is for this reason that My people are setting up refuges that will be protected from these evil ones by My angels."
Jesus said: "My people, the Warning or the illumination of conscience will occur first and then later events will lead up to the beginning of the Great Tribulation when the Antichrist will declare himself. This is why My refuges need to be made because My angels will defend you from the evil ones who are trying to kill you. Trust in My Word when I warn you to leave your homes for My refuges. The evil ones will not be able to find you at My refuges because they will not be able to detect you. Give praise and thanks to Me for protecting you throughout this short reign of the tribulation."

October 20, 2011
Friday, October 7, 2011: (Our Lady of the Rosary)Jesus said: "My people, you are seeing the triumph of My Blessed Mother as she steps on the serpent representing the devil. When I died on the cross, this was My victory over sin and death. When I return in triumph over the Antichrist, you will see in the vision how the devil will suffer the disgrace of being stepped on by My Blessed Mother as he will then be cast into hell. The Antichrist's reign will be less than 3 Â½ years, and My faithful will need to seek My protection at My refuges. My Blessed Mother will protect her children with her mantle, especially those souls who pray her rosary and wear her scapular. The rosary is a powerful weapon

against the evil one in praying for sinners and also for the souls in purgatory. Praying for souls to come to heaven is what is needed most for your world. There are many lukewarm souls that will be saved because their family or relatives are praying for them. Keep praying for your own family members to be saved from their sins. You do not want to see any of them lost to hell."
Jesus said: "My people, the fight to protect life at all stages of development is another part of the battle between good and evil. On one side you have pro-life people who are doing everything to stop abortions, stop euthanasia, and have peace to stop the constant wars. My faithful realize that life is precious, and it is against My Fifth Commandment to kill anyone. On the other side of this battle you have pro-death people who are choosing only to kill. They have fought to have the freedom to kill their children as a right, and almost all countries allow abortion. These people also want the right to terminate older people who have only a short time to live. Again some states allow this killing of the elderly. Wars are more nebulous, but the intent is to kill the soldiers of the other side. Another issue concerns capital punishment with the death sentence. A consistent life ethic should also stop even so-called justified killing as a punishment for murderers. Preserving life for all people should be your goal because everyone should be allowed the opportunity to live. In all levels of government this battle to protect life goes on, and it usually involves conflicts over giving public money to organizations that perform abortions. There is even a battle to elect pro-life candidates over pro-death candidates. Remember that Satan wants to kill man, and he is getting his followers to sponsor this killing in order to reduce the population. I want My faithful to stand up for their Christian beliefs, and defend life at all of its stages. You may even have to go outside of your comfort zone to be truly active in this battle against evil."

October 20, 2011
Saturday, October 8, 2011:Jesus said: "My people, this vision of a shadow is a further sign that all peoples are standing in My Light as I am truly the Light of the world. There is evil and darkness in the world, but My power of Light overshadows them. I have created your physical light with the sun, the moon, and the stars, but I also give you My spiritual Light which shines My abundant graces on everyone. It is how you receive My invitation to grace that will most

affect your souls. Those, who believe in Me and receive My sacraments, will have My grace in their souls. Those, who do not believe in Me and refuse My grace, are in danger of losing their souls to the evil one. Unless you open the door from the inside, I cannot enter your heart and soul. This is why I send out My evangelists to try and convert souls to faith in Me. Some will welcome them, but some will refuse My invitation to holiness. This is the ongoing battle for souls going on in your world. The devil is working just as hard to take souls away from Me. I have read you the parable of the Sower which basically speaks about the lukewarm, and My believers. Even if people around you or your relatives refuse to come to Me voluntarily, you can still pray for their souls to come into My Light. Do not give up on any soul, and be persistent in your prayers that could save that soul. Rejoice in the Light of My grace as you try to share My Light of faith with all the souls that you meet."

October 20, 2011

Sunday, October 9, 2011:Jesus said: "My people, in the first reading of Isaiah, he speaks of rich choice wines and food at a banquet. In the vision you see a banquet table of food and wine that represents My Wedding Banquet in heaven that I have prepared for My faithful who love Me. In the Gospel reading I spoke of a king who sent out invitations to his people, but the people abused his servants, so he called in other people off the streets to fill his banquet hall. Even in the Scriptures I am inviting all the peoples of the world to come and believe in Me and love their Creator. I do not burden anyone, but I ask all peoples to seek the forgiveness of their sins, and make Me the Master of their lives. In the parable many rejected the king's invitation, or they were not properly dressed, so these people were cast outside to wail and grind their teeth. In life I am also a king, and those, who refuse to accept Me, are risking the fires of hell. Those, who love Me, seek My forgiveness, and allow Me to run their lives, will receive a great reward in heaven at My Wedding Banquet. The focus is on the last line of the Gospel: 'For many are called, but few are chosen.' It will not be the majority that will come to heaven, but only a minority will be chosen. Many will choose their own way instead of My way, but the evil ones will suffer forever in hell. My faithful will be ever thankful that they love Me and obey My laws, because they will experience the love and peace in heaven that is overwhelming in My

beatific vision."
Jesus said: "My people, you have been working hard to bring speakers to share My message with the people, and you are being tested with some unintended circumstances. You were right not to give people any defense, and rely on prayers for your plans to work out. In some circumstances it is more obvious that the attacks you are receiving are coming from the devil. In these attacks of the evil one, you should do your binding prayer of these evil ones to the foot of My cross. Pray your St. Michael prayer also to take away the evil ones. In all of your work that you do to help souls, you should expect certain attacks because the evil ones do not want you to save souls. Give praise and thanks to Me for helping you in these battles. You are right in realizing that My power is greater than all of the evil ones put together."
Jesus said: 'St. Anthony was happy to help you in finding your wife's earring, and he was pleased how you both thanked him."

October 20, 2011
Monday, October 10, 2011:Jesus said: "My people, this vision of a large fan generating some wind is a sign of the Holy Spirit's presence as when the apostles experienced a wind in the upper room. At that moment all of those present had tongues of fire over them, as they felt the indwelling of the Holy Spirit. This gift of the Descent of the Holy Spirit upon the apostles inspired them to speak out as they carried My message to all the nations. Even today, in healing Masses you can see people slain in the Spirit as they are open to receive My peace in their hearts. The Holy Spirit is in all of you, and He empowers you when you receive Him in Confirmation. Whenever you receive Holy Communion, you also receive grace from all Three Persons of the Blessed Trinity. All of My faithful are inspired by the Holy Spirit, so let that grace move you to evangelize souls just as My apostles did."
Jesus said: "My people, you have been planning your cruise and your plane flights in the last few weeks, and there will be some blessings along the way. You also will be facing some trials, but I will have My angels protect you on your pilgrimage. Events are bringing the tribulation closer to its fulfillment. It will be increasingly more difficult to go on any more cruises after this one. This trip will be a bit of a rest from all of your recent activities. Enjoy the beauty of

My creation in all the places that you will visit. You will be focused on Me in all of your prayers and Masses, even amidst your travel plans. In the Holy Lands My words will speak to you in all of the familiar scenes in the Gospel. Be grateful every time that you have the opportunity to see where I lived. Help those in your group with their needs, and share your faith and messages with them. Give praise and thanks to Me for all the places that I lead you so you can follow Me."

October 20, 2011

Tuesday, October 11, 2011:Jesus said: "My people, in today's Gospel the Pharisees criticized Me and My apostles for not following the traditional washing of hands. It is then that I told them about how well they followed Moses's traditions of cleaning the outside of the body, but they did not keep the inside soul clean from their sins. This is true of people today because they are so concerned about their outward appearances. When you have a sin filled soul, it appears very dark and displeasing for Me to look at. People with mortal sin even appear dead to Me in their souls. The point of this reading is that your soul's appearance should be of more concern to you than how you appear in your body. By going to frequent Confession at least monthly, you can keep a pure soul and be much more pleasing to Me. Instead of trying to please people, you should be trying to please Me more. You are only on the earth a short time before your body dies, but your soul lives on for all eternity. So strive to be worthy of coming to heaven."

Jesus said: "My people, there is good reason to watch the latest developments in the Canary Islands. There is a major volcano that is linked with the formation of these islands. The longer the earthquake activity continues, and the more bulging that occurs, the chance of a major explosion increases. If any release is slow, then there will be a minimal effect on the area. If activity increases at a rapid rate with larger earthquakes, you could see a major eruption that could send tsunamis to the East coast of America. Pray that this volcano does not explode violently which could put a lot of ash into the atmosphere. Do some research to examine the size of the caldera of this volcano, and some history of its past eruptions."

Note: El Hierro volcano in the Canary Islands is a shield volcano and it has been releasing gases from the ocean floor. It is in red alert with earthquakes ongoing

even at a lower than 2.0 level. There was a 4.3 earthquake, and this is the first activity since 1971.

October 20, 2011

Wednesday, October 12, 2011:Jesus said: "My people, both of today's readings speak of not judging others since it is My place to do the judging. In your human weakness you may even make unfair judgments of others when you may be just as guilty of what you are judging. Be sure to get your own house in order before you look for the speck in your neighbor's eye. When you see the globe in the vision, this means that nations or their heads of state may also be making rash judgments about other nations. Even when America calls for regime changes, or tries to force its way of government on others, your country is judging beyond your place, and you are exerting your own control on other nations. This is in part why many nations have a dislike for America because your corporations are trying to exploit the natural resources of other countries. It is this greed for cheap oil and cheap labor that is sending both your money and jobs to other nations. America needs to examine its own behavior before being critical of other nations."

Jesus said: "My people, many of your people have had to do some belt tightening because of the poor U.S. economy. Students, who are going to college, are finding it hard to fund their tuition, living expenses, and books. Parents are paying a larger portion of these expenses. Yet on graduation, it is also harder to find a good paying job. Because so many people are not working, the average family income has been decreasing over the years. I have told you that you would see a lower standard of living because many of your jobs are being sent out of the country. Even those, who are living on pensions and Social Security, are hurting with no raises and some have lost some of their investments in the stock market. Despite your ongoing recession, your people in America still have a lot better living than other countries. As long as your people have food and shelter, they will get along. It will be when your money crashes, and your entitlements go broke that you will see riots and desperation to get food to eat. When life gets more stressed, you will need to come to My refuges for protection and your food. Be patient for several years, and I will bring My victory over the evil ones. Life in My Era of Peace will be a welcome change to

your life now."

October 20, 2011
Thursday, October 13, 2011:Jesus said: "My people, your people have many comforts in their homes because of the electricity that is available. Most all of the power that you have is produced from hydroelectric plants, and steam turbines which are powered by coal, gas, or oil. Small amounts of power can come from wind turbines and solar cell devices. Most people are not familiar with what plants are providing their electricity because it comes from a collective grid. If these plants or the transmission lines are damaged by storms or terrorism, then power outages could be a problem for a long time. You have seen power outages on hot summer days or when the latest hurricane came through. I have even warned My people to have backup oil lamps for light, and alternate sources of fuel for heating in the winter. It is your electrical appliances as ovens, refrigerators, and sump pumps that require more electricity. Be thankful for these conveniences, but your power is very vulnerable to being stopped. Even when the one world people want to force martial law on you, they will cut your power lines so they can control you."
Prayer Group:St. Padre Pio said: "My dear faithful souls, you are honoring My Jesus in His Blessed Sacrament, and praying your rosaries to help souls. Heaven thanks you for all that you are doing to save souls. I came especially to thank Steve for all of his dedication to make religious wood carvings, as he has shown in this statue tonight. I want to encourage him to share his gift with everyone. I also want to remind my son to wear his cross outside of his clothing. Continue to remember me in your prayer requests."
Jesus said: "My people, I want you to look at every day as one small step closer to your death, and an opportunity to come to heaven. Even as I struggled to carry My cross to Mount Calvary, I had to take every step closer to My own death. You all have a mortal body that has a short time until you die. But your soul lives on forever, and you are calling on Me to lead you to heaven. In this morning's readings you saw that you need both faith and works to give evidence of your belief in Me. By putting My words into action in your life, you are witnessing your faith to others."
Jesus said: "My people, America still has a few technical jobs left in your

factories. It is encouraging in certain industries to see some of your jobs returning home. Shipping costs have tripled, container costs have risen, and labor costs are rising in China. It is now about an equal cost to manufacture some things here. If markets are allowed to have a fair playing field, you could see more jobs returning to your country. If foreign companies paid the same taxes, and had to meet similar benefits, then your companies could compete without any disadvantages. Your corporations could make profits here, but there are less taxes and less environmental costs overseas. Pray that your people change your job incentives to keep your jobs here."

Jesus said: "My people, your business and financial districts in your cities are what has made America great in your eyes. To Me it is your faith in Me in your morals that has made America great in My eyes. When you stop worshiping Me and praying to Me, then you will see how your fame and fortune will be slowly overtaken by other developing countries. Encourage people to pray more and convert their secular lives into holy lives of faith. Unless America comes back to Me in faith, then your civilization could decay as the Roman Empire collapsed from its own decadence."

Jesus said: "My people, this falling over of large buildings is not because of a poor physical foundation, but it is a sign of a bad spiritual foundation. If you build your house on the sand of fame and fortune, then once you are tested, your house will crumble. If you build your house on the rock of St. Peter in My Church, then your spiritual house will stand against the wind of the evil one's temptations. Put your trust and faith in Me, and I will see to your every need."

Jesus said: "My people, you have had some trials and difficulties in bringing in your speakers to your city. My son, you have seen these same trials in your work as well. Do not be discouraged to help people get closer to Me. If you are doing this good work for souls, then you will constantly see the devil taunting you with problems to try and discourage you in your work. Instead of giving up, you should struggle on harder to work for souls. I had a world to save, and I gave up every drop of My Blood and every effort to carry My cross. You will be facing worse persecutions than this, so struggle to save souls while you still have time to do so."

Jesus said: "My people, you are in a battle against evil, and you need to keep your army fighting for your own individual church's survival. Do not be discouraged over some of these closures because you need to call on My strength to keep your churches open. By prayer, fasting, and helping your pastors, you can keep your churches open. Keep fighting and do not give up your

faith in this effort."

October 20, 2011
Friday, October 14, 2011: (St. Callistus I)Jesus said: "My people, the people of the world are constantly searching for peace and rest, but they do not find it in worldly things. This is because the body is searching more for comforts and pleasures, and it is never satisfied. It is your inner spiritual soul that is also not finding peace with earthly things. Again, your soul is searching for its Creator and My love, because I am the only One who can give peace to your soul. This peace comes from the grace of My sacraments when you cleanse your soul from your sins in Confession, and when you receive My Real Presence in Holy Communion. Guard this peace of My grace in your soul, and do not let anything in life disturb your peace. When you are seeking rest for your soul, come before Me in My tabernacle in quiet contemplative prayer, and listen to My words of consolation. Before My tabernacle you can shut out the noise of the world to relax in My Presence. Once you taste of My peace in faith, you will realize that it is My love that is constantly drawing you to Me. I want you to seek Me only, and you will have the peace that your soul is searching for in Me."
Jesus said: "My people, many places and events were important in My life on earth as a man. One of the most significant events was the first Mass of the Passover meal at the Last Supper. That is why this vision of the upper room should be important to remember what took place there. Holy Thursday was the day before I was to give up My life for everyone's sins on Good Friday. The consecration of the Mass goes back to My first breaking of bread in Holy Communion. I consecrated the bread and wine into My Body and Blood. This gift of My Real Presence in My Eucharist is the greatest gift of Myself that I could give you. Treasure My Eucharist as a source of graces for your soul. I am always with you in My consecrated Host, and you can receive Me daily at the Mass in Holy Communion. Adoration of My Blessed Sacrament can also bring you close to Me when you make time to visit My tabernacle. The more time that you allow Me into your life, the more you can accomplish for Me in your mission. Give praise and thanks to Me for all the many gifts that I share with you out of love."

October 20, 2011

Saturday, October 15, 2011: (St. Teresa of Avila)St. Teresa said: "My dear children, I am so happy to share my love of Jesus with you. Jesus was my whole life on earth, and I am one with him now in heaven. It is not easy in this life to dedicate your life to Jesus because the devil and the world are constantly trying to distract you from him. By the grace of God I was inspired to make Jesus the center of my life, and I am calling on all of you to let Jesus be the center of your life also. You see Me holding His crucifix because we all are called to pick up our crosses and carry them every day. As soon as you wake up in the morning, ask Jesus: 'What are the works that you want me to accomplish this day?' Each day is an opportunity to give praise and glory to Jesus in all that you do. Make everything you do a prayer to Jesus, and think of Him throughout your day. By walking with Jesus every day, He will be guiding you on your path to heaven.It would be a joy to me and you if you could bring my relic to be honored at your Conference on my feast day. Jesus said: 'What about Me?' So bring the Infant of Prague statue as well which is a part of Marino's ministry."

Sunday, October 16, 2011

October 20, 2011

Sunday, October 16, 2011:Jesus said: "My people, I am showing you this vision of your pastor offering Mass so that you realize what a treasure you have in the Mass, as well as the blessing of having a pastor. The Mass brings you the blessing of Myself that you receive in Holy Communion, and you also have My Word in the readings by which to live. You know how much I love all of you, and how I want to bring every soul to heaven. By the grace of My sacraments, you are constantly being nourished with My heavenly Manna to sustain your life in body and spirit. As you see My priest son, you should pray for him and help him in his ministry to your parish. You were seeing another gift of Baptism as you brought this little one into the faith. The priests bring you My sacraments, and this is why it is so important to keep your churches open. By keeping your church alive, the people have an opportunity to worship Me and help bring new converts into the faith."

Jesus said: "My people, the riches and pleasures of this world have enticed many people into sin, and these people are worshiping these things as gods. People

with money and possessions think that they do not need Me because they provide for themselves. Without Me, you would have nothing. You are totally dependent on Me for everything whether you believe it or not. This is why you should not become so attached to the things of this world that you could not give them up. Everything that you have is on loan, and you are only a tenant of Mine. When I ask you to follow Me, I am not asking for a percentage of your time, but I am asking you to make a total commitment to My Divine Will. I can only be the Master of your life, if you give Me your whole free will. As you heard tonight, there are only two choices. You are either with Me or with Satan. There is no place in between. You will either allow Me to be your Master, or you are choosing Satan to be your master. If you choose to let yourself be the master, then you are giving yourself over to Satan. Choose life today by following Me into the Light, or you could be lost to hell. This decision cannot be put off to tomorrow, because you may not live to see another day. If you desire to be with the One who loves you, then follow Me on the narrow road to heaven. Any other choice will lead you to the devil who hates you, and he will lead you on the broad road to hell."

October 20, 2011

Monday, October 17, 2011: (St. Ignatius of Antioch)Jesus said: "My people, those, who were martyred for their faith, are in a high level of heaven because of their sacrifice for love of Me. They are now celebrating with Me in heaven at a great banquet table with a red tablecloth. I have mentioned before in My messages that those, who die in defending the faith in Me, will become instant saints in heaven. They may not be all recognized as saints in My Church, but they are still honored as such in heaven. As the coming tribulation is about to start, there will again be a time of persecution where many will die for their faith. I have told you not to worry about your life on earth as long as you are close to Me in My sacraments. Whether you die as a martyr, or you are protected at My refuges, you will be sharing in My Kingdom in heaven. Give thanks to Me for all the models of inspiration that My martyred saints represented for you on earth. It was because of their steadfastness in the faith that many converts were led to the faith."

Jesus said: "My people, already you are seeing Christmas things appearing in

your stores. In the Gospel I spoke of the greed of the man who was trying to get a part of his brother's inheritance. The greed for money has been with man all throughout history. Even today your shopkeepers start advertising Christmas gifts sooner and sooner. By rushing the beginning of Christmas shopping, they can extend the season to make more money. Most shops make their biggest profits around the Christmas season. Even with such a focus on Christmas shopping, these greedy shopkeepers are very careful not to mention the word, 'Christmas', even though it is My birth that is being celebrated. I have asked people to put 'Christ' back into Christmas because I am the center of this feast. If My people did not buy their presents until later, then these shopkeepers might stop rushing this season. It is good to share gifts with each other as the Magi did in bringing Me gifts, but the focus should be more on loving Me than the gifts that you share. Do not spend so many long hours in the stores, when you can better share your time with Me in prayer before My crib or My tabernacle. If you want to express your love for Me on Christmas, you could display My Nativity Scene at your house."

October 20, 2011

Tuesday, October 18, 2011: (St. Luke)Jesus said: "My people, today's feast of St. Luke and the seventy-two disciples that I sent out, is all about evangelizing souls and building up My Church. I sent My disciples out two by two without money or any baggage. It is not easy to lead your life as a missionary because you are always dependent on people of peace to help you with lodging and meals. The laborer in the harvest of souls is worthy of having his or her needs met. As you brought in two speakers, you brought them into your home and helped them with bedding and meals. My son, you know how important it is to have kind, helping people because you travel from place to place where you also are dependent on people tending to your needs. My people should be thankful that there are laborers going out to share My Word with possible converts. Do not worry about the numbers of people who come to these talks because those who come will be enlightened, and they will spread My message to their friends and relatives. Even books and various media can be useful to share My message in the quiet of the people's homes. In the Gospel I told the people to ask the harvest master to send out more laborers in the field to convert souls. All of My faithful need to

take My message to heart, and go out to all the nations and share My Good News with potential converts to the faith. By sharing your faith with others, you all are working to save souls."
Jesus said: "My people, you have a saying that a chain is as strong as its weakest link. When your parishioners are pulling together to support their church, they need to be strong in faith and character. A church will not survive when people only give a dollar or two in the Sunday collection. A parish also needs individual participation in the various functions of running a church. The faith of the people needs to be strong so you have a firm reason to protect your sacramental church from being closed. This is why the weak link of lukewarm people are being sifted out as they fall away from their faith. My people need to encourage their family members and friends to keep coming to Sunday Mass so they can be fed with My heavenly Bread. Reach out to save as many souls as possible because you are in the midst of a battle for souls."

November 10, 2011
Wednesday, October 19, 2011: (St. Issac Jogues, and companions)Jesus said: "My people, when martial law and mandatory chips in the body come, I will have your guardian angels lead you to the nearest refuge for protection from the evil ones. These refuges will be at places of My Blessed Mother's apparitions, places of holy ground, and caves. This vision at Auriesville, N.Y. is at the place honored by the North American martyrs, and it is truly holy ground. Many shrines will be refuges as this one is, even if there are no obvious provisions being made to store food and shelters. It is My angels that will make the buildings for dormitories to sleep. The building in the vision that you are looking out of is one of the buildings that will be provided. Food and deer will be provided to eat, as well as daily Communion. There will be water from springs, and a luminous cross for healing will light your way. You will see My angel of protection there who will make My faithful invisible to the evil ones. Rejoice

that I am providing these many refuges to protect you during the coming tribulation of the Antichrist. Have no fear, but you must leave your homes for My refuges when I call you to come. This will be a rustic living with people working for their survival."
Jesus said: "My people, raising cattle is a delicate balance between how much it costs to feed them vs. how much money they can be sold for at the market. During the warm days they can feed on the grass, but during the winter you need to house them and spend money for feed. In the spiritual world there is a challenge for a soul to survive this human condition. In this case there is a balance between struggling through the daily temptations of the evil ones. If the soul is fed Holy Communion and obeys My Commandments, then there is a guarantee of coming to heaven. If the soul refuses My help and tries to go through life on its own, then the balance could shift to a soul lost to the devil. Man is weak to temptations, so each soul must seek My help in order to come to heaven. Each soul is very precious to Me and even to Satan. Because souls are so valuable, you see a battle to the end between Satan and Me for each soul, right up to the point of death. Keep close to Me with a pure soul by Confession, and help to evangelize souls so they can be saved from hell."

November 10, 2011
Thursday, October 20, 2011:Jesus said: "My people, you know that valuable gifts can come in little boxes. The first vision of a diamond ring in a box is usually for a woman who is about to be engaged to be married. The second vision of the Blessed Sacrament in a pyx is an even more valuable gift of Myself. This is usually for someone who cannot come to Mass. My Blessed Sacrament is an ongoing gift that marries or unites your soul to Me. Offering to bring My Eucharist to the sick and disabled is literally a beautiful ministry of reaching out to bring Me to other souls. The treasure of My Real Presence is even much more valuable than any earthly thing that you could give. It is more valuable because I am a spiritual gift to the soul of everlasting value, more than any temporary earthly gift. So when you bring My consecrated Host to someone, you are enriching that soul more than you realize in your act of charity. If you are searching for a helpful job at your church, bringing My Eucharist to people can be a rewarding good work both for you and the people who receive My

Host."
Prayer Group:Jesus said: "My people, you have had a complete regime change brought about in Libya with the help of NATO forces and the rebel forces on the ground. There is a concern about some missing weapons, but the old leader has been killed. It is unknown how Libya and Egypt's leadership will be resolved, and what kind of a government will be set up. Pray that the people of these countries will have a participation in the new governments."
Jesus said: "My people, your government is still paying out billions of dollars to your Defense Industrial Complex to make weapons for the world. Many of the US troops in the Middle East are being recalled for different missions. America has been involved in these wars for many years, and it is now time to withdraw some of your troops. I have asked you to pray for peace and stop getting involved in new wars. Man needs to try more compromises before resorting to constant wars."
Jesus said: "My people, you have seen how much money you have spent on your wars in the Middle East. Contrast this to the small amounts of money spent on rebuilding homes and roads in the many disaster areas of America. Instead of focusing on killing people and destroying things in your wars, you should be more focused on building up the destroyed homes from your tornadoes, fires, and hurricanes. When America is concerned more with helping people instead of wanting regime changes, then you will be on the road to spiritual recovery."
Jesus said: "My people, you are seeing the fall flowers blossom, and the colorful foliage as the leaves of the trees are turning colors. Some people look forward to traveling around your parks to take pictures of the fall foliage. All the flowers and trees are rejoicing in color before winter comes to put nature more into a dormant state. These colors are brief, so enjoy this display while it is still available."
Jesus said: "My people, in the next few weeks you will be celebrating the saints on November 1st of All Saints' Day, and the souls suffering in purgatory on November 2nd of All Souls' Day. Both the saints in heaven and the souls in purgatory are saved, but souls on earth have yet to be judged. This is why you need to pray for the conversion of sinners on earth who need to be converted before they could be lost."
Jesus said: "My son, your people have been blessed to visit the places that I have traveled. It is a great opportunity to see the places where My disciples converted sinners and started the formation of My Church. As you visit these places in the Holy Lands, take a Bible along with you so you can read of the Gospel accounts

where you are traveling. Your Bible will come alive as you visit My holy places. You will also appreciate how difficult it was to travel around in the time that I was on the earth. Give thanks to all of My missionaries who have toiled to save souls."
Jesus said: "My people, your world has been in financial turmoil in the last few years because of all the national debts that are testing many countries for survival. Even America is being tested by your increasing debts and threats of insolvency to many of your entitlements. Your people need to better manage your budgets and deficits that are threatening your way of life. Call on My help to get you through these difficult times."

November 10, 2011
Friday, October 21, 2011:Jesus said: "My people, in the first reading St. Paul is talking of how hard it is to obey the Lord because his body's members are struggling to do the wrong things. There is a constant battle going on between the desires of the body and the desires of the soul. It is the devil who takes advantage of your weak human nature to tempt you into sin. I know this weakness, and I am willing to forgive your sins at any time. Remember to ask for My forgiveness in Confession, and your soul can be refreshed with My grace. The Gospel reading speaks of recognizing the signs of My return. You have read the Scriptures of how you will see famine, earthquakes, and pestilence. I have told you of the evil of Noah's day, and how evil it is now in your world, which is a sign of My coming again. Many of these disasters are increasing in frequency and severity, and they are setting records. If you have the eyes of faith, you can read these signs as well. I have given you the mission to prepare My people for the coming tribulation. You are to warn them how to prepare to come to My refuges to avoid the Antichrist and his evil supporters. Rejoice in My help because once you see the Antichrist coming into power, you will soon see Me coming in victory over him."

November 10, 2011

Saturday, October 22, 2011:Jesus said: "My people, you have heard from St. Paul how you should be living according to the law of the Spirit of God. You are not to be so concerned about the things of the flesh, but you should be more concerned about eternal life in the spirit. In the parable of the fig tree there is no fruit on it. The owner wanted to cut it down because it had no fruit for three years. The gardener asked the owner to allow it one more year so he could cultivate it and fertilize it. This parable is speaking of My faithful who are also meant to bear fruit as your prayers and good works. You have heard My Word and have been blessed to receive the faith. Now you must act on My Word and show your love for Me and your neighbor in your actions. This means that you need to pray to Me and worship Me every day. By your charity from your heart, you should reach out to help your neighbors in their needs. You should take every opportunity to help your family members or friends in their needs without complaint, and act without being asked. For every good work that you do, you will store up treasure in heaven. So after some years, if you do not bear fruit, you could be like this barren fig tree. I offer to cultivate you with My graces and My Word. I give you Confession to forgive your sins, and I enrich you with the spiritual fertilizer of My graces. If you do not bear fruit during your life, then you are risking hell if you are cut down for not obeying My laws. I ask My faithful to be fruitful and may your works be multiplied, so when you face Me at your judgment, you will be found as a fruit laden fig tree."
Jesus said: "My people, many times ships get lost in the fog, and the light from the lighthouse gives them their bearings so they can find their way. In the spiritual realm there are many people lost in the fog of worldly noise and the desires of earthly things and activities. My sanctuary light in My Adoration chapel is locating My Real Presence so My faithful know where to find Me. When you come into the silence of My Presence, you have a chance to not only make your prayer requests, but also you can listen for My voice in your heart. It is in your contemplative prayer that I can show you how to advance in your mission. It is not easy to find peace and quiet, but when you come to Adoration, I put your mind at ease, and I bring peace to your soul. Be thankful that I am your oasis of grace and peace. If people spent more time visiting Me at Adoration, they would find more purpose to their lives, and they would stop wasting so much time on worldly concerns of no value. Continue to seek out My places of Light where you can find rest for your soul."

Sunday, October 23, 2011

November 10, 2011
Sunday, October 23, 2011:Jesus said: "My people, you have read some of the lives of the saints as they are My helpmates with My angels in leading people to the faith. If you have not read any of the lives of the saints, you should share in their dedication of their lives to Me, and imitate their lives. They are a beautiful inspiration for your spiritual lives, and when you call on them, they will help you. You, My son, have had messages from them, and you know how they have helped you in your spiritual direction. All of you are called to be missionaries as you share your faith with those around you. If you are loving and witnessing the glory of My Word, people will see how much you love Me, and they will desire your loving spirit that they want to share. So always show your love to Me and follow My laws, and you will be a shining good example for people to follow. Do not be a hypocrite by speaking of My law, and you do not keep it. Heaven is watching you all of the time, so be on your good behavior out of love for Me and love for your neighbor. Also, tell My angels and saints how much you love them."

November 10, 2011
Monday, October 24, 2011: (St. Anthony Claret)Jesus said: "My people, this vision of two children sitting on a porch railing is a sign to you of not putting yourself in dangerous situations. In this case there is a physical danger of being hurt accidentally if they fell. My people need to be careful not to endanger their lives in precarious situations, and not to place themselves in occasions of sin which could harm them spiritually. Every day you can meet dangerous situations in car accidents or when you are walking on the roadside. A spiritual occasion of sin could be a couple who are living together without marriage. Fornication can keep occurring in this situation, and it is better to get married or live apart from each other. Most people realize that it is not safe to place yourself in risky situations that could kill them. It is more subtle to be aware of risking mortal sin which could bring death to your soul. When you are in mortal sin, your soul is dead to Me until you come to Confession. The best plan is to avoid deadly situations both for your body and your soul."

November 10, 2011
Wednesday, October 26, 2011:Jesus said: "My people, when you receive Me in Holy Communion, you also receive God the Father and God the Holy Spirit. This gleaming triangle is showing you the power of all Three Persons in the Blessed Trinity. It is Our Light and graces that are poured out on you as you receive Us in Holy Communion. You also are seeing heavenly angels as they give praise and glory to Me at the Consecration of the Mass. As each of you receive Me in Holy Communion, you also are seeing angels around you as you are like a tabernacle with Me until the consecrated Host is consumed. As you prayed My Blessed Mother's rosary and worshiped Me at the Mass, We are welcoming you on your pilgrimage with 'Mary's Pilgrims'. I have told you before that you will gain great graces for every pilgrimage that you make. Learn from your spiritual experiences which will help you grow in faith. Remember to follow your passages from the Bible that refer to the places that you are visiting."

November 10, 2011
Thursday, October 27, 2011:Jesus said: "My people, in the vision you are seeing the beauty of My creation every morning. You have been given the gift of faith in Me that you treasure every day. Offer up all of your requests, prayers, and works each day to Me as you ask Me to be a part of what you do each day. If you are with Me, who can be against you? It is by your free will that you give yourself over to Me and let Me lead you on your mission. I do not want any of you to be separated from Me. If you break our relationship with sin, you can be reconciled with Me in Confession. You are joined in the Communion of Saints at Communion, and I call you to pray for the conversion of sinners, especially those in your own family. Give everyone good example, and pray persistently for any lost souls because you can save your fallen away members by your prayers. Pray and have Masses said for your deceased friends and relatives. Pray for the souls in purgatory with your daily rosaries. By striving to keep your family

together in My good graces, you can all be joined with Me in heaven one day. I love all of you, and I do not want to see any soul lost to the devil."
Our Lady said: "My dear children, I am happy that your pilgrimage brought you to the home where I lived. St. John took care of me in Ephesus, Turkey. Your readings today confirmed that St. John was given to me as a son from Jesus on the cross. I was given to be the Mother of all of God's children in addition to St. John. I call all of you to remember to pray your rosaries every day and to make up any missed rosaries on the following day. I have many intentions of praying for sinners, for souls in purgatory, for the stoppage of abortion, and for peace without wars. If you forget these particular intentions, then just pray for my general intentions. You have visited my House of Loretto and near the Dormition Abbey where I was assumed into heaven. Be grateful that you have been able to see all of these holy places. You need to get your Bible out to see where all of these places are mentioned in the readings."

November 10, 2011
Friday, October 28, 2011: (St. Simon and St. Jude)Jesus said: "My people, My apostles were My special helpers in spreading My Word of the Gospel. They traveled around with Me for the three years of My public ministry. St. Matthew and St. John wrote two of the Gospels. I took St. John, St. James, and St. Peter up with Me on Mt. Tabor for My Transfiguration and the same three apostles were close to Me at My Agony in the Garden of Gethsemene. St. John was close to Me at the foot of My cross as he took care of My Blessed Mother. St. Peter was made the first pope as I gave him the keys of My Kingdom to lead My Church. All of the apostles, the deacons, and St. Paul and his companions were missionaries to the Jews and the Gentiles. You can see the result of their work in how they led My Church through the early years of persecution. All of My apostles, except St. John, were martyred as were many of the early popes. I promised that the gates of hell would not prevail over My Church, and it is still going on for over two thousand years. Give praise and glory to Me as I use My faithful of today to evangelize and convert souls to the faith in order to build up My Church."
Jesus said: "My people of Mary's Pilgrims, I am showing you that this ship is infested with demons that are associated with fornication, gambling, and

overeating. It would be wise to spread holy water or blessed salt around your Gamma meeting room, where you eat, and in your cabins. This blessing, your prayers, and your Masses are for this intention of controlling these demons and binding them to the foot of My cross. Pray also for all the people on this boat who may be sinning or who are in a state of mortal sin. Even when you go ashore, you should wear some blessed sacramentals for protection from the demons. You go about in life without realizing all the battles of good and evil that are going on all around you. Pray for your protection and call on My angels to put up a shield of protection against the demons on the boat and the demons on the shore. Pray also for all the souls that could be influenced by these demons both on the ship and where you are traveling."

Saturday, October 29, 2011

November 10, 2011
Saturday, October 29, 2011:Jesus said: "My people, I know that all souls should be struggling against the temptations of the devil out of love for Me. You should desire to be with Me in heaven out of love, but those, who reject Me, are risking the eternal fires of hell. There is a gift of the Holy Spirit in the fear of the Lord, but this should make everyone humble before Me. Those, who are faithful to Me in their daily prayers, works for their neighbor, and have love of God and neighbor, need not fear because you will be with Me one day in heaven. You are seeing in the vision how many souls will forever suffer in the flames of hell because of their rejection of Me. You are seeing so many souls around you who are all living in the body and have not yet been judged. This is why it is so important to pray for the souls in your family and all sinners in the world so My mercy can forgive them of their sins. Pray for My Most Precious Blood to be poured out on these sinners so that souls, who are away from Me, will be predisposed to My love in their hearts. I do not force My love on the free will of any soul. Those, who are praying for sinners, can be instrumental in saving souls. So be persistent in praying for sinners. You can pray for the souls in purgatory also, but they are already saved from hell. Praying for sinners should be your most important intention as well as evangelizing souls to convert their lives to Me."
Jesus said: "My people, you were hearing your priest speak about the Little Way of St. Therese, and how you should be more childlike in your faith and your

actions. You also need to have a pure and chaste soul because many souls are going to hell because of the sins of the flesh. Many affairs are started by men looking on women with lust in their hearts. Some women dress immodestly and throw themselves at the men. I am always warning people not to be involved with adultery, fornication, masturbation, birth control devices, or homosexual acts. You have strong urges at times, but you must guard your eyes and your passions to avoid the sins of the flesh. Even living together without marriage can be sinful and an occasion of sin that should be avoided. You can live a chaste life by asking My help, and ask for the grace of purity to correct any habitual sexual sin. Most sexual sins are mortal sins because they abuse the proper way of providing for children in a loving environment. If you do fall to such sins, you will need Confession so you can be worthy to receive Me in Holy Communion. This is one type of sin that takes spiritual strength to avoid, so guard your eyes and be faithful to your spouses if you are married. By living a chaste life, this will help you in fighting off other temptations as well. In all that you do, you should live to show Me your love by not offending Me with any sinful actions."

November 10, 2011

Sunday, October 30, 2011:Jesus said: "My people, you are visiting Bethlehem where I was born, even though it is hard to think of Christmas in October. The star is the exact location in a cave like structure where My birth took place. People from many previous centuries had waited for their Redeemer to come to the earth. Because of the sin of Adam and Eve, many souls had to languish in Sheol where people suffered a hell like existence after their death. Only after I died on the cross and paid the ransom for everyone's sins, could the worthy souls be released into heaven. Many of My people today take Baptism for granted that releases souls from original sin. The people that lived before My birth had a different suffering. My people of today need to rejoice that you have been redeemed even from your actual sins, as well as from original sin. By seeking My forgiveness in Confession, you can keep your soul clean and ready for your judgment. In another month or so you will start Advent with the new translated Mass. This will be an extra Christmas treat to return to the old Mass in the vernacular. Enjoy the rest of your trip even if you have to travel longer in the bus due to your port change. There are always adjustments that you need to make

when you travel, even on a pilgrimage."

Monday, October 31, 2011

November 10, 2011
Monday, October 31, 2011:Jesus said: "My people, the first Adam had a beautiful life in the Garden of Eden, and I even provided a helpmate with Eve. The devil tempted him with a desire to be like a god in knowing good and evil, so he fell to the sin of eating the forbidden fruit. As a consequence of his sin, Adam and Eve were banished from the Garden of Eden, and he now had to work for a living. He experienced pain and sickness, and he now had a mortal body that would die. I am the new Adam and I took on all of the fallen consequences except sin. I became the unblemished Lamb that was to be offered up for all of mankind's sins. Today, you visited a new Garden of Gethsemene where I suffered My agony with blood that came from My sweating. I was tested by the devil as well, but I did not fall and I chose to follow My Father's Will. It was My acceptance of dying on the cross that has brought salvation to everyone. The first Adam brought death and misery, but the new Adam has brought everyone the opportunity for eternal life in heaven. Rejoice that your Redeemer has come to heal your sins, and restore grace to your soul. I will come again to judge souls, so keep your souls pure with Confession so you will be ready to meet Me at your judgment."

November 10, 2011
Tuesday, November 1, 2011: (All Saints' Day)Jesus said: "My people, you were fortunate to have heard My Gospel on the Beatitudes in the very place where I gave My Sermon on this Mount of the Beatitudes. These happenings are well planned in life, and not just by accident. Two of the Beatitudes that deal with the poor in spirit, and those who are persecuted, are promised the Kingdom of heaven. This is what many are going to face in the coming persecution of the tribulation. Right now, your lives are not at risk because of your belief in Me, but as the time of the Antichrist draws near, you will be facing persecution from within My Church and from your authorities. Again, those, who remain faithful

even when they may risk martyrdom, will be granted their reward in heaven. Ask for My grace and protection at My refuges, and I will have My angels place an invisible shield around you to protect you from the evil ones. My faithful will be marked on their foreheads so they can enter My refuges."

Wednesday, November 2, 2011

November 10, 2011
Wednesday, November 2, 2011:Jesus said: "My people, you have visited Cana where I had My first miracle. It was not My time to start My ministry, but I honored My Blessed Mother's request to provide more wine. I did not want the Host to be embarrassed by not having enough wine. After I had the servants fill the six jars with water, I performed a miracle of changing the water into wine. I then had a servant take the wine to the head waiter. He did not know where the wine came from, but he remarked how the best wine had been saved for last. This wine and bread would later be changed again into My Body and Blood at the Last Supper. All those, who eat My Body and drink My Blood, will have eternal life. This wedding feast of Cana is another symbol of how I am calling all of My faithful to My eventual Wedding Banquet in heaven. Those, who are worthy and purified, will be allowed into heaven because I go to prepare a place for My faithful in heaven. Rejoice with Me when I will share a new wine with you."

November 10, 2011
Thursday, November 3, 2011: (St. Martin de Porres)Jesus said: "My people, I am the Good Shepherd, and I love all of My people. I am calling all of you to be converted from your ways of the world over to My ways. I am searching for every lost soul, and I am inviting every soul to come to My mercy and forgiveness. Even when I was criticized by the Scribes and Pharisees for being with sinners, I told them that sick people need a doctor, while the self-righteous do not. All of you are sinners and in need of My forgiveness. As you confess your sins to Me through the priest, I heal your soul and return My grace to your soul. Be humble in asking for My forgiveness, and let Me be the Master of your

lives. Many people on the ship have fallen ill from one sickness or another. So pray for them to get better both in body and soul. For every soul that converts to following Me, heaven rejoices over even one soul that repents. Just as the shepherd finds his lost sheep and he rejoices, so I and all of heaven rejoice over all sinners who are healed."
Jesus said: "My people, you should rejoice for all the beautiful places that you were able to visit. You saw the place of My birth in Bethlehem. You walked the via Delorosa to Calvary where you saw My tomb in the Holy Sepulcher and where I died on the cross. You visited the Sea of Gallilee where I gave many parables, and you even went out in a boat on this sea. You saw St. Peter's house and the Mount of the Beatitudes where I preached about the beatitudes. You also visited the Church of the Annunciation at Nazareth, Israel where My Blessed Mother gave her fiat to be My mother. You saw Mt. Tabor where I was transfigured before My apostles, and you saw where Elijah hid in a cave on Mt. Carnel. This was a very successful trip as your Biblical readings will now come alive to you. When you return home, you will be able to share your movies and pictures to show all the places where My apostles, I, and St. Paul traveled. Give praise and thanksgiving to Me for all that you have seen on this pilgrimage. Let this experience enlighten your spiritual life and enhance your prayer life."

November 10, 2011
Friday, November 4, 2011: (St. Charles Borromeo)Jesus said: "My people, it is very difficult for the rich to enter heaven. I even told My apostles that getting a rich person to heaven will be as hard as passing a camel through the eye of a needle. This does not refer to a needle and thread, but through a four foot by four foot hole as at the Church of the Nativity. Be careful with wealth, and do not let it become an idol that can control you. Be prudent in the use of money to provide for your family's needs and share it with others when possible. The more important wealth is spiritual wealth that you can store in heaven for your good works. Your best treasure is your freely given faith in Me. You can gain great treasure in heaven by converting souls to Me by sharing your faith in evangelization. The more souls that you can bring to Me, are the less souls that will be lost to Satan. Rejoice with the joy in heaven when you can help one soul repent of that person's sins."

November 10, 2011

Saturday, November 5, 2011:Jesus said: "My people, you are all born into this world, but you do not have to be of this world in desiring only material things. In everything you do each day, it is always a choice to serve Me or to serve yourself and money. Those, who follow Me, must give your will over to My Divine Will, and let Me be the Master of your life. Those, who choose to follow their own ways of man only, are risking the consequences of their actions that could lead them to hell. You can only love and serve one Master, either Me or the world. If you are going to serve Me, you must be the servant of your neighbors in charity. By loving Me and loving your neighbor, you will be choosing the narrow road to heaven. What does it profit a man to gain the whole world and then he loses his soul to the devil? You are on this earth to know, love, and serve Me. All of creation follows My way, but man has been made in My Divine image with the gift of free will. I do not force My love on you, but I want you to love Me by your own free will. When you desire to follow My ways, you will be in harmony with all of My creation. Give praise and glory to your God who desires that all souls be saved in My love."

(Sunday anticipation Mass) Jesus said: "My people, you do not want to be one of the five foolish virgins when I tell them that I do not know them, for they do not know the day nor the hour of My coming. If you want to enter the gates of heaven, you must have a personal relationship with Me in your prayer life. By coming to Me in My sacraments, you will be on the narrow road to heaven. Those, who eat My Body and drink My Blood, will have eternal life. This parable of the wise and foolish virgins is a warning to you to be watchful and ready in your soul for your judgment when I return. Do not be a foolish virgin without any preparation for the coming tribulation. I will provide for all of My faithful at My refuges, so have no fear, but have hope in My watching over you."

Monday, November 7, 2011:Jesus said: "My people, you have had several delays

and changes in your travel plans, and St. Paul also had travel problems in being shipwrecked as in the vision. America is also traveling down the wrong road, and it could also see changes that could lead to bankruptcy and disasters. If your money people crash the dollar, you could see your country shipwrecked as well. When a country turns its back on Me, it loses its graces, and it is open to disasters. Pray for My protection, and I will send My angels to guard you from the evil ones."

Tuesday, November 8, 2011:Jesus said: "My people, before your trip started, I told you that you would experience some trials, but My angels would protect you. Your first trial was the closing of the Ashdod port because of some missiles that were fired. You had several problems with lengthy waits during security checks for the airlines. There were several sicknesses on the ship that caused some discomfort. Even coming home, you had to deal with a flight cancellation. Despite your trials, you were still protected from any life threatening events. Give praise and thanks to Me that you were able to see most of the scheduled places on your pilgrimage. As you review the scenes of your trip, you will have some treasured memories in the Holy Lands that will make your Scripture readings come alive."
Jesus said: "My people, just as you have a hard time seeing the road on a foggy night, so it will be hard to see you when you are on your way to a refuge. Your angels will make you invisible to those who want to kill you. Be thankful that I am providing refuges for you to stay during the tribulation. You will be able to see each other, but the evil ones will not be able to detect you, even with all of their electronic detectors. This is a miracle of protection as you will see everything provided for you as I multiply your food and shelters. My angels will build your shelters as you need them. You will be praying more as you work with your community to provide for everyone's needs. This trial will last less than 3 Â½ years, and then I will bring My victory over the Antichrist. I will renew the earth, and then you will be brought down into My Era of Peace. You are fortunate to be living in this transition time when you will be prepared for heaven. Ask My help in all that you do every day."

Wednesday, November 9, 2011: (Dedication of St.John Lateran)Jesus said: "My people, it is a duty of those who oversee My Church to keep the deposit of faith ever before My people. This briefcase in the vision holds all of My Church's laws, canons, and Encyclicals, as well as the Scriptures of My Word. I am the keystone of My Church as I founded it with St. Peter as its first Pope. This dedication of St. John Lateran Basilica is because this was the place for My Popes until St. Peter's Basilica was built. It is still recognized as the Church of Rome. I have protected My Church through the years, and I am always reaching out to evangelize sinners through My missionaries. You are all on your journey toward heaven, and My Church is there to guide you and make any interpretation of Scripture, or faith and moral decisions. Other denominations have split off from the main branch, but My Church is the true Church with My sacraments to make you holy."

Jesus said: "My people, those, who travel on cruise ships are familiar with places to gather before you leave on your tour for the day. It can be an exciting trip to see new places, or even places that you have been many years ago. When you play back your pictures or movies, you can bring back your memories of that trip. Your life experience can also be seen as a tour because you are always meeting new challenges with opportunities to help people out of charity. You start your day with your morning offering to Me as I help direct you on your mission. Having a good spiritual outlook on life can share your joy of faith with others in lifting up the spirits of those people whom you meet each day. Everyday life has its problems and some people can get overburdened and sad with life's trials. By your prayers and help, you can console such persons who have sickness or deaths in their family. You can help one another get through your trials, and it can be a comfort to have someone listen to another person's problems. One day at either your Warning or your death, you will see your life's memories played back to you at your judgment. If you focus on following My ways and loving Me and your neighbor, you will be rewarded for your good behavior. Those, who do not follow My ways and go against My laws, may suffer a more harsh punishment. It is your choice every day whether to follow My ways or the ways of the world. To gain heaven you need to imitate My life, and follow My Commandments out of love for Me."

November 28, 2011

Thursday, November 10, 2011: (St. Leo the Great)Jesus said: "My people, I have been giving you messages right along about the coming Warning experience that everyone will feel all at once. This vision of an umbrella is an indication that a great storm of evil will follow after this Warning. Indeed, after the Warning you will see events lead up to the coming of the Antichrist. You are seeing continuing storms and earthquakes happening one after another. Your first major snow storm has already caused many power outages. The Warning will be like a near death experience where you will come before Me in an out of body instance when I will review your whole life. This will focus on your unforgiven sins which will be stored in your memory. You will have a strong desire for Confession when you understand how much your sins offend Me. You will see a mini-judgment of where you would be sent if you died right now-whether to hell, purgatory, or heaven. You will be given a chance to improve your life when you return to your body. If you do not change your spiritual direction, then this mini-judgment will be where you will go when you die. I am giving My mercy to every soul for an opportunity to change your lives so you can be saved. This Warning experience is also a preparation for the coming tribulation. You will be seeing an evil worse than you have ever seen. So be prepared to come to My refuges where you will be protected from the evil ones."

Prayer Group:Jesus said: "My people, St. Paul was one of My great missionaries for the Gentiles. He evangelized with My Word to convert people in all the places that he traveled. You were fortunate on your trip to walk the many paths that St. Paul walked. He had My grace to be courageous in speaking out to those who did not want to hear My way of life. Many pagans believed in many gods, and this was a problem for St. Paul when they stoned him. He was in many prisons for the Gospel, and he sent epistles to the many people where he preached. My people will soon start to get persecuted as well, and you may be threatened with prison."

Jesus said: "My people, carpenters in your day are not as skilled in making statues and ornate carvings for churches. These old skills have been shelved in order to build houses and simply designed buildings. The people of the world do

not always appreciate beautifully carved statues and ornate churches. There are some artisans around, but they are finding it hard to make a living. Give thanks and praise to Me for all the skills that you have acquired in life to make your living."

Jesus said: "My people, as you travel around the world in various countries, you can notice the old architecture of the churches and mosques. You do not see these kinds of buildings being made today. The beauty of your old churches showed the desire of the artisans to work for My glory in making ornate churches. Even if you have different skills today, you should work at your jobs for My greater glory. Pray and work to evangelize souls to the faith because saving souls is your most important work."

Jesus said: "My people, only about 500 years ago your scientists finally determined that the earth was round, and it circled around the sun. With all of your recent technology, you were amazed to learn that some ancient peoples were able to determine that the earth was round. Every time that you want to think different from the status quo in science, it sometimes is a struggle for people to accept your ideas. Truth in nature and science are usually found in simple ways to describe things. Be grateful for My blessings in all the work that you do for Me."

Jesus said: "My people, My way to Calvary along the Via Dolorosa was difficult in carrying My cross. I was weak from My scourging, but I struggled on because I had a world to save. Simon helped carry My cross, and I will help you with your cross if you ask Me. I ask all of My faithful to take up their daily crosses, and struggle to follow My ways to heaven. The body's desires are always holding you back from accomplishing what the soul desires. Trust in Me to lead you on the narrow road to heaven."

Jesus said: "My people, you have been prepared to learn the new changes in the Mass that will start with the First Sunday of Advent. You can also get prepared in your heart to celebrate another Christmas Season. As you went to see where I was born in Bethlehem, these readings will come alive for you. You also saw where the shepherds were tending their sheep when the angel encouraged them to come to greet Me. Every time that you come to the Holy Lands, there is a joy in following My footsteps."

Jesus said: "My people, you have life a little easier in America compared to some people in foreign countries. Many people have struggled to give you your freedoms that you take for granted. Your previous generations should be thanked for all the blessings that you have today. My graces also help you in your daily

work. You all have a common experience in your needs for food and shelter. Work to share your love and your skills in helping your neighbor in his needs. I love all of you, and I want you to work in harmony with all the peoples of the world instead of fighting wars."

November 28, 2011

Friday, November 11, 2011: (St. Martin of Tours)Jesus said: "My people, in these weeks before Advent begins, the Gospel readings are focused on the end times. I have given you descriptions in the Gospels of these coming times when you will see famine, pestilence, and earthquakes. In the vision you are seeing flooding of your rivers to give you another sign that was seen in Noah's day with the flood. When you see evil getting as bad as it was in Noah's day, this will be a sign for you that the Son of Man will be returning. You have been seeing continuous earthquakes even in Eastern Turkey where you just traveled. It will be the major earthquakes on the New Madrid fault and the San Andrea's fault that will cause the most damage in America. You have been praying for the souls who will die at that time because many will not be ready to meet Me at their judgment. You are seeing other signs in potential government defaults, and the reality of mandatory chips in the body being forced on you by your government. There will come a time of the Antichrist's reign when your best place of protection will be at My refuges. Do not be fearful, but trust that I will take care of you in this coming persecution of the tribulation. I will come and defeat the Antichrist, and I will bring My faithful into My Era of Peace. Rejoice that these things will be happening in your lifetime."

Jesus said: "My people, all throughout history civilizations have fought one another for control of certain types of land that were strategic for defending their people. As you saw in your travels, holding high ground was easier to defend. Over the years your weapons have become more efficient in killing the enemy's soldiers. Even today, weapon makers have a thriving business because there are always wars going on in some part of the world. In older days of fighting wars it was necessary to protect your homeland. In today's wars they are fought for profit for the arms dealers. A war for defense of your country could be considered a just war, but the wars of today are caused by the one world people out of greed for money. America should be more careful in getting involved with

so many unnecessary wars. Initiating wars for regime change is very controlling. Pray for peace with less hostilities."

November 28, 2011
Saturday, November 12, 2011: (St. Josaphat)Jesus said: "My people, in today's readings I gave a parable about the unjust judge who finally gave a proper judgment to a poor widow after she kept begging him. This parable was to emphasize the need for persistent prayer. I know what you need, and I will provide for those who request their needs. Providing life sustaining needs will come as quickly as possible. It is prayer requests for souls to be saved that will take more persistent prayer. I hear all of your prayers, but I usually answer them by what is best for souls. Some souls have a higher price to be saved than others because of their sins, or the demons that are attached to their addictions. Do not give up on any soul but continue in your persistent prayer for that person. It is your prayers that could save many souls. You saw the demons all around you, and you need blessed salt and blessed sacramentals to protect your home and your person from their attacks. Trust in My protection and come to monthly Confession to keep your soul pure and protected from the demons."

November 28, 2011
Sunday, November 13, 2011:Jesus said: "My people, today's Gospel reading was a test of using the talents that I have given to everyone. Some people use their talents to provide for their families and the good works of charity. Other people either are lazy in not using their talents, or they are selfish, and they do everything for themselves only. Just as the productive servants gained their just reward, so My faithful, who use their talents for My mission, will also receive their reward in heaven. The one, who buried his talent, had that taken away, and he was cast outside to wail and gnash his teeth. So those people, who reject Me and are lazy in not following My laws, will receive punishment as a consequence for their actions. The vision in the confessional is all about facing Me at the judgment when everyone will have to make an accounting for all the actions of

their lives. It is better to settle your accounts with Me in Confession than to suffer a harsh punishment at your death and judgment. Continue to be prepared for your death by keeping a pure soul with frequent Confession."
(Rose Grassi Mass intention) Jesus said: "My people, Rose was a very proper lady, and she was very charitable in her good works. Raoul and Rose were very generous in funding Mt. Carmel House as a Catholic hospice. This was a model for other homes as well. The first reading truly described her wonderful ways of helping people. All of My faithful Carmelites will receive their reward for all their prayers and good works. Give thanks and praise to Me for this gift of Rose's life."

November 28, 2011
Monday, November 14, 2011:Jesus said: "My people, you are reading about the abominations being performed against Me in the time of the Maccabees. You saw the idols of the king placed in the sanctuaries of the altars, the discarding of the scrolls of the Scriptures, and the immoral worldly behavior of the people. Even those, who tried to follow My ways, were tortured and killed. If this behavior sounds familiar, it is because America is going down this same path of paganism. Your idols are sports in the stadiums, fame in riches, and possessions of all kinds. Many of your people do not come to Sunday Mass and rarely read the Bible. You abort your children, many live together without marriage, and there are many accepted homosexual acts between two men and two women. In history such decadent civilizations destroyed themselves from within, and America is experiencing all of the symptoms of the fall of the Roman Empire. I have punished such behavior with sudden destruction by weather disasters and earthquakes. America is facing a growing deterioration because of your decadent behavior. If your people do not repent and change their ways, you will face the same fate as many failed civilizations in history. Even if you must face criticism and persecution, remain faithful to Me, and you will receive your reward in heaven."
Jesus said: "My people, the blind man pursued Me in a loud voice because he had faith that I could heal his blindness. I asked him what he wanted since I wanted to hear his request from his own lips. I then healed him, and My Light came into his eyes so he was healed not only physically, but spiritually as well.

He then followed Me giving glory to God. There are many people who are alive, but they are walking blind in their spiritual lives. My grace is always available to those who request healing. By prayer for this gift of My grace, people can be healed of their spiritual blindness. Without the eyes of faith, it is difficult to find the narrow road to heaven. You are blessed to have faith and see your mission clearly. You also need to ask Me for My grace to carry out your mission as well. Rejoice when you can evangelize souls so they can see clearly to follow Me in life. Curing any spiritual blindness is even a greater gift than being healed from physical blindness."

November 28, 2011

Tuesday, November 15, 2011: (St. Albert the Great)Jesus said: "My people, when I went to the houses of sinners, I could hear some of the Jewish leaders grumbling how I associated Myself with sinners. They did not realize that Matthew converted to be one of My disciples, and he wrote one of the Gospels. Zaccheus also converted from his ways of stealing money, and he changed his life. I told these complainers that sick people need a doctor, but the self-righteous do not. My whole purpose for coming to the earth as a man was for the salvation of sinners. All of you are sinners, if you want to admit it or not. I wait patiently for you to come to Me and seek My forgiveness for your sins. You have inherited a weakness to sin from Adam, but I have died for each of you. Now, you can come to Me in Confession to cleanse your sins, and renew My grace in your souls. Pray for sinners to repent because many are blinded by their sins, and they have difficulty finding their way to Me. I need My missionaries in the vineyard to evangelize the lost souls before they could be lost to the evil one forever."

Jesus said: "My people, when there are dictators killing their people or their neighbors, some people in your government start beating the war drums to try and remove such dangerous dictators. It takes a well funded military machine which is financed by your people in order to dislodge some of the tyrants causing trouble in your world. You have removed dictators in the former Yugoslavia, in Iraq, and in Libya. Even the one world people have used the Moslem Brotherhood to take over several Arab countries as Egypt and Algeria. You are seeing how the one world people are orchestrating their new world order

takeover. You have seen the European Union formed as a trading block, and even eventually you will see a North American Union between Mexico, Canada, and the U.S. The plan of the Antichrist is to bring all of these unions into one massive world government that he will rule over. I will protect My faithful in My refuges, so have faith and trust in My protection."

November 28, 2011

Wednesday, November 16, 2011: (St. Margaret of Scotland)Jesus said: "My people, as you see signs of winter coming with cold and snow, you start preparing your homes and your cars for winter weather. Even so, as you also start seeing the signs of the end times coming, I am inspiring My faithful to set up refuges for the rest of My people to come. I have told you in the Scriptures how I go to prepare a place in heaven for all of My faithful souls. Even in this world, I am also preparing a place for My faithful at My refuges all over the world. I know it is difficult to face the evil of the Antichrist, so I am enabling your angels to lead you to My nearest refuge. In the vision you see a protected refuge inside this enclosure. Have no fear because you will be made invisible at My refuges, and I will provide for your food and shelter. When you see My Warning and the events leading up to the Antichrist's coming, then call on Me and you will be led to My places of protection."

Jesus said: "My people, it is not easy for people to build a refuge and finance it. I know that people have limited funds for any refuge building. There are some people who have money and the right inspiration to build a refuge, but these are rare situations. I am preparing people to set up refuges with whatever they have available. A refuge building only needs to be functional in providing shelter, and some kitchens to feed the people. At My refuges My angels will multiply your dormitories, the food, and the supplies needed for hygiene and bedding. I will protect My faithful, but you will have faith communities where everyone will have a job to help support each other. You will have perpetual Adoration and prayer times for your spiritual support. My angels will bring you daily Communion if you do not have a Mass. Priests are going to be difficult to find for every refuge. Trust in My help during the tribulation, and do not fear the evil ones because My angels will defend you."

Jesus said: "My people, your government is trying to control its citizens through

mandatory smart cards and soon mandatory chips in the body. Already you have chips in your passports, driver's licenses, and Easy passes. These chips are not necessary for transactions, but their only true purpose is control of your people. You use these chips in government entry passes, grocery discount chips, and gasoline buying chips. You have chips in the products that you buy, and soon you will need chips in your body for your health insurance and other government programs. Food stamps and some welfare recipients are required to have finger prints, retina scans, facial recognition, or other biometric means to get money cards. The next requirement will be mandatory chips in the body that will soon be demanded of anyone getting money from the government. I have warned My people not to take any chips in the body for any reason. If and when chips in the body are required for Social Security money, welfare, or health insurance, then you will need to survive without these chips. This mandatory chip in the body is all about mind control over your free will, and when this happens, it will be a sign to leave for your refuges. Do not let the one world people control your body like a robot with chips in the body because your soul will be in danger from these evil ones. Remove all of these chips so you cannot be tracked. Call on Me to lead you to My refuges when mandatory chips in the body are forced on you."

Thursday, November 17, 2011

November 28, 2011

Thursday, November 17, 2011: (St. Elizabeth of Hungary)Jesus said: "My people, this vision is very ominous in showing a large wave of evil that will be attacking everyone by demons. You have an expression about slowly boiling a frog in water, and he does not realize the water is getting warmer until it is too late. This wave of evil will not come all at once, but evil is gradually getting more power in high places that will test your faith. Little by little the atheists in your society are removing all words of God from your people. You started with removing prayer from the schools with your church and state separation which is not in your Constitution. You removed My Ten Commandments from your public buildings as people do not want to be reminded how they are sinning. Christmas has been attacked for years to remove My Nativity Scene, and replace it with Season's Greetings, reindeer, and snowmen. Even in your churches many have stopped coming to Sunday Mass, and many do not want to hear about sin and the Church's teaching against abortion, birth control, adultery, fornication in

living together, nor homosexual sins. My laws have not changed, but it is your increasing immoral society that will start challenging your religious beliefs. In today's reading (1 Maccabees 2:15-30) Matathias did not want to have the king dictate what religion to follow. He refused to worship the king's idols and he fled to the mountains for safety and left his possessions behind. Even in today's coming tribulation of the Antichrist, My faithful will also have to leave their possessions behind in their homes so you can come to My refuges of safety. You will not have to take up weapons because My angels will defend you by making you invisible on your way to My refuges. Those, who remain in their homes, will face persecution and martyrdom in the death camps for not taking chips in the body or not following the new world order's laws. I am providing protection at My refuges. So when you see the Warning followed by famine, division in My Church, martial law, and mandatory chips in the body, then you can call on Me and I will have My angels lead you to My nearest refuge. Have no fear of this evil because My power is greater than the demons. Call on My help to guard your souls from the demons and the evil that will be growing worse. Wake up to the evil all around you, and do not let laziness allow you to lose your soul to the evil one."

Prayer Group:Jesus said: "My people, you have had a few good size earthquakes in Canada and in Maryland where earthquakes of this size are unusual. I have given you messages about the coming earthquakes on the New Madrid fault and the San Andrea fault in California. This rumbling feeling is a sign that earthquakes in these areas will start small and get larger. The HAARP machine has been used to cause previous large earthquakes, and it is being planned to cause a large incident that could trigger a martial law declaration. This would fit into the one world people's plans for taking over America. Be prepared to go to My refuges if a national martial law is declared."

Jesus said: "My people, there are many banks that have a poor loan portfolio, and some are on the brink of bankruptcy. Many loans with your government loan agencies are being supported and bailed out by the U.S. taxpayers. The general banking system has stabilized, but the housing industry is in a shambles, and it could bring down parts of your economy. Even as European countries are in danger of default, so your U.S. National Debt is increasing at a fast rate as well. If your deficits and budgets are not brought under control soon, America could face a dollar crash when these debts can no longer be supported."

Jesus said: "My people, many weather related disasters have stretched local state budgets to the bone in order to try and repair destroyed roads, bridges, and

power lines. Even your recent snowstorm put millions of people out of power in the Northeast. If these disasters continue, there will be some budget shortfalls that may not find Federal funding. If there is not more aid forthcoming, you could see local and state governments defaulting on their debts. Pray for less disasters and more funding of your needed infrastructure repairs."

Jesus said: "My people, you are seeing some serious sex scandals at some college football programs, and some discrimination attacks against some boy scout troops. Sexual misconduct with young boys has come under investigation with some football teams. It is becoming difficult to have enough oversight on an industry that tries to hide its problems. Pray that these young men will be more protected from any more scandals."

Jesus said: "My people, a new translation of the Latin Mass will soon be introduced into My Church. Some are wondering why this is being done after so many years, but others want a better translation than what you have now. It is to be seen how this change will be accepted. There is an attempt being made to add more reverence and meaning to the Mass by this change. Other countries have made some changes even before America. Pray that the faithful will find this new translation an improvement in their worship experience."

Jesus said: "My people, you soon will be starting another Advent Season in preparation for My coming at Christmas. Putting out your Nativity scenes can remind people of the real reason to celebrate My birth. You have just visited Bethlehem at the place where I was born in a cave, so you are already seeing the beauty of My Incarnation as a man. You also are aware of the novenas to the Christ child that will be said. As you make your preparations for another Christmas, remember to be closer to Me in prayer as you bring your gifts before My crib."

Jesus said: "My people, just before Advent you are seeing many readings of the end times brought before you. I have given you a mission to prepare the people for the coming end times when the Antichrist will come to power. This is not an easy message because some people are uncomfortable with the thought of leaving their homes for My refuges. There will be a major battle of good and evil that will come to a head when I will bring My victory over the evil ones. Rejoice that you are living in these times when you will be entering into My Era of Peace."

Friday, November 18, 2011

November 28, 2011

Friday, November 18, 2011:Jesus said: "My people, you remember in the Scriptures how man boasted about building a Tower of Babel that reached into the heavens. Because this was a boasting of man's building, I brought a confusion among the people with many different languages so they could not understand each other. In today's world man has built many skyscrapers and he prides himself in all the manipulations of DNA in the plants and animals. Many of these changes in nature have been an abomination to My perfection in My creation. Because of these prideful things of man, you have upset the balance of nature, and more people are having cancers and other diseases as a result. When I return, I will set My creation back to its original perfection, and My faithful will live in My Era of Peace. After I defeat the Antichrist and his demons, you will live on the earth as Adam and Eve once enjoyed life. You will rejoice to see the earth restored to its original beauty. Give glory and praise to Me for My creation because you will soon visit My perfect creation in My Era of Peace." Jesus said: "My people, you are seeing in the Gospel how zeal for My Church drove Me to putting the money changers out of My place of holy ground. There is another danger lurking in My Church that will soon lead to a division in My Church. I am speaking of the New Age threat that is coming into My Church. Those, who promote Reiki, crystal worship calling on cosmic forces of the devil, and any other worship of things and idols, should also be removed from My Church. Do not allow workshops of enigrams and various New Age practices to come into My Church. These Eastern meditations are bringing the devil into your churches. Avoid any New Age teachings, and if you cannot rid them from your church, then go to another proper church. This is the devil's way to bring division among My faithful. So be on guard to rid it from your churches, just as I drove the money changers out of the Temple. I am protecting your souls from an evil idol worship. So heed My words of warning."

November 28, 2011

Saturday, November 19, 2011:Jesus said: "My people, it is unfortunate that many Catholic universities have sold out to grants from your government. In the eyes of your government once these universities accept public money, they are no

longer considered private schools. In earlier years these universities required Theology and Philosophy as part of their mandatory courses. Now as optional studies, Theology and Philosophy are not as much in demand. These subjects gave the students a well rounded education about their God as well as their chosen course of study. It is sad because of this government money that students are neglecting this opportunity to grow in their faith. This same problem of Catholic teaching even in high schools and grammar schools is struggling to survive in many dioceses. This makes it harder for your children to learn the basics of their faith. If you cannot hand down your faith to your children, how are the future generations going to remain faithful to God. It is the responsibility of the parents to have their children educated in schools that teach about the Catholic faith. With the increasing cost of a Catholic education, it is becoming more difficult for parents to afford to educate their children in the faith. A person is fortunate to be taught sound Catholic teaching because these courses are hard to find. Pray for your children to keep close to their faith, and not wander away from Me in missing Sunday Mass."

Jesus said: "My people, you are coming to the close of the Church Year and the Gospel reading is speaking about the judging of souls. Once a person dies, their judgment is final. Those, who are living in the end days, are going to have a second chance because you will have your Warning experience first. At the time of the Warning, everyone will see his or her life review at the same time. You will have a mini-judgment of your life, and you will see where you would be judged as if you died that day. The blessing of this experience is that this judgment is not final, but it lets you know where you stand in My eyes for all of your life's actions. You will have a second chance when you are placed back into your body to change your life in doing more to love people and help them out of charity. Even the worst of sinners could change if they were headed to hell. This will be a wake-up call because you do not want to hear My judgment to hell as being a final judgment. I have told you that you would be judged on how much you loved Me and your neighbor. You need to have love in your heart for everyone without any discrimination. I have even asked you to love your enemies and everyone unconditionally. It is better to seek the higher levels of heaven than to just be satisfied with making it into purgatory. Focus your life on Me, and let Me be the Master of your life. Then you will be assured of heaven with no worry over your final judgment."

Sunday, November 20, 2011: (Christ the King)Jesus said: "My people, I share My love with you, and I pray that you would share your love with Me and all of those around you. You hold My love close to your heart as a treasure, and you want people to experience this same love experience that you have. You are eager to share your love, and some even desire to be missionaries of My Word. I call My missionaries to go out to all the nations to spread My Word of love. You are celebrating My kingship today at this Mass, and I want to be the Master of your life in directing you to heaven. See that you are always dependent on Me as you come to Me for your daily sustenance of My grace in the Bread of My Real Presence. I want you to share your faith experience with as many people as possible, even if it requires you to go out of your comfort zone to make some converts. By seeing to your neighbor's physical needs and spiritual needs, you are doing this to Me in them. Then when you come to Me in your judgment, you will have good works in your hands, and I will invite you into your reward in heaven. But those, who refuse to love Me and their neighbor, will have empty hands, and they will be sent to hell because they did not do anything for Me in their neighbor. Give praise and glory to your King who loves you so much."

November 28, 2011
Monday, November 21, 2011: (Presentation of Mary)Jesus said: "My people, in this short Gospel I remarked how the widow put all that she had to live on in the Temple treasury. The wealthy contributors gave from their excess wealth. In the Scriptures it is suggested to give ten per cent of your income as a guideline for tithing. Some, who have less income, may have more difficulty in being this generous, but people with more income can afford this out of love. Sometimes greed for money, or buying more things than you can afford, can interfere with any concern for sharing in charity. If you plan your personal budget, you can plan a fair amount of your income to support My Church and help the poor. You are having your Thanksgiving Day soon, so sharing with the less fortunate in your local food shelf would be a worthy donation. I have asked My faithful to be

loving and cheerful in your giving. I have asked you to share your money and your time with your neighbor, but your sharing should be in the spirit of loving your neighbor. As you share with others, you will be storing up a more beautiful treasure in heaven, which is worth more than your material wealth. I love everyone, and I want My faithful to love Me and their neighbor."
Jesus said: "My people, you see in the vision how I had difficulty in carrying My cross along the Via Dolorosa to Calvary. I am asking My faithful every day to pick up their own cross in imitation of Me. It is not easy to put up with all of life's stresses to make a living for your family, but I will give you the grace to succeed. Offer up all that you will endure for the day for all of your family members, especially for those that are away from the faith. It is your prayers and offerings that could save their souls. Thanksgiving is coming, and many families come together to celebrate this feast. Truly you should be thankful for all that I have given you. You may even want to make a donation to your local food shelf so they can feed the hungry while you are having a big meal. I am thankful also for all the work of My missionaries who are constantly working to convert souls. Enjoy your feast with the love that you have for your family. Remember to say some extra prayers of thanksgiving at your turkey meal."

November 28, 2011
Tuesday, November 22, 2011: (St. Cecilia)Jesus said: "My people, My disciples were looking for signs and dates of the end times, very much like the people of today. As you have read in the Scriptures, only the Father knows the last day of the world. I have warned you that you would have My Warning experience first before the major events that would lead up to the Antichrist's coming. You will have to endure the tribulation of less than 3 Â½ years before I will defeat him and bring about My Era of Peace. You are seeing wars and financial problems all over the world as signs leading up to the coming events. Do not be fearful and do not focus only on what is coming, because you must move on with your own mission until these things happen. It is not important to know the date of the Warning. My people will be protected at My refuges during the tribulation. I have asked you to have a year's supply of food and water on hand for the coming created famine. This is because you may require chips to buy your food and the food may be in short supply. This will be needed before you leave for My

refuges. I also have asked you to be prepared with backpacks, tents, sleeping blankets, and things you would need for a picnic. Also, you will need sacramentals, a blessed candle, and a deer knife. Have these things ready to leave shortly for My refuges when it is time for martial law and mandatory chips in the body. Have your soul ready also with frequent Confession. There are evil times of persecution coming, but My angels will be protecting you with an invisible shield on your way to My refuges. These are the preparations that I have given you so you can be a wise virgin with oil in your lamps, instead of the foolish virgins who have not made any preparations."
Jesus said: "My people, just as you see the end of the leaves falling from the trees, you know winter is near. So when you see the signs of the end times, you know My coming is near. As you see increasing disasters, severe earthquakes, and famine spreading, these are the end time signs in the Bible. When you see the Antichrist about to come into power, this is another sign of My coming in victory over him. As the tribulation approaches, be prepared in your soul with frequent Confession. Be ready also to leave for My refuges when I warn you that it is time to go. When you see martial law and mandatory chips in the body, you know these are the signs to leave your homes for My refuges. Have your backpacks ready so you have some food and clothing on the way to My refuges. You will have to leave in haste just as the Israelites had to follow Moses into the desert in the Exodus. You will be leaving in a modern day Exodus, but My angels will protect you by making you invisible to those who want to kill you. Be faithful and keep watching for the moment when I will deliver you from the Antichrist."

December 9, 2011
Wednesday, November 23, 2011: (St. Clement I)Jesus said: "My people, this first reading from Daniel could be interpreted as a sign for America because you have the same symptoms of a collapsing nation from your immoral actions. The king

did not give praise to Me in Babylon, and he abused the vessels of the Temple in using it for his own meal. In America you are facing punishments in many disasters because of your grievous sins of abortion. Some have turned their backs on Me as the lukewarm, who do not come to Sunday Mass. You have replaced worshiping Me with your idols of sports, fame, and your material possessions. Read the writing of your own failings on the wall of your own homes. Those, who change their lives to follow Me, can find their reward in heaven. Those, who refuse to honor and worship Me, will be the souls who will be wailing and gnashing their teeth in the fires of hell. Be prepared for the coming judgment by keeping a pure soul with frequent Confession."
Jesus said: "My people, this ship in the vision is traveling in the darkness without lights or proper navigation, and it is sailing as a blind person without direction. America is like this ship because it has lost its focus on Me, and you are having trouble finding your way with your gridlock in Congress. Since both parties are not compromising on taxes or entitlements, you are in a state of inaction when it comes to controlling your deficits. As much as you would like to give money to fit everyone's needs, there is not enough revenue to pay for such a runaway expense. Cuts are needed in some areas, but increasing taxes too much will only postpone decisions on cutting expensive entitlements. The bigger blindness is in your country's attempts to remove Me out of your lives. Not only are you not coming to Sunday Mass, but your sexual sins and abortions are crying out for My justice. You have seen in the Scriptures how nations, who have ignored Me, have had disasters or they were conquered by their neighbors. America needs to find its physical and spiritual way before your country collapses under the weight of its own sins."

December 9, 2011
Thursday, November 24, 2011: (Thanksgiving Day)Jesus said: "My people, in the Gospel you saw only the Samaritan return to Me to give thanks for being healed of his leprosy. I then asked where are the other nine lepers who were healed? At times you take many of your blessings for granted, but you need to be like this Samaritan and come to Me to give thanks for all that you have. First, be thankful that I died for all of mankind so you can have the opportunity to come to heaven. Thank Me for giving you all of your children, relatives, and friends.

Thank Me also for your jobs and your possessions. You are dependent on Me for everything, even for the air you breathe and the light from the sun. I care for all of My people, and I provide all that you need. The best way that you can thank Me is in loving Me and your neighbor. You have been blessed with many things, and you need to share your money, time, and faith with all of your neighbors in need. By thanking Me for all these gifts, then you will be like the cured Samaritan who thanked Me."

December 9, 2011
Friday, November 25, 2011: (St. Catherine of Alexandria)Jesus said: "My people, this large rainfall in the vision that caused a flood, is a sign as in Noah's time when the Son of Man will return. You are seeing the evil as bad as in Noah's time when My justice will fall upon the earth. You will be seeing continuous disasters, and the financial money systems will be failing all over the world, as the debts of each nation will bring them into default. There is a plan by the one world people to destroy all of your governments so they can start a new currency in your North American Union called the amero. Unions will be formed on every continent, and all of these unions will be given over to the Antichrist as a savior for your economic crash. The Antichrist will quickly become a tyrant for the 3 Â½ years of the tribulation. When this crash of currencies, martial law, and mandatory chips in the body occurs, My faithful will need to go to My refuges for protection. Once this time of tribulation is finished, I will bring My Comet of Chastisement on the evil ones in the three days of darkness, and they will be cast into hell. My faithful will be protected from the comet, and they will be brought into My Era of Peace after I renew the earth. Rejoice when all the evil ones will be defeated, and I will reward My faithful in the new heavens and new earth."

December 9, 2011
Saturday, November 26, 2011:Jesus said: "My people, I have shown you a major earthquake before when San Francisco will fall into the ocean. The destruction

of this modern day Sodom and Gomorrah city will be a direct intervention of My justice because of the abominable sins of homosexual acts. I am showing you this destruction in vivid detail starting with the destruction of the Golden Gate bridge when you saw the cable spans up close in the vision. I have warned people to leave this city because of the coming destruction. Many do not want to leave their homes, but it is their decision to risk staying there. You are doing Masses for the souls who could face a sudden judgment that they are not expecting. Continue to pray for those who will die suddenly, especially those who are living in mortal sin. You have had this message many times, which is an indication that it truly will happen. Even other people are receiving the same message that this event is imminent. My Blessed Mother has held back My hand, but the continuing sins there are demanding that My justice be carried out, and soon."
Jesus said: "My people, your troops are on schedule to leave Iraq and Afghanistan shortly. Some troops will be brought home, but the one world people are already instigating the next war. These people, who control your government, are always planning how to make wars so they have a place to use and sell their weapons. Without ongoing unnecessary wars, these people could not make money on arms sales. So you can be sure to be involved in another war very soon. They usually choose countries with oil or a drug trade to make more money. These wars are rarely paid by your Defense Budget, but they usually are paid as it happens, and are added to the National Debt. It is rarely determined that you cannot afford these wars which are bringing you into bankruptcy. The one world people so control your President and Congress that it is almost impossible to stop these frivolous wars that do not threaten America. Pray that you could vote in more responsible representatives that will stop these wars."

Sunday, November 27, 2011

December 9, 2011
Sunday, November 27, 2011: (First Sunday of Advent)Jesus said: "My people, in the first reading the Scriptures speak of how many people are searching for worldly treasures and comforts. They do not stop to think about who created them or who created the world they live in. It is when you search for awhile, and you cannot find any peace, that your soul starts searching to find Me. I am the only One who can bring peace to your soul with the grace of My sacraments. By

coming to Me in the confession of your sins, and receiving Me in Holy Communion, then you can find peace and rest in your soul. In days of old the people were waiting for their Savior. Advent is a time of waiting for Me to come at Christmas. But even today you are waiting for My return in victory over the evil ones. This is why the theme of this first Sunday of Advent is all about being watchful for My coming. Both this Sunday and the last Sunday of the Church Year are focused on My final return, so be patient and watch."
Jesus said: "My people, in older days the Romans made very good roads that lasted for many years. The stones on the side kept you on the road without any detours. This narrow road is what I want My faithful to focus on in imitating My life. I am the Way and the Life for My faithful to follow, and you will be rewarded for obeying My laws and staying on the straight and narrow path. I keep telling My disciples to enter through the narrow gate, and avoid taking the broad road to hell which seems easier. This is a trap of the devil to try and lure you with wealth and worldly comforts. To come to heaven you must pick up your cross and suffer with Me on My cross. Sinners always take the easy way out of problems, but My faithful must follow Me through thick and thin, and many times outside of their comfort zone. By following your mission, you will gain your reward when I allow you into heaven."

Monday, November 28, 2011

December 9, 2011
Monday, November 28, 2011:Jesus said: "My people, when I came to the earth as a Redeemer, the people did not recognize Me as the Messiah because I did not come as a conquering hero. I came as an innocent baby of poor parents, and My words turned the world upside down because many did not want to hear My words of love. My words of love seek an unconditional love which means even a love for your enemies. For I desire mercy instead of sacrifice, and forgiveness instead of holding grudges. It is not easy for mankind to follow My ways because they are different from man's ways of worldly desires. I call all of you to be perfect as My heavenly Father is perfect. Only very few saints have struggled to live this way, so I have given you My sacrament of Reconciliation when you fall into sin. You can seek My forgiveness any time that you can find a priest, so you should be able to keep your soul pure for your judgment. Strive to follow My ways, and you will find your reward in heaven."

Jesus said: "My people, your flu season starts about now until March. The flu virus remains dormant in the cold weather until it comes alive in a warm host. During the summer, most flu viruses die off from the heat before they can infect people. This is why chemtrails laden with flu viruses can cause flu outbreaks to occur. I have warned My faithful to take Hawthorn, vitamins, and herbs in order to build up their immune systems to fight off the germs from the chemtrails. Many people have tried to push people into taking flu shots every year. I also have warned My faithful to avoid taking flu shots because of the side effects, and the long term destruction of their immune systems. Some of the preservatives and other components can cause an increased chance of Alzheimer's disease. When the time comes to leave for My refuges, My faithful will be healed of all of their illnesses by looking on My luminous cross in the sky. My healing will be much better than any of your government Health Plans could ever achieve. Trust in Me to protect you from all the man-made diseases that are killing your people."

Tuesday, November 29, 2011

December 9, 2011
Tuesday, November 29, 2011:Jesus said: "My people, you have seen rivers flowing endlessly, even as the flow of My mercies and My graces is endless. I am always ready to help My faithful in all of their needs. Just as Isaiah foretold what it would be like in the coming Era of Peace, so I also promised My people salvation and a place in heaven for those who are worthy. The people of My day were promised a Redeemer, and they would see My day. But they did not want to believe that I was the Son of God. As you are preparing to celebrate My birth on Christmas, you need to prepare your hearts and bring your gifts to My crib. These gifts could be spiritual prayers, or good works that you do for your neighbor. You have been fortunate to have Me in My Eucharist and My Word of Scripture, but the people of My day had yet to be freed from their sins. Rejoice in the gifts of My graces and mercies that I bestow on you today."
Jesus said: "My people, you are familiar with this microwave weapon called the 'HAARP machine' that is being used by your government to cause weather disasters and massive earthquakes all over the world. All of your major media have not talked about the HAARP machine or the chemtrails in the sky because they are black operations run by your government in secret. The next earthquake

targets are the New Madrid fault and the San Andrea's fault in California. If these earthquakes reach 8.0 or 9.0, there could be catastrophic damage on both faults that could cause a martial law to be declared. The one world people are using this weapon to engineer their new world order that would place the Antichrist into power. Your economy is barely keeping out of recession. A large earthquake or a major financial crisis could send you into a major recession that could precipitate a bankruptcy and the crash of the dollar. Beware of some large events that could be reason to go to My refuges for safety both for your soul and your body."

Wednesday, November 30, 2011

December 9, 2011
Wednesday, November 30, 2011: (St. Andrew)Jesus said: "My people, you are looking at this strong tree in the vision as a sign of how strong in faith I want My faithful to be in standing up for what you believe. In your society there are some people who look down on you for going against what is considered to be the politically correct position. This vision is usually a worldly vision that is in favor of abortion and taking God out of your life. This is where My faithful need to witness to My Gospel in protecting life, and telling people how they are dependent on Me for everything. It is not easy to proclaim My Gospel of love when the atheists are trying to remove prayer, My Ten Commandments, and the Nativity Scene for Christmas. Be like this strong tree and stand up for your faith in Me, and even evangelize souls to be saved from hell."
Jesus said: "My people, some scientists find it interesting why you see various colors in the blue sky, the blue water, and rainbows through the rain. The rain acts as a prism that allows the various colors of light to be displayed as red, orange, yellow, green, blue, indigo, and violet. The blue sky results from sunlight hitting the various molecules of oxygen and nitrogen in the atmosphere. Your eyes are marvels of My creation that only see the visible spectrum of light. The colored pigment in things reflect a certain wavelength from light that allows your eyes to determine various colors. Understanding the intricacies of My creation can involve a deep knowledge of how beautiful My creation is, and how it all works in harmony if man does not disturb it. I have created things perfectly with a proper balance of nature. It is man in his ignorance and pride that thinks he can improve on My perfection. This is why your manipulation of My plants

and animals has rebelled against My natural balance. You look at individual characteristics, but I create with a view to the big picture of interactions with everything. Admire the beauty of My creation, but do not try to change it into something more than it was meant to be."

Thursday, December 1, 2011

December 9, 2011
Thursday, December 1, 2011:Jesus said: "My people, one of the requirements for My refuges is that they have an independent source of water on the land. Some refuges have ponds or rivers, but those, who do not, will need to drill a hole for a water well. This well will need to have a mechanical means of pumping water since you may not have access to electricity. All of My refuge sources of water will be miraculously pure, and will not run dry because I know how much you need pure water to survive. Even if My refuges do not have a well, I will supply miraculous springs as in Lourdes, France. I told you that I would provide water, food, and shelter at My protected refuges. Give praise and thanks to Me because My angels will provide a shield of invisibility so the evil ones will not be able to detect your presence. You will need to get used to not having any chipped devices for communication at My refuges. Avoid taking any chips in your body that could control your free will."
Prayer Group:Jesus said: "My people, I gave you a message that the people behind your government are planning another war for America to enter. You also have seen some reports of carrier groups moving close to Syria. Many of your attacks have come by surprise at night, and they have been focused on regime changes of various long time dictators. The Moslem Brotherhood has been used to take over various countries. Syria, Iran, and even Saudi Arabia have been difficult to get uprisings going in these nations. The one world people want to use these uprisings to cause a rise in the oil prices. Pray for peace that America is not dragged into more wars."
Jesus said: "My people, you are seeing dangerous legislation in the Senate that will give the Executive Branch the power to use your military to gather up people who are opposed to government policies. I have warned you about how the one world people want to exterminate 25 million Christians and patriots in order to implement the North American Union. By forcing people to take mandatory chips in the body and mandatory flu shots, they will have a reason to

capture your own citizens and kill them in their death camps. This law will allow this capture under any pretense. Be ready to leave for My refuges when these events occur."
Jesus said: "My people, in your government's Health Bill there was a mandate of chips in the body to have your insurance and a health card. This was covered over by the media, but it will soon be implemented. Once chips are made mandatory in the body for any reason, it will be time to come to My refuges. Do not take any chips in the body because voices could control your free will and your soul. The one world people want total control over you as robots, and this trumped up Health Plan is their means to force these chips on you. Be watchful of this Health Plan so you are ready to leave for My refuges."
Jesus said: "My people, many European countries are teetering on collapse because of their failing social welfare societies. These countries are going to fail no matter how much money America is forced to back them up through the International Monetary Fund (IMF) which is supported 70% by America. This weakening of the dollar by placing more dollars into circulation is the same disaster as your 'quantitative easing' which just added more money to your National Debt. Be prepared to go to My refuges when Europe falls and America right after Europe. This is all part of a plan to set a new world order in power with the Antichrist leading the world for a brief time. Trust in My help during this coming tribulation."
Jesus said: "My people, those, who are setting up My refuges, need to be prepared to have fuel and burners ready to keep warm, especially in the Northern states. I will multiply your fuel when it is needed, but you should have some initial fuels to multiply. Wood, kerosene, oil, and gas may be sources to keep you warm. My faithful need such fuel prepared because you could see power outages from snow and ice storms. By having extra water, food, and fuel on hand, you can be ready when these things will be in short supply."
Jesus said: "My people, the words of the new Mass translation give a deeper meaning and reverence to the Mass. It is not easy to remember the new words at first, but it will not take long to remember them since there are only a few changes. It is good to have a little change back to the old words so people are more conscious of what they are saying. Those, who come to daily Mass, will pick up these new changes much quicker because it is being reinforced every day."
Jesus said: "My people, part of the reason, that you have become involved in so many wars, is because you are so dependent on other countries for oil. By

providing more fuels from your own country, you can reduce this dependence on outside fuels. The big factor is how to safely go about drilling without creating bad environments for your people. There are definite concerns with your new gas drilling that need laws to protect your civilians from poisons. By working and praying for a good outcome, you can have more jobs and more American fuel."

December 9, 2011
Friday, December 2, 2011:Jesus said: "My people, in today's Gospel I asked the blind men if they had faith that I could heal them. When they acknowledged their true belief, then I was able to heal them. I do not force My gifts of healing on people. In their hearts people truly need to believe that I can heal them, and they can be healed. You believe that I was incarnated as a God-man when I was born into this world. So you should also believe in My Real Presence when you receive Me in Holy Communion. When you have faith in My healing abilities, you will receive both physical and spiritual healing."
Jesus said: "My people, this idea of seeing a glass window in the vision is referring to how spiritually your eyes are the window to your soul. You can tell a lot about a person by looking into their eyes. If someone's eyes are always moving, that person may be agitated in some way. Some people do not want to look at you eye to eye because they are shy or uncomfortable looking into other people's eyes. Others have a joyful appearance and give a radiant look of full faith in Me. You have a sense sometimes if you are looking into evil eyes or the eyes of a faithful person. You can pray for evil looking people, but it will be easier for a faithful person to be in the company of another faithful person. I look into the souls of many people, and unfortunately there are more people in deep sin than there are people with pure souls. A soul who prays and is close to Me every day, is much easier to look at than a soul with mortal sin. Keep a pleasing soul to look at by striving to keep a pure soul with frequent Confession."

Saturday, December 3, 2011

December 9, 2011

Saturday, December 3, 2011: (St. Francis Xavier)Jesus said: "My people, many of you in your country feel unclean unless you have a shower or bath each day. You are even washing your hands many times a day to keep from getting colds or the flu. You are so concerned about washing the outside of your body every day, but how often do you think about cleansing the inside soul. There are many clean people walking around with mortal sins on their souls. I even criticized the Pharisees for all of their scrupulous washing of pots and kettles as well as the purifying of hands. I told them that My Father who made the outside of their bodies, also made the inside soul as well. So focus more on keeping your souls clean on the inside than just cleaning the outside of your body. By going to frequent Confession, then you can be clean both inside and outside of your bodies."
Jesus said: "My people, during Advent there is a need for the Christmas spirit in sharing with the needs of others by giving what you have of money, time, and talent. You just had Thanksgiving week awhile ago, and sharing what you have is the best way to give Me thanks. You can show this by giving donations of money or food to the poor. You can do a good deed for someone in the Christmas spirit. You share gifts with your friends and relatives, but you may receive something back from them in return. When you share with the poor, it is coming from your heart because you are not expecting anything in return but a thank you. Every time you pray for someone or help them freely, you are storing up spiritual treasure in heaven. Even when you give donations, you should do so lovingly, and not just for a tax deduction. By showing love in giving to the poor, you are showing your love to Me."

Sunday, December 4, 2011

December 9, 2011
Sunday, December 4, 2011:Jesus said: "My people, when you are putting up your Christmas decorations, some people put up the Nativity scene, but they leave the creche empty until Christmas. This is part of your preparation for My coming. Even today in the Gospel reading you are seeing St. John the Baptist preparing the way for Me when he asked the people to repent of their sins and be baptized. Another one of your own preparations could be to come to Me in Confession so you can repent of your sins and have a pure soul for Me at Christmas. Every time that you receive Me in Holy Communion, you can

prepare for My coming with Confession and a good Act of Contrition. You should only receive Me in Holy Communion with a pure soul and not in mortal sin to avoid committing a sin of sacrilege. Rejoice in My coming always."
Jesus said: "My people, you have heard the preparation for My coming ministry from St. John the Baptist in today's Gospel. My Blessed Mother is also central to My coming at Christmas as her Immaculate Conception is celebrated later this week. Her Annunciation was celebrated on March 25th which is the most significant because her pregnancy ends on the celebration of My birth on December 25th. My Blessed Mother gave her fiat acceptance to the Angel Gabriel in being My mother. Give thanks to her for accepting this honor even though she had to suffer this pregnancy by the Holy Spirit before she was married. My Blessed Mother is everyone's mother as I gave her to you at the foot of My cross. Rejoice in having her as a major part of your Christmas celebration. This is why your Nativity scene is a tribute to Me and My Blessed Mother."

Monday, December 5, 2011

December 9, 2011
Monday, December 5, 2011:Jesus said: "My people, the Scribes and Pharisees were more concerned about My forgiving sins than they were about My miracles of physical healing. I even questioned them if it was easier to say 'Thy sins are forgiven.' or 'Arise and walk.' But so that they knew the Son of Man could forgive sins, I ordered the man to pick up his pallet and go home. In many accounts of My healing of people, I healed their souls of sin as well as their bodies. In this way I healed the whole person, body and soul. So in this case I forgave the man's sins, and I healed his inability to get up and walk. The people were all astounded, and they gave glory to God. Even today, those, who pray for healings, can be healed by faith in My healing ability. Some gifted souls among you also have been given the gift of healing people. Rejoice and give thanks to God for all those who are healed before you."
Jesus said: "My people, I have asked the people at My refuges to store some food for the people that would be coming. My refuges will not have electricity unless some have solar power. This means you will need to be able to store food without a refrigerator. In the vision you are seeing My people digging out a root cellar in the ground which needs support to keep the ground from falling in. Storing food in caves or in the ground can keep it at 50 degrees F or lower.

When you are storing your crops or cut up deer meat, you will need to store what you are not eating for later. Everyone will have a job to do in cutting up meat, growing and canning crops, and mending clothes. All the people will use their skills and trades for the survival of their community. My angels will protect My refuges from any evil people. Rejoice that you will be protected throughout the tribulation, but your living conditions will be much more rustic than what you are used to now."

Tuesday, December 6, 2011

December 9, 2011
Tuesday, December 6, 2011: (St. Nicholas)Jesus said: "My people, you have heard many stories about St. Nicholas in helping people. Your modern day Santa Claus is a version of this original story. The thought of sharing gifts with the young children has come down through many generations. Even though the children later learn of Santa's helpers, they welcome any gifts at any age. Gift giving at Christmas is always a nice celebration for My birthday, but some people focus too much on the shopping. It should all be done in a generous spirit in moderation without excesses. You should remember to focus on My coming at Bethlehem as the main event, and not just the gift giving. Even sharing gifts with the poor would please Me more. As you come to My crib at Christmas, bring Me your prayers, works, and worship as well. Rejoice in this celebration of My infancy with your novena prayers."
Jesus said: "My people, many times I come knocking on the door to your soul and your heart. You are the only ones who can unlock this door from the inside. By letting Me in the door, you can invite Me to be the Master of your lives. It is hard for man to give up complete control of your life over to Me. You want to control a part of your life that seeks the material things in your life. You want to control your personal budget with some gifting of charity, but you do not want to give everything away. A vow of poverty is very difficult, and I do not ask this of everyone. If you want Me to be your Master, then you should consult with Me in every major decision that you make. When I question the motive for your actions, then you can think more if your decisions conform with My ways. At times you desire more things than you really need, and you could live a more simpler life if you chose to do so. Instead of trying to satisfy your every earthly desire, try to restrain yourself to only those things that are really needed. By

restraining your desires, you will be in more control of your life with Me leading you, and confirming your right decisions."

Wednesday, December 7, 2011: (St. Ambrose)Jesus said: "My people, in the vision you see demons attacking My Church in large numbers. There is going to be an increasing power of demonic forces working inside My Church to cause a division. I will always protect My faithful remnant from the gates of hell, but you will see the New Age movement come into the schismatic church. This schismatic church will split off from My faithful remnant, and the demons will control this church. It will teach New Age philosophies and theology of worshiping things and not God. It will teach that the sexual sins are no longer mortal sins. Avoid any churches that teach New Age, or have any idols or statues of New Age gods. This division in My Church will grow more apparent with time. This is why you want to have blessed sacramentals as rosaries, scapulars, and Benedictine crosses on your body to protect yourself from these demons at all times. When you give talks or you are on missions, carry blessed salt or holy water with you to fight these demons who want to stop your work. I am with you always so call on Me and My angels to protect you."

Jesus said: "My people, you have seen many ads for selling gold or buying gold jewelry. As your National Debt keeps rising at a rapid rate, many people are concerned that the dollar will crash with any default or bankruptcy. This is why people are trying to protect the value of their assets by buying precious metals as gold and silver. For many years gold and silver have been the medium of exchange because of their inherent value. As more dollars are printed and more credit in bonds is created out of thin air, the value of the dollar has dropped dramatically. I have asked people to put some money into a year's supply of food which will be more valuable than gold during the coming famine. Putting your trust in My help at My refuges is a lot more dependable than putting your trust in gold. Giving donations to the poor will store up more valuable treasure in heaven. By focusing more on My plan for your life, you will have a great reward in heaven which is more valuable than accumulating piles of gold on earth."

December 22, 2011

Thursday, December 8, 2011:(Memorial Mass for Jack Shea)Jesus said: "My people, Jack told you at the wake that he only needed a few Masses to get into heaven. You all know how joyful and faithful Jack was in his prayer life, and in inviting people to pray the rosary in his backyard. You were there many years, as were many of your spiritual friends. Jack was happy and thankful for all the people that came to the funeral and this memorial Mass. Many people will miss his joyful smile and warm words. He will be praying for all of you and especially his family."

(Immaculate Conception) Jesus said: "My people, you know that I prepared My Blessed Mother for many years before she was born. It was fitting that she should be born without original sin, and by her acceptance of My Will, she did not sin during her life as well. Only a sinless virgin would be the proper place for Me to be housed for nine months. In heaven everything is pure and sinless. So everything in My Presence should be sinless as well. This is why you need to have frequent Confession so you can have pure souls to receive Me in Holy Communion. When My Blessed Mother gave her fiat 'yes' to the angel Gabriel, history was changed as your Savior came into this world by the power of the Holy Spirit. This was the beginning of My walk to Calvary where I died for all the sins of mankind. Salvation has come to everyone with My victory over sin and death. Be grateful for this ultimate sacrifice of My life so you can be saved and allowed into heaven. Be grateful also to My Blessed Mother for accepting My invitation to be My mother out of love for Me."

Prayer Group:Jesus said: "My people, in years gone by My prophets had more difficulty in writing down what they were given through the Holy Spirit. Even though there are no more additions to the Bible, I send prophets to prepare for My coming again, even as prophets foretold My being born in Bethlehem. Your writing implements have changed and the typed word has been made much easier. Be grateful for all the messages of My prophets both in older years, and even now."

Jesus said: "My people, as you pass through Advent, you will see one of the readings of St. Joseph's genealogy from the house of David. This was emphasized when St. Joseph and My Blessed Mother had to travel to Bethlehem for the census. You can see accounts in Matthew and Luke that go back to Abraham and even to Adam. You have a new Adam in Me, but without any sin.

This is My plan of salvation, and you can see in the Bible how it was carried out through the years."
Jesus said: "My people, thanks to your recent trip to Bethlehem, you have a better grasp of where I was born, and you are blessed for this coming Christmas celebration. It is a testimony to My protection of My Church that the Catholic Church is still viable after over 2,000 years. This again shows the plan that I have had for My faithful remnant. I have asked if there will be any faithful when I return, but I know My faithful remnant will remain true to My Word. Trust in My protection even during the coming tribulation."
Jesus said: "My people, you have been fortunate even today, to still have My sacraments available to you through My priests. This is why it is so important to encourage priestly vocations so My people can keep receiving the graces of My sacraments. The demons are doing everything to attack My priests, so pray for them and encourage them in their ministry. The priests and My sacraments are the life blood of your spiritual lives."
Jesus said: "My people, when you focus on My Heart, you see how My love burns for all of you, since I desire to bring as many souls as possible to heaven with Me. When you work to do everything out of love for Me, you are happy to carry out the mission that I have given you. I am all loving, and the more you can show your love for Me and your neighbor, the more prepared you will be to come to heaven. This is how you will be judged, by the extent of your love that you carried out through your whole life. You are not judged on one event, but on your life's goals and how well you obeyed My laws."
Jesus said: "My people, I have given you parables in explaining how your faith should be built on rock to withstand life's trials. Those, who build their faith on sand, will not last against the storms of life. This is why it is so important to provide yourselves and your children with a solid foundation in your faith by having daily prayer and good teaching. If you do not focus on such a need, then you will see why the lukewarm and your children will fall away from their faith."
Jesus said: "My people, this image of the potter is how I mold My people and fashion them out of the dust of clay. I form you in the womb of your mother as I give each of you a unique set of talents that is different from any other person. This is why abortion is so evil because it denies My plan for humanity. Your bodies are mortal, and because of Adam's sin, you all must die one day. This dust that you were made from, will return to dust when you die. So while you still have time in this life, make a point to strive to save as many souls as you can.

Once your body is separated from your soul, your mission on earth is over. Think of doing everything for Me, and you will be storing up treasure in heaven for your day of judgment."

December 22, 2011

Friday, December 9, 2011:Jesus said: "My people, there are times when people are not happy with the environment that they are living in. Some people may not have a financial condition that would allow them to move some place else. In many cases you are forced to accept your situation and make the best of what you have. Even though you complain of your surroundings, maybe you could do some little things to improve the appearance of your own dwelling. Accepting your place in life may take some humility when your options are limited. In the Gospel I was pointing out to the people how they made judgments about people when they did not know the whole story. This is why My people should leave judgments up to Me only, and pray for people who may be troubled from outward appearances. You all are sinners and you know your own shortcomings. So do not be critical of others, but do what you can to help them where possible. Focus more on the good of people rather than thinking about their imperfections. You should strive to love everyone, even those people who may be hard to live with."

Jesus said: "My people, you have read how the obesity levels are getting higher among people, as well as a higher number of people with diabetes. Even the children are seeing higher levels of obesity. Part of the reason is because of your Western diet of fast foods and many high carbohydrate foods. Add to this the lack of a proper diet and little exercise, and you can see why people are having weight problems. Those, who are overweight, could help their health by eating a better diet and avoiding so many sweets and junk food. Work on a sound, balanced, nutritional diet, and you could lose some of your excess weight. This same training should be given to your children as well. Eating the wrong foods can harm your body, and you should not abuse your body by overeating and putting on too much weight. I am not criticizing your appearance, but you should pay attention to taking proper care of your body for good health. Keeping a healthy, pure soul by frequent Confession could help purify the whole person, both body and soul."

December 22, 2011

Saturday, December 10, 2011:Jesus said: "My people, in today's Gospel I talked about how St. John the Baptist led the way to follow Me. He called for repentance, and he baptized people who wanted to change their lives. This is why in the vision you see a path of water in a rut that is directed to Me. I also mentioned how the spirit of Elijah was with St. John in leading him. Many prophets in the Old Testament pointed to Me as the coming Redeemer. Now in this Advent Season leading up to My celebration of Christmas, you can rejoice that I came as a man to save everyone from each person's sins. This is a joyful time before the feast of My birth so you can share your love with Me and your neighbor. Families come together to share a meal and gifts as well. For family members who live far away from each other, it is a welcome home coming to see everyone again. Just as St. John the Baptist kept his focus on Me, remember to keep your focus on My birth as the true reason to celebrate Christmas."

Jesus said: "My people, gambling can turn into an expensive addiction that could drain a family's means for survival. I have told you how demons are attached to these addictions, and that is why they are difficult to break. Because gambling addictions can be so harmful, it is an atrocity that your governments promote gambling at off track betting parlors and casinos. This is so they can get income from the taxes. These people in government do not realize the harm gambling can do to people because they are only interested in the income. The desire of greed for what appears to be easy money hides the fact that the odds for winning are always designed for the house to win. It is the excesses of bad habits that can lead to addictions as gambling or drinking. I have warned you in past messages not to allow anything to control you so you can have Me to lead you. If you keep holy in prayer, then these demons of addiction cannot get a hold on you."

December 22, 2011

Sunday, December 11, 2011: (Gaudete Sunday)Jesus said: "My people, today is a joy filled Sunday in Advent with the rose colored vestments. My people should

always be joyful because you have Me with you at all times. Some people may let the trials of life get them down at times, but My faithful should have no worries with My help. So do not worry about what you are to eat, wear, or where you are to stay. You see in the vision how I dress the lilies of the field in majestic colors. If I can do this for the flowers of the field that will fade away tomorrow, imagine how I will help you in your needs when you are worth more than a flock of sparrows. Be confident in My taking care of you, and have faith that I am watching over you. Most Americans have the things that they need to survive. You may desire more than you have at times, but you are rich compared to other countries. Be satisfied with your place in life, and try to live a simpler life, and you will be less disappointed."

December 22, 2011

Monday, December 12, 2011: (Our Lady of Guadalupe)Mary said: "My dear children, you are especially blessed to have this unusual miracle of my image that was given as proof to the bishop in an area around Mexico City. As your priest mentioned, many souls were saved by this miracle. It is a picture very much like the reading in Revelation where the woman was dressed in the sun. I was shown as an Indian woman, and pregnant with my Son, Jesus. There were stars on my dress and a half moon under my feet. I am the patroness of North America, and I place my mantle of my protection over my children. Every time you see me or hear me, I bring you to my Son, Jesus. When you pray your rosaries, I bring your offerings and requests to Jesus. Be grateful that Jesus and I love you so much that we watch over you, and have the angels help you."

Jesus said: "My people, the miracle of this image of My Blessed Mother as Our Lady of Guadalupe was a sign to the Indian peoples to stop their human sacrifices to pagan gods. Because My Blessed Mother was pregnant in this image, she has become a patroness for the unborn. In today's world you are still offering up human sacrifices as abortions to your gods of pride and convenience. Some women think the rights to their body are being violated, but the unborn child is not a part of the mother, but a new individual person. Some women have abortions because they are not married, or they feel that they cannot afford another child. Each child from conception has a unique mission that no other person can accomplish. It is murder for killing every unborn baby, and this is a

mortal sin against My Fifth Commandment. Every baby that is aborted is a violation of the plan that I had for that life. So pray for abortions to stop and that mothers will decide to have their children, even if adoption is necessary."

Tuesday, December 13, 2011

December 22, 2011

Tuesday, December 13, 2011: (St. Lucy)Jesus said: "My people, the story of St. Lucy having her eyes gouged out is a dramatic scene of how violent the persecution was in the time of the Romans. Many Christians were martyred for their faith during these early years. Unfortunately, the time of the coming tribulation will see even more violence to Christians and patriots. Already the one world people have established hundreds of death camp prisons all across your country. They have gas chambers and crematoriums ready to dispose of millions of people who will not go along with the new world order. Refuse to take any chips in the body or any flu shots, as you will be warned when to come to My refuges of protection from these killers. I will be fighting on the side of My faithful with My angels against the demons. You know in the end that I will defeat the Antichrist, Satan, and all the demons and evil people when they are cast into hell. Once you see the evil ones come to power, you know My victory is not far off. So have faith and trust in My protection."

Jesus said: "My people, you know how your young children loved to open their Christmas gifts. Now you watch your grandchildren open their gifts as well. Many people spend a fair amount of money on Christmas gifts to make the children happy. Even as you give gifts to your relatives, you could also help the poor children and their families with donations to your local food shelf. As some families have what they need, other families are suffering from unemployment problems or other financial problems. You may receive gifts back from your relatives, but donations to the poor will store up treasure in heaven. So when you want to share with Me, you could do some good works or donations for the poor. These people appreciate any help that you could give them. Pray for the poor as well that they may find the financial and spiritual help that they need."

December 22, 2011

Wednesday, December 14, 2011: (St. John of the Cross)Jesus said: "My people, there are two main choices in this life. You are either with Me or against Me. Those, who are with Me, know that they are asked to pick up their cross and suffer with Me as they carry it through life. My faithful also know enough to choose the difficult narrow road which means you are called to follow My ways and not the ways of the world. Those, who are against Me, do not love Me or they do not even acknowledge Me as their Creator. They love worldly things and make them into idols of worship as money, possession, and fame. These people are seeking the broad road to hell and desire their own way or the ways of the world. In order to come to heaven you need to seek the forgiveness of your sins, and work to make Me the center of your life. Only completely purified souls are allowed to enter into heaven. This is why so many souls need to be purged in purgatory to remove any earthly desires. Do not let things control your life, because these things should only be tools to carry out your life's mission. They should not be ends in themselves to worship. Focus only on Me who loves you, as I desire to bring all souls to heaven."

Jesus said: "My people, I have told you in previous messages how you would see an angel of protection at every refuge. This angel will build an umbrella of light all around the refuge so that no means of communication could locate people because they would be made invisible to the evil ones. You will be able to see each other, but outsiders will not detect you with satellites, cell towers, infrared heat, dogs, or any other means of detection. You will have your food, water, and fuel multiplied for your survival. Trust in Me that your angels will even protect you on your way to My refuges. With such protection from the Antichrist and the demons, you should have no worries over how I will be protecting you during the persecution of the tribulation."

Thursday, December 15, 2011

December 22, 2011

Thursday, December 15, 2011:Jesus said: "My people, in this vision of the Jordan River you remember well where I was baptized by St. John the Baptist. St. John was My herald in the desert preparing the way for My coming public ministry. Even when My Blessed Mother visited St. Elizabeth, he leapt in her

womb on My arrival as an unborn child. St. John called for the people to repent of their sins and change their lives with his baptism of water in the Jordan River. When St. John baptized Me, he saw the dove representing the Holy Spirit and he heard My Father speak: 'This is My beloved Son, in whom I am well pleased.'(Matt. 3:17) With that he proclaimed Me as the Lamb of God and asked his followers to follow Me. He even claimed that he must decrease while I would increase. St. John was outspoken to Herod because Herod married his brother's wife. He even risked martyrdom to proclaim My message. St. John is a witness to all of My faithful how he was committed to bringing souls to Me in his mission. Rejoice in the gift of his life when he fulfilled Isaiah's prophecy of a voice crying out in the desert who announced My coming."

Prayer Group:Jesus said: "My people, there are many sinners on earth, but I am showing you the worst sinners that are mired in the filth of their mortal sins. Unless prayers are said constantly for these souls, or they receive a miracle of My grace, they could be lost forever in the pits of hell. The more often people commit mortal sins, the harder it becomes to come to Confession to receive My mercy of forgiveness. A person needs to desire to be with Me more than the desire for one's sins. Souls, who are this lost, will require much prayer to strip the demons of their bad habits."

Jesus said: "My people, you have seen a large divorce rate in America. These problems have contributed to putting some fear in couples, so they are living together instead. Even when you encourage these couples to get married, it is not always carried out. It is a sin of fornication to live together with relations. People, who live like this, are living in mortal sin, and they either need to live separately, or get married if they truly love each other. Your society has accepted living together and divorces without annulments. These situations of living together are very strong occasions of sin. Pray for these couples to desire a pure spiritual marriage instead of living in sin."

Jesus said: "My people, it is not easy to point out the sexual sins that people are committing often. Three more such sins are with homosexual acts, masturbation, and using birth control devices and operations as vasectomies and tubal ligations. These are all serious sins against the Sixth Commandment. I call My people to live pure and chaste lives, but if you fall into these sexual sins, you should come to Confession to purify your soul in order to receive Holy Communion worthily. I have been speaking of these sexual sins because many souls are being lost to hell because of the desire for these immoral pleasures."

Jesus said: "My people, all souls are going to have a Warning experience to

wake them up to see where their lives are leading them. During this experience, some souls will receive a mini-judgment to hell, and they will experience a little of what it would be like in hell. Unfortunately, even some of these souls will desire the pleasure of their lust rather than change their lives to good. After the Warning My faithful will need to work hard to bring your family members back to Me before it is too late, and they could be lost to hell. If you saw how much these souls suffer in hell, you would be more inspired to evangelize souls so they could be saved from this infinite punishment."

Jesus said: "My people, once a soul has been in purgatory for a long time, the relatives stop praying for these souls. You have seen some souls given a grace to try and contact the living souls for prayers. The deeper in purgatory that souls are, the harder it is to find someone to pray for them. This is why I have encouraged My faithful to pray for the souls in purgatory, especially for all of your past relatives. Only few souls go straight to heaven, which means many souls are in need of your prayers and Masses to bring them to heaven quicker. You know how painful it is to suffer burns, so help these souls so they could be raised out of these flames."

Jesus said: "My people, years ago you could see long lines at the confessional because these souls knew the need to cleanse their souls frequently. Unless My priest sons encourage the people to come to Confession, the people will put it off indefinitely out of spiritual laziness. My people need to wake up to their sins and examine their consciences to see the need for My forgiveness of their sins. If you truly love Me, you will work to minimize your sinful habits, and go to frequent Confession to keep a pure soul."

Jesus said: "My people, if you want to know your sinful habits, think of the sins that you confess the most in your confessions. It is not easy to admit that you are a sinner, and it can be embarrassing to keep confessing the same sins without making any spiritual improvements. During Lent and Advent you could try fasting to control one of your bad habits. Think of what conditions or near occasions of sin that lead you into that sin. Then try to avoid situations that could lead you into your habitual sin. By focusing on working to stop a particular sin, and by asking My help in prayer, you could conquer this sin. But if you do not make an effort to root it out, then you are allowing the devil to have his way with you. Trust in My help and you can have a holier life."

Friday, December 16, 2011

December 22, 2011

Friday, December 16, 2011:Jesus said: "My people, in the Scriptures there are many descriptions of Myself as the Son of God, such as when St. Peter was questioned who I am. Another scripture (Matt. 12:41,42) was when I was telling the people of My day that the only sign to be given is that of Jonah: 'The men of Nineveh will rise up in the judgment with this generation and will condemn it; for they repented at the preaching of Jonah, and behold, a greater than Jonah is here. The queen of the South will rise up in the judgment with this generation and will condemn it; for she came from the ends of the earth to hear the wisdom of Solomon, and behold, a greater than Solomon is here.' I was not glorifying Myself because these people could not fully understand My Incarnation as a God-man. But I was letting them know that the miracles that I performed, and the words that I spoke were testimony that I had this power because I am a God-man. Give thanks to God the Father that He sent Me for the salvation of all the souls of mankind."

Jesus said: "My people, as you are about to celebrate My feast day of Christmas, you are reminded of the Star of Bethlehem that led the Magi to find Me. There are other stars being created by lasers in various countries to give a sign of the Antichrist's coming to power. You are seeing people notice some advertizing that the Antichrist is coming. Before his coming to power in his declaration, the one world people will be working to force everyone to have a chip in the body to control people's free will. Your current Health Plan is right out of the pits of hell because this will be the vehicle that will try and force everyone to have a chip in the body. Refuse to take this mark of the beast, or a chip in the body because it could turn you into a robot, and your soul could be lost. When they threaten you with death if you do not take this chip, then call on Me to have your guardian angel lead you to My nearest refuge of protection. I have given this message many times, but now that you see the imminent coming of the Antichrist, be prepared to take action in coming to My refuges. If you do not come to My refuges, you could be killed in the evil one's death camps. Wake up and call on My help to be protected, or your soul could be at risk of being lost to the Antichrist during his reign in the tribulation."

Saturday, December 17, 2011

December 22, 2011
Saturday, December 17, 2011:Jesus said: "My people, in today's Gospel from the beginning of Matthew, you are reacquainted with the genealogy of St. Joseph coming down from Abraham. In Luke's Gospel he starts with St. Joseph and it leads all the way back to Adam. Along the way you see David the King mentioned, as I was called the Son of David. Even when you see Adam mentioned, you can think of Me as the new Adam. The first Adam brought sin into the world, and all the souls, who had died in the body, had to suffer in hell until I redeemed them. You take My sacraments for granted, but Baptism from original sin only came with My death on the cross. You also have Me constantly present to you in My Blessed Sacrament in My tabernacles that you can visit. Rejoice in My coming feast of Christmas because this is the beginning of a new light as your days in the North start getting longer. You can also come to Me in Confession where your sins can be forgiven, and your soul will be refreshed with My grace when the priest gives you absolution. These graces were unavailable to the people before My time on earth. So be joyful that you have all the graces of My sacraments that are available to you now."
Jesus said: "My people, your forefathers, who set up your Democratic Republic, knew how the three branches of your government needed checks and balances so one branch could not control everything. Over the years, the Executive branch has taken more liberties with powers that should be held by the Congress. Your original rules were meant to put the power of government in the hands of the people, but the corporations are controlling things through their lobbying of millions of dollars. Money and greed are controlling your representatives, and many of them are looking out for themselves more than for the people that they represent. Corruption in government is hard to root out because it is very costly to remove the incumbents. Pray for your representatives who are constantly being tested by money and lies for their votes."

December 22, 2011
Sunday, December 18, 2011:Jesus said: "My people, today's Gospel is the appearance of the Angel Gabriel to My Blessed Mother when she accepted his message to be My mother. After her fiat 'yes', then a powerful golden beam of light came down upon Mary. By the power of God the Father and God the Holy

Spirit, Mary conceived Me in her womb as a God-man. This is the moment that all souls rejoiced when I came into the world as the Redeemer of all mankind. As your Christmas celebration draws near, you will be celebrating My birth among you. Remember that My feast day is more than giving gifts, but it is a remembrance of My birth as a man and your Redeemer."

Monday, December 19, 2011

December 22, 2011

Monday, December 19, 2011:Jesus said: "My people, in the vision you are seeing a camouflage tent that was disguising a cover so the enemy planes could not find these soldiers. In a similar way My angels at My refuges will place a shield of invisibility over all of My faithful at every refuge. The evil people will not be able to detect My refuges or anyone there. Their weapons will not harm you, nor will any evil people be allowed to enter My refuges. My refuges will truly be places of protection where I will multiply your food, fuel, and shelters for sleeping. The angels appeared to Hannah and Zachary, and they had a frightful appearance. Even so, the angels at My refuges will also be frightening in appearance, as they will be your protectors without the need for guns. Be thankful that I will protect My faithful from harm at My refuges throughout the whole time of the tribulation."

Mass for Rose Q.: Jesus said: "My people, it is good that you had this Mass offered for Rose's soul. She is still in purgatory, and she could use your prayers and Masses. Most people think that souls go straight to heaven, but only very few do so. Her suffering on earth has shortened her time in purgatory. She is in a peaceful place, and she will be praying for her relatives and friends. She was sorry to leave you behind, but she was ready to come home to Me. She gives all her love to her family and friends."

Jesus said: "My people, as the Antichrist's power will come to an end, there will be one last battle of Armageddon where the nations, the demons, and My angels will fight against each other. It is about that time that I will bring My Comet of Chastisement on the earth to bring about My victory over all of the evil ones. I will protect My faithful, but the evil ones will suffer plagues of fire on earth before they are all cast into the eternal flames of hell. Then I will renew the face of the earth, and I will bring My faithful into My Era of Peace as their reward. Rejoice when you see My victory over the evil ones. As soon as you see the

signs of the Antichrist's coming, know that My victory is near."

Tuesday, December 20, 2011

December 22, 2011
Tuesday, December 20, 2011:Jesus said: "My people, there are two Scriptures that describe My birth that are well known. The first is in today's reading: (Isaiah 7:14) 'Therefore the Lord Himself will give you this sign: the virgin shall be with child, and bear a son, and shall name Him Emmanuel.' The second is (Micah 5:1,2) 'But you Bethlehem-Ephratha too small to be among the clans of Juda, from you shall come forth for me One who is to be ruler in Israel; whose origin is from of old, from ancient times. (Therefore the Lord will give them up, until the time when she who is to give birth has borne, and the rest of His brethren shall return to the children of Israel.)' You are close to the celebration of My birth, so you will be reading these Scriptures that prophesied My coming as a Redeemer to save all the people from their sins. Rejoice that I foretold My coming as a man to the prophets in the Old Testament. Now, I am giving My prophets of this age a foretelling of My coming again to defeat the Antichrist." Jesus said: "My people, your country is aware of how many billions of your dollars are spent on foreign oil in order to provide crude oil for making your gasoline. As your demand for oil and gasoline keeps increasing, your oil people are finding new sources of oil and natural gas on your own lands. This new refinery and others will be needed to refine more of your own oil. Even new pipelines can be used to bring in Canadian and Alaskan crude oil. Ways of storing your new sources of natural gas will be needed as this fuel could be used in cars, homes, electric plants, and businesses. As your fuel prices may rise with your inflated dollars, many of your people are buying more fuel efficient cars to save money on gasoline. Having cheap fuels is part of why you have a higher standard of living than other nations. Any supply shortages by disruption in your crude oil or natural gas could upset your whole economy. Wars and insurrections could threaten these supplies at any time."

January 5, 2012

Wednesday, December 21, 2011: (St. Peter Canisius)Jesus said: "My people, once St. Gabriel told My Blessed Mother that St. Elizabeth was pregnant in her old age, Mary set out for Ein Karem from Nazareth on a donkey. Most people do not understand how brave she was to travel such a distance while she was pregnant herself. She wanted to help her cousin, and this is called the Visitation in your Joyful Rosary Mystery. The scene where St. John the Baptist stirred in the womb of St. Elizabeth was a leap for joy at My Blessed Mother's arrival bearing Me in her womb. St. John was going to proclaim My coming, and this was our first meeting. Right after this scene, My Blessed Mother proclaimed her Magnificat, one of her few words in the Scriptures. This is a joyful occasion and a beautiful story for Advent as you prepare for My birth."

Jesus said: "My people, you have visited this church in Ein Karem where My Blessed Mother came to help St. Elizabeth with her late pregnancy. This flashback vision gives you the feeling of being back in Israel where I lived. When you travel to Israel, the Bible comes alive when you read the Scriptures of My Gospels. Be thankful that you had the opportunity to visit there, since many people cannot make this trip. All of these early readings in St. Luke help prepare you for My coming at Christmas. You can be prepared in your soul also by making a good confession. Pray for the people of the world to accept Me into their hearts, so you can have true peace in the world.

Jesus said: "My people, wishing people a Merry Christmas is making a struggle to return because some people are upset that many people and businesses have chosen to say "Happy Holidays'. But the feast of My birth is a holy day, because it is a sign of your beginning Redemption as I became a God-man. Displaying My Nativity scene at your house, and wishing people a Merry Christmas can be your way of witnessing your faith to Me and to others. The atheists have done everything to try and remove My Name from all of your public places. These

people are in the minority, and they should not violate your freedom to express your faith. Be joyful and share your Christmas spirit of love with everyone.

January 5, 2012

Thursday, December 22, 2011:Jesus said: "My people, today's Gospel reading is My Blessed Mother's beautiful Magnificat that is read every night in the Liturgy of the Hours. The vision of My creation shows you how I planned everything to be in harmony with one another, as in the balance of nature. By his own free will, man was tempted by the devil, and Adam brought sin and disharmony into the world. Your world was then promised a Redeemer to bring salvation to every soul who accepts Me. You are celebrating My coming into the world, and I later died for your sins because I love you all so much. As you see the image of a babe in the manger, you are looking at your salvation. Rejoice that My Blessed Mother was given to you as a gift from heaven. Her words are echoed throughout all of heaven.

Prayer Group:Jesus said: "My people, a while back I gave you some messages that those, who developed other viruses, will develop a new flu virus that will be both deadly and contagious. I even saw these evil ones making large amounts of this virus that they intended to spread by means of the chemtrails. Now these scientists have leaked out the information that they have produced such a virus. This could be another excuse to provide a new vaccine to protect the people. In actuality they want to force people into mandatory flu shots that will reduce your immune system, and make you more vulnerable to this new virus. Get some masks, refuse to take any mandatory flu shots, and take Hawthorn, herbs, and vitamins to build up your immune system. Before they spray this virus in the chemtrails, I will warn you to go to My refuges where you can look on My luminous cross and be healed of any virus.

Jesus said: "My people, these scientists, who make deadly viruses, are working for the one world people who want to reduce the population drastically through these laboratory viruses. By establishing a world wide scare about new viruses, this will give an excuse to make more vaccines. Their purpose is to kill many people with these vaccines, even as Bill Gates has openly admitted this plan. It is the mandatory vaccines that will cause a problem. Those, who refuse to take flu

shots, could be jailed or quarantined. This is when I warned My faithful that it would be time to come to My refuges when you are threatened with death or prison for refusing any flu shots.

Jesus said: "My people, for some time you have seen military and commercial jets spreading chemtrails, according to a program set up by your own government. These chemtrails have been spreading viruses, aluminum oxide, barium compounds, and other polymeric fibers which have caused flu, upper respiratory diseases, and Alzheimer's diseaes. Since they have been doing this since 1998, you will not know when they will use chemtrails to spread this new deadly virus. I will warn you when you will need to be at My refuges for protection.

Jesus said: "My people, a while ago you saw some strange deaths occurring among certain microbiologists. They were being killed to keep them quiet from telling about how the one world people will use deadly viruses to reduce the population. After these latest discoveries of more deadly viruses, you could see more deaths to keep these scientists quiet as well by threats. Be confident in My protection from all of these diseases at My refuges. These diseases are another scare tactic being using by the one world people.

Jesus said: "My people, you are seeing new restrictions being placed on American planes that fly into the European Union airports. Pollution permits are the beginning of more United Nations carbon credits that will be a new means to tax your corporations into funds to feed the poor of the world. This is the beginning of a new one world government that is being forced on all nations. Again when you see nations being forced to pay for a world welfare program, it is the beginning of this new world order. Pray for My protection from these evil ones who want total control of the world.

Jesus said: "My people, you are about to celebrate My feast of Christmas when you are praying for peace to come over everyone. While some people desire peace, others are purposely causing uprisings and insurrections to overturn the current leaders. It is this desire for fame and greed for power that is causing many of your wars and killings by suicide bombers. Pray for a stoppage of these killings so peace can come to your world.

Jesus said: "My people, you are all working hard to prepare for your Christmas

meal and the giving of gifts to each other. Remember that this feast is celebrating My birth and My redemption of sinners. Coming to Mass on Christmas could be a good way to thank Me for having died for your sins. Celebrate the prayers of My Novena for My Infancy. Christmas should be more focused on Me than buying all of your gifts.

Friday, December 23, 2011: (Joan Zornow's Funeral Mass)Joan said: "I am so happy to be with Jesus as He has graced me with coming to heaven. I suffered my purgatory on earth, and I had a full life of many happy experiences. I want to thank Carole, whom I love so much, and all of my care givers for taking care of me, especially in my later years. I love all of my family members for coming to my wake and the funeral. Thank you for the flowers, but you can see in the vision how heavenly flowers are even more beautiful. I am sorry in my later years that I could not convey all of my feelings toward all of you. I will be praying for all of my family as you face life's trials. I was met by all of my deceased friends and relatives. This transition has freed me from all of my earthly restrictions. I love Jesus and Mary for all they did for me in life.

January 5, 2012

Saturday, December 24, 2011: (Morning Mass)Jesus said: "My people, you remember the Scripture when the angel appeared to Zechariah in the Temple to give him the news that St. Elizabeth would have a son to be named John. When Zechariah doubted because of their ages, the angel made him unable to speak. Once St. John the Baptist was born, then Zechariah could speak, and his first words were his canticle that is said every morning in the Liturgy of the Hours. This birth was a miracle, and St. John would come later into the desert and he called the people to repent and be baptized. St. John was My herald in the desert to prepare the people for My coming. This reading is very appropriate right before you celebrate My birth on Christmas.

(Vigil of Christmas Mass) Jesus said: "My people, as you see the reasons why people die from cancer, heart problems, pneumonia, or other diseases, you start

to see how fragile your life is here on earth. In fact you cannot even assure yourselves that you will be alive tomorrow. You live from day to day thinking that you will have a long life. Sometimes when you have medical check ups, you start to see some of your own failings and vulnerabilities. Even more so, you should also be conscious of striving to have a pure soul in preparation for the day when you will be called home to judgment before Me. It is a joy to share your love with Me, especially as you celebrate My birth at Christmas. Since you do not know which day you are going to die, you should be prepared to die every day. If you knew that you were going to die tomorrow, what would you do different from what you are doing today? In other words you could be living your life to the fullest every day thinking that this day is your last day on earth. Do not put off to tomorrow any preparations that you should be making today for your last day before your judgment.

Sunday, December 25, 2011

January 5, 2012

Sunday, December 25, 2011: (Christmas)Jesus said: "My people, I was born in a humble stable in a cave, but you are seeing the glory of My Star and My angels that are announcing My birth. All of heaven was triumphant and singing with the angels at My birth. As you see Me in the manger as an infant, I am asking everyone what gifts are your bringing to Me? My most desired gift is your love and your soul given to Me by your own free will. Another gift that you could give Me, is a sharing of your time and money with the poor. When you help people by visits or giving them food, you are helping Me in them out of love. When you share what you have with others, you are storing up treasure in heaven. Rejoice in this Christmas celebration as you sing your Christmas carols.

Monday, December 26, 2011

January 5, 2012

Monday, December 26, 2011: (St. Stephen)Jesus said: "My people, just as the people of this world did not want to hear My message and persecuted Me, so My faithful will also be persecuted. St. Stephen was stoned to death, and many were martyred for their faith. You are seeing some rejection today, but you are not threatened with martyrdom right now. As evil gets worse and people stop going to church, you will see this persecution get worse as well. I have been having

some of you set up refuges of protection that will be needed during the tribulation. Once you see martial law, mandatory chips in the body, or mandatory flu shots, it will be time to leave your homes for My refuges. My angels will protect you, and all of your needs will be provided. Give praise and thanks to Me for all that I am doing for My faithful.

Jesus said: "My people, you have seen several large tsunamis that killed many people as a result of an earthquake induction under water. You are seeing in the vision another tsunami that will occur from a large earthquake on the Western coast of North America. As the wave came in, it washed over the shore and caused much destruction. This large earthquake could be triggered by the HAARP machine which is being used by the one world people to reduce the population through devastating disasters. It is hard to be prepared for such a disaster because these waves travel so fast. You could only quickly evacuate to higher ground, but traffic may slow down a quick escape. It is better to not live near the ocean where induction earthquakes can occur. Pray for all the people who could lose their lives in such a disaster, and especially pray for those souls living in mortal sin who may not be ready to meet Me at their judgment.

January 5, 2012

Tuesday, December 27, 2011: (St. John the Evangelist)Jesus said: "My people, My apostles heard Me tell them several times that I was born into this world to be the Redeemer of all mankind. This account from St. John in today's reading was a message of reality that I died and I rose from the empty tomb. My apostles, St. Peter and St. John, could see the wrappings of the Shroud that I was buried in, and they believed in My Resurrection. I told them that I would die and rise on the third day, which is why you honor My death on Friday, and My Resurrection at Mass on Sunday. This feast and these readings are amidst your Christmas celebrations, but it points to the purpose of My Incarnation as a God-man at My birth. Give praise and glory to Me for the gift of My life for your sins, and My gift of Myself to you in My Blessed Sacrament where you always have Me with you.

Jesus said: "My people, you need to be aware of the one world people's desire to control people in all parts of your life. You are seeing more cameras for tracking

people that are being placed on the highways, and at intersections. Even more toll roads are being made so they can eventually encourage you to buy easy passes in order to avoid long lines at checkpoints. By these easy passes, On Star GPS systems, and cell phones, these people can track where you are. You can avoid easy passes, and you can remove the batteries from your emergency cell phones, or wrap them in aluminum foil. The less means that you give them so they cannot track you, the more privacy you will have. Also, avoid taking any chips in the body for any reason because they can cause voices to control your free will. When you see mandatory chips in the body, mandatory flu shots, martial law, or any other threatening things as a pandemic deadly virus, these are the signs to call on Me and your angel to lead you to the nearest refuge. I will provide protection for My faithful at My refuges by My angels. When it is time to leave for My refuges, leave quickly because the men in black will be searching for you to capture you and possibly kill you in their death camps. Trust in My help to provide for all of your needs.

January 5, 2012

Wednesday, December 28, 2011: (Vito Marcello funeral Mass)Vito said: "I am so happy to see everyone who came to my funeral Mass. I love you all so much, and I give each of you a portion of my spirit. I especially love Elisabeth and my family, and I am sorry to have to leave you. I will be watching out for all of you in my prayers. The Lord has graced me with coming to heaven by my sufferings and this Mass that have atoned for my sins. I thank all of my care givers and family for your help in my last years of my illness. If it is not a burden, maybe you could visit my place of burial. I want to thank all of those who came to pay their respects for my life among them.

Jesus said: "My people, in the North you have had a relatively warm winter with little snow. Now, the cold and snow have returned as you will be back to shoveling snow and scraping ice from your windshields. This is the fourth season, but not everyone is happy to see the snow come. Those, who like sledding, ice skating, and skiing, are happy, but not always for a deep cold spell. Some choose to go South to a warmer climate for the winter, but others are resigned to deal with the snow and cold. Many are happy with less snow this year, but winter is just beginning. As you see the cold weather set in, you might

want to check on you back up heating devices to make sure they are in working order. Each winter can pose possible power outages that will require oil lamps for light, and other means of keeping your house warm. Being prepared now is better than being without what you need. Be grateful that I am helping to provide for your needs in all kinds of weather and disasters.

January 5, 2012

Thursday, December 29, 2011: (St. Thomas Becket)Jesus said: "My people, you are truly blessed by My coming to earth when I atoned for all the sins of mankind by My death on the cross. Now, the gates of heaven have been opened to those who believe in Me and follow My Commandments. It is not easy in this life of temptations with your earthly desires to see My Light and live a life of love as I have given you My example to follow. Walk in the Light of My ways which are opposed to the ways of man. Those, who follow the ways of the world in sin, are living in the darkness of the evil that they desire. They cannot stand the Light of My truth which means that they do not want to change their ways of lust and greed for wealth. As St. John says, you cannot be My disciple if you hate your brother and violate My Commandments. You are weak in a nature that is prone to sin, but I give you My forgiveness in Confession so you can cleanse your sins and restore My graces to your soul. Seek to love Me and your neighbor as yourself, and you will find your reward with Me in heaven.

Prayer Group:Jesus said: "My people, you know how you like to keep your driveway plowed out so you can get your car out for your needs. In the same way I want you to clear the way so I can come into your heart and soul. By inviting Me to come, and by seeking My forgiveness of your sins, you are preparing the way for Me. You have brought your gifts to My crib and I want to share My love with all of you. Strive to keep your soul pure with frequent Confession. Your soul's appearance is more important to Me than any other physical appearance.

Jesus said: "My people, many people like to celebrate a Happy New Year, but it is also a feast day of My Blessed Mother. This coming year will hold many surprises, both good and bad. I have told you that the one world people will be initiating a new war soon to take the place of the war in Iraq and Afghanistan.

The news and the media are talking more about a possible intervention into either Syria or Iran. Threats of shutting off oil routes by Iran have brought rebukes from your own leaders. Pray for peace, but be prepared for more serious conflicts.

Jesus said: "My people, this tunnel is how many souls will come to Me during the Warning experience. I have warned you to be prepared for this event which is like a near death experience in a life review with a mini-judgment at the end. This experience will occur outside of time and outside of your body. Everyone will have this same experience at the same time. Events are leading up to the Antichrist's coming, and I told you that My Warning would come before his declaration. This spiritual wake-up call will give everyone a chance to convert their lives to Me before the major events start the tribulation. Frequent Confession and daily prayer can prepare you for My Warning.

Jesus said: "My people, your economy and jobs will be the topics of discussion as your political primaries are about to begin. Your media has focused on putting down each candidate as they rise in the polls. Instead of focusing on individual personal backgrounds, more time should be focused on how to solve your financial problems that have been grid-locked between raising taxes and cutting entitlements. Your people will be voting for the candidates that have the best solutions for your problems.

Jesus said: "My people, the beginning of the year is a good time to make a spiritual assessment of what is going on in your life right now. You can compare where you are now with a year ago to see if you are getting better, or if you are falling back into some old habits of sin. Try to make some plans in changing your life, but let them be something that you can achieve. These plans should be revisited every month just to see if you are making any progress. If you do not put some effort into making these changes work, then it will be difficult to achieve your goals. Pray for My help in your plans, and even do some fasting and prayer for your success.

Jesus said: "My people, I have suggested before that you could look at some of your most frequently confessed sins as a place to improve your spiritual life. Sometimes you are dealing with demons that are attached to your addictions or habitual sins. If you desire to be with Me in heaven, you need to not let any particular sin control your life. Addictions to drink, drugs, smoking, lust,

overeating, or gambling can be places to clean up your life. Whatever is your most serious sin, should be your primary objective. Work on removing occasions or places that lead you into this sin. Fasting and novenas can help break the demon's hold on you. By the end of the next year, you can see if you have made any progress. Call on My help when you may be frustrated in your attempts to clean up your life.

Jesus said: "My people, some people feel most comfortable in praying formal prayers as daily rosaries, the Liturgy of the Hours, or other prayers. Other people want to share informal prayer with Me, especially in front of My Blessed Sacrament. Whatever prayer that you choose, find a way to be persistent with your intentions. Daily prayer brings you closer to Me, and you will have less desire for sin when you are with Me. I know that you are faced with daily temptations, so keep praying to help overcome them. Pray daily for sinners, the souls in purgatory, peace in the world, and for a stoppage to abortion.

Friday, December 30, 2011

January 5, 2012

Friday, December 30, 2011:(The Holy Family of Jesus, Mary &Joseph)Jesus said: "My people, many people could model their lives after My Holy Family. In today's world it is harder to find manufacturing jobs for either parent. The first struggle for a family is an adequate job or two to provide income for a home, car, food, and the needs of the children. The parents of children have many responsibilities for their bedding, clothes, food, and education. Bringing up children requires some discipline in love to help them with their schoolwork as well as training them in the faith with Sunday Mass and a good prayer life. They need training to learn the faith as much as they need training for other subjects. A well-rounded person needs Me at the center of his or her life, as well as a knowledge to provide for a job in the world. When you keep focused on Me, I will provide for your needs.

Jesus said: "My people, you may not see them, but people are committing many sins at any time all around the clock, all over the world. I died once in the body during time over two thousand years ago, but I am still suffering outside of time for all the sins that are still being committed. When I ask My faithful to share your sufferings with Me on the cross, I am still in pain for your sins. All of you

have to bear the trials of this life whether it is your chronic pains, or the struggles you go through in earning a living, or fixing any problems that you have. I lived this life, so I know what pains you are going through just to survive. You could cause Me less pain to suffer by minimizing your sins that I have to atone for. You are seeing much evil in your world as with your many abortions, even in just your own country. There are some areas on earth where there are more sins than others, and these places are calling out for My justice to punish them. These places will be destroyed even as I brought punishment down on Sodom and Gomorrah. Continue to offer up your prayers and sufferings to Me, so I can apply this for people who need physical and spiritual healing. Just as My suffering is redemptive for sinners, so your offerings can have redemptive value for souls as well in your intentions.

Saturday, December 31, 2011

January 5, 2012

Saturday, December 31, 2011: (St. Sylvester I)Jesus said: "My people, everything, even the universe, revolves around Me because I am the center of creation. St. John the Evangelist's Gospel emphasizes My Divinity as the Son of God more than the other Gospels. He also speaks of the evil ones who are against Me as being antichrists. But there is one beast already on the earth that will be called "the Antichrist'. His declaration will begin the great tribulation which will last less than three and one-half years. His reign will be brief before I will come in victory over him with My Comet of Chastisement. It will be during the Antichrist's reign of evil that I will direct My faithful to My places of refuge at places of My Blessed Mother's apparitions, places of holy ground, and caves. At My refuges you will see My angels of protection, and the luminous crosses that will heal all of your infirmities. Be grateful that My faithful are preparing havens of safety for My faithful remnant. Trust in My protection as I will provide for all of your needs both physical and spiritual.

Jesus said: "My people, at the end of the year you need to make a financial analysis of where you are in your bills and your accounts. If you have enough income, you may be able to pay your bills without any debts. You balance your income with budgets to determine what you can afford to spend for the year. You also need to collect your receipts to prepare your taxes as well. In your spiritual life you are also held accountable for your actions during the year. You can make

a spiritual analysis of the state of your soul, and when you need to come to Confession to cleanse yourself of your sins. You also can analyze how best to control your frequent sins so you can make some spiritual improvements in your life. It is better to prepare your soul now, than to face Me at your judgment at your death. By keeping your soul pure with frequent Confession, you will always be prepared to meet Me when I call you home. Now is a good time to make your plans for how you will do better in the new year. Keep Me at the center of your life, and share your love with Me and your neighbor.

Sunday, January 1, 2012

January 5, 2012

Sunday, January 1, 2012: (Blessed Mother of God)Jesus said: "My people, My Blessed Mother had to endure childbirth in a stable, and listen to Simeon speak to her of how a sword would pierce her heart. She bore all of these trials out of love for Me. She did everything that she could do to follow My Father's Divine Will, even to be sinless throughout her whole life. She is mother to all of her children, as she protects you with her mantle. My circumcision was another trial for her at the Temple, but this was to follow the Jewish custom. You are still rejoicing in how the angels led the shepherds to give honor and glory to their God. The Magi also brought Me gifts fit for a king, as they were led to Me by the Star of Bethlehem. This New Year and Christmas celebrations are a cause to be joyful and glorious amidst all the angels singing their praises of Me. Carry this joy and My love out to all the peoples of the world.

Jesus said: "My people, you are seeing many tulips in a graveyard as an indication of how many funerals that you have been to over the last year. You were praying prayers of thanksgiving for last year, and you could be thanking Me for the many lives that were gifted to you. Each life is among you for a set time and purpose, and then I call them back to their Creator. Life is precious, but you are only here for a short time. This is why it is such a serious sin to take a life by abortion or murder. As you think back on each person who died, try to remember how each person influenced your life. Just as you remember them, think of how you are affecting people's lives around you. Make a point to try and share your love and faith in Me with as many people as you can. Live your life to the fullest, just as if this day is the last day of your life.

Monday, January 2, 2012

January 5, 2012

Monday, January 2, 2012: (St. Basil & St. Gregory)Jesus said: "My people, St. John the Baptist is the last of the Old Testament messengers or prophets before My mission. He was the voice crying out in the desert as quoted from Isaiah. These prophets foretold about Me as the coming Redeemer because by My suffering on the cross, all of mankind would be free of their sins if they seek My forgiveness. My apostles and missionaries, as St. Paul, spread My Word and converted many people into following Me as Christians. All throughout history I have blessed you with prophets to show the way to heaven. Even today, you have many people receiving messages and apparitions. Still I must warn My faithful to discern in the Spirit about the truthfulness of the words given because there will be false prophets as well. The greatest deceiver will be the Antichrist, and I have described how he will mislead people by his powers of suggestion. Do not look at his eyes or listen to his voice. Avoid even reading his words that could cause you to worship him. Keep focused on Me and My holy prophets, and you will be protected from the evil ones at My refuges.

Jesus said: "My people, I asked you to save some heirloom seeds to grow vegetables at your refuge. With non-hybrid seeds you could let some of your crops go to seed for the next year. If you live in a more Northern climate, you could build some greenhouses, and heat them to keep them above freezing. You could paint some glass or heavy plastic so you do not have direct sunlight that could be too hot in the summer. Greenhouses will enable you to extend your growing season, and can be a nursery to start your crops from seed. All the food that you grow could be multiplied when you have a lot of people at your refuge. By providing for your vegetables, you can have a well-balanced diet between the bread, deer meat, and any other farm animals that you have. Trust in My help and My protection, and you will have all that you need to survive at My refuges.

Tuesday, January 3, 2012

January 5, 2012

Tuesday, January 3, 2012: (Most Holy Name of Jesus)Jesus said: "My people, today's feast is about My Name, Jesus, and how it was given at the time of My circumcision at the Temple. St. Gabriel gave My Blessed Mother My Name

when she accepted the honor of being My mother. St. John's Gospel focused today on My Baptism in the Jordan River, when St. John the Baptist saw the Holy Spirit come down over Me in the form of a dove. God the Father came in a voice from heaven saying: "This is My beloved Son, in whom I am well pleased.' Then St. John the Baptist said: "I have seen and have borne witness that this is the Son of God.' This was a manifestation of the Blessed Trinity that St. John acknowledged. Even later, when I asked My apostles who I was, then St. Peter was blessed by the Holy Spirit to say: "Thou art the Christ, the Son of the living God.' In another Scripture it speaks how at the hearing of My Name, every knee must bend. Out of reverence My faithful should bow their heads when you hear My Name. I am the One who has redeemed all of you, which is why My Name should be honored by everyone.

Jesus said: "My people, you know how much I love the little children, and I want My faithful to protect them from any abuse. They are so precious and open to love until they are infected with worldly things. They need a lot of your love and direction to point them to good behavior and proper reverence for Me in church. Parents need to watch over what their children are doing in school and especially when they get old enough for dating. A good training in the faith can teach them a proper prayer life, and leading chaste lives in their relationships. Parents teach their children by their actions, so parents need to give their children good example in speech and anger management. You love your children and they need to see your loving actions and concern for them in homework and spiritual needs. You can train them also to attend frequent Confession so their souls are kept clean. Even after they leave your homes, you need to help them in their physical and spiritual needs. You especially need to pray for them that they stay close to Me at Sunday Mass. Parents are responsible for directing their children's souls, so they can be saved in heaven. As you see Me in your children, everything that you do for them, you do for Me in them.

January 19, 2012

Wednesday, January 4, 2012: (St. Elizabeth Ann Seton)Jesus said: "My people, once St. John the Baptist baptized Me, he said: "There goes the Lamb of God.' Then St. Andrew followed Me and later brought his brother, Simon, to meet Me. I then called him Peter, and they both became My disciples. In this vision of a

train track leading into the fog, this represents how My disciples followed Me in blind trust because I am the Messiah. I call many people to follow Me in blind trust, but it is not easy to put aside your worries and anxieties about what you are to eat, what you are to wear, and where you will stay for shelter. These are the things that the worldly people are concerned about, without thinking about My help. When you have full faith in Me, you let Me lead you to find work, a home, money for food, and possibly a car. When you have a good job, you will have the money for your needs. But remember that I enabled you to have the skills for your job, and you are really dependent on Me for everything. Do not let your pride think that once you have a job, that you do not need Me. You could lose your job and your money at any time. You could even lose your life tomorrow. So trust in Me every day to take care of you in giving you the air to breathe and My sunlight to see. I give you so many gifts that you take for granted, but you should be thanking Me for My gifts every day in your prayers. By living in full faith and trust in Me, you will have no worries and no anxieties. Live in My love and be joyous to experience the life that I have given you.

Jesus said: "My son, I have given you many messages over the years, and I even instructed you when it was the right time to start publishing your books. Later on I also directed you to have DVD videos made about your talks, and even a DVD on promoting Adoration. Sometimes you have problems in getting just the right lighting and sound to make the DVD video. The second time when you prayed a novena to St. Therese, the DVD was made on the first try. You are seeing attacks from the evil one whenever you try to spread My Word. You will see these attacks getting worse with time as you approach the tribulation time. Even on the ship on your last cruise, I recommended that you take blessed salt and holy water to spread wherever you talked. Using My blessed sacramentals is helpful in protecting you from the demons and any possessed people. By wearing your rosary, scapular, Benedictine cross, and your relic of My true cross, you will have the protection that you will need. Call on Me and My angels to watch over you on your trips. Blessing your van with holy water and praying the St. Michael prayer will also protect you. As you go out to speak and distribute your books and DVDs, trust in the Holy Spirit to give you the words to lead people to conversion and reconversion. Also take the rosaries, leaflets, scapulars, and Confession preparation sheets to encourage people to pray, and to make good confessions of their sins. When you work in My vineyard for the harvest of souls, your reward in heaven will be great.

January 19, 2012

Thursday, January 5, 2012: (St. John Neumann)Jesus said: "My people, you are dealing with the one world people that are purposely developing diseases, viruses, and genetically modified plants and animals. The purpose of these diseases and vaccines is to reduce the world's population so they have less people to control, and more of the world's resources for themselves. Lyme disease, AIDS, and many viruses are laboratory creations for population control. These people are so evil that they do not care how many people they kill with their diseases, man-made disasters, and their death culture that favors wars, euthanasia, and abortion. The most insidious work is the manipulation of the DNA of plants and animals for their gain and control. They control the hybrid seeds and even control growth of feed animals with hormones and cross-breeding. This is why your food is adulterated and more people are getting sick with diseases and increased cancer cases. They are also spreading viruses by chemtrails so many people have upper respiratory sicknesses that are becoming hard to treat with antibiotics that are not effective. You can understand the evil influence of Satan when you see the devious ways of the death culture people. This is why My faithful need to stand up against abortion, constant wars, and the abuse of My balance of nature. Pray for My help in the battle between those who protect life, and those who kill life.

Prayer Group:Jesus said: "My people, you have been shown the tunnels that have been prepared for the foreign troops who will travel through them to set up a national martial law. Your Congress and President have passed a new law that will enable your military or UN troops to pick up any US citizen that is deemed a threat. This person could be held in internment camps indefinitely without even a trial by jury. You now are living in a police state that could take over your government. The one world people will cause a false emergency to give a claim to establish martial law. Once you see this national martial law, this will be the time to go to My refuges of protection.

Jesus said: "My people, I have warned you before that the one world people have prepared hundreds of death camps all across the United States. The one world people have been planning to kill at least twenty-five million Christians and patriots that will not go along with their new world order. They will try to force

chips in the body on everyone or they will be killed in gas chambers or with guillotines to scare people into submission. Refuse to take any mandatory chips in the body because voices from these devices will control your free will and they will make you like robots. This is another sign to go to My refuges when these chips are made mandatory from your Health Plan.

Jesus said: "My people, you have heard how the scientists in the labs have created a virus as deadly as the bird flu, but it will be much more contagious and spread in the air. This is a fear tactic to get people to take a flu shot that will make them more vulnerable to the pandemic virus that the one world people plan to put in the sky with the chemtrails. The evil ones' goal is to use this pandemic virus to reduce the population. Refuse to take any flu shots that will destroy your immune system. Eventually, they will make these flu shots mandatory, and they will try to imprison those people who refuse these shots. These mandatory shots and the pandemic virus will be another sign to come to My refuges. At My refuges you will look on the luminous cross or drink the healing spring water, and you will be healed of any viruses.

Jesus said: "My people, the one world people in the central bankers are planning another stock market crash that will also bring down the dollar and cause the bankruptcy of your government. This crash will start with major defaults in the European Union that will crash the euro as a viable currency. This will precipitate the crash of the dollar. This failing of the banking system will enable the one world people to set up a new currency called the "amero' in a created North American Union. This bankruptcy will also precipitate a martial law takeover by the military. This is yet another sign to come to My refuges to protect you from capture in the death camps.

Jesus said: "My people, Hitler used this tactic of using thugs to scare the people with false terrorist activity all over Germany. This same plan could be carried out by thugs posing as occupy groups, but they will bring fires, riots, and chaos which could give a reason to declare martial law. If you see widespread riots and terrorism, then this also would be a sign to come to My refuges. Leave quickly before they start picking up people for the death camps.

Jesus said: "My people, the one world people already have lists of Christians and patriots who they would like to exterminate for those people going against their new world order. The red list of people are those leaders and educated people

who the one world people will try to capture before martial law is declared. The blue list of people will be those persons who the one world people will capture after martial law is declared. Before these captures begin, I will be warning My faithful to leave quickly for My refuges before martial law is declared. Call on Me and I will have your guardian angels lead you to My nearest refuge. You will be made invisible to these evil ones both on the way to and at My refuges.

Jesus said: "My people, be thankful that I am calling people to set up refuges with bedding, food, and water that will be multiplied for your needs. Angels at My refuges will defend you from all attempts to kill you. Do not hesitate in coming to My refuges, once you are warned, so you are not captured and killed in the death camps. Some will be martyred for their faith, but they will become instant saints in heaven, and return to My Era of Peace. Those, who come to My refuges, will have to endure a brief time of tribulation under the Antichrist. Fear not since when you see the Antichrist come into power, know that My victory will soon defeat all of these evil ones. After My comet kills the evil ones, they will be cast into hell. Then I will renew the earth and bring My faithful into My Era of Peace and later into heaven. Rejoice in My coming victory over evil.

January 19, 2012

Friday, January 6, 2012: (St. Brother Andre)Jesus said: "My people, some people have heard about a warning when it is time to come to My refuges. I will indeed warn My faithful when it is time to come. I did not want My people to be confused with the Warning experience which will occur before the Antichrist is declared, and before you need to come to My refuges. The Warning experience will be the first of the major events to occur. Everyone will receive a life review and a mini-judgment all at the same time all over the world. This will occur outside of your body and outside of time. After your life review, you will receive a mini-judgment of your life up to that time. You will be returned to your body with a chance to improve your spiritual life. If you cannot improve your life, then this mini-judgment will become your final judgment. If you are judged to hell or purgatory, you will experience what it would be like to be there. This Warning will give all sinners an opportunity to change their lives and wake them up to how I see their actions. After this Warning experience, you will see events leading up to the Antichrist's declaration. When it is time to come to My refuges

for protection, I will let My people know it is time, just as the angel visited St. Joseph to warn him to take his family to Egypt so Herod could not kill Me. Once you are warned to leave, you need to pack up your things and sacramentals quickly for your trip, and leave immediately. Call on Me and I will have your guardian angel lead you to the nearest refuge. Rejoice that I am protecting My faithful from the evil ones.

January 19, 2012

Saturday, January 7, 2012: (St. Raymond of Penyafort)Jesus said: "My people, I have asked My people to imitate Me by picking up their daily cross that they carry throughout their lives. Each day has enough troubles of its own, so do not worry about what you will need tomorrow. In the vision you are seeing someone struggling to climb this long ladder to heaven. Every day brings you one step closer to Me when you are focused on Me. I suffered your human condition because I became a man to take on your sins and provide for your salvation from these sins. To come to heaven I call you to follow the mission that I have given you in life. This mission uses your unique talents in your job or trade where you can offer up your sacrifices and trials to Me. Follow My Commandments and strive to give your will over to My Divine Will so you can allow Me to be the Master of your life. Once you have finished your task on earth, I will call you home for an accounting of your actions. If you have been faithful to Me, I will say to you "Well done, My child, enter into the joy of your Father in heaven.' Those, who have not been faithful to Me, will be judged to suffer in the eternal flames of hell. Some will require some cleansing in purgatory to purify their souls so they can be worthy to enter into the perfection of My love in heaven. Rejoice when you have finished the race, and you have climbed your ladder to heaven. All of heaven also rejoices over each soul that converts and enters heaven.

Jesus said: "My people, the one world people can cause disasters or threaten disasters as blackmail against any country that they choose. They have used the HAARP machine to cause major earthquakes all over the world. Where they have caused earthquakes of 8-9, tsunamis have resulted in causing more damage.

This vision is of another strong earthquake in the Pacific that will trigger another tsunami wave. The scientists have an early warning system set up to warn people of any Pacific tsunamis, but there will only be a short time of warning because the tsunami waves travel so fast. All the countries along the Pacific coast of Asia should be made ready for another major event.

January 19, 2012

Sunday, January 8, 2012: (Epiphany)Jesus said: "My people, you have been putting up your Nativity scenes for many years. The first figures that came were when the angels appeared to the shepherds, and they were led to Me in My creche. Now in today's Gospel you are seeing the Magi come to bring Me the kingly gifts of gold, frankincense, and myrrh. The vision also shows you some palm leaves that are associated with My ride on the colt into Jerusalem. The gift of myrrh was a prediction of how I would suffer for My people to save their souls. I was born into this world as a God-man so I could redeem sinners from their sins. The price of atonement for everyone's sins would be My life offered up freely on the cross. So as you conclude your Christmas celebration of My birth, you also are looking forward to the celebration of Easter with My Resurrection from the dead and My victory over sin and death. My life on earth was short and My three years of ministry still had many teachings of My Word directly from God. I love all of My people so much, and this witness of My love went so far that I was willing to offer My life up for all of you.

January 19, 2012

Monday, January 9, 2012:Jesus said: "My people, you have read of My baptism by St. John and you have been baptized into the faith to be My disciple. This bell, that is tolling, is a sign that you are all mortal, and you will die one day as I died for you. Just as I had a short life, your life on earth is short also. This life is a test of how you can be faithful to Me or not faithful. For those, who can accept Me as Master and follow My Commandments, they will find eternal life with Me in heaven. It is your love for Me and your neighbor, as well as your good works,

that will be most valuable to you at your judgment. Your life is truly a preparation to come to heaven. So live every day for My greater glory in all that you do.

Jesus said: "My people, you remember when St. John the Baptist was captured and he was placed in prison because he told King Herod that it was not right to marry his brother's wife. Herod's wife took an opportunity to have St. John beheaded. In a similar way My faithful will be threatened with prison just for believing in Me. What seems innocent to proclaim homosexual acts are sins, can now imprison someone as a hate crime. Even protesting abortions can be a threat for imprisonment. Christians are being attacked and abused more than any other religion. This persecution will get worse when you refuse to take a chip in the body or when you refuse to have a mandatory flu shot. Once these evil ones try to kill you for not going along with their new world order, then you will need to call on Me to have your guardian angel lead you to the safety of My nearest refuge. If My faithful refuse to go to My refuges when I warn them to go, then they risk being imprisoned and killed in your death camps. Do not be fearful of these evil ones, but trust in My protection.

January 19, 2012

Tuesday, January 10, 2012:Jesus said: "My people, this message is to remind My people that you can only live in "today', and you cannot live in "tomorrow'. You can be prudent and plan for tomorrow's events, but do not be overly concerned with tomorrow because today has enough troubles of its own. This vision of a corner is to give you this idea that you do not know what tomorrow holds for you. All of your worries and anxieties about tomorrow will not help you, and a faithful person should have trust in Me. It is the demons who try to make you worry and be anxious. So do not let them influence you, and trust in Me even in difficult situations. Every day offer up all of your works to Me as a prayer. Then ask Me to give you the grace to carry out your mission to do those things that I will lead you to do. When you are praying quietly, listen for My words of instruction. If you are always busy and talking without listening for Me, then it will be hard for you to know what I want you to do. Give Me some prayer time everyday, and I will give you peace in your soul to handle all of your trials. Call on Me, and I will defend you from any temptations and distractions from the

demons.

Jesus said: "My people, the American naval forces are taking Iran serious when they made threats to stop the oil in the Persian Gulf if more sanctions are applied. Iran depends on oil exports for its income, so any sanctions on its oil exports would cause financial problems. America is positioning its own naval activities to counter any bold attacks by Iran. This American dependence on foreign oil can easily cause America a problem when it has to defend the sources of oil that it imports. Iran is backed by China and Russia, and China would gladly use Iranian oil. There are many possible conflicts that could result from any blocking of oil shipments. These threats and sanctions could precipitate a war with Iran, but it would not be beneficial for either side. Keep praying for peace in the Middle-East because war could break out at any time.

January 19, 2012

Wednesday, January 11, 2012:Jesus said: "My son, you can identify with the calling of Samuel. I called you in Medugorje to convert your computer addiction from spending so much time for yourself into time for Me in your prayer life. If you allow yourself to be so taken up with worldly cares, you will not be open for the mission that I have planned for you. The healing of this addiction was a miracle as I took you off this detour from My work. Once you were made open, then I asked you to take on My mission. When you accepted My mission, I then gradually led you to receive My inner locutions with visions of the messages. After receiving My messages for a few years, then I urged you to have them published in books. I even gave you the grace by the Holy Spirit to go out speaking to those who would listen to My word. I also urged you to spread My Word in your DVDs and on the internet. You have been led by your spiritual directors, and you have been protected from many trials that have tried to stop your mission. Be grateful that you are working in My vineyard to save souls, and prepare My faithful for the coming tribulation. You need to keep close to Me in your prayers and in My sacraments. I send prophets and messengers into the world in all ages, and in many places all over the earth. My people need to be grateful also when I give you the words that you need to hear for the coming events.

Jesus said: "My people, this vision of a horse and buggy reminds you of how people traveled around before cars were invented. I am showing you this vision because a time is coming when you may not be able to get gasoline for your cars. Some people can store some extra gas or they can keep their cars at least half full in their gas tanks all the time. The one world people can shut down your

economy by turning off your electricity or stopping your oil shipments. When your electricity is off, you will have problems keeping warm in the winter, and you will not be able to pump any gas, or make transactions at the bank. If a war is started in the Middle-East, you could possibly see a stoppage of your oil shipments, and gas would be hard to obtain. If you cannot get more gas, you could only drive with what gas you have on the way to your refuge. Then when the gas runs out, you will have to bring along your bicycles for the rest of your transportation to My refuges. I have asked you to have some working bicycles with a pump for just this emergency of not being able to obtain gas to run your car. Be prepared for no electricity.

David said: "I want to thank you for calling on me to share my words with you, and when you asked me to intercede for some couples to conceive children. I am happy to greet my parents, my sisters, and my nieces and nephews. I have Mary with me and we are thankful for even the short life that we experienced in this world. We are watching over all of you as you struggle through life's trials. We pray for you daily as we petition Jesus to give you the grace that you need to accomplish your mission. You have a blessed mission to prepare souls for the coming tribulation. You have made your own preparations, and you are a living example to all who are listening to your words from Jesus.

January 19, 2012

Thursday, January 12, 2012:Jesus said: "My people, in the first reading you read how the Philistines inflicted large losses in defeating Israel. This is a sign to you that everything in life will not go smoothly. At times you endure financial problems when your car needs repair, and your appliances, or devices in your home need repair or replacement. At other times you may endure sicknesses, operations, or deaths in the family. These earthly trials are all part of life, and you need My help and the help of others to solve your problems. The Gospel reading shows the cleansing of a leper from his leprosy. In your world you also have problems with contagious diseases that require quarantines. There is also an analogy in having your sins cleansed from your souls. You have My sacrament of Reconciliation always available in My priests, so you should have pure souls by asking My forgiveness of your sins. I died on the cross to bring salvation to all those who seek My forgiveness. Do not be lazy in your spiritual life, but you

need to confess your sins at least once a month. If you have an aching tooth, you go to the dentist immediately. So if you are in mortal sin, you should come to Me in Confession quickly as well. Do not risk dying in mortal sin, so you can have a better judgment when you face Me at death. Also, you love Me dearly, and you want to keep a good love relationship with Me. If you are dead to Me in mortal sin, ask My healing in Confession, and you will be made clean again.

Prayer Group:Jesus said: "My people, when you decide what time to choose for your prayer time, you should consider praying during the day time instead of at night. At night you are tired from the day's work, and it is hard to pray late at night. Try to get your rosaries in before supper when possible so you can focus more on your prayers. Remember when you have a lot of unplanned events to make up any missed rosaries on the following day. I rely on My faithful's prayers to counter balance all the sin of the world. So do not grow lazy with your prayer life because prayers for sinners are greatly needed.

Jesus said: "My people, setting aside a general time for prayer is the best way to plan around your daily events. Guard this time of the day so nothing else can interfere with your daily prayers. Even if people are visiting, excuse yourself to do your prayers, or invite them to pray with you. By forming a prayer habit at a set time of the day, you are saying to everyone that time with Me is too important to interrupt with only earthly concerns. You make priorities for everything in your life, and I should be your first priority.

Jesus said: "My people, when you pray, there are various kinds of prayer. You pray for petitions, for Adoration of My Blessed Sacrament, for penance for sin, for thanksgiving for favors answered, and for help to get through each day. All of these reasons for prayer have their place, and I hear all of your requests. Even your good works and sufferings can be offered up to Me for any of your intentions. You can pray also for souls to be saved from their sins, even when they are not acknowledging Me in life. Many souls can be saved in this way, but they also require fasting for those with a higher price for their soul.

Jesus said: "My people, these nuns are performing a selfless suffering for the sinners of the world. Contemplative prayer in silence is very powerful for souls. Praying in quiet is not easily done for people who are busy with only worldly concerns. It takes concentration and training to pray in contemplative prayer. This is why I have asked you to pray this way for five or ten minutes whenever

you come to Adoration. Even this short time of quiet is hard to keep focused on Me with all of your worldly distractions. Pray the best that you can from your heart to Me.

Jesus said: "My people, when you pray your rosaries together before My Blessed Sacrament, you are multiplying your prayers for all of your intentions. I have asked you to place My Divine Mercy Picture before you at every prayer meeting because you can gain great graces as St. Faustina has told you in her diary. My mercy and My graces are poured out on all people who pray before this picture. Be grateful that these heavenly secrets are being revealed to you.

Jesus said: "My people, when you wake up each day, you could pray your morning offering and your guardian angel prayer to consecrate all of your actions of the day up to Me. For those, who attend daily Mass in the morning, you have Me intimately with you in Holy Communion. The Mass is the greatest prayer of all. You can pray your rosaries in the afternoon, especially your Divine Mercy Chaplet at 3:00 p.m. Pray your grace before each meal to honor Me in feeding you. At night you could spend some time with Me at Adoration of My Blessed Sacrament. Before going to sleep, you could pray your Act of Contrition in case you should die during the night. Even My priests and lay people recite the Liturgy of the Hours throughout the day. By remembering Me in your prayers throughout the day, you are showing Me your love as you keep your focus on Me. I will watch over you as I love each of you so much.

Jesus said: "My people, one of your most frequent prayers are those intentions for healing the sicknesses or diseases of people. When you pray for physical healing, the persons who you are praying over need to have faith that I can heal them. When you pray for a physical healing, you also should pray for a spiritual healing of that person's soul. This is the way that I healed the whole person both body and soul when I was on the earth. When you pray over people, My prayer warriors need to pray also for a healing of both the body and soul. Remember when you pray to Me, that you are truly communicating with Me from your heart.

January 19, 2012

Friday, January 13, 2012: (St. Hilary)Jesus said: "My people, your winter weather has returned, and now you have to endure the snow, the ice, and the wind. You even have to adjust your driving by preparing your car, and leaving more time for driving and scraping.Just as you bear with the inconveniences of the weather, you need to bear with all of life's difficulties. You do not appreciate how fortunate you are with good weather until you start experiencing the raw winter for this time. In the same way you take your health for granted, but when sickness or teeth problems come, you appreciate more how important good health can be. Many people have disabilities or chronic pains as they get older, and they suffer things that they are not used to. Be prepared for suffering in this valley of tears because these trials are all a part of life. Call on My help to get you through the hard pains and rough life when your health fails you. Offer up to Me all of your pains and struggles to make a living as you share them with My suffering on the cross for your sins. You know how much I love you when I purposely took on a human nature so I could suffer My crucifixion and death on the cross to save you from your sins.

Jesus said: "My people, your government, under a plan called ‘Project Clover Leaf', has solicited commercial airlines to have their jet airplanes assist in spreading chemtrails. The one world people are using chemtrails supposedly to stop some of the sun's rays from warming the earth. This is their cover story, but their real reason to spread chemtrails is to reduce people's immune system so many can be killed by their coming pandemic virus. The one world people have as their goal the premise of reducing the population which was brainwashed into their minds by Satan. The upper levels of the one world people actually worship Satan, and they get their working orders from him. Satan is behind the killing of man in the death culture that promotes abortion, euthanasia, wars, and killing of people by laboratory created viruses. Many people are suffering upper respiratory diseases as a result of the chemtrails. The aluminum oxide being spread in the chemtrails is also causing a higher level of Alzheimer's disease in bad memory problems. I have asked My faithful to use Hawthorn, herbs, and vitamins to build up their immune systems and counter the effects of the chemtrails on the body. Also, avoid taking any flu shots that could ruin your immune system. Pray that My people will be protected and healed from these viruses by looking at My luminous cross at My refuges.

January 19, 2012

Saturday, January 14, 2012:Jesus said: "My people, as you observe various plants and animals, you can see some imperfections in their makeup. In the same way you may have some unusual deformities in your hands, bones, teeth, or another part of your body. Some of these things are inherited from your parents, or it may have been a birth defect. You accept many of these things, unless you need operations to fix them. In your soul you have inherited the consequences of Adam's sin, as original sin that is forgiven with your Baptism. You also have inherited a weakness to sin, which means you are all sinners. Only Myself and My Blessed Mother were without sin on earth. This is why St. John in his letter wrote that those, who claim they have no sin, are liars. Some people think that they are self-righteous, but in their hearts they should humble themselves to seek My forgiveness in frequent Confession. Admitting that you have sinned, requires you to be humbled in the face of My perfection. By coming to Me in Confession, you can seek My forgiveness, and ask Me to pardon your offenses. The priest will give you absolution, and your soul will be filled with the grace of this sacrament. Keep your soul cleansed of sin so you are pleasing to Me in your appearance. You cleanse your body and you keep changing your soiled clothing. All the more reason to have a good appearance in your soul as well. Be grateful that I have given you My sacrament of Penance that allows you to keep your soul cleansed of sin. Truly I am the doctor to heal your souls from all of your sins.

January 19, 2012

Sunday, January 15, 2012:Jesus said: "My people, this vision of My curing the paralytic man is different from your readings at today's Mass, but it is all about faith in My healing and knowing that the Son of man can heal and lead people. St. John the Baptist pointed out that I was the ‘Lamb of God' and My apostles were led to follow Me as they realized that I was the ‘Christ' who

came to redeem mankind. They understood the full meaning of My coming when they saw more miracles in My ministry. The calling of My disciples is similar to how I called My prophets, as Samuel. It is not easy to understand My ways and to listen to My words. For some it may take years of study or a grace of My inspiration from the Holy Spirit. The hardest part to following My ways is for people to be able to give up following their own desires. Giving over your will to Me requires an openness in faith that can take a long time to develop in your love relationship with Me. Put your trust in Me to help you in all that you do, and you will see My Light and believe in My ways.

Jesus said: "My people, you have had a lull in your disasters with very few snow storms. Your weather has been warmer with less snow than normal, but the cold will be returning with snow in some areas. The concern is about the broken glass windows which means you could see some increasing incidents of violence and people who are desperate for food and living accommodations. Many of your people have had to take less paying jobs when the manufacturing jobs left for China. The middle class is losing net income to the cost of things that they can buy. They are getting by, but they are frustrated with decreasing incomes while the rich are getting richer. This frustration with less income could trigger some riots and looting of stores for what they feel they deserve. This lawless activity could trigger martial law if these riots get widespread. Your upcoming elections are not offering much hope that things will get better. Pray that your people will not resort to such chaos and looting because this activity will only cause worse problems.

Monday, January 16, 2012:Jesus said: "My people, in the first reading Saul was being reprimanded by God's word to Samuel about how his men offered the spoils of his enemy as animal offerings. This was against God's laws as well as any other abuses taken from their enemy. Because of these sins, God was removing Saul as the leader of Israel. This idolatry of possessions and wealth is still going on in your people of today. Anything, that gets glorified or idolized before Me, is against My First Commandment. I am more important than

anything else in your life. I am a jealous God, and I desire your love and that you place Me first over your possessions and your wealth. I am the One who has given you life and all that you have. I do not force My love on people, but those, who refuse to accept Me as Master of their lives, are on the broad road to hell. While those, who love Me by their own free will and follow My laws, will be on the narrow road to heaven.

Jesus said: "My people, there are many people who are working one or two jobs, and some retired people who have just Social Security and a small pension. It is difficult to keep a house and a car operating with a lower income. Some retired people are losing some benefits as their health coverage, and it is again expensive for insurance and drugs. I have asked people to live a simple life and to be content with their lot. The lower part of the middle class and the retired people are being forced to live this life already. Since many people rely on entitlements to survive, you will be seeing a difficult time coming when America's debts will force a cutback in entitlements. This is because there will not be enough money to fund them. Your government leaders are not facing up to your debt problems or your entitlements that will be running out of money. When these problems start, you will see major chaos and riots when people cannot afford food or paying for their lodging. This is why My people need to be ready to leave for My refuges when your money system will fail. Trust in My help to protect you and feed you.

Tuesday, January 17, 2012: (St. Anthony of the Desert)Jesus said: "My people, this ringing of bells by these people is a sign of their religious freedom. I have died on the cross for all peoples, and I have paid the ransom for your souls. So now you have been freed from the bonds of your sins. You can ask My forgiveness in Confession, and I will forgive your sins and restore grace to your souls. Some people accept My call to forgiveness, while the lukewarm and lovers of worldly things are refusing My grace. Those, who refuse to accept Me as their Savior, are still bound in their sins, and they are on the broad road to hell. In the world of nations there are varying degrees of freedom. Some are

restrained by communism, and some are controlled by social entitlements. Even though America claims to be free, the one world people are restraining you in your debts, and their control of the money. In the world it is hard to

Jesus said: "My people, this vision of soldiers fighting in the trenches is a sign of how My people are now involved with the battle of good and evil. There are groups and atheists that are trying to remove all mentions of Me in your society. If they cannot get their way, then they resort to the courts to push their cause against Me. You have just battled those people who were not wanting to wish people ‘Merry Christmas'. Some of you were wearing buttons about Christmas, and others were displaying Nativity scenes. Soon people will be marching in Washington, D.C. to protest your Supreme Court decision that supports abortion. My people need to stand up against abortion in protests against abortion clinics. You also may have to stand up against politically correct decisions because the worldly people do not want to follow My laws. Politically correct decisions are based on what is comfortable for man, instead of what I want man to do. This is why when you stand up for your faith, you will be persecuted for My Name's sake. As they persecuted Me, so these worldly people will persecute you as well. So when you defend life, proper morals, or other faith battles, you will gain graces in heaven for living your faith, even amidst persecution. ind justice, but with Me you will always have an opportunity to love Me, and I will direct you to heaven. Pray for your leaders to treat everyone fairly without taking away your Constitutional rights. The more these evil ones control you, as in your Health Plan and evil laws of control, the less freedom you will have. Pray for your country and for those who are away from Me because of their spiritual laziness.

February 2, 2012

Wednesday, January 18, 2012:Jesus said: "My people, just as you are aware of the Blessed Trinity of Father, Son, and Holy Spirit, there is also a trinity of evil

with Satan, the Antichrist, and the false prophet. This evil of Satan and the two beasts of Revelation will have a short reign in the tribulation time, but when I come on the clouds, the evil ones will be cast into hell. You are assured of My victory over evil because it is foretold in the Book of Revelation. So do not have fear of these evil ones because I will protect the souls of My faithful. Some of My people may be martyred for their faith, but these martyrs will become instant saints in heaven. The rest of My faithful will be protected at My refuges until My victory in less than 3 Â½ years after the tribulation begins. So it does not matter how fearsome the evil ones will appear. They will be defeated, even as David killed Goliath."

Jesus said: "My people, the only winners in wars are those who make money on the weapons. The losers are those who are killed or maimed for life. Those, who have their homes destroyed, are also at a loss because insurance will not help them. It is the one world people who make money on selling weapons to both sides of their wars. These wars also cause debts to increase America's National Debt, which is the largest reason for its increase. Wars away from America have spread your troops thin so there are fewer troops to defend your homeland. Your constant wars and spending on expensive weapons are ruining your economy, and killing many people. Many of these wars are used to fight over oil, and they have nothing to do with defending your homeland. It is the one world people who are constantly leading you into drawn out no-win wars. Pray for peace in the world, and do not follow the central bankers into their trumped up wars."

Jesus said: "My people, this vision of someone being tempted to go down a beautiful black marble stairway represents how the devil tries to draw you into a worship of worldly things. Going down into a dark stairway is like leading you down a broad road to hell. The devil attracts you with the latest homes, cars, TVs, and gadgets. It is one thing to buy something that you need for living, but it is another thing to constantly crave the newest things available with new pleasing features. Do not be taken up with worldly things so much that you make them more important than Me, as in idols. Keep a balance in your life between your spiritual life and your physical needs. This is why if you try to live a simple life of pleasing Me, you will find it more rewarding than trying to please your earthly cravings. Everything that you buy has a limited lifetime which either wears out, breaks down, or becomes outdated. This is why buying new things only satisfies you for a short time until you see something better. Try to keep

your things longer without always looking for the most exciting new thing to buy. Seek to please Me more than your desires for earthly things, and you will be less attracted to go down the devil's path."

February 2, 2012

Thursday, January 19, 2012:Jesus said: "My people, be careful not to be envious or jealous of anyone, or their goods. These are the ninth and tenth Commandments, and you can see in the readings how Saul was wanting to kill David because his fame was more than Saul's. This envy and jealousy is also what drove Cain to kill Abel because Abel's offering was more pleasing to Me. In the same way people can hold grudges or do serious crimes because other people have more possessions or money. There are always going to be people that have more or less money or things than you do. This is not a reason to be envious or jealous because this is how life is. One can strive to improve oneself, but do not seek to kill or steal to obtain something from someone else. This can happen with individuals and with nations. Some countries may want to go to war to obtain another country's oil or other resources as land. This is why you should be content with your lot, and follow My Will, rather than your own desires. By following My laws and loving Me and your neighbor, you will have joy and happiness here and in the life to come."

Prayer Group:Jesus said: "My people, it is sad that some people were hurt and some lost their lives due to human error. This latest cruise ship sinking was an unfortunate error on the captain's part. Once the people are accounted for, as much as possible, the next concern is to remove safely any remaining fuel to prevent a worse environmental disaster. Pray that any other problems are minimized, and that other captains will abide by their normal courses. Many cruise lines will suffer because of one foolish act."Jesus said: "My people, war in the Middle-East is becoming more of a possibility as Iran is threatening the oil tankers and the United Statesâ€ military ships. The strait leading into the Persian Gulf is narrow, and Iran could threaten ships there with land to ship missiles and their submarines. War could break out as some countries want to boycott Iranian oil. Having another war in this area could be another plan of the

one world people to drive up oil and gasoline prices that could cause a world recession."

Jesus said: "My people, you do not realize how close you are to a military takeover of your government by martial law. There are many detention camps across America that have been activated by FEMA and your Homeland Security forces. The one world people are planning a major incident that could trigger a national martial law that would enable them to takeover America, and make it a part of the North American Union. Your new laws are enabling your military to pick up any American and detain that person indefinitely. Be prepared to come to My refuges when martial law is about to be declared."

Jesus said: "My people, your national income collected in taxes is not matching the increasing costs of your wars and entitlements. There is a need for a compromise in raising some taxes and lowering some entitlements to close the large deficits being generated each year. Without some change in your Congressional gridlock, the next bankruptcy announcement that you will read about could be that of your own government. Only mild attempts have been made to date, but drastic changes are needed to preserve your social safety nets. With fewer people working, and more people seeking government assistance, there is a day of reckoning coming to your whole financial system. Pray for My help in getting you to your refuges when your money system crashes."

Jesus said: "My people, when your people were attacked on 9-11-01, many people came back to church. When your banking failure and recession occurred, again some people were going back to church. It is unfortunate that people only run to Me when they are fearful and in need. While people have money to live and a fair amount of employment, they are like Israel when they worshiped the gods of their neighbors. Then Israel suffered disasters as a punishment. So it is with America. You are falling away from Me as you worship your gods of materialism. Soon disasters will come upon you as a punishment, and again you will come to Me on your knees begging for My help. Live faithful lives in good times and bad times, and that will be enough for you to gain heaven."

Jesus said: "My people, I am grateful to all of My prayer warriors for your prayers for this sinful world. I rely on you daily to help balance some of the evil going on. Ask Me to double your prayers, and remember to make up any missed rosaries or any other prayers that you pray. Also remember that you are in a

battle for souls, so you need to keep praying for the conversion of poor sinners. Do not lose heart that evil appears to be winning, because in the end I will triumph over all the evil ones. Rejoice because My victory will occur in your lifetime."

Jesus said: "My people, I know that you have been praying and struggling to win souls over to Me, but it seems like an almost impossible task. Remember that all things are possible for Me, and I will choose the time for My victory to come. Even as you see the Antichrist preparing to declare himself, know that My victory is near. Have courage and bear with the coming tribulation, for the Antichrist's reign will be brief before I come. Trust in My help during this battle against evil, and soon you will have My reward in My Era of Peace and later in heaven."

February 2, 2012

Friday, January 20, 2012: (St. Fabian)Jesus said: "My people, beware of the demons who are roaming the earth to seek out the destruction of your souls. This vision of a large predatory fish is an example of what Satan and his demons are all about. There are many souls on earth under the control of Satan, but the souls, who are with Me, are his main targets for his temptations. So call on My angels and My graces to protect you from these evil ones who seek your destruction. These demons hate you because you can pray for the deliverance of souls that they have claimed for their own. So pray for your own soul, as well as for those souls around you in your family, your friends, and even those people who you do not know. Saving souls, and loving Me and your neighbors, are your most important goals in this earthly life."

Jesus said: "My people, this vision of a blank canvas represents how each person starts out his or her life with a clean slate. I have given each person unique talents to carry out one's mission in life. The first step in life is to be open to My directing you, and to avoid letting your will take you in an opposite direction. Until you let Me be the Master of your life, you will not be listening for My Word. If you come before My Blessed Sacrament and listen with your heart, you could be open to join your will with My Divine Will. When I give you My plan, it may not be easy to follow, and I may take you out of your comfort zone.

Accepting My plan and carrying it out in your actions, is a big struggle. So ask My help, and I will give you the sufficient graces to carry on. When you do My work, you will be persecuted at times, which means you will have to bear some trials. By following My plan for your life and using the skills that I gave you, your life will be a masterpiece where everyone will be able to see My hand in helping you. Follow My ways and My plan, and you will receive a great reward in heaven."

February 2, 2012

Saturday, January 21, 2012:Jesus said: "My people, the â€˜Wâ€ in the vision stands for war, and when it comes, there will be much destruction and fire. If Iran starts targeting oil freighters, you could see another Iraq with many fires on ships, fires at the large tanks, and possibly oil well fires. Such a war in an oil rich area could mean an environmental nightmare, and an immediate oil shortage for many nations, including America. Those, who are talking about expensive gasoline, are also assuming an oil reduction that will drive up oil prices and gasoline prices. When a war does come, the extent of the war will depend on how many nations will become involved. Pray that such a war does not evolve into a world war. Also, pray that such a war does not start, but the one world people are behind starting one. The repercussions of such a war will depend on how much oil exports are affected. Varying levels of a world recession could result if oil exports are shut down for any length of time."

February 2, 2012

Sunday, January 22, 2012:Jesus said: "My people, you see in today's readings the two different responses to My call in rejection or acceptance. In defense of Jonah, he was being asked directly to do something that was out of his comfort zone, with possibly being killed for speaking out against Nineveh. The apostles did not see such danger and persecution at first, but they later died for their faith in Me. I call many people in various ways to fulfill their missions in life. Some are called to a religious vocation, some to married life, and some to single life. There is another calling when I ask people to serve as My prophets and messengers. My son, when I called you for this task of preparing people for the

end times, you willingly accepted to do My Will. Even some people criticized you for accepting such a mission right away. Still, I am grateful for all of My prophets to carry out their missions. I have few people doing My work in the vineyard of souls, and I need My servants to speak out, and prepare My people for the spiritual battles that are going to get worse against the evil ones. Continue a good prayer life, and stay close to Me in My sacraments. Carry your blessed sacramentals as well for your protection from the demons. I love My people so much, and I do not want to see even one soul lost. But My prayer warriors need to keep praying for the conversion of the lukewarm souls, and those who have not had the faith."

February 2, 2012

Monday, January 23, 2012: (St. Vincent, Right to Life Day)Jesus said: "My people, King David had a successful reign because I walked with him. It was from King David's lineage that I became know as the â€˜Son of Davidâ €&#65533; in My ministry. Many of the Scribes wanted to criticize Me, and they even accused Me of being the prince of devils. They said this is how I could cast out demons. Instead, I told them that Satan could not stand if his kingdom was divided. I cast out demons by My own authority as the Son of God. But those, who blaspheme against the Holy Spirit, will not be forgiven. When there is no seeking of forgiveness in one's soul, then that person is on the broad road to hell. I have died for mankind's sins, but it is up to everyone to accept Me as Savior, and seek My forgiveness of sins in order to be saved. It is by My ransom of your souls, that your sins are forgiven."

(Day of Prayer for Unborn) Jesus said: "My people, I am grateful for even a small group of My faithful who came here tonight in support of the unborn. It is sad that more people are not here to make their statement of faith in supporting life for the unborn. This vision of strong supports holding up My Church, means My people need to have a good foundation for their faith. As you adore My Blessed Sacrament, you are worshiping the very Creator of life. At every conception I bring the life of the soul into that new individual. There is no value of money that can be placed on a human soul created by Me. Yet every day your abortions are discarded into your garbage without any ceremony of death, or acknowledgment that a life has been killed. Your death culture people are led by

Satan to kill man in your abortions, euthanasia, wars, and even death through man-made viruses and vaccines. Life should be considered precious at all stages of your development. The fertilized egg has 46 chromosomes no matter how many cells are subdivided and developed into a baby. So every person is human from conception. If life is truly precious, then why are your people not defending life at your abortion clinics, in your hospitals, in your elections, and in your courts? Your laws are to support life, and they should not allow such killing of the unborn. The morals of America have been so degraded, that you are slowly becoming a pagan nation that worships materialism. It is more important for some people to have a more comfortable life, than to take care of their children who I send them. Because of your abortions, America will suffer a punishment for the blood on your hands that you cannot remove. Work to stop abortion by prayer and action to help mothers have their children, instead of killing them. Even adoption is a better option than your piles of human garbage."

February 2, 2012

Tuesday, January 24, 2012: (St. Francis de Sales)Jesus said: "My people, you read about King David in today's reading in how he had the Ark of the Covenant placed in a tent in Jerusalem. Later on his son would build a temple to house the tablets of the Ten Commandments in the Holy of Holies. In the vision you saw two candles that honored My Presence in this Ark. Even today you see candles around all of My tabernacles where you honor My Presence in the consecrated Host of My Real Presence in My Blessed Sacrament. This gift of My Eucharist is how I am with you at all times to give you support, and I am with you intimately in Holy Communion. Many of My adorers come to adore and worship Me at My tabernacles, and when I am exposed in the monstrance. My sacraments are a blessing of My graces at all the stages of your life at birth, weddings, and even at death. I have given you My sacrament of Penance to have your sins cleansed, so you can receive Me worthily in Holy Communion. Rejoice in all of My gifts, even as King David danced around the Ark. You have been blessed in faith and My graces, so you are prepared to accomplish your mission by your actions in life. Give thanks to your Creator who has given you your very life to experience My love."

Jesus said: "My people, Iran is still making threats on shipping in the Persian

Gulf, but they have not made any moves yet with their missiles or their submarines. The new oil embargo by the European Union may not affect Iran if they can sell their oil to other nations. If Iran's economy is seriously threatened, it may cause a showdown between Iran's navy and the warships from other nations. This could cause a possible war where neither side wants to risk damage to the flow of oil. This tense situation could change very quickly, so the ships on both sides are on high alert. Keep praying that war does not come to this area, which could cause oil shortages and higher prices for oil and gasoline."

February 2, 2012

Wednesday, January 25, 2012: (Conversion of St. Paul)Jesus said: "My people, St. Paul was blinded by My Light, and later he had to be healed of his sight. Once he realized who I was, St. Paul became one of My most ardent missionaries. He brought the faith to the Gentiles and the Jews. Not everyone will have such a conversion experience, but I give everyone the same opportunity to believe and follow Me to heaven. In the vision there is a deeper meaning to life on earth, if you can see it through My ways instead of man's ways. If you look closely at My creation, you can see My perfection, and My hand in everything that I have created. Man has abused nature in many ways by changing the make-up of the plants and animals. Your manipulation of the DNA of your crops is causing more cancer, and upsetting the balance of nature that I created. I look at the big picture, while man only treats symptoms, as in your medicines. My faithful need to see My Light and follow My ways because this is the only true path to heaven."

Jesus said: "My people, you are seeing many signs of how the one world people are preparing to take over the world with their new world order. One sign is the coming possible war in the Middle East that is focused on Iran. This fight over oil could involve China and Russia, which could cause a world war. The price of gasoline will greatly increase, and gasoline could even be in short supply. Having some extra fuel may be wise for traveling to My refuges. Other signs are the possible collapse of the euro in the European Union. Your military can now pick up even Americans who do not go along with the new world order. After the Warning life review, the persecution of Christians will get worse, and the rise of the Antichrist will be coming. I will warn My faithful when it is time to leave

for My refuges before the evil ones try to capture you in their death camps. Call on Me and I will have your guardian angel lead you to My nearest refuge. You will be made invisible to the evil ones, so they cannot see you or harm you. Have some food, water, tents, blankets, and sacramentals in one place so you can quickly store them in your vehicles for your escape to My refuges. The tribulation will be an evil reign, but the time will be shortened for the sake of My elect. I will then bring My victory over the evil ones, and I will prepare My Era of Peace for your reward."

Thursday, January 26, 2012

February 2, 2012

Thursday, January 26, 2012:Prayer Group:Jesus said: "My people, beware of a possible new war that could involve nuclear bombs being used. Iran has chosen to start talks about their quest to make nuclear bombs. Such talks could be a delaying tactic to break the oil embargo that some nations are using against Iran. Even the threat of war in this oil rich area has already affected gasoline prices. If this war becomes a reality, there could be a true oil shortage if ships cannot make their oil deliveries. Keep praying for peace because nuclear war would be a worse disaster than burning oil wells."

Jesus said: "My people, you wonder why many people do not trust their politicians. When they make campaign speeches, these people say one thing, but their actions are completely the opposite. Another problem with your election process is that the media and the candidates waste more time on destroying the candidatesâ€ reputations than they spend on the issues that should be compromised. Many pieces of legislation are not voted on in the House and Senate, and even more are not signed by your President. Your power struggles are causing gridlock on the bills that need to be passed to fund your government. Pray for compromise to come in your Congress."

Jesus said: "My people, abortion has been a divisive issue, but My faithful need to stand up for the unborn who have no rights for life in America. These decisions in your court are like legislation from the bench, when it should be the vote of the people on such a basic right to life. Those, who support this death culture, will need to face Me in judgment for the killing of My babies. I encourage My faithful to keep praying for the stoppage of abortion, and protest

your immoral laws and decisions that advocate abortion. These millions of babies who were killed, are weighing heavily against America. Just as Israel was banished into Babylon, so America will fall to the evil one world order as its punishment."

Jesus said: "My people, be grateful that people are making sacrifices to prepare My refuges for My faithful during the coming tribulation. You have been given many messages on how to prepare refuges and what preparations that My faithful need to store for when you leave for My refuges. You will be facing an evil time that you have never seen before. So thank Me for warning you and helping you to prepare for the Antichrist's coming."

Jesus said: "My people, in the past these increases in the debt ceiling were passed without much debate. Now your debt has become so large that it threatens to erode your very government. The problem is that you have over $60 trillion in obligations for your current entitlements, and there is no way to find enough money to fund them. Medicaid, Medicare, and Social Security trust funds have been raided to balance previous deficits. Now these funds are nearly broke, and neither party is addressing the collapse of these programs. Instead of trying to blame one side or the other, responsible leaders need to have a plan to face these problems. If these problems are not addressed, your bankruptcy will come quickly."

Jesus said: "My people, I have told you how these evil ones have made hundreds of death camps in America with gas chambers and crematoriums. They made these camps so they can exterminate Christians and patriots who will not go along with their North American Union and their new world order. These camps are the one world people's preparation for when they will declare martial law, and they will try to force mandatory chips in the body on your people. Because of these threats to your lives, this is why I have encouraged people to set up refuges, and why you will need My invisible shield of protection. Bear with these trials for a brief time before I come and conquer these evil ones and cast them into hell. Rejoice in My coming victory when you will enter My Era of Peace."

Jesus said: "My people, as you pray at your meetings, you also are being informed of the events that will soon lead up to the Antichrist's coming. Being prepared for the coming tribulation will be very helpful in giving you hope in

My protection at My refuges. You can see before you, how evil is gaining more control over your daily lives. It is the one world people who are your largest threat to your freedom because they want to control everyone fully. Do not be afraid of these evil ones, because My protection is greater than their power. Trust in Me and I will provide for all of your needs."

February 2, 2012

Friday, January 27, 2012: (St. Angela Merici)Jesus said: "My people, this sin of having relations with another husband's wife is the subject of the first reading. It was made even worse when King David planned a devious means to have Uriah killed in battle. The first sin is bad enough, but sometimes the results can lead to another sin of abortion for any children that can happen. Many divorces have resulted from such infidelities. This lust in men's minds is why you have a pornography industry and prostitution. I have placed this passion in both male and female for the purpose of procreation. Unfortunately, this pleasure in relations is abused in many sins of the flesh. Even sins of masturbation are driven by this desire of lust. People need to be able to control their passion appetites as they do any other sinful desires. This sin of adultery or fornication is a mortal sin against the Sixth Commandment. It is a serious sin because it is linked to life in procreation. Remember that every conception results in new life, but it is only lawful between a married man and woman. I have told you before that more souls go to hell because of this sin than any other sin. This is why it is important to live chaste lives, and if you do fall into this sin, it is necessary to seek My forgiveness in Confession."

Jesus said: "My people, this vision of insulation wrapped around My faithful is a sign of how I am protecting them. I have shown you many plans of the evil ones who will try to kill My faithful. You will see wars, a falling dollar, bankruptcy, martial law, and terrorist activity. Do not be alarmed, but trust in My protection. When you see these activities that could threaten your life, I have advised you to call on Me to have your guardian angel lead you to My refuges. I have told you how your angels will wrap you in My protection with an invisible shield, once you are on the road to My refuges. Also, at My refuges you will have this same shield, and you can look on My luminous cross to be healed of any viruses or any other harm from the evil ones. With this protection, you should not have any

worries or anxieties. Those, who stay in their homes after My call to leave, could be risking martyrdom. So listen to My instructions and follow them, and you will see how I will fight to protect you from the evil ones. Keep wearing your blessed sacramentals and place blessed salt around you to keep the demons from harming you."

February 2, 2012

Saturday, January 28, 2012: (St. Thomas Aquinas)Jesus said: "My people, in the Gospel reading you can see My calming of the storm as I questioned My apostles for having such little faith. You are faced with threats of bad storms in the world by tornadoes, hurricanes, high winds, and ice storms. Many of these tests of nature show you how fragile your life on earth can be. In addition to the weather, you are always battling your jobs and investments just to survive financially. These worldly trials will test your trust in Me, even as My apostles were tested by the storm on the Sea of Galilee. There are also storms in your spiritual life, when you fall into serious sin, and when you have dark nights of the soul. The devil is tempting you every day, and with My help you need to guard your soul from sin at all times. Life in the body and in the spirit is a constant struggle, so look to Me for help in trusting that I am always at your side. You are not shielded from trials, but it is how you react to them in calling on Me that truly tests your faith in Me."

Jesus said: "My people, you are beginning to see the real reason for starting leftist â€˜occupyâ€&#65533; groups all over your country in several cities. Under the cover of complaints against the rich and capitalism, these protesters are starting to be more violent. You have just seen one group in Oakland, California trying to take over a building. In Los Angeles, California you are seeing black helicopters and military soldiers practicing drills in the city to handle unrest in large numbers. The â€˜occupyâ€&#65533; groups could be used by the one world people to cause riots and chaos that could give them an excuse to declare a national martial law to control the unrest. As the coming elections could cause a change in your government, there may be powers that want to grab control before another Presidential election is completed. If there is a large artificial revolt, be ready to leave for My refuges as martial law is about to be declared. I told you that I would give My faithful a warning to leave before martial law is

declared. You may have to leave in haste, so have all of your backpacks, tents, blankets, food, and water ready for storing in your vehicle. Many events will be coming together to trigger the coming of the Antichrist into power. My faithful will be protected from the evil ones at My refuges over this brief time of the tribulation."

Sunday, January 29, 2012:Jesus said: "My people, in today's Gospel you heard Me removing the demon from the possessed man by the authority of My voice as God. The demons recognized Me as the Son of God and they spoke out. I told them to be quiet, and they followed My orders. In today's world you are seeing a lot of evil things going on where people are flaunting their sin against Me. These people may appear to be in control right now, but they will soon answer to Me in their judgment. If they do not change their lives after My Warning experience, I will show them their path to hell. I will protect My faithful at My refuges, but the evil ones are going to get plowed into hell as in the vision. These evil ones are challenging My authority now, but in the end they will suffer for all eternity in the flames of hell. Pray for all sinners to change their ways before it is too late."

Monday, January 30, 2012: (Jenny DelVecchio Funeral Mass)Jesus said: "My people, it is difficult for Jenny's family to endure her passing, but she is in a peaceful place. You heard the priest say how I call My faithful home, and I also prepare a place for everyone. Even though you see Jenny leave you, you know that death is a part of life, and your stay here is short. The vision showed you a wilted flower to indicate her passing. You all begin at birth as a budding flower, and you blossom beautifully during your life. Jenny also was beautiful in her gift of life for everyone to see. All of you are called to die one day, either younger or older. As you get up each day, make the most of your life's opportunity in your prayers to Me, and all that you can do in loving and helping your family, friends, and neighbors. You do not know if you will live to tomorrow, so be grateful for every moment of life that you are given. Some take life for granted until they are

faced with a serious health problem, or they see others dying around them. Do not be anxious for your life, but live life to the fullest in My love. Pray for Jenny, and have some Masses said for her. She will be praying for all of you."

Jesus said: "My people, My people, a coming battle could erupt with Iran at any time. This vision of a tank battle could be with the remnant weapons still left in Iraq. A major war could involve a sea, land, and air battle that could possibly draw other nations as Russia and China to aid Iran. A war between your major powers could be the excuse that the one world people will use to initiate their new world order. America's manufacturing base is weak, and it would be difficult to provide a lot of weapons and manpower with all of your Defense reductions. The drumbeat for a war will be coming from your media, and such a war could even postpone your elections. Keep praying for peace so such a war with many nations does not begin."

Tuesday, January 31, 2012: (St. John Bosco)Jesus said: "My people, many people are looking for a means to obtain the wealth of this world, but I am the most important treasure of all. The vision of valuables placed into a purse represents the value of My blessings in faith. In today's reading you saw a woman who spent her wealth on doctor's to heal her, but her faith in My healing healed her, where the doctors failed. I even brought a young girl back to life after she died. Many of the gifts that I give you are worth more money than you could afford. You have also seen miraculous healings by faith in Me that are more valuable than any doctor's care. I am the Great Healer, and you have read of My many miracles, since I am the Son of God which was evidenced in My works. Rejoice in the wealth of the healings that I bring to everyone, especially both physical and spiritual healings."

Jesus said: "My people, this plan for a checkmate in a chess game is very much like the plans of the one world people who are planning a one world government. They have moved all of their pieces into precisely the right configuration for a world takeover. They control the money of each country by causing each country to get into so much debt that bankruptcy is inevitable. Once the currencies fail, the one world people will move in for their takeover.

This will set the stage for the Antichrist to declare himself as leader of the world. These evil ones will have a short reign before I will come in victory with My Comet of Chastisement. Once I defeat Satan and the evil ones, I will cast them into hell. Then I will renew the earth, and bring My faithful into My Era of Peace. Be patient for a while at My refuges, and you will soon see My glory on earth and in heaven."

February 16, 2012

Wednesday, February 1, 2012:Jesus said: "My people, there are times when certain people criticize My judgments or My Father's judgments. Is it that Our ways are not fair, or rather is it that man's ways are not fair? It is man's idea of how severe your punishment for sin should be. But who is man to make any judgments of Our actions? We truly love all of our creatures, and the angels as well. We have made man and the angels in Our image so that you have been given free will to love Us or not. The devil and the demons rejected Us, and hell was created as a punishment for them. I want all of you to love Me for who I am, and not for whom you want Me to be. I love you for who you are, despite your imperfections. I even love you unconditionally. So do not criticize My judgments, because they are just and fair, if you knew the whole picture. I ask you to imitate My Father's perfection, and not to criticize it. Just as the demons chose to reject Me, many souls reject Me also, and they will find the same punishment in hell for their lack of love. Your life here is to imitate My love in loving Me and your neighbor as yourself. It is not man's place to make judgments even of Me, but I am the only One who should judge souls. Live a life of love, and you will be fulfilling the reason that you were put here on this earth, to know, love and serve Me."

Jesus said: "My people, you remember the Gospel when the Sea of Galilee had a large storm on it that tossed the boat about, and My apostles were frightened. In panic they woke Me from My sleep, and I calmed the sea. Even today, My people are seeing many storms and earthquakes that are killing people. In the vision you saw yourself tossed about by waves against a small boat. You may face trials and persecution for spreading My message of hope in My refuges, and in My faithful leaving their homes. Your message is not an easy one, but as the events occur leading up to the Antichrist's reign, more people are being forced to

accept what you are warning them about. Be grateful that I am giving you the grace and My angels to defend you in My work for souls. Trust in Me and I will calm the waters of your physical trials, and your spiritual battles with the evil ones."

February 16, 2012

Thursday, February 2, 2012: (Presentation of Jesus in the Temple)Jesus said: "My people, My Presentation in the Temple was according to Jewish custom that blessed the first born male. This was a remembrance of the male Jewish babies that had to be killed when Moses was spared. I am showing you a Baptism because by My death on the cross, each infant is cleansed of original sin in Baptism. You are bathed in water to symbolize this cleansing of sin. The godparents receive My Light when they light a candle from the lit Easter Candle. This is another sign that I am the Light of the world that dispels the darkness of evil. Simeon was present as his promise of seeing Me was fulfilled. He prophesied to My Blessed Mother that a sword would pierce her heart when I would be crucified for mankind's sins. You also celebrate the blessing of candles that are used in your services to again affirm that My Light is among you. The sanctuary candle is a sign of My Real Presence in My Hosts in My tabernacles. Rejoice, when you celebrate My Kingship, even as you saw the Magi bring Me gifts honoring Me as a King."

Prayer Group:Jesus said: "My people, you are celebrating My Presentation in the Temple today. Both Simeon and Anna came to give honor to My Presentation. Simeon said: â€˜Now you can dismiss your servant since the promise given to me has been fulfilled.â€ He also prophesied that a sword would pierce the heart of My Blessed Mother. He could see how I would suffer on My cross for My people. It is difficult to receive ominous things to come that are hard to accept. Even your messages have prophesied a difficult tribulation where many will suffer, while My faithful would be protected at My refuges. Trust in My words as they are coming about as I warned you."

Jesus said: "My people, beware of the false New Age religion which actually worships earthly things and not Me. Idol worship of the sun, moon, stars, earth, and earthly crystals is dangerous because it draws people away from loving and

worshiping Me. I am your Creator and only I am worthy of your worship. Refuse to follow this New Age movement in the schismatic church. Stay close to My apostolic teachings of My one true Church."

Jesus said: "My people, beware of the coming Antichrist and of the false prophet who will try to draw you away from Me by lies and appearing miracles. The tribulation will see the Antichrist come with demonic powers that could mislead even My elect. Call on My protection and My angels to protect you from looking at the Antichrist's eyes or listening to his enticing words. This evil one is an imposter of My coming. You will need to come to My refuges where you will be safe from these evil ones. Be grateful that I am having blessed souls provide these safe havens for My faithful."

Jesus said: "My people, when you die, it is only the body that dies, because the soul lives on forever. This is why it is so important to plan the destination of your soul which should be directed to Me in heaven. To gain heaven you need to give your free will over to My Divine Will so I can come into your soul. Follow My Commandments, pray for souls, and do good works for your neighbor out of love. By following My plan for your life, you will be on the narrow road to heaven. I love all of you and I desire that all souls would love Me in return."

Jesus said: "My people, to the worldly souls your allegiance to Me will seem foolish in the eyes of the world. You will face such criticism because when you please Me by your good deeds, the worldly will call you religious fanatics. Do not be concerned about what others think because you know in your heart that you are doing the right thing to save your soul, and the souls of others. This criticism will become more violent in the persecution of your very lives. This is why I am leading you to My refuges of protection."

Jesus said: "My people, these death camps are real with gas chambers and crematoriums. Do not fear these things because My power is greater than all of the evil ones combined. You will not need physical weapons to defend yourselves because I do not want you to kill others to save your own life. My angels will be your shields, and they will fight the evil ones for you. They will cover you with an invisible shield so the evil ones will not be able to detect you. Trust in Me completely, and I will provide for your needs as I have done in the past and right now."

Jesus said: "My people, have no fear and be at peace because you will only suffer this persecution for a short time. I will never test My faithful beyond their endurance. I will also shorten this time of tribulation because I know the weakness of your flesh. By putting your full trust in Me and following My directions, you will be rewarded in My Era of Peace which will be very beautiful in every way. Be ready to suffer your Good Friday with Me on the cross, so you can gain your Easter Sunday with Me in My Era of Peace and later in heaven."

February 16, 2012

Friday, February 3, 2012: (St. Blaise)Jesus said: "My people, pride and greed have caused much sin among the people. Leave every action open to a yes or no decision based on whether that action may be sinful or displeasing to Me or not. If you let your pride lead you into any action, then you are not in full control of your free will. Anything that can control you, as pride or addictions, needs to be cleansed so you can act more freely. It is not easy to break these bad habits, but you must train your body in order to improve your spiritual life. This is why you should seek My approval in quiet prayer before you make your decision to act. If you act in haste, you could be sinning before you realize it. Pray for help in all that you do for Me every day."

Jesus said: "My people, King Herod had St. John the Baptist put in prison for publicly proclaiming that it was unlawful for him to marry his brother's wife. The message that I give you today is that My people need to stand up against the authorities in your government. Your government condones abortion as the law of your land. You need to pray for the stoppage of abortion, and protest the killing of innocent babies in the womb. It is not a matter of rights for the mother, but it is a matter of the right to life for the unborn babies. Your government is also trying to force Catholic hospitals to offer abortions, birth control devices, and pills to abort babies. This is an outrage of evil in that your government is trying to suppress the expression of your faith in forcing these sinful things in your own buildings. Your people should not be forced to do something against their religious beliefs. This is another place where you need to speak out against the edicts that should be superceded by your religious freedom in your Constitution. God's law comes before man's law, and you would rather obey Me than man's evil laws. Continue to speak out against the evil of your society, even

if you must suffer any persecution for your stand. You will gain graces in heaven for defending life and defending My laws against your evil society."

February 16, 2012

Saturday, February 4, 2012;Jesus said: "My people, in your first reading I gave King Solomon an opportunity to ask Me for anything, and he chose wisdom. If you had such a choice, what would you choose? I would hope that you would choose the gift of faith, and the desire to be with Me in heaven. With all of the devil's temptations, you should also pray for blessed endurance to remain faithful all of your life. In the Gospel you saw Me lead My apostles to a deserted place so they could take their rest in Me. It is important also to make some quiet time each day so you can offer your prayers to Me. It is in this quiet time that you could ask My help in discerning if you are on the right path in the works that you are doing for Me. At least once a month you should come to Me in Confession to be released from the bonds of your sins. I will cleanse your soul of sin, and restore My graces so you can fulfill My mission for you. At times you could make an appointment for a retreat to recharge your spiritual batteries. In day to day struggles you also need a rest to allow the retreat master to teach you how to change your life. You may need a change if you find yourself being overly distracted by the desires and pleasures of this life. Keep your full focus on Me at all times so you do not allow the devil to infect you with all kinds of addictions. Wear your blessed sacramentals, and call on My angels to protect you always from the temptations of the devil. By following Me, then you will truly be rewarded in heaven for your faithfulness throughout your whole life."

Jesus said: "My people, I am showing you the flames of fire in hell where many souls are suffering forever. Other souls are suffering in the lower flames of purgatory, and they are being purified for heaven. When you see how much condemned sinners suffer in hell, you do not want anyone to go there. This is why I send out My missionaries and My faithful to save souls from hell. It is not easy to convert souls from the desires and pleasures of this world to follow Me. To follow Me you must give your will over to Me, and follow My Commandments. I ask you to offer up all of your sufferings to Me as you share your pain with Me on the cross. Keep praying for poor sinners no matter how much they reject your attempts to save them. You could bring them to Me for

their salvation as I have mercy on their souls. I love all souls, and I do not give up on anyone until that person's dying breath. Once a soul leaves its body, then it will face Me in its judgment. It is then that your prayers could intercede for that soul. I ask each soul at the end if they are willing to accept Me or not. It is this last decision that will decide that person's fate. Remember to pray for the souls in purgatory who may be suffering in flames, and they do not have My Presence among them. The joy that you have with Me in Holy Communion is denied for the souls in purgatory."

February 16, 2012

Sunday, February 5, 2012:Jesus said: "My people, the family is a very important nucleus for the basic units of your society. It is very precious to guard the unity of your families with prayer. It is difficult with your daily events to get your family together at least for your evening meal. Let your prayer before meals be a beginning to join Me with your family. I love all of you and I want to see love, peace, and harmony in each family. You have heard the expression: â €˜The family that prays together, stays together.â€ If possible try to have your family pray a rosary together, or at least one decade of the rosary. The husband and wife should also try to pray some prayers together. I know that you pray your own prayers, but it is important for unity with Me to pray together. Once you form this prayer together as a habit, you will see it as a part of your life with Me. Parents need to help their children with all parts of their lives, including the teaching of the faith. You can lead by your good example in having a house rule to go to Sunday Mass. Teach your children the value of daily prayer so I can support them both in good times and in trying times. Invite Me and My Blessed Mother to protect your home by consecrating it to My Sacred Heart Enthronement. Place some blessed medals and statues or holy pictures around your home. By striving to keep your families together in love, you can imitate My Holy Family. Love your children, and show them your affection and true concern for their daily lives. Thank you for coming together in a Catholic marriage as a loving environment for your children."

February 16, 2012

Monday, February 6, 2012: (St. Miki and companions)Jesus said: "My people, in the first reading you read of how King Solomon stored the Ark of the Covenant in the Holy of Holies in the Temple. The Ark of the Covenant contained the two tablets of the Ten Commandments from Moses. The cloud of God came around the Holy of Holies to indicate God's Presence. In the vision you are seeing how the honey is stored by the bees in their beehive. This refers to when you have Me in Holy Communion, that I am sweeter than the honeycomb which is mentioned in the Scriptures. You have My very Presence stored in the consecrated Hosts that are in all of My tabernacles. Not everyone believes in My Real Presence that is in My Eucharist, but I am there just the same. When you come to adore Me in My Blessed Sacrament, I am always there to speak to the hearts who are listening for My words of direction and discernment of your problems. Be grateful for My gift of Myself to you in My Blessed Sacrament."

Jesus said: "My people, you could soon see some strange images in the sky that your media will draw your attention to them. Previous lasers were used to make unusual shaped colored stars that the Antichrist has taken credit for in announcing his coming. As more of these strange images appear, more people will be curious about them, and they could be mesmerized by thought messages coming from them. Avoid looking at the Antichrist's eyes and any of these laser beam images that could ruin your eyes, or hypnotize you with strange voices. As more evil power starts to affect your governments, you may be forced to go to My refuges of protection. Be prepared for strange images and voices that could occur more frequently, and avoid them as much as possible."

Tuesday, February 7, 2012

February 16, 2012

Tuesday, February 7, 2012:Jesus said: "My people, in the vision of various shelving, there is a representation of the seven different levels of heaven. I am showing you this so you cannot only strive to get to heaven, but you can even seek the higher levels of heaven. Each level going higher requires a stronger faith commitment and more effort to save souls, as well as coming closer to Me in your daily prayer life. The more you help others out of love, the more you show your love for Me in them. Striving for the higher levels of heaven will

require going out of your comfort zone, and it may risk persecution to stand up for life at all stages. In today's Gospel I criticized the Pharisees who demanded strict adherence to the Mosaic laws of purification. I told the people to follow their teachings, but not to follow their actions because they were hypocrites in doing what they pleased. Instead of following just the letter of the law, My people should be following the spirit of the law of love. My Commandments were summed up in that they directed you to love God and your neighbor as yourself. To truly follow Me, you need to follow Me out of love from your heart. You need to move from just a knowledge of My laws from your head down into your heart, where your actions are done out of love for Me. By doing everything for Me, then you will not be a hypocrite, but a lover of doing things for My sake only. This allows you to give your will over to Me in all that you do."

Jesus said: "My people, in the vision you could see factory windows being opened, which means a few more jobs are being found to keep your economy moving forward. Conditions around the world are changing so American factories are getting more competitive so some jobs could stay in your country. Your corporations still have to deal with an unknown tax environment, and the cost of your health benefits are still being determined. It is still a net cost of doing business that determines whether it is cheaper to export jobs overseas or not. Your unemployment rate is coming down slowly, but there is always a question of how many workers are not seeking jobs. It is the middle class that is struggling the most because they have had to take lower paying jobs and the retired people are having it hard to make income on interest at such low rates. The poor are surviving on entitlements, while the rich are getting richer. America's debts are building faster than the taxes that can be collected, which is why the deficits are not going down. Your entitlement programs also need some drastic changes in funding and distribution, since they will soon run out of money. Pray for your people that your finances can be resolved, or America could be facing bankruptcy as Greece is."

Wednesday, February 8, 2012

February 16, 2012

Wednesday, February 8, 2012:Jesus said: "My people, King Solomon had great wisdom as a gift that he chose from Me. The Queen of Sheba verified his wisdom, and she brought him gold and spices as a tribute. The servants and

people of his court were dressed beautifully to add to the majesty of the king. Many of these clothes took much labor to make in his day. In today's world your cloth is made by modern looms, and your garments are put together with cheap labor overseas. Even as you dress yourselves to have a good appearance on the outside, many people are not as concerned with how their souls appear to Me on the inside. In the Gospel I made a note of how people are not defiled by how they eat food, but they defile themselves by how evil comes from their heart into their actions. This again is why My people need to concern themselves more with keeping their souls clean by proper behavior according to My Commandments. Your soul's appearance in grace is more important than your nice clothes or how you follow earthly customs. Keep your focus on loving Me and your neighbor, and you will have a pure soul. Keep your soul pure also with frequent Confession to remove any tarnish from your sins."

Jesus said: "My people, I have told My faithful that My angels will put a shield of invisibility around you to protect you from the evil ones on your way to My refuges. Let Me explain this in a little more detail. You will have various authorities searching for you, but they will not be able to detect your car or you inside. Those, who have chips in the body, will be on the evil one's side, and they will not be able to detect you either. My faithful, who have crosses on their foreheads, will be able to see each other. Even if the gas runs out in your car, you will be able to continue on with your bikes that you will store in your car. As you ride your bike or walk, these evil ones will still not be able to detect you. This shield is a protection both on the way to My refuges, and once you arrive at My refuges. Be grateful for My angel protection so you will not need physical weapons for any killing. Rejoice that you will be protected from those who want to kill you in their death camps. Love everyone, even your enemies, and pray for the conversion of sinners before it is too late."

Thursday, February 9, 2012

February 16, 2012

Thursday, February 9, 2012:Jesus said: "My people, even though King Solomon was given many gifts, he had many foreign wives who he appeased by making shrines to their foreign gods. Because of this sin of idolatry in worshiping other gods, I inflicted a punishment on his house through his son. Even today there are people who worship idols of sports, money, and possessions. Remember that

such idol worship is against My First Commandment which says I shall have no other gods before Me. I am the only One worthy of your worship, which is why you need to come to Sunday Mass according to My Third Commandment. In the Gospel I healed a foreigner's daughter of a demon because of her faith when she said: â€˜Even the dogs eat the scraps that fall from the children's table.â €&#65533; This healing of others than just the Jews is a forerunner of how St. Paul spread My Word to all the Gentiles. For truly I came on this earth to die for the sins of all mankind. My original mission was to teach the Jewish people, but in many instances I healed the Gentiles as well. My faithful should also reach out to evangelize all the nations without any discrimination. I love all peoples, and I wish to offer everyone an opportunity to be saved. So work to bring as many souls to Me as you can."

Prayer Group:Jesus said: "My people, I spoke to you recently about the Antichrist claiming that these stars in the sky are a sign of his coming into power. This is to mimic the Star of Bethlehem that announced My coming to the earth. I also warned you that these stars were not miracles, but they were made with lasers. Before, I talked about voices in the skies that could possibly draw people to worship the Antichrist. Now, people are hearing sounds in the sky that some are saying they sound like trumpets or horns. It is curiosity that could draw people to seek out the source of these sounds. Beware of these voices, strange sounds, and laser beams that show circular designs in the night sky. They are being perpetrated by the Antichrist to get people to understand the announcement of his coming."

Jesus said: "My people, mandatory chips in the body are coming to you through the new Health Plan passed by your Congress and your President. Do not take any chip in the body because these chips will control your free will with voices. These voices will be transmitted from satellites and cell towers right to the chips in the body. These voices will hypnotize people with implanted chips, and they will be controlled like robots. These voices from the skies are exactly the ones that I told you to avoid so you are not tempted to worship the Antichrist. Call on My protection from My angels and remember to refuse any chips in the body."

Jesus said: "My people, this new Health Plan is about controlling the people. They want to computerize your medical records just like Hitler did in starting his eugenics program which is similar to the history behind Planned Parenthood. The most recent decision to force hospitals and Catholic operations to provide

abortion devices goes against My Church's teachings against birth control and abortion agents. My people need to stand up against this Health Plan in all of its evil designs."

Jesus said: "My people, I told you that little by little the evil ones in power will be taking away your freedoms, and especially your freedom of religion. It is one thing for women to want available birth control devices and abortions. It is a violation of your freedoms when Catholics in the health field cannot refuse to partake in abortions or handing out birth control devices. This problem will be extended into mandatory chips in the body, and eventually mandatory flu shots. You need to fight these evils in this Health law."

Jesus said: "My people, it is true that Catholics would be offended by taking away their religious freedoms. But there are many Catholics who are using birth control and voted for your current President. He also promotes abortion. There is some hypocrisy among Catholics where they know My Church's laws against abortion and birth control, but they do not obey these laws in their actions. Pray that Catholics will not just be in name only, but that they will live their faith out of love for Me."

Jesus said: "My people, you are seeing an increasing persecution of Christians and patriots as your freedoms are being striped day by day by your government's laws and edicts. Your government can now pick up any American they choose whom they deem is a threat to your society. This could even be interpreted that those who are against government policies on abortion, religious freedom, or over spending in National budgets, could now be detained indefinitely in detention centers without a trial by jury. Your freedoms will be striped to the point that your only safe place to live will be at My refuges. Prepare for leaving because your rights will soon be non-existent when the North American Union is adopted."

Jesus said: "My people, the time of the evil one's control is growing short, so they will have to speed up their takeover. This means that the one world people will stop at nothing to manufacture a reason for another war and an event that would precipitate martial law. All the means are available to cause a bankruptcy, pandemic virus, false terrorist acts, mandatory chips in the body, and mandatory flu shots. When any of these things occur, My faithful will need to pack up their things quickly and leave for My refuges before they can capture them. Because

time for the demons is short, expect these events to come very soon."

Friday, February 10, 2012

February 16, 2012

Friday, February 10, 2012: (St. Scholastica)Jesus said: "My people, I have told you that Satan's time is short, so he will be using his minions to speed up your current events. I also said that once you see the signs of the Antichrist coming into power, you know that My victory is near. Before the Antichrist comes, I will send you My Warning. This vision of a large wind coming from a circling fan represents the same wind of the Holy Spirit that entered My apostles in the upper room. After they received the Holy Spirit, they were given courage to take My message of love in the Gospel out to all the nations. So it will be with My Warning experience when all of you will see your sins in your life review. Many will have a strong desire for Confession, and they will be open to conversions with the help of My faithful. This power of the Holy Spirit will help the people to withstand the power of the evil of the Antichrist. You will be warned in the Warning not to take any chips in the body, and not to worship the Antichrist. Even get rid of your TVs and computers after the Warning so you do not look at or listen to the Antichrist who could cause you to worship him. You will be warned as well to call on Me to bring you to My refuges of protection when the evil ones will want to kill all of My believers. The Warning is a wake-up call spiritually, to give sinners an opportunity to change their lives. They will face their mini-judgment if they do not change. Use this coming Lenten season of grace to prepare your souls for what is to come."

Jesus said: "My people, this vision of Me holding a sickle on My throne in heaven is a sign that the time for the harvest of souls is getting close. This is written in the Book of Revelation (14:14) â€˜Then I looked and there was a white cloud, and sitting on the cloud One who looked like a Son of Man, with a gold crown on His head and a sharp sickle in His hand.â€ (Message 5-19-07) This is like the miraculous picture that you have in your Bible. This part of Revelation comes after the seven trumpets. I will come first to gather My elect into My barn of heaven. Then I will have My angels wield their sickles in gathering the clusters of grapes that represent the gathering of the evil ones who will be cast into hell. Once these souls have been separated, I will renew the earth, and bring My people into My Era of Peace. Have patience My people,

because My victory will be coming after a brief reign of the Antichrist in the tribulation."

February 16, 2012

Saturday, February 11, 2012: (Our Lady of Lourdes)Jesus said: "My people, the last line in the reading of one of Israel's leaders showed that his kingdom would be lost to decay because of the worship of the golden calves before Me. My First Commandment is about worshiping Me only, and those, who did not worship Me in history, were punished by various ways that led to their ruin. Without My blessings, you will fall to your earthly ruin as well, because you are dependent on Me for everything. So do not place any idols before Me as your money, fame, or possessions. In the Gospel I fed the four thousand people with the multiplication of bread and fish, and the people collected seven baskets of fragments left over. I am generous to My people as I offer My very Self to you in My Blessed Sacrament. You receive My Holy Manna in Holy Communion as I intimately share My love with you. Give thanks to Me and worship Me for all of the gifts that I bestow upon you."

Jesus said: "My people, some people will be called to My refuges in caves or little homes built into the side of a hill. I am showing you in this vision a large heavy plastic cylinder that is closed on one end, and it has a door on the other end with a plastic window and an open screen up high for air to come in. The dimensions are at least seven or more feet wide to walk in, and at least ten feet long to bed down in a tent or sleeping blanket to keep warm. The door and the tent are to keep out bugs, snakes, and animals. You will need wind-up flashlights for light and possibly something to make a fire near the entrance to keep warm and for cooking. By having dirt all around the cylinder, you could be concealed from people and from the sky. Trust in Me and I will provide you a safe place to stay, and I will provide for your food and water. The tribulation will be a very difficult testing time for your faith, and you will be striped of your earthly pleasures. Have patience and pray, and you will have your reward in My Era of Peace, and then in heaven."

February 16, 2012

Sunday, February 12, 2012:Jesus said: "My people, in both readings you are seeing how people with leprosy were quarantined and called â€˜uncleanâ €&#65533; in these older societies, in order to protect others from getting a contagious disease. You have certain outcasts even today in people with AIDS, tuberculosis, and other contagious diseases. You also have people with immoral habits and covens of evil that are even more dangerous for your souls. Those, who deal with selling drugs, pushing prostitution and pornography, and similar evil addictions, are infecting people with the demons of addictions. Even those, who promote and carry out abortions, are an evil in your society. The death culture that promotes abortion, euthanasia, wars, and life threatening man-made viruses, are led by Satan to reduce the world's population. You have demons all around you encouraging such evil behavior. I am here as a Light of grace to dispel the darkness of evil, and protect My faithful from the demons and their temptations. I give you each a guardian angel to protect you from the demons. I give you My sacraments of grace and My blessed sacramentals also to protect you from the demons. I know your weakness to sin as a consequence of Adam's original sin. I give you My sacrament of Penance to seek My forgiveness of your sins, and to restore My grace in your soul. I am asking My faithful to stay close to Me in prayer and My sacraments, and to follow My Commandments of love. By doing this, you will be free of evil, and you will be on the narrow road to heaven. Remember that an unclean soul in mortal sin is more dangerous to your spiritual life than any physical disease. Better to run to Me in Confession so you can always have grace and life in your soul."

Jesus said: "My people, you are sharing in My suffering on the cross while you are struggling through life on this earth. Many people are despairing sometimes with the relentless evil going on in the world. I am showing you this vision of My Transfiguration so I can give everyone hope in your goal to be with Me in heaven. I suffered your human condition, so I know the frustrations and trials that you are going through. When you see My glorified Body, you see your own body one day that will be rejoined with your soul at the last judgment. So My people need to be patient and trust in Me, and you will have your reward in heaven. This life is very short and your sufferings will also be short. Think about being with Me forever in My beatific vision, and this life's trials are worth being purified to be with Me. Thank you for your prayers today since you are helping to balance off all the evil going on in the world."

February 16, 2012

Monday, February 13, 2012: (Frances Lombino Funeral Mass)Jesus said: "My people, Frances welcomes you all to her funeral, and she is happy to see her family come that meant so much to her. She is happy that you are praying for her, and having Masses said for her. She is in a peaceful place, and she will be watching over you. It is hard for the family to part with one of their members, but it is good to know that she was a lady of faith. She had many years of dedicated service to helping people. She is an example of faith to all of her family. Rejoice in the gift of her life from Me."

Jesus said: "My people, I am showing you this peaceful pool of water because this is how I want you to keep peace in your soul, despite all of the upsetting trials that happen in your world. I have told you how My people will see more persecutions coming against them as they draw closer to the tribulation. The latest trial is with your President where he is trying to force Christians to hand out birth control devices and other things against their faith in Me. This is another example of the growing persecution against My people. People in this world ask for a sign of what is going on, but they do not read the signs of wars, famines, and persecutions as a sign of the end times. You need to have eyes of faith and a knowledge of Scripture to realize that you are living in the end times. Stay close to Me in My sacraments and your daily prayer as you prepare to come to My refuges of protection. Trust in Me, and I will provide for your needs, despite the control of the Antichrist."

February 16, 2012

Tuesday, February 14, 2012: (St. Cyril & St. Methodius)Jesus said: "My people, the leaven of the Pharisees and of Herod is how they used their authority to lord it over the people. They liked to use the law to their advantage, but they did not follow the law for themselves because they were hypocrites. This is why I warned My apostles not to follow their actions. There is another connotation for not putting leaven or yeast in the bread. In the days of the Exodus the people ate a food of haste when they did not have enough time to allow the bread to rise, and they omitted the leaven. This is the same kind of bread that I used for the

Passover Meal at the Last Supper when it was not leavened. It is the same unleavened bread that you receive in Holy Communion. During the Exodus, My people collected the manna from the ground that also did not have leaven. During the modern day Exodus, My angels will give you a consecrated manna of Myself in Holy Communion at My refuges. So unleavened bread is special when you share My Real Presence at Mass."

Jesus said: "My people, it is difficult to start all over with a new house after your original house was destroyed by high winds or a tornado. Only older people may have their mortgage paid, but most people have outstanding mortgages. Insurance may not cover all of the home's damage in order to pay off this mortgage. That is why it would be hard to get a new mortgage for a new home on top of paying for the original mortgage. Jobs may also be lost in such storms which adds to the problem of having enough income to start over. You will be seeing this scene again as you enter another tornado season in the spring. Even in America's spiritual decline, My faithful also need to work to convert sinners to rebuild My Church. Many lukewarm souls are falling away from their faith by missing Sunday Mass. It is difficult also to reconvert these fallen away sinners. It is going to take My Warning experience and some serious disasters to wake people up spiritually from their laziness. This will be the time when My faithful will need to help those souls who want to come back to Me. This may be the last chance for many sinners to change their lives before they could be lost to the devil. Keep praying and spreading My Word to save as many souls as you can."

March 2012

March 1, 2012

Wednesday, February 15, 2012:Jesus said: "My people, you have complained about the new Health Law that your President and the Democrats have forced on you. Little by little the effects of this law are taking their toll. The latest forcing of handing out birth control devices on all of your religious organizations is just the beginning of your problems. As your government looks to make cuts in your

Health plans, you will see rationed care, especially less care to be given to the elderly. Eventually, these same authorities will try to force mandatory chips in the body on you for your identification. You will soon need this chip for your Health care, and any government entitlement as Social Security, Medicare, Medicaid, and welfare. Even food stamps will require such a chip in the body. My faithful need to be prepared to refuse this chip in the body, even if it means not receiving health insurance or entitlement aid. Once mandatory chips in the body are required, the evil ones will come to your homes to implement this edict. If you refuse to take this chip in the body, they will place you in detention centers, and you may be tortured and killed. This is why I will warn you to leave for My refuges before these one world people come to your home. Mandatory chips in the body were in your original Health Bill, and it is just a matter of time before these chips in the body will be forced on you. Do not take this chip in the body because the black box in the vision will send voices to your chip to control your free will and make you into a robot. It is better to die for your faith, than to lose control over your mind and soul."

Jesus said: "My people, the one world people have plans for a war in Iran and possibly Syria. They will be using the media to drum up support for this war. There may even be a fabricated false flag that could be created to bring the US into such a war. It is ironic that the same people, who are cutting your Defense budget, are the same people who will be calling for such a war. Iran's army and missiles are much more numerous and sophisticated than what America faced in Iraq. Any war in this region of the Middle East will affect oil deliveries, and that will precipitate high oil and gasoline prices. If Russia and China become involved, then you could be on the brink of a world war. A miscalculation on either side could start a war that may be hard to finish. Because America is still dependent on foreign oil, you will be involved in any war in this region. Such a war could strain your National Debt into bankruptcy. Your people need to pray that this war does not start, or you could see some nations destroyed by nuclear weapons."

March 1, 2012

Thursday, February 16, 2012:Jesus said: "My people, volcanoes, as you know, can erupt with great violence, smoke, lava, and fire. Volcanoes are active all over

the earth, but at times there are huge eruptions that spew smoke and ash for miles into the sky. These large eruptions can even cause visibility problems where planes have to be rerouted, or their jet engines may cease operating. Even weather can be affected if enough sun is blotted out. You have seen several recent articles speaking of the possible eruption of some super volcanoes that could greatly change your landscape. The Gospel speaks of My calling St. Peter, Satan, because he did not want Me to suffer death on the cross. This was against My plan for saving all of mankind, which is why man's ways are not My ways. There is another evil that will be entering your world. I mentioned before that the demons are increasing their presence on earth as they leave hell and come out of these volcanoes. You are seeing evil things increasing in power before the Antichrist comes into his reign. Do not lose heart because evil will have a short reign before I return to defeat the demons. I will protect My faithful at My refuges, so have no fear. Rejoice that you are living in a time soon when all evil will be conquered, and you will see My Era of Peace."

Prayer Group:Jesus said: "My people, today you are fighting for your religious freedom where you do not want to be forced to do something against your faith as handing out birth control devices. Tomorrow you will soon be struggling for your life as you will be persecuted for just believing in Me. Right after My death, all Christians were at risk of being killed for their faith as St. Peter and St. Paul were martyred. As the evil people gain in power, your persecution will worsen because the one world people will be trying to eradicate Christianity. My faithful will have to seek My refuges for protection."

Jesus said: "My people, today you are complaining about not enough jobs, and poor pay for non-manufacturing jobs. In the future reign of the Antichrist, you will become like slaves again to satisfy your one world masters. A world government is coming, but the Antichrist will become a tyrant like many of your dictators. Do not take his mark or a computer chip in your body, and do not worship him. My faithful will be hiding at My refuges, but those, who take the chip in the body, will be slaves in doing the bidding of the Antichrist. Trust in Me that these evil ones will be defeated, and My faithful will then be brought into My Era of Peace."

Jesus said: "My people, some people do not want to believe that the tribulation of the Antichrist is about to take over. They think with enough prayer and sacrifice that the tribulation could be avoided. Unfortunately, this coming of the

two beasts in Revelation is what is foretold, and it will happen accordingly. Prayer may shorten the time, but the world will be tested by this evil. The choice will be to stay with Me in faith, or some will choose the evil one and they will be condemned."

Jesus said: "My people, in today's world with so many temptations abound, it is hard to remain faithful to My Word. It takes spiritual courage to go against the political correctness of the worldly people. There is also a risk of your rights and your life to openly fight the one world people who control this world. It takes spiritual stamina from My sacraments to stand up for your faith in Me. Some of My faithful will be martyred for their faith, while others will be safe at My refuges. Even if your life is threatened, never give up your belief in Me. Anyone, who gives in to following the Antichrist, is on the broad road to hell with no spiritual backbone. Be strong in the faith, My people, for your reward will be great in heaven."

Jesus said: "My people, those, who are standing up for their religious freedom, should be commended for not backing down and not taking the easy way out. When you believe in Me, you may have to come out of your comfort zone to stand up for your freedoms. Your current administration has taken away many of your freedoms guaranteed by your Constitution. It is about time that your people realize what is going on, and now they are speaking out against your President's edicts. If you do not take a stand for your religious freedom, then all of your freedoms will be taken away when these evil ones bring in the North American Union. Be prepared for a heavy handed battle against your rights."

Jesus said: "My people, for years the one world people have chosen your Cabinet leaders no matter which party controlled the Presidency. It is this money and control of your media that shapes your candidates and the polls that are taken. If your people can discern the truth, this should be directing your vote. It is difficult to fight this one world power in your government because money and corruption have ruled for many years. You will not see true justice in your world until I come and defeat the evil ones of your society. Have patience at My refuges until you see My return. It is then that I will treat these evil ones with My justice for their evil actions. My faithful will be vindicated for your faith in Me, and you will be rewarded in My Era of peace and later in heaven."

Jesus said: "My people, the season of Lent begins next week with Ash

Wednesday. This is a beautiful time to try and improve your spiritual life with more prayer and fasting than usual. Try to work on any sinful addictions of your more frequent sins that you confess in Confession. Make some Lenten resolutions that you could maintain throughout all of Lent. Write them down and work everyday on your goals. You need to keep reminding yourself of your intentions and check frequently on your progress. Do not feel down if you fail at times, but pick yourself up and keep trying to fulfill your resolutions. I do not condemn sinners for their sins, but if you stop asking for My forgiveness, then it is hard to justify souls with cold hearts to My love. So keep coming to Me in frequent Confession with a firm purpose of amendment to stop committing the same sins."

March 1, 2012

Saturday, February 18, 2012:Jesus said: "My people, you are seeing unusual weather this year in warm temperatures and less snowfall in some Northern States. You have seen floods, tornadoes, and various cold spells in Europe that have killed hundreds of people. At times you see the disasters, but they are happening with more severity as when you saw the worst damage that you have seen last year more than any other years. This violence in your natural disasters is a reflection of the violence of your wars and your violence in killing My babies with abortion. The Israelites worshiped foreign gods, and they were exiled and banished from their land as a punishment. So now America is becoming a pagan nation with your sexual sins, homosexual acts, abortions, and the worship of money, possessions, and sports. Because you are turning your back against Me, your country will be taken away from you, and the one world people will take it over as a punishment for your sins. You will be in exile also where My faithful will need to come to My refuges of protection. Only those faithful with My cross on their foreheads, will be allowed into My refuges. Repent of your sins in Confession as all of you will suffer this persecution at the hands of the Antichrist and the evil people. Trust in Me and you will be protected."

Sunday, February 19, 2012

March 1, 2012

Sunday, February 19, 2012:Jesus said: "My people, you are seeing how many events are leading up to the time of the Antichrist's declaration. Before he comes into power, I will send My Warning experience to everyone on earth all at the same time. I love My people, and I will give everyone an opportunity to be saved. This illumination of conscience will bring all of you to Me as a brilliant light. Then I will give all the people a life review of all of their actions. There will be a focus on the unforgiven sins, and at the end of their life review, there will be a mini-judgment to heaven, hell, or purgatory. Many will have a strong sense of sorrow for having offended Me, and there will be a strong desire for Confession. This experience will help people prepare their spiritual and physical lives for what is to come during the evil reign of the Antichrist in the tribulation. Take advantage of your Lenten devotions to get your spiritual life in order so you will have spiritual courage to carry out My mission in bringing My faithful to My refuges of protection. My angels will help shield you from the evil ones, and they will bring you daily Communion, food, and water for your needs. Have no fear of the evil ones who I will conquer and cast into hell. Be faithful to your daily prayers, daily Mass when you can, and help your neighbors in their physical and spiritual needs. Events will move quickly now, and even more so after My Warning. I love all of you, and I want My people to love everyone, even your enemies and those who persecute you. Your persistent prayers will be needed in bringing your families and friends back to faith in Me."

Monday, February 20, 2012:Jackie said: "I am happy to be free as the birds that you are seeing because of the suffering which I had to endure. I am with My Jesus, even as I suffered with Him on the cross as a victim soul. I want to thank E. and all of my care givers for helping me in this life. I will be praying for them and My family. Having a free spirit is such a release from all of the demands of this earthly body. One day you will all appreciate this freedom as well. I love you all, and keep close to my Jesus."

Jesus said: "My people, you have demons among you in the masons within My Church. It is My Light that will expose who they are, and I will cast them out of My Church as I cast out the demon from the young boy in the Gospel. You will see a division in My Church between the evil schismatic church and My faithful

remnant. This schismatic church will be possessed by demons, and they will teach New Age which is an abomination inside of My Church. Once these elements are divided, I will no longer be Present in the Masses or tabernacles of this schismatic church. My faithful need to avoid these false teachings and idol worship that is not of Me. By their works and false worship, you will recognize them. Call on My good angels to defend you from the demons in this evil church that will teach sexual sins are no longer mortal sins. Trust in Me to give you discernment of the evil ones in My Church before this split. Those, who proclaim false teachings, are not to be followed in any heresies, no matter how high they are in My hierarchy."

March 1, 2012

Tuesday, February 21, 2012: (St. Peter Damian)Jesus said: "My people, you are travelers on this earth and you are on a journey from this life into My Era of Peace. My Blessed Mother has promised you a time of her victory over Satan when she will crush his head with her foot, and you will see the coming Era of Peace. This is why you see her altar in your transition from this life of tears into the next age of My glory on earth. I held a little child before My apostles, and I want everyone to become like a child with humility and with a child-like faith in order to enter into heaven. Come to Me, My children, and I will give you all that you need. Trust in Me, and show Me your love as I showed you My love on the cross. You will soon be starting another Lenten season of prayer and fasting. Let your Lenten devotions improve your spiritual life so you can become child-like in your love for Me."

Jesus said: "My people, you are seeing many people asleep in sleeping blankets at this place where My faithful will be protected. I could see a miraculous spring of water to provide for your needs. You will have an angel of protection who will place a shield of invisibility over all the faithful who come here. Your hostess has spent many hours of preparation on this refuge, and I will reward her by sending people and angels to help her. Fear not this coming time for My angels will protect you and give you daily Communion. Keep active with your prayer groups so you can be connected with My faithful prayer warriors."

Wednesday, February 22, 2012

March 1, 2012

Wednesday, February 22, 2012: (Ash Wednesday)Jesus said: "My people, you received the ashes which are a reminder of your mortality and how your dead body will turn into ashes. As you start your Lenten devotions, your prayers and fasting for forty days will remind you of My fasting in the desert for forty days. I used that time to prepare My human side for My three years of ministry that would culminate with My death by crucifixion on the cross. You have a time in Lent to prepare yourself spiritually for My Resurrection celebration. Use your penances and suffering of fasting to change your life by involving Me more in your life. Once I finished My fasting, I was able to withstand the three temptations of the devil. By prayer and fasting, you too, will be able to withstand the temptations of the devil. Make some good resolutions that you can keep all throughout Lent."

Jesus said: "My people, your weather has been hot and cold, which is why most of your snow has melted quickly. Because your lakes have not frozen over, any cold spell coming over the Great Lakes could give you some heavy lake effect storms. Your moisture levels have been above normal, but you have had more rain than snow. You also have not had any recent ice storms with temperatures at freezing. This track could change quickly when cold temperatures could last for longer periods of time. Your weather patterns will continue to be erratic because of the manipulation of your jet streams. When man uses machines to change the weather, you may get more disasters than you are planning on. Pray that the people in Europe will get some warmer weather, or you could see more deaths from the cold."

Thursday, February 23, 2012

March 1, 2012

Thursday, February 23, 2012: (St. Polycarp)Jesus said: "My people, in the first reading Moses speaks to the people who are about to cross the Jordan into the land of milk and honey from the desert. He proposes a choice to follow the Lord's Commandments and receive a long life of prosperity, or those, who disobey and follow other gods, will receive a curse of punishment. The Israelites did follow other gods, and they were exiled into Babylon. This same choice is given to everyone and every nation. Those people, who disobey My laws, are

welcomed back when they seek My forgiveness, but there is reparation needed for their sins. Even America will be suffering a loss of its freedoms as a punishment for your abortions, and worship of money, fame, and possessions. In the Gospel I call everyone to pick up his or her cross, and share your suffering with Me on My cross. The last line asks you what does it profit a man if he gains the whole world, but loses his soul in the process? You are here on earth to know, love, and serve Me, and not just to accumulate wealth for yourselves. Your soul is your most prized possession because the soul lives on forever. Therefore, take advantage of this Lenten season to work on perfecting your spiritual life, so you will remain on the narrow road to heaven."

Prayer Group:Jesus said: "My people, there are two times when it will be necessary to have some extra food and water. The first time is at your homes before you come to My refuges. I have asked My faithful to store about one year's supply of food for the coming world famine, and when people will be required to have a chip in the body to buy food. You can store dried food, meals ready to eat (MREs), or canned foods. You may take some food with you on your way to My refuges. The second time for storage is at My refuges during the tribulation. The food is to be shared and not hoarded, and it will be multiplied according to your needs."

Jesus said: "My people, I know that you cannot survive without drinking water. This is why I have suggested that every refuge should have an independent source of water. It could be a river, lake, pond, or a well. A well may require a mechanical pump since there may not be any electricity. If no water is available, I will provide a spring of water just like at Lourdes, France. You may want to have a silver filter to clarify any pond water into potable water."

Jesus said: "My people, those, who are starting refuges may have to plan for some farm animals as chickens, rabbits, goats, sheep, or other farm animals for meat in addition to the deer that I will send to you. You will also need to plan for the feed necessary for them to eat. At My refuges everyone will be working to help as a community in feeding the animals, collecting eggs, and preparing food for the people. Any food that is available will be multiplied for everyone to have enough to eat."

Jesus said: "My people, when you have some land for growing vegetables, you could plant your heirloom seeds, so you could collect some seed for the next

growing season. Greenhouses could help to lengthen your growing time for at least two crops. Growing food will require some planning for fertilizer and a means of tilling the soil. Again your crops will be multiplied, and vegetables will give you a balanced diet."

Jesus said: "My people, your refuges are independent, so you will need to find ways and people with skills and tools to make what you need. You will need a source of wax for candles, lard and lye to make soap, wool from sheep to make clothes, and many such every day needs as sheets and bedding. Buildings will be multiplied to provide room for dormitories for sleeping. Sewing, cooking food, washing dishes and clothes, and cleaning floors will be shared and rotated jobs."

Jesus said: "My people, just as I provided the manna for the Exodus in the desert, so I will have My angels give you daily Communion in this coming modern day Exodus. You will also have round the clock Adoration of My Blessed Sacrament at an altar and tabernacle. My angels will also protect My people from the evil ones by leading you to My refuges, and making you invisible to those who want to kill you. Only My faithful with crosses on their foreheads will be allowed into My refuges."

Jesus said: "My people, at every refuge I will place a large luminous cross in the sky so you could look on it, and be healed of any infirmity. You have seen luminous crosses in several places of refuges where there are places of healing as well. There will also be healing spring water as at Lourdes, France, not only for drinking, but for some bathing. Just as Moses raised a bronze serpent to heal the snake bites, so My faithful will be healed of their infirmities by these crosses and springs. You will not need doctors and medicines except for broken bones or cuts that need immediate stitches. In all of these messages I am providing for all of your needed materials, but it will be up to your community to plan how to provide for each other's needs. You will be praying more and working harder to help each other survive."

Friday, February 24, 2012

March 1, 2012

Friday, February 24, 2012:Jesus said: "My people, your Lenten devotions of fasting between meals, abstinence of meat on Fridays, and eating smaller meals

is at first hard to get used to. The focus is not so much on keeping your weight down, but it is on making an extra effort to control your body's appetites and earthly desires. Many times you desire snacks at night or in the afternoon, so it is a restraint tostop something that you crave. Many of you already are praying a lot, but you can add a special Lenten devotion of praying the Stations of the Cross, especially on Fridays. There are also more opportunities to go to Confession, so there is no excuse not to go at least once a month. Another focus in Lent is on trying to restrain any bad habits as anger or swearing. If sexual sins are a problem, then this is another area to restrain during Lent. Lent is a time to focus on how to improve your spiritual life, so you are more pleasing to Me in keeping a clean soul. If you do not make a firm attempt at stopping your sinful habits, then it will be hard to make any spiritual progress. Call on My help in your prayers and fasting to keep struggling to restrain your sinful habits. Be grateful that you have this special time of Lent to get closer to Me in your love relationship."

Jesus said: "My people, the one world people are holding off on drilling for more oil until the price of oil rises back to $150 a barrel. America has the capability of producing enough oil for its needs, and oil could be had through a pipeline to Canada. In order to cause a war in the Middle East, the one world people need to keep us dependent on oil from that region. Oil prices could rise on speculation over the threat of a war with Iran. Some people have remarked that Iran could have trouble selling its own oil if it blocked the Persian Gulf. The one world people want a war with Iran, and they will be stepping up their media barrage to get the people to back such a war. Even the fear of such a war could drive gasoline prices over $5 a gallon which could cause America to go into another recession. A high price for gasoline could cause many people problems in getting to work, and it could even inflate the cost of many products that require trucking. Causing such a war with Iran will make the one world people rich on fuels, and it could even be a means for taking over America by bankruptcy of the government. When you see who profits the most from higher gasoline prices, you will see that they are the same people who are causing your wars."

Saturday, February 25, 2012:Jesus said: "My people, just as I called Levi to be

one of My apostles, so I call all peoples to follow Me in faith. I love everyone, and I do not discriminate on any groups. My call is to pick up your cross of trials in this life, and bear it out of love for Me. My way of love is difficult because I ask you to give up your free will to let Me be the Master of your life. It is not easy to conform your life to follow My Commandments since the devil is tempting you every day with worldly things. I call sinners to repent, which means all of you, because you are all weak to sin. You need My help, so do not be self-righteous as the Pharisees were. Do not think that you are better than others because your sins are not as severe as theirs. You all are called to carry your cross and seek My forgiveness of your sins. Without the forgiveness of sins and making Me Master of your life, then you cannot follow Me to heaven. As you see Me in the vision leading My faithful up a stairway behind My cross, this is your only means to heaven through Me."

Jesus said: "My people, the plan of the rich one world people is to keep Americans poor and controlled by gasoline prices. The rich can control America easier by taking the good paying jobs overseas and keeping their profits off shore to avoid taxes on their profits. They are stripping the middle class of their wealth by low savings interest rates, stock manipulations, and low income jobs. They are controlling you through high gasoline prices, and deficit spending that is bankrupting your country. Your entitlement programs are about to go broke because of the mismanagement of the funds that were supposed to fund them. The constant wars perpetrated by the one world people, are deepening your debts, and keeping gasoline prices high by war speculation. Your energy programs have not helped to make America less dependent on foreign oil. The policies of your government are leading your country closer to bankruptcy by the plan of the one world people. Pray for some dramatic changes in your policies before your country's economic system comes to a crash. You have committed so many sins in your abortions and sexual sins, that you are calling My justice down on America where your enemies will be allowed to take you over as a punishment."

Sunday, February 26, 2012:Jesus said: "My people, today's Gospel from St. Mark (1:12-13) is very short, but the Gospel of St. Matthew (4:1-11) goes into

more detail of the three temptations from Satan. These temptations are worthy of an explanation because the devil tempts you with similar means. I had just fasted for forty days without food in the desert as a preparation for My beginning ministry. Satan tempted Me to produce bread from the stones because My human side was exhausted and hungry. I remarked that man does not live by bread alone, but by the Word that comes forth from the mouth of God. Here in Lent you are fasting between meals, so My people need to restrain themselves from eating when their bodies may be tempted to eat food. This is a reminder not to be so focused on food, clothing, and a place to stay. You should be focused more on trusting in Me to provide for your needs. The second temptation was to throw Myself down on the rocks, but I remarked to Satan that he was not to tempt the Lord, Thy God. This is a temptation to not have faith in My protection, and it is important to not be tempted by apostasy that could lead you away from Me. Hold fast to your faith in Me, and you will have your reward in heaven. The third temptation is when Satan wanted Me to bow down to him, and he would give Me control over all of humanity. I told him to begone because it is the First Commandment to worship only Me, and I am the only One that you should know, love, and serve. This temptation comes as the devil tries to make you seek money, fame, possessions, and anything earthly instead of worshiping Me. Do not give worship or idolize any of these earthly things because I should be first in your life as Master over you. I give you free will, so you need to choose to worship Me instead of following your own way. Ask My help and ask that I send you My angels to help you in fighting off the devil's daily temptations. By staying close to Me in grace by Confession, you will have sufficient grace to refuse the devil's temptations. Be grateful for all that I do for you in leading you to be with Me forever in heaven."

Monday, February 27, 2012:Jesus said: "My people, in the vision and in the Gospel you are seeing Me as the judge of mankind. You have been given the Commandments from the time of Moses, so you all know deep in your hearts about My laws of love. It is one thing to say you believe in faith, but it is another thing to prove what you are saying by your actions. I have told you many times that you will know a good tree from a bad tree by the fruit that it bears. So if you truly believe in Me, you will show it by the good works that you do for people.

When you help someone, you are helping Me in them. So do not be like the lukewarm who say Lord, Lord, but their actions do not justify any belief in Me. You may have to go out of your comfort zone to help people. This means that you will need to donate some money, time, or talent when they need you in inconvenient times. By doing good works for others out of love for Me, then you will be storing up heavenly treasure for your judgment. You do not want to come to Me in judgment with empty hands without any good deeds. Lent is a good time for prayer and fasting, but it is also a good time to help others. When you desire to love Me, you must also love your neighbor as yourself."

Jesus said: "My people, you are seeing your troops being withdrawn from both Iraq and Afghanistan so they can be ready to be deployed in a new war in the Middle East. The one world people are planning America's next war, most likely in Iran where they are making nuclear weapons. There has been a respite to see if sanctions can bring Iran to the negotiating table. As long as Iran can sell its oil to China and other countries, they will continue their nuclear bomb goal. If Israel starts a unilateral bombing of nuclear sites in Iran, then America may get drawn into a new conflict. Israel is fighting for its survival because Iran's president said he would destroy Israel. Some people and the one world people will be encouraging this war, even if America cannot afford the expense of another war. The Congress should be the voice of the people that decides on where to fight wars, if at all. If the President tries to involve the U.S. in another war, the people should have a say in approving such an action. I have shown you before that such a war could bring America into bankruptcy. Keep praying that America does not get into such a risky war."

Tuesday, February 28, 2012:Jesus said: "My people, today's Gospel focuses on prayer in the Our Father. Your daily prayers during Lent are a link to sharing your requests and feelings with Me. Many of your everyday problems can be annoying, and they can disturb your peace. The challenge is to not let things get you so upset in your possible anger with these problems. The last part of the Our Father deals with forgiveness. I gave you one parable when a master forgave a worker his whole debt when he pleaded with him. Then later that worker demanded a fellow worker to pay back a smaller debt. Even when that fellow

worker pleaded for time, this man had him put in jail. The master then asked the first worker why he did not have compassion in forgiving the smaller debt. I have forgiven many debts from you in Confession, so you should also be willing to forgive others in a similar manner. This sin of not forgiving others, if it is not satisfied, will cause people to suffer in purgatory to purify this loss of love and compassion. You have seen this situation in your own experience. So I warn people to forgive each other as I have forgiven them, or there will be a punishment for the reparation due for this sin. I love everyone, but My justice must prevail when you disobey My laws."

Jesus said: "My people, your deficits and your National Debt are on the brink of bankruptcy. You are only able to run huge deficits as long as you can find countries and the Federal Reserve to buy your Treasury Notes. Your entitlements and possible war spending could be the last strain that could break your banks. Once you cannot pay for your many obligations, your whole government will collapse according to the plan of your central bankers. A martial law or bank holiday will cause such chaos, that food and fuels will be in short supply. Once you see another crash in the banks and the stock market, this will begin a takeover of America into the North American Union. When you see these events coming about, I will warn My faithful to come to the safety of My refuges. You can see the persecutions beginning as your freedoms will be stripped from you to conform to a police state. Protection at My refuges will save your lives and your souls from the mandatory chips in the body. Have no fear because My angels will protect you and provide for your needs. I have been warning you of such crashes coming for years, which is why I warned you to store food, and build My refuges. If you are prepared in body and soul, then you will be ready to weather the coming storm of evil in the tribulation."

Wednesday, February 29, 2012:Jesus said: "My people, this sign of Jonah is a sign of repentance for all the nations of mankind. When Jonah preached to Nineveh that they would be destroyed in forty days, the people all repented from their evil ways, and they fasted in sackcloth and ashes. If you look at history, many civilizations decayed from within because they lost their moral compass. Rome fell from within and even Israel fell in the Babylonian exile. The bottom

line is that those, who turn their backs on Me, are taking away the blessings that made them prosperous. America is on the brink of its destruction because you refuse to pray, refuse to honor Me on Sunday, and you are killing My babies. I am allowing the one world people to take you over because your nation is not repenting of its sins. When you look at communist dictators in Russia and China, you are looking at your future, if you do not repent. It is the one world people's financial backing that allows communism to survive. These atheistic countries of slave labor will not survive on their own, and they will fall soon as well. You are on the verge of a takeover by the evil forces that will put the Antichrist into power. Once you see evil's reign start to take over, you will know My victory is near. My people need to look at the big picture to know that you can only save your souls from hell by following My laws and repent of your sins in Confession. I will protect you from these evil ones. My faithful will have to come to My refuges of protection where My angels will shield you, and provide for your needs. Just as I told the Israelites that they would no longer see the Egyptian army alive anymore, I am telling you that My victory will soon cast this evil lot before you into the everlasting flames of hell. Repent and be saved, or you could lose your souls to the Antichrist and be cast into hell with him."

Jesus said: "My people, the dream of King Nebuchadnezzar of Babylon was interpreted by Daniel (3:24-49). He described four different civilizations that were to follow after the king. There is another Kingdom about Me quoted by Daniel. â€˜In the lifetime of these kings the God of heaven will set up a Kingdom that shall never be destroyed or delivered up to another people, rather it shall break into pieces all these kingdoms and put an end to them, and it shall stand forever. That is the meaning of the stone you saw hewn from the mountain without a hand being put to it.â€ The stone hewn from the mountain represents the tablets of My Ten Commandments that represented the Kingdom of God awaited by the Jews. My Kingdom was established by Me as the cornerstone, but it was rejected by the builders. This means My Kingdom was given over to My apostles to build up My Church to lead mankind to heaven. The other prophetic word comes from the dreams and messages of George Washington at Valley Forge when he talked about a third world war to come after World War II. Take some time to review his dreams because it speaks of the coming war that will involve America. This war could cause the fall of America as you know it, and it will lead up to the Antichrist's takeover for a short time."

Thursday, March 1, 2012:Jesus said: "My people, at the beginning of your country, you called down My blessings when you honored Me in your documents. In the vision of this St. Louis Arch you are seeing a full colored rainbow to indicate the treasure of My blessings upon you. In recent years your people have been doing everything to remove My Name from public view. I realize that there are a few atheists with power in your media that are creating a political correctness that does not include Me. There are also many faithful that are standing up for their faith when their religious freedom is being threatened. Even if you are in the minority, you need to stand by your faith in Me, or your country will continue to lose its blessings of protection. As with your Lenten theme, America needs to repent of its sins, or you will face more devastating disasters and a takeover of your country. The one world people want to take over your country, so it is important to keep praying for your country for the reparation due for your sins. Without a balance of prayer, the evil of your sins will allow your takeover. Wake up and repent, America, or you will soon lose all of your freedoms."

Prayer Group:Jesus said: "My people, the media's focus has been mostly concerned with your upcoming presidential election. The real concern, that I have, is for your country's spiritual direction. Even when spiritual issues came up about abortion and birth control devices, the issue turned to women's rights. A woman does not have a right to kill a baby in her womb because that baby is an individual separate from the mother. Fighting for religious freedom is a noble effort by your bishops, but Catholics still have problems following My laws to preserve life, and they should be following My Church's laws against birth control devices. It is your abortions, fornication, adultery, and birth control sins that are bringing My justice upon America. Repent of your sins, or your country could be taken over."
